LONG BEACH CITY COLLEGE
CATALOG 2004-2005
VOLUME XLVII

LONG BEACH COMMUNITY COLLEGE DISTRICT
LONG BEACH, CALIFORNIA

On behalf of administrators, faculty and staff, I would like to welcome you to Long Beach City College, a college rich in tradition, that is recognized for academic excellence around the state, as well as across the nation.

Long Beach City College is dedicated to providing you quality, affordable educational programs and related student services. Our faculty is recognized as experts in their field and our staff is dedicated to bringing you the best in service.

While providing you with an outstanding, comprehensive academic curriculum, the college is also proud to offer you one of the largest and most active Associated Student Body (ASB) programs in the California Community College system.

Whether your educational goals are to transfer to a four-year institution, enhance personal or professional development or transition into a new career, I want to assure you that Long Beach City College is dedicated to helping you reach your educational goals.

Congratulations on making Long Beach City College, *Your #1 Community College Choice!*

E. Jan Kehoe, Ph.D.
Superintendent-President

The faculty at Long Beach City College want to welcome you as you begin your college career here at the LAC or PCC campus. You have chosen one of the best community colleges in the State of California. At LBCC, you can receive the preparation you need to begin, or change, a career by selecting one of our outstanding certificate programs. If you choose to transfer to a four-year institution, you can complete your general education for a Baccalaureate degree and lock these units closed by Long Beach City College's power to certify the work you have done. Also, you can develop an area of concentration that will allow you to develop a major and win entry into one of the numerous four-year institutions located in Southern California. Furthermore, you can avail yourself of the best support system I know of in higher education; we have counselors and student services that will help you in your course selection, career preparation and transfer goals. On behalf of myself and all the faculty, let me say that we are very pleased you have chosen Long Beach City College as the place to explore your future, to interact with our neighbors and to get to know your instructors before you move on.

Janice Tomson
Academic Senate President

On behalf of the Associated Student Body of Long Beach City College, I would like to extend a warm welcome to all of you who will be experiencing college for the first time. And to those of you who are returning students, an affectionate welcome back.

As you begin or continue your journey here, I would like to personally invite you to learn about your opportunities for growth outside of the classroom. LBCC has at your disposal a nationally recognized volunteer program for you to serve your community, and such student leadership opportunities as ASB Cabinet, Student Senate, Associated Men and Women's Student boards, Pacific Coast Campus Council and PCC Club Board. There are also many different social clubs and fraternities to become involved with, and for those of you who strive to be the best, there is Thane and Kassai, the college's men's and women's honors orders representing the top 25 male and female students respectively, and Alpha Gamma Sigma, the community college honor society.

It is my hope that your experiences here at LBCC will be enriching, enlightening and producing lasting, joyful memories that you will take with you long after you have completed your tasks here. Thank you.

Michael Brignac
ASB President

Summer Sessions 2004

June 1	**Day or Evening Summer Session Classes Begin**
June 14	**Day or Evening Summer Session Classes Begin**

Accreditation

Long Beach City College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (3402 Mendocino Avenue, Santa Rosa, CA 95403, (707) 569-9177), an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education.

Curriculum Offerings

The college reserves the right to determine which of the courses listed in the catalog are to be offered in each semester. Changes in curriculum or course content may occur after the information cut-off date of this catalog, April 2003.

Schedule Of Classes

Long Beach City College publishes a schedule of classes before the beginning of each semester indicating each course to be offered. Schedules are available for sale in the college bookstores, local 7-Eleven stores and for review in the Counseling Center, the college website (http://www.lbcc.edu) and other campus locations. Changes in curriculum offerings or in fees charged may occur after printing.

In compliance with Section 508 of the Workforce Investment Act of 1998, the Long Beach Community College District provides the catalog and other college publications in alternative formats. If you are an individual who requires special assistance and would like materials in an alternative format, contact the Disabled Students Programs & Services department at (562) 938-4558 or (562) 938-4833 TDD. The Disabled Students Programs & Services department is located on the Liberal Arts Campus (LAC), located at 4901 E. Carson St., Long Beach, CA 90808.

College Vision and Mission

2020 Vision

Long Beach City College prepares students to be successful in the world of the 21st century. Sitting at a global crossroads, the college constantly crafts its educational programs to meet the needs of students living in: a world of increased complexity and speed; a world both global and remarkably accessible; and a world technologically advanced but intensely interdependent. A culturally diverse college, Long Beach City College welcomes all people who desire to grow and serve. The college nurtures a vibrant environment that cultivates a passion for learning which continues for life.

Mission

Long Beach City College is an institution of higher education within the California Community College System. As a comprehensive college, Long Beach City College provides quality, affordable educational programs and related student services to those who can benefit from the programs the college offers. Through a collegiate experience and with an open door admissions policy, the college fosters the development of individual potential and is responsive to the diverse educational needs of the community it serves. The primary purposes of the education program are to prepare students for transfer to baccalaureate-granting institutions, entry into work or career development and to support business and industry in economic development. Long Beach City College offers general education and vocational education at the lower division level and transitional instruction and those support services that promote student success–remedial education, English as a second language instruction, adult noncredit courses and student support services. College programs and services educate citizens to enrich the quality of life in the community.

To fulfill this mission, the college will assist students in the following ways:

To find, enter and progress in careers suited to their interests and goals.

To develop techniques and devices for problem-solving to reach decisions and goals.

To develop an understanding of and appreciation for the scientific and technological basis of our civilization.

To develop the skills of communication needed to act within the framework of a society based on information and service.

To establish acceptance, preference and commitment to values that lead to the attainment of self-esteem and self-respect.

To develop and intensify an appreciation and understanding of the aesthetic qualities of life.

To develop an understanding of the great diversity of human cultures and heritages and a respect for the intrinsic value of life in all its forms.

To develop the ability to cooperate and work with individuals and groups.

To develop the attitudes and techniques needed to use time effectively and creatively.

To encourage the development of attitudes, knowledge and skills that promote physical and mental health.

To promote respect for truth, confidence in attaining goals and enthusiasm for learning as a life-long process.

To promote and encourage the utilization of the various tools of education in developing a sense of commitment toward responsible citizenship and an appreciation of the processes which sustain our society.

To recognize that close student-faculty-staff relationships contribute to a motivated and supportive atmosphere for learning and working.

College Functions

Transfer

The first two years of courses satisfying either the general education or major requirements for a four-year college (Baccalaureate) degree in the University of California system, California State University system or other colleges and universities to which our students commonly transfer.

General Education

A community college (Associate) degree that includes a broad general education and selected fields of concentration most appropriate to the educational and occupational needs of our community.

Occupational Education

Specialized education and training in selected occupational fields leading to job skills preparation, promotion, retention and certification.

Developmental Education

Educational and learning assistance to help students succeed in a community college program once they have demonstrated minimum communication and computational levels.

Support Services

A multifaceted support program to assist students to assess their abilities and to establish and achieve realistic educational and career goals.

Beyond the Classroom

An appropriate co-curricular program including practical educational experiences, as well as opportunities for growth in leadership and citizenship.

Life-Long Learning

Selected continuing education programs and courses that are cost effective and provide life-long learning and training opportunities.

Economic and Resource Development

Economic and Resource Development provides workforce preparation programs and services to individuals to develop entry-level skills, new technical skills, career advancement, and to regional industry to ensure business attraction, retention and global competitiveness.

College History

Long Beach City College is a two-year community college located in Long Beach, California. It is one of the largest of the 108 community colleges in California, and serves the same area as the Long Beach Unified School District, encompassing the cities of Long Beach and Signal Hill, two-thirds of Lakewood and Santa Catalina Island.

The college has 30,000 students and is governed by a five-member, elected Board of Trustees. It offers two-year associate degree courses in business, health, services, trade and technical, and liberal arts fields; as well as one-year, vocational certificates in occupational trades and courses that transfer to four-year universities or offer job skills.

Long Beach City College has received state awards for its registered nursing and childcare programs and is widely known for its extensive and technologically advanced commercial music and electronics programs. It has special training partnerships with several corporations, including a diesel mechanics training program with Caterpillar.

The national newspaper, *Community College Week* has reported that Long Beach City College is one of the largest and most effective community colleges in the nation. In 1993, a study found that only nine other two-year colleges in the nation award more associate degrees to minority students than Long Beach City College, according to the magazine, *Black Issues in Higher Education.*

The college was founded in 1927, and initially housed at Woodrow Wilson High School until the 1933 earthquake, which destroyed the building. Classes were held outside and in tents at neighboring Recreation Park until the college moved to the site of its present-day Liberal Arts Campus at Carson Street and Clark Avenue in 1935.

From its earliest days, the college established traditions that are alive today, such as the mascot, Ole, and team name, Vikings. A student newspaper, yearbook, and social, service and intramural programs were launched in the first year. Academic honors included having a library that was viewed as a model nationally and the state's top junior college debate team. Athletic honors included Southern California championships in wrestling, baseball, men's and women's swimming and the state championship in men's basketball, all in the 1928-29 school year.

The college grew rapidly during and after World War II and added the Pacific Coast Campus, formerly Hamilton Junior High, in 1949. Numerous extension campuses and satellite locations were added as growth continued into the early 1970s. As a result of state law, the college separated from the Long Beach Unified School District. Retrenchment occurred during the late 1970s and early 1980s as Proposition 13 forced the end of many popular classes and services.

Changes in the workplace, and in the community's demographics, brought about rapid changes in the mid-1980s. The influx of Southeast Asian refugees led to extensive courses in English as a Second Language and other programs to assist and acculturate this burgeoning population. A later wave of amnesty applicants ensured that ESL stayed the college's largest program. The amnesty program garnered awards as a state model.

Computers entered nearly every instructional program necessitating acquisition of new equipment and revisions to curriculum. Apple Computer presented Long Beach City College with one of 10 grants nationally for its extensive commitment to computer technology.

In 1987, the college completed a decade of negotiations with the City of Long Beach to acquire the neighboring Veterans Stadium. Through the sale of surplus land to another neighbor, McDonnell Douglas (now Boeing), the college was able to finance the $3 million in renovations required to upgrade the facility. The college's adapted physical education then moved to modernized facilities under the stadium. In 1992 the college celebrated completion of these and other projects, including an all-weather track and redesigned athletic fields.

Within the last five years the college has completed a multi-million-dollar upgrade of its swimming pool facilities at the Liberal Arts Campus.

Long Beach City College students also have access to more than 65 computer-based learning classrooms with full Internet connection and a state-of-the-art math and science building which opened with the beginning of the 2000 fall semester.

Extended Instruction/Off-Campus Programs

Off campus classes are offered at several community sites to facilitate student access to a variety of course offerings. These sites enable students to attend classes at convenient locations near their homes or work.

Students can enroll for these classes through the regular college registration process or by "walk-in" classroom registration during the first class meeting. For further information, consult the schedule of classes or call (562) 938-4810.

Senior Studies Program
The Senior Studies Program offers courses specifically designed for the needs and interests of mature students. Stimulating noncredit classes are available. Special theater programs, seminars, a campus senior club and mini tours are designed for the active adult (55 and older). The Senior Center, located at the Pacific Coast Campus, Room FF108, is open from 8 a.m.-3 p.m., Monday-Thursday, and 8 a.m.-1 p.m., Friday. Special assistance is given during registration and counseling is available. For further information, call (562) 938-3048.

Distance Learning (http://de.lbcc.edu)
Online TeleWeb Instruction
Online/TeleWeb courses offer students an opportunity to take a variety of courses through a remote access by using a personal computer with Internet connection. Students can access these courses at home, off-campus

public facilities, or make use of the college's open access labs to log on to their course website. These course offerings are entirely web based and do not require students to be present on campus (some courses require on-campus orientations or testing; check the section notes in the schedule of classes or the e-courses directory at http://de.lbcc.edu/e-courses). TeleWeb courses, in addition to online course requirements may require access to TV/Public Broadcast Stations (PBS) and/or LBCC Cable station.

Students can enroll for these classes through the regular college registration process or by accessing the OLE On-line Experience page at http://www.lbcc.edu/ole.html. For further information access the Distance Learning program website or call (562) 938-4025.

Televised Instruction
Televised courses offer students an opportunity to take a variety of courses via TV, at home or at other off-campus public facilities. Students need to have access to Public Broadcast Stations and/or LBCC cable station (Charter Communications channel 15 in Long Beach and channel 32 in Lakewood). Televised courses are accompanied by a website that provides access to course information, communication and practices opportunities. Students need a computer with an Internet connection or they can make use of the computers in the college's open access labs. On-campus meetings for these courses are limited (check the section notes in the schedule of classes).

Students can enroll for these classes through the regular college registration process or by accessing the OLE On-line Experience page at http://www.lbcc.edu/ole.html. For further information consult the schedule of classes, the TV courses link on the Distance Learning website (http://de.lbcc.edu), or call (562) 938-4025.

Hybrid Courses
Hybrid courses include some face-to-face meetings on campus as well as off-campus instruction used in any of the above sections. Check the schedule of classes for information about the requirements for the hybrid course of your interest.

Weekend Classes
An increasing number of Saturday and Sunday classes are being offered at the Pacific Coast Campus. Some meet for the entire regular session of eighteen weeks. Others fall under the ACE umbrella (see below) and meet for nine week sessions. Classes are offered in academic, general education, and in the School of Trades and Industry (vocational).

Accelerated College Education (ACE)
ACE (Accelerated College Education) is a two-year curriculum offered at the Pacific Coast Campus of Long Beach City College. It is designed to meet the needs of busy, working adults by offering classes in nine week sessions that meet one night during the week for two hours and four hours on Saturday. The curriculum meets the lower division, general education transfer requirements for the Liberal Studies major for all of the CSUs, in particular CSULB and CSUDH. CSUDH

continues the format in their upper division Interdisciplinary Studies major.

For further information about ACE and Saturday and Sunday classes, call (562) 938-3904, Monday – Friday 8:00 a.m. – 5:00 p.m.

Honors Program and Courses

For over 75 years, Long Beach City College has established innovative educational programs to serve the public. In 1980, the college established the Honors Program to better serve high-ability, high-achieving students. Today, the program is an important element of the college's curriculum, and its graduates have proven records of success in professional and graduate schools, as well as at the baccalaureate level.

Major benefits of the program include Scholarships, Transfer Programs agreements and President's Scholar and Academic Senate Scholar Awards.

Rotary Club Honors
Each year Rotary Club Honors Scholarships are available to entering Long Beach City College students who graduate from area high schools. Awarded on the basis of a student's academic record and potential, these scholarships require students to have met the "a through f" subject requirements for entry into the University of California with a GPA of 3.5 or better (correspondingly high scores on the SAT or ACT are also necessary).

In addition, the Long Beach City College Foundation awards $150 scholarships to all graduates of Long Beach high schools who have a 3.5 or higher cumulative grade point average during the previous six semesters and who enroll at Long Beach City College.

Transfer Programs
The LBCC Honors Program is a member of the UCLA, UCI, UCR, UCSC, CSUDH, CSUF (Honors) CSULB (Honors), SDSU (Honors), Chapman University, Occidental College, LaSierra University (Honors), Pitzer College, Pomona College and Whitman College Transfer Programs and can offer its graduates priority transfer consideration for admission to these universities for the Baccalaureate Degree. For further details about these and developing alliances, contact the Honors Program Office at (562) 938-4354.

President's Scholar Honors
The President's Scholar designation with the associate degree is awarded in recognition of outstanding achievement in the college's Honors Program.

I.   To qualify, a student must complete a minimum of six Honors courses with a 3.5 or higher GPA. (Minimum units required: 15).*

In addition, a student must maintain a Long Beach City College cumulative GPA of 3.5 or higher with at least 80 percent of all units attempted in courses numbered 1-99.* A student must also satisfy the college's "units in residency" requirement.

*NOTE: Exceptions to the total number of units required and to the 80 percent rule may be made at the discretion of the Honors Program Committee.

II.   The President's Scholar designation is entered on the transcript, next to the associate degree notation. In addition, qualifying students receive a gold seal on their diplomas and are given special recognition at commencement. President's Scholars are the first to receive their diplomas and are awarded medallions, which they wear at graduation.

III. As part of the President's Scholar award, students customarily receive a cash scholarship at graduation.

Academic Senate Scholar Honors
The Academic Senate Scholar designation upon transfer is awarded in recognition of outstanding achievement in the college's Honors Program.

I.   To qualify, a student must complete a minimum of six Honors courses with a 3.5 or better GPA.

In addition, a student must maintain a Long Beach City College cumulative GPA of 3.5 or higher with at least 80 percent of all units attempted in courses numbered 1-99.* A student must also satisfy the college's "units in residency" requirement.

The Academic Senate Scholar designation is entered on the transcript after a student has completed the 60 units required for transfer.

*NOTE: Exceptions to the total number of units required and to the 80 percent rule may be made at the discretion of the Honors Program Committee.

II.   As part of the Academic Senate Scholar award, qualifying students will receive a certificate of recognition for this achievement.

Honors Student
The Honors Student designation is awarded to all transfer students that complete the Honors Program successfully.

1.   To qualify, a student must have completed a minimum of six Honors classes, a minimum of 15 units, with a 3.0 GPA or higher.

2.   In addition, a student must maintain a Long Beach City College cumulative GPA of 3.0 or higher with at least 80 percent of all units attempted in courses numbered 1-99. A student must also satisfy the college's "units in residency" requirement.

3.   The Honors Student designation is entered on the transcripts after the student has completed the 60 units required for transfer.

Honors Courses
General education Honors courses have as few as ten students and offer more intensive study than is normally possible. Over the years, Anatomy 1, Anthropology 2, Art 1, Art 2, Art 3, Art 4, Art 11, Biology 20, Biology 41, Economics 1A, English 1, English 3, English 44, English 45, English 48, Geology 1, Geology 3, German 3, German 4, History 1A, History 1B, History 2C, History 8A, History 8B, Humanities 1, Math 37, Music 40, Philosophy 6, Philosophy 7, Political Science 1, Psychology 1, Social Science 1, Spanish 3 and Statistics 1 have been offered as Honors courses.

In addition, Honors courses sometimes offer an extensive approach to knowledge by considering the interconnections between disciplines and fields of knowledge. Guest speakers and field trips enhance this approach. Other extensive possibilities are available because many Honors classes are scheduled with instructors from different disciplines working together to encourage students to explore multi-disciplinary concerns as they fulfill the general education requirement.

If you have any questions, please call (562) 938-4354.

Admission Requirements for Newly Enrolling Students
Students enrolling at Long Beach City College for the first time should have the following grades (overall GPA) and test scores (SAT, ACT or the equivalent) and are qualified for English 1 to qualify for the Honors Program:

GPA COMPOSITE	SAT TOTAL	ACT
4.0	800	20
3.9	850	21
3.8	900	22
3.7	950	23
3.6	1000	24
3.5	1050	25
3.4	1100	26
3.3	1150	27
3.25	1175	27

If you believe you are eligible for the Program based on other criteria, please make an appointment to see the Honors Coordinator after you have filled out the application. However, you must be close to the minimum requirements based on the SAT/ACT and GPA, have excellent letters of recommendation, and offer academic evidence showing why you believe you should be allowed to enroll in the Honors Program.

Admission Requirements for Currently Enrolled Students
Students currently enrolled at Long Beach City College qualify for the Honors Program if they have a 3.0 overall GPA in twelve or more college units (in courses numbered 1-99) and are qualified for English 1.

Continued superior academic achievement is required to remain in the Honors Program. A minimum 3.0 GPA is required in addition to completion of program requirements.

Some Benefits of the Long Beach City College Honors Program
• Honors Scholarships for entering students from local high schools
• Access to special research sources
• Free UCLA, UCI, CSULB library card
• Faculty mentors
• Honors academic counseling
• Informal degree checks
• Invitation to special honors forums, seminars and social events
• Participation in National Collegiate Honors Council (NCHC)

- Letters of recommendation, including a statement of the goals of the Honors Program and an evaluation of the student's participation in the program
- Facilitation of placement in four-year college Honors Programs
- President's Scholar Honors upon graduation
- Academic Senate Scholar Honors upon transfer
- Priority transfer privileges to universities at the junior level

For further information concerning the application process for the Honors Program, call (562) 938-4354 or visit the Honors Program Office in the LAC Library Mezzanine, L203A.

Admissions & Registration Information

Admission Requirements
Any person 18 years or older, or who has a high school diploma or its equivalent, is eligible to enroll at Long Beach City College, provided the applicant otherwise meets the admission requirements. Under certain conditions, K-12 students may also attend college classes.

All students are classified as either a California "resident" or a "non-resident." In general, a student must have lived in the state of California with full intent to remain as a permanent resident for at least one year prior to the start of the semester in order to be classified as a "resident."

In order to be considered California residents, students must provide evidence of intent to become a permanent California resident, such as a California driver's license, voter registration, car registration, proof of purchase of a home, etc, that is a year old before the semester begins. No single document is necessarily conclusive proof. California residence cannot be granted if there is evidence of any such document from another state. Residence for unmarried minors (those under 18) will be determined by the residence of the parent with whom the student lives. **Students must establish that they have lived in California, with the intent to become a permanent resident, for more than one year before the start of the semester they plan to attend.**

Students who are not U.S. citizens must verify their immigration status at the time of registration. If classified as a non-resident, they must pay non-resident tuition. Foreign students who plan to enroll with a student visa (F-1) must have the application files completed at least three weeks before the start of the semester. No I-20 will be issued until all requirements are met.

The above statements on residence are not intended to include all of the laws governing residence. The full text of the laws is presented in the California Education Code, available in the college library.

Students must submit the appropriate admissions applications and/or enrollment forms for each term they wish to attend. Documents, such as applications and transcripts, submitted to the college become the property of Long Beach City College and will not be returned and may not be duplicated.

Matriculation

Matriculation is a process that brings together the college and a student who enrolls for credit into an agreement for the purpose of realizing the student's educational goal through the college's established programs, policies and requirements. Matriculation services include registration, orientation, assessment, counseling, post-enrollment evaluation and referral of students to services. The student is expected to participate in these services unless he/she requests a waiver from a particular service.

I. College's Responsibility
In accordance with the matriculation agreement, the college agrees to provide guidance to students by evaluating basic skills, helping to place students in courses where they will encounter the greatest possible success, aiding them in developing realistic educational plans and providing the services to assist the student in achieving his/her goals.

II. Student's Responsibility
a. All new non-exempt students must complete assessment and orientation before they enroll in their second term. If the student has not completed the assessment and orientation processes at that time, he/she will not be able to register until assessment and orientation are completed. All students affected by this policy will be notified by letter during their first term, if they have not completed these processes.

b. The agreement calls for the student's expression of at least a broad educational intent at admission and the willingness to declare a specific educational objective by the semester after he/she has completed fifteen units of degree applicable credit coursework. Diligence in class attendance, completion of assigned coursework and maintenance of progress toward an educational goal is expected.

III. Components of Matriculation
Matriculation is composed of the following components to ensure student success:
*Admission to the college
*Assessment of English, math, reading (SOAR) and English as a Second Language skills
*Orientation to the college's programs and services
*Counseling to receive assistance with course selection and planning of an educational goal

Other Student Services are available to assist students in attaining an educational goal (See Page 12 of catalog for description of student services):

- EOP&S - Financial Aid - Health Center
- Job Placement - Transfer Center - DSPS
- Learning Center - Career Planning - Tutoring

*THESE COMPONENTS ARE REQUIRED OF ALL STUDENTS TO BE FULLY MATRICULATED. (See V. for exemptions)

IV. Matriculation Requirement

Admission, Orientation and Assessment. All new non-exempt students must complete assessment and orientation before they enroll in their second term. If the student has not completed the assessment and orientation process at that time, he/she will not be able to register until assessment and orientation are completed. All students affected by this policy will be notified by letter during their first term if they have not completed these processes. (See V. below) The **assessment test (SOAR) is required of any student who falls under one** of the following categories:

a. All new, non-exempt (see below) students.

b. Students who want to enroll in any English composition, reading or math course.

c. Students who want to use this option to fulfill their associate degree math or reading proficiency.

d. Students who are financial aid recipients, including Extended Opportunities Programs and Services.

e. Candidates for any of the Nursing and Health Technologies programs.

f. Students wishing to fulfill English and/or math prerequisites as specified by a department program.

V. Matriculation Component Exemptions

a. **Orientation** - Students who are exempt from the matriculation service of orientation are those students who hold associate degrees or higher, or those students who demonstrate that they are taking courses only for personal enrichment or those students who are co-enrolled at a four-year college or university or those students who are enrolled only in:

1. Performance or activity classes.

2. Classes for advancement in current job/career (update job skills).

3. Distance education classes.

4. Contract education classes.

5. Non-Credit classes.

b. **Assessment** - The exemptions for orientation apply to the assessment component, unless a student plans to take a math, reading, English or English as a Second Language class and has not met the prerequisite. The assessment component for math, reading and writing can be partially met with documentation of coursework from another accredited college or high school.

VI. Matriculation Component Appeal/Waiver Process and District Policies of Handling

a. **Admission -** All students must participate in this component; there is no waiver process.

b. **Orientation, Counseling and Assessment -** Any student who feels that he/she is exempt from any of these components may appeal by filing a Matriculation Component Waiver form, which is available in the Assessment Office. These exemptions do not provide clearance for enrollment into specified English, math, reading or ESL courses. The waiver will be reviewed by the Matriculation Specialist and the student is then notified of the decision by mail. A student may request to participate in a previously waived component by contacting the Matriculation Specialist.

c. **College Assessment Test -**

1. **Retest Policy**: A student may retake any part of the College Assessment Test (SOAR) after a five-month period has passed. You can retake a different math level (Algebra Readiness, Elementary Algebra, or Intermediate Algebra) test without waiting five months.

2. **Appeals of Initial Placement Recommendation**: A student may appeal an initial placement recommendation in English, math, reading or ESL by completing the Placement Appeal form available at the Assessment Center, Counseling Office or the respective department. The student will be notified of the appeal decision by mail.

VII. Student Rights and Matriculation

A student may file a complaint against Long Beach City College matriculation practices by filing a complaint form, which is available at the Assessment Office. Complaints will be filed with the Dean of Counseling and Student Support Services, who is responsible for investigation and resolution of such complaints. The Dean will maintain a file on all formal complaints.

Student Grievance Policy

Long Beach City College is committed to resolving problems students may be encountering while working within the guidelines and policies established by the state of California and the Board of Trustees. For specific information on both the policy and process for student grievances, contact the office of the Dean of Student Affairs.

Procedures For Application To School of Health and Science Programs 2005-2006

Applications for 2005-2006 School of Health and Science Programs are accepted on a continuous basis. Qualified applicants will be accepted on the basis of date of application and number of required general education courses taken. Applications are carried over if there are more applicants than can be admitted. All applicants must attend information sessions.

High School Graduates (2004)
Students in their senior year may apply as specified above.

International Student Program/ Admissions

Long Beach City College encourages students from other countries to enroll. International student tuition is $146 per unit and the enrollment fee is $18 per unit. Both fees are subject to change without notice. In addition, students will pay a College Services fee and a Health Services fee. International students must also purchase the College Health Insurance Plan. There is an optional parking fee.

Students may live in an apartment, with relatives or friends or with an American family in a homestay. The prices range widely. Contact the International Student Office for assistance. There is bus transportation directly to campus from throughout the community.

Through the college's International Students Club, members plan local trips, parties and other events that help international students make friends, learn about other cultures and explore Southern California activities and attractions.

How to Apply:
Request an application packet containing the forms you need from:

> Long Beach City College
> Attention: International Student Admissions
> 4901 East Carson Street
> Long Beach, CA 90808 USA

Complete and return your application, along with a $25 application fee. Application materials must be completed by June 1 for the fall semester and October 1 for the spring semester. The form I-20 will not be issued until all requirements are met. Those applicants who have properly submitted all necessary forms will be accepted in order of completion until the semester begins.

Your completed application file should contain:

1. A TOEFL test score. English proficiency, indicated by a score of 500 or better on the Test of English as a Foreign Language (TOEFL), is required to be considered for admission. Request a test application form from:

   TOEFL - Educational Testing Services
   Box 899
   Princeton, New Jersey 08540 USA

2. A financial statement, to comply with U.S. immigration requirements, showing access to sufficient funds to pay college and living expenses for the duration of your studies. Submit the College Financial Statement form with your application. The approximate cost per school year is $15,000 in U.S. dollars. The financial statement must be filled out using U.S. dollars. A sponsor's Affidavit of Support must also be submitted. The form may be requested from the International Student Office.

3. Transcripts showing academic preparation equivalent to receipt of a U.S. high school diploma, which is twelve years of elementary and secondary school. Please request that official copies of your transcripts be sent to the college. They should show all courses taken in the last three years of secondary school, the grade received in each course, grading method, the minimum passing grade allowed and the date of your completion of secondary school. Transcripts for any college classes completed must also be supplied. All must be translated into English and notarized before being submitted.

4. Proof of medical insurance must be on file within one month of the start of classes. Such insurance must be maintained throughout enrollment at the college. Applicants must provide proof of not having tuberculosis.

5. An F-1 application form for Form I-20 must also be signed and returned directly to the college.

American Language and Culture Institute

Long Beach City College's American Language and Culture Institute combines instruction for men and women at all levels of English proficiency with exposure to Southern California's dynamic blend of arts, sports, entertainment and business.

Whether you want to master English to take a TOEFL exam, attend a U.S. university, travel in English-speaking countries or for your business or career, the Long Beach City College American Language and Culture Institute is for you.

Students, business people, professionals and others will benefit from this strong program of language acquisition enhanced by the opportunity to learn about U.S. culture and customs.

The American Language and Culture Institute offers the opportunity to acquire or improve English language skills rapidly through intensive study, augmented by individualized computer instruction. Adults of all ages and levels of proficiency will be able to benefit.

Nine-week sessions are held throughout the year. Classes are conveniently scheduled early in the day to permit free time to explore Southern California's many attractions.

Registration Procedures

Students are responsible for officially registering in classes. A registration receipt is proof of enrollment. Students may not attend a class unless they are properly registered in that class. Registration may be done on-line, over the phone, or on a walk-in basis. See the Schedule of Classes for the semester enrolled to learn about registration dates, times and instructions.

Students are also responsible for officially dropping classes and must do this at the Admissions and Records Office.

Fees, Tuition and Other Expenses

Students must pay all fees and tuition at the time of registration unless otherwise indicated. All students are

required to purchase their own books and regular supplies. All fees are subject to change after the printing of the schedule of classes.

A $15 fee will be charged for <u>all</u> returned checks. Under Assembly Bill 1226, any person who writes a check dishonored for lack of funds is civilly liable, and under the law is liable for three times the amount of the check, plus the face value of the check.

Nonresident Tuition: Students who have been classified as non-residents (see residence section) shall be required to pay nonresident tuition at the rate of $167 per unit (rate subject to change without notice). The international student rate is $174 per unit, which includes a capital outlay surcharge of $7 per unit.

Books, Supplies and Course Materials Fees: You must purchase all books and many of the supplies required by instructors of the classes in which you enroll. If your class has a materials fee, it will be printed in the schedule of classes and that fee must be paid during registration. When possible, the bookstore sells used books at reduced prices. The bookstore generally stocks the supplies you may be required to purchase.

College Services Card Fee: This optional fee, administered by the Associated Student Body, underwrites many of the services, programs and extracurricular classroom experiences that otherwise cannot be provided. Some of these services include: telephone registration, scholarships, five percent discount on textbooks and supplies, on-campus check cashing, bus pass purchases, legal advice, accident insurance, theatre, music and athletic events. The College Services Card fee is $15 for fall and spring and $10 for summer sessions.

Student Health Fee: A health fee of $12 for the fall/spring semesters and $9 for the summer session will be charged upon registration, unless students meet one of the exemptions listed blow:

1. Students who qualify for the Board of Governors Fee Waiver (BOGW) or are identified by the Financial Aid Office as qualifying for exemption under Education Code Section 72252.(1).

2. Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Documentary evidence of such an affiliation is required.

3. Students attending college under approved apprenticeship training programs under Section 76355(c)(2).

The Student Health Services Offices are located on both campuses and are staffed by a registered nurse. Services include:

- Health assessment
- Health referrals
- First aid treatment
- Health counseling
- Blood pressure check
- Pregnancy tests
- Vision screening
- Hearing screening

- Over-the-counter medications for colds, flu, and headache
- Health-related programs such as the annual LBCC health fair
- Insurance coverage for accidents occurring on campus or at off-campus, college-sponsored events ($50 deductible).

Parking Fee: Students must purchase a parking pass if using on-campus parking. The parking fee for automobiles or motorcycles is $25 for students during the fall or spring semester. For students receiving financial aid, the fee is $20. The fee for all students during summer sessions is $15. Citations are issued starting the third week of each semester for vehicles not displaying a valid parking permit.

Printing Fee: A printing fee of $.10/page will be charged for each page duplicated in the open access labs and library on campus. Students are welcome to save the information to a disk to print at home or take to another source for duplicating.

Indebtedness: The college cannot extend credit for fees or expenses. In the event that the student becomes indebted to the college due to library fines, books or athletic equipment damage or loss, student loan defaults, breakage of equipment, bad checks, failure to meet attendance regulations involving veteran support or financial aid or for any other reason, the college may deny further enrollment, refuse to release transcripts and refuse to release information to potential employers or other agencies until all indebtedness has been cleared.

Refunds

For purposes of this section, the "first week of instruction" is the first week scheduled in that class in that semester, not necessarily the first week of student enrollment or attendance.

Service Charge: $10 shall be charged for processing each enrollment fee refund transaction except for those resulting from the cancellation of a class by the college or overpayment of fees.

Long Beach City College will determine the amount of federal financial aid that a student has earned in accordance with federal law. Students who receive federal financial aid and do not attend any classes will be required to repay all of the funds they received. Students who withdraw from all classes prior to completing more than 60% of the semester will have their financial aid eligibility recalculated based on the percentage of the semester completed and will be required to repay any unearned financial aid they received.

At LBCC a student's withdrawal date is:
1. The date the student officially notified the Admissions Office of his or her intent to withdraw, or

2. The midpoint of the semester for a student who leaves without notifying the college or

3. The student's last date of attendance at a documented academically related activity.

Long Beach City College does not have leaves of absence.

Transfer Rules and Refunds

Students may transfer from one class to another within the same academic discipline upon the approval of the instructors involved. Transfers shall not be considered withdrawals.

Definition of a Course Transfer: After the refund/transfer period, transfers may only be made between classes in the same academic discipline. Furthermore, transfers will only be allowed under the following conditions:

1. Both classes are of equal length and start in the same week.

2. The class from which the transfer is being made is shorter than the new class and both start in the same week.

3. The class from which the transfer is being made is longer than the new class and both end in the same week.

Fee Refund/Transfer Period: In order to receive a refund or transfer enrollment fees or nonresident tuition from one class to another, students must officially withdraw or transfer within the period defined below. Transfer of fees and tuition will be made at the 100 percent rate; refunds will be 100 percent less the service charge of $10. The period depends on the length of the class, regardless of when the student enrolls.

1. For classes that are scheduled for the entire semester, the refund/transfer period is the first two weeks of the semester. After the second week, no refund can be made and transfers may only be made within the same academic discipline provided that permission is granted by the instructors.

2. For all other classes that are scheduled for shorter or longer periods of time than the regular semester, the refund/transfer period is the first ten percent of the total scheduled class meetings, excluding holidays. After ten percent of the scheduled class meetings have passed, no refunds can be made and transfers may only be made within the same academic discipline provided that permission is granted by the instructors.

Nonresident tuition, health fees, materials fees and enrollment fees will be automatically refunded to students who **officially** withdraw or transfer during the refund period. After this period, they will not be refunded. All enrollment fee refunds except those caused by cancellation of classes are subject to a service charge of $10.

In the case of a verified military withdrawal, enrollment fees will be refunded with no service charge, provided no academic credit is earned.

College Services Card and Parking Fees will be refunded within the refund/transfer period defined above. After this time there are no refunds. All requests must be accompanied by the College Services Card and/or parking permit. No refunds will be granted without the appropriate documentation. College Services Cards will be refunded at the ASB Bank. Parking fees will be refunded at the Cashier's Office.

Appeal for Refund Due to Special Circumstances
1. The Dean, Admissions and Records, and Registrar shall consider all appeals for refund of tuition and enrollment fees.

2. The Dean, Student Affairs, shall consider all appeals for refund of College Services Card and parking fees.

Change of Address

Change of address or name must be reported immediately to the Admissions and Records Office to ensure that the student's grades and transcripts are correct. Change of address for payroll purposes is made in the Fiscal Affairs Office to ensure correct delivery of paychecks and W-2 Forms.

Student Conduct

Student conduct must conform to the Standards of Student Conduct, which has been established by students and college staff and has been approved by the Board of Trustees. The Standards of Student Conduct are listed in the Academic Policies section of this catalog and are strictly upheld.

Knowing Your Responsibilities

Long Beach City College provides you with a wide variety of academic assistance and personal support, but it is up to you to know when you need help and to seek it out.

It is your responsibility to keep informed and to obey the rules, regulations and policies which control your academic standing and your life as a Long Beach City College student.

Meeting deadlines, completing prerequisites and satisfying the degree and certificate requirements, as found in the curriculum guides and in this catalog, are all part of your duties as a student.

Consult this catalog, the college and school announcements and the schedule of classes for the information you need. Watch for official announcements in the *Viking* and on-campus bulletin boards.

Family Educational Right to Privacy Act (FERPA)

All student records of Long Beach City College are maintained in accordance with the provisions of the Family Rights and Privacy Act of 1974. Copies of the complete text of this act are available in the college library (see "Family Educational and Privacy Rights" in Shepherd's Acts and Cases by Popular Names). The two basic elements of the act are the student's right to review and challenge his/her record and the conditions under which information in the record can be released to outside parties.

1. Students may request access to challenge the correctness or appropriateness of any part of the record. However, students are advised that grades, though a part of the record, are considered final as assigned by the instructor and can only be challenged on the basis of clerical error, fraud, bad faith or incompetency.

2. Student information, except for directory information as defined below, cannot be released by the college to any outside agency, except for those entitled to access under the act, without signed permission of the student. The student may further restrict the release of name and attendance verification by completing the appropriate form in the Admissions Office. In the absence of having this form on file, the college may release directory information to any person or agency. Directory information is defined as dates of attendance, degrees, certificates or awards received, verification of student participation in school activities and sports and weight and height of members of athletic teams.

3. Parents may have access to records of their children but only if the children are still their dependents as evidenced by a claim of same on federal income tax returns. Parents desiring access to the records of a dependent child must present the full name, social security number and birth date of the child, their own personal identification and a copy, that the college district may keep, of the current year's federal income tax return indicating the child has been claimed as a dependent. Parents seeking to review records of a dependent child during the early months of the year must be able to demonstrate that they have already filed for the year even though the filing deadline isn't until April 15th.

4. By law, notwithstanding any of the above, all student records must be released under court order. The student will be notified by mail to the last address on file of any such access, and the student shall have the right to request a copy of any information released in this manner.

5. Any questions regarding the student's rights under this act should be directed to the Dean, Admissions and Records.

Drug-Free College Statement

The Long Beach Community College District is committed to providing an appropriate environment free from illicit drugs and alcohol. As a preventive measure, appropriate information regarding the health risks associated with the use of illicit drugs and abuse of alcohol will be provided for students. This information may be obtained from the College Health Services Offices–(LAC) (562) 938-4210 or (PCC) (562) 938-3992. In addition, information may be obtained regarding counseling, treatment, rehabilitation and re-entry programs. Long Beach City College offers forums and other educational programs regarding the harmful effects of drugs and alcohol. Information regarding programming may be obtained from the Office of Student Affairs, (562) 938-4154. All inquiries will be held in the strictest confidence.

In compliance with federal legislation, it is the policy of the Long Beach Community College District to maintain a drug-free environment and support a drug prevention program for students use. The unlawful manufacture, distribution, dispensation, possession, use or sale of illicit drugs or alcohol is prohibited by all students in all buildings, property, facilities, service areas and satellite centers of the district or as part of any district activities. Any student violating this policy will be subject to appropriate disciplinary action.

Student Right-To-Know and Campus Security Act

The Long Beach Community College District is committed to making the campuses of Long Beach City College as safe as possible for students, employees and visitors. The Long Beach Police Department-College Unit exists to inform, educate and make individuals aware of personal safety, as well as the safety of others. Students are encouraged to promptly and accurately report all criminal and emergency actions to the Long Beach Police Department College Unit on either campus. Those actions requiring further reporting should also be reported to the appropriate law enforcement agency. Assistance will be provided, as needed, to accomplish this task.

Policies exist identifying Long Beach City College as a secure facility. Access to all facilities outside of class hours requires prior approval from the Office of Administrative Services.

Under the auspices of the Long Beach Police Department-College Unit, monthly crime reports are compiled and distributed for both student and employee consumption. These reports are intended to inform individuals about current criminal experience, as well as educate individuals regarding crime prevention. The Police Department also recommends and conducts programs designed to inform students and employees about campus security procedures and practices which encourage individuals to be responsible for their own security, as well as the security of others. In addition, pamphlets are prepared and distributed by the Long Beach Police Department- College Unit on a regular basis to new students and employees regarding campus safety and crime prevention.

Public information regarding sex offenders in California may be obtained by viewing the Megan's Law Web site at the Long Beach Police Department and/or the Los Angeles County Sheriff's Department.

Long Beach Police Officers assigned to the College Unit have the authority and responsibility to enforce all policies, rules and regulations of the District, as well as local, state and federal laws.

In compliance with the Student-Right-to-Know and Campus Security Act of 1990, it is the practice of the Long Beach Community College District to make available its completion and transfer rates to all current and prospective students.

In accordance with this legislation, beginning in Fall, 2000, all certificate, degree and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Long Beach City College, nor do they account for student outcomes occurring after this three-year tracking period. The Fall 2000 group represents only 2% of the students enrolled at the college that term.

Based upon the group defined above, 31% attained a certificate, degree or became "transfer-prepared" during the three-year period (Fall 2000 to Spring 2003). Students who are "transfer prepared" have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the group defined above, 16% transferred to another California postsecondary institution (CSU, UC or another California Community College) prior to attaining a degree, certificate, or becoming "transfer prepared" during a five-semester period (Spring 2001 to Spring 2003).

Of the original cohort group, 37% were still enrolled at Long Beach City College the academic year following the three-year tracking period. Based on another study, the average time to degree for Long Beach City College students is 4 1/2 years (9 semesters).

More information about Student-Right-to-Know rates and how they should be interpreted can be found at the California Community Colleges "Student-Right-to-Know Information Clearinghouse Website" located at http://www.cccco.edu/divisions/tris/mis/srtk.htm.

Counseling & Student Development

The Counseling Center assists students in the selection of career and educational goals consistent with their interests and aptitudes. The counseling program is designed to complement the instructional program by providing specialized services, including testing and counseling on personal problems which may affect a student's progress in college. Counselors are available to help each student utilize to the best possible advantage the educational opportunities offered by Long Beach City College. Counseling services are available Monday-Tuesday, 8 a.m.-8 p.m., Wednesday-Thursday, 8 a.m.-5 p.m. and Friday, 8 a.m.-4:30 p.m. Call LAC (562) 938-4560 or 938-4561 or PCC (562) 938-3920.

The Counseling Center also provides Online Counseling as a flexible alternative to meeting with a counselor. Visit the Online Counseling website at https://onlinecounseling.lbcc.edu or access it directly from the LBCC website at http://www.lbcc.edu and click *Online Counseling.* Not all counseling services are available online.

Campus Child Development Center

Child-care services make attending classes more convenient for many students. Quality care is available for children between 2-5 years of age (before kindergarten entrance). Both campuses have child-care facilities. The facility used is NOT dependent on the location of classes. Both Centers have scheduled four-hour sessions and extended times to accommodate students. The Centers are open Monday-Thursday, 7:00 a.m. – 5:30 p.m, Friday 7:00 a.m – 12:00 p.m. CalWORKs students may take advantage of this service while working toward their combined school and work requirement. For information about fees, space availability and parent responsibilities, contact the PCC Center at (562) 938-3079 or 938-3080 and/or the LAC Center at (562) 938-4253 or 938-4728.

Transfer Center and Student Success

The College Transfer Center, located in Room A151 in the Administration building at LAC, offers services to students in the process of transferring. Some of these services include individualized counseling/ advising, a written academic plan, transcript evaluation, academic assessment and information about financial aid, housing, parking and getting around a larger campus. Students may make an appointment with a Transfer Center counselor and/or with representatives from a variety of four-year colleges and universities. The Transfer Center is open Monday - Thursday from 8:00 a.m.–7:00 p.m. and Friday from 8:00 a.m.– 4:30 p.m. Appointments may be made in the Transfer Center at the Liberal Arts Campus by calling (562) 938-4030. Visit our website at http://transfer.lbcc.edu.

Student Affairs

The mission of Student Affairs is to create, encourage, and support a positive collegial learning environment whereby the educational goals of students and the College are enhanced. Various events and programs are scheduled on a regular basis, which give students the opportunity to become involved in campus life. These activities foster personal growth, social interaction, and cultural exchange. Other student programs also present opportunities for leadership development, shared governance, competition, and volunteerism.

The programs and services that make up the area of Student Affairs include Alumni Development, the Associated Student Body Bank, Athletics, Health and Psychological Services, Intramurals, Student Conduct and Discipline, Student Life, Summer Recreation, and more. For more information on how the area of Student Affairs can assist you, contact the Office of Student Affairs, which is located upstairs in the College Center (Building E) on the Liberal Arts Campus.

Career Planning Center

The average person spends 14 years getting an education, 20 years parenting, but 45 years in a career. People spend more time working at their career than virtually anything else. Career decisions have an enormous impact on people's lives.

The Career Planning Centers are here to assist individuals in their career decisions. This dynamic process is life long and can entail individual counseling or group counseling in a classroom setting.

The programs to help this personal exploration include: assessments, discussion and exploration, use of an expansive career library, computer assisted career guidance systems and "hot files" on job exploration and future career trends.

The opportunity to explore choices is what the centers are all about. The centers are staffed with counselors, a resource technician and student assistants. Centers are located on the Liberal Arts Campus and the Pacific Coast Campus. For more information and hours, call: LAC (562) 938-4283 or PCC (562) 938-3915. Visit our website at http://careers.lbcc.edu.

Job Placement Services

The Job Placement Service posts new jobs daily on a bulletin board at each campus. Students seeking more information about a job listing may visit the Job Placement Services Office for an interview and an appointment with prospective employers. Office hours at LAC and PCC are 8:00 a.m.-5:00 p.m., Monday-Friday.

Job Placement Offices

LAC–Southeast corner, Library	PCC–Admin. Bldg.
(562) 938-4500	(562) 938-3900

Economic and Resource Development

Economic and Resource Development develops and implements economic development and workforce development (WFD) programs and services directly and indirectly related to instructional programs at the College, regional and community workforce preparation needs, and mandated vocational education and workforce preparation initiatives from the federal government, state legislature and the California

Community College Chancellor's Office. Economic development refers to the activities that support the attraction, expansion and retention of jobs. Workforce preparation refers to programs and services which prepare people for entry-level work and career advancement including technical preparation, basic skills and employability skill sets.

All programs and services are designed to improve local and regional workforce preparation and regional economic development. This includes professional development courses for the community at large, customized training for business and industry, technical assistance and employee assessment and skills development programs. These programs and services are performance based and can be customized to meet specific business/industry needs. All activities of the Office of Economic Development are linked to the strategic goals and initiatives of the College. For more information please call (562) 938-5005.

Women and Men's Resource Center

The center provides services and activities designed to help individuals pursue career and educational goals through the development of skill, capability and confidence. These services include: referrals to college and community resources, weekly educational workshops and seminars, parenting education work-shops, support groups, crisis counseling, a student lounge and study area with a student dedicated computer and staff to provide individual assistance.

The Women and Men's Resource Center is located on the Pacific Coast Campus in room DD142. For additional information, please call (562) 938-3987. Hours: Monday-Thursday 8:00 a.m. – 5:00 p.m., Friday 8:00 a.m. – 3:30 p.m.

Student Health Services

A Student Health Center on each campus provides health education and promotion, health assessment, selected health screenings and limited illness care. Scheduled health education and promotion events include the health fair, smoking cessation activities and breast cancer awareness programs. In cooperation with Student Health Services, the Long Beach Public Health Department provides counseling and testing for human immunodeficiency virus (HIV) and other sexually transmitted diseases (STDs).

In the event of accidental injury while on campus or engaged in college sponsored activities, students must contact the Student Health Centers to initiate the coverage for student accident insurance. The college student accident insurance, after a $50.00 deductible, will pay for most of the necessary medical care provided by approved physicians in approved health care facilities.

The LAC Student Health Center is located in Q120-124, near the pool area. The PCC Student Health Center is located in the administration area in AA101-106. For information concerning current hours of operation or to make an appointment, telephone (562) 938-4210 for the LAC Center or (562) 938-3992 for the PCC Center.

Voluntary Health Insurance
Optional medical and dental insurance plans are available for students and their dependents. These are supplemental plans which have costs attached to them. Brochures and application forms are available in the office of the Dean of Student Affairs and in the Student Health Centers.

Psychological Counseling Services
Student Health Services and the Counseling Departments on both campuses have cooperated to provide brief psychological counseling for students with personal problems. Appointments are made and the counseling sessions are held in the offices of the Counseling Departments at LAC and PCC. The personal counseling is provided by professional counselors of Family Service of Long Beach and is both strictly confidential and entirely separate from college records. Visit our website at http://couns.lbcc.cc.ca.us/personal_ counseling/index.htm.

Student Parking Regulations

Parking permits are required for all Long Beach City College lots; that is, a current semester student parking permit or a daily permit. Student permits and daily permits do not authorize parking in staff or other reserved areas except where posted otherwise. Parking is available on a first-come, first-served basis. Having a permit does not guarantee that a student will find a parking space near his or her class. At the LAC, there is additional parking in the Veterans Stadium Parking Lot. Parking permits are purchased each semester during registration at the time the College Services Card is purchased or may be obtained later at the Cashier's Office.

EMERGENCY SERVICES – 911 or 9911 from campus phones:
Contact the Long Beach Police Department with any emergencies such as crimes in progress, medical aid, or any incident requiring immediate police/security response.

GENERAL POLICE SERVICES – 562-938-4910 or 562-435-6711:
Contact the Police Department for security escorts, lost and found items, thefts, or other crimes not requiring an emergency response. The LAC office is located north of the Library in parking lot 'C'. The PCC office is located in the 'EE" building Room 162. Business hours are Monday through Friday, 8 am to 5 pm. Please call the business line for general information or questions at **(562) 938-4798.** Call the General Service numbers above or 911 (9911 from on-campus phones) for an emergency or police response. For after hours request for police services, Call boxes are located outside the entrances of each Police Office. Call boxes will directly connect you to the Long Beach Police Department or Long Beach City College Switchboard Operator.

Escorts are available to students, staff, or faculty by request. This service is not a transportation service. Call the City College Unit through the General Service numbers above to arrange an escort.

Parking and Traffic Regulations

These rules are enforced to ensure the rights of permit holders, as well as to provide for the safety of people and property:

1. Parking permits are **required at all times** in LAC and PCC parking lots, except for Friday evening and Saturday classes. Parking permits are purchased each semester during registration. After registration, permits may be purchased from the ASB Bank at either campus. For students who do not wish to purchase a semester parking permit, a one-day parking permit machine is available at both campuses. The parking permit machine at LAC is located on the west side of parking lot "J" and at PCC on the south side of parking lot 3. There are meters in Lot "G" at LAC.

2. Semester parking permits must be attached to the rear view mirror so that it is visible from the front of the vehicle. One-day parking permits must be placed in plain view on the vehicle dashboard with the permit facing upward. Students who are having difficulty displaying a permit should go to the College Police Trailer for assistance. Students driving a convertible-type vehicle can obtain a special convertible permit from the LAC College Police Trailer in lot 'C.' This special convertible permit can only be obtained after the purchase of a semester parking permit.

3. Citations are issued in student lots starting the third week of each semester for vehicles without a properly displayed, valid parking permit. Parking is free **only in student stalls** for the first two weeks of each semester.

4. Student permits and daily permits do not authorize parking in staff or other reserved parking spaces, except where posted otherwise.

5. Parking is available on a first-come, first-served basis.

6. All vehicles must be parked between the lines of a designated parking space only. Backing into parking stalls is not permitted.

7. A permit does not guarantee a parking space in the parking lot of choice. You are advised to allow ample time to find parking. At LAC, there is additional parking in the Veterans Stadium parking lot.

8. Citations are issued by the Long Beach Police Department and Long Beach City College Parking Enforcement to automobiles, motorcycle, and mopeds that do not display a properly placed, current parking permit. Students parked in staff or other specially designated areas will also be cited.

9. Students may not double park nor circle the parking lots to wait for a parking space.

10. No adjustments will be made for parking citations at the Long Beach Police Department–City College

Unit. Individuals wishing to contest a citation must call (888) 255-9711 for District citations or (562) 570-6822 for City of Long Beach citations. Refer to your citation for more information on contesting.

11. Motorcycles and mopeds are to be parked only in areas specifically posted for their use. Operators must purchase a current semester parking permit and keep it in their possession. Motorcycle permits may be obtained from the Support Services Office, located in the Police Trailer at LAC. Motorcycles and mopeds may not be driven on campus or parked on sidewalks. Violators will be cited.

12. Students, staff, or faculty with state-issued disabled placards are to park in the marked handicapped spaces. If a handicap space is not available, parking is allowed in any other student or staff space. Disabled permits are not valid in carpool or other reserved spaces.

13. Regulations pertaining to parking can vary from lot to lot. It is the responsibility of the driver to read the parking regulations that are posted at the entrance of each parking lot.

Questions about these and other parking and traffic regulations should be directed to the Long Beach Police Department – City College Unit at (562) 938-4534.

Student Financial Aid

Long Beach City College administers a comprehensive student financial aid program to assist students in meeting college costs. The amount of financial aid awarded varies from student to student, depending on the individual's need and resources.

Financial aid awards are based on calculated financial need as determined by the Free Application for Federal Student Aid. The FAFSA may be completed via the paper application, which is available at the LAC Financial Aid office or the PCC office, or may be completed on the Web at www.fafsa.ed.gov. Student budgets include educational expenses, such as tuition, fees, books, supplies, housing, food, transportation, child-care and personal expenses.

Financial aid recipients must adhere to the standards of progress of the financial aid programs.

Federal Programs
To be eligible for the five federal programs, the student must be a U.S. citizen or an eligible non-citizen as defined by federal regulations.

Federal regulations also require financial aid recipients to either have graduated from high school or have completed a recognized equivalent (such as the California High School Equivalence examination or the GED). Those who do not meet the above requirements must pass a federally approved Ability to Benefit test through the Long Beach City College Assessment Center.

Federal Pell Grants provide federal grants that range from $400 to $4000. In order to be eligible for a Pell

grant, the student must have financial need as determined by a formula that is applied uniformly to all applicants throughout the nation.

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal grants that range from $100 to $1000 per year at Long Beach City College.

The Federal Work Study Program (FWS) provides part-time employment. Students are employed a maximum of fifteen hours per week while school is in session. The pay rate for most Federal Work Study positions is currently $6.75 per hour for the first year (540 hours) and $7.25 per hour during subsequent years.

The Federal Perkins Loan Program (formerly the National Direct Student Loan Program) provides low-interest, long-term loans. No interest is charged, nor is repayment required while the borrower is enrolled in school at least half-time. Payments and interest of five percent per year begins nine months after the borrower ceases to be enrolled or is enrolled less than half-time.

The William D. Ford Direct Loan Program provides loans to students to be used for educational expenses. Community college students may borrow up to $2625 for the first year of study and up to $3500 per year after successful completion of the first year.

The amounts awarded to the student from the FSEOG, FWS, Perkins Loans and the William D. Ford Direct Loan programs will vary depending upon the financial need of the student. Financial need for these programs is determined by the use of the Free Application for Federal Student Aid (FAFSA), which is available at the Financial Aid Offices at LAC and PCC. FSEOG, FWS and Perkins Loans funds are limited and early application is strongly advised. Be sure to check the financial aid calendar published in the current schedule of classes for financial aid deadlines.

State Programs
Cal Grant A helps low- and middle-income students with tuition/fee costs at four-year colleges and universities. Grant recipients are selected on the basis of financial need and grade point average.

If you qualify for a Cal Grant A and want to attend a public community college first, the Student Aid Commission will hold the tuition/fee award on reserve until you transfer to a four-year school, provided you continue to qualify.

Cal Grant B provides a living allowance and tuition/fee help for low-income students. Cal Grant B's may be used at community colleges, as well as at four-year schools.

Cal Grant C helps vocational school students with tuition and training costs. Recipients must be enrolled in a vocational program at a community college, independent college or vocational school, in a program of study from four months to two years in length.

The application period for all Cal Grants is from January 1 until March 2 for the following academic year. Application materials and help with filling them out are available in the Financial Aid Offices at LAC and PCC during the application period.

Applications, Program Guidelines and Deadlines
Students who plan to apply for financial assistance to meet their educational costs at Long Beach City College are encouraged to obtain the following information bulletins from the Financial Aid Office.

> **USDE Student Guide**
> **Financial Aid Workbook, 2003-2004**
> **Long Beach City College Financial Aid**
> **Satisfactory Progress Policy**

Students are invited to visit the Financial Aid Office to talk to any of the staff members for further clarification and financial counseling.

Extended Opportunity Program and Services (EOP&S)

The Extended Opportunity Program provides services and activities that are "over and above" what is traditionally provided to community college students. EOP&S is designed to help low-income and educationally disadvantaged students have a successful college experience and complete their career goals.

The following services are provided by the program at Long Beach City College: priority registration, academic and personal counseling, peer advisement, study skills workshops, developmental courses, individual tutoring and financial assistance.

Students who would like to apply for the program must first complete an application for financial aid at the Financial Aid Office.

EOP&S Eligibility: Students must be enrolled full-time, be eligible for the California Board of Governors' Grant (BOGG) and meet the educationally disadvantaged criteria.

Cooperative Agencies Resources for Education (CARE): The CARE program provides support services to assist students in EOP&S who are single parents with children under the age of fourteen and recipients of CalWorks or GAIN. The objective of the program is to help eligible students complete college-level training and educational programs.

G. I. Bill
Generally, veterans' eligibility for benefits expires 10 years after release from active duty. (Extensions are sometimes granted in cases of disability.)

At the beginning of each semester, all veterans and dependents must pick up an Attendance Verification Card and return it to the Veterans' Affairs Office at PCC with all of their instructors' signatures within the first two weeks of class. Other information is available at the

Veterans' Affairs Office (in the administration wing at the Pacific Coast Campus).

G. I. Bill benefits will be paid according to the following schedule:

Regular Semester
Full payment.................................... at least 12 units
3/4 payment .... at least 9 units
1/2 payment .... at least 6 units
1/4 payment .... at least 3 units

*1/4 payment is not available in all programs and may not be advisable under certain conditions. Check with the Veterans Affairs office for more information, (562) 938-3929.

College Programs
Long Beach City College administers more than 1000 scholarships each year. These scholarships are funded by campus and community organizations, local businesses and private donors. Applications for scholarships will be available October 1, 2004 and due December 17, 2004.

The Scholarship Office/Foundation Office is located in Building "I," Martha Knoebel Center, near Parking Lot C at the Liberal Arts Campus. The Scholarship Office is located in AA128 at the Pacific Coast Campus.

Support Services for Disabled Student Programs and Services (DSPS)

The Department of DSPS provides assistance to disabled students requiring special services at the college. They include:

1. Specially designated parking spaces.

2. Ramps and elevators for accessibility to main campus facilities.

3. Registration assistance for students unable to negotiate regular registration procedures.

4. Specialized academic, personal and vocational counseling.

5. Special equipment for campus use and home loan, such as tape recorders, visual enlarging machines, a talking calculator and adaptive computer equipment.

6. Services of the State Department of Rehabilitation, such as vocational counseling and guidance, training (with payment of costs, such as books, fees, tuition, etc.) and job placement.

7. Specialized instruction for the physically limited, as well as for individuals working with the disabled.

8. An innovative Special Learning Center for disabled students to provide self-pacing programs and vocational exploration packages, located at the Pacific Coast Campus.

9. Specialized services for the deaf and hard of hearing, including speechreading (lipreading) instruction, courses in total communication, as well as the coordination of classroom interpreters for deaf students. Students who may need these services should inform the DSPS office before they enroll.

10. Adapted physical education for physically limited students requiring specialized physical education.

In addition to these services, the program has as its goal the integration of the student with a disability into the mainstream of college activities. For information or appointments, please call: LAC (562) 938-4558; PCC (562) 938-3921; (562) 938-4833 TDD. You may ask questions of a DSPS counselor online at https://onlinecounseling.lbcc.edu or from the LBCC website, http://www.lbcc.edu then click *Online Counseling.*

Civil Rights Compliance Statement

The Long Beach Community College District does not discriminate in its admissions, educational programs, activities or employment policies on the basis of race, religious creed, color, national origin, ancestry, gender, sexual orientation, age (over 40), disability, marital status, medical condition, or disability (mental and physical, including HIV and AIDS), other protected classes, or status as a Vietnam-era veteran, or obligations to the National Guard or Reserve forces of the United States.

The District is subject to Title VI and VII of the Civil Rights Act of 1964; Title IX of the Educational Amendments Act of 1972; the Rehabilitation Act of 1973, sections 503 and 504; the Age Discrimination Act of 1975; and the Americans with Disabilities Act of 1990.

The lack of English language skills will not be a barrier to admission and participation in the District's programs. Anyone with a question or a discrimination complaint should contact Irma Ramos, Director of Human Resources and Staff Diversity at (562) 938-4095.

Title IX. Prohibiting Sex Discrimination in Education

The Long Beach Community College District is committed to support all regulations under Title IX. "No person in the U.S. shall, on the basis of sex, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any operation of an educational institution that receives federal funds."

Anyone with a question or a discrimination complaint should contact Irma Ramos, Director of Human Resources and Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808, (562) 938-4095.

Americans with Disabilities Act of 1990

The Americans with Disabilities Act (ADA) of 1990 prohibits discrimination against people with disabilities

in employment, public services including public and private transportation, public accommodations and telecommunications services.

Support services for students with a disability are provided through the Disabled Student Services Program. Anyone needing information about our services for students with a disability should contact this office at (562) 938-4558 voice or (562) 938-4833 TDD.

Anyone with a question or a discrimination complaint should contact Irma Ramos, Director of Human Resources and Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808 at (562) 938-4095.

Sexual Harassment Policy Statement

The Long Beach Community College District provides an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct or communications constituting sexual harassment, as defined and otherwise prohibited by state and federal statutes. Sexual harassment includes a prohibition against sexual harassment, gender harassment, and harassment based on pregnancy, childbirth, or related medical conditions. Sexual harassment is a violation of an individual's civil rights and will not be tolerated.

Individuals with questions and/or a sexual harassment complaint should contact Irma Ramos, Director of Human Resources and Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808 at (562) 938-4095.

Section 504, Rehabilitation Act

In compliance with Section 504 of the Rehabilitation Act, the District has developed a Disabled Student Services Program headed by Mark Matsui. He is located at 4901 E. Carson St., Long Beach, CA 90808. Anyone needing information about our program for students with a disability should contact this office at (562) 938-4558 voice or (562) 938-4833 TDD.

The Long Beach Community College District encourages the full participation of students with a disability in regular classes. The college offers support services to provide students with an equal educational experience. Disabled Student Services provides sign language interpreters, note-takers, readers, disability related counseling, test-taking accommodations, speech services, adapted equipment and a variety of other services.

Anyone with a question or a discrimination complaint should contact Irma Ramos, Director of Human Resources and Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808, (562) 938-4095.

Declaracion Del Cumplimiento De Los Derechos Civiles

El distrito del colegio de la comunidad de Long Beach no discrimina en sus normas de admisión, programas educacionales, actividades o regulaciones de empleo en lo referente a raza, edad (más de 40 años), sexo, religión, descendencia, color, nacionalidad, incapacidad, condición médica, estado civil, orientación sexual o el ser veterano en la guerra de Vietnam o ser obligado a la

Guardia Nacional o Las Fuergas Reservas de los Estado Unidos. El acosomiento sexual y el acosomiento basado en genero o en las candicious medicals relacionadas can la prenez o el parto.

Para preguntas o quejas de discriminación comunicarse con Irma Ramos, Director of Human Resources and

Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808, (562)938-4095.

Seccion 504, Acta de Rehabilitacion

De acuerdo con la Sección 504 del Acta de Rehabilitación, el distrito ha desarrollado un programa de servicios para los estudiantes incapacitados, dirigido por Mark Matsui. El está localizado en 4901 E. Carson St., Long Beach CA 90808. Cualquier persona que necesite información acerca de nuestro programa para estudiantes con incapacidades puede ponerse en contacto con esta oficina al (562) 938-4558 voz o (562)938-4833 TDD.

El distrito del colegio de la comunidad de Long Beach invita a los estudiantes con incapacidades a participar de lleno en clases regulares. El colegio ofrece servicios de apoyo para proporcionar a los estudiantes una experiencia educacional equitativa. Los servicios para los estudiantes incapacitados proporciona intérpretes de lenguaje por señas, tomadores de notas, lectores, consejos relacionados con incapacidad, adaptaciones para tomar exámenes de acuerdo a las necesidades de cada individuo, servicios de lenguaje, equipo adaptado, y una extensa variedad de otros servicios.

Para preguntas o quejas de discriminación comunicarse con Irma Ramos, Director of Human Resources and Staff Diversity, 4901 E. Carson St., Long Beach, CA 90808, (562) 938-4095.

Learning Resources & Services

Libraries

Libraries at each of the two main campuses have a combined collection of more than 150,000 volumes and are fully automated with an online catalog and computer-based literature searching available at each site. In addition to books, the collections include periodicals, pamphlets and various types of non-print materials, such as compact discs and audiocassettes. Librarians are available for assistance all hours the libraries are open and instruction in the use of library resources is offered at both campuses.

Liberal Arts Campus

Hours (fall and spring)
Monday-Thursday	7 a.m.-10 p.m.
Friday	7 a.m.-4 p.m.
Saturday and Sunday	10 a.m.-4 p.m.

For additional information or summer hours, call (562) 938-4232/4853.

Pacific Coast Campus

Hours (fall and spring):
Monday-Thursday	8:30 a.m.-9 p.m.
Friday	8:30 a.m.-2:30 p.m.
Saturday	10 a.m.-2 p.m.
Sunday	CLOSED

For additional information or summer hours, call (562) 938-3028.

PCC Learning Center

Pacific Coast Campus

The PCC Learning Center provides personal learning assistance in reading, arithmetic, spelling, vocabulary and English at all levels. Using computers and a variety of teaching methods and materials, students can progress at their own speed.

The center is designed to aid students who:

- Plan to enroll or are enrolled in regular classes and need to improve or refresh their basic educational skills.

- Plan to take the college assessment tests or examinations for employment, special educational pro-grams or equivalency diplomas (GED),

- Wish to review their basic education skills.

The center is open year round, and students may begin or complete their program at any time. Scheduling is arranged to meet the personal timetable of students. At the time of their first attendance, students will plan with the instructor their specific goals and hours.

The PCC Learning Center at the Pacific Coast Campus, Room GG129, is open: Monday – Thursday, 8:00 a.m. – 9:00 p.m. and Friday, 8:00 a.m.-2:00 p.m. For information, call (562) 938-3978.

Learning and Academic Resources Department

Center for Learning Assistance Services

Liberal Arts Campus	Pacific Coast Campus
North Wing of the L Building	GG Building
(562) 938-4474	(562) 938-3991

The Center for Learning Assistance Services (CLAS) in the Learning and Academic Resources department offers a variety of programs to help students achieve their academic and occupational goals. For more information about CLAS services, check the LAR web page at http://lar.lbcc.cc.ca.us.

Learning and Study Skills

Skills to enhance learning, such as test taking and note taking, are taught in a variety of ways. Study skills assistance is offered through a series of free workshops. Learning skills are taught through individualized instruction or learning skills courses, such as LEARN11.

Media Materials

At the Liberal Arts Campus, CLAS houses the videotape collection for televised instruction courses which may be viewed in the Center. Music CDs are available for students who have listening exercises required by their music class. CLAS also maintains a large teacher reserve section for instructors who would like to have media materials available for their students.

Tutoring

Tutoring is offered in a variety of college subjects, including accounting, biology, chemistry, physics, foreign languages and math. Students work individually and in small groups. Interested students should inquire in person in Room L119 at LAC or GG116 at PCC.

Open Access Computer Lab

Both Macintosh and Gateway PC computers, software, laser printers and Internet access are available to students in a large open-access computer lab on the second floor of the L Building at LAC. Interested students may obtain information about the lab policies and services by visiting the facility.

An open access computer lab with a mix of Macintosh and Gateway PC computers with laser printers and Internet access is available in GG113 on the Pacific Coast Campus. For information on the lab hours and policies, students may visit the lab.

Instructional Technology Student Support Center

A technology support center for students using multimedia technology as a component of their courses is available in room L135 at the Liberal Arts Campus. Students can receive assistance with their computer-based projects. Both Macintosh and Gateway PC computers with a wide variety of software are available. Web-based supplemental instruction is also available in the Center.

Computer Proficiencies for Academic Success

The Learning and Academic Resources department offers courses designed to teach students the computer skills they will need to succeed in their academic classes. Both introductory (CPAS 1 and LEARN 617) and

advanced (CPAS 10) computer skills courses are offered.

Supplemental Instruction

Supplemental Instruction (SI) services in selected courses offers organized discussion sessions designed to help students master course concepts and improve relevant learning skills. Regularly scheduled discussion sessions are conducted by trained SI Leaders in selected course sections. Students should check the schedule of classes to determine which courses offer supplemental instruction.

Computer & Office Technologies Self-Paced Classrooms

Pacific Coast Campus

Register at any time during the semester. Please see Schedule of Classes for specific deadlines for each course.

AA202

Courses are offered are Beginning Keyboarding/Typewriting using Microsoft Word, Microsoft Excel (Beginning, Intermediate and Advanced), Microsoft Office Exam Prep-Excel, Internet for Office and Personal Use, Business Calculating Machines, Filing A and B, Business English, Business Telephone Procedures, Customer Service, Call Centers, Customer Conflict Management, Job Search Skills, Professional Development, Keyboarding, and Desktop Publishing—Small Business using Microsoft Publisher (Beginning and Advanced).

Hours of Operation	Phone No. (562) 938-3033
Monday-Thursday,	8:00 a.m.-8:00 p.m.
Friday,	8:00 a.m.-4:00 p.m.
Saturday	8:00 a.m.-noon

AA205

Courses offered include Intermediate and Advanced Keyboarding/Typewriting, Speed and Accuracy Building for Typists, Microsoft Access (Beginning and Intermediate), Computer Transcription, Data Entry (Beginning, Intermediate, Advanced), Electronic Records Management, Microsoft Outlook, Lotus Notes, Financial Applications, and Microsoft Office Exam Prep-Access.

Hours of Operation	Phone No. (562) 938-3035
Monday-Thursday,	8:00 a.m.-2:00 p.m.
Tuesday and Thursday,	5:00–9:00 p.m.

AA206

The comprehensive Microsoft Office course (Word, Excel, PowerPoint, and Access) provides an opportunity for students to explore the most widely-used features of the suite. Microsoft Word (Beginning, Intermediate, and Expert) and Corel WordPerfect (Beginning, Intermediate, Advanced, and Expert) courses provide students with the broad background necessary for success in a variety of office environments. Other courses include Microsoft Windows Operating Systems (Beginning and Advanced), PowerPoint (Beginning and Advanced), Proofreading, Microsoft Office Exam Prep for Word (Core and Expert) and PowerPoint (Core and Expert).

Hours of Operation	Phone No. (562) 938-3032
Monday-Friday (closed Wednesday)	9:00 a.m.-2:00 p.m.
Monday and Wednesday	5:30-9:30 p.m.
Tuesday	5:15-9:15 p.m.

Liberal Arts Campus
M107/M109

Beginning and advanced courses help the student develop computer skills through a combination of short scheduled lectures and computer practice at the student's own pace. Courses provide training in Microsoft Windows Operating System (Beginning and Advanced), Microsoft Word (Beginning, Intermediate, Advanced and Expert), Microsoft Excel (Beginning, Intermediate and Advanced), Microsoft Access (Beginning and Intermediate), Microsoft PowerPoint (Beginning and Advanced), Speed and Accuracy Building for Typists, Computer Keyboarding, and Microsoft Office Exam Prep for Access, Excel, PowerPoint and Word.

Hours of Operation	
Monday, Wednesday, and Friday	8:00 a.m.-3:00 p.m.
Tuesday and Thursday	5:00-9:00 p.m.
Saturday	9:00 am-1:00 p.m.

Phone Numbers: (562) 938-4064, 938-4061, 938-4461

Writing and Reading Center

Liberal Arts Campus and Pacific Coast Campus

The Writing and Reading Center offers a wide range of materials and instruction to help students improve their language skills: writing, grammar, punctuation, usage, spelling, vocabulary and reading. Help is also available in techniques for writing research papers and the analysis of literature. Qualified certified instructors and peer tutors are on duty to help students on an individual basis.

The Writing and Reading Center at the Liberal Arts Campus is located in the north wing of the Library in L149. At the Pacific Coast Campus, the Writing and Reading Center is located in Room GG129. For additional information, call (562) 938-4520.

Aviation Learning Center

Liberal Arts Campus

The Center provides videotapes and computer-based instruction to students enrolled in aeronautics courses. Subjects available include private pilot, instrument rating, commercial pilot, multi-engine rating, flight and ground instructor and airline transport pilot. Flight training devices (single and multi-engine airplane simulators) are also located in the center for the use of students enrolled in simulator flight training classes.

The Aviation Learning Center is located in Room Z111. For additional information, call the Center at (562) 938-4387.

Life Science Learning Center

The Life Science Learning Center offers a wide range of audiovisual materials and books to assist students in learning the concepts taught in Biology, Anatomy, Physiology and Health Education courses. The Life Science Learning Center also provides a "hands-on" experience for the student through the use of scientific models, microscopes and plant and animal specimen

collections. In addition, Macintosh computers with CD-ROM drives and a printer are available. A collection of software and courseware are provided for student use in the Learning Center. Internet access is also available.

The Life Science Learning Center is located in D214. The Center is open during posted hours.

Foreign Language Multimedia Learning Center

Liberal Arts Campus
The Foreign Language Learning Center offers technological and linguistic support in a multimedia environment for students enrolled in foreign language classes. The Center also operates as an open access lab to support computer-assisted learning.

The Center is open Monday-Thursday from 8:00 a.m.-8:00 p.m., Fridays, 8:00 a.m.-2:00 p.m. and Saturdays, 9:00 a.m.-2:00 p.m. For additional information, please call (562) 938-4331.

Mathematics Learning Center

Liberal Arts Campus
The Math Learning Center houses state-of-the-art computers to provide students with a broad range of educational tools. With PC workstations, students can access a variety of software that includes word processing, graphics, spreadsheets, statistics, Geometers' Sketchpad and Mathematica. Software is available that corresponds with many of the math textbooks to allow additional practice opportunities for students. Students can also use the computer labs for engineering courses, such as C++ and Engineering Graphics.

The Math Learning Center provides free peer tutoring to students registered in any math course offered at LBCC. In addition, students can arrange to meet others enrolled in the same course for informal group study or a study room can be reserved. Chemistry and physics tutors are also available. Math faculty are on hand for supplemental instruction.

The Math Learning Center is located in D103. Hours of operation are from 9:00 a.m.-8:00 p.m. Monday through Thursday, from 9:00 a.m.-4:00 p.m. Friday, and from 12:00 p.m.–4:00 p.m. Saturday. Students are invited to use the Math Learning Center facilities on a drop-in basis throughout the semester.

Nursing and Allied Health Learning Center and Skills Lab

Liberal Arts Campus
The Nursing and Allied Health Learning Center provides supplementary material and skills practice for students enrolled in a nursing and/or allied health course. A variety of self-paced, print media, multimedia programs and skills equipment are available

The center is located in Room C201 and is open during posted hours. For additional information, call (562) 938-4299.

Faculty Office Hours

All full-time faculty hold five regularly scheduled office hours per week. Ask your instructors for their hours and office location.

Class Syllabus

All instructors are required to publish a course information sheet and distribute it no later than the end of the second week of classes. A copy <u>must</u> be kept on file in the office of the school to which the department belongs. The information sheet must contain a brief course description, including goals or purpose, grading standards for the class, a description of the means by which the course is to be taught, attendance requirements, and office location and hours for full-time faculty. Other recommended items are: exam dates, text, assignments and outline of topics.

Student Attendance

Attendance is the responsibility of the student. <u>Students not attending the first class session may be dropped from the class at the discretion of the instructor.</u> In the event of excessive absences, the instructor may drop a student from a course or may lower a student's grade. Students who are absent in excess of 20 percent of the total class hours or for two consecutive weeks shall be dropped from class. The grade assigned by the instructor upon dropping a student for non-attendance shall be in accordance with Regulation 4020.3. Such students may be reinstated only at the discretion of the instructor for extenuating circumstances.

Extenuating circumstances shall be defined as reasons for absence beyond the control of the student. Typical examples of such circumstances would be extended illness, hospitalization, court appearances or death in the immediate family.

Auditing of Classes

An "auditor" shall mean a person who attends a course but is not regularly enrolled, and does not receive credit or a grade for the course. To be eligible to audit, a person must be currently enrolled in at least one other course.

Students may enroll as an auditor by permission of the instructor only. The level of auditor participation in a class shall be subject to the ongoing discretion of the instructor. Students may audit a specific course only once and shall be limited to auditing two courses per term. Audited units shall be included in determining student unit load maximums. However, audited units shall be excluded in determining student status for credit unit load for purposes such as financial aid, scholarships and athletic eligibility.

All official restrictions to enrollment shall apply to auditors, including placement and prerequisite requirements. Priority in class enrollment shall be given to students taking the course for credit. Auditors may enroll only after the conclusion of the open and "by petition" enrollment period and before the end of the fourth week of class for an 18-week course or equal percentage of the course length.

The fee for auditing a class shall be $15 per unit and any materials fees that are ordinarily required for the course. Students enrolled in classes to receive credit for ten or more units shall not be charged a fee to audit three or fewer units per semester. Fees are to be paid before auditing the course, and fees are non-refundable.

Auditors shall not be permitted to change their enrollment status in order to receive credit for the course. Regularly enrolled students may not change to audit status. Auditors shall not be permitted to earn credit by examination for an audited course.

Grading Regulations

Grading System - Final grades are issued after the end of the semester or summer session in which the class ends. Grades will be mailed to the last known address after the grades are posted. The significance of grades is as follows: "A," excellent; "B," good; "C," satisfactory; "D," passing but less than satisfactory; "F," failing; "W," withdrawal; "MW," military withdrawal; "CR," credit (at least satisfactory-units awarded not counted in G.P.A.); "NC," no credit (less than satisfactory-units not counted in G.P.A.); "RD", report delayed. Courses numbered in the 600-band do not award a grade.

Make-Up Grades for Incomplete Work Permission for making up incomplete work may be granted when unforeseeable emergencies and justifiable reasons cause the student to be unable to complete the academic work by the end of the course. It is the responsibility of the student to initiate the request for the incomplete, but the "I" grade is assigned at the instructor's discretion.

The instructor gives the grade of "I" and indicates the grade to be assigned in the event the student does not complete the required work within one year from the end of the term in which the "I" was assigned. The grade must be "A," "B," "C," "D" or "F" except that "CR" and "NC" grades may be assigned where the course provides for grading on this basis and the student has elected to be graded on the CR/NC basis by the appropriate deadline. This grade shall be based on the total requirements for the course and a grade of "W" may not be assigned.

The necessary make-up work and any other conditions required for the student to complete the course shall be filed in the Records Office by the instructor in writing. The Records Office shall make a reasonable attempt to provide the student with a copy. The student must complete the course within one year from the time the original grade is assigned. If upon completion of the course the grade is to be different than originally recorded, the instructor shall file the appropriate grade change with the Records Office. If the course is not completed within the one-year limitation, the originally recorded grade becomes final. Petitions to change these grades or to exceed the one-year make-up period must first be approved by the instructor and then submitted to the Grade Review Committee for final disposition.

Withdrawal - The grade of "W" shall be assigned for withdrawal from a class or classes in accordance with the schedule below for both a student-initiated withdrawal and instructor-initiated drop. One exception is when a

student is required to leave a class for reasons of academic dishonesty; then a grade of "F" may be given. Another exception is for military withdrawal, in which an "MW" is assigned.

1. **Students withdrawing or being dropped** after the final limit for "W"'s must be assigned a grade of "A," "B," "C," "D," "F," "MW," "CR" or "NC." The grade assigned shall be based on the total semester requirements for the course.

2. **Classes of nine weeks to full semester in length** - If the date of last attendance is within the first two weeks of the class, the grade recorded must be "NA." If the date of last attendance is between the beginning of the third week and the end of the deadline week, then the recorded grade must be a "W." After the deadline week a letter grade other than "W" must be assigned and must be based on the total course requirements.

Class Length (Weeks)	Deadline Week
Semester (17.5-19)	14
17	13
16	12
15,14	11
13	10
12	9
11,10	8
9	7
8	6
7,6	5
5	4
4	3
3	2

3. **Classes of less than three weeks in length** - If the date of last attendance is the first class meeting, the grade recorded must be a "W" which will automatically be converted to an "NA" and will not be recorded on the transcript. If the date of last attendance is between the first and last class meeting, the grade recorded must be a "W." A letter grade other than "W" must be recorded if the student attends the last class meeting.

4. **Classes meeting longer than a full semester (18 weeks)** - If the date of last attendance is within the first two weeks, the grade recorded is a "W" which will automatically be converted to an "NA" and will not be recorded on the transcript. If the date of last attendance is between the beginning of the third week and the end of the week that represents 75 percent of the term length rounded off to the nearest whole week, the recorded grade must be a "W." After this time, a letter grade other than "W" must be assigned based on the total course requirements.

5. **For classes involving fractional weeks**, like the 5.5 week summer session, use the next lower whole number (five in this example) and apply the above rule.

6. **Students may petition for a "W" grade after the final limit for "Ws" only for extenuating circumstances beyond the control of the student**, such as verified accident or illness. Petitions must be reviewed and approved by the Grade Review Committee.

Military Withdrawal - The grade of "MW" may be assigned to students who are members of an active or reserve military service and who receive orders compelling a withdrawal from classes. Upon verification of such orders, the grade of "MW" may be assigned at any time from the beginning of the period that "Ws" may normally be assigned, through the end of the course. The "MW" grade shall in no way adversely affect a student's academic record. The "MW" grade shall not be counted in completion ratio or GPA calculations. The grade of "MW" may be applied as appropriate retroactively to January of 1990.

Grade Points

A system of grade points is used to determine a student's standing for graduation or transfer. Grade points are assigned to the respective scholarship grades as follows: for each unit of credit, the scholarship grade of "A" is assigned 4 points; "B," 3 points; "C," 2 points; "D," 1 point; "F," 0 points. CR (credit) and NC (no-credit) units are not counted in one's GPA.

Change of Grades

A semester grade, once determined by the instructor and reported, shall be final in the absence of mistake, fraud, bad faith or incompetency.

A student who believes a final grade to be incorrect may file a "Request for Change of Grade" form obtained from the office of Admissions and Records. All requests for grade change should be made by the student, in writing, within two years after the end of the semester in which the grade in question was earned. In the absence of the instructor, the request shall be referred to the Grade Review Committee.

Open Entry/Open Exit Courses

Students completing 0-29 percent of the work or time required in an open entry/open exit course will be given an "NA" grade. Students completing 30-74 percent of the work or time required will be assigned a "W" grade. The "Ws" will be included in completion ratio calculations. Students completing 75 percent or more of the work or time required will be assigned the grade earned, i.e., "A," "B," "C," "D," "F," "CR" or "NC." The exception to this is the grade of "MW."

When Grades are Awarded

If the last day of a scheduled class falls within a term (fall, spring or summer), credit shall be awarded in the term in which the class ends. If the last day of a scheduled class falls between terms, credit shall be awarded in the subsequently scheduled term unless prior arrangements are made through the department offering the class.

Repetition of Courses

Credit courses that may be repeated fall into two categories, those that may be repeated only once under certain conditions and those that may be repeated up to three times (meaning a course may be taken a total of four times).

A. All courses except those indicated in section B may be repeated only **once** and only under one of the following conditions:

1. A course may be repeated provided that a grade of D, F or NC has been recorded. For all course repeats in which a grade of D, F or NC has been recorded, the grade of the repeated course (the second enrollment), whether higher or lower, will be used in lieu of the earlier course grade for determining the grade point average. Unit credit is allowed only once. Neither credit nor grades shall be allowed for unauthorized repeats. The grade for the earlier course and the repeated course shall both be recorded on the student's permanent record, insuring a true and complete academic history.

2. A course may be repeated when a grade of B, C or CR has been recorded provided the district finds that the previous grade was the result of verified cases of accidents, illness or other circumstances beyond the student's control. Students desiring to repeat a course under this section must have prior approval from the Grade Review Committee before reenrolling in the course. Application for such approval must be made in writing to the Dean, Admissions and Records, and must be supported by documentation that will verify the extenuating circumstances and must include a statement from the instructor of record (or department head if the instructor is unavailable) indicating that the recorded grade was lower than it might otherwise have been, had the extenuating circumstances not arisen.

3. A course may be repeated when a grade of A, B, C or CR has been recorded provided that a minimum of two semesters has elapsed since the student previously took the course for any course numbered 1-99, except for Directed Study. For all courses numbered 100 or higher, excluding 600 band courses, one semester must have elapsed. In either case, the District has determined the student would benefit by repeating the course in order to ensure that the student's knowledge is current. For course repeats in which a grade of A, B, C or CR has been recorded, the grade of the repeated course (the second enrollment) shall not be counted when calculating a student's grade point average. The grade of the earlier course and the repeated course shall both be recorded on the student's permanent record, insuring a true and complete academic history. Unit credit is allowed only once. Neither credit nor grades shall be allowed for unauthorized repeats.

B. Certain courses may be repeated up to a maximum of three times for a total of four enrollments regardless of the grades earned. These courses are identified in the college catalog and in the schedule of classes. They include courses in which skills or proficiencies are enhanced by supervised repetition and practice within class periods or those in which active participatory experience in individual study or group assignments is the basic means by which learning objectives are met. All grades earned for the authorized repeats shall be counted toward the grade point average and these courses are not subject to the repeat rules of Section A. These courses are designated with a fixed course number followed by letters indicating the number of semesters the course may be taken for credit. The letters following the course number are not separated by a hyphen. (Example: "AB" = 2 semesters, "AC" = 3 semesters, "AD" = 4 semesters) For example, Journalism 85AD may be taken a maximum of four times. All grades and units earned in these types of courses are counted.

C. It shall be the student's responsibility to ensure that the repetition of a course is authorized by these regulations. Any student who is determined to be repeating a course when not authorized to do so shall be administratively removed from the class and any fees or tuition paid may be forfeited. Any grades or credit submitted for unauthorized repeats shall be disallowed.

D. Credit by examination is not subject to the course repetition rules.

E. Courses in the 600-number band (non-credit courses) are not subject to the course repetition rules.

Academic Renewal

The purpose of academic renewal is to alleviate a portion of a student's prior substandard academic work when such performance does not reflect current demonstrated ability. Students wishing to alleviate prior work must petition the Dean, Admissions and Records, in writing, for the alleviation of substandard grades under the following conditions:

A. The student must have completed 45 units of work at Long Beach City College with at least a 2.0 cumulative GPA subsequent to the work to be alleviated.

B. Work to be alleviated shall be on a semester (or term) basis with all work for the designated semester to be ignored in determination of the requirements for graduation, including GPA, field of concentration, honors, general education and units. Any work thus ignored, which would otherwise meet a particular requirement, will have to be fulfilled by retaking a course or by other legitimate means.

C. A maximum of two semesters (or terms) may be thus alleviated.

D. Academic renewal may be applied only at the time of application for graduation.

E. Work to be alleviated must have been recorded at least five years prior to the intended date of graduation.

F. All course work alleviated shall remain on the official record. The transcript shall be appropriately annotated to indicate that academic renewal has been applied, including the specific semester(s) (or terms) that were ignored.

Academic and Progress Probation

A. A student shall be placed on probation whenever the student's academic record indicates any of the following conditions:

1. The student's grade point average falls below 2.0 (C) in all units graded over the 4.0 grading scale after the student has attempted more than 12 units at Long Beach City College.

2. After enrolling in a minimum of 12 units at Long Beach City College, the student has completed fewer than one-half of all units in which the student has enrolled as reflected in the academic record.

B. For the purposes of section A.2, the entries of W, NC and I are counted as incomplete work while entries of A, B, C, D, F and CR are counted as complete.

C. Students on academic and/or progress probation shall be subject to Counseling Intervention. Counseling Intervention shall include the following provisions:

1. Meeting with a counselor in the Counseling Department, DSPS or EOP&S;

2. Completing a student "Strategy for Success" contract and/or an Education Plan;

3. Being limited to a maximum of 12 units each semester until the student is off probation; and

4. Completing the sequence of basic skills courses in the Education plan.

D. Any student on probation shall be reclassified as "satisfactory" whenever the cumulative grade point average reaches or exceeds 2.0 (C) and the ratio of units-completed to units-enrolled is one-half or better based on the number of units indicated in section A above.

Academic and Progress Dismissal

A student on probation for at least two semesters and who has not completed the Counseling Intervention and made up the deficiencies in the student's academic record as outlined in the probation section shall be dismissed from Long Beach City College unless satisfactory progress is indicated during the semester in which the dismissal should normally occur. Satisfactory progress is defined as follows:

A. In the case of academic dismissal, the student must complete at least three units during the semester with a semester grade point average of at least 2.0.

B. In the case of progress dismissal, the student must enroll in at least three units during the semester. If enrolled in 3 to 5.5 units, the student must have a 1.00 completion ratio (complete all units). If enrolled in six or more units, the student must have a completion ratio of at least .80 (four-fifths).

Academic dismissal shall occur only at the end of the Spring semester.

Readmission After Dismissal

A. If a student is dismissed from the college and at the time of dismissal has not completed the Counseling Intervention, the student will not be readmitted to the college for at least one full year, consisting of Fall, Spring and Summer, in that order.

B. Only students who have completed Counseling Intervention may petition for readmission immediately after dismissal.

C. Students desiring to return after one year of dismissal must complete a readmission petition, which is reviewed by the Readmission Committee.

D. A dismissed student who is readmitted shall be readmitted as a student on probation and shall be subject to further readmission restrictions and dismissal in accordance with this policy.

Scholarship

Long Beach City College acknowledges outstanding student scholarship in three ways: on the Dean's Honors List, in the graduation ceremonies and through a scholarship honor society. "Outstanding Scholarship" is classified in the following ways:

1) Scholarship with Honors   3.500-3.749 GPA

2) Scholarship with Distinction   3.750-3.999 GPA

3) Scholarship with Great Distinction   4.000 GPA

Dean's List

Students on the Dean's List are recognized at the close of each semester on a posted list and with a personal letter. To be eligible for the Dean's List, a student must meet the following requirements:

Either: All students with 12 or more units attempted* that semester with 75 percent or better overall completion ratio who maintain the necessary semester GPA to qualify for "outstanding scholarship" described above.

Or: All students with 6 to 11.9 units attempted that semester with both a 75 percent or better overall completion ratio and an overall cumulative GPA of at least 3.50 in 12 or more previously earned units (including the current semester at Long Beach City College) and who maintain the necessary semester GPA to qualify for "outstanding scholarship" described above.

*Note: Units attempted are shown on the grade slip and are classes with grades of "A," "B," "C," "D" or "F." A

class taken for a grade of "CR" or "NC" does not count in computing the number of units attempted.

Scholarship Society (A.G.S.)

Long Beach City College has two chapters of Alpha Gamma Sigma, the California Community College honor scholarship society. Students eligible for the Dean's List are encouraged to apply for membership. Students with a 3.0 overall cumulative GPA in 12 or more units are also eligible for membership.

Kappa Chapter is located at the Liberal Arts Campus. Information and applications are available in Room M226. Delta Chi Chapter is located at the Pacific Coast Campus. Information and applications are available in the Student Affairs Office.

Honors at Entrance

High school graduates are accorded "Honors at Entrance" as a form of recognition for outstanding scholarship. To be eligible, the graduate must have earned a 3.5 GPA or better and must have matriculated to LBCC.

Honors at Graduation

Students graduating with outstanding scholarship are recognized during the graduation ceremony and in the commencement program. To be eligible for honors at graduation, a student must have a cumulative overall GPA based on all college work applied to the degree, no matter where completed, that qualifies for "outstanding scholarship" as described above.

Course Credit & Class Preparation

To earn one unit of credit in a lecture class, you must spend one hour each week, for 18 weeks, in a lecture class session. In addition, you are expected to devote a weekly average of two hours in outside-of-class preparation for each one hour of lecture class time.

To earn one unit of credit in a laboratory, demonstration or practice situation class, you must spend three hours each week, for 18 weeks, in a class session. Some additional outside-of-class preparation will be expected.

For work experience classes, one unit of credit represents 75 hours of paid employment or 60 hours of volunteer work per semester.

Credit/No Credit Courses and Grading

Students may petition to take course(s) on such a basis, rather than for a letter grade. Students choosing this option must complete and submit a Credit/No Credit Option Request Form (available in the Admissions Office), following the instructions on the form, before the term is 30 percent complete (sixth week for semester-long courses).
Students are required to do all work assigned and take examinations as though they were getting a grade. To receive credit, a student must do the work equivalent to a "C" grade or better. Students seeking an associate degree are limited to 20 units on a credit/no credit basis. All courses not applicable to the degree (courses in the 800-band) shall be graded credit/no-credit.

Method of Evaluation

Although courses taken on a credit/no-credit basis do not affect the grade point average at Long Beach City College, the student should consult the catalog of the school to which she/he intends to transfer to determine its policy. Some universities apply the same criteria as Long Beach City College; others count the no-credit (NC) grade as an "F" grade (as do some with an unresolved incomplete) and still others count the credit grades as "C" grades in establishing the total grade point average. The method of evaluation is subject to change. At the time this catalog was published, the method for evaluation (grading) for each course is listed in the catalog description.

Maximum Student Unit Load

The full-time unit load definitions for a **regular academic semester** are as follows:

   A.   Minimum full-time unit load: 12 units

   B.   Normal full-time unit load: 15 units

   C.   Maximum full-time unit load with waiver: 21 units

For students with good academic standing, i.e., students who are not on any form of probation, the maximum full-time unit load definitions for any one or combination of **summer terms** are as follows:

   A.   Minimum unit load for full-time summer status: 6 units

   B.   Maximum full-time unit load: 10 units

   C.   Minimum unit load for half-time summer status: 3 units

The requirements by **residency** category are as follows:

   A.   **Residents of California** may enroll for up to the maximum full-time unit loads, as stated, during the academic year and summer school.

   B.   **Non-residents** (unless restricted by visa) may enroll for up to the maximum full-time unit loads, as stated, during the academic year and summer school and must pay non-resident tuition.

   C.   **High School Students**
During the academic year eligible high school students may enroll in a maximum of 11 units. During the summer school session eligible high school students may enroll for up to the maximum summer school full-time unit load. High school students who have completed at least the tenth grade may attend with permission of the high school principal and their parent or legal guardian. Students must have a certified grade point average of 3.0 for academic courses and a 2.0 for vocational courses.

Waiver of Maximum Unit Load Limitation

A. A student may request a **waiver of maximum unit load limitation, except for the summer session.** Under no circumstances will a student be permitted to exceed the defined maximum unit load limitation with waiver. The determination to waive the maximum unit load limitation is the responsibility of the Counseling Department and will be made only for extraordinarily capable students of proven academic ability and excellent past academic performance.

B. To apply for a waiver, a student must meet the following regulations:

   1. The student must be matriculated so that his or her college placement examination scores, transcripts of previous academic performance and other pertinent data are available to the counselor.

   2. The student must apply to the Counseling Office for a waiver no later than two weeks prior to the first day of walk-in registration for the semester concerned. A waiver request after the two-week deadline requires the approval of the Dean, Counseling and Student Support Services.

C. The Vice President, Student Planning & Research Support, reserves the right to grant special waivers in unusual circumstances.

Students enrolled in more units than permitted for his or her classification by these regulations will have his or her program of studies reduced to the applicable allowable maximum by the Dean of Admissions and Records or designated representative.

Credit by Advanced Placement

Long Beach City College recognizes the Advanced Placement Program of the College Entrance Examination Board. Course credit is granted for Advanced Placement examinations with a score of three, four or five in those instances in which the department concerned has determined that the material covered is comparable to a specific course offering within that department.

Advanced Placement credit is granted for fulfillment of Long Beach City College degree requirements. However, when a student transfers to any other college or university, that institution routinely re-evaluates advanced placement units in accordance with its own internal policies. Thus, advanced placement units remain intact and do <u>not</u> transfer as Long Beach City College courses. Unless otherwise stated, credit is awarded for an AP test score of three, four or five. The number in parentheses after each course is the number of units awarded. Courses numbered 99 in the following table are elective credit.

AP Courses and AA/AS Degree General Education Requirements

AP Examination	LBCC Credits Granted
Art History	ART 1P (3) and ART 99P (3)
Biology	BIO 41P (3), BIO 41LP (1) and BIO 99P (2)
Calculus AB	MATH 60P (5)
Calculus BC	Math 60P† (5) and Math 70P (5) †Students who pass both the AB and BC exams receive credit for Math 60P once.
Comparative Government/ Politics	POLSC 2P (3)
Computer Science A	ENGR 54P (3), and fulfills A.A/A.S. computer proficiency requirement
Computer Science AB	CBIS 9P (3), and fulfills A.A./A.S. computer proficiency requirement.
English (Language and Composition and/or Literature and Composition†)	*ENGL 99P (6) with an AP score of 3 *Students who have earned a three on either English Advanced Placement exam and have qualified for ENGL on the basis of the English Placement Test may petition to have four units of elective credit substitute for ENGL 105. ENGL 1P (3) and ENGL 99P (3) with an AP score of 4; ENGL 1P (3) and ENGL 2P (3) with an AP score of 5 †Students who pass both exams receive a maximum of six-units of credit.
European History	HIST 1BP (3)
French Language	FREN 4P (5) and FREN 99P (1) with an AP score of 5 FREN 3P (5) and FREN 99P (1) with an AP score of 4 FREN 99P (6) with an AP score of 3
French Literature	HUMAN 99P (3), to fulfill GE Humanities requirement and FREN 99P (3)
German Language	GER 4P (5) and GER 99P (1) with an AP score of 5 GER 3P (5) and GER 99P (1) with an AP score of 4 GER 99P (6) with an AP score of 3
Latin/Vergil	HUMAN 99P (3) to fulfill GE Humanities requirement
Latin/Catullus, Horace	HUMAN 99P (3) to fulfill GE Humanities requirement

Macro-economics	ECON 1AP (3)
Micro-economics	ECON 1BP (3)
Music Listening and Literature	Music 40P (3) and MUSIC 99P (3)
Music Theory	Music 1P (5) and MUSIC 99P (1)
Physics B	PHYS 99P (4) with an AP score of 3 PHYS 2AP (4) with an AP score of 4 PHYS 2AP (4) and PHYS 2BP (4) with an AP score of 5
Physics C Mechanics	PHYS 2AP (4) with an AP score of 3 PHYS 3AP (5) with an AP score of 4 or 5
Physics C Electricity/ Magnetism	PHYS 99P (4) with an AP score of 3 PHYS 3BP (4) with an AP score of 4 or 5
Psychology	PSYCH 1P (3)
Spanish Language	SPAN 4P (5) and SPAN 99P (1) with an AP score of 5 SPAN 3P (5) and SPAN 99P (1) with an AP score of 4 SPAN 99P (6) with an AP score of 3
Spanish Literature	HUMAN 99P (3), to fulfill GE Humanities requirement and SPAN 99P (3)
Statistics	STAT 1P (3)
Studio Art - General	ART 9P (3)
Studio Art - Drawing	ART 15P (3)
United States Government/ Politics	POLSC 1P (3)-To receive credit for POLSC 1P, student must take POLSC 48 (1), which covers California government and which may be taken Credit by Exam.
United States History	HIST 10P (3)

High School Articulation Project

Long Beach City College (LBCC) is involved in the High School Articulation Project, which is a joint program with local high schools primarily in the Long Beach Unified School District (LBUSD) and the Long Beach Regional Occupational Program (ROP). The aim of the High School Articulation Project is to assist students to move seamlessly from high school to LBCC. Students interested in completing articulated courses must adhere to the criteria set forth by both the LBUSD/ROP and LBCC faculty.

Note to students with Advanced Placement (AP) credit. Students who obtain an AP-Articulation Certificate and who also complete an AP exam for the same course/s and receive passing scores as stated in the LBCC catalogue may only qualify to receive AP credit as specified in the LBCC catalogue.

Students that have received a high school/ROP Articulation Certificate and/or have questions regarding current agreements must contact the Office of School and College Articulation at (562) 938-4469.

Credit by Examination

Credit by Examination is a provision whereby a student who is enrolled in the college and is in good standing may, with departmental approval, take an examination for credit in a specific course. The student must have completed at least 12 semester units at Long Beach City College and have the prior approval of the department head and school dean before being allowed to take the examination for credit. Exceptions to the 12-unit limitation must be approved by the office of the School Dean. For courses identified in the High School Articulation Project as eligible for Credit by Examination, the 12-unit limitation does not apply. In all cases, courses eligible for Credit by Examination will be determined by the department.

A. In addition, the department concerned also determines specific standards of student eligibility.

B. The method of evaluation, including a copy of any written exam or a description of its contents, must be approved by the department and kept on file in the department and the office of the School Dean. For courses identified in the High School Articulation Project, a description of the contents of the examination, as developed and approved in the articulation process, must be kept on file in the department.

C. Students who take an exam for credit will be given the grade earned. For high school articulated courses, they will be given the grade earned or receive a "Credit" depending on the method of grading for the course; if they do not pass the examination, there will be no notation made on the transcript and no credit awarded. Units earned through Credit by Examination may not be counted toward the 20-unit residence requirement for the associate degree.

D. A fee will be charged to take Credit by Examination. The fee will be waived for participants in the High School Articulation Project.

Credit by Directed Study Program

The Directed Study Program provides challenge for the talented student. It allows the student in-depth study on any approved topic within a subject area. The following are the basic elements of the program:

1. Students must have earned at least a cumulative 3.0 (B) grade point average.

2. Students must have completed 24 units, at least 12 of which must be earned at Long Beach City College. Credit applied from other colleges must be supported by official transcripts on file with the Records Office.

3. Prior approval of the faculty mentor (the faculty member who directs the study), Department Head and School Dean must be obtained before commencing work on the project under the mentor's direction. Failure to do so may result in denial of credit for the project.

4. Directed Study may not parallel or equate with work in an approved course within the department. It is expected that Directed Study is of an advanced nature and goes beyond the treatment in an approved course or series of courses. Work involving simply the production of a book report or term paper is not deemed an appropriate project.

5. While the student's work is of an autonomous nature, it is expected the student will meet at regular intervals with his/her faculty mentor to discuss progress and seek guidance and direction.

6. The product of the directed study will be a written report or an equivalent project that demonstrates an amount of work equal to an approved course of the same number of units–54 hours of work for each unit of credit earned.

7. The project will be evaluated on a standard comparable to that used in the courses within the department granting the credit. The project will be evaluated by the faculty mentor and kept on file in the department office. The completed form will be forwarded through the approval process.

8. One to three units of credit will be granted upon satisfactory completion of a project. Each unit of credit shall be equal to 54 hours of work.

9. Units will be placed on the student's transcript as Directed Study 99 in the subject matter area.

10. The student shall earn no more than six units in directed study courses.

Statement of Policies for Transfer Credit, Advanced Placement and Credit by Examination for the Associate Degree Nursing Program

General Policy:
Candidates for transfer credit, Credit by Examination and Advanced Placement must meet the same general entrance requirements as all regular students at Long Beach City College. Acceptance into the Associate Degree or Vocational Nursing program is a prerequisite (see the curriculum guides in this catalog or in the Counseling Office for more specific information) for transfer, Credit by Examination and Advanced Placement.

Transfer Credit:
Credit for nursing courses taken at an accredited school of nursing (RN and VN) will be granted upon the following conditions:

1. Candidates must qualify for admission as listed in the general policy statement.

2. Candidates must be recommended by previous school of nursing.

3. Course work must have been completed within the last three years.

4. Credit will be given for nursing courses comparable to those offered at Long Beach City College. Credit will be given for science courses comparable to those offered at Long Beach City College or applicant must complete the following science courses at Long Beach City College:

    Biology 60 - Human Biology I
    Biology 60L - RN only
    Biology 61 - Human Biology II (RN only)
    Biology 62 - Human Biology III (RN only)

5. Credit for General Education courses will be granted according to the college policy.

Advanced Placement:
Qualifying students will be granted Advanced Placement upon completing the following conditions:

1. All students must qualify for admission as listed in the general policy statement.

2. Request advanced placement in a specific course, in writing, within the first week of that course.

3. Achieve 75 percent on a written objective examination covering the material in that course.

4. Satisfactorily pass a clinical performance examination for that course.

5. Advanced placement for the clinical portion of a course is determined by the individual teaching team.

Advanced Placement: LVN to RN (Career Ladder)
Licensed Vocational Nurses seeking advanced placement into the Registered Nursing program are urged to review the curriculum guide in this catalog and available in the Counseling Office.

Credit by Examination (Challenge Option):
Both Nursing Departments follow the college policy for granting Credit by Examination. Applicants with previous nursing experience must qualify for admission as listed in the General Policy statement.

Applicants with 12 semester units at Long Beach City College are granted credit upon successful completion of theory and practical examinations in the area they are challenging.

Applicants without 12 semester units at Long Beach City College will be allowed to proceed in the program after successful completion of theory and practical examination. To comply with college policy, the credit is withheld until 12 semester units are successfully completed.

Syllabi for nursing courses are available in the Learning Center for the School of Health and Science.

Credit for Vocational Cooperative Work Experience Education

Long Beach City College recognizes job experience as a valuable learning resource. The Vocational Cooperative Work Experience Education Program affords students the opportunity to earn college credit for the learning, which occurs while working on their jobs.

The creation of measurable learning objectives, to be accomplished by semester's end, involves the employer directly in the learning process of the student/ employee. The work experience instructor visits each job site to validate learning and maintain good communication between the employer and the college.

The student must enroll in Work Experience (1-3 units), which represents on-the-job learning and does not involve class time, and the seminar experience, which meets once a week.

Work hours required for the following amount of units:

	Paid Employment	Volunteer
2 unit Work Experience Class	75 hours	60 hours
3 units Work Experience Class	150 hours	120 hours
4 units Work Experience Class	225 hours	180 hours

Further, the student must satisfactorily complete a minimum of seven units (which must include Work Experience) for each semester of enrollment in the Vocational Cooperative Work Experience Education Program. A student may earn up to four units of work experience credit per semester, not to exceed 16 units at Long Beach City College. Vocational Cooperative Work Experience Education units meet eligibility requirements for veteran benefits, Social Security and financial aid. Vocational Cooperative Work Experience operates without regard to race, age, sex, religion, color, national origin, handicap, sexual orientation, marital status, ancestry, medical condition (e.g., cancer related) or status as Vietnam era veteran.

Additional information on the program and enrollment is available at the Cooperative Work Experience Education Office, located on the Liberal Arts Campus, (Room N103), or by calling (562) 938-4938.

Credit for Educational Experience In Military Service

Long Beach City College presently requires three units in a combination of physical education and health education classes for the associate degree. Veterans may be granted these three units of credit toward graduation if they served on active duty for at least 12 continuous months. The student who needs these credits for a degree must have a copy of his/her DD-214 and file number from the Veterans' Administration to request such credit. Please contact the Veterans Affairs Office at PCC for additional assistance.

If a veteran feels his/her military schooling provided sufficient knowledge in a particular subject area and this credit is needed for graduation or advanced placement, he/she should refer to the section, "Credit by Examination." Each Department Head handles the particular subjects under his/her administration. Not all departments allow Credit by Examination so check the eligibility requirements carefully, then contact the Department Head involved to make the necessary arrangements for an exam, if permissible.

Policy on Academic Honesty

It is the policy of the Long Beach Community College District to establish an academic environment in which inquiry is nurtured, individual responsibility is rewarded and academic dishonesty, cheating and plagiarism are not tolerated.

Policy on Open Courses

It is the policy of the Long Beach Community College District that, unless specifically exempted by statute, every course, course section or class, the full time equivalent student (FTES) units of which are to be reported for state aid, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets course prerequisites.

Creating a Collegiate Environment

In the Classroom

Creating a proper teaching environment is the cornerstone of getting a good education. Everyone at Long Beach City College is responsible for helping to create this environment, including students. Simple rules of courtesy apply.

1. **Respect for the Instructor** - This means arriving on time, not leaving early, bringing appropriate materials, not speaking with other students while a lecture is in progress, not bringing food or drink to the classroom, not being loud, boisterous or argumentative.

2. **Respect for Other Students** - This means not interfering with the rights of others to listen and participate, not being disrespectful, not using inappropriate language or harassing others in any way.

3. **Academic Honesty** - Lack of honesty in the classroom is considered a very serious offense. Any form of cheating on tests, turning in work which is not one's own (plagiarism), talking during tests, furnishing false information to instructors or knowingly misrepresenting one-self to the college is grounds for disciplinary action. The consequences of cheating are severe and may include the possibility of expulsion.

4. **Instructor's Rights** - An instructor has the right to remove a student from class at any time he/she considers a student's actions to be interfering with a proper collegiate environment. The instructor may also refer the incident to the Dean of Student Affairs for disciplinary action as warranted.

5. **Student's Rights** - All students have a right to due process. If classroom conflicts occur, discuss them with your instructor during his/her office hours. Additional resources for help include the Department Head, School Dean and Dean of Student Affairs.

On the Campus

Like the classroom, creating a proper campus environment is also of great importance to assure academic and individual success. The Board of Trustees has established campus-wide standards of student conduct and simple campus rules, which are enforced at all times. These are particularly important in large common areas, such as the cafeteria, bookstore, vending, campus offices, College Center, Student Center, Activities Center, campus quads, athletic areas and other highly frequented areas.

Standards of Student Conduct

These standards of student conduct and disciplinary action for violation of rules were established by a student-college staff committee in compliance with section 22635 of the State Educational Code, printed and distributed for students' information and guidance.

Students shall respect and obey civil and criminal law and shall be subject to the legal penalties for violation of the laws of the city, county, state and nation.

Student conduct at Long Beach City College must conform to district policy and regulations and college procedures. Violations, for which students are subject to disciplinary action, include but are not limited to the following:

1. Willful disobedience to directions of college officials (including faculty) acting in the performance of their duties.

2. Violation of college rules and regulations, including those concerning student organizations, the use of college facilities or the time, place and manner of public expression or distribution of materials.

3. Dishonesty, such as cheating or knowingly furnishing false information to the college.

4. Forgery, alteration or misuses of college documents, records or identification.

5. Unauthorized entry to or use of the college facilities.

6. Obstruction or disruption of classes, administration, disciplinary procedures or authorized college activities.

7. Theft or damage to property belonging to the college, a member of the college community on campus or at a campus activity or a visitor to the campus.

8. Disorderly, lewd, indecent or obscene conduct.

9. Conduct which disrupts orderly operation of the college, or which disrupts educational activities of individual members of the college community including, but not limited to, the harassment of another member of the college community based on race, religion, national origin, gender, sexual orientation or any other legally protected status.

10. Use, possession, distribution or being under the influence of alcoholic beverages, illicit drugs or other controlled substances while on campus or in connection with college activities.

11. Assault or battery, abuse or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.

12. Possession, while on the college campus or at a college sponsored function, of any weapons (except by persons given permission by the superintendent-president or members of law enforcement agencies, such as police officers acting in their capacity as officers).

13. Possession of any article, not usually designated as a weapon, when used to threaten bodily harm.

14. Misuse of any computer technology, including equipment, software, network or Internet access. This includes non-compliance with any policy, regulation, rule or guideline developed by any segment of the College which relates to computer technology.

Campus Rules

1. Smoking is prohibited in all buildings.

2. Eating and drinking are prohibited in all buildings except where food is sold or is part of an approved and scheduled activity.

3. Gambling on the campus is prohibited. Gaming is restricted to the PCC Student Lounge and the LAC Activities Room.

4. Animals not indigenous to the campus grounds are not allowed on campus. Exceptions shall be made for certified companion animals and those animals previously approved by college officials for specific educational purposes.

5. Literature to be distributed must be approved in the office of the Dean of Student Affairs.

6. Children are not allowed on campus unless under the supervision of a parent/guardian or are officially enrolled in an approved college program. Children may not attend classes with a parent/guardian unless the course is specifically designed to include children. Children must be supervised so educational activities are not interrupted and may not be left unattended in common areas, such as the library, computer labs, cafeterias, quads or lounges.

7. Unauthorized vehicles (vehicles without a parking permit) must use visitor parking or purchase a one-day parking permit.

8. Students are required to be fully attired, including shirts or blouses and footgear.

9. Skateboarding, skating and bike riding are prohibited on campus grounds.

10. The use of radios, electronic recording devices, tape or compact disc players without headphones is prohibited on campus except in connection with approved campus/classroom activities.

11. Electronic recording devices may not be used in classrooms without the permission of the instructor.

31

Summary Suspension

When serious violations of college regulations or procedures occur as a result of inappropriate student conduct, the college shall take immediate action to resolve the problem. This action may occur as follows:

1. **Removal from Class by Instructor** - Any instructor is authorized to remove a student from his/her class for the class meeting where the infraction occurs, as well as the next scheduled class meeting. The instructor shall immediately report the removal of the student to the Dean of Student Affairs or designee, including the reason for removal, for appropriate action.

2. **Summary Suspension by Administration** - A summary suspension is an administrative action for the purpose of removing any immediate tension or threat to the well being of students and staff in order to assure that an appropriate academic environment exists. It is also for the purposes of further investigation of reported inappropriate conduct and to determine what disciplinary action, if any, is appropriate. The Dean of Student Affairs or designee may summarily suspend a student for good cause for a period of up to 10 instructional days to ensure that the intended purpose is served.

Disciplinary Action

Violations of the above regulations and rules subject students to the following types of disciplinary action, which are to be administered by the appropriate college authorities. These disciplinary actions are listed in degree of severity but not necessarily in sequential order. Disciplinary actions may be imposed singly or in combination. A student has the right to appeal any of the actions through established procedures of due process.

1. **Warning** - Notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.

2. **Reprimand** - Notice to the student in writing that officially recognizes a violation of the standards of student conduct or campus rules. The reprimand admonishes the student to avoid future infractions in order to avoid additional formal action.

3. **Probation** - An official disciplinary action, which returns the offender to the college community on a promise of appropriate future behavior. Any violation of this promise mandates formal action.

4. **Social Suspension** - Social Suspension limits a student's attendance on campus to scheduled classroom hours. Other privileges can be set forth in the Notice of Social Suspension for a specified period of time. The imposition of social suspension involves notification in writing of the reason for social suspension to the student(s) or president of the student organization involved.

5. **Disciplinary Suspension** - Disciplinary suspension follows a hearing based on due process of law. It shall be invoked by the college president, appropriate administrator, or other staff members designated by the president upon students for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action.

6. **Expulsion** - An expulsion is a long-term or permanent denial of all campus privileges including class attendance. The Board of Trustees may expel a student after a hearing by a campus body or upon recommendation of the Superintendent-President. Permanent expulsion and active prosecution shall automatically result for any student found to be in possession of a gun. Board action is not necessary in this instance.

7. **Restitution** - Reimbursement for damage or for misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.

LONG BEACH CITY COLLEGE
GENERAL EDUCATION PLANS
Academic Year 2004-2005

All students _must_ consult a counselor when following Plans A, B or C
ALL INFORMATION CONTAINED HEREIN IS SUBJECT TO CHANGE WITHOUT NOTICE

PLAN A The General Education Requirements for the Associate Degree: Designed for students planning to obtain an Associate Degree. The general education requirement is only a component to the Associate Degree. Refer to "Degrees and Programs - Plan A " in the LBCC catalog for complete information.

PLAN B The CSU-GE Breadth Requirements: Designed for students transferring to the California State University (CSU). Courses on this pattern are lower division general education breadth requirements specific to the California State University and used to obtain a full or partial certification.

PLAN C The Intersegmental General Education Transfer Curriculum (IGETC) Requirements: Designed for students transferring to the University of California (UC) or the California State University (CSU). Courses on this pattern are lower division general education requirements unique to IGETC and were established by the UC and CSU.

☐ **ALTERNATIVE GENERAL EDUCATION PLANS:** Consult a counselor to determine the best general education pattern for you.

☐ **CHANGES TO THE GENERAL EDUCATION PLANS (ABC Guide)**: The ABC Guide is an evolving document that is reviewed and updated annually by the Associate Degree/ General Education Committee (AD/GE) to accommodate curriculum changes and pertinent information. The guide is available in the LBCC Catalog, Schedule of Classes, the LAC and PCC Student Success/Transfer Services Centers, and at the LBCC website **http://students.lbcc.edu.** Students are responsible for securing an updated copy of the ABC Guide at the beginning of the fall semester.

☐ **CURRICULUM GUIDES:** There are two types of curriculum guides: the LBCC Curriculum Guide and the Transfer Curriculum Guide. The LBCC Curriculum Guide contains information on specific fields of concentration and lists courses required for the Associate Degree or Certificate for that field. The Transfer Curriculum Guide contains lower division major preparation courses required at specific CSU's or UCs. Courses listed on the Transfer Curriculum Guide are articulated courses that are offered at LBCC. The information on the Transfer Curriculum Guide derives from various college catalogs and articulation agreements. To view the LBCC Curriculum Guides and/or Transfer Curriculum Guides log on to the LBCC website **http://students.lbcc.edu.** To view the most current articulation agreements, log on to **www.assist.org.** The ASSIST database is the official repository of articulation and transfer for the State of California.

☐ **CERTIFICATION:** The process whereby Long Beach City College approves lower division general education coursework for CSU/UC transfer. Units earned and credited to the CSU and/or IGETC certification will only be certified by LBCC for courses taken from approved certification lists. The 50% Rule requires that 50% of the courses used for Plan B must be completed at LBCC; Plan C requires that 50% of the courses must be completed at a California Community College. (For additional information on residency requirements for Plans B and C or Plan A see RESIDENCY section on next page). See a counselor for transfer and career preparation.

Associate of Arts (AA)/Science (AS) Degree General Information

☐ **Recommended Prior to Enrollment:**
  Take LBCC Assessment Test. Submit high school Advanced Placement (AP) test scores and school/college transcripts to Admissons and Records.

☐ **REQUEST FOR GRADUATION:** Must be submitted to the Records Office no later than the seventh week of the last semester of the program.

☐ **ADDITIONAL ASSOCIATE DEGREES**: Each additional Associate Degree requires:
  ☐ Twenty additional units at LBCC AFTER receiving the last degree AND
  ☐ Completion of all degree requirements in the new area of concentration for the year after work is started on the 2nd degree.

☐ **DUAL MAJORS**: See Counselor.

CSU/UC General Information for Application and Priority Filing & Deadlines

UC Fall Semester or Quarter (November 1- November 30)

CSU Fall Semester or Quarter (October 1-November 30)

Note: Terms/Semesters of acceptance may vary among schools. Please consult a counselor to determine whether your school and major are accepting applications for specific terms/semesters.

Private University Transfer: Most private universities have specific lower division and general education requirements. It is **HIGHLY RECOMMENDED** that students consult the catalog of the college/university to which they plan to transfer. A counselor may assist students develop a plan consistent with their educational goals. Students are advised to plan early so that they will be well-prepared at the time of transfer.

LONG BEACH CITY COLLEGE GENERAL EDUCATION PLANS

	- PLAN A -	- PLAN B -	- PLAN C -
	Associate Degree General Education requirements for graduation from Long Beach City College. A minimum of 18 units is required in Plan A.	**CSU General Education Breadth** for any of the California State Universities. Certification of the completion of the General Education requirements will be done at the time of transfer only. To be certified by LBCC at least 50% of the courses must be taken at LBCC. **(To apply courses from other schools to this plan, student must see a counselor.)**	**University of California and California State University Intersegmental General Education Transfer Curriculum (IGETC)** enables a student to fulfill the lower division general education requirements for either the CSU or UC institutions. A "C" grade minimum is required for each course.
	Unless otherwise indicated, a G.E. course may not be double counted for credit in more than one area.		
ENGLISH COMPOSITION	**One Class Required (3 Units Minimum)** English: 1, 1H, 105 or ESL: 34, 34X	**Area A2** **One Class Required** English: 1, 1H	**Area 1A** **One Class Required for UC & CSU** English: 1*, 1H*
		FOR ADMISSION: Students transferring with 56 or more units will be expected to have completed with a "C" grade or better, 30 units of General Education, including all of areas A1, A2, A3, B4.	
COMMUNICATION AND ANALYTICAL THINKING	**One Class Required (3 Units Minimum)** CBIS: 8B, 11, 14A Electronics: 225 English: 3, 3H or Reading: 82, 83, 84 Library: 3 Mathematics: 28, 36, 37, 37H, 40, 45, 47, 50, 60, 64, 70, 80, 85, 110, 112, 120, 130 Philosophy: 11, 12 Speech: 10, 20, 25, 30, 60 Statistics: 1, 1H	**Area A3** **One Class Required** English: 3, 3H Philosophy: 11, 12 Speech: 60 AND **Area A1** **One Class Required** Speech: 10, 20, 30, 60	**Area 1B** **One Class Required for UC & CSU•** English: 3* 3H* •The combination of two courses identified on the 1991-92 edition will fulfill the requirement - if one has been taken before Summer, 1993 **Area 1C** **One Class Required (CSU ONLY)** Speech: 10, 30, 60
MATHEMATICS	**No Class Requirement.** See AA/AS graduation proficiency requirements for math requirement.	**Area B4** **One Class Required (3 Units Minimum)** Mathematics: 28, 36, 37, 37H, 40, 45, 47, 50, 60, 70, 80, 84 Statistics: 1, 1H	**Area 2** **One Class Required (3 Units Minimum)** Mathematics: 36, 37*, 37H*, 45*, 47*, 50, 60* 70, 80, 84* Statistics: 1*, 1H*
NATURAL SCIENCES	**One Class Required (3 Units Minimum)** **Physical Sciences:** Astronomy: 1, 1L Chemistry: 1A, 1B, 2, 3A, 3B, 12A, 12B Environmental Science: 1 Geology: 1, 1H, 2, 2F, 2L, 3, 3H, 4, 5, 7, 16, 17, 18 Physical Geography: 1 Physics: 2A, 2B, 3A, 3B, 3C, 10 **Biological Sciences:** Anatomy: 1, 1H, 41 Biology: 1A, 1B, 2, 5, 11, 15, 18, 20, 20H, 22, 25, 28, 30, 31, 37, 41/41L, 41H/41L, 60, 60L, 61, 62 Physiology: 1	**Area B1, 2, and 3** **Two Classes Required (6 Units Minimum)** *NOTE: ONE CLASS IN THIS SECTION MUST BE TAKEN WITH A LABORATORY- "♦" DENOTES LABORATORY CLASSES (B3)* **One Class Required From Area B1: Physical Sci:** Astronomy: 1, 1L♦ Chemistry: 1A♦, 1B♦, 2♦, 3A♦, 3B♦ Environmental Science: 1 Geology: 1♦, 1H♦, 2, 2F, 2L♦, 3, 3H♦, 4♦, 5, 7AD, 18 Physical Geography: 1 Physics: 2A♦, 2B♦, 3A♦, 3B♦, 3C♦, 10♦ AND **One Class Required From Area B2:Biological Sci:** Anatomy: 1♦, 1H♦, 41♦ Biology: 1A♦, 1B♦, 2♦, 5♦, 11, 15, 20♦, 20H♦, 22, 25, 30♦, 41/41L♦, 41H/41L♦, 60, 60L♦, 61 Physiology: 1♦	**Area 5 Two Classes Required (7 Units Minimum)** *NOTE: ONE CLASS IN THIS SECTION MUST BE TAKEN WITH A LABORATORY- "♦" DENOTES LABORATORY CLASSES.* **One (3 Units Minimum) Class Required: Physical Sci:** Astronomy: 1, 1L♦ Chemistry: 1A♦, 1B♦, 2♦, 3A♦* Geology: 1♦*, 1H♦*, 2*, 2L♦*, 3, 3H*, 5, 18 Physical Geography: 1 Physics: 2A♦*, 2B♦*, 3A♦*, 3B♦*, 3C♦*, 10♦* AND **One(3Units Minimum)Class Required:Biological Sci:** Anatomy: 1♦*, 1H♦*, 41♦* Biology 1A♦, 1B♦, 2♦, 5♦*, 20♦*, 20H♦*, 30♦*, 41/41L♦* 41H/41L♦*, 60*, 60L♦*, 61*, 62* Physiology: 1♦*
AMERICAN HISTORY	**One Class Required (3 Units Minimum)** History: (8A+8B), (8AH+8BH), 10, 11, 25, 27A, 27B **(Not required for the AS Degree)**	**(For CSU Graduation Only)** **3 Units Minimum Required** History: (8A+8B), (8AH+8BH), 10, 11	**Area 7 (For CSU Graduation Only)** **3 Units Minimum Required** History: (8A+8B), (8AH+8BH), 10, 11
POLITICAL SCIENCE	**One Class Required (3 Units Minimum)** Political Science: 1, 1H, 3 **(Not Required for AS Degree)**	**(For CSU Graduation Only)** **One Class Required (3 Units Minimum)** Political Science: 1, 1H	**Area 7 (For CSU Graduation Only)** **One Class (3 Units Minimum) Required** Political Science: 1, 1H
PHYSICAL EDUCATION ACTIVITY	**3 Units Minimum** **EITHER: Two** P.E. activity classes (a minimum of 1 semester unit) **and** one of the following: Health Education: 2 **or** F & N: 20 **or** Biology: 60 **and** 61 **and** Psych: 1 **or** Anatomy: 41 **and** DMT: 60 **and** Psych: 1 **or** **OR:** Health Education: 3 of 4 *(No P.E. courses required if Health Ed. 3,4 is taken)* **(Note: Meets Health Education requirement listed below)**	**One Unit** required if Health Education 2 option is chosen in Health Education requirement below.	**No specific Physical Education requirement.**
			All IGETC requirements must be completed and certified prior to transfer. There are no exceptions provided by the CSU and UC for the IGETC. To initiate and complete the IGETC certification process students must meet with a counselor.

HUMANITIES AND ARTS (Plan A)	**One Class Required (3 Units Minimum)** Art: 1, 1H, 2, 2H, 3, 3H, 4, 4H, 5, 5H, 6, 7, 8, 9, 10, 11, 11H, 15, 23, 24, 26AD, 30, 31, 34AD, 35AD, 50, 51AD, 60AD, 70AD, 71AD, 80 Chinese: 1, 1A, 1B, 2 Creative Arts: 41 Dance: 1 English: 2, 26, 32, 33, 35, 36, 37, 38, 39, 41, 42, 43A, 43B, 44, 44H, 45, 45H, 46, 47, 48, 48H, 72AD, 79 Film: 1 French: 1, 1A, 1B, 2, 2A, 2B, 3, 4, 8AD, 25A-D German: 1, 1A, 1B, 2, 2A, 2B, 3, 3H, 4, 4H, 8AD, 25A-D Humanities: 1°, 1H°, 3°, 7° Interior Design: 80, 90 Italian: 1, 1A, 1B Japanese: 1, 1A, 1B, 2 Music: 6, 30A, 30B, 31, 33A-D, 35, 40, 40H Philosophy: 3°, 6, 6H, 7, 7H, 8, 9, 14 R/TV: 1 Spanish: 1, 1A, 1B, 2, 2A, 2B, 3, 3H, 4, 8AD, 9, 10, 25A-D Speech: 50 Theater Arts: 1, 25 Vietnamese: 1, 1A, 1B	**Area C** **Three Classes Required (9 Units Minimum)** *NOTE: ONE CLASS IN AREA C1 AND ONE IN C2, WITH A THIRD COURSE FROM EITHER AREA.* **Area C1:** Art: 1, 1H, 2, 2H, 3, 3H, 4, 4H, 5, 5H, 6, 7, 9, 10, 11, 11H, 30, 31, 80 Creative Arts: 41 Dance: 1 Film: 1 Interior Design: 80, 90 Music: 6, 30A, 30B, 31, 33A-D, 35, 40, 40H R/TV: 1 Speech: 50 Theatre Arts: 1, 25, 30 **Area C2:** Chinese: 1, (1A+1B), 2 English: 2, 26, 32, 33, 35, 36, 37, 38, 39, 41, 42, 43A, 43B, 44, 44H, 45, 45H, 46, 47, 48, 48H, 79 French: 1, (1A+1B), 2, (2A+2B), 3, 4 German: 1, (1A+1B), 2, (2A+2B), 3, 3H, 4, 4H Humanities: 1°, 3°, 7° Italian: 1, (1A+1B) Japanese: 1, (1A+1B), 2 Philosophy: 3°, 6, 6H, 7, 7H, 8, 9, 14 Spanish: 1, (1A+1B), 2, (2A+2B), 3, 4, 9, 10 Vietnamese: 1, (1A+1B)	**Area 3** **Three Classes Required (9 Units Minimum)** *NOTE: AT LEAST ONE CLASS MUST BE TAKEN FROM THE ARTS AND ONE FROM THE HUMANITIES PLUS ONE FROM EITHER.* **Arts (One Class Minimum Required)** Art: 1*, 1H*, 2*, 2H*, 3*, 3H*, 4*, 4H*, 5*, 5H*, 10, 11*, 11H* Creative Arts: 41 Dance: 1 Film: 1 Music: 30A, 30B, 33A-D, 35, 40*, 40H* Theatre Arts: 25, 30 **Humanities (One Class Minimum Required)** English: 32, 33, 35, 36, 37, 38, 39, 41, 42, 43A, 43B, 44*, 44H*, 45*, 45H*, 46, 47, 48*, 48H*, 79 French: 3, 4, 25A-D German: 3*, 3H*, 4*, 4H*, 25A-D History: 1A*, 1AH*, 1B*, 1BH*, 2A, 2B, 2C*, 2CH*, 5A, 5B, 6, 8A*, 8AH*, 8B*, 8BH*, 9A, 9B, 9C, 10*, 11*, 18, 25, 27A, 27B Humanities: 1*°, 1H*°, 3°, 7° Philosophy: 3*°, 6*, 6H*, 7, 7H, 8, 9, 14* Social Sciences: 1H*°, 7° Spanish: 3*, 4*, 9*, 10*, 25A-D

Legend

◆ Denotes laboratory classes.

+ A (+) between courses indicates both courses must be taken.

* Indicates course limitations may exist. (For an explanation of limitations, please refer to the UCTCA , which is available on the ASSIST website at (www.assist.org) or consult a counselor.

° Cross-listed courses. A cross-listed course is interdisciplinary and is the "same as" another course. A cross-listed course CANNOT be used in more than one discipline NOR can it be used to certify more than one area on Plans B or C. See list of courses below:

    HUMAN 1 = SOCSC 1: Comparative World Cultures
        HUMAN 1H = SOCSC 1H: Honors Comparative World Cultures
        HUMAN 3 = PHIL 3: Intro to Issues/Phil, Psych & Religion
        HUMAN 7= SOCSC 7: American Pluralism and Identity

	- PLAN A - ASSOCIATE DEGREES (AA/AS)	- PLAN B - CALIFORNIA STATE UNIVERSITY (CSU-GE Breadth)	- PLAN C - INTERSEGMENTAL GENERAL EDUCATION CURRICULUM (IGETC)
CONTINUOUS ENROLLMENT AND CONTINUES ATTENDANCE	☐ CONTINUOUS ENROLLMENT is enrollment in and receiving a grade (A,B,C,D,F, CR or NC) for at least one class per ACADEMIC YEAR (August to June) at LBCC or any other accredited higher education institution after being initially enrolled at LBCC. Students enrolled in non-credit courses may qualify for continuous enrollment if the course instructor has noted satisfactory progress in the class rollbook. For additional information, see Degrees and Programs section of the Catalog.	☐ CONTINUOUS ENROLLMENT AND CONTINUES ATTENDANCE is enrollment at an accredited college for at least one semester or two quarters in any one CALENDAR year (January to December) to insure catalog rights. **Note:** Please check with a counselor regarding major admissions requirement.	☐ CONTINUOUS ENROLLMENT AND CONTINUOUS ATTENDANCE required to insure catalog rights. **Note:** Please check with a counselor regarding major admissions requirement. STUDENTS WHO HAVE NOT ATTENDED COLLEGE FOR A SEMESTER (NOT INCLUDING SUMMER) MAY STILL MEET THE REQUIREMENTS OF *CONTINUOUS ENROLLMENT & CONTINUOUS ATTENDANCE.* REFER TO **DEGREES AND PROGRAMS** SECTION OF THE CATALOG.
RESIDENCY	☐ For the field of concentration (LBCC Major), 50% of the requirements as defined by the appropriate curriculum guide must be completed at LBCC. ☐ And, in addition, one of the following: A) Minimum of 20 units within the last 30 units applied to the degree must be completed at LBCC, *OR* B) At least 50% of the units required for a degree must be completed at LBCC.	☐ AT LEAST 50% OF THE COURSES on the general education guide for CSU must be completed at LBCC in order to qualify for **CERTIFICATION**. You must see a counselor to use non-LBCC courses on this plan. When a transcript is certified by LBCC, it is marked to indicate that the lower division general education requirements for CSU have been met. Completion of the full 39 unit pattern is recommended. With permission of the CSU, students may transfer to a CSU and return to LBCC to complete classes for certification.	☐ To use the IGETC, all courses must be completed at an accredited community college or university prior to transfer. This means that courses may be transferred from one community college or university to another and used for transfer, provided 50% or more of the work is from a California community college (Pass Along allowed). Students who begin their college work at any UC may NOT use the IGETC for transfer back to the same UC. All course work must be completed and certified prior to transfer.
GRADE POINT AVERAGE REQUIREMENT (G.P.A.)	☐ FOR GRADUATION: Overall G.P.A. of 2.0 ("C" average) based on all grades from all colleges from which courses are applied to LBCC degree. Some fields may have additional G.P.A. requirements; check the appropriate curriculum guide.	☐ FOR ADMISSION: Generally, 2.0 overall G.P.A. in CSU transferable units. (LBCC courses numbered 1-99 are CSU transferable). Some majors may require a higher G.P.A. (See application and major requirements for more information). A grade of "C" or better is required for each class in Areas A & B4. The "C" grade must be equivalent to a 2.0 G.P.A. to qualify. No more than 2 D's allowed in remaining general education classes.	☐ FOR ADMISSION: A minimum of 2.4 G.P.A. in transferable units (UC transferable courses noted in LBCC catalog and schedule of classes). Some majors require a higher G.P.A. (See applicaton and major requirements for more information). For CSU, see Plan B.
CERTIFICATION	Not applicable		Requires a "C" or better in each class.
UNITS	☐ FOR GRADUATION: Minimum of 60 AA/AS applicable units (1-599); some fields of concentration may require more units–consult appropriate curriculum guide. *SOME COURSES DO NOT APPLY TOWARD THE 60 UNIT MINIMUM.* **Note:** Courses in the 600-800 band are not applicable to the Associate Degree. Examples of this include: English 801A-B, 895AB, Math 805.	☐ FOR ADMISSION: The CSU recommends completion of 60 units for junior standing; however, students may generally transfer with a minimum of 56 transferable units. LBCC courses numbered 1-99 will transfer to all CSU's. (See CSU application for information on transfer with fewer than 56 transferable units). A maximum of 70 transferable semester units earned at a California community college will be accepted by a CSU toward a Bachelor's Degree.	☐ FOR ADMISSION: The CSU system recommends completion of 60 units for junior standing. Generally, a minimum of 56 transferable units is required for those students not eligible for admission to CSU from high school. The UC requires 60+ transferable units for admission. A maximum of 70 transferable semester units earned at a California community college will be accepted by the UC or CSU toward a degree awarded by either system.
PROFICIENCIES	☐ FOR GRADUATION: MATHEMATICS: (**Effective Fall 2004 for newly matriculated students).** A qualifying score on the LBCC Assessment Test or successful completion with a grade of "C" or higher in a college math course at the level of MATH 110 or Math 110B or higher *OR* in ELTC 225. An SAT I Math Score of 520 (500 for SAT Math exams taken prior to April 1995), or an ACT Math Score of 14 will also fulfill the requirement. WRITING: Fulfill requirements of ENGLISH COMPOSITION section above. READING: (**Effective Fall 2004 for newly matriculated students**) ☐ Qualification through multiple LBCC assessment measures *OR* ☐ Completion of READ 82 or 83 ("C" or better) at LBCC (courses taken at other colleges may be individually reviewed for equivalency by the English Department Reading Coordinator) *OR* ☐ A Bachelor's Degree from an accredited college or university. COMPUTER: Completion of any one of the following LBCC courses: ☐ ADJUS 17; ART 41, 42, 44AD, 45AD, 46AD, 47AD; CAOTC 31A, 34, 35, 39A, 39B, 39C, 39D, 41E, 41F, 41I, 42A, 42B, 45, 46C, 46D, 46E, 47A, 47B, 215A, 215B, 215C, 220, 236A, 236B, 236C, 236D, 240AB, 241AB, 242, 243, 246, 250A, 250B, 250C, 265; CAOTT 200, 200B, 200C, 201, 202, CBIS 2, 6, 8B, 40, 208B; COMIS 1A, CPAS 1, 10; ELTC 41; ENGR 54; ENGLISH 5AD, FD 245AD, JOURN 1A, 1B; MUSIC 71AD, 93AD, 98AD; R/TV3; TECHNOLOGY 60 **OR** ☐ Approval of course from another accredited college.	☐ There are NO proficiencies required by the California State Universities.	☐ FOREIGN LANGUAGE PROFICIENCY: Those students using the IGETC for transfer to one of the nine campuses of the University of California must show proficiency in a foreign language. This requirement may by met by: ☐ Completion of two years of foreign language in high school with a grade of "C" or better, *OR* ☐ Performance on foreign language proficiency tests administered at a campus of the UC, *OR* ☐ Earning a score of 550 on an appropriate College Board Achievement Test, *OR* ☐ Completion of a second or more advanced level of foreign language course offered at LBCC: Chinese 2 French 2 OR 2A and B† German 2 OR 2 A and B† Japanese 2 Spanish 2 OR 2A and B† †Both courses must be completed to receive IGETC credit.

Associate Degree and Transfer Programs

In accordance with the Long Beach City College mission statement, our school offers three possible degree patterns. These three patterns are listed below as Plan A, B and C. If a student wants to select courses to prepare for a career immediately after graduation from Long Beach City College, he or she should choose Plan A**. Under Plan A, a student can finish an Associate Degree and combine it with one of Long Beach City College's Certificate Programs or prepare for transfer.** Many employers prefer their employees to have both a degree and a certificate. If students are interested in an Associate Degree and a career, then Plan A should be followed. All students, however, should be aware that such a plan requires continuous enrollment. All students seeking such career goals need advice to achieve good results. To accomplish the most with your time in school, students are encouraged to meet with a counselor. Counselors know best how to combine a degree with a Certificate program.

If a student wants to complete an Associate Degree and transfer to a B.A./B.S. program, then the general education (G.E.) patterns Plan B and C should be followed. **Plan B will prepare students for transfer to the California State University System. Plan C will prepare students for transfer to either the University of California or the California State University systems.** It is imperative for students to see a counselor for use of this plan. Students may also choose to attend a private university or college, or they may wish to transfer out of state. If you have such plans, see a counselor or go to the Transfer Center. While the UC System requires continuous enrollment, the CSU adds a definition of continuous attendance for successful transfer. If students are careful in the courses they select, they will be able to complete an Associate Degree and a transfer program at the same time. The best way for a student to prepare such a program would be to make an appointment with a counselor. Long Beach City College's counselors have a complete list of transfer requirements and can help to design the most efficient program to meet your needs.

Finally, the G.E. patterns listed as Plan A, B and C represent three different ways one can prepare for a degree. The plan best suited for you requires careful consideration. Long Beach City College Counselors have the knowledge you need to get the most out of your education. If a student wanted a program that combined a career, transfer and a degree, a counselor could show him/her how to achieve all three in the shortest amount of time. Therefore, making an appointment with a counselor as soon as possible is probably the first logical step everyone should take in their educational career.

STUDENTS SHOULD BE AWARE THAT STARTING ONE PLAN DOESN'T PRECLUDE CHANGING TO ANOTHER. IT IS POSSIBLE TO CHANGE PLANS WITH PROPER COUNSELING.

STUDENTS SHOULD BE ADVISED THAT THE ASSOCIATE DEGREE COMPRISES TWO MAJOR COMPONENTS: A GENERAL EDUCATION PATTERN AND A FIELD OF CONCENTRATION. A TRANSFER PROGRAM COMPRISES THREE MAJOR COMPONENTS: ADMISSION REQUIREMENTS, A GENERAL EDUCATION REQUIREMENT AND A MAJOR FIELD OF PREPARATION.

Determination of Requirements to be Used for Certificates, the A.A./A.S. Degree and General Education Certification
Students may be granted an A.A./A.S. Degree and/or be certified for general education based on the requirements in effect at any time between their initial enrollment at Long Beach City College and the present, provided **continuous** enrollment is maintained throughout. If continuous enrollment is not maintained, students may only use requirements in effect beginning with such time as continuous enrollment was established and maintained to the present.

Definition of Continuous Enrollment
"Continuous enrollment" shall be defined as enrollment in, and receiving a grade for, at least one class per academic year at Long Beach City College or any other accredited higher educational institution, after having initially enrolled at Long Beach City College. Continuous enrollment secures "catalog rights" for the student. **Catalog rights** are defined as guaranteeing students the specific degree requirements of the year they first enrolled. Continuous enrollment applies to all students interested in earning an Associate Degree or transferring to the University of California.

"**Continuous Attendance**" is a definition of enrollment that applies to those Long Beach City College students interested in transferring to the CSU system. Since the CSU system defines "continuous attendance" as enrollment at an accredited college "...for at least one semester or two quarters in any one calendar year," transfer students must be careful to combine "continuous enrollment" with "continuous attendance." The difference between these two definitions rests on how a school defines a "year." Long Beach City College must use the academic year (fall and spring semesters) and the CSU system must use the calendar year (January to December). When students combine continuous enrollment and attendance definitions, they need to attend at least one class every semester until they transfer. Only this way can they secure their catalog rights. Because of the confusion these two definitions might create, Long Beach City College strongly recommends that all new students see a counselor.

Acceptable grades that will satisfy continuous enrollment are A-F, CR and NC. This policy is effective for students who established continuous enrollment at the start of the Fall 1983 semester or later. Coursework transferred from other institutions will be evaluated for satisfaction of all Associate Degree requirements, including the proficiency requirements and for certificates of completion.

Military personnel who had to withdraw with grades of MW because of military orders will be given one academic year after the end of the military conflict to return to college without losing their continuous enrollment status and catalog rights.

Students who encounter problems fulfilling both the general education and the field of concentration requirements in effect for any one year may appeal immediately to the Graduation Appeals Committee.

Dual Associate Degrees
Students seeking multiple degrees in the same term must meet the following requirements:

1. To obtain a dual degree students must complete a minimum of 80 semester units and a third degree would require a total of 100 semester units. Each additional degree would require an additional 20 semester units that are unique to the additional degree.

2. Fifty percent or 20 units (whichever is less) of the major requirements from the second degree must be distinct from the first degree. In addition to the above requirements, degree requirements, including degree residency requirements, scholarship, field of concentration, and general education and proficiency requirements must also be met.

Post Associate Degree(s):
Students wishing to obtain an additional Associate Degree after they have received their first degree must obtain twenty additional units at LBCC after receiving the last degree. Degree requirements for an additional degree will start at the time the students enroll after receiving the initial Associate Degree. In addition to the above requirements, degree requirements, including degree residency requirements, scholarship, field of concentration, and general education and proficiency requirements must also be met.

Philosophy of Education Leading to a Career, a Career Certificate or a Certificate of Completion.

Long Beach City College provides many opportunities for students to gain marketable skills. Critical thinking experiences are included as part of the training. Changing technologies have placed greater demands on workers and critical thinking skills are necessary for success in most occupations.

Occupational programs teach the theory and the practical applications of a career. The goal of an occupational program is gainful employment. The course of study for such a program will enable students to become familiar with the requirements and methods of an occupation to progress beyond an entry-level position. One of the college's goals is to help students make informed career decisions.

A **career certificate** is defined as a course of study consisting of at least 18 units; a **certificate of completion** is defined as a course of study consisting of less than 18 units–both in a specific occupational area. Students must complete 50 percent or more of the total

units required for a certificate while enrolled at Long Beach City College. For specific unit requirements, consult the program director. All **career certificates** and **certificates of completion** are reviewed by advisory committees comprised of representatives of the industry, students and faculty. This assures that programs meet the current and future needs of industry.

Criteria
A goal of education leading to a career is to make occupations accessible to students. The elements of such an education include: understanding the origins, technology, skills and theories involved in that occupation. Part of any occupational program should include the ability for students to analyze changing conditions in their areas of employment. Finally, an understanding of how a career fits into the current economy helps students to find alternatives when their career changes over time.

Philosophy of General Education, Associate Degrees

General education is designed to introduce students to the variety of means through which people comprehend the past, present and future world. It reflects the conviction of Long Beach City College that those who receive an Associate Degree should possess in common certain basic principles, concepts and methodologies of the various disciplines. The general education experience should enable individuals to use this knowledge when evaluating and appreciating the physical environment, arts, culture and the society in which they live. Most importantly, since education is a life-long process, general education should lead to better self-understanding and the capacity to adapt, respond and grow in a changing world.

In its general education program, Long Beach City College strives to create coherence and integration among the separate requirements. Further, through this program, the college involves students in examining the values inherent in proposed solutions to major social problems.

Criteria
Since it is expected to produce the skills, methods or knowledge common to all, a course which satisfies the general education requirement should be of an introductory or survey nature. In addition, a non-survey course may qualify as general education if its course design incorporates a substantial integration of the basic principles and methodologies of the discipline in relation to the specific subject matter of the course.

Plan A:
Associate Degree (Degree and/or Career Option)

1. Students may use this plan to simply complete an Associate Degree.

2. Those students interested in preparing for a career upon graduation may use this plan by combining the Associate Degree with a Certificate Program.

3. This plan may also be used to combine a career, degree and transfer goals.

4. Students must maintain continuous enrollment and complete a field of concentration.

5. If you are considering transferring to CSU or UC and need additional units to complete the 18 unit general education requirement for Plan A, it is recommended that you select needed units from the CSU General Ed/Breadth or the Intersegmental General Education Transfer Curriculum (IGETC).

6. For the best program see a counselor.

Plan B:
General Education Certification Pattern for CSU Transfer and The Associate Degree

1. Students may use this program to combine the CSU general education requirements with an Associate Degree.

2. Those students interested only in transfer to a CSU can achieve that goal by following the certification pattern listed here.

3. To complete an Associate Degree with this program, a student must complete a field of concentration and the Associate Degree general education and proficiency requirements.

4. Students must maintain continuous attendance.

5. See a counselor to select courses which meet both CSU and Associate Degree requirements at the same time.

Plan C:
Intersegmental General Education Transfer Curriculum (IGETC) for the UC/CSU Systems and the Associate Degree

The Intersegmental Committee of the Academic Senates for the combined university and college systems in the state of California approved the Intersegmental General Education Transfer Curriculum (IGETC) which was implemented Summer 1991.

1. The IGETC is a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus.

2. The IGETC provides an option to the California State University General Education requirements and replaces the University of California Transfer Core Curriculum.

3. Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Students may find it advantageous to take courses at the community college fulfilling CSU's General Education requirements or those of a particular UC campus.

4. To complete an Associate Degree with this program, a student must complete a field of concentration and the Associate Degree general education and proficiency requirements.

5. Students must maintain continuous attendance.

Plan A
Additional Graduation Requirements

1. **Units** - The Associate Degree requires a minimum of 60 units passed, including the field of concentration, required general education courses and free electives (if applicable) as defined in the college catalog. The curriculum guide for the field of concentration and the LBCC graduation requirements identify the exact number of units.

2. **Scholarship** - An overall grade point average (G.P.A.) of 2.0 ("C" average) based on all accredited college work that is applied to the degree, no matter where completed.

3. **Residence** - Either a.) a minimum of 20 units within the last 30 units of work applied to the degree must be completed at LBCC or b.) at least 50 percent of the units required for the degree must be completed at LBCC.

4. **Field of Concentration** - Completion of 50 percent or more, in residence (which may include credit earned by exam, where applicable), of the requirements for the chosen field of concentration as defined in the appropriate curriculum guide. The field of concentration, the general education and the proficiency requirements must be those in effect for the same year.

   Note: There is no "double-counting"–that is, courses required for the field of concentration may not also fulfill general education requirements, unless specifically noted.

5. **General Education and Proficiency requirements** - Refer to Plan A for the requirements in general education and proficiency in reading, writing, mathematics and computers. The field of concentration, the general education and the proficiency requirements must be those in effect for the same year. A student may use a course to fulfill a general education requirement in effect at the time the course was completed, even though the course may have been subsequently removed from the list of approved general education courses.

6. **Matriculation** - Matriculation materials must be submitted to the Admissions and Records Office prior to the application for graduation.

Changes to the Associate Degree requirements may be made after the printing of the catalog. Students should consult a counselor or the appropriate Associate Degree curriculum guide to determine the current status of degree requirements. Students who encounter problems fulfilling both the general education and the field of concentration requirements in effect for any one year may appeal immediately to the Graduation Appeals Committee. Completing the degree requirements is the responsibility of the student.

These requirements become effective for students entering the 1992 Summer session. Students who entered Long Beach City College prior to the 1992 Summer session and who have been continuously enrolled may use the graduation requirements in effect at any time between their initial enrollment at Long Beach City College and the present.

"Continuous enrollment" is defined as enrollment in, and receiving a grade for, at least one class per academic year at either Long Beach City College or any other accredited higher education institution, after having initially enrolled at Long Beach City College. Acceptable grades that will satisfy continuous enrollment are A-F, CR and NC. Students enrolled in non-credit courses may qualify for continuous enrollment if the instructor has noted their satisfactory participation in the class rollbook. This policy is effective for students who established continuous enrollment at the start of the Fall 1983 semester or later.

Coursework transferred from other institutions will be evaluated for satisfaction of all associate degree requirements, including the proficiency requirements, and for certificates of completion.

Plan B
Additional Requirement Information for California State University

1. To obtain a Bachelor's Degree from any of the California State University campuses, students are required to complete a minimum of 48 semester units of general education courses in the following areas: Area A (9 units), Area B (12 units), Area C (12 units), Area D (12 units), Area E (3 units).

   Up to 39 lower-division units may be completed at and certified [see below] by California community colleges. Long Beach City College recommends the **pattern of 39 lower-division units** as listed in Plan B. After the student has transferred, the CSU campus will then specify **a minimum of nine more upper-division units** to be taken primarily in Areas B, C and D.

   [**Certification** means that LBCC will officially designate on transcripts sent to any CSU those general education courses, which have been completed, and then the CSU campus will accept those courses toward fulfillment of the breadth requirements. It is very important for students to consult with their counselor regarding the selection of courses from a valid list for certificate purposes.]

2. No course may be used to fulfill more than one general education requirement. In most cases you may not use courses from your major department to also fulfill general education requirements ("double-counting") unless the same course is required both in your major and in general education and no alternative is available.

3. All courses numbered 1-99 in the catalog will transfer to the CSU at least as elective credit.

4. Completing the general education requirements and the major requirements is the responsibility of the student.

General Education-Major Requirements
The Baccalaureate Degree has **two** major components: general education and a major field of study. The major allows one to concentrate in depth in a field of study. General education, which should be done primarily at the lower division level (first two years of college), is designed to provide a common educational overview of the great accomplishments of humanity.

While attending Long Beach City College, students planning to transfer to the California State University system should follow the recommended pattern of general education-breadth requirements listed. (Note: Courses that fulfill these CSU requirements do not necessarily meet the requirements for the University of California system).

In addition, students should take the specific lower division courses required for their chosen major; these are listed on transfer curriculum guides available in the Counseling Centers. Careful educational planning will enable students to prepare for transfer and also complete the graduation requirements for an Associate Degree. Consult a counselor for assistance in correlating these requirements.

Admission Requirements
Students may apply to any of the 22 campuses of the California State Universities: Bakersfield, Channel Islands, Chico, Dominguez Hills, Fresno, Fullerton, Hayward, Humboldt, Long Beach, Los Angeles, Monterey Bay, Northridge, Pomona, Sacramento, San Bernardino, San Diego, San Francisco, San Jose, San Luis Obispo, San Marcos, Sonoma and Stanislaus.

Lower Division Transfers - *Undergraduate transfer applicants with fewer than 56 transferable semester units of study* may qualify for regular admission if they are eligible as freshmen and have been in continuous attendance since high school graduation; or were eligible as freshmen except for the subject requirements and have completed appropriate college courses in the missing subjects (all transfers must have a 2.0 minimum grade point average and be in good standing at last college attended). Applicants not eligible as freshmen cannot be admitted as lower division transfers. They must establish eligibility by completing the requirements for upper division transfers.

Undergraduate transfer applicants with fewer than 56 semester units of transferable college credit, who have not completed the subject requirements, may do so by:

1. Completing appropriate courses with a "C" or better in adult school or high school summer sessions; **OR**

2. Completing appropriate courses in college with a "C" or better. One course of three semester (or four quarter) units will be considered equivalent to one year of high school study; **OR**

3. Earning appropriate scores on specified examinations.

Upper Division Transfers - Upper division transfers may qualify for admission if they have completed *56 transferable semester (84 quarter) units* and have completed appropriate college courses to make up any missing college preparatory subject requirements. (It is also possible for an applicant eligible as a freshman to be admitted as an upper division transfer.)

The missing college preparatory subject requirements may be made up in the following ways:

1. Complete the missing subjects in ways specified for lower division applicants; **OR**

2. a) High school graduates prior to 1988: Complete with grades of "C" or better the CSU general education requirements in communication in the English language (9 units in Areas A1, A2, A3) and math (from Area B4); **OR**

   b) 1988 and later high school graduates: Complete with grades of "C" or better a minimum of 30 semester (45 quarter) units selected from courses in English, arts and humanities, social science, science and math of at least equivalent level to courses that meet general education or transfer curriculum requirements. Each student must complete all of CSU general education requirements in communication in the English language (9 units in Areas A1, A2, A3) and the general education requirement in math (from Area B4) as part of the 30-semester unit requirement.

Please consult with the Long Beach City College Counseling Department and Transfer Center regarding appropriate courses and tests to satisfy the subject requirements, as well as continuous attendance issues and criteria used to determine eligibility as first-time freshman.

Courses numbered 1-99 in the Long Beach City College catalog are transferable as general education and/or elective credit to the CSU. Students with *60 transferable units* will be admitted as juniors. A *maximum of 70* semester transferable units earned in a California community college will be accepted by a CSU campus towards the baccalaureate degree.

Some programs are impacted at various CSU campuses when the number of applicants received in the first month of the admission filing period is greater than the number of spaces available. For these programs, students are urged to consult with a Long Beach City College counselor to be aware of the filing deadlines and any supplemental admissions criteria.

Plan C

Additional Information for University of California

A student who plans to transfer to one of the nine campuses of the University of California system (Berkeley, Davis, Irvine, Los Angeles, Riverside, San Diego, San Francisco, Santa Barbara and Santa Cruz) is well advised to concentrate on university and college requirements and on available prerequisite and introductory courses required by the major. The specific UC requirement for American history and institutions is met by those students who have earned a

grade of "B" or better in their high school history and government classes.

Courses acceptable at the University of California are identified as such at the end of each catalog description (see courses of instruction). A student may transfer up to 70 semester units from Long Beach City College.

Admission Requirements
There are basically three options by which a transfer student from Long Beach City College may meet University of California admission requirements. In all cases, transfer students who are California residents must have at least a "C" average (2.0) in all transferable coursework to be admitted to the University. Other requirements depend on whether a student was eligible for admission to the university when he/she graduated from high school. (Note: There are changes in the "A-F" subject requirements for students who graduated from high school June 1986 and later.) The options are as follows:

Option 1: If a student was eligible for admission to the university when he/she graduated from high school, that student may transfer at any time provided that a "C" average in transferable community college courses has been maintained.

Option 2: If a student was not eligible for admission after high school because subject requirements were not met, the student may take college courses in the subjects which were missed and transfer upon their completion. Students need a grade of "C" or better in each of these required courses and an overall "C" average in all transferable college course work. If less than 12 semester or quarter units of transferable college coursework are completed, the examination requirements for freshman applicants must also be satisfied.

Option 3: If a student was not eligible for admission after high school graduation because they did not achieve the required score on the Eligibility Index and may also have lacked the required "A-F" subjects, the student must:

(1) Complete 60 semester units of transferable college credit with a grade point average of at least 2.4 and satisfy either (2) or (3) below.

(2) Complete appropriate college courses with a "C" grade or better in the "A-F" subjects that were lacking. (The university will waive up to two units, i.e., two academic years, of the required high school coursework except in math and English.)

(3) Complete with grades of "C" or better the following college courses:

(a) English: one transferable college course in English.

(b) Math: math courses equivalent to three years of high school math (i.e., elementary algebra, intermediate algebra and geometry); or one course in math or statistics for which intermediate algebra is the prerequisite (for applicants who graduated prior to June 1986,

the math course must have elementary algebra as a prerequisite).

(c) U.S. history, lab science, foreign language: one transferable college course selected from these subjects. Students are advised to see a counselor to ensure they are following the correct academic program.

Private Colleges and Universities

Transfer Information

Private colleges and universities, often called independent institutions, offer a diversity of educational programs and opportunity. There are great differences in size, educational purpose and emphasis among the more than 50 independent colleges and universities in the state of California.

Long Beach City College has developed curriculum guides for many popular majors at nearby independent colleges and universities. The Library, Transfer Services and Career Planning Center also have complete sets of college catalogs for inspection and reference. It is advisable for students to write directly to the independent college or university for a catalog and information concerning their particular interest or major.

Transfer students who plan to attend a private college or university are encouraged to consult with a college counselor to plan their academic program.

Long Beach City College Certificate and Degree Programs

Long Beach City College provides students with an instructional program in higher education that may culminate in a Completion Certificate, a Career Certificate, an Associate in Arts or an Associate in Science Degree or appropriate preparation for transfer to a four-year college or university.

Certificate (Career or Completion) and/or Associate Degrees are offered in the fields of concentration on the following lists(s). The requirements for each field of concentration are listed on the curriculum guides available in the Counseling Center at the Liberal Arts and the Pacific Coast campuses as well as the LBCC Catalog.

In addition, a Curriculum Guide may be developed to meet the educational need of individual students that would include two or more appropriately related subject areas. Such an alternate plan requires the approval of the appropriate instructional dean and the Office of School and College Relations.

The notations used in the following table are:
T=**Transfer Preparation** – College courses in general education and the major taken during the freshman and sophomore years to prepare for transfer to a university (i.e. CSU-Long Beach, Chapman, UC-Irvine, USC, etc.)
A=**Associate Degree** – Two-year college degree awarded by Long Beach City College which includes general education courses and a major.
CA=**Career Certificate** – One to two year programs in occupational/technical areas at Long Beach City

College which provide training in job skills and employment opportunities.

The following certificate and Associate Degree programs are offered by Long Beach City College. Consult Curriculum Guides available in the Counseling Centers for information regarding grade point average, general education/graduation requirements and additional procedures and references. Please refer to this key for the symbols used in the following pages:

†This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "CR" grade (see catalog or schedule of classes).

¶If you have been awarded the LBUSD articulation certificate for this course, you may be eligible to receive college credit. Consult Counseling or School/College Relations Office for procedure to follow.

*In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement. This class is an exception to that rule.

●Meets the computer proficiency requirement for the degree.

ACCOUNTING

Career Certificate and/or Associate in Arts

Students prepare for an entry-level position in the accounting office. Student is provided partial lower division preparation for the baccalaureate degree in Business Administration. This certificate will prepare students for a variety of entry-level accounting positions. This Associate Degree will prepare students for career advancement once a certificate has been earned. Appropriate course selection will also facilitate transfer in a related major. For more departmental information call (562) 938-4330 or 938-4332.

REQUIRED COURSES	UNITS

Associate in Science and/or Career Certificate
Or Certificate of Completion

The certificate and degree programs will prepare students for an entry-level position as a light/medium and heavy duty technician in such fields as car, bus, truck, and specialty equipment diagnosis and repair industry. Students prepare for a career in alternative fuel vehicle conversion, maintenance and repair using state-of-the-art-equipment. Computerized engine management is emphasized. For more departmental information call (562) 938-3067.

REQUIRED COURSES	UNITS
AMECH 490 Introduction to Alternative Fuels	3.5
AMECH 491 Heavy Duty Alternative Fuels	3.5
AMECH 492 Heavy Duty Alt Fuel Diag & Repair	3.5
AMECH 493 Alt Fuel Conversion, Diag & Repair	3.5
Subtotal Units	**14**

Select *one (1)* class from the following:	
AMECH 233 Electrical & Fuel	9
AMECH 236 Computers & Emissions	9
AMECH 333M1 Electrical Systems (9 weeks)	4.5
AMECH 333M2 Fuel Systems (9 weeks)	4.5
AMECH 336M1 Computer Systems (9 weeks)	4.5
AMECH 336M2 Emissions Controls (9 weeks)	4.5
AMECH 438 Emission Controls (night)	6
AMECH 440 Computer Systems (night)	6
AMECH 442 Fuel Systems (night)	6
AMECH 444 Electrical Systems (night)	6
DIESL 282 Diesel Four-Cycle Engine	10
DIESL 289 Caterpillar 3406 AND 3116	10
DIESL 293AD General Engines	4
Subtotal Units	**4-10**
TOTAL UNITS	**18-24**

COMPLETION CERTIFICATES
Advanced Transportation Technology–Light–Medium Duty Alternate Fuels Certificate

REQUIRED COURSES	UNITS
AMECH 490 Introduction to Alternative Fuels	3.5
AMECH 493 A/F Conversion, Diagnosis & Repair	3.5
TOTAL UNITS	**7**

Advanced Transportation Technology–Heavy Duty Alternate Fuels Certificate

REQUIRED COURSES	UNITS
AMECH 491 Heavy Duty Alternative Fuels	3.5
AMECH 492 H/D Alt. Fuel Diagnosis & Repair	3.5
TOTAL UNITS	**7**

ADVANCED TRANSPORTATION TECHNOLOGY
Electric Vehicles
Associate in Science/Career Certificate

The certificate and degree programs will prepare students for an entry-level position as a light/medium and heavy-duty technician in such fields as car, bus, truck and specialty equipment diagnosis and repair industry. Students prepare for a career in electric vehicle conversion, maintenance and repair using state-of-the-art equipment. For more departmental information call (562) 938-3067.

REQUIRED COURSES	UNITS
AMECH 480 Introduction to Electric Vehicles	3
AMECH 481 Advanced Electric Vehicles	3
AMECH 483 Competition Electric Vehicles	3
AMECH 490 Introduction to Alternative Fuels	3.5
Subtotal Units	**12.5**

Select *SIX* (6) units from the following:	
ABODY 211 Introduction to Basic Autobody	9
ABODY 214 Painting Techniques	9
ABODY 419AD Auto Body Repair	4
AMECH 233 Electrical & Fuel	9
AMECH 236 Computers & Emissions	9
AMECH 333M1 Electrical Systems (9 weeks)	4.5
AMECH 336M1 Computer Systems (9 weeks)	4.5
AMECH 336M2 Emissions Controls (9 weeks)	4.5
AMECH 438 Emission Controls (night)	6
AMECH 440 Computer Systems (night)	6
AMECH 444 Electrical Systems (night)	6
DIESL 391A Hydraulics (Forklift)	3

SHMET 220A Surface Development & Fabrication 1	5
SHMET 420AD Sheet Metal Fabrication	3
Subtotal Units	**6**
TOTAL UNITS	**18.5**

COMPLETION CERTIFICATE
Advanced Transportation Technology–Electric Vehicle Certificate

REQUIRED COURSES	UNITS
AMECH 480 Introduction to Electric Vehicles	3
AMECH 481 Advanced Electric Vehicles	3
TOTAL UNITS	**6**

AIR CONDITIONING/ REFRIGERATION
THEORY & PRACTICAL EXPERIENCE
Career Certificate and/or Associate in Science

Students prepare for entry-level positions in air conditioning and refrigeration. The program includes H.V.A.C.R. (Heating, Ventilation, Air Conditioning, and Refrigeration) technology for commercial and industrial applications. Emphasis will be placed on training an individual to have the theory and manipulative skills that will enable that person to be a productive member of the air conditioning and refrigeration industry. For more departmental information call (562) 938-3053 or 938-3054.

REQUIRED COURSES	UNITS
AC_R 211 Air Conditioning & Refrig. Fundamentals	10
AC_R 212 Electrical Theory & Component App	10
†AC_R 213 Psychrometrics, Ducting & Load Calc	10
†AC_R 214 Troubleshooting Total Comfort Systems	10
TOTAL UNITS	**40**

RECOMMENDED **but not required course:**

FORK 801 Forklift Safety & Operation	1

AIR CONDITIONING/ REFRIGERATION THEORY ONLY
Career Certificate and/or Associate in Science

Student is provided the basic theory, upgrading and/or continuing education in H.V.A.C.R. (Heating, Ventilation, Air Conditioning and Refrigeration). For more departmental information call (562) 938-3053 or 938-3054.

REQUIRED COURSES	UNITS
†AC_R 420AD Air Conditioning/Refrigeration Service & Repair	6:6:6:6
Subtotal Units	**24**

Select *SIX* (6) units from the following courses:	
†AC_R 421A-B Automatic Controls for Refrigeration, Air Conditioning & Heating	3:3
AC_R 422 Air Conditioning System Design & Installation	3
AC_R 400A-B Uniform Mech. Code I & II	3:3
AC_R 450A-B Transport Refrigeration	5:5
†AC_R 271AD or 272AD or 273AD Work Experience (Maximum 4 units)	2-4
FORK 801 Forklift Safety & Operation	1
Subtotal units	**6**
TOTAL UNITS	**30**

ARCHITECTURAL DESIGN
(Transfer)
Career Certificate and/or Associate in Science

This field of concentration is designed to provide foundation knowledge of the practice of architecture with the option of maximizing the number of lower division transfer units. This certificate will prepare students for an entry-level position in a variety of design profession settings and will serve as a foundation for specialization. This Associate Degree will prepare students for a design-related career, and appropriate course selection will facilitate transfer to a professional degree program. The *Associate Degree* requires only *24 units* from the following courses identified with "+". The *Program Certificate* requires *37 units* as specified below. For more departmental information call (562) 938-4718.

Consult guides available in Counseling Centers for specific general education and required grades.

Complete with a "C" average *TWENTY FOUR* (24) units from the following:

REQUIRED COURSES	UNITS
+¶ARCHT 60, Architectural Design (F, S)	8
OR	
+¶ARCHT 61, Architectural Design (F, S)	4
and	
+¶ARCHT 62, Architectural Design (F, S)	4
+†ARCHT 64, Architectural Design (F, S)	8
OR	
+†ARCHT 65, Architectural Design (F, S)	4
and	
+†ARCHT 66, Architectural Design (F, S)	4
+†ARCHT 70AB, Architectural Design (F, S)	8:8
OR	
+†ARCHT 71AD, Architectural Design (F, S)	4:4:4:4
Subtotal Units	**24**

Select *SIX* (6) units from the following:

*ART 1 Art & Civilization (F, SP)	3
*ART 3 Modern and Contemporary Art (F, SP)	3
ART 17AD Illustration I, Perspective (F)	3
*ART 30 Fund. of Art/Volume, Plane & Form (F, SP)	3
*ART 31 Fund. of Art/Comp. & Color (F, SP)	3
Subtotal Units	**6**

Select *THREE* (3) units from the following:

†*MATH 40 OR A more advanced Trigonometry level of Mathematics	3
Subtotal Units	**3**

Select *FOUR* (4) units from the following:

†*PHYS 2A General Physics	4
†*PHYS 3A Physics for Sci. & Eng. Mechanics	5
Subtotal Units	**4-5**
TOTAL UNITS	**37-38**

ART

Art History, Ceramics, Computer Art, Drawing & Painting, Design, Illustration, Jewelry/Metalsmithing, Photography, Printmaking, Sculpture

Associate in Arts

This field of concentration is designed to provide a fundamental education for a variety of specializations within the field. It also substantially fulfills lower division requirements for a baccalaureate degree in this major. This Associate Degree will prepare students for transfer to a four-year college for university. For more departmental information call (562) 938-4319.

REQUIRED COURSES	UNITS
ART 1 Art and Civilization (F, SP, S)	3
ART 2 Art and Civilization (F, SP)	3
¶ART 15 Beginning Drawing (F, SP, S)	3
¶ART 23 Beginning Painting (F, SP, S)	3
ART 30 Fundamentals of Art: Volume, Plane & Form (F, SP)	3
ART 31 Fundamentals of Art: Composition & Color (F, SP)	3
ART 34AD Applied Design (F, SP)	3
ART 41 Introduction to Computergraphics (F, SP)	3
ART 50 Ceramics I (F, SP)	3
ART 60 Beginning Sculpture (F, SP)	3
ART 81AD Introduction to Fine Art Photography (F, SP)	3

+ART 292 Professional Skills for Artists (SP)	3
Subtotal CORE Units	**36**

RECOMMENDED courses based on area of interest:

ART HISTORY

ART 3 Modern & Contemporary Art (F, SP)	3
ART 4 Tribal Art (S)	3
ART 5 History of Asian Art (F)	3
ART 6 Art on the Town/Museum Study Visits (INF)	3
ART 7 Art on the Town/Studio & Gallery Visits (INF)	3
ART 8 Art on the Town/Special Exhibits (INF)	3
ART 11 Pre-Columbian Art (F, SP)	3

NOTE: (Students considering a baccalaureate degree in Art History should be aware that most four-year schools also require a foreign language proficiency usually in German or French.)

CERAMICS

ART 51AD Ceramics II (F, SP)	3
ART 52AD Ceramics III (F, SP)	3
†ART 53AD Ceramics IV (F, SP)	3

COMPUTER ART

†ART 42 Intro to 3D & Multimedia Computergraphics (F, SP)	3
†ART 43AD Computer Art for the Internet (F, SP)	3
†ART 44AD Computer Art for Graphic Design (F, SP)	3
†ART 45AD Computer Art for Drawing & Painting (F, SP)	3
†ART 46AD Computer Art & Design in 3-D Modeling (F, SP)	3
†ART 47AD Computer Art & Design for Multimedia (F, SP)	3

DRAWING AND PAINTING

ART 14AD Beginning Drawing, Overview (F, SP)	1.5
†ART 16AD Intermediate Drawing (F, SP)	3
ART19AD Life Drawing (F, SP)	3
ART 22AD Painting Overview (F, SP)	1.5
ART 24 Beginning Watercolor (F, SP)	3
†ART 26AD Figure Painting (F, SP)	3
†ART 27AD Intermediate Painting (F, SP, S)	3
ART 28AD Portrait Drawing & Painting (F, SP)	1.5

DESIGN

ART 32 Intermediate Design (F, SP)	3
†ART 43AD Computer Art for the Internet (F, SP)	3
ART 44AD Computer Art for Graphic Design (F, SP)	3
†ART 55AD Introduction to Graphic Design (F, SP)	3
ART 56AB Lettering & Typography(One semester)	1.5

ILLUSTRATION

ART 17AD Illustration I: Perspective (F)	3
ART 18AD Illustration II: Rendering (S)	3
ART 19AD Life Drawing (One semester only) (F, SP)	3
†ART 26AD Figure Painting (F, SP)	3
†ART45AD Computer Art for Draw & Painting (F,SP)	3

JEWELRY/METALSMITHING

ART 33AD Exploration of the Decorative Arts (F, SP)	.5
ART 35AD Jewelry/Metalsmithing 1 (F, SP)	3
†ART 36AD Jewelry/Metalsmithing 2 (F, SP)	3
†ART 37AD Jewelry/Metalsmithing 3 (F, SP)	3
†ART 38AD Jewelry/Metalsmithing 4 (F, SP)	3

PHOTOGRAPHY

ART 80 Elements of Photography   3

PRINTMAKING

ART 70AD Printmaking, Silkscreen (F, SP)	3
ART 71AD Printmaking, Intaglio (F, SP)	3
†ART 72AD Printmaking, Advanced (F, SP)	3
ART 74AD Advanced Printmaking Overview (F, SP)	1.5

SCULPTURE

†ART 61AD Intermediate Sculpture (F, SP)	3
ART 62AD Sculpture - Metal Fabrication (F, SP)	3
ART 63AD Sculpture - Metal (INF)	3
†ART 64AD Sculpture - Carving (INF)	1.5

AUTO BODY REPAIR

Career Certificate and/or Associate in Science

Students learn skills necessary for entry-level jobs in the automotive industry relating to painting & collision repair. For more departmental information call (562) 938-3072 or 938-3054.

REQUIRED COURSES	UNITS
ABODY 211 Introduction Basic Auto Body Repair	9
†ABODY 212 Minor Collision Repair	9
ABODY 213 Major Collision Repair	9
†ABODY 214 Painting Techniques	9
¶AMECH 421 Auto Mechanics 1	3
SHMET 220A Surface Development & Fabrication	5
WELD 450AB Welding (Inert Gas) (One Semester)	2
WELD 460AD Welding (Acetylene Gas)	
(Two Semesters Only)	2
TOTAL UNITS	**48**

AUTO MECHANICS

Career or Completion Certificate and/or Associate in Science

Students prepare for entry-level jobs in the automotive service industry. The <u>200 series</u> of courses are taught during the <u>day</u> and the <u>400 series</u> in the <u>evening</u>. Students may take day or evening classes or a combination of the two to fulfill the Career Certificate and degree requirements. For more departmental information call (562) 938-3075 or 938-3054.

REQUIRED COURSES	UNITS
†AMECH231Engine Repair & Auto Transmissions	9
OR	
AMECH 434 Engine Repair	6
and	
†AMECH 436 Automatic & Standard Transmission	6
†AMECH 232 Brakes/Steering Systems	9
OR	
AMECH 430 Auto Wheel Alignment	6
and	
AMECH 432 Automotive Brake Systems	6
†AMECH 233 Auto Electrical & Fuel Systems	9
OR	
AMECH 442 Automotive Fuel Systems	6
and	
AMECH 444 Automotive Electrical Systems	6

†AMECH 236 Auto Emission & Computer Control	9
OR	
AMECH 438 Auto Emission Controls	6
and	
AMECH 440 Automotive Computer Systems	6
MACHT 50A Machine Tool Operations and Practices	3
WELD 460AD Welding (General)(one semester only)	2
TOTAL UNITS	**41-53**

COMPLETION CERTIFICATE

Advanced Transportation Technology–Electric Vehicle Certificate

REQUIRED COURSES	UNITS
AMECH 480 Introduction to Electric Vehicles	3
AMECH 481 Advanced Electric Vehicles	3
TOTAL UNITS	**6**

Advanced Transportation Technology–Light–Medium Duty Alternate Fuels Certificate

REQUIRED COURSES	UNITS
AMECH 490 Introduction to Alternative Fuels	3.5
AMECH 493 A/F Conversion, Diagnosis & Repair	3.5
TOTAL UNITS	**7**

Advanced Transportation Technology–Heavy Duty Alternate Fuels Certificate

REQUIRED COURSES	UNITS
AMECH 491 Heavy Duty Alternative Fuels	3.5
AMECH 492 H/D Alt. Fuel Diagnosis & Repair	3.5
TOTAL UNITS	**7**

NOTE: See LBCC Advanced Transportation Technology Guides for Electric Vehicles or Alternate Fuels for Career Certificate and/or Associate Degree.

Quick Service Technician – Brake Inspection Certificate

REQUIRED COURSES	UNITS
AMECH 803 Quick Service Technician – Brake	
Inspection	2
TOTAL UNITS	**2**

Quick Service Technician – Lubrication Service Certificate

REQUIRED COURSES	UNITS

Inspection	2
TOTAL UNITS	**2**

Quick Service Technician – Tire Service Certificate

REQUIRED COURSES	UNITS
AMECH 802 Quick Service Technician – Tire Service	2
TOTAL UNITS	**2**

AVIATION ADMINISTRATION
(Transfer)
Associate in Science

Students prepare for transfer to four-year institutions with similar majors, including the Aviation Administration/B.S. Industrial Tech with option in Aviation Administration at Cal State University, Los Angeles. In addition, students prepare for an entry-level

Consult guides available in Counseling Centers for specific general education and required grades.

position in any aviation business office. For more departmental information call (562) 938-4387.

REQUIRED COURSES	UNITS
ACCTG 1A Principles of Accounting	4
AVPLT 50 Basic Aeronautical Ground School (Fde, Sde, SSe)	5
AVPLT 51 Commercial Ground School (Se)	3
AVPLT 52 Instrument Ground School (Fe, Se)	3
AVPLT 54 Navigation (Fe)	3
AVPLT 56 Meteorology (Se)	3
AVPLT 57 Aircraft Engines & Related Systems (Fe)	3
OR	
AVPLT 59 Aero Systems	3
*CBIS 6 Intro to Information Systems	4
Subtotal Units	**28**

Select *FOUR (4)* UNITS from the following courses*:*

AVPLT 49 Professional Pilot Career Orientation (FS 2 Sat)	1
OAVPLT 57 Aircraft Powerplants & Related Systems	3
OR	
OAVPLT 59 Aero Systems	3
AVPLT 60 AeroLaw	2
AVPLT 61 Basic Simulator Flight Training (Fde, Sde)	2
AVPLT 62AD Advanced Simulator Flight Training (Two units max.) (Fde, Sde)	2
AVPLT 63AD Commercial Pilot-Single Engine Simulator (Two units max.) (Fde, Sde)	2
†AVPLT 65AD Commercial Pilot-Multi Engine Simulator (Two units max.) (Fde, Sde)	2
†AVPLT 66AD Airline Transport Pilot Multi-Engine Simulator (Two units max.) (Fde, Sde)	2
AVPLT 71 Flight & Ground Instructor (Fe)	3
AVPLT 74 Flight Engineer-Turbojet	6
PEPF 70A Physical Fitness for Aviators (Fe)	1
PEPF 70B Physical Fitness for Aviators (Se)	1
Subtotal Units	**4**
TOTAL UNITS	**32**

O Whichever course is used not used as part of the required courses

NOTE: Students who are unable to schedule a required course should consult with the department head regarding course substitution. For additional requirements for the aviation administration major at four-year schools, see the Aviation Transfer Curriculum Guide available in the LBCC Counseling Office or online at the LBCC website. To prepare for transfer to Aviation Administration at CSULA, the full 39 unit CSU General Education Certification Pattern should be completed at Long Beach City College.

AVIATION MAINTENANCE
(Airframe/Powerplant Mechanic)
Career Certificate and/or Associate in Science

Students prepare to take FAA Airframe and Powerplant (A & P) Mechanics License Test. With the A & P Mechanic's license, men and women find excellent career opportunities in general, commercial and military aviation. For more departmental information call (562) 938-3069 or 938-3054.

REQUIRED COURSES	UNITS
AVMNT 211 General Aviation Maintenance Tech.	7
AVMNT 241 Airframe Structures	8

AVMNT 242 Aircraft Systems/Components 1	8
AVMNT 243 Aircraft Systems/Components 2	8
AVMNT 251 Powerplant Theory & Maintenance	8
AVMNT 252 Powerplant Systems/Components 1	8
AVMNT 253 Powerplant Systems/Components 2	8
TOTAL UNITS	**55**

NOTE: Students with prior training at the Aviation Maintenance Technician School or with substantial experience, should consult with one of the Aero Maintenance instructors or the Department Head before enrolling.

AVIATION PROFESSIONAL PILOT
(Transfer)
Career Certificate and/or Associate in Science

This field of concentration (when combined with the flight training necessary to get appropriate pilot certificates and ratings) prepares students for an entry-level commercial pilot position. It also provides a foundation for airline and corporate pilot careers. It also prepares students for transfer to four-year institutions with similar majors, including the Professional Pilot/B.S. Industrial Tech with option in Aviation Administration at Cal State University, Los Angeles. For more departmental information call (562) 938-4387.

REQUIRED COURSES	UNITS
AVPLT 49 Professional Pilot Career Orientation (FS 2 Sat)	1
AVPLT 50 Basic Aeronautical Ground School (Fde, Sde, SSe)	5
AVPLT 51 Commercial Ground School (Se)	3
AVPLT 52 Instrument Ground School (Fe, Se)	3
AVPLT 54 Navigation (Fe)	3
AVPLT 56 Meteorology (Se)	3
AVPLT 57 Aircraft Engines & Related Systems (Fe)	3
OR	
AVPLT 59 Aero Systems	3
*PEPF 70A Physical Fitness for Aviators (Fe)	1
Subtotal Units	**22**

Select *FIVE* (5) units from the following courses
(maximum of four (4) units from simulator courses):

OAVPLT 57 Aircraft Powerplants & Related Systems (Fe)	3
OR	
OAVPLT 59 Aero Systems (Se)	3
AVPLT 60 Aero Law	2
AVPLT 61 Basic Simulator Flight Training (Fe, Se)	2
AVPLT 62AD Advanced Simulator Flight Training (One semester max.) (Fe, Se)	2
AVPLT 63AD Commercial Pilot-Single Engine Simulator (One semester max.) (Fe, Se)	2
†AVPLT 65AD Commercial Pilot-Multi Engine Simulator (One semester max.) (Fe, Se)	2
†AVPLT 66AD Airline Transport Pilot Multi-Eng. Simulator (One semester max.) (Fe, Se)	2
AVPLT 71 Flight & Ground Instructor (Fe)	3
AVPLT 74 Transport Category Jet Aircraft Systems	6
*PEPF 70B Physical Fitness for Aviators (Se)	1

NOTE: Students should take PEPF 70A and PEPF 70B during their first two semesters (in either order). The required course, PEPF 70A, is only offered in fall semesters. PEPF 70B is only offered in spring semesters.

Subtotal Units	**5**
TOTAL UNITS	**27**
RECOMMENDED COURSES	**UNITS**
PHYS 10 Conceptual Physics	4

NOTE: It is extremely important to take PHYS 10, or a similar course (a one-semester general physics class) to satisfy the general education science/lab science requirement. This should be done early in the student's program. PHYS 10 has limited availability at LBCC. If it is not available when needed, the student should take an equivalent class at another college. Consult an LBCC counselor for equivalencies.

O Whichever course is used not used as part of the required courses

Fde=Fall morning, early afternoon or evening; Sde= Spring morning, early afternoon or evening; Sse= Summer Session evening; Se=Spring-evening; Fe=Fall evening; Fd=Fall-day, FS 2 Sat=Fall & Spring-2 Saturdays only, even yr.=2002, etc, odd yr.=2001, etc.

BAKING

Associate in Science/Career or Completion Certificate

Students learn skills for positions in baking and pastry for institutional, restaurant, airline catering, convention center, cruise line, supermarket, and hotel restaurant type food operations. Students will enhance their skills in baking, pastry and chocolate. For more departmental information call (562) 938-4502 or 938-4332.

REQUIRED COURSES	**UNITS**
F_N 250 Nutrition for Culinary (F, SP)	2
CULAR 20 Applied Food Service Sanitation Hotel/Rest. Mgmt.(F, SP)	3
CULAR 200AD Introduction to Chocolate (F, SP, S)	1
CULAR 204 Introduction to Baking (F)	5
†CULAR 205 Baking & Pastry I (SP)	5
†CULAR 206 Baking & Pastry II (INF)	5
CULAR 207 Commercial Cake Decorating (INF)	5
†¶CULAR 213A Food Preparation 1 (F, SP)	11.5

Complete a minimum of four (4) units from the following:

†CULAR 271AD Work Experience: Food Services (F, SP)	2:2:2:2
†CULAR 272AD Work Experience: Food Services (F, SP)	3:3:3:3
†CULAR 273AD Work Experience: Food Services (F, SP)	4:4:4:4

BIOLOGICAL SCIENCES

Associate in Arts or Science

This field of concentration provides the student with an introductory education to this field, not necessarily career related, ending with the associate degree, or a partial lower division preparation for transfer to a baccalaureate degree in the biological sciences. No certificates are offered in the Life Science Department. This Associate Degree will provide the student with an introductory education to this field of study, not necessarily career related, but ending with the Associate Degree or a partial lower division preparation for trans-fer to a Baccalaureate Degree in the biological sciences. For more departmental information call (562) 938-4403 or 938-4418.

REQUIRED COURSES   **UNITS**
Select courses from the following to total 18 units
Complete 9 - 12 units **in courses from any of the following biological science programs: ANAT (F, SP, S) BIO (excluding BIO 47, 48 or 49) (F, SP, S) PHYSI (F, SP)**

Subtotal Units	**9-12**

Complete 6 - 9 units **in courses from any of the following physical science OR mathematics programs:**
ASTR, CHEM, ENVRS 1, PGEOG 1 [excluding all other Geography courses], GEOL, MATH [excluding MATH 110, 805 and 815], Physical Science, PHYS

Subtotal Units	**6-9**
TOTAL UNITS	**18**

BUSINESS ADMINISTRATION
(Transfer)

Career Certificate and/or Associate in Arts

This field of concentration allows students to earn the Associate Degree while partially preparing them for transfer into the business administration major at a university. In addition, it prepares the student for an entry-level position in any business office. This

Consult guides available in Counseling Centers for specific general education and required grades.

certificate will prepare students for an entry-level position in a variety of business settings and will serve as a foundation for specialization. This <u>Associate Degree</u> will prepare students for career advancement once a certificate has been earned. Appropriate course selection will also facilitate transfer in a related major. For more departmental information call (562) 938-4328.

REQUIRED COURSES	UNITS
ACCTG 1A Principles of Accounting (F, SP, S)	4
†ACCTG 1B Principles of Accounting (F, SP, S)	4
†*ECON 1A-B Principles of Economics (Macro/Micro)	3:3
LAW 18A Business Law (F, SP, S)	3

BUSINESS GENERAL

Career Certificate and/or Associate in Arts

This field of concentration is designed to acquaint the student with the business world in general. With additional course work, it can prepare students for either employment or further education. Students with definite career/educational goals are recommended to follow the appropriate curriculum guide for their specific field of concentration, such as Accounting or Business Administration (transfer). This <u>certificate</u> will prepare students for an entry-level position in a variety of business settings and will serve as a foundation for specialization. This <u>Associate Degree</u> will prepare students for career advancement once a certificate has been earned. Appropriate course selection will also facilitate transfer in a related major. For more departmental information call (562) 938-4328.

REQUIRED COURSES	UNITS
GBUS 5 Introduction to Business (F, SP, S)	3

Select *ONE* of the following courses:

ACCTG 1A Principles of Accounting (F, SP, S)	4
¶ACCTG 200A Introduction to Accounting (F, SP, S)	3

Select *ONE* of the following courses:

•CBIS 6 Introduction to Information Systems (F, SP, S)	4
•CAOTC 35 Microsoft Office (F, SP, S)	3
Subtotal units	**9-11**

Select *ANY* of the following courses to reach a total of 18 units:

CHILD DEVELOPMENT:

EARLY CHILDHOOD EDUCATION
Associate in Arts/Career or Completion Certificate

Students prepare to work in early childhood programs. For **STATE MINIMUM REQUIREMENTS (Title 22):** This program satisfies the State of California licensing requirement for employment in early childhood education programs (private, church, industrial, coop). The minimum licensing requirement is that six units be completed before employment and that an additional six units be completed immediately thereafter. It is recommended that the requirement for courses in DS 1* and DS 2* be satisfied with at least three semester units in each category. It is also recommended that a minimum of six semester units be taken in the DS 3* - Program/Curriculum with the option that if the person is working specifically with infants or school-age children that they should apply three units in DS 4* or DS 5* towards these six units. The DS designation for each course can be found following the course title.

For **CHILD DEVELOPMENT PERMIT - SCHOOL AGE EMPHASIS (formerly called Children's Center Permit) (Title 5):** The School Age Child Care Certificate program, plus 16 units in general education including one course in humanities, social science, mathematics, and/or science, and English, and an experience component, satisfies the requirements for a Child Development Permit-School Age Emphasis to teach in subsidized early childhood education programs (State programs run by school districts). See Permit Matrix, last page of this guide, for further clarification.
For more departmental information call (562) 938-4549 or 938-4454.

CHILD DEVELOPMENT:
SCHOOL AGE CHILD CARE
Career Certificate and/or Associate in Arts

This field of concentration is designed for students preparing to teach in before-and after-school aged child care programs. It also provides students preparing for a career as an elementary school teacher an opportunity to gain knowledge of the school-age child as well as effective curriculum and guidance methods. This certificate leads towards positions as aides, teachers, directors in before-and-after school programs or as recreation aides or leaders. For more departmental information call (562) 938-4549 or 938-4454.

For **CHILD DEVELOPMENT PERMIT – SCHOOL AGE EMPHASIS** (formerly called Children's Center Permit) (Title 5): The School Age Child Care Certificate program, plus 16 units in general education including one course in humanities, social science, mathematics, and/or science, and English, and an experience component, satisfies the requirements for a Child Development Permit-School Age Emphasis to teach in subsidized early childhood education programs (State programs run by school districts). COMPUTER APPLICATIONS
SPECIALIST

Career or Completion Certificate and/or Associate in Arts

Students prepare for an entry-level position working with computer application software, including operating systems, programming, word processing, spreadsheet applications, desktop publishing, and telecommunications. The Concentration in Computer Business Information Systems emphasizes help-desk support, while the Concentration in Computer Applications and Office Technologies focuses on administrative support. This <u>certificate</u> prepares students for an entry-level position in a variety of business settings and serves as a foundation for specialization as a software trainer, PC support specialist, software support specialist, help desk technician, software/hardware salesperson, or software tester. This <u>Associate degree</u> prepares students for career advancement once a certificate has been earned. Appropriate course selection also facilitates transfer in a related major. For more information about CBIS courses, call (562) 938-4623 or email cbis@lbcc.edu; for CAOT classes, call (562) 938-3033.

COMPLETION CERTIFICATES

Basic Computing and Internet Literacy Certificate
REQUIRED COURSES **UNITS**
CAOTC 34 Intro to Computers & Applications 3
CAOTC 35 Microsoft Office 3
CAOTC 45 Internet for Office and Personal Use 2
OR
CBIS 2 Advanced MS Office - Help Desk Emphasis 3
CBIS 6 Introduction to Information Systems 4
CBIS 206A Navigating the Internet 1

TOTAL UNITS **8**
ADDITIONAL REQUIREMENTS: 2.5 minimum GPA in courses for this certificate. Completion of certificate courses within three semesters.

Basic Microsoft Office Certificate
REQUIRED COURSES **UNITS**
CAOTC 35 Microsoft Office 3
TOTAL UNITS **3**
REQUIRED COMPETENCY: Instructor verification of 80 percent or better accuracy on Word, Excel, Access, and PowerPoint Core practice exams or Microsoft Office Specialist certification.

Microsoft Access Certificate
REQUIRED COURSES **UNITS**
CAOTC 47A Access for Office Applications, Beg. 3
CAOTC 47B Access for Office Applications, Interm. 3
TOTAL UNITS **6**
REQUIRED COMPETENCY: Instructor verification of 80 percent or better accuracy on Access Core practice exam or Microsoft Office Specialist certification.

Microsoft Excel Certificate
REQUIRED COURSES **UNITS**
CAOTC 41E Excel for Windows-Beginning 1
CAOTC 41F Excel for Windows-Intermediate 1
CAOTC 41J Excel for Windows-Advanced 1
TOTAL UNITS **3**
REQUIRED COMPETENCY: Instructor verification of 80 percent or better accuracy on Excel Core and Expert practice exams or Microsoft Office Specialist certification.

Microsoft Word Certificate
REQUIRED COURSES **UNITS**
CAOTC 39A Microsoft Word for the Office, Begin 1
CAOTC 39B Microsoft Word for the Office, Interm. 1
CAOTC 39C Microsoft Word for the Office, Adv 1
CAOTC 39D Microsoft Word for the Office, Expert 1
TOTAL UNITS **4**
REQUIRED COMPETENCIES: Typing certificate of at least 35 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months. Instructor verification of 80 percent or better accuracy on Word Core and Expert practice exams or Microsoft Office Specialist certification.

COMPUTER and BUSINESS INFORMATION SYSTEMS

Career or Completion Certificate and/or Associate in Arts
The CBIS Department has four Career Certificate programs and one Completion Certificate program for students interested in working in the computer industry. Track 1 is intended for those students interested in working as help desk technicians assisting end-users resolve software and hardware problems. Track 2 is intended for students interested in developing computer application software in business and industry as an entry-level computer programmer on PCs, mid-range or larger sized computers. Track 3 is intended for students interested—in a solid foundation of programming and software engineering skills for use in Computer Science.

Track 4 is intended for students who want to know how networking is going to affect their work life, and want to understand what this technology is all about or are trying to find out if a network would help their organization. It will also prepare students for MS Windows Certification. The CBIS department offers several Completion Certificates. Many of these are also designed to prepare the student to pass industry certification exams such as Sun Java Programmer and Developer, Microsoft Windows MCSE related exams, and several Oracle Database certificate exams. This <u>Career Certificate</u> will prepare students for an entry-level position in a variety of business settings:

Track 1-Microcomputer Help-Desk Technician: PC Support Specialist, Software Support

Track 2-Programmer–Java, C++, Visual BASIC, RPG II, Access, Desktop Support, AS/400 programming and operations

Track 3-Programmer–Computer Science

Track 4 – Networking - System Administrator or Networking Support

The <u>Associate Degree</u> will prepare students for transfer to the four-year college or university. For more departmental information email: cbis@lbcc.edu or see cbis.lbcc.edu web site or call (562) 938-4479.

Track 1- Microcomputer Help-Desk Technician

Track 1 is intended for students interested in working as a help desk technician or in technical support of the PC systems.

REQUIRED COURSES FOR TRACK 1	UNITS
•CBIS 2 Advanced MS Office – Help Desk Emphasis (F, SP, S)	3
†CBIS 3A Windows Command Line (F, SP, S)	1
†CBIS 3B Advanced Operating Systems (F, SP)	1
•CBIS 6 Intro to Information Systems (F, SP, S)	4
•†CBIS 40 MS Office Expert Level (F, SP)	3
†CBIS 41 Networking Fundamentals (F, SP)	3
†CBIS 200 Intro to IBM Compatible Computers	3.5
†CBIS 206A Navigating the Internet (F, SP, S)	1
†CBIS 207AD Web Construction (F, SP,S)	2
†CBIS 260 Help Desk Concepts (SP)	1
Subtotal Units	**22.5**

Required Work Experience in the CBIS Computer Labs - Choose a minimum of two units:

†CBIS 71AD Work Experience-Comp Bus Info Sys	2
†CBIS 72AD Work Experience-Comp Bus Info Sys	3
Subtotal Units	**2**
TOTAL UNITS FOR TRACK 1	**24.5**

Recommended but not required course(s):

†CBIS 36 Systems Analysis and Design (SP)	3
CBIS 251 Introduction to ASP.NET	3.5
CAOTO 263 Customer Service	1
CAOTO 264 Call Centers	1
CAOTO 265 Customer Conflict Management	1
SP 20 Elements of Intra Personnel Communication	3

Track 2 - Programmer

Track 2 is intended for students interested in becoming a computer programmer.

REQUIRED COURSES FOR TRACK 2	UNITS
†CBIS 3A Windows Command Line (F, SP, S)	1
†CBIS 3B Advanced Operating Systems (F, SP)	1
•CBIS 6 Intro to Information Systems (F, SP, S)	4
†CBIS7 Business Programming Logic & Design(F, SP)	1
†CBIS 36 Systems Analysis & Design (SP)	3
†CBIS 38 Database Concepts (F)	4
†CBIS 223 Unix/Linux Fundamentals (F, SP)	3
Subtotal Units	**17**

Choose one series of the following:

•† CBIS8B Visual BASIC Programming: Intro (F,SP)	4
and	
•† CBIS208B Visual BASIC Programming: Adv(F, SP)	4
OR	
†CBIS 11 Computer Programming/C++ I (F)	3.5
and	
†CBIS 12 Computer Programming/C++ II (SP)	3.5
OR	
†CBIS 14A Intro to Java Programming (F, SP)	3.5
and	
•† CBIS8B Visual BASIC Programming: Intro (F,SP)	4
OR	
†CBIS 242 Programming: Introduction to Oracle (F)	2.5
and	
†CBIS 243 Programming: Oracle Program Units (SP)	2
and	
†CBIS 246 Oracle DBA Fundamentals (SP)	2.5
Subtotal Units	**7-8**

Choose one of the following alternative languages:

•†CBIS 8B Visual BASIC Programming: Intro (F, SP)	4
†CBIS 11 Computer Programming/C++ I (F)	3.5
†CBIS 14A Intro to Java Programming (F, SP)	3.5
Subtotal Units	**3-4**
TOTAL UNITS FOR TRACK 2	**26-29**

Recommended but not required course(s):

†CBIS 71AD Work Experience-Comp Bus Info Sys	2
†CBIS 72AD Work Experience-Comp Bus Info Sys	3
†CBIS 73AD Work Experience-Comp Bus Info Sys	4
CBIS 206C World Wide Web Database Programming	1.5
CBIS 207E Advanced Web Construction	2.5
CBIS 251 Introduction to ASP.NET	3.5

Track 3 - Programmer–Computer Science

Track 3 is intended for students interested in Computer Science courses that will help them succeed after transferring to a CSU or UC School Computer Science major program. You must see a counselor specific computer science transfer requirements to a CSU or UC school. Not all of the courses in this track will meet the specific degree requirements of a particular school.

REQUIRED COURSES FOR TRACK 3	UNITS
†CBIS 3A Windows Command Line (F, SP, S)	1
†CBIS 3B Advanced Operating Systems (F, SP)	1
•CBIS 6 Intro to Information Systems (F, SP, S)	4
†CBIS 7 Business Programming Logic & Design(F,SP)	1
†CBIS 36 Systems Analysis & Design (SP)	3
†CBIS 38 Database Concepts (F)	4
†CBIS 223 Unix/Linux Fundamentals (F, SP)	3
Subtotal Units	**17**

Choose one series of the following:

•†CBIS 8B Visual BASIC Programming: Intro (F, SP)	4

Consult guides available in Counseling Centers for specific general education and required grades.

and
•†CBIS208B Visual BASIC Programming: Adv (F, SP)4

CUSTOMER SERVICE REPRESENTATIVE

Career or Completion Certificate and/or Associate in Arts

(Pending Chancellor's Office Approval)

Students prepare for a customer service representative position in a call center or walk-in service center by developing essential skills for telephone and written communication, computer proficiency, data entry, time management, and successful customer interactions. This certificate prepares students for a career in customer service and serves as a foundation for specialization.

Consult guides available in Counseling Centers for specific general education and required grades.

This <u>Associate degree</u> prepares students for career advancement once a certificate has been earned. For more information regarding courses, call (562) 938-3033.

REQUIRED COURSES   UNITS
CAOTC 39A Microsoft Word for the Office, Begin   1
CAOTC 39B Microsoft Word for the Office, Interm.   1
CAOTC 39C Microsoft Word for the Office, Adv   1
CAOTC 39D Microsoft Word for the Office, Expert   1
TOTAL UNITS   4
REQUIRED COMPETENCIES: Typing certificate of at least 35 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months. Instructor verification of 80 percent or better accuracy on Word Core and Expert practice exams or Microsoft Office Specialist certification.

DANCE
Associate in Arts
Students learn an appreciation of dance as an art form as well as instruction in dance technique, choreography and aesthetics. Students are also provided partial lower division preparation for transfer to a baccalaureate degree in this field. This <u>Associate Degree</u> will prepare students for careers in body therapies, dance, and teaching or dance studio operation. For more departmental information call (562) 938-4563 OR 938-4383.

REQUIRED COURSES   UNITS
Semester 1

DANCE 1 Dance Forms Through the Ages (F, SP)   3
DANCE 10AB Fundamental of Ballet (1st semester)
  (F, SP)   1
DANCE 14AB Beginning Modern Dance
  (1st semester) (F, SP)   1
DANCE 20AB Beg. Dance-Jazz (1st semester) (F,SP) 1
Subtotal Units (for Semester 1)   6

Semester 2

DANCE 10AB Fundamental of Ballet (2nd semester)
  (F, SP)   1
DANCE 12AD Conditioning for Dance-Pilates
  Method (1st semester) (F, SP)   1
DANCE 14AB Modern Dance (2nd semester) (F, SP)   1
DANCE 20AB Beginning Dance-Jazz (2nd semester)
  (F, SP)   1
*TART 1 Acting 1-Introduction to Acting (F, SP, S)   3
Select *ONE* of the following courses:
DANCE 3AD Musical Theatre Dance   1
DANCE 5AB Beginning Tap   1
DANCE 8AD Stretch and Relaxation   1
DANCE 33AD Dance Choreography Workshop   1
Subtotal Units (for Semester 2)   **8**

Semester 3

†DANCE 11AB Intermediate Ballet (1st semester)   1
†DANCE 17AB Inter. Modern Dance (1st semester   1
†DANCE 21AB Intermediate Dance-Jazz
  (1st semester)   1
†DANCE 31AB Solo Choreography (1st semester)   1
OR
†DANCE 41AD Dance Performance (1st semester)   2

Select ONE of the following courses:
TART 42AD Stage Lighting   2
TART 43 Costume Crafts   2
TART 47 Theatre Management (SP)   3
TART 55 Stage Makeup   2
Subtotal Units (for Semester 3)   **6-8**

Semester 4

†DANCE 11AB Intermediate Ballet (2nd semester)
  (F, SP)   1
†DANCE 17AB Intermediate Modern Dance
  (2nd semester) (F, SP)   1
†DANCE 21AB Intermediate Jazz (2nd semester)
  (F, SP)   1
†DANCE 32AD Group Choreography (2nd semester)   1
OR
†DANCE 41AD Dance Performance (F, SP)   2

Select *ONE* of the following courses:
†DANCE 6AB Intermediate Tap (F, SP)   1
†DANCE 13AD Turns (SP)   1
†DANCE 18AD Folk and Ethnic Dance (F, SP)   1
†DANCE 60AD Special Projects in Dance (F, SP)   1

REQUIRED COMPETENCIES: Instructor verification of 80 percent or better accuracy on Access Core practice exam or Microsoft Office Specialist certification.

DESKTOP PUBLISHING

Career or Completion Certificate and/or Associate in Arts

Students learn to write, design, and produce publications (flyers, brochures, newsletters, in-house magazines) primarily on Macintosh computers. The program prepares students to work on newspapers, magazines, in advertising agencies or in other environments involving desktop publishing or to work on a free-lance basis. For successful employment, you should be able to type 30+ words a minute, write with a proficiency equal to placement in ENGL 1, and have a basic understanding of the principles of color and design theory. This <u>certificate</u> prepares students for an entry-level position in a variety of business settings and serves as a foundation for specialization. This <u>Associate degree</u> prepares students for career advancement once a certificate has been earned. Appropriate course selection also facilitates transfer in a related major. For more information regarding: Art classes call (562) 938-4319, Computer and Office Technologies classes call (562) 938-3033, Journalism classes call (562) 938-4675 or 938-4036.

REQUIRED CORE COURSES FOR <u>BOTH</u> CONCENTRATIONS

REQUIRED COURSES	UNITS

DIAGNOSTIC MEDICAL IMAGING SCIENCES

(RADIOLOGICAL TECHNOLOGY)
Associate in Science/Career or Completion Certificate

The Diagnostic Medical Imaging Program at Long Beach City College is dedicated to providing high-quality education and clinical practicum to qualified students. It is responsive to the diverse needs of the local medical community. It specializes in the education and training that lead to entry-level employment as a competent, ethical health care professional and an Associate of Science Degree. The program emphasizes the necessity of professional development and life-long learning. This field of concentration is designed to prepare the student for Certification by the State Department of Health Services, Radiological Health Section and Registration by the American Registry of Radiologic Technologists after testing. The end objective is to prepare students for employment as practicing Radiologic Technologists in Acute Care Hospitals, Medical Clinics and/or private offices. For any additional departmental information call (562) 938-4169.

Prerequisite Courses

The following courses must be completed within five years prior to the first Fall Semester of the program:

REQUIRED COURSES	UNITS
*ANAT 41 Anatomy & Physiology (F, SP, S)	5
AH 60 Medical Terminology (F, SP, S)	3
AH 61 Integration of Patient Care (F)	2
TOTAL UNITS	**10**

FIRST YEAR

Spring Semester

†DMI 10 Introduction to Radiologic Technology	3
Subtotal Units	**3**

Summer Session

†DMI 20 Introduction to Radiologic Physics	3
Subtotal Units	**3**

Fall Semester

*#General Ed. Course (see explanation in footnote)	3
*#General Ed. Course (see explanation in footnote)	3
*Computer Class. Any computer class which satisfies computer proficiency for graduation. For updated listing see General Course Pattern Guide	1
†DMI 11 Radiographic Techniques	1
†DMI 12 Contrast Fluoroscopic & Radiographic Proc.	3
†DMI 21 Applied Radiologic Physics	2
†DMI 30 Positioning for General Radiography	3
†DMI 40A Clinical Radiography & Film Critique	2.5
Subtotal Units	**18.5**

Spring Semester

†*DMI 60 Radiologic Pathology	3
†DMI 24 Radiation: Biology & Protection	3
†DMI 31 Positioning for Cranial Radiography	3
†DMI 40B Clinical Radiography & Film Critique	6
Subtotal Units	**15**

SECOND YEAR
Summer Session

REQUIRED COURSES	UNITS
† DMI 40C Clinical Radiography & Film Critique	6
Subtotal Units	**6**

Fall Semester

*#General Ed. Course (see explanation in footnote)	3
†DMI 15 Computer Applications in Radiology	3
†DMI 40D Clinical Radiography & Film Critique	11
Subtotal Units	**17**

Spring Semester

*# General Ed. Course (see explanation in footnote)	3

Subtotal Units	**19**
TOTAL UNITS (in program)	**82.5**
TOTAL UNITS (including prerequisite courses)	**92.5**

RECOMMENDED **courses but not required:**

AH 210 Math for Meds	1
†DMI 62 Mammography	3.5
LEARN 11 Learning and Academic Strategies	2
†AH 222 Intravenous Therapy	1

COMPLETION CERTIFICATES
Fluoroscopy Certificate

(Must be licensed CRT or in Second Year of Diagnostic Medical Imaging Program)

REQUIRED COURSE	UNITS
†DMI 61 Fluoroscopy	2
TOTAL UNITS	**2**

Mammography Certificate

(Must be licensed CRT or in Second Year of Diagnostic Medical Imaging Program)

REQUIRED COURSE	UNITS
†DMI 62 Mammography	3.5
TOTAL UNITS	**3.5**

DIESEL MECHANICS
Career Certificate and/or Associate in Science

Students prepare for entry-level jobs in the diesel mechanics/heavy equipment industry. For more departmental information call (562) 938-3071 or 938-3054.

COMPLETE OPTION #1 OR OPTION #2
OPTION #1:

REQUIRED COURSES	UNITS
AMECH 424 Automotive Air Conditioning	3
DIESL 281 Diesel Two Cycle Engine	10
DIESL 282 Diesel Four Cycle Engine	10
†DIESL 283 Diesel Fuel Systems	10
†DIESL 284 Diesel Engine Chassis	10
WELD 400AD Welding (General)	2
TOTAL UNITS	**45**

OPTION #2:

AMECH 424 Automotive Air Conditioning	3
DIESL 289 Caterpillar 3406 & 3116 Engine	10
DIESL 290 Caterpillar Transmissions & Final Drive	10
DIESL 291 Caterpillar Hydraulics and Electrical	10
DIESL 292 Caterpillar Suspension & Under Carriage	10
WELD 460AD Welding (Acetylene Gas)	2
TOTAL UNITS	**45**

DIETETICS PROGRAM
Dietetic Service Supervisor/Dietetic Technician
Associate in Arts/Career Certificate

This program is designed to train students to be employed as Dietetic Service Supervisors and Dietetic Technicians who function as managers/supervisors and nutritional care specialists in the dietary departments of hospitals or other health care facilities.

DIETETIC SERVICE SUPERVISOR:
The Dietetic Service Supervisor is the food service director of a health care facility, is a member of the dietetic team, functioning under the supervision of a Registered Dietitian, Dietetic Technician or administrator. This program is the state approved program meeting federal OBRA and Title 22 requirements of the California State Licensing Regulation for food service supervisors in general acute care hospitals, acute psychiatric hospitals, skilled nursing facilities and intermediate care facilities. Upon successful completion of the program, the student is eligible to apply for a Dietetic Service Supervisor Certificate. The student may also receive the Associate in Arts degree if the graduation requirements are completed.

DIETETIC TECHNICIAN:
The Dietetic Technician is a nutritional counselor and is a member of the dietetic health care team, functioning under the direction of a Registered Dietitian. Approved by the American Dietetic Association, this program instructs the student in nutritional care, teaching techniques, nutrition principles, diet modification, nutritional counseling and food service management. Dietetic Technicians are trained to function as nutritional care specialists in the dietary departments of hospitals, clinics and other health care facilities. For the Dietetic Technician Program, students must fulfill the Associate Degree requirements (by completing the Career Certificates for both the Service Supervisor and the Technician programs and the graduation requirements). The students will then have earned both the Associate Degree and the TWO Commission on Dietetic Registration Career Certificates. The student is eligible to take the American Dietetic Association Registration Board Commission on Dietetic Registration Exam to become a Dietetic Technician: Registered.
For further information, please call (562) 938-4550 or 938-4193.

DIETETIC SERVICE SUPERVISOR PROGRAM

REQUIRED COURSES	UNITS
F_N 20 Nutrition & Life (F, SP, S)	3
F_N 21 Food Selection & Meal Preparation (F)	4
F_N 224 Sanitation, Safety & Equipment (F)	3
F_N 225 Intro Food Service & Work Organization (SP)	3
F_N 227 Supervision & Training Tech. (SP)	3
F_N 228 Food Production Management (SP)	3
F_N 230AC Clinic. Field Exper. I (F, SP)(2 semesters required)	2:2
F_N 231 Menu Planning & Food Purchasing (F)	3

Consult guides available in Counseling Centers for specific general education and required grades.

F_N 232 Medical Nutrition Therapy (SP) 3
TOTAL UNITS **29**

NOTE: Completion of these courses entitles student to a Dietetic Service Supervisor Career certificate, approved by the California State Department of Health Services. Dietetic Service Supervisor completers must take the Dietetic Service Supervisor competency examination.

DIETETIC TECHNICIAN PROGRAM

Complete the Dietetic Service Supervisor Program required courses (above 29 units) and the following courses: **UNITS**
†F_N 234 Advanced Nutrition Care (F) 3
F_N 235 Advanced Medical Nutrition Therapy (SP) 3
†F_N 236 Dietetic Seminar (SP) 1
F_N 240AC Clinical Field Experience II (F, SP)
  (2 semesters required) 2:2
Subtotal Units **11**
Subtotal Units(Courses from Dietetic Service
  Supervisor Program) **29**
TOTAL UNITS **40**
A Career Certificate in this program is not available without also earning the Associate Degree.

RECOMMENDED **but not required courses:**
F_N 26 Nutrition for the Active Person 1
F_N 233A-D Special Topics in Health Care Dietetics 1
F_N 250 Nutrition for Culinary Arts 2
F_N 253 Certified Food Handler Certification 1
F_N 255A-D Special Topics in Nutrition 1
F_N 256 Weight Control & Energy Balance 1
F_N 260A-D Cultural Foods 1.5
F_N 261AD Modern Meals 1.5
F_N 262AD Meal Preparation for 1 & 2 Persons 1.5
F_N 341AD Modern Meals 0.5

NOTE: Any 300 band course in Food and Nutrition can be applied as an elective to the degree or certificate in this program.

DRAFTING - ARCHITECTURAL

(Occupational Program)
Career Certificate and/or Associate in Science

Students learn entry-level job skills in architectural drafting. This Associate Degree will prepare students for a design-related career. The Core Skills Career Certificate will prepare students for an entry-level position as an architectural drafter trainee in a variety of design profession settings and will serve as a foundation for specialization. (Pending Chancellor's Office Approval). The Advanced Skills Career Certificate will prepare students for an advanced position as an architectural drafter or senior draftsman in a variety of design professional settings and will serve as a foundation for specialization. For more departmental information call (562) 938-4718.

The *Associate Degree* requires a minimum of *24 units* from the following courses identified with "+".

The *Core Skills Career Certificate* requires a minimum of *28* units from the following courses identified with a "#".

The *Advanced Skills Career Certificate* requires a minimum of *37* unit*s* as specified below.

FOREIGN LANGUAGES
Associate in Arts/Career Certificate

Program has two emphases: <u>Foreign Languages-Proficiency</u> emphasis with options in French, German and Spanish at intermediate or advanced level. <u>Foreign Languages-Regional</u> emphasis with options in European, Spanish American and Pacific Rim. Students following the Proficiency Emphasis develop a competency in at least one foreign language, providing an important entry-level skill for those aspiring to work in the international arena as well as preparing for baccalaureate work Students following any of the Culture Emphasis (European, Spanish American or Pacific Rim) develop entry-level skills for work in the international arena, including the airline industry, international business, travel/tourism, communications, government and hotel/restaurant management. The <u>Language Certificate</u> (offered only in French, German and Spanish) verifies for a potential employer that the student can communicate (verbally and in writing) in a wide range of situations, for a variety of purposes at a designated level for effective communication in a business or related professional setting. This <u>Associate Degree</u> provides the same or greater level of competency as the certificate. The degree also offers an added dimension of cultural know-ledge and understanding in region(s) where the language is spoken. The degree would benefit those wishing to enter a variety of industries or business settings that compete in an international market, as well as preparing for transfer to a four-year university in a foreign language program. For more departmental information call (562) 938-4331.

LIBERAL ARTS

This field of concentration provides a broad general education to students. It also partially fulfills the general education-breadth patterns for CSU, UC or private universities if attention is given to their specific requirements. This program similarly prepares students pursuing the Liberal Studies baccalaureate degree and the Multiple Subjects Teaching Credential.

REQUIRED COURSES
Complete *EIGHTEEN* (18) units as specified below:

I.+*ONE* course selected from either the **ENGLISH COMPOSITION** or the **COMMUNICATION & ANALYTICAL THINKING** section of the Associate Degree Graduation Requirements. This is IN ADDITION to the courses used to meet the general education requirement.

II.+*ONE* course selected from the **NATURAL SCIENCES** section of the Associate Degree Graduation Requirements. This is IN ADDITION to the course used to meet the general education requirement.

III.+*ONE* course selected from the **HUMANITIES** section of the Associate Degree Graduation Requirements. This is IN ADDITION to the course used to meet the general education requirement.

IV.+*ONE* course selected from the **SOCIAL SCIENCE** section of the Associate Degree Graduation Requirements. This is IN ADDITION to the course used to meet the general education requirement.

V.At least *two courses (minimum of 6 units total)* from the above areas and/or the proficiency requirement areas (all units may be from the same area). These are IN ADDITION to the courses used to meet general education requirements.

TOTAL UNITS	**18**

+One (1) unit courses not permitted.

MACHINE OPERATOR MANUFACTURING TECHNOLOGY

Career Certificate and/or Associate in Science

Students prepare for entry-level positions as machine operators in the aerospace or comparable manufacturing industry. Machine operators plan the sequence of machining and layout operations. They use sketches, drawings and sample parts to produce required parts. Level 1 meets the competencies set forth by the Southern California Aerospace Industry Education Council. Level 1 competencies are required for Level 2 classes. For more departmental information call (562) 938-3073 or 938-3054.

LEVEL 1 - REQUIRED COURSES	**UNITS**
MACHT 50A Machine Tool Operation and Practices	3

MEDICAL ASSISTING PROGRAM

Administrative Certificate/Clinical Certificate
Career or Completion Certificate and/or Associate in
Arts or Science

The Medical Assistant Program is designed to educate the student for immediate employment providing assistance to the physician in caring for patients in the medical office or clinic. The wide range of clinical and business duties provides an interesting career for one who enjoys working with people. The Medical Assisting Program is approved by the Long Beach Medical Association. The program is designed to be completed in one academic year and includes either the administrative or clinical assisting courses or a combination of both. This Certificate will prepare students for an entry-level position in a variety of ambulatory settings. Each certificate is the foundation for specialized clinical practice. This Associate Degree will prepare students for career advancement once a certificate has been earned. For more departmental information call (562) 938-4166.

ADMINISTRATIVE CERTIFICATE

An Administrative Medical Assistant assists the physician in handling the business aspects of the medical office or clinic. The ranges of administrative duties include reception, handling telephone calls, scheduling, filing, bookkeeping, transcribing and insurance billing.

Career Certificate and/or Associate in Science

See Department Head for current information (562) 938-3078.

NURSING: ASSOCIATE DEGREE (RN) PROGRAM
Career Certificate and/or Associate in Art or Science

The program is designed to be completed in two years (after completion of pre-requisites) and qualifies the student to take the NCLEX-RN licensing examination given by the State of California Board of Registered Nursing. The program satisfies the requirements for an Associate degree and/or a Career Certificate. The graduate is qualified for immediate employment in acute care hospitals and many other health care facilities. This <u>Associate Degree</u> and <u>Certificate</u> prepares students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Graduates of the Associate Degree Nursing Program are

Consult guides available in Counseling Centers for specific general education and required grades.

also eligible to transfer into the upper division nursing courses in ADN to bachelor's degree nursing programs and ADN to masters degree nursing programs. **Effective Fall 2004, new applicants to the A.D Nursing Programs (RN and LVN) will be held to new program requirements. New requisites: ANAT 1, PHYSI 1, BIO 2 (Micro), and ENGL 1/105/ESL 34.** Students already on the waiting list, may continue to follow the requirements as listed. Please call 562-938-4166 for details.

NURSING: LVN to RN
Career Ladder Program
Career Certificate and/or Associate in Arts or Science

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the National League for Nursing Accrediting Commission, 61 Broadway, 33rd Floor, New York, NY, 10006, (212) 363-5555 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate pro-gram (30-unit option). This Associate Degree and Certificate prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.

ASSOCIATE DEGREE OF NURSING PROGRAM
LVN to RN Career Ladder Degree Program

Graduates of the LVN to RN Career Ladder Degree Program are eligible to transfer into the upper division nursing courses in ADN to bachelor's degree nursing pro-grams and ADN to master's degree nursing programs. A suggested fulltime sample sequence of courses for the program is listed below. All ADN courses are sequential.

PREREQUISITES COURSES FOR THE PROGRAM
1. Complete the following courses with a "C" or

better:	UNITS
*BIO 60 Human Biology 1	4
BIO 60L Human Biology 1 Lab	1
†BIO 61 Human Biology 2	3
†BIO 62 Human Biology 3	3
CDECE 47 Human Development	3
*PSYCH 1 Introduction to Psychology	3

†#*ENGL 105 Fundamentals of Writing
OR
ENGL 1 Reading and Composition   3-4
Subtotal Units   20-21

RECOMMENDED **but not required:**
ADN 286 Nursing Applications of Pharmacology   3
PEPP 6AD Introduction to Principles of Adapted PE   2

2. Pass NURSING DEPARTMENT EXAMINATION
with a score of 75% or better immediately after
completion of ADN 20A or prior to second semester
courses. This multiple choice test covers theoretical
aspects of first level nursing practice and is given on an
individual basis. The test may be taken twice. Before a
third attempt, a student must wait for a period of six
months.
Subtotal (advanced placement) units   16

**3. Hold a current license to practice as a Vocational
Nurse in California.**

4. Entrance is not guaranteed. Entrance is determined
by space availability.

TOTAL PREREQUISITE UNITS   36-37

REQUIRED COURSES	**UNITS**
First Semester	
†ADN20A Transition to Second Level Nursing (F, SP)	1

*(Student must be prepared to enter the program within
one year after successful completion of ADN 20A.)*
ADN 610 Nursing Skills Laboratory   0

CBIS 206A Navigating the Internet	1
TOTAL UNITS	**8**

ADDITIONAL REQUIREMENTS: 2.5 minimum GPA in courses for this certificate. Completion of certificate courses within three semesters.

Basic Microsoft Office Certificate

REQUIRED COURSES	UNITS
CAOTC 35 Microsoft Office	3
TOTAL UNITS	**3**

REQUIRED COMPETENCY: Instructor verification of 80 percent or better accuracy on Word, Excel, Access, and PowerPoint Core practice exams or Microsoft Office Specialist certification.

Basic Office Skills Certificate

REQUIRED COURSES	UNITS
CAOTC 39A Microsoft Word for Office, Beginning	1
CAOTC 45 Internet for Office and Personal Use	2
CAOTO 214A Filing	1
CAOTO 260 Business Telephone Procedures	1
BOTH	
CAOTT 200A Beginning Typing/Keyboarding	1
CAOTT 200B Beginning Typing/Keyboarding B	1
OR	
CAOTT 200 Beginning Typing/Keyboarding	3
TOTAL UNITS	**7-8**

REQUIRED COMPETENCY: Typing certificate of at least 25 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months.

Basic Office Computer Skills Certificate

REQUIRED COURSES	UNITS
CAOTC31A Microsoft Windows Operating System	1
CAOTC 34 Introduction to Computers & Applications	3
CAOTC 45 Internet for Office and Personal Use	2

ONE **OF THE FOLLOWING:**

CAOTT 200 Beginning Typing/Keyboarding	3
CAOTT 200A Beginning Typing/Keyboarding	1
CAOTT 233 Computer Keyboarding	1
TOTAL UNITS	**7-9**

REQUIRED COMPETENCY: Typing certificate of at least 25 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months.

Basic Word Processing Certificate

REQUIRED COURSES	UNITS
ALL FOUR	
CAOTC 39A Microsoft Word for Office, Beginning	1
CAOTC 39B Microsoft Word for Office, Intermediate	1
CAOTC 39C Microsoft Word for Office, Advanced	1
CAOTC 39D Microsoft Word for Office, Expert	1
OR ALL FOUR	
CAOTC 236A Word Processing-WordPerfect, Beg	1
CAOTC 236B Word Processing-WordPerfect, Interm	1
CAOTC 236C Word Processing-WordPerfect, Adv	1
CAOTC 236D Word Processing-WordPerfect, Expert	1
CAOTC 265 Computer Transcription	2
CAOTO 216 Proofreading Skills	1
TOTAL UNITS	**7**

REQUIRED COMPETENCY: Typing certificate of at least 35 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months.

COREL WordPerfect Certificate

REQUIRED COURSES	UNITS
CAOTC 236A Word Processing-WordPerfect, Beg	1
CAOTC 236B Word Processing-WordPerfect, Interm	1
CAOTO 236C Word Processing-WordPerfect, Adv	1
CAOTO 236D Word Processing, WordPerfect, Expert	1
TOTAL UNITS	**4**

REQUIRED COMPETENCY: Typing certificate of at least 25 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months.

Microsoft Excel Certificate

REQUIRED COURSES	UNITS
CAOTC 41E Excel for Windows-Beginning	1
CAOTC 41F Excel for Windows-Intermediate	1
CAOTC 41J Excel for Windows-Advanced	1
TOTAL UNITS	**3**

REQUIRED COMPETENCY: Instructor verification of 80 percent or better accuracy on Excel Core and Expert practice exams or Microsoft Office Specialist certification.

Microsoft Word Certificate

REQUIRED COURSES	UNITS
CAOTC 39A Microsoft Word for the Office, Beginning	1
CAOTC 39B Microsoft Word for the Office, Interm	1
CAOTO 39C Microsoft Word for the Office, Advanced	1
CAOTO 39D Microsoft Word for the Office, Expert	1
TOTAL UNITS	**4**

REQUIRED COMPETENCY: Typing certificate of at least 35 words per minute for 5 minutes with 5 or fewer errors completed within the previous 12 months. Instructor verification of 80 percent or better accuracy on Word Core and Expert practice exams or Microsoft Office Specialist certification.

PHOTOGRAPHY
COMMERCIAL
Career Certificate and/or Associate in Science

Students learn entry-level skills necessary to embark upon a career in the photography industry. It includes emphasis on practical applications leading to career advancement. This certificate will prepare students for an entry-level position in the field of commercial photography. This Associate Degree will prepare students for career advancement once a certificate has been earned. Appropriate course selection will also facilitate transfer to a four-year college or university. For more departmental information call (562) 938-4319.

Consult guides available in Counseling Centers for specific general education and required grades.

REQUIRED COURSES   **UNITS**
ART 31 Fundamentals of Art/Composition &
   Color (F, SP)   3
¶PHOT 31AB Basic Photography-Black & White
   (1st Semester) (F, SP, S)   3

Course Numbering System

Course numbers relate to the design of the class and applicability to degree and transfer programs.

1-599	Applicable to associate degree
1-99	Transferable for at least elective credit to any college having similar courses in its lower division curriculum.
100-199	Courses not intended for transfer but meeting a limited number of requirements for the AA/AS degrees.
200-299	Occupational courses intended to prepare students for immediate job entry.
300-399	Short term or short unit courses which parallel other 1-400 level courses.
400-499	Continuing education courses in occupational fields.
500-599	Vocational courses for apprentices.
600-699	Self-enrichment or basic skills courses which do not carry credit and for which no grade is awarded.
800-899	Courses in basic skills which have credit value that is not applicable to transfer or an associate degree.

Check with the catalog or a counselor if you have questions about course credit applicability.

Skills and performance courses in which enrollment may be repeated are designated with a fixed course number followed by letters indicating the number of times the course may be taken for credit. The following letters, when not separated by a hyphen, authorize enrollments as follows: AB = 2 semesters, AC = 3 semesters, AD = 4 semesters.

Courses which extend for more than one semester in length and in which each semester of the class contains different content have a fixed course number and a single letter indicating the specific semester of the course.

In some instances, a three-digit course number in the schedule of classes or on the transcript is not listed under the same course number in the catalog. In such cases, the course has been listed in the catalog with the first digit changed. For example, DRAFT205A in the catalog may be listed as 305A in the schedule of classes.

Some courses are modular courses. Such courses carry an additional designation: M1, M2, M3, M4, etc. Example: WELD 211M1, Introduction to Welding, is the first module of a class section listed in the schedule of classes for the primary course, WELD 211 (Introduction to Welding) as listed in this catalog.

California Articulation Number (CAN)

Some courses are identified with the California Articulation Number (CAN). This identifies some of the transferable, lower division, introductory (preparatory) courses commonly taught within each academic discipline on California college campuses.

Lists of courses from campuses who have qualified to participate in the CAN system are available in the Counseling offices. The system assures students that CAN courses on one participating campus will be accepted "in lieu of" the comparable CAN course on another participating campus. For example: CAN ECON 2 on one campus will be accepted for CAN ECON 2 on another participating campus. Each campus retains its own numbering system.

Course Prerequisites, Corequisites and Recommended Preparation

Prerequisites, corequisites and recommended preparation advice are listed with some courses in this catalog and the schedule of classes.

A **PREREQUISITE** is a course or assessment that must be completed before enrolling in the course or complete concurrently if that is permitted. Satisfactory completion of an assessment requires successful completion of the assessment process. Satisfactory completion of a prerequisite course requires a grade of CR, "C" or better.

If you have completed the prerequisite at another college or in high school, you must bring a copy of your official transcript to the Admissions and Records Office and ask for an equivalency evaluation before registering. You may challenge the prerequisite if you think you have knowledge and the ability to succeed in the course, particularly if you are drawing upon your work experience and wish to take a vocational course.

A **COREQUISITE** is a course in which you must be enrolled at the same time as the companion course. This is often the case in science classes which include a lab. Sometimes, you may be allowed to complete the corequisite course in a prior semester.

A **RECOMMENDED PREPARATION** statement is advice which the faculty want to give you.

Challenging Course Requisites and Limitations

Challenging course requisites and/or limitations requires written documentation that explains the alternative course work, background and/or abilities that adequately prepare you for the course. You may obtain a Requisite Challenge form from the Admissions and Records Office. Reasons for challenging requisites or limitations must include one or more of the following:

1. A requisite course is not reasonably available over a period of several semesters;

2. You believe the requisite or limitation was established in violation of a regulation or District-approved process for establishing requisites and limitations;

3. You believe the requisite or limitation is discriminatory or being applied in a discriminatory manner; or

4. You have the documented knowledge or ability to succeed in the course.

File your Requisite Challenge form with the School Office or department head responsible for the course you want to enter. If space is available in the class at the time you file your challenge, you may register for the challenged course and the District will resolve your challenge in a timely manner. If your challenge is denied, you will be dropped from the challenged class. If no space is available in the challenged class at the time you file, the District will resolve your challenge prior to the beginning of registration for the next term. You may register in the challenged class during your normal registration period if your challenge is approved.

Curriculum Offerings

The college reserves the right to determine which of the courses listed in the catalog are to be offered in each semester. Changes in curriculum or course content may occur after the printing of this catalog.

Student Alert: Understanding Transfer Course Descriptions

The phrase at the bottom of the course descriptions offered under "Courses of Instruction" must be read with care. Students should be aware of this key phrase, *Transferable to CSU/UC, see a counselor for limitations*. A course can transfer to the CSU or UC system as an elective part of a major and/or as general education credit. Since general education courses can be *certified* by LBCC when completed, students should consult pages 33-36 to see if the course is on the appropriate general education pattern. If the course is not found on the general education pattern, the course may be counted as part of the major or as an elective by the institution receiving the transfer student. It is the student's responsibility to select courses that meet his/her educational goals. The best advice for interpreting this phrase, therefore, is to *see a counselor.*

Selected Topics Courses

The descriptor "Selected Topics" applies college-wide and is issued as a curricular placeholder identified by a standard number (98, 298 or 898) and by the general heading Selected Topics (ST). These courses provide an opportunity for curriculum experimentation and innovation.

While the Selected Topics course option offers a department curricular opportunities, it also has some limitations, particularly for students.

Credits are degree applicable (ST 98, 298) as elective credits only.

Credits are transferable (ST 98) as elective credits only.

Selected Topics courses cannot be placed on a program's curriculum guide.

Selected Topics courses cannot be used as a pre- or corequisite for another course.

Selected Topics courses cannot apply to a certificate or degree requirement.

For courses numbered 898, the units of credit may be used for workload purposes but may not be applied to any certificate or degree.

FD 298, ST Computer Patternmaking 1.0
R_TV 298AC, ST Non-Linear Editing Techniques 2.0
VN 298A, ST Transition to Vocational Nursing 3.0
VN 298B, ST Common Health Deviations 1 3.5
VN 298C, ST Common Health Deviations 2 3.5
VN 298D, ST Maternal Infant Nursing 1.5
VN 298E, ST Nursing Care of Children 1.5
VN 298F, ST Common Health Deviations 3 3.5
VN 298G, ST Nursing Care of the Chronically Ill 2.5

CURRICULUM OFFERINGS

The courses described in this catalog may not be offered every term or every year. If a course is not offered every term you will see a note at the end of the catalog descriptions to tell you when the course is usually offered. Check the *Schedule of Classes* for our current term offerings.

ACCOUNTING (ACCTG)

ACCTG   1A   (Part of CAN BUS SEQUENCE A) 4.0 units
Principles of Accounting
5.0 hours lecture
Recommended Preparation: ACCTG200A or one year of bookkeeping.
Grading: letter grade
Presents the analyzing, recording and summarizing procedures used in preparing balance sheets, income statements, cash flows and consolidated reports for sole proprietorships, partnerships and corporations.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ACCTG   1B   (Part of CAN BUS SEQUENCE A) 4.0 units
Principles of Accounting
5.0 hours lecture
Prerequisite: ACCTG 1A
Grading: letter grade
Accounting theory and practice for departmental, manufacturing and cost accounting; interpretation of financial statements; budgets; tax decisions; international considerations and ethics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ACCTG   18   **3.0 units**
Credit and Financial Statement Analysis
3.0 hours lecture
Grading: letter grade
Presents the characteristics of financial statements and accounting techniques for analysis of financial statements in reviewing for lending/credit appraisal. Emphasizes obtaining and checking credit information, real estate credit and financial statement analysis using ratios, industry averages and trend analysis. Both consumer and commercial (business) credit are studied.
Transfer Status: Transferable to CSU, see counselor for limitations.

ACCTG   200A   **3.0 units**
Introduction to Accounting
3.0 hours lecture
Grading: letter grade
Provides a general understanding of accounting principles for a service enterprise using the "cash" and "accrual" methods.

ACCTG   205   **3.0 units**
Fundamentals of Tax
3.0 hours lecture
Grading: letter grade
Preparation of federal and state income tax returns for individuals. Emphasizes the practical use of tax forms and supporting schedules. Reflects changes in the Internal Revenue Code.

ACCTG   228   **2.0 units**
Computerized Gen Ledger Account Systems
2.0 hours lecture , 1.0 hour laboratory

Prerequisite: ACCTG 1A or 200A
Grading: letter grade
Provides experience using and comparing existing commercial general ledger accounting programs.

ACCTG   229   **3.0 units**
Spreadsheet Accounting
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: ACCTG 200A or 1A or 201A-B and CBIS 2 or CAOTC 35 or 41E
Grading: letter grade or credit/no credit
Learn to automate many of the routine manual functions studied in the intro accounting course. In addition, learn to develop other practical financial templates and techniques that will be used to assist in common business decisions. Utilize the Microsoft Excel spreadsheet program.

ACCTG   230   **1.0 unit**
Quickbooks Accounting
1.5 hours lecture , 0.5 hour laboratory
Recommended Preparation: General familiarity and use of a PC.
Grading: letter grade or credit/no credit
Intro to basic small business accounting concepts and to a complete accounting software system. Provides hands-on exposure to the major features of the Quickbooks accounting software accompanied by instruction in the accounting concepts being employed.

ADMINISTRATION OF JUSTICE (ADJUS)

ADJUS   2   (CAN AJ 2)   **3.0 units**
Introduction, Administration of Justice
3.0 hours lecture
Grading: letter grade
Topics of discussion: the history and philosophy of the justice system as it evolved throughout the world; in-depth study of the American system and the various sub-systems; roles and role expectations of criminal justice agents in their interrelationships in society; concepts of crime causations, punishments and rehabilitation; ethics, education and training for professionalism in the justice system.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ADJUS   3   **3.0 units**
Introduction to Criminal Procedures
3.0 hours lecture
Grading: letter grade
Covers legal processes from pre-arrest through trial, sentencing and correctional procedures; review the history of case and common law, conceptual interpretations of law as reflected in court decisions, case law methodology and case research as the decisions impact upon the procedures of the justice system.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS   4   (CAN AJ 4)   **3.0 units**
Criminal Law
3.0 hours lecture
Grading: letter grade
Covers historical development, philosophy of law and constitutional provisions; definitions, classification of crimes and their applications to the system of administration of justice; legal research, review of case

law, methodology and concepts of law as a social force. Explores crimes against persons, property and the state as a social, religious and historical ideology.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ADJUS 5   3.0 units
Community and Human Relations
3.0 hours lecture
Grading: letter grade
Discusses the relationship between criminal justice agents and the community, casual and symptomatic aspects of community understanding. Mistrust and lack of understanding, behavioral causes and ways to develop and maintain amicable relationships are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ADJUS 6   3.0 units
Introduction to Evidence
3.0 hours lecture
Grading: letter grade
Covers origin, development, philosophy and constitutional basis of evidence, constitutional and procedural considerations affecting arrest, search and seizure, kinds and degrees of evidence and rules governing admissibility, judicial decisions interpreting individual rights and case studies viewed from a conceptual level.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 8   3.0 units
Introduction to Investigation
3.0 hours lecture
Grading: letter grade
Covers fundamentals of investigation, techniques of crime scene search and recording, collection and preservation of physical evidence, modus operandi processes, sources of information, interview and interrogation and follow-up investigation.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 10   3.0 units
Writing for Criminal Justice
3.0 hours lecture
Grading: letter grade
Technique of communicating facts, information and ideas effectively in a simple, clear and logical manner in the various types of criminal justice system reports, letters, memoranda, directives and administrative reports. Emphasizes the criminal justice terminology, use of English and organization of information, note taking and report writing and presentation of testimony in court.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 12   3.0 units
Crime and Delinquency
3.0 hours lecture
Grading: letter grade
An intro to major types of criminal behavior, characteristics of offenders, factors which contribute to crime and delinquency. The criminal justice process: the human process of law enforcement, the courts, probation, parole and institutions, changes in crime control and treatment processes and the role of society

are discussed. Not open for credit to students who have completed SOCIO12.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ADJUS 14   3.0 units
Juvenile Law and Procedures
3.0 hours lecture
Grading: letter grade
The techniques of handling juvenile offenders and victims, prevention and repression of delinquency, diagnosis and referral, organization of community resources, juvenile law and court procedures are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 16   3.0 units
Vice, Narcotics and Organized Crime
3.0 hours lecture
Grading: letter grade
The interrelation of organized crime to the community, the impact of covert criminal activities upon the social structure, symptoms of organized crime activity, i.e., vice, narcotics and white collar crime, political influences in the legal system and management of crime control units are covered.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 17   3.0 units
Computer Use in Criminal Justice
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Intro to system strategies and computer techniques used in criminal justice agencies. Includes computer procedures, terminology and program applications that produce crime support data, database applications found in criminal justice operations, records, identification, CAD (computer assisted dispatch systems), statistics and investigations.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 18   3.0 units
Police Field Operations
3.0 hours lecture
Grading: letter grade
The history and development of patrol philosophy; planning for field activities to include the functions of patrol, traffic and other preliminary investigative duties of the field officer are discussed. Emphasizes techniques for planning patrol activities, handling complaints and requests for services, mechanics of field interviews, searches and arrests, the handling of traffic related problems, civil and domestic disturbances and other community crime incidents.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 19   3.0 units
Fingerprint Classif & Identification
3.0 hours lecture
Grading: letter grade
Emphasizes the basics of fingerprinting, pattern interpretation, classification, sequencing and file searching based on the Henry Numerically Coded Formula and National Crime Information Center systems. Develop, photograph and lift fingerprints, prepare court displays and expert testimony.

Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 20   3.0 units
Introduction to Corrections
3.0 hours lecture
Grading: letter grade
A survey of the correctional science field. Historical development; current theory and practice; explanations of criminal behavior; the functions and objectives of the criminal justice system concerned with the institutional, probation and parole processes as they modify the offender's behavior and career opportunities are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 22   3.0 units
Institutional Correction
3.0 hours lecture
Grading: letter grade
Covers the historical overview of correctional development in institutions and the community, methods of prisoner classification, functional treatments, the basics of inmate research, institutional programming and functions, post-institutional treatment and corrections as a career.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 24   3.0 units
Introduction to Private Security
3.0 hours lecture
Grading: letter grade
Covers fundamentals of private security, laws governing certification and the authority of private police, assessing cost effectiveness in the security of the home, industry and government contract services, the basic procedures and techniques of physical security for documents, property and facilities including the principles of theft control and preliminary investigation.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 25   3.0 units
Intro to Private Security Investigation
3.0 hours lecture
Grading: letter grade
Introduces the techniques and processes used in the private security sector, security investigation ethics and requirements, legal and technical aspects of investigations, information systems and techniques for specialized investigations.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 30   3.0 units
Risk Management/Assets Protection 1
3.0 hours lecture
Grading: letter grade
A review of new technology, techniques and statutes in the management of losses for the protection of private and public agencies. Recaps loss control techniques using insurance as a secondary form of protection and insurance controls such as bonding, workers compensation and OSHA regulations.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 32   3.0 units
Risk Management/Assets Protection 2
3.0 hours lecture
Grading: letter grade
The development and implementation of management policies and procedures in managing losses for private and public agencies. The problems of employee fraud and dishonesty, contingency planning for decreasing industrial accidents, the use of auditing in crime detection and the use of human actions in accident problems concerning losses are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 40   3.0 units
Street Gangs and Law Enforcement
3.0 hours lecture
Grading: letter grade
Provides an overview of the street gang issue: history, gang dynamics, criminal activities, identification of specific gang characteristics, cultural differences between gangs, narcotics and gang philosophy. Emphasizes law enforcement involvement, intervention, prosecution and intelligence.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 45   3.0 units
Drug Abuse and Law Enforcement
3.0 hours lecture
Grading: letter grade
Creates an awareness of the types of drugs, addiction, history of drug use, crime connection and general symptoms of drug usage. For those pursuing a career in law enforcement. Emphasizes identification of drug classifications and investigation of drug trafficking.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 61AD   1.0 unit
Defensive Tactics
0.7 hour lecture , 1.3 hours laboratory
Grading: letter grade
Teaches protection against persons with dangerous and deadly weapons, demonstration and drill in a limited number of holds and come-alongs, restraint of prisoners and the mentally ill, fundamental use of the baton, disarming methods and transportation of prisoners. For students whose objective is a career in law enforcement.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 62AB   1.0 unit
Firearms
3.0 hours laboratory
Grading: letter grade
Provides a background on the legal and moral aspects of the use of firearms; develops competence and proper safety procedures and familiarizes students with special weapons, chemical agents and protective devices used in law enforcement.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADJUS 201   0.5 unit
Civilian Employee Orientation
0.9 hour lecture
Grading: letter grade or credit/no credit

Designed to orient civilians employed by law enforcement agencies to the policies and procedures of police organizations. Covers the various divisions within police departments and the roles employers have in the success of the organization.

ADJUS 210   2.0 units
Police Services Assistant Training
4.4 hours lecture
Grading: credit/no credit
Provides the basic training necessary for the civilian position of police services assistant for local law enforcement agencies. Includes report writing, court procedures and testimony, radio codes and procedures, interview techniques, accident investigation and other skills necessary for this career. Emphasizes career preparation.

ADJUS 231   2.0 units
Jail Operations — Level 1
6.0 hours lecture , 0.7 hour laboratory
Grading: credit/no credit
Teaches basic jail operations for in-service and pre-service students preparing for employment in jails and prisons. Stresses all phases of jail operations, including legal aspects and stress management.

ADJUS 242   2.0 units
Arrest and Firearms
4.4 hours lecture
Grading: credit/no credit
Covers the laws, policies and procedures used by peace officers in making arrests and in handling firearms. Meets the requirements of Section 832 of the Penal Code. Certified by the California Commission on Peace Officer Standards and Training. Designed for those employed in security with peace officer status.

ADJUS 250   16.0 units
Basic Law Enforcement Training
34.6 hours lecture , 18.7 hours laboratory
Grading: credit/no credit
Includes: basic in-service training in cooperation with the Long Beach Police Academy covering the fundamentals of law enforcement, administration of justice, criminal law, evidence, investigations, patrol procedures, traffic control, juvenile law and procedures, defensive tactics, firearms, first aid and police-community relations. Meets the requirements of the California Commission on Peace Officers Standards and Training for the basic certificate.

ADJUS 253   3.0 units
Understanding Domestic Violence
3.0 hours lecture
Grading: letter grade
Offers insights into the causes, behaviors and problems associated with domestic violence. Addresses the who, what and why of this behavior. Covers the subject from the law enforcement perspective. Designed for those interested in or working in the fields of criminal justice or helping services.

ADJUS 255   3.0 units
Introduction to Forensics
3.0 hours lecture
Grading: letter grade
This course is an introduction to multiple contemporary scientific methodologies utilized in the development of criminal case investigations. This class is appropriate to administration of justice majors, and others with a specific interest in forensic methods.

ADJUS 269   3.0 units
Pre-Employment Preparation for Law Enforcement
3.0 hours lecture
Grading: credit/no credit
Provides criminal justice career information to pre-service students. Emphasizes the preparation of students to satisfactorily complete law enforcement pre-employment testing, including written exams, oral boards and physical agility requirements.

ADJUS 271AD   2.0 units
Work Experience — Admin of Justice
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester the student is employed.

ADJUS 272AD   3.0 units
Work Experience — Admin of Justice
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester the student is employed.

ADJUS 273AD   4.0 units
Work Experience — Admin of Justice
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester the student is employed.

ADJUS 408   1.5 units
Plainclothes Operation
1.4 hours lecture , 0.8 hour laboratory
Grading: credit/no credit
This is an in-service course designed for detectives with less than two years experience. The course covers surveillance, equipment, weapon techniqes, search warrant preparation/service and officer-involved shootings.

ADJUS 410   1.5 units
Single Officer Car Course
1.1 hours lecture , 1.1 hours laboratory
Grading: credit/no credit
Designed to prepare peace officers to work in a one-person car. One-person searches, stops, use of force and other officer survival topics will be studied. Designed for professionals in the criminal justice system.

ADJUS 415 **2.0 units**
Community Police Academy
2.7 hours lecture
Grading: credit/no credit
Designed for members of the community who wish to learn more about the local municipal police department. Includes an overview of the duties, responsibilities and personnel of the various units within the department. Includes site visits and hands-on experience with many of the activities of the department.

ADJUS 420 **4.0 units**
Police Field Operations: Motor Trng II
2.2 hours lecture , 6.6 hours laboratory
Grading: credit/no credit
Teaches motor officer candidates the skill points of traffic law enforcement on a police motorcycle. Covers patrol tactics, traffic problems and techniques of motorcycle riding. Designed for professionals in police agencies.

ADJUS 425 **0.5 unit**
Radar Operator
0.6 hour lecture
Grading: credit/no credit
Prepares a police officer to conduct radar operations and stops in traffic situations. Includes the history of radar use, basic principles of radar, legal considerations and court presentations. Designed for police professionals.

ADJUS 445 **0.5 unit**
Advanced Law Enforcement Training
0.6 hour lecture
Prerequisite: ADJUS 250
Grading: credit/no credit
Advanced education and training for experienced police officers in the current philosophy, policies and procedures of modern law enforcement agencies. Meets the requirements of the Commission on Peace Officers Standards and Training. Reflects changes in Penal Code and local law enforcement policy.

ADJUS 446 **6.0 units**
Management Development
6.0 hours lecture
Grading: credit/no credit
Intro to the principles of management and techniques of leadership in a modern law enforcement agency. Designed for experienced police officers with the rank of lieutenant or above.

ADJUS 450 **2.0 units**
Basic Police Training: Lateral Entry
2.7 hours lecture , 1.6 hours laboratory
Grading: credit/no credit
An update of basic police training, to include data of local interest such as policies, procedures and laws for this area. Not applicable toward degree if nine units have already been given for basic training.

ADJUS 456 **1.5 units**
Law Enforcement Team Building
1.5 hours lecture
Grading: credit/no credit
An intro to the principles and practices of team building in a modern urban law enforcement agency.

ADJUS 457 **3.0 units**
Law Enforcement Instructor Development
3.3 hours lecture

Grading: letter grade or credit/no credit
Prepares a person to teach principles of learning, an intro to communication, task analysis, instructional objectives, lesson plans, testing and evaluation of the student. Develop skills through oral reporting and structuring of course outlines.

ADJUS 463 **0.5 unit**
Basic MP-5 Submachine Gun
1.3 hours laboratory
Grading: credit/no credit
This course is designed to teach the necessary components for understanding the full use of the MP-5 sub-machinegun. It presents firearms safety and legal issues, history, development, assembly/disassembly, function, maintenance, proper stance, reload, malfunction and drug & armor drills, modes of fire, moving targets, firing on the move and live fire qualifications.

ADJUS 464 **0.5 unit**
Motor Officer Recertification
0.3 hour lecture , 2.0 hours laboratory
Grading: credit/no credit
This course is designed for recertification of police motor officers. It includes practicals and on-going traffic officer training. The course meets the California Commission on Peace Officers Standards and Training guidelines for recertification.

AIR CONDITIONING AND REFRIGERATION (AC_R)

AC_R 211 **10.0 units**
Air Condition/Refrigeration Fundamentals
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
The beginning course of a four-semester program for persons wishing to become technicians in domestic and/or commercial air conditioning and refrigeration. Includes shop safety practices, terminology, pressure/temperature relationships, heat transfer, analysis of components and complete systems, employee and employer relationships and selected field trips.

AC_R 212 **10.0 units**
Electrical Theory/Component Applications
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers electrical systems found in heating, refrigeration and air conditioning installations and equipment. Includes the interpretation of schematic wiring diagrams, electrical components and applications.

AC_R 213 **10.0 units**
Psychrometrics Duct & Load Calculations
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: AC_R 211 or 212
Grading: letter grade or credit/no credit
Covers the operation and installation or use of different types of components and equipment, piping, psychrometrics, heating and cooling loads, duct sizing and layout.

AC_R 214 **10.0 units**
Troubleshoot Total Comfort Systems
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: AC_R 213
Grading: letter grade or credit/no credit

Covers troubleshooting of both electrical and mechanical equipment, electrical and pneumatic controls, start up, operation and service.

AC_R 220   3.0 units
Refrigeration Fundamentals
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
This course is a basic study of vapor compression refrigeration cycle and system components. It includes shop safety practices, terminology, pressure/temperature relations, and heat transfer. System dehydration, recovery techniques, charging of refrigerants will also be covered. The material in this course will reflect the current Environmental Protection Agency (EPA) requirements of Section 608 of the Clean Air Act of 1990.

AC_R 223   3.0 units
Gas Heating Fundamentals
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: AC/R 220
Grading: letter grade or credit/no credit
This course will cover the theory, operation and application of natural gas heating systems used in residential and commercial heating installations including the properties of fuel gases, gas combustion, furnace construction pilot proving devices and troubleshooting systems.

AC_R 226   2.0 units
Air Properties and Measurement
2.0 hours lecture
Prerequisite: AC_R 220
Grading: letter grade or credit/no credit
This course investigates the air side operating theory and application of comfort cooling systems. This course will include the psychometrics to include the measurement and air distribution through duct design and component identification.

AC_R 229   3.0 units
Heat Pumps
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
This course will cover the theory, operation and application of heat pump systems used in residential and commercial heating and cooling installations. The heat pump refrigeration cycle, reversing valves, defrost methods, supplemental heat, airflow and thermostats will also be covered.

AC_R 230   3.0 units
Electrical Fundamentals
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: AC/R 220
Grading: letter grade or credit/no credit
This course includes the basic concepts of electrical principles as used in air conditioning and refrigeration. The development of schematic diagrams, the application of electrical components, the electrical sequence of operation, and troubleshooting of electrical systems will be covered.

AC_R 233   3.0 units
Commercial Electrical for HVAC
3.0 hours lecture
Prerequisite: AC_R 230
Grading: letter grade or credit/no credit

This course covers electrical systems found in commercial heating, refrigeration and air conditioning systems. It will also include time clocks, defrost systems, three phase transformers, three phase motors, timers, sequencers, starting methods and troubleshooting of commercial electrical systems.

AC_R 236A   2.5 units
Automobile Air Conditioning
2.0 hours lecture , 1.5 hours laboratory
Prerequisite: AC_R 220
Grading: letter grade or credit/no credit
This course covers tools, equipment, refrigeration fundamentals, electrical systems, air distribution, installation and repair of automobile air conditioning. System dehydration, recovery techniques, charging of refrigerants will also be covered. The material in this course will reflect the current Environmental Protection Agency (EPA) requirements of Section 609 of the Clean Air Act of 1990.

AC_R 236B   2.0 units
Advanced Auto Air Conditioning
2.0 hours lecture , 1.5 hours laboratory
Prerequisite: AC_R 236A
Grading: letter grade or credit/no credit
This course covers tools and equipment of advanced refrigeration, electrical systems, air distribution, installation and repair of automobile air conditioning. System dehydration, recovery techniques, charging of refrigerants will also be covered. The material in this course will reflect the current Environmental Protection Agency (EPA) requirements of Section 609 of the Clean Air Act of 1990.

AC_R 240   4.0 units
Advanced Air Conditioning
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: AC_R 213
Grading: letter grade or credit/no credit
Covers the measurement of air and water flow, KW, circulation of EER and COP and solid state controls. Will wire and troubleshoot complex electrical controls for refrigeration and air conditioning systems.

AC_R 271AD   2.0 units
Work Experience-Air Cond & Refri
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Satisfactory completion of at least 7 units per semester including work experience and work experience issues. Vocational learning experiences through employment in work experience directly related to the industry.

AC_R 272   1.5 units
Fans & Fan Applications
1.5 hours lecture
Grading: letter grade or credit/no credit
An overview of fans and practical applications. The emphasis is on correction of field problems, maintenance and repair of operating equipment, system balancing and noise control.

AC_R 272AD   3.0 units
Work Experience-Air Cond & Refri
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.

Grading: letter grade or credit/no credit
Satisfactory completion of at least 7 units per semester including work experience and work experience issues. Vocational learning experiences through employment in work experience directly related to the industry.

AC_R 273AD   4.0 units
Work Experience-Air Cond & Refri
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Satisfactory completion of at least 7 units per semester including work experience and work experience issues. Vocational learning experiences through employment in work experience directly related to the industry.

AC_R 400A   3.0 units
Uniform Mechanical Code I
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn to better understand and interpret the code ordinances involving the installation of residential heating, air conditioning and venting systems.

AC_R 400B   3.0 units
Uniform Mechanical Code II
3.0 hours lecture
Prerequisite: AC_R 400A
Grading: letter grade or credit/no credit
For the individual who deals with the design of heating, cooling, ventilation and refrigeration in large complex buildings. Covers areas where the building and mechanical codes overlap.

AC_R 420A   6.0 units
Air Conditioning/Refrig Service & Repair
6.0 hours lecture
Grading: letter grade or credit/no credit
Operation, maintenance, repair and installation of domestic and commercial air conditioning and refrigeration equipment and systems.

AC_R 420B   6.0 units
Air Conditioning/Refrig Service & Repair
6.0 hours lecture
Prerequisite: AC_R 420A
Grading: letter grade or credit/no credit
Operation, maintenance, repair and installation of domestic and commercial air conditioning and refrigeration equipment and systems.

AC_R 420C   6.0 units
Air Conditioning/Refrig Service & Repair
6.0 hours lecture
Prerequisite: AC_R 420B
Grading: letter grade or credit/no credit
Operation, maintenance, repair and installation of domestic and commercial air conditioning and refrigeration equipment and systems.

AC_R 420D   6.0 units
Air Conditioning/Refrig Service & Repair
6.0 hours lecture
Prerequisite: AC_R 420C
Grading: letter grade or credit/no credit
Operation, maintenance, repair and installation of domestic and commercial air conditioning and refrigeration equipment and systems.

AC_R 421A   3.0 units
Elect Controls for Refrig/Air Cond/Heat
3.0 hours lecture
Grading: letter grade or credit/no credit
Selection, application and maintenance of automatic controls to heating, ventilating and cooling systems.

AC_R 421B   3.0 units
Pneumatic Controls for HVAC
3.0 hours lecture
Prerequisite: AC_R 421A
Grading: letter grade or credit/no credit
Teaches selection, application and maintenance of automatic controls to heating, ventilating and cooling systems.

AC_R 422   3.0 units
Air Conditioning System Design and Installation
3.0 hours lecture
Grading: letter grade or credit/no credit
Terminology, system design, equipment application estimating and selection of equipment used in residential and commercial applications of air conditioning, heating and ventilating systems. For service technicians, industry sales personnel, industry supply house personnel, installers, utility and school district personnel, designers of buildings and residences.

AC_R 450A   5.0 units
Transport Refrigeration
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Intro to transport refrigeration including application, function, power supply, basic operation safety and troubleshooting of mechanical and electrical components.

AC_R 450B   5.0 units
Advanced Transport Refrigeration
4.0 hours lecture , 3.0 hours laboratory
Prerequisite: AC_R 450A
Grading: letter grade
Advanced transport refrigeration including application, function, power supply, basic operation safety and troubleshooting of mechanical and electrical components.

ALLIED HEALTH (AH)

AH 50   2.0 units
Introduction to Health Care Careers
2.0 hours lecture
Grading: credit/no credit
Develop a basic knowledge of the health care field, present and future careers and common health care procedures.
Transfer Status: Transferable to CSU, see counselor for limitations.

AH 60   3.0 units
Medical Terminology
3.0 hours lecture
Grading: letter grade
Develop a comprehensive medical vocabulary, including spelling, definition and pronunciation of terms related to the body systems and medical specialties.
Transfer Status: Transferable to CSU, see counselor for limitations.

AH   61   **2.0 units**

Integration of Patient Care
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
Develop the fundamental aspects of interpersonal relations as related to the health technologies, as well as skills in selected patient care procedures. Designed for students in the Radiologic Technology (Medical Imaging) program.
Transfer Status: Transferable to CSU, see counselor for limitations.

AH   70   **0.5 unit**

Infection Control in Health Care
0.5 hour lecture
Grading: letter grade
Application of infection control/epidemiology principles in various health care settings. Includes a thorough review of federal, state and local regulations related to health care and biohazardous waste. Critical thinking is developed regarding use of supplies.
Transfer Status: Transferable to CSU, see counselor for limitations.

AH   206A   **3.0 units**

Beginning Medical Transcription
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AH 60 (may be taken concurrently) and type 35 WPM.
Grading: letter grade or credit/no credit
Designed to train students for employment as medical transcriptionists in hospitals, clinics and private physicians' office settings. Lectures, demonstrations and use of classroom dictation equipment provide practical experience.

AH   206B   **3.0 units**

Advanced Medical Transcription
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AH 206A
Grading: letter grade or credit/no credit
Enables students who completed one semester of beginning medical transcription to increase their transcribing speed while learning more advanced techniques. Focuses on practice transcription of widely varied medical specialties.

AH   210   **1.0 unit**

Math for Medications
1.0 hour lecture
Grading: letter grade or credit/no credit
Designed to enable the student to acquire the knowledge to understand and solve various math problems basic to computing drug problems.

AH   220   **1.5 units**

Phlebotomy
0.5 hour lecture , 1.5 hours laboratory
Grading: credit/no credit
Instruction in the principles and practices of blood specimen collection as required by the health care regulations in California. Completion of the course meets the following requirements: 1) complete didactic and partial practice to qualify for the examination for Certified Phlebotomy Technician I as defined by the Department of Health Services; 2) complete didactic and partial practice for Medical Assistant certification as defined by the California Society of Medical Assistants; 3) complete didactic and practice for Blood Withdrawal

certificate as defined by the Board of Vocational Nursing and Psychiatric Technicians.

AH   220AD   **1.0 unit**

Phlebotomy Practicum
3.0 hours laboratory
Corequisite: AH 220
Recommended Preparation: All health and safety requirements of clinical laboratories.
Grading: credit/no credit
This course provides the clinical laboratory experience in phlebotomy required to qualify for the examination of Certified Phlebotomy Technician I. This course and AH 220 are approved as a phlebotomy program by the State of California Department of Health Services Field Laboratory Services.

AH   221AD   **0.5 unit**

Health Promotion Practicum
1.5 hours laboratory
Prerequisite: Health evaluation, current malpractice insurance, and current CPR card for health care providers. CRT Certification, licensed as a RN or VN, or concurrent enrollment in a health care program.
Grading: credit/no credit
Instruction and guidance in the application of the concepts and activities of health promotion. Opportunities will be provided to assist with community programs and to develop individual programs to meet college and community needs.

AH   222   **1.0 unit**

Intravenous Therapy
0.5 hour lecture , 1.5 hours laboratory
Prerequisite: RT 12 & AH 61 or VOCN 286 & VOCN 290A or ADN 11B & ADN 11BL or CRT Certificate or licensed as a VN or RN. Current CPR card for health care providers and malpractice insurance.
Grading: credit/no credit
Instruction and supervised practice in the concepts and techniques of intravenous therapy. Designed to meet: 1) the requirements of the California Board of Vocational Nursing and Psychiatric Technicians for "Intravenous Therapy" certifications for LVNs and 2) partially fulfills the requirements of the California Health and Safety Code Section 106985 pertaining to Radiologic Technologists.

AH   225   **0.5 unit**

Basic Arrhythmia Recognition
0.5 hour lecture
Prerequisite: ADN 11B and ADN 11BL or VOCN 278B and VOCN 278BL or EMT 251 and EMT 251L or AH61
Grading: credit/no credit
Instruction in the interpretation of the single lead electrocardiogram. Includes the relationship between cardiac physiology and the development of cardiac rhythm, as well as the correlation of electrocardiogram status to patient condition and expected treatment. Designed for health care workers or students interested in the care of patients with cardiac problems. Successful completion prepares the student for the ECG component of the American Heart Association Advanced Cardiac Life Support class. Suitable for registered nurses, vocational nurses, radiologic technologists and emergency medical technicians.

AH   260   **3.0 units**

Preparation for Medical Terminology
3.0 hours lecture

Grading: letter grade
An intro to medical vocabulary, including spelling, definition and pronunciation of terms related to the nine body systems. May prepare student for AH 60.

AH 276   1.0 unit

Health Care Law
1.0 hour lecture
Grading: letter grade
Develop a basic understanding of health care laws, ethics and human relations.

AH 280   2.0 units

Health Unit Secretary
2.0 hours lecture
Prerequisite: AH 60 (may be taken concurrently)
Corequisite: AH280L
Grading: letter grade
Prepare for an entry-level position in the health care clerical field. Emphasizes basic procedures utilized by the health unit secretary, including medical order transcription, chart forms and procedures, communication, supply ordering, hospital safety, legal constraints and computer application in the health care facility.

AH 280L   1.0 unit

Health Unit Secretary, Laboratory
4.0 hours laboratory
Prerequisite: AH 280
Grading: credit/no credit
Prepare for an entry-level position in the health care clerical field. Practice application of basic procedures utilized by the unit secretary, including medical order transcription, chart forms and procedures, communication, supply ordering, hospital safety, legal constraints and computer application in the health care facility.

AH 602   0.0 unit

Cardio Pulmonary Resuscitation
0.1 hour lecture , 0.3 hour laboratory
Grading: LBCC Non-Graded Course
Develop basic skills in the assessment of, need for and administration of cardio-pulmonary resuscitation. Intended for persons who need this skill in their employment. Typically offered for nine hours.

ANATOMY (ANAT)

ANAT 1   4.0 units

Human Anatomy
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
The study of the structure of the human body. Provides the basic knowledge and lab skills to meet the needs of pre-nursing, physical education, physical therapy and allied majors. Dissection of a cat is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANAT 41   5.0 units

Anatomy & Physiology
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to the study of the structures and functions of the human body. Stresses basic principles and recent advances and is designed primarily for students not majoring in the life sciences. Not open for credit to

students who have completed or are planning to take ANAT 1 and PHYSI 1. Dissection of the fetal pig is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHROPOLOGY (ANTHR)

ANTHR 1 (CAN ANTH 2)   3.0 units

Physical Anthropology
3.0 hours lecture
Grading: letter grade or credit/no credit
Focuses on the evolutionary development of the human capacity for culture and its subsequent effects on human biology: the relation of people and animals; the origin and antiquity of humans; fossil humans; principles of heredity and population genetics; the synthetic theory of evolution.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHR 2 (CAN ANTH 4)   3.0 units

Cultural Anthropology
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn the nature, elements and development of culture, emphasizing human cultural groups throughout the world, past and present. Variations in social, economic and political customs, culture change, systems of kinship and family organization, invention, arts, language, current theories of culture and the effects of culture contact will be discussed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHR 2H   3.0 units

Honors Cultural Anthropology
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Learn the nature, elements and development of culture, emphasizing human cultural groups throughout the world, past and present. Variations in social, economic and political customs, culture change, systems of kinship and family organization, invention, arts, language, current theories of culture and the effects of culture contact will be discussed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHR 3   3.0 units

Intro to Archaeology
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to archaeology and world prehistory. The study of the prehistoric cultural and social record of Africa, Asia, the Americas and island societies. An intro to the theory, concept and methods used in the study of human prehistory. Presents the development and diverse evolution of human culture.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHR 10   3.0 units

Magic, Witchcraft and Religion
3.0 hours lecture
Grading: letter grade or credit/no credit

A survey of systems of magic, witchcraft and religion from past and present societies around the world. Examines beliefs and practices in cultural settings with respect to the role of the supernatural.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ANTHR 12   3.0 units

Medical Anthropology
3.0 hours lecture
Grading: letter grade

An intro course which surveys cross-cultural concepts of health, illness and healing. Specific cultural ecological adaptations are shown to strongly influence health and illness in human societies while different etiological concepts with regard to the origin of illness demonstrate a great cultural range of medical beliefs and behaviors. Among other topics, the course will examine health, illness, disease, nutrition, reproduction, culture change and modernization.

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHITECTURAL DESIGN (ARCHT)

ARCHT 60   8.0 units

Architectural Design
6.0 hours lecture , 6.0 hours laboratory
Recommended Preparation: One year of high school drafting or DRAFT201
Grading: letter grade

A beginning computer aided drafting course that uses AutoCAD2000i and focuses on developing basic architectural skills. The student will develop basic 2D CAD production drawing skills learning the relationship between plan, section and elevation drawings and use these to produce a preliminary set of production drawings for a building. Learn to solve basic design problems of site analysis, space relationships, roof design, building aesthetics and material selection. Alternative solutions to design problems will be explored using the computer and freehand sketching techniques. The concepts of positive and negative space and the use of line, plane and volume will be used in solving architectural problems.

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 61   4.0 units

Architectural Design
3.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: One year of high school drafting or DRAFT 201
Grading: letter grade

A beginning computer aided drafting course that uses AutoCAD 2000i and focuses on developing basic architectural skills. Develop basic 2D CAD production drawing skills learning the relationship between plan, section and elevation drawings and produce a preliminary set of production drawings for a building. Learn to solve basic design problems of site analysis, space relationships, roof design, building aesthetics and material selection. (Units and content are one half of ARCHT 60.)

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 62   4.0 units

Architectural Design
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: ARCHT 61
Grading: letter grade

A beginning computer aided drafting course that uses AutoCAD 2000i and focuses on developing basic architectural skills. Learn to solve basic design problems of site analysis, space relationships, roof design, building aesthetics and material selection. Alternative solutions to design problems will be explored using the computer and freehand sketching techniques. The concept of positive and negative space and the use of line, plane and volume will be used in solving architectural problems. (Units and content are one half of ARCHT60.)

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 64   8.0 units

Architectural Design
6.0 hours lecture , 6.0 hours laboratory
Prerequisite: ARCHT 60 or ARCHT 61 and 62
Grading: letter grade

An intermediate computer aided drafting course that uses AutoCAD 2000i. Focuses on developing further the architectural 2D CAD production drawing skills learned in ARCHT60, with an intro to 3D drawing systems. Develop intermediate 2D CAD production drawings, including plan, elevation, section, roof and foundation drawings for a building. Solve intermediate design problems of site analysis (including parking), space relationships, roof design, building aesthetics, structural concepts and material selection. Structural solutions to design problems will be explored using the computer and freehand sketching techniques. The concepts of lateral forces, vertical forces and various structural systems will be introduced in solving architectural problems. 3D plan oblique drawings and details of the project will be developed. The concepts of tonal values and shade and shadows will be introduced and applied to the drawings. An opportunity to design and build a portable structure may exist in the Spring semeT

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 65   4.0 units

Architectural Design
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: ARCHT 62 or ARCHT 60
Grading: letter grade

An intermediate computer aided drafting course that uses AutoCAD 2000i. Develop further the architectural 2D CAD production drawing skills learned in ARCHT62, with an intro to 3D drawing systems. Develop intermediate 2D CAD production drawings, including plan, section, elevation, roof and foundation drawings for a building. Learn to solve intermediate design problems of site analysis (including parking), space relationships, roof design, building aesthetics, structural concepts and material selection. Structural analysis of design problems will be explored using the computer and freehand sketching techniques. (Units and content are one-half of ARCHT64.)

Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 66   4.0 units

Architectural Design
3.0 hours lecture , 3.0 hours laboratory

Prerequisite: ARCHT 65
Grading: letter grade
An intermediate computer aided drafting course that uses AutoCAD 2000i. Focuses on developing further the architectural 2D CAD production drawing skills learned in ARCHT65, with an intro to 3D drawing systems. Develop structural drawings for design problems developed in ARCHT65 using the computer and freehand and sketching techniques. The concepts of lateral forces, vertical forces and various structural systems will be introduced. 3D plan oblique drawings and details of the project will be developed. The concepts of tonal values, shade, and shadows will be introduced and applied to the drawings. (Units and content are one-half of ARCHT64.)
Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 70AB   8.0 units
Architectural Design
6.0 hours lecture , 6.0 hours laboratory
Prerequisite: ARCHT 64 or ARCHT 65 and 66
Grading: letter grade
An advanced computer aided drafting course (2 semesters, A and B) that uses AutoCAD 2000i for 2D drawings and an intro to 3D Studio Viz for the development of 3D drawing. Focuses on developing further the 2D CAD production and 3D drawing skills learned in ARCHT64. Develop advanced 2D CAD production drawings for building ones own design. Resolve advanced design and structural problems using the computer and freehand sketching techniques. 3D models and details of the project will be developed. The use of tonal values and shade and shadows will be applied to the drawings. An opportunity to design and build a portable structure may exist in the spring semester. A portfolio of work and a resume will be developed.
Transfer Status: Transferable to CSU, see counselor for limitations.

ARCHT 71AD   4.0 units
Architectural Design
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: ARCHT 66
Grading: letter grade
A course of up to four semesters (A,B,C,D) to develop skills in advanced computer aided drafting that uses AutoCAD 2000i for 2D drawings and 3D Studio Viz for 3D drawings. Focuses on developing further the 2D CAD production and 3D drawing skills learned in ARCHT64 or ARCHT65 and 66. Develop advanced 2D CAD production drawings for a building of one's own design. Resolve advanced design and structural problems using the computer and freehand sketching techniques. 3D models and details of the project will be developed. The use of tonal values and shade and shadows will be applied to the drawings. A portfolio of work and a resume will be developed.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART (ART)

ART 1 (CAN ART 2)   3.0 units
Art and Civilization
3.0 hours lecture
Grading: letter grade or credit/no credit
Introduces the artistic heritage of western culture, prehistoric through medieval times. Emphasizes the development of art forms reflecting the socio-religious experience and aesthetic sensibilities of the historical periods covered. For art and non-art majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 1H (CAN ART 2)   3.0 units
Honors Art and Civilization
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Introduces the artistic heritage of western culture, prehistoric through medieval times. Emphasizes the development of art forms reflecting the socio-religious experience and aesthetic sensibilities of the historical periods covered. For art and non-art majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 2 (CAN ART 4)   3.0 units
Art and Civilization
3.0 hours lecture
Grading: letter grade or credit/no credit
An historical approach to painting, sculpture and architecture from Renaissance to modern times, emphasizing the relationship of art to concurrent philosophical, political and social ideas. Discussion includes key artists and their techniques. Art 1 is NOT a prerequisite.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 2H (CAN ART 4)   3.0 units
Honors Art and Civilization
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
An historical approach to painting, sculpture and architecture from Renaissance to modern times emphasizing the relationship of art to concurrent philosophical, political and social ideas. Discussion includes key artists and their techniques. Art 1 is NOT a prerequisite.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 3   3.0 units
Modern and Contemporary Art
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of modern art from its mid-19th century beginnings to contemporary trends.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 3H   3.0 units
Honors Modern and Contemporary Art
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
A survey of modern art from its mid-19th century beginnings to contemporary trends.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 4   3.0 units
Tribal Art
3.0 hours lecture

Grading: letter grade or credit/no credit
A survey of the painting, sculpture, architecture and crafts of Black Africa, Australia, Melanesia, Polynesia and Pre-Columbian North America. These traditions will be experienced through lectures, slides, movies, music and artifacts. The relationship of these areas to the mainstream of Western art will also be made.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 4H 3.0 units

Honors Tribal Art
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
A survey of the painting, sculpture, architecture and crafts of Black Africa, Australia, Melanesia, Polynesia and Pre-Columbian North America. These traditions will be experienced through lectures, slides, movies, music and artifacts. The relationship of these areas to the mainstream of Western art also will be made.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 5 3.0 units

History of Asian Art
3.0 hours lecture
Grading: letter grade or credit/no credit
A comprehensive survey of Asian art traditions in which the development of painting, sculpture and architecture is examined within a context of religious and cultural backgrounds. The first half surveys the art of India, Islam and Southeast Asia; the second half surveys the art of China, Japan and Korea.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 5H 3.0 units

Honors History of Asian Art
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
A comprehensive survey of Asian art traditions in which the development of painting, sculpture and architecture are examined within a context of religious and cultural backgrounds. The first half surveys the art of India, Islam and Southeast Asia; the second half surveys the art of China, Japan and Korea.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 6 3.0 units

Art on the Town/Museum Study Visits
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
An overview of the major historical periods in Western art. Meet for slide lectures that introduce a style and the appropriate museum or gallery collection within the Los Angeles and Orange County areas. The following meeting is a four-hour visit to the museum's collection. Credit will be earned by completing a report/analysis of individual art works. Designed for art majors and non-majors.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 7 3.0 units

Art on the Town/Studio & Gallery Visits
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit

Intro to the materials and techniques involved in making art through a broad survey of art styles, sources and individual artists. On alternate weeks a slide-lecture will show the steps involved in the artistic process and an intro to selected art styles and artists. On a field trip the following week, students observe the process or its product. For art majors and non-majors. Credit will be earned by completing a worksheet/analysis of selected works of art.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 8 3.0 units

Art on the Town/Special Exhibits
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Part of a program which introduces students to regional and cultural exhibits of world art not available on a continuing basis. Provides a broad-based overview on art whereby students can apply art principles, identify stylistic characteristics and recognize historical context. On alternate weeks a slide-lecture will introduce the content of the exhibit and methods of analysis. A field trip occurs the following week.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 9 3.0 units

Introduction to Art
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Art 9 provides a common sense approach to exploring a student's innate creative ability, the influence of art on everyday life and how art is made. Designed for the non-art major, Art 9 is recommended for teaching majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 10 3.0 units

Art Appreciation
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the major themes and concepts that have been the source for artistic expression in the visual arts. Ideas are viewed from a thematic exploration of art to express aesthetically human wants, needs and hopes. Through lecture, visual aids and field trips, become aware of artistic ideas, media and techniques. Designed for the non-art major.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 11 3.0 units

Pre-Columbian Art
3.0 hours lecture
Grading: letter grade or credit/no credit
Pre-Columbian art from Mexico, Central and South America will be explored through the study of major monuments of sculpture, architecture, ceramics, textiles and painting. The slide-lecture format will be complemented by music, films and artifacts. Includes influences of Pre-Columbian art on modern and contemporary artists. For majors and non-art majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 11H 3.0 units

Honors Pre-Columbian Art
3.0 hours lecture

Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Pre-Columbian art from Mexico, Central and South America will be explored through the study of major monuments, sculpture, architecture, ceramics, textiles and painting. The slide/lecture format will be complemented by music, films and artifacts. Includes influences of Pre-Columbian art on modern and contemporary artists.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   14AD   1.5 units

Beginning Drawing, Overview
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
An overview of basic drawing fundamentals including the use of color, form and design with an emphasis on the expression of these principles through the use of a variety of drawing media.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   15   (CAN ART 8)   3.0 units

Beginning Drawing
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Intro studio experience in freehand drawing, emphasizing 1) accurate observation, shading, perspective, proportion and composition; 2) the use of these skills as a means of personal expression.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   16AD   3.0 units

Intermediate Drawing
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 15
Grading: letter grade or credit/no credit
An advanced studio experience, emphasizing the employment of personal experiences as applied to 20th Century concepts and trends.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   17AD   3.0 units

Illustration I
2.0 hours lecture , 4.0 hours laboratory
ART 15
Grading: letter grade or credit/no credit
Introduction to illustration and stresses the creative interpretation of subjects, situations and themes within the context of commercial art such as advertising, editorial and institutional. Special emphasis is placed on the creation of illustrations from rough concept through finished artwork. Production, media processes, color analysis and application, portfolio development and presentation are presented. Studio experience in the use of linear perspective to develop illustrative realistic representation is emphasized.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   18AD   3.0 units

Illustration II
2.0 hours lecture , 4.0 hours laboratory
ART 15 and ART 17AD
Grading: letter grade or credit/no credit

This course is a continuation of the concepts and techniques presented in Illustration I. Increasingly more advanced illustration projects, techniques, concepts and methods will be presented. Emphasis is placed on the development of original concepts, refinements of techniques, production methods and development and presentation of portfolio-quality artwork. In addition, rendering, or sharp focus drawing techniques will be presented and incorporated in several projects.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   19AD   3.0 units

Life Drawing
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 15
Grading: letter grade or credit/no credit
Freehand drawing of the human figure emphasizing proportion, anatomy as it affects surface form and gesture. Recommended for those interested in illustration, drawing and painting and art majors interested in transferring to a university.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   20AD   1.5 units

Life Drawing Overview
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: ART 15
Grading: letter grade or credit/no credit
Teaches the interpretation of the human figure through a wide range of media and approaches. Explore and defend a variety of drawing media and artistic points of view. Recommended for those interested in interpretative figure drawing, drawing and painting and art majors interested in transferring to a university.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   22AD   1.5 units

Painting Overview
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
A study of the fundamentals of form, color and design, emphasizing the expression of these principles through the painting media.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   23   3.0 units

Beginning Painting
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 15
Grading: letter grade or credit/no credit
Intro studio course emphasizing fundamental techniques and concepts appropriate to the use of color and painting as a significant means of human expression. Required of all art majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   24   3.0 units

Watercolor, Beginning
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 15
Grading: letter grade or credit/no credit
Intro studio course offering an opportunity to explore and develop creative attitudes, values and personal expression in watercolor painting. Investigate unique techniques, methods and tools of the media. Emphasizes

the elements and principles of two-dimensional composition in an imaginative, personal manner.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 25AD 3.0 units
Watercolor, Advanced
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 24
Grading: letter grade or credit/no credit
A study of transparent watercolor painting, its techniques, methods and tools. Includes a study of watercolor approaches, technical "hands on" investigation, criticism and proper display. Designed for both transfer art majors and for personal development.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 26AD 3.0 units
Figure Painting
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One Semester of ART 19AD
Recommended Preparation: ART 23
Grading: letter grade or credit/no credit
Individual interpretation and expression of the human figure with the emphasis on painting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 27AD 3.0 units
Intermediate Painting
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 23
Grading: letter grade or credit/no credit
A continuing studio experience designed to take students with the basic skills of painting and introduce them to ideas, concepts and techniques leading to personal expression, experimental media and current trends in art.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 28AD 1.5 units
Portrait Drawing and Painting
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Development of basic skills in portrait drawing and painting. Includes pen and ink, pastels, charcoal, pencil and painting mediums.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 30 (CAN ART 16) 3.0 units
Fundamentals of Art/Volume, Plane & Form
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to three-dimensional studio experience intended as an investigation of: 1) traditional and non-traditional effects of space and volume and 2) analysis of personal and collective values applicable to the visual arts.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 31 (CAN ART 14) 3.0 units
Fundamentals of Art/Composition & Color
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
An intro, two-dimensional studio experience investigating traditional and non-traditional effects of shape, line, color, composition and analyzing personal and collective values applicable to the visual arts.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 32 3.0 units
Intermediate Design
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 30 or 31
Grading: letter grade or credit/no credit
A creative studio experience for the student preparing to enter a field of applied design, graphic design, product design or interior design.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 33AD 0.5 unit
Exploration of Decorative Arts
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 30 and 31
Grading: letter grade or credit/no credit
Explore various craft media such as metals, wood, papier-mach,, plastics, clay and others. Explore several media or focus on one. Allows students to discover their aptitude for a media or technique with minimal accumulation of unit load.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 34AD 3.0 units
Applied Design/Crafts
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to several different types of media in the design and creation of decorative and/or useful objects.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 35AD 3.0 units
Jewelry/Metalsmithing 1
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 30 and 31
Grading: letter grade or credit/no credit
Introduces the aesthetic use of gold, silver, copper, brass and semi-precious stones in jewelry making from both a historical and contemporary point of view. Emphasizes gaining knowledge, confidence and skills to execute one's own designs.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 36AD 3.0 units
Jewelry/Metalsmithing 2
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One semester of ART 35AD
Grading: letter grade or credit/no credit
The exploration of wax-working, casting and mold making as methods for creating jewelry and objects, emphasizing use of inexpensive, available tools and methods.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 37AD 3.0 units
Jewelry/Metalsmithing 3
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One semester of ART 35AD
Grading: letter grade or credit/no credit
Intro to the basic hollowware techniques of die-forming, raising, chasing and repousse.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   38AD   **3.0 units**

Jewelry/Metalsmithing 4
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One semester of ART 35AD
Grading: letter grade or credit/no credit
A special studies approach to metal focusing upon areas
introduced in ART 35AD, 36AD, 37AD.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   41   **3.0 units**

Introduction to Computergraphics
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Will demystify computer graphics for beginners and
give a broad overview of the concepts involved in
selected computer art programs. Explains computer
terminology, the disk system, keyboard and art related
peripheral devices.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   42   **3.0 units**

Intro/3D & Multimedia Computergraphics
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 30
Grading: letter grade or credit/no credit
An intro to computer graphic production for the areas of
three dimensional and time based electronic media.
Emphasizes the unique characteristics of three and four
dimensional realities as presented in electronic media.
Explore and exploit the distinct visual characteristics of
virtual dimensions in both time and space.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

ART   43AD   **3.0 units**

Computer Art for the Internet
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31
Grading: letter grade or credit/no credit
Learn to apply computer graphics to a variety of
communication needs. Principles for using colors and
forms for charts, graphs, maps, corporate identification,
illustrations and advertisements in electronic media will
be demonstrated. Apply those principles to the creation
of actual projects through hands-on use of a variety of
software applications and delivery systems. For art and
non-art majors.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   44AD   **3.0 units**

Computer Art for Graphic Design
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31
Grading: letter grade or credit/no credit
Learn to use the computer in graphic design, electronic
"paste-up" and electronic "layout." Learn the basics of
computer graphic design in preparation of visual
communications for both digital and print media. By
completing assignments on the computer, students will
create pages of text and graphics. Products will be
created through the use of a variety of input and output
devices. Also explore a variety of network delivery
systems. For art and non-art majors.

*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   45AD   **3.0 units**

Computer Art for Drawing and Painting
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31
Grading: letter grade or credit/no credit
Learn to develop visual thinking electronically which
will manifest itself as personal expression through
hands-on manipulation of the computer as a creative
tool. Explore the possibilities of electronic image
creation, alteration and merging in electronic studio
drawing and painting exercises that make comparisons
and contrasts to traditional studio methods.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

ART   46AD   **3.0 units**

Computer Art & Design in 3D Modeling
2.0 hours seminar , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31 and 42
Grading: letter grade or credit/no credit
Electronically construct three-dimensional objects
using perspective, manipulated light sources and the
logical development of multiple views. Learn to deal
with abstract objects and extrapolate spatial information
from 3-D computer graphics. Specific relationships will
be made between electronic modeling and the visual arts,
in particular, sculpture, ceramics, 3-D graphics, jewelry
and metalsmithing.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   47AD   **3.0 units**

Computer Art and Design for Multimedia
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31 and 42
Grading: letter grade or credit/no credit
Learn how to electronically create stand alone, as well as
interactive multimedia projects. An intro to the skills of
producing and developing digital multimedia. Learn the
theories of computer-based animation and interactive
multimedia design.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   48AD   **3.0 units**

Computer Art & Design for TV and Video
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41
Recommended Preparation: ART 31
Grading: letter grade or credit/no credit
Learn to develop electronic visual images for broadcast
requirements on the computer—symbols, pictographs
and illustrations with typed titles, brief spot animation of
a concept or demonstration of action. Create PSA's
(public service announcements) and station-break
formatted art. Also, create program title and credit
displays.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

ART   49AD   **3.0 units**

Special Studies-Computer Art and Design
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41

Recommended Preparation: Four courses from ART 43AD, 44AD, 45AD, 46AD, 47AD and 48AD
Grading: letter grade or credit/no credit
For fine arts majors in computer art and design; will allow students to develop personal skills for their chosen specialty in the computer art field. Work independently on projects formulated with faculty assistance.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   50   3.0 units
Ceramics I
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 30 and 31
Grading: letter grade or credit/no credit
A creative experience in the visual arts using clay as a medium of expression. Explore basic hand and wheel methods of forming, decorating and glazing three-dimensional ceramic forms and develop a personal awareness and appreciation of the creative process.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   51AD   3.0 units
Ceramics II
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 50
Grading: letter grade or credit/no credit
A creative experience in the visual arts using clay as a medium of expression. Apply knowledge gained in the first course (Ceramics I) to solve more complex problems of forming, decorating and glazing three-dimensional ceramic forms. Expand aesthetic judgment, skills and confidence.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   52AD   3.0 units
Ceramics III
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 51AD
Grading: letter grade or credit/no credit
Develop a more intensive knowledge and ability to produce well designed ceramic objects. Emphasizes utilitarian forms, related clay, glaze and firing technology, aesthetic judgment, problem-solving capabilities, skills and knowledge of materials.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   53AD   3.0 units
Ceramics IV
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 52AD
Grading: letter grade or credit/no credit
Develop a more intensive knowledge and ability to produce well designed ceramic forms. Emphasizes nonutilitarian form, related clay, glaze and firing technology, aesthetic judgment, problem-solving capabilities, skills and knowledge of materials.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   55AD   3.0 units
Introduction to Graphic Design
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 31
Grading: letter grade or credit/no credit

An overview of graphic design and its various components, including typography, illustration, photography and layout. The history of graphic design, as well as the relationship and differences among advertising agencies, designers, publishers, typographers and printers. Develop skills in basic inking and tool use while enhancing one's ability to coordinate type, image and symbol.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   56AB   1.5 units
Lettering and Typegraphy
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Lettering, its uses and characteristics, as well as the study of typographic form.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   60   3.0 units
Beginning Sculpture
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: ART 30
Grading: letter grade or credit/no credit
Structured to give students an understanding of the formal elements of sculpture while investigating various materials and processes. Both additive and subtractive methods are explored using clay, plaster and wood, as well as non-traditional materials. Designed to allow students to investigate form, space, material and content through selected projects, readings, field trips, slides and discussions.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   61AD   3.0 units
Intermediate Sculpture
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 60
Grading: letter grade or credit/no credit
An intro to a subjective approach to sculpture emphasizing the development of ideas in relation to personal/individual intent. Investigates both historical and contemporary sculpture. May include carving, casting, modeling, welding, fiberglass lamination, installation and non-studio pieces. Emphasizes the advancement of technical and material skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART   62AD   3.0 units
Metal Fabrication Sculpture
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 60
Recommended Preparation: ART 30
Grading: letter grade or credit/no credit
Increase understanding of contemporary sculpture through welding, forging and mixed media combination of materials. Learn oxy-acetylene, arc and heli-arc welding, basic forging, bending and cold joint techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART   63AD   3.0 units
Metal Casting Sculpture
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 60
Recommended Preparation: ART 30

Grading: letter grade or credit/no credit
Learn contemporary sculpture ideas through traditional, industrial and new metal casting processes. Learn styrofoam/greensand, standard investment and ceramic shell for casting aluminum and bronze. Instruction on surfacing includes patina, stains, paints and varnish application.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 64AD 1.5 units
Sculpture: Carving
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: ART 60
Recommended Preparation: ART 30
Grading: letter grade or credit/no credit
Exploration of representational, abstract and non-objective approaches to carved sculpture in clay, plaster, wood, soap stone or alabaster. Learn proper use of hand tools and related techniques. Development of creativity with carved three-dimensional forms.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 70AD 3.0 units
Printmaking, Silkscreen
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to the graphic art of printmaking as a means of personal expression. Includes relief prints and serigraphy; glue stencil, paper stencil and photo-silkscreen.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 71AD 3.0 units
Printmaking, Intaglio
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to the graphic art of printmaking as a means of personal expression. Includes etching, engraving, multicolor plates, viscosity, aquatint, photo etching and related methods and mixed media techniques.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 72AD 3.0 units
Printmaking, Advanced
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One Semester of ART 70AD and 71AD
Grading: letter grade or credit/no credit
Special studies in advanced techniques and/or exploration of collagraphy, photo-silkscreen, etching, intaglio, serigraphy and woodcut. Develop and pursue individualized projects and/or gain competence in edition printing, darkroom techniques and mixed media.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 73AD 1.5 units
Introduction to Printmaking
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to the graphic art of printmaking as a means of personal expression. Activities include serigraphy, photo-silkscreen and collagraph printing.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 74AD 1.5 units
Advanced Printmaking Overview
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: One semester of ART 73AD
Grading: letter grade or credit/no credit
Special studies in advanced techniques and/or exploration of etching, intaglio, serigraphy, photo techniques, woodcut, monoprint and collagraph. Develop and pursue individualized projects and/or gain competence in edition printing, darkroom techniques and mixed media.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 80 3.0 units
Elements of Photography
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro survey of photography as a creative, personal form of expression. Learn to operate a camera, select equipment, choose appropriate subject matter and take and evaluate the final product, the photo.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 81AD 3.0 units
Introduction to Fine Art Photography
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Recommended Preparation: ART 31
Grading: letter grade or credit/no credit
Introduction to photography as a creative personal form of expression. Emphasis on acquisition of b&w darkroom skills, operation of a camera, concepts and practices of fine art photography. Suitable for students with beginning to advanced photographic skill levels.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 90AD 1.0 unit
Special Projects in Art
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Exploration and development on an individual basis of special projects within the art field.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ART 91AD 2.0 units
Studio Projects in Art
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Exploration and development on an individual basis of studio projects within the field of art.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 96AD 1.5 units
Fiber, Beginning
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
An intro studio course in fiber techniques, including papermaking, bookmaking, dyeing, basketry and three-dimensional structures.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 97AD   1.5 units
Fiber, Advanced
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Fiber is viewed as two-and three-dimensional art forms. A non-loom approach method of instruction is used to include spinning, dyeing, felt making, twining, wrapping, needle weaving, basketry and papermaking. Projects include sculpture, wearables and wall hangings.
Transfer Status: Transferable to CSU, see counselor for limitations.

ART 292   3.0 units
Professional Skills for Artists
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Completion of at least three studio art courses
Grading: letter grade or credit/no credit
Emphasizes developing skills and presenting artwork as a professional artist or art director. Skills and topics, covered in an applied approach, include photographing artwork, matting, framing, resume writing, crating and shipping artwork, art competitions, exhibitions, criticism, publicity and slide presentations. Topics include ethics, law, professionalism and grant-writing.

ART 600   0.0 unit
Two-Dimensional Art Exploration
1.0 hour lecture , 2.0 hours laboratory
Grading: LBCC Non-Graded Course
Develop, improve and explore visual art skills and philosophy related to two-dimensional art work, such as drawing, painting, perspective, rendering, watercolor, life drawing and design. Designed for senior citizens.

ART 601   0.0 unit
Three-Dimensional Art Exploration
1.0 hour lecture , 2.0 hours laboratory
Grading: LBCC Non-Graded Course
Develop, improve and explore skills and philosophy related to three-dimensional art work, such as sculpture, 3-D design, ceramics, jewelry and metalsmithing, applied design, weaving and fiber. Designed for senior citizens.

ART 602   0.0 unit
Specialty/Technical Art Exploration
1.0 hour lecture , 2.0 hours laboratory
Grading: LBCC Non-Graded Course
Develop, improve and explore skills and philosophy related to process-oriented art work, such as printmaking, photo and computer art and design. Designed for senior citizens.

ART 603   0.0 unit
Exploration in Art History
3.0 hours lecture
Grading: LBCC Non-Graded Course
Explore the historical, cultural, and/or thematic aspects of the visual arts through lecture, slides, films and/or museum visits. Designed for senior citizens.

ASTRONOMY (ASTR)

ASTR 1   3.0 units
Elementary Astronomy
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to astronomy, the appearance and physical nature of the sun and the planetary system, stars and stellar systems, the formation and evolution of the universe and its contents.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ASTR 1L   2.0 units
Astronomy Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn about observational instruments and techniques and the collection and interpretation of astronomical data. ASTR 1 with 1L meets a physical science lab science requirement.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

AUTO BODY REPAIR (ABODY)

ABODY 211   9.0 units
Intro to Basic Auto Body Repair
5.0 hours lecture , 13.3 hours laboratory
Grading: letter grade or credit/no credit
Intro to basic auto body repair principles involving theory, safety practices, gas welding and brazing, hot shrinking, hammer welding, grinder, metal finishing, body solder, plastic body filler, primer and spray gun techniques.

ABODY 212   9.0 units
Minor Collision Repair
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: ABODY211
Grading: letter grade or credit/no credit
Intro to basic auto body alignment and frame straightening principles involving: theory, safety practices, arc welding, frame construction, alignment, hydraulic body jacks, sectioning and frame dozer.

ABODY 213   9.0 units
Major Collision Repair
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: ABODY212
Grading: letter grade or credit/no credit
Includes: safety practices, gas welding and brazing, leading and soldering, hydraulic equipment, metal finishing, upsetting, external and internal body construction and assembly, frame straightening techniques, basic electrical systems and special projects.

ABODY 214   9.0 units
Painting Techniques
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: ABODY213
Grading: letter grade or credit/no credit
Includes: safety practices, mixing and matching colors, preparation and masking, lacquers and enamels, refinish nomenclature, sealing, spray painting equipment, spray painting, frame straightening techniques and special projects.

ABODY 419AD   4.0 units
Auto Body Repair
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Auto body and chassis repairing, spray painting procedures and safety practices.

AUTO MECHANICS (AMECH)

AMECH   231   **9.0 units**

Engine Repair & Automatic Transmissions
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: High school auto or AMECH421
Grading: letter grade or credit/no credit
Covers safety, tools and fasteners, nomenclature, theory, demonstrations and "hands on" instruction in automobile engines and transmissions. The first six weeks will cover engine repair and the remainder of the class will cover automatic transmissions.

AMECH   232   **9.0 units**

Brakes and Steering Systems
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: High school auto or AMECH421
Grading: letter grade or credit/no credit
Covers safety, tools and equipment, related math and theory, drum and disc brakes, suspension systems, wheels, tires, steering systems, wheel balancing, front-end alignment, differentials, U-joints and clutches.

AMECH   233   **9.0 units**

Auto Electrical and Fuel Systems
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: High school auto or AMECH421
Grading: letter grade or credit/no credit
Covers testing and repair of automotive charging and starting systems, ignition systems (conventional and transistorized), fuel systems (carburetion and fuel injection) and oscilloscopes operation (conventional and computer assisted). Preparation for the ASE (Automotive Service Excellence) test.

AMECH   236   **9.0 units**

Automotive Emission & Computer Control
5.0 hours lecture , 13.3 hours laboratory
Recommended Preparation: AMECH233
Grading: letter grade or credit/no credit
Covers the California State approved "Clean Air Course" and the operation and testing of the emission and computer control systems. Preparation for the Automotive Service Excellence (ASE) and the State Emission Control License test.

AMECH   271AD   **2.0 units**

Work Experience — Automotive
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the auto industry. One unit of credit shall be granted for every 75 hours per semester of paid work or every 60 hours of volunteer work for a maximum of 12 units.

AMECH   272AD   **3.0 units**

Work Experience — Automotive
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit

An extension of vocational learning experiences through employment in work experience directly related to the auto industry. One unit of credit shall be granted for every 75 hours per semester of paid work or every 60 hours of volunteer work for a maximum of 12 units.

AMECH   273AD   **4.0 units**

Work Experience — Automotive
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the auto industry. One unit of credit shall be granted for every 75 hours per semester of paid work or every 60 hours of volunteer work for a maximum of 12 units.

AMECH   280A   **2.0 units**

Special Problems: Automotive
2.0 hours lecture
Corequisite: Current enrollment in one or more of the following courses: AMECH 231, 232, 233 or 234.
Grading: letter grade or credit/no credit
Provides additional information that will apply to a specific make vehicle.

AMECH   280B   **2.0 units**

Special Problems: Automotive
2.0 hours lecture
Corequisite: Current enrollment in one or more of the following courses: AMECH 231, 232, 233 or 234.
Grading: letter grade or credit/no credit
Provides additional information that will apply to a specific make vehicle.

AMECH   280C   **2.0 units**

Special Problems: Automotive
2.0 hours lecture
Corequisite: Current enrollment in one or more of the following courses: AMECH 231, 232, 233 or 234.
Grading: letter grade or credit/no credit
Provides additional information that will apply to a specific make vehicle.

AMECH   280D   **2.0 units**

Special Problems: Automotive
2.0 hours lecture
Corequisite: Current enrollment in one or more of the following courses: AMECH 231, 232, 233 or 234.
Grading: letter grade or credit/no credit
Provides additional information that will apply to a specific vehicle.

AMECH   421   **3.0 units**

Auto Mechanics 1
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to the principles of the operation of the modern auto. Provides practical experience in maintenance and repair at the owner-operator level. Consumer awareness is emphasized.

AMECH   424   **3.0 units**

Auto Air Conditioning
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit

Covers tools and equipment, refrigeration fundamentals, electrical systems, air distribution, automatic air conditioning, installation, maintenance and repair of auto air conditioning.

AMECH 426   3.5 units
Clean Air Car
2.9 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Prepares the mechanic to take a state exam and obtain a license to work as a smog mechanic in the statewide Motor Vehicle Pollution Control Program. A prerequisite for admission into the state-administered inspection and Maintenance (I/M) Training.

AMECH 430   6.0 units
Auto Wheel Alignment
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: High school auto mechanics or AMECH421
Grading: letter grade or credit/no credit
Covers the theory, design and operation of chassis units affecting stability, power flow, suspension and steering in autos and small trucks. Includes testing, trouble diagnosis and modern methods of servicing. Preparation for taking the ASE (Automotive Service Excellence) test is emphasized.

AMECH 432   6.0 units
Automotive Brake Systems
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AMECH421
Grading: letter grade or credit/no credit
Covers the theory, design and operation of the standard, disc and anti-lock brake systems common to most autos and small trucks. Includes testing, diagnosing and modern methods of servicing the brake system.

AMECH 434   6.0 units
Engine Repair
5.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Instruction in the operation of tools common to engine rebuilding and an in-depth study of engine design and theory of construction, testing, troubleshooting and rebuilding an engine block. Prepare to take the ASE (Automotive Service Excellence) test.

AMECH 436   6.0 units
Automatic and Standard Transmissions
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: High school auto or AMECH421
Grading: letter grade or credit/no credit
Covers construction, operation, maintenance, adjustment and overhaul of manual and automatic transmissions. Individualized self-paced instruction is used.

AMECH 438   6.0 units
Auto Emission Controls
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: High school auto mechanics or AMECH421
Grading: letter grade or credit/no credit
Covers the California State approved "Clean Air Course," as well as preparation for the California Inspection and Maintenance Emission Control License. Also, covers operation and testing of computer-controlled oxygen feedback systems and use

of the California State approved Test Systems Analyzer (TAS).

AMECH 440   6.0 units
Automotive Computer Systems
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AMECH421
Grading: letter grade or credit/no credit
Covers the operation and testing of computer controlled oxygen feedback systems, the use of the California State Approved Test Systems Analyzer (TAS) and the use of computer-assisted auto systems analyzers. Prepare to take the ASE (Automotive Service Excellence) and the California state emission control license tests.

AMECH 442   6.0 units
Automotive Fuel Systems
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AMECH421
Grading: letter grade or credit/no credit
Covers the testing and repair of auto fuel systems (carburetion and fuel injection) and operation of auto oscilloscopes for testing purposes. Prepare to take the ASE (Automotive Service Excellence) test.

AMECH 444   6.0 units
Automotive Electrical Systems
5.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: AMECH421
Grading: letter grade or credit/no credit
Covers the testing and repair of auto charging and starting systems. Auto ignition systems (conventional and transistorized) and operation of auto oscilloscopes (conventional and computer assisted) are covered. Prepare to take the ASE (Automotive Service Excellence) test.

AMECH 480   3.0 units
Introduction to Electric Vehicles
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Overview of the world of electric vehicle conversions. Alternatives to gasoline powered vehicular travel and advantages of electric powered automobiles. Conversion process, testing, assembly, operation and maintenance of EVs. Appropriate safety related instruction included in each segment.

AMECH 481   3.0 units
Advanced Electric Vehicles
2.0 hours lecture , 3.0 hours laboratory
Grading: credit/no credit
Furthers skills in electric vehicle (EV) conversions and an intro to advanced EV designs and propulsion systems. Will work with hybrids, A.C. drive systems and advanced design electric vehicles. Includes the EV design and construction, the testing, assembly, operation and maintenance of EVs; the influence of aerodynamic design; advanced technology batteries and intelligent charging systems; hydrogen fuel cell technology and alternative EV drive systems. Appropriate safety related instruction will be included in each segment.

AMECH 483   3.0 units
Electric Vehicle Projects
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Increases student skill and knowledge and updates the student in the area of their choice regarding electric vehicle technology. Emphasizes OEM (original

equipment manufacturer) electric vehicle conversion programs and dedicated OEM EVs, continued EV component knowledge, hybrid-electric vehicles and advances in battery and charger technologies showing sensitivity to the diversity and backgrounds of the students. Appropriate safety related instructions will be included in each segment.

AMECH   490   3.5 units

Introduction to Alternative Fuels
3.0 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Alternative fueled vehicles are the way of the future. Covers theory of operation, installation, testing, trouble-shooting and repair of gaseous fuels with a focus on natural gas. Includes both dedicated and after-market systems. Gasoline and diesel powered vehicles are discussed with an emphasis on computer- controlled fuel injection. Current trends in the industry and preparation for taking the ASE (Automotive Service Excellence) F1 test are included.

AMECH   491   3.5 units

Heavy Duty Alternative Fuels
3.0 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Heavy duty/diesel alternative fueled vehicles with an emphasis on natural gas. Includes the theory of operation, installation, testing, trouble-shooting and repair of alternatively-fueled heavy duty vehicles with both dedicated and after-market systems. Gasoline and diesel powered vehicles are discussed, emphasizing computer controlled fuel management. Current trends in the industry and preparation for taking the ASE (Automotive Service Excellence) F1 test are included.

AMECH   492   3.5 units

H D Alt Fuel Engine Diagnosis & Repair
3.0 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Covers diesel engine conversion to a spark ignited, alternatively-fueled engine. The theory of operation, conversion, trouble-shooting and maintenance of alternatively-fueled heavy duty engines, emphasizing natural gas and computer controlled fuel management systems. Includes both factory and after-market dedicated systems. Current trends in the industry and preparation for taking the ASE (Automotive Service Excellence) F1 test are included.

AMECH   493   3.5 units

Alt Fuels Conversion, Diagnosis & Repair
3.0 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Covers chassis conversion of light and heavy duty vehicles to run on alternative fuels. The theory of conversion, installation, regulations and certification, manufacturing techniques and trouble-shooting of alternatively-fueled vehicles, emphasizing natural gas and computer controlled fuel management systems. Current trends in the industry and preparation for taking the ASE (Automotive Service Excellence) F1 test are included.

AMECH   801   2.0 units

Quick Service Tech-Lubrication Service
2.0 hours lecture , 0.2 hour laboratory
Grading: credit/no credit

Learning to be a Quick-Service Lubrication Technician is one of the fastest ways to a job in automotive technology. This one-week course prepares you to enter this field immediately with skills needed for an entry-level job doing oil changes, lubrication, under hood services and vehicle inspections. Job seeking skills are included. Also excellent for the do-it-yourselfer who wants to learn how professionals do a lubrication service.

AMECH   802   2.0 units

Quick Service Tech-Tire Service
2.0 hours lecture , 0.2 hour laboratory
Grading: credit/no credit
Learning to be a Quick Service Tire Technician is one of the fastest ways to a job in automotive technology. This one-week course prepares you to enter this field immediately with skills needed for an entry-level job doing tire rotation, repair, replacement, balancing and vehicle inspections. Job seeking skills included. Also excellent for the do-it-yourselfer who wants to learn how professionals do tire service.

AMECH   803   2.0 units

Quick Service Tech-Brake Inspection
2.0 hours lecture , 0.2 hour laboratory
Grading: credit/no credit
Learning to be a Quick Service Brake Inspection Technician is one of the fastest ways to a job in automotive technology. This one-week course prepares you to enter this field immediately with skills needed for an entry-level job doing brake safety inspections and vehicle inspections. Job seeking skills included. Also excellent for the do-it-yourselfer who wants to learn how professionals do brake service.

AVIATION MAINTENANCE TECHNICIAN (AVMNT)

AVMNT   210   14.0 units

General Aviation Maintenance Technology
9.0 hours lecture , 15.0 hours laboratory
Grading: letter grade
A required course leading to the FAA Aviation Maintenance Technician Certificate with a rating of Power plant and/or Airframe Mechanic. Includes: basic electricity, aircraft drawings, weight and balance, fluid lines and fittings, materials and processes, ground operation and servicing, cleaning and corrosion control, math, maintenance forms and records, basic physics, maintenance publications and mechanic's privileges and limitations.

AVMNT   211   7.0 units

General Aviation Maintenance Technology
13.0 hours lecture
Grading: letter grade
Beginning course for persons wishing to become airplane mechanics. Partially fulfills the requirements stated in FAR 147. Includes safety, basic electricity, weight and balance, materials and processes, math and basic physics. Typically offered for nine weeks.

AVMNT   241   8.0 units

Airframe Structures
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT211
Grading: letter grade

Partially fulfills the requirements stated in FAR 147. Includes safety, wood structures, aircraft covering, sheet metal structures, ice and rain control, welding, aircraft finishing, cleaning and corrosion control, wood structures and aircraft drawings. Typically offered for nine weeks.

AVMNT 242   8.0 units
Aircraft Systems and Components 1
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT241
Grading: letter grade
Partially fulfills the requirements stated in FAR 147. Includes safety, assembly and rigging, airframe inspection, hydraulic and pneumatic power systems, cabin atmosphere, aircraft drawing, aircraft instrument systems, aircraft electrical systems, position and warning systems, fluid line and fittings, cleaning and corrosion control. Typically offered for nine weeks.

AVMNT 243   8.0 units
Aircraft Systems and Components 2
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT242
Grading: letter grade
Partially fulfills the requirements stated in FAR 147. Includes safety, assembly and rigging, airframe inspection, hydraulic and pneumatic power systems, aircraft electrical systems, position and warning systems, fluid line and fittings, cleaning and corrosion control. Typically offered for nine weeks.

AVMNT 251   8.0 units
Powerplant Theory and Maintenance
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT211
Grading: letter grade
Partially fulfills the requirements stated in FAR 147. Includes safety, reciprocating engine-A, turbine engine-A, lubrication systems and maintenance forms and records. Typically offered for nine weeks.

AVMNT 252   8.0 units
Powerplant Systems and Components 1
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT251
Grading: letter grade
Partially fulfills the requirements stated in FAR 147. Includes safety, ignition systems, fuel metering systems, propellers-A, engine fuel systems, induction systems, engine cooling, mechanic privileges and limitations, maintenance forms and records, ground operation, aircraft drawings and aircraft instruments.

AVMNT 253   8.0 units
Powerplant Systems and Components 2
6.2 hours lecture , 9.3 hours laboratory
Recommended Preparation: AVMNT252
Grading: letter grade
Partially fulfills the requirements stated in FAR 147. Includes safety, reciprocating engines-B, turbine engines-B, engine instrument systems, propellers-B, engine electrical systems, engine fire protection, engine inspection, engine exhaust systems, aircraft instrument system, communication and navigation systems, ice and rain control, additional practices and exams.

AVMNT 427A   4.0 units
Aviation Electronics (Avionics)
3.0 hours lecture , 3.0 hours laboratory

Grading: letter grade
Covers theory and practical applications of electronic equipment for aircraft including the following systems: safety, publications, drawings and schematics, FCC regulations and abbreviations, hand tools and test equipment, review of electronic principles and circuits, communications, navigational, multiplexing, distance measuring equipment and autopilot systems.

AVMNT 427B   4.0 units
Aviation Electronics (Avionics)
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: AVMNT 427A
Grading: letter grade
Theory and practical applications of electronic equipment for aircraft including the following systems: ADF, radar, marker beacon, glideslope and localizer, antennae and servo. Lectures and selected field trips.

AVMNT 440   4.0 units
Aircraft Mechanics License Preparation
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: AVMNT 243 or AVMNT 253
Grading: letter grade or credit/no credit
Review of theoretical and technical information related to airframe and powerplant mechanics in preparation for the FAA written, oral and practical exams.

AVMNT 441A   2.0 units
Aircraft Blueprint Reading
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade
Fundamentals of blueprint reading and related information as applied to aircraft manufacturing.

AVMNT 460   4.0 units
Airframe Structures 1
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for airframe structures stated in FAR 147 including wood structures, aircraft covering and sheet metal structures.

AVMNT 461   4.0 units
Airframe Structures 2
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for airframe structures stated in FAR 147, including ice and rain control, welding, aircraft finishing, cleaning and corrosion control and aircraft drawings.

AVMNT 462   4.0 units
Aircraft Systems and Components 1
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for aircraft systems and components stated in FAR 147, including aircraft landing gear systems, hydraulic and pneumatic power systems, fluid line and fittings and cabin atmosphere.

AVMNT 463   4.0 units
Aircraft Systems and Components 2
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for aircraft systems stated in FAR 147 including aircraft drawing, instrument systems and electrical systems.

AVMNT   464   **4.0 units**

Aircraft Systems and Components 3
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for aircraft systems and components stated in FAR 147, including position and warning systems, cleaning and corrosion control, assembly and rigging and ground operation.

AVMNT   465   **4.0 units**

Aircraft Systems and Components 4
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for aircraft systems and components stated in FAR 147, including airframe inspection, hydraulic and pneumatic power systems, communication and navigation.

AVMNT   466   **4.0 units**

Aircraft Systems and Components 5
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for aircraft systems and components stated in FAR 147, including aircraft fuel systems, drawing, ice and rain control, fluid lines and fittings.

AVMNT   470   **4.0 units**

Powerplant Theory and Maintenance
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants stated in FAR 147, including reciprocating engines, lubrication systems, maintenance forms and induction systems.

AVMNT   471   **4.0 units**

Powerplant Systems and Components 1
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants stated in FAR 147, including turbine engine, ignition systems, engine cooling systems and mechanic privileges and limitations.

AVMNT   472   **4.0 units**

Powerplant Systems and Components 2
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants stated in FAR 147, including fuel metering systems, propellers "A," ground operation and aircraft drawings.

AVMNT   473   **4.0 units**

Powerplant Systems and Components 3
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants as stated in FAR 147, including engine fuel systems, induction systems, aircraft instruments and propellers "B."

AVMNT   474   **4.0 units**

Powerplant Systems and Components 4
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants as stated in FAR 147, including reciprocating engines "B," turbine engines "B," engine inspection and exhaust systems.

AVMNT   475   **4.0 units**

Powerplant Systems and Components 5
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants as stated in FAR 147, including engine instrument systems, propellers "B," communication and navigation systems.

AVMNT   476   **4.0 units**

Powerplant Systems and Components 6
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Partially fulfills the requirements for powerplants as stated in FAR 147, including engine electrical systems, engine fire protection, ice and rain control and additional practices and exams.

AVMNT   477   **4.0 units**

Advanced Gas Turbine Engine
6.0 hours lecture
Grading: letter grade
For aviation airframe and powerplant technicians and covers: gas turbine engine theory, types of gas turbine engines, internal turbine engine components, jet engine system descriptions, gas turbine maintenance, handling and operation.

AVMNT   601   **0.0 unit**

Aviation Refresher Training
15.0 hours laboratory
Grading: LBCC Non-Graded Course
Preparation for entry or re-entry into and for advancement in an aviation maintenance field. Develop or review basic terminology, basic hand tool and equipment identification and application, basic math and other knowledge and skills needed for job preparation.

AVIATION PILOT (AVPLT)

AVPLT   49   **1.0 unit**

Professional Pilot Career Orientation
1.0 hour lecture
Grading: credit/no credit
Covers career orientation for prospective professional pilots. Surveys major airlines, commuter airlines, corporate, flight instruction, work operation, military aviation and other pilot careers. Covers historical hiring patterns, the hiring cycle, employment outlook, pay scales and career preparation, physical and medical considerations, work schedules and other working conditions, employee benefits and career progression.
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   50   **5.0 units**

Basic Aeronautical Ground School
5.0 hours lecture
Grading: letter grade or credit/no credit
Satisfies FAA requirements for private pilot ground instruction and provides substantial additional preparation for becoming a safe pilot. Weather navigation, aircraft and engines, radio, theory of flight, safety and FAR's are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   51   **3.0 units**

Commercial Ground School
3.0 hours lecture
Recommended Preparation: AVPLT50 or FAA private
pilot certificate.
Grading: letter grade or credit/no credit
Covers airplane aerodynamics, engines, instruments and
systems. Airplane performance, weight and balance
control, aircraft operation, aeronautical decision
making, judgment and other human factors are
discussed. Selected sections of FAR parts 1, 61, 91, 135
and 121; NTSB Part 830, AVPLT51, plus either
AVPLT50 or 54 and 56 satisfies the requirement of FAR
61. 125 for Commercial Pilot aeronautical knowledge.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   52   **3.0 units**

Instrument Ground School
3.0 hours lecture
Recommended Preparation: AVPLT50 or FAA private
pilot certificate. Helpful but not necessary to have
completed AVPLT51 and 56.
Grading: letter grade or credit/no credit
Covers use and interpretation of flight instruments,
flight planning, aircraft performance and human factors,
pre-flight weather briefing, regulations and air traffic
control procedures and preparation for FAA written
exam. Satisfies requirement of Federal Aviation
Administration Part 61 for instrument pilot-airplane
ground school.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   54   **3.0 units**

Navigation
3.0 hours lecture
Recommended Preparation: AVPLT50 or FAA private
pilot certificate.
Grading: letter grade or credit/no credit
Covers pilotage, dead reckoning and radio navigation,
emphasizing the practical application to cross-country
navigation of general aviation aircraft.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   56   **3.0 units**

Meteorology
3.0 hours lecture
Grading: letter grade or credit/no credit
Covers the atmosphere, temperature, pressure, wind,
moisture, stability, clouds, air masses, fronts,
turbulence, icing, thunderstorms, fog, weather
observations, forecasts and reports.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   57   **3.0 units**

Aircraft Engines and Related Systems
3.0 hours lecture
Grading: letter grade or credit/no credit
This course primarily covers reciprocating engines,
including types and construction; lubrication sytems;
propellers and governors; carburetion fuel injection;
superchargers and turbochargers; ignition sytems; fire
protection; and engine operation. Pilots are taught how
to detect, troubleshoot and report maintenance
problems. Aircraft maintenance regulations, forms, and
procedures are covered. The course also includes an

introduction to turbine engines, and is intended for pilots
and aircraft owners.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   59   **3.0 units**

Aero Systems
3.0 hours lecture
Grading: letter grade or credit/no credit
Retractable gear is discussed, as well as electrical, basic
hydraulic, fuel, pneumatic, de-icing, anti-icing, oxygen
and pressurization systems. Normal and emergency
operating procedures are discussed, as well as inflight
trouble-shooting and problem reporting. Note: for pilots,
not for prospective aircraft mechanics (see Aviation
Maintenance Technician courses).
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   60   **2.0 units**

Aero Law
2.0 hours lecture
Grading: letter grade or credit/no credit
Legal rights, responsibilities and problems associated
with aircraft ownership, operation and repair. Note:
course does not cover Federal Air Regulations, but is
designed primarily for pilots, aircraft owners and aircraft
operators.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   61   **2.0 units**

Basic Simulator Flight Training
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
Discusses flight simulator characteristics and operation,
instrument interpretation and aircraft control by
reference to instruments, altitude instrument flying,
intro to radio navigation procedures, flight safety and
emergency procedures.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   62AD   **2.0 units**

Advanced Simulator Flight Training
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: AVPLT61 or FAA private
pilot certificate.
Grading: credit/no credit
Partial preparation for the FAA Instrument Rating —
Airplane practical exam, using FAA approved flight
training devices (simulators). Provides pilot experience
to partially satisfy the forty hour requirement in FAR
61.65 (d). Departure, enroute and instrument approach
procedures. Radio communication air traffic control and
IFR clearance copying. Complex aircraft operation.
*Transfer Status: Transferable to CSU, see counselor for
limitations.*

AVPLT   63AD   **2.0 units**

Commercial Pilot-Single Engine Simulator
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: AVPLT 62AD or
instrument rating
Grading: credit/no credit
Flight simulator characteristics and operation, clearance
copying, radio communication, air traffic control,
transponder, departure, enroute and instrument
approach procedures, complex aircraft operation, air
traffic control radar, instrument approach facilities and

emergency procedures. Note: not an instrument ground school course.
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   65AD   2.0 units
Commercial Pilot Multi-Engine Simulator
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
Partial preparation for private pilot-airplane (multi-engine) flight test. Uses an ATC 810 multi-engine simulator (ground trainer).
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   66AD   2.0 units
Airline Transport Pilot Multi-Eng. Sim
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: A commercial pilot FAA certificate with instrument rating. (AMEL)
Grading: credit/no credit
Partial preparation for airline transport pilot-airplane (multi-engine) flight test. Also useful for preparing for initial and recurrent flight checks required in FAR 135.297. Includes an intro to "cockpit resources management." Uses an ATC 810 multi-engine simulator (ground trainer) similar to the Piper Navajo.
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   71   3.0 units
Flight & Ground Instructor
3.0 hours lecture
Recommended Preparation: AVPLT51 or passing score on the FAA commercial pilot written exam.
Grading: letter grade or credit/no credit
Provides preparation for FAA flight instructor written and oral exams and the FAA ground instructor written exams. Review of knowledge required for private and commercial pilot certificate.
Transfer Status: Transferable to CSU, see counselor for limitations.

AVPLT   74   6.0 units
Transport Category Jet Aircraft Systems
6.0 hours lecture
Recommended Preparation: FAA Commercial Pilot Certificate with instrument rating.
Grading: letter grade or credit/no credit
FOR PILOTS AND FLIGHT ENGINEERS. An in-depth study of systems for transport category jets operated under FAR Part 121. Also includes related FAR Part 121, aerodynamics, meteorology, weight and balance and aircraft performance. Prepares for the FAA Flight Engineer-Basic and Turbojet knowledge exam and prepares for airline new hire ground schools.
Transfer Status: Transferable to CSU, see counselor for limitations.

BASIC ADULT EDUCATION (BAE)

BAE   601   0.0 unit
Basic Adult Education-Fundamental Skills
15.0 hours laboratory
Grading: LBCC Non-Graded Course
Designed to aid students who: (1) are enrolled, or plan to enroll, in regular courses and need to improve or refresh their basic educational skills; (2) wish to review or complete their elementary and/or secondary education;

(3) plan to take the General Education Diploma (GED) tests; (4) are preparing to take exams for employment, special educational/vocational programs or college/university entrance or (5) wish to improve their mastery of English as a Second Language.

BIOLOGY (BIO)

BIO   1A   5.0 units
Biology for Science Majors
3.0 hours lecture , 6.0 hours laboratory
Prerequisite: CHEM 1A
Grading: letter grade
The first semester of a one-year survey of biology. Includes the chemistry of life, cellular organization, biological membranes, energetics, genetics, evolution and diversity of lower life forms.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   1B   5.0 units
Biology for Science Majors
3.0 hours lecture , 6.0 hours laboratory
Prerequisite: BIO 1A
Grading: letter grade
The second semester of a one-year survey of biology. Includes an overview of diversity, structures and life processes in plants and animals and ecology.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   2   (CAN BIOL 14)   5.0 units
General Microbiology
3.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to the anatomy of bacteria, fungi, algae, protozoa, viruses, microbial metabolism, bacterial genetics, genetic engineering, control of micro-organisms, antimicrobial drugs, current microbial classification, characteristics of the most common genera of micro-organisms, replication of viruses, common diseases caused by micro-organisms and viruses, microbial ecology, aquatic microbiology and the microbiology of foods and beverages.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   5   4.0 units
Plant Biology
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Develop an understanding of the fundamental concepts and principles of plant life, including a study of plant structures, functions and diversity. Designed for non-science majors. Not open to students registered in or with credit in BIO 1A.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   11   3.0 units
Environmental Problems of Man
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of the effects of man's interaction with the total environment, the problems resulting from ignoring known ecological principles and the socio-cultural implication of biological concepts. Selected crisis situations will be examined. Physical, biological and political means and methods of reversing environmental

deterioration will be considered, as well as conservation and management of natural resources.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   18   2.0 units
Edible, Poisonous & Useful Plants
2.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the identification and usages of plants of various Southern California areas. Specific plants used as sources of food, drugs, fibers, dyes and those known to be poisonous will be described and discussed. Includes lectures in the classroom and in the field. Designed for non-science majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   20   4.0 units
Marine Biology
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to marine natural history, incorporating biological concepts: plants, animals and habitats of the marine environment. A variety of marine communities are discussed in relation to their biotic and physical/chemical components. Includes lab work and field trips.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   20H   4.0 units
Honors Marine Biology
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
An intro to marine natural history, incorporating biological concepts: plants, animals and habitats of the marine environment. A variety of marine communities are discussed in relation to their biotic and physical chemical components. Includes lab work and field trips.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   22   2.0 units
Oceanus: The Marine Environment
2.0 hours lecture
Grading: letter grade or credit/no credit
Focuses on the marine environment as a unique feature of the planet Earth and investigates areas of intense scientific and public concern: the pervasiveness of the ocean and its effect on weather, its contributions to the size and diversity of life forms and to the physical and historical development of humankind, its impact on geopolitical and economic matters, the impact of oceanic pollutants and the potential exploitation of the marine resources.
Transfer Status: Transferable to CSU, see counselor for limitations.

BIO   25   3.0 units
Biology and Society
3.0 hours lecture
Grading: letter grade or credit/no credit
Covers a variety of basic biological concepts, discoveries and theories that also have important social, philosophical, ethical and religious implications. Sharpen critical thinking skills while exploring scientific thinking, biological evolution, natural selection, bioethics, abortion, cloning, homosexuality,

AIDS, genetic engineering, reproductive technologies, overpopulation and major ecological issues.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   28   2.0 units
Field Natural History of the Mountains
1.3 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to mountain environments and communities. Covers physical and biological aspects of mountain ecosystems, using at least two weekend field trips to explore and compare various California mountain ranges. Emphasizes the various life zones and the identification of their representative plants and animals.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   30   4.0 units
Wildlife Biology
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
A natural history course that provides a general survey of ecological principles which describe organisms, their habits and how they relate to the environment. Includes all major forms of life, characteristics and behaviors of selected forms, using California representatives as examples. Various natural communities are discussed with reference to their local geology, geography, climate, seasonal influences, ecological principles and biotic communities. Communities emphasized include marine habitats, chaparral regions, mountain ranges and life zones and deserts. After taking the course, the student should be familiar with climate, rocks, plants, animals, major ecological factors and biogeography of any area in California.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   31   2.0 units
Birds
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
An intro to the identification and recognition of the birds of Southern California. Emphasizes field identification. Habitats, behaviors, songs, migratory patterns, ecology and natural history will be stressed. Includes at least three field trips.
Transfer Status: Transferable to CSU, see counselor for limitations.

BIO   37   2.0 units
Field Natural Hist: South Calif. Deserts
1.3 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Acquaints students with the basic physical and biological features of the desert environment. Emphasizes plants and animals of the desert ecosystem and their adaptations to the environment. The associations and habitats characteristic to the desert will be examined. Offered spring semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO   38   2.0 units
Field Natural History: Newport Bay
1.3 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit

A study of the estuarine wetland habitats of Newport Bay. Become acquainted with the basic physical and biological features of Newport Bay. A study of the common plants and animals of both the marine and terrestrial environments will be made. Emphasizes how these organisms adapt to estuarine conditions. Historical and political background of the Bay will be discussed as it pertains to that particular environment.
Transfer Status: Transferable to CSU, see counselor for limitations.

BIO 41   3.0 units
Contemporary Biology
3.0 hours lecture
Grading: letter grade or credit/no credit
Covers the general principles of biology, such as molecular biology, organic evolution, taxonomy, basic similarities of living patterns, basic physiology and anatomy of body systems, genetic continuity and environmental biology. Significant problems of modern biology are included. Not open for credit to students registered in or with credit in BIO 1A-B or 5.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 41H   3.0 units
Honors Contemporary Biology
3.0 hours lecture
Prerequisite: Qualification for the Honors Program.
Corequisite: BIO 41L
Grading: letter grade or credit/no credit
Covers the general principles of biology such as molecular biology, organic evolution, taxonomy, basic similarities of living patterns, basic physiology and anatomy of body systems, genetic continuity and environmental biology. Significant problems of modern biology are included. Not open for credit to students registered in or with credit in BIO 1A-B or 5.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 41L   1.0 unit
Contemporary Biology Laboratory
3.0 hours laboratory
Grading: letter grade or credit/no credit
An audio tutorial lab in contemporary biology which provides a practical experience. Experiments and demonstrations are selected which clarify the principles developed in BIO 41. Not open for credit to students registered in or with credit in BIO 1A-B or 5.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 60   4.0 units
Human Biology 1
4.0 hours lecture
Grading: letter grade or credit/no credit
Combines the elementary principles of anatomy, physiology, microbiology, nutrition and very elementary chemistry. Learn the basic terminology of these fields as a foundation for further study of medical problems and diseases. Designed to fulfill the general science requirement and to meet the needs of the health occupations student. Not open for credit to students registered in or with credit in ANAT 1 and PHYS 1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 60L   1.0 unit
Human Biology 1 Laboratory
3.0 hours laboratory
Prerequisite: BIO 60 (may be taken concurrently)
Grading: letter grade or credit/no credit
An audio tutorial biology lab providing practical experience in human anatomy, physiology and microbiology. Experiments and demonstrations are selected which clarify the principles developed in BIO 60.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 61   3.0 units
Human Biology 2
3.0 hours lecture
Prerequisite: BIO 60
Grading: letter grade or credit/no credit
Intro to the study of disease, including cause, prevention and symptoms of the common human diseases, assumes a basic understanding of anatomy and physiology. Designed for the general student and those in the health technology fields.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 62   3.0 units
Human Biology 3
3.0 hours lecture
Prerequisite: Eligibility ENGL 1 and BIO 60.
Grading: letter grade or credit/no credit
An advanced anatomy, physiology and microbiology course. Includes the nervous system, sense organs, the circulatory, respiratory, excretory and digestive systems, common infectious diseases and epidemiology.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

BIO 261   3.0 units
Human Biology for Vocational Nurses
3.0 hours lecture
Prerequisite: BIO 60
Grading: letter grade
A course in human anatomy, physiology and disease processes for vocational nurses and general students. Builds on the students' knowledge of the human body obtained in BIO 60. Includes info on nutrition, infectious diseases, genetics and the common diseases that affect each body system. Not to be used for transfer into the ADN program.

BUSINESS, GENERAL (GBUS)

GBUS 5   3.0 units
Introduction to Business
3.0 hours lecture
Grading: letter grade
Surveys functions, characteristics, organization and problems of industry. Serves as a foundation for later, specialized study, particularly in accounting and economics. Orients students toward vocational specialization.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GBUS 216A   1.0 unit
Fundamentals of Investments
1.0 hour lecture

Grading: letter grade
Covers risks and procedures involved in investment programs with major emphasis on marketing corporate equities, mutual funds, taxation and financial statements. Typically offered for six weeks.

GBUS 216B   1.0 unit
Fundamentals of Investments
1.0 hour lecture
Grading: letter grade
Covers risks and procedures involved in investment programs with major emphasis on bonds, wills, insurance, real estate and pension and estate planning. Typically offered for six weeks.

GBUS 251   3.0 units
Business Mathematics
3.0 hours lecture
Recommended Preparation: Basic math skills.
Grading: letter grade
Emphasizes quantitative business techniques as applied to pricing, markdowns, discounts, interest, calculating payroll, ratios, business statistics, income statements and balance sheets.

GBUS 271AD   2.0 units
Work Experience — Business, General
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Gain vocational learning experiences through employment directly related to the industry.

GBUS 272AD   3.0 units
Work Experience — Business, General
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Gain vocational learning experiences through employment directly related to the industry.

GBUS 273AD   4.0 units
Work Experience — Business, General
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Gain vocational learning experiences through employment directly related to the industry.

BUSINESS, INTERNATIONAL (IBUS)

IBUS 1   3.0 units
Introduction to International Business
3.0 hours lecture
Grading: letter grade
Intro to the global business macro-environment and orients students toward a career in the field of international business.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 20   3.0 units
Export-Import Business Practices
3.0 hours lecture
Grading: letter grade

Consists of the basics of export-import business, how to handle money matters and how to buy and sell. Designed for the person seeking an entry level position, contemplating the start of an export-import business or the manager wanting to expand a company's marketing opportunities.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 30   3.0 units
International Business Management
3.0 hours lecture
Grading: letter grade
Emphasizes the concept that management of an international operation differs in many ways from that which takes place in just one country. Gain knowledge, insight, foresight and competence needed in the international decision-making process.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 40   3.0 units
International Banking and Finance
3.0 hours lecture
Grading: letter grade
Emphasizes the financial requirements of international business, source of funds, international credit and payment arrangements and methods of minimizing financial risks.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 52   3.0 units
International Marketing
3.0 hours lecture
Grading: letter grade
Orientates the student to the performance of business activities that direct the flow of a company's goods and services to the consumers or users in more than one nation. Emphasizes the practical skills and techniques utilized to successfully market on an international basis.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 60   3.0 units
International Business Law
3.0 hours lecture
Grading: letter grade
Provides a general overview and understanding of international law as it applies to international business and global trade.
Transfer Status: Transferable to CSU, see counselor for limitations.

IBUS 273AD   4.0 units
Work Experience-International Business
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade
Improve your skills in international business. Students who are currently employed in the field or seeking an internship will gain valuable insights through a mentored program designed to assist them in setting and achieving work goals. This course is offered once per year.

BUSINESS, LAW (LAW)

LAW   18A   **3.0 units**
Business Law
3.0 hours lecture
Grading: letter grade
Intro to law and court systems, contracts, government,
property, bailment and sales.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

LAW   18B   **3.0 units**
Business Law
3.0 hours lecture
Grading: letter grade
Confirmation of the completion of LAW 18A and the
study of secured transactions, agency and employment,
business organizations and property.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

CABINET MAKING (CABMK)

CABMK   201   **9.0 units**
Intro to Wood Products Manufacturing
4.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
A beginning course that covers the employment
opportunities, safety practices, materials and techniques
used to fabricate the wood products.

CABMK   202   **9.0 units**
Traditional Wood Products Manufacturing
4.0 hours lecture , 15.0 hours laboratory
Prerequisite: CABMK 201
Grading: letter grade or credit/no credit
Safety, advanced detailing, stock billing, cabinet wood
selection, cutting distortions from cabinet woods,
fundamentals of power machine operation and wood
technology are outlined. Special projects and field trips
are included.

CABMK   203   **9.0 units**
Contemporary Wood Products Manufacturing
4.0 hours lecture , 15.0 hours laboratory
Prerequisite: CABMK 202
Grading: letter grade or credit/no credit
Safety, advanced application of woodworking hand
tools, advanced wood working power machine
operation, machine tool maintenance, material for
cabinet making, furniture design and case goods —
residential-commercial cabinet construction are
outlined. Special projects and field trips are included.

CABMK   290AD   **2.0 units**
Advanced Practices
6.0 hours laboratory
Prerequisite: CABMK 201 or CABMK 301
Grading: letter grade or credit/no credit
A comprehensive lab course for students enrolled in the
cabinet making program. Includes techniques and
machining practices.

CABMK   455   **4.0 units**
Wood Products for Aircraft Interiors
3.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CABMK201 or 301
Grading: letter grade or credit/no credit

Covers the special materials and techniques used to
fabricate the wood products that are used in aircraft.
Identifying the information required from engineering
drawings, planning the production process, application
of fasteners and hardware, installing the products and
protecting the product are included. Upon completion, a
thorough knowledge of and skill development in the
techniques to fabricate wood products for aircraft
interiors will be achieved.

CARPENTRY (CARP)

CARP   211   **10.0 units**
Carpentry 1
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers hand tools, power tools, materials of the
carpentry trade, land and lot locating, intro to blueprint
reading, foundations, trade history, ethics and safety.
Class includes field trips and special projects.

CARP   212   **10.0 units**
Carpentry 2
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: CARP 211
Grading: letter grade or credit/no credit
Safety, rough framing to include: mudsills and their
placement, girder placement, floor joists, sub-flooring,
wall framing systems, ceiling joists and roughing out
stairs, as well as field trips and special projects.

CARP   213   **10.0 units**
Carpentry 3
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: CARP 212
Grading: letter grade or credit/no credit
Safety, roof framing, exterior covering and finish,
interior finishing and stairway finishing are included, as
well as field trips and special projects.

CARP   219   **4.0 units**
Residential Roof Framing
2.0 hours lecture , 6.0 hours laboratory
Recommended Preparation: Carpentry 211
Grading: letter grade
This is an advanced course in Carpentry covering
residential roof framing. Topics of instruction include
roof structures, calculations and layout of various
rafters, codes requirements, roof construction, and
estimating. Practical instruction is given in the use of
tools and materials through carpentry laboratory work.

CARP   222   **4.0 units**
Residential Stairs
2.0 hours lecture , 6.0 hours laboratory
Recommended Preparation: CARP 211
Grading: letter grade
This is an advanced course in Carpentry covering
residential stairs framing. Topics of instruction include
stair design, calculation, layout, and construction.
Practical instruction is given in the carpentry laboratory
work.

CARP   225   **4.0 units**
Metal Framing
2.0 hours lecture , 6.0 hours laboratory
Recommended Preparation: CARP 211
Grading: letter grade

This course covers the fundamentals of residential light steel framing. Topics include: raised floor construction, wall framing, trussed roof fabrication and installation, applicable building codes and blueprint reading. The fundamentals are learned through laboratory work which requires the use of standard construction tools and materials.

CARP   230   4.0 units
Cost Estimating
4.0 hours lecture
Recommended Preparation: CARP 440
Grading: letter grade or credit/no credit
This course is designed for those individuals needing to produce accurate project estimates; topics will include interpretation of project information from a detailed blueprint and processing it into a final detailed estimate.

CARP   240   2.0 units
OSHA Safety for Construction
2.0 hours lecture
Grading: letter grade
This course presents a concise introduction to OSHA standards and regulations.

CARP   250   5.5 units
Pre-Apprenticeship Training
3.0 hours lecture , 8.0 hours laboratory
Grading: letter grade or credit/no credit
Comprehensive preparation for students to enter variety of apprenticeship programs related to Construction Trades. Topics include safe use of hand tools, blueprint reading, requirements of apprenticeship programs, employer expectations and hands-on experience in technical areas including form work, cement work, electrical and plumbing.

CARP   415A   2.0 units
Home Remodeling and Repair
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Construction safety, hand tools, power tools and special tools. How to plan and lay out for a new kitchen, bath and room addition. How to obtain building permits. Learn the latest building code requirements for plumbing, electrical, framing and heating and cooling. Learn the uses of the builders level and transit for laying out lots and new additions. Specifications and drawings, footings and foundations, floor construction, carpeting, tile and parquet floors. How to install drywall.

CARP   415B   2.0 units
Home Remodeling and Repair
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: CARP 415A
Grading: letter grade or credit/no credit
Learn setting of forms for porches, patios and sidewalks and stripping of foundation walls. Wall coverings, paneling and moldings, tile board for tub and shower areas, installation of acoustical tile with and without ceiling suspension and preparing surfaces for painting and varnishing. Roof framing, types of roofs, materials and how to install a new roof and repair the old one are included.

CARP   415C   2.0 units
Home Remodeling and Repair
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: CARP 415B
Grading: letter grade or credit/no credit

Learn installation of brick and stone for decorating purposes, stucco and stucco repairs, energy conservation types of material and calculating quantity for exterior and interior installations. Installation of sewer lines, floor and wall plumbing and minor repairs of bathroom and kitchen plumbing. How to install a new door and fix the old one.

CARP   415D   2.0 units
Home Remodeling and Repair
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: CARP 415C
Grading: letter grade or credit/no credit
Learn to install garbage disposals, toilets, tubs, water heaters and how to fix and maintain them. Electrical installations and repairs for circuit breakers, ground fault interrupters circuits, duplex plugs and switches. Minor repairs on lamps and appliances. Landscaping and how to install a new sprinkler system and repair the old one.

CARP   440   3.0 units
Blueprint Reading for Construction Trade
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to materials and review of methods of construction used in the residential, industrial and commercial building blueprint reading.

CHEMISTRY (CHEM)

CHEM   1A   (CAN CHEM 2)   5.0 units
General Chemistry
4.0 hours lecture , 5.0 hours laboratory
Prerequisite: Qualification through the Chemistry assessment process or CHEM 2.
Recommended Preparation: One year high school Chemistry.
Grading: letter grade or credit/no credit
Studies the physical aspects of solid, liquid and gas phases including coverage of crystalline structures, solutions and ideal gas. Emphasizes stoichiometric calculations. Thermochemistry, oxidation-reduction, atomic theory and bonding and an intro to kinetics and equilibrium are also considered. The lab stresses quantitative measurements in systems undergoing chemical changes.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM   1B   (CAN CHEM 4)   5.0 units
General Chemistry
4.0 hours lecture , 5.0 hours laboratory
Prerequisite: CHEM 1A
Grading: letter grade or credit/no credit
Extends the study of equilibrium to weak acids and bases, slightly soluble salts and complex ions in aqueous solution. Presents the basic principles of thermodynamics and electrochemistry. Intro to coordination, nuclear and organic chemistry. The lab stresses descriptive inorganic chemistry and qualitative analysis. Meets the requirements for majors in chemistry, engineering, life science, math and physics and is part of the baccalaureate requirements for pre-dental, pre-medical and pre-nursing programs.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM 2 — 4.0 units
Elementary Chemistry
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 110 or 110B or 880 or qualification through the math assessment process or one year high school Elementary Algebra with a grade of B or better as reflected in the second semester grade .
Grading: letter grade or credit/no credit
For science or pre-professional majors who lack adequate preparation for CHEM 1A. Provides basic knowledge and problem solving techniques necessary for CHEM 1A-B. Formula and equation writing, basic laws and stoichiometry are stressed. Meets the prerequisite for CHEM 1A; if so used, no college credit is given.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM 3A — 4.0 units
Intro to General and Organic Chemistry
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 110 or 110B or 880 or qualification through the math assessment process or one year high school Elementary Algebra with a grade of B or better as reflected in the second semester grade .
Grading: letter grade or credit/no credit
Satisfies the needs of nursing, home economics and allied health sciences students. Intro to the principles of chemistry and the beginning study of organic chemistry. Includes atomic theory, chemical formulas, nomenclature, chemical bonds, stoichiometry, states of matter, solutions, chemical equilibrium, acids and bases, hydrocarbons, alcohols and ethers. Lab work reinforces basic concepts and provides experiments in manipulating lab equipment. Does not prepare students for CHEM 1A.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM 3B — 4.0 units
Introduction to General and Organic Chemistry
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: CHEM 3A
Grading: letter grade or credit/no credit
Continuation of the study of organic chemistry and an intro to biochemistry. Includes amines, carbonyl compounds, organic acids and their derivatives, carbohydrates, lipids, amino acids and proteins, enzymes, nucleic acids, biochemical energetics and metabolism of energy yielding compounds. Not open to chemistry majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM 12A — 5.0 units
Organic Chemistry
4.0 hours lecture , 5.0 hours laboratory
Prerequisite: CHEM 1A and 1B
Grading: letter grade or credit/no credit
Covers bonding, structure, properties and reactions of organic compounds. Modern spectroscopic and analytical techniques are covered, and an emphasis is placed on reaction mechanisms and kinetics. Offered fall semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHEM 12B — 5.0 units
Organic Chemistry
4.0 hours lecture , 5.0 hours laboratory
Prerequisite: CHEM 12A
Grading: letter grade or credit/no credit
Continued survey of bonding, structure, properties, reactions and mechanisms and spectroscopy of fundamental functional groups, with emphasis on carbohydrates, fats and proteins. Meets requirements for most universities and colleges for chemistry, pre-dental, pre-medical, pre-nursing and life science students. Offered spring semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHILD DEVELOPMENT — FAMILY DEVELOPMENT

CDF 210A — 3.0 units
Family Workers Pt 1
3.0 hours lecture
Corequisite: CDF 298CD
Grading: letter grade or credit/no credit
This course is part one of a two part series. The course is designed to prepare students and workers to assist families with the values, knowledge, and skills needed to empower families to achieve self-reliance. Focus will be on the principles of family development, family empowerment skills, self-support for family workers, effective communication with families and cultural competency.

CDF 210B — 3.0 units
Family Workers Pt 2
3.0 hours lecture
Prerequisite: CDF 298A
Corequisite: CDF 298CD
Grading: letter grade or credit/no credit
This course is part two of a two part series. The course is designed to prepare students and workers to assist families with the values, knowledge, and skills needed to empower families to achieve self-reliance. Part two focuses on strength-based assessment, resource development, service coordination, collaboration and networking, home visitations, team building, goal setting, and family conference facilitation.

CDF 273AD — 4.0 units
Work Experience-Family Development
1.0 hour lecture , 10.0 hour laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
This course consists of discussions regarding work experience objectives, career goals, employment adjustments and issues encountered on the job. It also involves vocational learning experiences through employment/internship directly related to the occupational goal or career of interest to the student. This course is recommended for currently employed family service workers.

CHILD DEVELOPMENT-ADULT DEVELOPMENT (CDAD)

CDAD 270 — 3.0 units
Adult Development
3.0 hours lecture
Grading: letter grade or credit/no credit

This course designed for prospective caregivers of adults needing assistance and the elderly. It provides an overview of social, psychological and physical effects of aging, emphasizing differences among individuals, including ethnic differences.

CDAD 273AD 4.0 units
Work Experience — Adult Development
1.0 hour lecture , 10.0 hour laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
This course consists of discussions regarding work experience objectives, career goals, employment adjustments and issues encountered on the job. It also involves vocational learning experiences through employment/internship of personal/family responsibility directly related to occupational goal or career of interest to the student.

CHILD DEVELOPMENT-EARLY CHILDHOOD EDUCATION(CDECE)

CDECE 1 1.0 unit
Career Explorations in Child Development
1.0 hour lecture
Grading: letter grade or credit/no credit
Provide opportunities to explore and evaluate on-the-job realities of specific occupations for men and women in child development and parent education.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 19 2.0 units
Child Nutrition & Safety D7
2.0 hours lecture
Grading: letter grade or credit/no credit
For school food service managers, child care and family day care providers who assume responsibility for child nutrition programs and education and education safety. Includes guidelines for compliance with current federal, state and local legislation associated with child feeding and safety. Not open for credit to students registered in or with credit in F&N 19.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 30 3.0 units
The Community and its Schools
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to education for students considering teaching as a career; observe and visit a variety of public and private schools.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 31 2.0 units
Adult Supervision
2.0 hours lecture
Recommended Preparation: Current or prior experience as a teacher in an ECE program.
Grading: letter grade
Covers the principles and practices of supervision and evaluation of staff in early childhood education programs. Emphasizes the role of experienced classroom teachers who function as mentors to new teachers while simultaneously addressing the needs of children, parents and other staff. Meets the State

Department of Education requirements for the Child Development Master Teacher, Site Supervisor and Program Director Permits.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 34 3.0 units
Children's Literature
3.0 hours lecture
Grading: letter grade
Survey of contemporary and traditional children's literature including a bibliography for schools and community libraries, aids to parents, preschool and elementary school teachers in guiding children's reading, and textbook and resource information for educators.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 40 3.0 units
Infant Development & Educaring D4
3.0 hours lecture
Grading: letter grade
A study of the infant, pre-birth to 18 months of age. The role of the adult in designing, evaluating and implementing the educare (education and care) of infants in center-based programs, family home care and parental care based on and respectful of the infant's unique abilities and needs is explored. Developmental theories, program quality standards, laws and regulations (Title 22), the role of the primary caregiver, curricula, culturally sensitive care, as well as early recognition and intervention for infants with special needs, are emphasized. Information about the health, nutrition and safety components of infant care is included. Meets the Department of Social Services Classification Indicator DS 4.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 41 3.0 units
Toddler Development & Educaring D4
3.0 hours lecture
Grading: letter grade
A study of the educare (education and care) of toddlers 18 to 36 months of age. The role of the adult in a center-based program, in family home care and parental care, as well as an overview of child development theories pertinent to this age, is provided. Activities and methods which nurture the toddler's intellectual, language, emotional, social, personality and motor development are explored. Effective behavior management is covered. Laws and regulations (Title 22), program quality standards, group size and continuity of care, the role of the primary caregiver, curricula, the toddler's unique development needs, culturally sensitive care, as well as early recognition and intervention for toddlers with special needs, are emphasized. Information about the health, nutrition and safety components of toddler care is included. Meets the Department of Social Services Classification Indicator DS4.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 45 3.0 units
Child & Adolescent Development
3.0 hours lecture
Grading: letter grade or credit/no credit

A study of social, emotional, intellectual and physical growth patterns from conception through adolescence. Theories of development are studied as an integrated approach to each of the aforementioned phases of life. Meets the State of California requirement for teaching in early childhood education programs. Not open for credit to students registered in or with credit in CDECE47. Does not meet the general education requirement for Area D nor does it meet the prerequisite for the Nursing program.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 47   3.0 units
Human Development
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of emotional, intellectual and physical growth patterns from conception to death. Theories of development are studied as an integrated approach to each phase of life. Meets the State of California requirement for teaching nursery school and the prerequisite for entrance into the nursing program. Not open for credit to students registered in or with credit in CDECE45.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CDECE 48   3.0 units
Child, Family and Community D2
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of how family, school and community affect a child's development. Emphasizes the dynamics of human relations in a multi-cultural, urban environment and agencies concerned with health, education and welfare of children and families. Fulfills state licensing requirements for child, family and community D2.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CDECE 53   3.0 units
Intro to Early Childhood Education
3.0 hours lecture
Grading: letter grade or credit/no credit
Surveys educational programs for young children and their development and implementation of them.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 54   2.0 units
Art for Children D3
2.0 hours lecture
Grading: letter grade or credit/no credit
Learn the philosophy, principles and implementation of art experiences for the young child. Fulfills state licensing requirements for programs, curriculum D3.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 55   2.0 units
Music for Children D3
2.0 hours lecture
Grading: letter grade or credit/no credit
Principles and methods of providing musical experiences for young children. Development of skills with simple musical instruments suitable for use in early childhood education programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 56   2.0 units
Creative Movement for Young Children D3
2.0 hours lecture
Grading: letter grade or credit/no credit
Principles and methods of developing motor skills and providing creative experiences in body movement and dance for young children.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 57   2.0 units
Science in Early Childhood D3
2.0 hours lecture
Grading: letter grade or credit/no credit
A study of methods and materials that encourages preschool children to explore and experiment in their natural environment. Relate mathematical, spatial and problem-solving concepts to discovery through play activities. Satisfies state licensing requirement for curriculum program D3.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 58   2.0 units
Language Arts for Young Children D3
2.0 hours lecture
Grading: letter grade
A survey of literature, language arts and emerging literacy activities for young children. Meets state licensing requirements for program curriculum D3.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 59   3.0 units
Child Behavior D3
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of the ways of approaching and understanding children's behavior.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 60A   3.0 units
Admin of Child Development Programs D6
3.0 hours lecture
Prerequisite: CDECE 45 or 47.
Grading: letter grade or credit/no credit
A study of the principles of organizing and administering early childhood education programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 60B   3.0 units
Advanced Supervision of ECE D6
3.0 hours lecture
Prerequisite: CDECE 45 or 47.
Grading: letter grade or credit/no credit
An in-depth study of the principles of organizing and administrating preschool programs, emphasizing staffing issues, program quality and working with parents.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 61   3.0 units
Children/Multicultural Classroom D3
3.0 hours lecture
Grading: letter grade or credit/no credit

Philosophy, principles and methods relating to the teaching of multicultural young children and their parents. Meets state licensing requirements for program curriculum D3.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 66   3.0 units
The Preschool Child D3
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
A study of the physical, social, emotional and cognitive development of the preschool child in a variety of planned programs for preschool children, emphasizing the interaction of parents, children and teachers. Three hours of observation/participation at the Child Development Center are required each week. Meets state licensing requirements for program, curriculum D3. Proof of a negative TB test is required to participate and observe in children's licensed program.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 68   3.0 units
Early Childhood Ed Practicum D3
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CDECE 45 or 47 and 48, 54, 55, 57, 58, 66.
Grading: letter grade or credit/no credit
Provides an opportunity to plan, prepare, execute and evaluate various experiences with preschool age children. Includes learning specific techniques of working with children, parents and staff, procedures necessary for maintenance and use of equipment and the planning of curriculum for early childhood education programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 71AD   2.0 units
Work Experience — Child Development
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment or volunteer activities directly related to the occupational goal or career in early childhood or school age child care.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 72AD   3.0 units
Work Experience — Child Development
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment or volunteer activities directly related to the occupational goal or career in early childhood or school age child care.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 73AD   4.0 units
Work Experience — Child Development
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit

An extension of vocational learning experiences through employment or volunteer activities directly related to the occupational goal or career in early childhood or school age child care.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 81   2.0 units
Working with Parents
2.0 hours lecture
Grading: letter grade or credit/no credit
A study of principles and techniques for working with parents in community and school programs. A survey of background for understanding parent/child relationships in the changing social environments. Emphasizes developing skills and competencies which promote optimum cooperation between the school and the family.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDECE 200A   3.0 units
Teaching Aids
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of appropriate activities for two to five year olds in early childhood settings. The focus is on lesson planning and developing teaching aids.

CDECE 200B   3.0 units
Lesson Plans
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of appropriate activities for two to five year olds in early childhood settings. The focus is on lesson planning and developing aids.

CDECE 201   3.0 units
Literacy in Early Childhood
3.0 hours lecture
Grading: letter grade
This course will prepare current or future early childhood teachers and caregivers to enhance the early literacy outcomes of young children by improving teachers' knowledge of early literacy development and their skills in teaching early literacy to young children from birth through age 5. This course is supplemented by the Early Steps to Reading Success "Heads Up Reading" Satellite broadcast transmission.

CDECE 252   2.0 units
Computers in the EC Classroom
1.0 hour lecture , 1.5 hours laboratory
Prerequisite: CDECE 45 or 47.
Grading: letter grade or credit/no credit
This course is a hands on experience to evaluate computer software based upon field and academic criteria and determine how software can facilite children's learning and thinking. The course also introduces basic technology and applications of computer use in the early childhood classroom.

CDECE 262   1.0 unit
Rhythm Instruments in Early Childhood D3
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of the use of various rhythm instruments by young children in early childhood education programs. Play along accompaniments, exploration of simple rhythms, imitation of speech patterns and body rhythms and the construction and use of commercial and

homemade instruments are included. Fulfills state licensing requirements for program, curriculum.

CDECE 263   1.0 unit

Autoharp & Bells in Early Childhood D3
1.0 hour lecture
Grading: letter grade or credit/no credit
Designed to demonstrate the use of the autoharp and bells in a preschool setting. Specific instruction is given for the use of these instruments in: song accompaniment, group experiences, informal exploration, story telling and special effects.

CDECE 431AD   0.5 unit

Mentor Seminar
0.5 hour lecture
Grading: credit/no credit
A seminar for early childhood mentors to explore issues related to their role as supervisors of beginning teachers. Seminar content will be individualized. For mentors who have been selected into the California Early Childhood Mentor Teacher Program.

CDECE 455   1.0 unit

BEST-Arts Music for Young Children D3
1.0 hour lecture
Prerequisite: CDECE 45 or 47 and 55.
Grading: letter grade or credit/no credit
B.E.S.T (Building Educational Success Through the Arts) Music for preschool children is designed as an enrichment class for the experienced child development student. Emphasizes musical techniques to use with children based on curriculum from the Wolf Trap Institute for Early Learning Through the Arts. Artists from the Education Division of the Performing Arts Center of Los Angeles County will demonstrate performance skills and techniques of involving children in musical activities. Lecture topics will relate music to literacy, problem solving, conflict resolution, brain development and diversity.

CDECE 456   1.0 unit

BEST-Arts Movement for Young Children D3
1.0 hour lecture
Prerequisite: CDECE 45 or 47 and 55.
Grading: letter grade or credit/no credit
B.E.S.T Arts (Building Educational Success Through the Arts)-Dance and movement for preschool children is designed as an enrichment class for the experienced child development student. Emphasizes dance/movement techniques to use with children based on curriculum from the Wolf Trap Institute for Early Learning Through the Arts. Artists from the Education Division of the Performing Arts Center of Los Angeles County will demonstrate performance skills and techniques of involving children in movement activities. Lectures include movement and large/small motor skills, brain development and self-esteem.

CDECE 458   1.0 unit

BEST Arts-Storytelling for Children D3
1.0 hour lecture
Prerequisite: CDECE 45 or 47 and 58.
Grading: letter grade or credit/no credit
B.E.S.T. (Building Educational Success through the Arts) Arts-Storytelling for preschool children is designed as an enrichment class for the experienced child development student. Emphasizes storytelling skills and the use of dramatic techniques to use with children based on curriculum from the Wolf Trap

Institute for Early Learning Through the Arts. Artists from the Education Division of the Performing Arts Center of Los Angeles County will demonstrate performance skills and techniques. Lectures include storytelling as it relates to the development of language, cognitive and social skills, conflict resolution, cultural diversity and building self-esteem.

CDECE 800A   0.5 unit

Special Topics in ECE
0.5 hour lecture
Grading: credit/no credit
A study of situations related to the special topic. Special topics include but are not limited to the following: school age child care, curriculum in early childhood, organization of day care centers and supervision responsibilities in early childhood settings.

CDECE 800B   0.5 unit

Special Topics in ECE
0.5 hour lecture
Grading: credit/no credit
A study of situations related to the special topic. Special topics include but are not limited to the following: school age child care, curriculum in early childhood, organization of day care centers and supervision responsibilities in early childhood settings.

CDECE 800C   0.5 unit

Special Topics in ECE
0.5 hour lecture
Grading: credit/no credit
A study of situations related to the special topic. Special topics include but are not limited to the following: school age child care, curriculum in early childhood, organization of day care centers and supervision responsibilities in early childhood settings.

CDECE 800D   0.5 unit

Special Topics in ECE
0.5 hour lecture
Grading: credit/no credit
A study of situations related to the special topic. Special topics include but are not limited to the following: school age child care, curriculum in early childhood, organization of day care centers and supervision responsibilities in early childhood settings.

CHILD DEVELOPMENT-FAMILY DAY CARE (CDFDC)

CDFDC 212   3.0 units

Family Child Care Management
3.0 hours lecture
Grading: letter grade or credit/no credit
Assists persons planning to become or currently involved in the day care of children in the home.

CHILD DEVELOPMENT-LEARNING LAB (CDLL)

CDLL 51A   2.0 units

Ecology of Early Childhood-Whole Child
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of child development research and theory from birth to twenty-nine months. Emphasizes physical, cognitive, social/emotional and language development.

Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 51B — 2.0 units
Ecology of Early Childhood-Whole Child
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of child development research and theory from birth to twenty-nine months. Emphasizes physical, cognitive, social/emotional and language development. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 51C — 2.0 units
Ecology of Early Childhood-Whole Child
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of child development research and theory from birth to twenty-nine months. Emphasizes physical, cognitive, social/emotional and language development. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 51D — 2.0 units
Ecology of Early Childhood-Whole Child
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of child development research and theory from birth to twenty-nine months. Emphasizes physical, cognitive, social/emotional and language development. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 52A — 2.0 units
Preschool Child Techniques
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of current concepts and research in early childhood education through lectures and lab participation. Designed for child development majors, early childhood education majors and parents. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 52B — 2.0 units
Preschool Child Techniques
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit

A study of current concepts and research in early childhood education through lectures and lab participation. Designed for child development majors, early childhood education majors and parents. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete a fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 52C — 2.0 units
Preschool Child Techniques
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of current concepts and research in early childhood education through lectures and lab participation. Designed for child development majors, early childhood education majors and parents. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete a fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 52D — 2.0 units
Preschool Child Techniques
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A study of current concepts and research in early childhood education through lectures and lab participation. Designed for child development majors, early childhood education majors and parents. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete a fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 91AD — 2.0 units
Special Studies
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Exploration and development on an individual basis of special projects within the child development field. Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDLL 231A — 2.0 units
Practicum for Working with Parents
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Plan preschool/pre-kindergarten experiences for parents through lecture and lab participation. Proof of negative TB test required for participation and observation in the Children's program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 231B — 2.0 units
Practicum for Working with Parents
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit

Plan preschool/pre-kindergarten experiences for parents through lecture and lab participation. Proof of a negative TB test required for participation and observation in the Children's Program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 231C   2.0 units

Practicum for Working with Parents
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Plan preschool/pre-kindergarten experiences for parents through lecture and lab participation. Proof of negative TB test required for participation and observation in the Children's Program. Students participating without a child must also complete a fingerprint clearance to participate.

CDLL 231D   2.0 units

Practicum for Working with Parents
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Plan preschool/pre-kindergarten experiences for parents through lecture and lab participation. Proof of a negative TB test required for participation and observation in the Children's Program. Students participating without a child must also complete a fingerprint clearance to participate.

CDLL 232A   0.5 unit

Organizing ECE Interest Centers
0.2 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Plan interest centers for children participating at the Child Development Centers. Emphasizes summertime activities, i.e., water play, carpentry, field trips. (Normally offered during summer sessions.) Proof of negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 232B   0.5 unit

Organizing ECE Interest Centers
0.2 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Plan interest centers for children participating at the Child Development Centers. Emphasizes summertime activities, i.e., water play, carpentry, field trips. (Normally offered in summer sessions.) Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 232C   0.5 unit

Organizing ECE Interest Centers
0.2 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Plan interest centers for children participating at the Child Development Centers. Emphasizes summertime activities, i.e., water play, carpentry, field trips. (Normally offered in summer sessions.) Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 232D   0.5 unit

Organizing ECE Interest Centers
0.2 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Plan interest centers for children participating at the Child Development Centers. Emphasizes summertime activities, i.e., water play, carpentry, field trips. (Normally offered in summer sessions.) Proof of a negative TB test required for participation and observation in the children's program. Students participating without a child must also complete fingerprint clearance to participate.

CDLL 603   0.0 unit

LBCC Child Development Centers Participation
6.0 hours laboratory
Grading: LBCC Non-Graded Course
A non-credit lab experience for students participating in LBCC Child Development Center Demonstration Lab Schools, including child care in order to provide guided education and observation.

CHILD DEVELOPMENT—PARENT EDUCATION (CDPE)

CDPE 200AD   0.5 unit

Infant Parent Education
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Formerly 301AD. For parents to study the growth and development of their children in a lab setting. Lectures and discussions focus on the social, intellectual, physical and personality development of infants who are four months to walking, approximately twelve months.

CDPE 201AD   1.0 unit

Infant Parent Education
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for parents to study the growth and development of their children in a lab setting. The lectures and discussions focus on the social, intellectual, physical and personality development of infants approximately four months to walking, approximately twelve months.

CDPE 202AD   1.0 unit

Toddler Parent Education
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for parents to study the growth and development of their children in a lab setting. Lectures and discussions focus on the social, intellectual, physical and personality development of toddler children who are walking, approximately twelve months to 24 months.

CDPE 203AD   1.0 unit

Preschool Parent Education
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for parents to study the growth and development of their children in a lab setting. The lectures and discussions focus on the social, intellectual, physical and personality development of children two to three years old.

CDPE   204AD   **1.0 unit**

Preschool Parent Education
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for parents to study the growth and development of their children in a lab setting. The lectures and discussions focus on the social, intellectual, physical and personality development of children three- to four- years old.

CDPE   205AD   **1.0 unit**

Preschool Parent Education
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for parents to study the growth and development of their children in a lab setting. The lectures and discussion focus on the social, intellectual, physical and personality development of children four- to five- years old.

CDPE   406A   **3.0 units**

Foster Care Education for Foster Parents
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on the foster child and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping the child leave the foster home will be emphasized.

CDPE   406A2   **1.0 unit**

Foster Care Education for Foster Parents
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on foster children and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping children leave the foster home will be emphasized.

CDPE   406A3   **1.5 units**

Foster Care Education for Foster Parents
1.5 hours lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on foster children and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping children leave the foster home will be emphasized.

CDPE   406A4   **1.0 unit**

Foster Care Education for Foster Parents
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on the foster child and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping the child leave the foster home will be emphasized.

CDPE   406A5   **1.0 unit**

Foster Care Education for Foster Parents
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on the foster child and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping the child leave the foster home will be emphasized.

CDPE   406A6   **1.0 unit**

Foster Care Education for Foster Parents
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on the foster child and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping the child leave the foster home will be emphasized.

CDPE   406A7   **1.0 unit**

Foster Care Education for Foster Parents
1.0 hour lecture
Grading: letter grade or credit/no credit
A study of human growth and development with special emphasis on the foster child and foster parents. Behavior problems, discipline, social interactions, community resources and ways of helping the child leave the foster home will be emphasized.

CDPE   605   **0.0 unit**

Parenting Skills
1.0 hour lecture
Grading: LBCC Non-Graded Course
A study of parent/child relationships.

CDPE   606   **0.0 unit**

Parent Education for Foster Parents
3.0 hours lecture
Grading: LBCC Non-Graded Course
A study of the parenting skills and knowledge needed to aid the adaptation of children into foster homes.

CHILD DEVELOPMENT—SCHOOL AGE (CDSA)

CDSA   62   **2.0 units**

Creative Express for School Age Children
2.0 hours lecture
Grading: letter grade or credit/no credit
A study of principles, methods and materials which will encourage creative expression in school children.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSA   63   **3.0 units**

The School Age Child
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
A study of the physical, social, emotional and cognitive development of the school age child, emphasizing the interaction of children and teachers in child care settings. Three hours of observation/participation at approved sites are required each week.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSA   65   **3.0 units**

School Age Curriculum
3.0 hours lecture
Grading: letter grade
A survey of curriculum and activities appropriate for the school age child.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSA 75   3.0 units
School Age Child Care Practicum D5
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CDECE 45 or 47 and CDSA 62, 63, 65
Grading: letter grade
An opportunity to plan, prepare, present and evaluate curriculum activities offered to school-age children (6-12) in various public and private school-age child care settings. Proof of negative TB test and fingerprint clearance required to participate in children's licensed program.
Transfer Status: Transferable to CSU, see counselor for limitations.

CHILD DEVELOPMENT—SPECIAL EDUCATION (CDSED)

CDSED 5   3.0 units
Community Resources/Special Education
3.0 hours lecture
Grading: letter grade or credit/no credit
Briefly surveys disabling conditions and acquaints students with community agencies, schools and services available to individuals with exceptional needs. The affective aspects of disabilities are also considered. Field trips to special educational classrooms and agencies will be an integral part of the student's experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSED 67   3.0 units
The Exceptional Child
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey course examining each of the areas of exceptionality. Emphasizes the educational, social and emotional development of the exceptional child during the school years. Early intervention and transition to adulthood will be covered briefly.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSED 69   3.0 units
Special Education Practicum
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CDSED 67, 5, 70 and CDECE 45 or 47
Grading: letter grade
Plan, prepare, execute and evaluate various experiences with disabled individuals in schools and agencies in the greater Long Beach area. Learn specific techniques of working with children, adults, parents and staff to provide an appropriate experience for the disabled individual.
Transfer Status: Transferable to CSU, see counselor for limitations.

CDSED 70   3.0 units
Teaching Exceptional Students
3.0 hours lecture
Grading: letter grade
A systematic study of developmentally appropriate learning in the inclusive classroom to include teaching methods and materials used in instruction of children with special needs. Development and interpretation of an Individualized Education Program (IEP) as well as specific areas of curriculum development will be addressed.

Transfer Status: Transferable to CSU, see counselor for limitations.

CHINESE (CHIN)

CHIN 1   (Part of CAN CHIN SEQUENCE A)   5.0 units
Elementary Chinese 1
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intro to the Chinese language (Mandary). Learn comprehension, speaking, reading and writing, the study of grammar, vocabulary and pronunciation, etc. Emphasizes the traditions and customs of China. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHIN 1A   3.0 units
Elementary Chinese 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
The first half of CHIN 1, Intro to the Chinese Language (Mandarin). Learn comprehension, speaking, reading and writing, the study of grammar, vocabulary and pronunciation, etc. Emphasizes traditions and the customs of China. This course in combination with CHIN 1B is equivalent to CHIN 1. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHIN 1B   2.0 units
Elementary Chinese 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: CHIN 1A
Grading: letter grade or credit/no credit
The second half of CHIN 1, Intro to the Chinese Language (Mandarin). Learn comprehension, speaking, reading and writing, the study of grammar, vocabulary and pronunciation, etc. Emphasizes traditions and the customs of China. This course in combination with CHIN 1A is equivalent to CHIN 1. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CHIN 2   (Part of CAN CHIN SEQUENCE A)   5.0 units
Elementary Chinese 2
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: CHIN 1
Grading: letter grade or credit/no credit
Increased emphasis is on the development of oral communication, reading and writing skills. Use of materials dealing with contemporary issues in the Chinese world. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CITIZENSHIP (CIT)

CIT 601   0.0 unit
Citizenship
3.0 hours lecture
Grading: LBCC Non-Graded Course
Rapid review of the history of the United States, Constitution, the government of the United States and state and local government. Designed for foreign-born persons preparing for the naturalization exam.

COMMUNICATIVE DISORDERS (COMDI)

COMDI 2A   **3.0 units**

American Sign Language, Beginning
3.0 hours lecture
Grading: letter grade or credit/no credit
Instruction in the language system most used by deaf persons, instruction and practice in the fundamentals of signing (ASL) and finger spelling for communicating with the deaf. Includes development of signed conversational skills and an overview of the culture of the deaf.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

COMDI 2B   **3.0 units**

American Sign Language, Beginning
3.0 hours lecture
Grading: letter grade or credit/no credit
Instruction in the language system most used by deaf persons, instruction and practice in the fundamentals of signing (ASL) and finger spelling for communicating with the deaf. Includes development of signed conversational skills and an overview of the culture of the deaf.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

COMDI 3A   **3.0 units**

American Sign Language, Intermediate
3.0 hours lecture
Prerequisite: COMDI 2A and 2B.
Grading: letter grade or credit/no credit
Intermediate instruction for the continuing student of ASL and finger spelling. The purpose is to increase signing vocabulary, emphasizing practice in improving expressive and receptive conversational skills with the goal of increasing smoothness, clarity and speed of signing. Hearing loss, history of sign language, deaf culture and deaf psychology will also be introduced.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

COMDI 3B   **3.0 units**

American Sign Language, Intermediate
3.0 hours lecture
Prerequisite: COMDI 2A and 2B.
Grading: letter grade or credit/no credit
Intermediate instruction for the continuing student of ASL and finger spelling. Increase signing vocabulary, emphasizing practice in improving expressive and receptive conversational skills with the goal of increasing smoothness, clarity and speed of signing. Hearing loss, history of sign language, deaf culture and deaf psychology will also be introduced to students.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

COMDI 633   **0.0 unit**

Beginning Speech Reading (Lip Reading)
2.0 hours laboratory
Grading: LBCC Non-Graded Course
Learn lip reading techniques for the hearing impaired. Special attention is given to communication difficulties of the hearing.

COMDI 634   **0.0 unit**

Intermediate Speech Reading(Lip Reading)
2.0 hours laboratory
Grading: LBCC Non-Graded Course
An intermediate degree of proficiency in lip reading skills to enhance communication for the hearing impaired.

COMDI 678   **0.0 unit**

Speech and Hearing Correction
3.0 hours laboratory
Grading: LBCC Non-Graded Course
For students with communication disabilities that affect articulation, voice or hearing. This includes stuttering, aphasia and other disorders which inhibit the ability to understand or effectively approximate a standard American dialect. Will be expected to participate in a lab program at the LBCC/Speech and Hearing Clinic.

COMPUTER AND BUSINESS INFORMATION SYSTEMS (CBIS)

CBIS 2   **3.0 units**

Advanced MS Office-Help Desk Emphasis
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CBIS 6 or CAOTC 34 and one of the following: CAOTC 41E-F, CAOTC 44D or CAOTC 39A.
Grading: letter grade
The second class in a three class series that extends the student's knowledge of a popular word processor, spreadsheet, database, and presentation software package. Topics include advanced office concepts and skills, help desk concepts, and an introduction to visual basic application programming. This class will also prepare the students for Microsoft Office User Specialists and the Desktop Applications Developer certification examinations.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 3A   **1.0 unit**

Windows Command Line
1.0 hour lecture , 0.5 hour laboratory
Grading: letter grade
An operating system (OS) such as Disk Operating System (DOS) is the mechanism employed by application software users, computer programmers and anyone wishing to upgrade or maintain their own personal computer. Presents an up-to-date overview of computers and addresses basic hardware and software concepts. Topics covered include operating system functions, utilities and OS commands.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 3B   **1.0 unit**

Advanced Operating Systems-Windows 9X
1.0 hour lecture , 0.5 hour laboratory
Prerequisite: CBIS 3A
Grading: letter grade
Presents an up-to-date overview of computers and covers advanced hardware and software operating system concepts. Includes managing and backing up hard disks, using troubleshooting tools and writing batch files. Learn to customize, configure and optimize computer systems by executing utilities, loading

Terminate and Stay Resident (TSR) programs, managing memory and installing device drivers.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 6 — 4.0 units
Introduction to Information Systems
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
The general principles and applications of computers. Intro to computer hardware, the concept of local area network, software (word processing, spreadsheet and data base applications), procedures, computer systems and the integration of these applications in business and industry. Also, the fundamentals of problem solving techniques and programming in high level programming languages are discussed and applied with "hands on" experience using IBM compatible microcomputers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CBIS 7 — 1.0 unit
Business Programming Logic and Design
1.0 hour lecture , 0.5 hour laboratory
Prerequisite: CBIS 6
Grading: letter grade
Comprehensive coverage of business application-oriented logic for programming design. The following areas covered include flowchart design, validity checking, extracting and manipulating data from single and multidimensional tables and arrays, internal sorting and sequential file processing. Prepares the student for additional programming classes.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 8B — 4.0 units
Visual Basic Programming
3.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CBIS 6
Grading: letter grade
Fundamental programming concepts emphasizing problem solving and structured techniques. Includes creating sequential disk files, report formatting, interactive programming, array search, menus, sorting and subroutines. Proper programming, documentation and structure are emphasized. Visual BASIC language using IBM PCs.

CBIS 11 — 3.5 units
Computer Programming/C++ I
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 110 or 110B or qualification through the Math assessment process.
Recommended Preparation: CBIS 6
Grading: letter grade
An intro course in C++ programming language, a problem solving technique used in modern software technology. The features of "C++" that support the development of small and large systems are included, thus providing a method for prototyping the commercial software development in business and industry.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CBIS 12 — 3.5 units
Computer Programming/C++ II
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 11
Grading: letter grade

A second course in C++ includes: further explanation of C++ areas (data types, input/output, data structures, pointers and accessing files) and object-oriented programming (object hierarchy, operator overloading and streams).
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CBIS 13 — 3.5 units
C++ Data Structures and Algorithms
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 12 and MATH 50
Grading: letter grade
This course continues the introduction to Object Oriented programming with C++ begun in CBIS 11 & 12, with an emphasis on algorithms, data structures and software engineering.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CBIS 14A — 3.5 units
Computer Programming/JAVA
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 110 or 110B or qualification through the Math assessment process.
Recommended Preparation: CBIS 6
Grading: letter grade
An intro to the fundamentals of Object-Oriented Programming using the JAVA computer language. Includes structured programming and design techniques, creating classes and applets, using JAVA's AWT to create multimedia applets, components and containers, I/O streams and utility classes, thread and networking and creating of client/server programs.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CBIS 15 — 3.5 units
Computer Programming/RPG
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 110 or 110B or qualification through the Math assessment process.
Recommended Preparation: CBIS 6
Grading: letter grade
An intro to RPG (Report Program Generator) now used on IBM's mid-range computer Application System/400 (AS/400) which contains all the features of RPGIII. Learn a problem-oriented language and gain in-depth exposure to the solutions of typical business problems and to design, code, compile and edit a program in RPG/400 to ensure reliable, predictable performance.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 36 — 3.0 units
Systems Analysis and Design
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CBIS 6, 38 and one of the following: CBIS 8B, 12, 14A or 40
Grading: letter grade
An analysis of accounting systems and procedures, form design, internal control, work simplification and uses of data processing equipment in integrated systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS 38 — 4.0 units
Database Concepts
4.0 hours lecture
Recommended Preparation: CBIS 6

Grading: letter grade
Concepts and techniques, which include planning, design and implementation of database systems, the study of database management systems, the fourth generation programming language-SQL, the data modeling, the role and responsibilities of the database administrator and processing business application programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   40   3.0 units
MS Office Expert Level
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CBIS 6
Grading: letter grade
An intro to microcomputer integrated software. Hands-on using three popular software applications.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   41   3.0 units
Networking Fundamentals
3.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CBIS 6, 3B
Grading: letter grade
Learn to install, configure, upgrade and troubleshoot a computer network. Discuss local area networks, wide area networks, communications protocols, network topologies, transmission media, security and assess career opportunities in networking. Address all of the objectives of the CompTIA Network+ certification. Practice exercises will help you to prepare for the Comp TIA Network+ certification exam.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   71AD   2.0 units
Work Experience-Comp Business Info Sys
1.0 hour lecture , 4.1 hours laboratory
Prerequisite: Completion of any CBIS course
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the computer industry. Under the supervision of the instructor, master specific instructional units from the Computer Business Information Systems (CBIS) program, administer written quizzes and exams on these units, solve problems as they arise in the computer lab and tutor students. For advanced students who wish to pursue a career in the computer business information industry. May earn up to twelve units from a total of four enrollments in the work experience course.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   72AD   3.0 units
Work Experience-Comp Business Info Sys
1.0 hour lecture , 8.3 hours laboratory
Prerequisite: Completion of any CBIS course
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the computer industry. Under the supervision of the instructor, master specific instructional units from the Computer Business Information Systems (CBIS) program, administer written quizzes and exams on these units, solve problems as they arise in the computer lab and tutor students. For advanced students who wish to pursue a career in the computer business information industry. May earn a maximum of twelve units from a total of four enrollments in the work experience course.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   73AD   4.0 units
Work Experience-Comp Business Info Sys
1.0 hour lecture , 12.5 hours laboratory
Prerequisite: Completion of any CBIS course
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the computer industry. Under the supervision of the instructor, master specific instructional units from the Computer Business Information Systems (CBIS) program, administer written quizzes and exams on these units, solve problems as they arise in the computer lab and tutor students. For advanced students who wish to pursue a career in the computer business information industry. May earn a maximum of twelve units from a total of four enrollments in the work experience course.
Transfer Status: Transferable to CSU, see counselor for limitations.

CBIS   200   3.5 units
Introduction to IBM Compatible Computers
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 3A, 3B and 6
Grading: letter grade
In-depth study of the IBM-compatible personal computers and its latest common components and variations. Class coverage includes 386, 486 and Pentium/Power-PC based systems, computer buses, disk controllers and computer memory concepts and components. Class lectures will be supplemented with "hands on" classroom labs using diagnostic software and tools.

CBIS   206A   1.0 unit
Navigating the Internet
1.0 hour lecture , 0.5 hour laboratory
Recommended Preparation: CBIS 6
Grading: letter grade
Designed for anyone who wants to learn to use the Internet: people who want to use it in their work, in their studies, for recreation, for communication and those who are just curious about it. Learn how to use the Internet in a productive and satisfying way to access services, resources, information and to communicate electronically with other individuals or groups.

CBIS   206C   1.5 units
World Wide Web Database Programming
1.5 hours lecture
Prerequisite: CBIS 38 and 206B
Grading: letter grade
An advanced web page construction course focusing on connecting web sites to a database. Includes Perl, CGI, Internet Database Connector (IDC), Open Database Connectivity (ODBC) and Microsoft Internet Information Server (MSIIS).

CBIS 207AD   **2.0 units**

Web Construction
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: CBIS 206A
Grading: letter grade
This course teaches students how to design, create, format and publish web pages using different popular industry approaches. It Covers basic skills, such as creating and enhancing a Web page, to more advanced skills, such as publishing a web site and using Layers, CSS, and forms

CBIS 207E   **2.5 units**

Advanced Web Construction
2.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 220
Grading: letter grade
This course is an advanced web page construction course focusing on emerging HTML standards, XML, Javascript and other scripting languages. It is designed for students who already have a basic knowledge of web construction using a high level development tool such as FrontPage or Dreamweaver.

CBIS 208B   **4.0 units**

Advanced Visual Basic Programming
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: CBIS 208A
Recommended Preparation: CBIS 38
Grading: letter grade
This is an advanced Visual Basic programming class covering such topics as advanced methods for object, database, client/server, and internet programming. The main focus of the class will be on database design and implementation tasks using VB, basic database theory, designing and building VB programs to access Microsoft Access and SQL servers, techniques for designing and enhancing user interfaces using class modules and Active X components, and developing applications for the Internet.

CBIS 208C   **3.0 units**

Visual Basic for Application Programming
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: CBIS 208B
Recommended Preparation: CBIS 2
Grading: letter grade
This is an advanced Visual Basic programming class on the writing of Visual Basic for Applications (VBA) programs for the Microsoft Office Suite. The procedures and programs created in the class will demonstrate how to customize and enhance the applications included in MS Office. Topics covered will include how to write program procedures using the sequence, selection, and repetition programming structures as well as how to create and implement dialog boxes, lists, and option/check box controls in Office Word, Excel, Access, and Outlook.

CBIS 210A   **3.0 units**

Novell Administration & Upgrades
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CBIS 41
Grading: letter grade
Introduces administrative concepts and tasks. Explains the responsibilities of the functions and features of NetWare. Provides the technical tools needed, including NetWare utilities. Prepares the student for the Novell NetWare System Administrator Certification exam offered by Novell.

CBIS 210B   **1.5 units**

Novell Adv Administration & Upgrades
1.0 hour lecture , 1.5 hours laboratory
Prerequisite: CBIS 210A
Grading: letter grade
Intro to advanced administrative concepts and tasks. Enhances the network management and monitoring skills. Provides a technical foundation for participants pursuing the CNE and CNI Programs. Intended to prepare the student for the Novell Advanced Administrator exam offered by Novell.

CBIS 215   **1.5 units**

Novell NetWare Installation/Config.
1.0 hour lecture , 1.5 hours laboratory
Prerequisite: CBIS 210B
Grading: letter grade
Installation of a network operating system, upgrading from prior versions, installing workstation software, upgrading and configuring the system software. Includes network hardware requirements analysis. Hands-on exercises to perform the installation and upgrades.

CBIS 220   **3.0 units**

i-Net+ Internet Technologies
3.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CBIS 6
Grading: letter grade or credit/no credit
Teaches the baseline technical knowledge needed to enter an Internet Industry oriented career. After course completion, will be prepared to take the industry standard i-Net+ certification test.

CBIS 222A   **3.0 units**

Advanced Java for Sun Certification I
2.5 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 14A
Grading: letter grade or credit/no credit
A course in advanced java programming designed to teach the skill set required to pass the Sun Microsystems java programming certification exam.

CBIS 222B   **3.0 units**

Advanced Java for Sun Certification II
2.5 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 222A
Grading: letter grade or credit/no credit
A course in advanced java programming designed to teach the skill set required to pass the Sun Microsystems java developer certification exam. Also gives the student a solid skill set to successfully enter a java programming career.

CBIS 223   **3.0 units**

Unix/Linux Fundamentals
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: MATH 110 or 110B or qualification through the Math assessment process.
Recommended Preparation: CBIS 6
Grading: letter grade
Prepares students to work with Linux as an applications programmer, a computer operator or system administrator. Includes an overview of basic operating systems concepts, a history of Unix and its influence on modern operating systems, basic internal structure, details of Unix file system structures, pipes, filters and redirection, scripts, images and processes, shells, time-slicing and interrupts, memory management and Unix internals.

CBIS   225   **2.5 units**

Microsoft Windows Client OS
2.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 41
Grading: letter grade or credit/no credit
Learn to install, configure and administer Windows 2000 Professional in a networking environment. Prepares the student to take the MCSE Certification Exam #70-210.

CBIS   226   **2.5 units**

Microsoft Windows Server OS
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 225
Grading: letter grade or credit/no credit
Learn to install, configure and administer Windows 2000 Server in a networking environment. Prepare to take the MCSE Certification Exam #70-215.

CBIS   227   **2.5 units**

Microsoft Windows Networking
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 226
Grading: letter grade or credit/no credit
Learn to install, configure and administer Windows 2000 networking services and protocols. Prepare to take the MCSE Certification Exam #70-216.

CBIS   228   **2.5 units**

Microsoft Windows Directory Services
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 226
Grading: letter grade or credit/no credit
Learn to install, configure and administer Windows 2000 Directory Services. Prepare to take the MCSE Certification Exam #70-217.

CBIS   234   **3.5 units**

AS/400 Computer Operations
3.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 6
Grading: letter grade
An intro to the operation of midrange business computer systems. Operating systems and systems software are described in general and in detail. Learn to operate the computer and related devices utilizing the campus's IBM AS/400 facilities.

CBIS   239AD   **3.5 units**

Oracle Designer
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 38
Grading: letter grade
An intro to database development using database management client/server tools to prototype and develop enterprise-wide information systems. Topics include installing client/server database development tools, repository administration, process modeling, system modeling, systems design, client application generation, server generation and using current database management designer tools.

CBIS   240A   **2.5 units**

Solaris Unix Fundamentals
2.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 41
Grading: letter grade or credit/no credit
This course covers the basics of the Unix operating system. It presents basic commands, creation and manipulation of directories and files, basic network commands and using the Unix shell to streamline command execution.

CBIS   240B   **4.5 units**

Solaris Unix- Systems Administration I
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 240A
Grading: letter grade or credit/no credit
This course covers the basics of Unix systems administration. It presents basic Unix administration terms and functions. The course will cover adding and managing users and groups, setting up security, working with file systems, managing printers and installing the operating system.

CBIS   240C   **4.5 units**

Solaris Unix- Systems Administration II
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 240B
Grading: letter grade or credit/no credit
This course covers more advanced features of Unix systems administration. It presents Unix administration terms and functions as implemented in a client server environment. The course will cover the configuration of vaious network naming services, management console operations, network monitoring, event logging and automating the installation process across a network.

CBIS   242   **2.5 units**

Programming: Introduction to Oracle
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 6
Grading: letter grade
This course will provide students with an introduction to the relational database programming language, Structured Query Language (SQL) using Oracle database administration system. Topics will include an introduction to relational database design and database administration topics. Hands-on programming skills of using SQL Data Manipulation Language and Data Definition Language, as well as Oracle PL/SQL will be emphasized. The couse is also designed to help students to pass Oracle Test, Introduction to Oracle: SQL and PL/SQL.

CBIS   243   **2.0 units**

Programming: Oracle Program Units
1.5 hours lecture , 1.5 hours laboratory
Prerequisite: CBIS 242
Grading: letter grade
This course covers how to write PL/SQL procedures, functions and packages in both the Oracle Procedure Builder and SQL*Plus environments. Gain knowledge about the creation of PL/SQL program units and database triggers, as well as various Oracle-supplied packages. The course also helps students prepare for the Oracle PL/SQL Program Units certification exam. Upon completion of this course, students are ready to take Oracle Developer Build Forms I/II or Devloper Build Reports courses.

CBIS   244   **2.5 units**

Develop Oracle Forms
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 243
Grading: letter grade or credit/no credit
This course enables students to create Oracle forms, with extensive coverage of triggers. Additional topics include: wizards, data blocks, the debugger; fields; sub-routines; property manipulation; menus; calling

forms; variables; and the Internet Developer Suite as it pertains to forms. The course helps students prepare for the Oracle Certified Exam, Oracle Developer: Build Forms I/II.

CBIS   245   2.0 units

Develop Oracle Reports
1.5 hours lecture , 1.5 hours laboratory
Prerequisite: CBIS 243
Grading: letter grade or credit/no credit
This course enables you to create Oracle reports in a variety of styles and to customize them to meet specific business requirements. The concepts covered in the course are: object navigator, report wizard; templates; layout editor; parameters; list of values (LOV); triggers; report types; and the Internet Developer Suite as it pertains to reports. The course helps students prepare for the Oracle Certified Exam, Oracle Developer: Build Reports.

CBIS   246   2.5 units

Oracle DBA Fundamentals
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 242
Grading: letter grade
This course is for the students who need Oracle DBA training or to prepare for the Oracle DBA track certification. Students will gain a conceptual understanding of Oracle database architecture and how its components work and interact with one another. Students will also learn how to create an operational database and properly manage the various structures in an effective and efficient manner. The lecture topics are reinforced with structured hands-on lab practices.

CBIS   250   1.0 unit

Computer Careers & Certification Paths
1.0 hour lecture , 0.5 hour laboratory
Prerequisite: CBIS 6
Grading: letter grade
Educates students in the fine art of career-building within the Information Technology (IT) field and can be used by individuals deciding which career to pursue or those who know which track matches their interests and talents. Focuses on the professional characteristics involved with obtaining a position, as well as on maintaining and advancing your career once you are hired.

CBIS   251   3.5 units

Introduction to ASP.NET
3.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 38 or comparable work experience/knowledge of HTML and relational database applications.
Grading: letter grade or credit/no credit
This course covers how to create dynamic web pages and web-enabled database applications by using the Microsoft ASP.NET object model. Topics include, but are not limited to, the ASP.NET object programming model; the VS.NET user interface; server controls; ASP.NET rich controls; using VB.NET within an ASP.NET page; configuring an ASP.NET application; troubleshooting and deploying an ASP.NET application; managing data sources, data-driven ASP.NET applications, data-driven web applications; and XML web services.

CBIS   260   1.0 unit

Help Desk Concepts
1.5 hours lecture
Prerequisite: CBIS 40 and 200
Recommended Preparation: CBIS 41
Grading: letter grade
An intro to help desk concepts and procedures. Includes help desk operations, people, process, technology and information components, as well as help desk setup, customer support and resources.

CBIS   633   0.0 unit

Adaptive Computer Technology
4.0 hours laboratory
Grading: LBCC Non-Graded Course
Provides assessment, evaluation, training and instruction in the use of adaptive computer technology to students with disabilities. Access and training in adaptive computer technology will allow full participation in courses or career paths in which computers play an integral part.

CBIS   673   0.0 unit

Computer Learning Improvement Center
2.0 hours laboratory
Grading: LBCC Non-Graded Course
Designed to enhance classroom instruction, provide additional lab experience for the student and to improve computer skills.

COMPUTER AND INFORMATION SCIENCE (COMIS)

COMIS   1A   1.0 unit

Using the IBM Microcomputer
0.5 hour lecture , 1.5 hours laboratory
Grading: credit/no credit
Provides a minimum ability to use microcomputers to do useful work. Included are word processing, spreadsheet analysis and simple data base and telecommunications applications. Satisfies the computer proficiency graduation requirement.
Transfer Status: Transferable to CSU, see counselor for limitations.

COMPUTER APPLICATIONS AND OFFICE TECHNOLOGY (CAOTC)

CAOTC   31A   1.0 unit

Microsoft Windows Operating System, Beg.
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
This course provides an introduction to beginning windows operating system concepts. Through hands-on practice, students will learn to use the mouse, perform electronic desktop functions including file management, rearrange and use information from the desktop, use My Computer, Explorer, various desktop accessories, Notepad, WordPad.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC   31B   1.0 unit

Microsoft Windows Operating System, Adv
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC31A (may be taken concurrently)

Grading: letter grade or credit/no credit

Students will learn to use advanced features of the Microsoft Windows operating system such as the control panel, object linking and embedding, multimedia, telecommunications and the Internet.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 34   3.0 units

Introduction to Computers & Applications

2.0 hours lecture , 3.0 hours laboratory

Recommended Preparation: CAOTT233, 200 or 200A or type 25 wpm.

Grading: letter grade or credit/no credit

An opportunity to examine general principles and applications of computers. Introduces computer hardware, the concept of telecommunications and the impact of computers upon society. Also, an intro to microcomputer application software currently being used in business.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 35   3.0 units

Microsoft Office

2.5 hours lecture , 1.5 hours laboratory

Recommended Preparation: CAOTC39A AND 41E

Grading: letter grade or credit/no credit

Develop skill in producing documents by using integration techniques in application software. Hands-on practice creating, editing, linking and transferring data between applications. Practice in electronic mail.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 39A   1.0 unit

Microsoft Word for Office, Beginning

1.0 hour lecture , 1.0 hour laboratory

Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes.

Grading: letter grade or credit/no credit

Provides equipment training with Microsoft Word. Learn basic text editing including: creating, saving, printing, editing, formatting lines (centering, line spacing, justification), setting margins and indents, maintaining files through routine disk maintenance, changing fonts and using tools such as speller and Thesaurus.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 39B   1.0 unit

Microsoft Word for Office, Intermediate

1.0 hour lecture , 1.0 hour laboratory

Recommended Preparation: CAOTC 39A (may be taken concurrently) and type 45 wpm with five or fewer errors for five minutes.

Grading: letter grade or credit/no credit

Reinforces basic skills and training in manipulating tabs, creating headers and footers, creating footnotes and endnotes, manipulating text within and between documents, revising documents and merging documents.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 39C   1.0 unit

Microsoft Word for Office, Advanced

1.0 hour lecture , 1.0 hour laboratory

Recommended Preparation: CAOTC 39B (may be taken concurrently) and type 45 wpm with five or fewer errors for five minutes.

Grading: letter grade or credit/no credit

Reinforces intermediate skills and introduces advanced formatting (hyphenation, line height alterations, special symbols, hard spaces, bookmarks, case conversion), graphics, graphic elements, columns, tables and incorporating Web information into a document.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 39D   1.0 unit

Microsoft Word for Office, Expert

1.0 hour lecture , 1.0 hour laboratory

Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes.

Grading: letter grade or credit/no credit

For students who have completed the beginning, intermediate and advanced levels of Word and wish to learn and utilize Word expert shortcuts. Helps increase efficiency, reinforces advanced skills and teaches the following: sorting and extracting text, using styles and creating outlines, indexes, lists and table of contents.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 41E   1.0 unit

Excel for Windows-Beginning

0.5 hour lecture , 1.5 hours laboratory

Grading: letter grade or credit/no credit

Intro to spreadsheet software for the office using Microsoft Excel on PCs. Through hands-on practice, create, enhance, design, sort and print spreadsheets.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 41F   1.0 unit

Excel for Windows, Intermediate

0.5 hour lecture , 1.5 hours laboratory

Recommended Preparation: CAOTC41E (may be taken concurrently)

Grading: letter grade or credit/no credit

Continuation of CAOTC41E. Through hands-on practice, learn to use the spreadsheet software's database functions, develop macros and print reports.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 41J   1.0 unit

Excel for Windows, Advanced

0.5 hour lecture , 1.5 hours laboratory

Recommended Preparation: CAOTC41F

Grading: letter grade or credit/no credit

Continuation of CAOTC41F. Through hands-on practice, learn to work with financial functions, create and enhance charts, work with multiple worksheets and perform advanced printing functions.

Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 42A   1.0 unit

Desktop Publishing-Small Business 1

0.5 hour lecture , 1.5 hours laboratory

Grading: letter grade or credit/no credit

Beginning desktop publishing functions used with PCs in the home and office. Through hands-on practice, learn to create professional-looking publications (stationery, business cards, calendars, brochures, flyers, newsletters,

etc.). See the class schedule for brand of software offered.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 42B   1.0 unit
Desktop Publishing-Small Business 2
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC42A (may be taken concurrently)
Grading: letter grade or credit/no credit
Advanced desktop publishing functions used with PCs in the home and office to produce documents including forms, brochures, booklets, labels and press releases.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 43A   1.0 unit
Desktop Publishing-Business 1
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC31A
Grading: letter grade or credit/no credit
An intro to desktop publishing software used with PCs in the office to produce business documents, including reports, forms, brochures, newsletters and flyers. See the current class schedule for the brand of software offered. Through hands-on practice, learn commands to set up the document, draw lines and shapes, import pictures and print camera-ready copy.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 43B   1.0 unit
Desktop Publishing-Business 2
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC43A (may be taken concurrently)
Grading: letter grade or credit/no credit
Continuation of CAOTC43A. Through hands-on practice, learn to enter and edit text with various type sizes and styles, transfer text created with word processing software into a document and combine text with graphics.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 43C   1.0 unit
Desktop Publishing-Business 3
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC43B (may be taken concurrently)
Grading: letter grade or credit/no credit
Continuation of CAOTC43B. Apply special features of the software to create custom effects with text and graphics, develop style sheets and create reusable templates.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 43D   1.0 unit
Desktop Publishing-Business 4
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC43C (may be taken concurrently)
Grading: letter grade or credit/no credit
Continuation of CAOTC43C. Produce color publications, learn advanced printing techniques, use scanners and assemble lengthy documents.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 44C   1.0 unit
Business Graphics-Paint/Draw Software
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC31A (may be taken concurrently)
Grading: letter grade or credit/no credit
An intro to painting and/or drawing software used with PCs in the office to produce graphic images for word processing, desktop publishing and media publishing. See the class schedule for brand of software offered. Through hands-on practice, learn to use electronic drawing tools and enhance commercial clip art illustrations.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 44D   1.0 unit
PowerPoint for Windows, Beginning
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC31A (may be taken concurrently)
Grading: letter grade or credit/no credit
An intro to presentation graphics software used with PCs in the office. See the class schedule for version of software offered. Through hands-on practice, learn to combine text and graphic images to develop computerized slide shows, transparencies and charts for group presentations.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 44E   1.0 unit
Power Point for Windows, Advanced
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC 44D
Grading: letter grade or credit/no credit
This course is designed for students who are continuing in presentation graphics software using IBM-compatible computers. Through hands-on practice, the students will learn to use the design template to create a slide show and imbed visuals. Additional advanced topics include automating presentations. There is a research component to the course where students will create presentations based on information gathered from electronic sources.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 45   2.0 units
Internet for Office and Personal Use
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to telecommunication terminology, devices and software using IBM compatible microcomputers in a Windows-based operating system. See the class schedule for brand of software offered. Through hands-on practice, become familiar with sharing information on a network, sending/receiving/manipulating email, navigating the Internet, sending/receiving a facsimile (FAX) and using electronic bulletin board systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 46C   1.0 unit
Independent Project — Desktop Publishing
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC43D
Grading: letter grade or credit/no credit

Advanced study using desktop publishing computer software. Work independently with faculty assistance on an application of the software to meet an actual office need.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 46D   1.0 unit
Independent Project — Business Graphics
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC44C or 44D
Grading: letter grade or credit/no credit
Advanced study using business graphics computer software. Work independently with faculty assistance on an application of software to meet an actual office need.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 46E   1.0 unit
Independent Project-Telecommunications
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: CAOTC31A
Grading: letter grade or credit/no credit
Advanced study using telecommunications software. Work independently with faculty assistance on an application of the software to meet an actual office need.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 47A   3.0 units
Access for Office Applications, Begin
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: Type 30 wpm or CAOTT200 or 200C
Grading: letter grade or credit/no credit
Hands-on relational database application course on the personal computer: creating databases, designing queries, forms and reports for retrieving, viewing and sorting information, modifying design of forms and reports with graphics.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 47B   3.0 units
Access for Office Applications, Intermed
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CAOTC47A and type 30 wpm or CAOTT200 or 200C.
Grading: letter grade or credit/no credit
Hands-on training on PCs using a software application that creates and manages a computerized database.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTC 215A   2.0 units
Microsoft Outlook
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Type 30 wpm minimum or CAOTT 200 or CAOTT 200C
Grading: letter grade or credit/no credit
This course is designed for students entering the field of office work, as well as presently employed students seeking upgraded skills. Provides hands-on computer training in desktop management using Microsoft Outlook.

CAOTC 215AD   3.0 units
Computerized Office Job Training
2.0 hours lecture , 3.0 hours laboratory

Recommended Preparation: Type 30 wpm minimum or CAOTT200 or 200C
Grading: letter grade or credit/no credit
For students entering the field of office work, as well as presently employed students seeking upgraded skills. Provides hands-on computer training in records management, payroll processing, inventory management, billing, bank reconciliation, accounts receivable and payable and financial statements.

CAOTC 215B   2.0 units
Electronic Records Management
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Type 30 wpm minimum or CAOTT 200 or CAOTT 200C
Grading: letter grade or credit/no credit
This course is designed for students entering the field of office work, as well as presently employed students seeking upgraded skills. The basics for both manual filing and electronic records management are addressed and reinforced through hands-on training in filing and address coding, indexing and retrieving records, and manipulating databases using Microsoft Access.

CAOTC 215C   2.0 units
Lotus Notes
1.0 hour lecture , 3.0 hours laboratory
Type 30 WPM minimum or CAOTT 200 or CAOTT 200C
Grading: letter grade
This course is designed for students entering the field of office work and/or presently employed students seeking upgraded skills. This course provides hands-on computer training in desktop management using Lotus Notes.

CAOTC 220   1.0 unit
Hand-Held Electronic Organizers
0.8 hour lecture , 0.2 hour laboratory
Grading: letter grade or credit/no credit
Take advantage of everything your Hand-Held Electronic Organizer has to offer. Make your HHEO work the way you want it to: use built-in and third party applications, keep track of your schedule, and connect to the Internet. You'll get full details on how to prepare your HHEO for the address book, the to do list, the memo pad, a business trip, how to beam information to another HHEO, and even how to go wireless. This is the perfect course for every HHEO user.

CAOTC 236A   1.0 unit
Word Processing-WordPerfect, Beginning
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes
Grading: letter grade or credit/no credit
Provides equipment training with WordPerfect. Learn basic text editing including: creating, saving, printing, editing, formatting lines (centering, line spacing, justification), setting margins and indents, maintaining files through routine disk maintenance, changing fonts, and using tools such as Spell Checker, Thesaurus, and Grammatik.

CAOTC 236B   1.0 unit
Word Processing-WordPerfect, Intermed.
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes
Grading: letter grade or credit/no credit

Reinforces basic skills and training in manipulating tabs, creating headers and footers, creating footnotes and endnotes, manipulating text within and between documents, revising documents, and merging documents.

CAOTC 236C   1.0 unit

Word Processing-WordPerfect, Advanced
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes
Grading: letter grade or credit/no credit
Reinforces intermediate skills and introduces advanced formatting (hyphenation, line height alterations, special symbols, hard spaces, bookmarks, case conversion), macros, graphics, and graphic elements, columns, envelopes, labels, tables, and incorporating Web information into a document.

CAOTC 236D   1.0 unit

Word Processing-WordPerfect, Expert
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: Type 45 wpm with five or fewer errors for five minutes
Grading: letter grade or credit/no credit
For students who have completed the beginning, intermediate and advanced levels of WordPerfect and wish to learn and utilize WordPerfect expert shortcuts. Helps increase efficiency, reinforce advanced skills and teaches the following: sorting and extracting text, using styles and creating outlines, indexes, lists and table of contents.

CAOTC 240AB   0.5 unit

Microsoft Office Exam Prep-Word
0.5 hour lecture
Recommended Preparation: CAOTC39A-B
Grading: letter grade or credit/no credit
A test preparation course for the Microsoft Word proficient-user certification exam. Review all topics that appear in the guidelines for Word MOUS proficient-user certification. MOUS certified courseware will be used. Proficient-user certification indicates that individuals can process a wide range of everyday tasks easily.

CAOTC 241AB   0.5 unit

Microsoft Office Exam Prep-Excel
0.5 hour lecture
Recommended Preparation: CAOTC41F or 41J
Grading: letter grade or credit/no credit
This is a test preparation course for the Microsoft Excel proficient-user certification exam. Students will review all topics that appear in the guidelines for Excel MOUS proficient user certification. MOUS certified courseware will be used. Proficient User certification indicates that individuals can process a wide range of everyday tasks easily.

CAOTC 242   0.5 unit

Microsoft Office Exam Prep-PowerPoint
0.2 hour lecture , 0.8 hour laboratory
Recommended Preparation: CAOTC 44D
Grading: letter grade or credit/no credit
Test preparation for the Microsoft PowerPoint certification exam. Students will review all topics that appear in the guidelines for PowerPoint MOUS certification. MOUS certified courseware will be used. Certification indicates that individuals can use the PowerPoint program to prepare a wide range of PowerPoint presentations.

CAOTC 243   0.5 unit

Microsoft Office Exam Prep-Access
0.2 hour lecture , 0.8 hour laboratory
Recommended Preparation: CAOTC47A
Grading: letter grade or credit/no credit
A test preparation course for the Microsoft Access core-user certification exam. Will review all topics that appear in the guidelines for Access MOUS core-user certification. MOUS certified courseware will be used. Core-user certification indicates that individuals can process a wide range of everyday tasks easily.

CAOTC 246   3.0 units

Financial Applications
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: Type 30 wpm or CAOTT200 or 200C
Grading: letter grade or credit/no credit
Hands-on activities which teach financial skills: setting up accounts, scheduling transactions, reconciling bank statements, tracking loans and mortgages, creating and updating investment accounts and using online services.

CAOTC 250A   2.0 units

Data Entry — Level 1
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Type 30 wpm
Grading: letter grade or credit/no credit
The first in a sequence of three designed for students who wish to pursue a career as a data entry operator. Through hands-on practice, learn to operate software for data entry. The key stroking goal is 6,000 strokes per hour.

CAOTC 250B   3.0 units

Data Entry — Level 2
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CAOTC250A; Type 35 wpm
Grading: letter grade or credit/no credit
Continuation of CAOTC250A. Through hands-on practice, continue to develop speed and accuracy skills in using forms and data of intermediate key stroking difficulty when entering data. The key stroking goal is 8,000 strokes per hour.

CAOTC 250C   3.0 units

Data Entry — Level 3
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: CAOTC250B; Type 40 wpm
Grading: letter grade or credit/no credit
Continuation of CAOTC250B. Through hands-on practice, continue to develop speed and accuracy skills in using forms and data of advanced key stroking difficulty in entering data. The key stroking goal is 10,000 strokes per hour.

CAOTC 265   2.0 units

Computer Transcription
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Type 40 wpm, CAOTT201/202 or CAOTC236B or 39B
Grading: letter grade or credit/no credit
Offers hands-on training on the microcomputer in machine transcription. The dictation material is recorded on cassette tapes from which the student learns to transcribe directly onto a microcomputer.

CAOTC   617   **0.0 unit**

Refresher Training: Office Technologies
5.0 hours laboratory
Grading: LBCC Non-Graded Course
Preparation for entry or re-entry into and for advancement in an office job. Develop, review or provide additional practice in computer applications, business English, filing, calculating machines, telephone techniques and other office knowledge and skills needed by an individual student.

COMPUTER OFFICE TECHNOLOGIES (CAOTO)

CAOTO   15   **3.0 units**

Business Communications
3.0 hours lecture
Grading: letter grade or credit/no credit
Emphasis is on the creation, form and usage in the preparation of all business communication, such as letters, reports, memos, email and minutes. Not open for credit to students who have completed GBUS 15 or MGMT 15.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTO   30   **2.0 units**

Business Calculating Machines
2.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Instruction in the use of electronic printing calculators and the computer calculator and keypad.
Transfer Status: Transferable to CSU, see counselor for limitations.

CAOTO   214A   **1.0 unit**

Filing
1.0 hour lecture
Grading: letter grade
A self-paced program for mastering and applying alphabetic indexing for personal and business names using the ARMA rules as the records management industry standard. Both manual and computerized techniques are taught.

CAOTO   214B   **1.0 unit**

Filing
1.0 hour lecture
Recommended Preparation: CAOTO214A (may be taken concurrently)
Grading: letter grade
A self-paced program for mastering and applying indexing rules for cross referencing, government, subject, numeric and geographic filing using ARMA rules. Both manual and computerized techniques are taught.

CAOTO   216   **1.0 unit**

Proofreading Skills
1.0 hour lecture
Grading: letter grade or credit/no credit
Develop skills in detecting and correcting errors in office documents through the study of basic English and proofreading principles.

CAOTO   222   **3.0 units**

Job Search Skills
3.0 hours lecture , 2.0 hours laboratory

Recommended Preparation: CAOTT200B or higher
Grading: letter grade
Explore job opportunities. Prepare a winning resume and letter of application. Develop interviewing skills to make a favorable impression. Assess skill-level for successful completion of office employment tests. Enhance interview follow-up skills.

CAOTO   223   **3.0 units**

Legal Procedures, Litigation
3.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT200 and CAOTC236A
Grading: letter grade or credit/no credit
For the beginning worker in a legal office. Provides training in legal office routine, the setting up of legal documents in the areas of litigation and federal cases, procedures for court filing and calendaring and obtaining and completing legal forms using a legal procedures computer software program.

CAOTO   224   **3.0 units**

Legal Procedures
3.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT200 and CAOTC236A
Grading: letter grade or credit/no credit
For the beginning worker in a legal office. Provides training in legal office routine, the setting up of legal documents in the areas of family law, real estate, worker's compensation, wills and probate, procedures for court filing and calendaring and obtaining and completing legal forms using a legal procedures computer software program.

CAOTO   260   **1.0 unit**

Business Telephone Procedures
1.0 hour lecture
Grading: letter grade
For the person who needs instruction and practice in using the telephone and state-of-the-art telephone-related equipment to its greatest potential in the business office.

CAOTO   261   **3.0 units**

Business English
3.0 hours lecture
Grading: letter grade
Offers thorough training in the mechanics of English: spelling, grammar, punctuation, sentence structure and word usage. Develop a business vocabulary.

CAOTO   262   **1.0 unit**

Professional Development
1.0 hour lecture
Grading: letter grade or credit/no credit
Covers the fundamentals of human relations in the business office and develops a basic proficiency in those principles.

CAOTO   263   **1.0 unit**

Customer Service
1.0 hour lecture
Grading: letter grade or credit/no credit
This course covers the essentials of customer service in today's economy including needs, support, and relationships. The number of customer service jobs has increased greatly. Customer service positions may be found in retail stores, offices, call centers, help desks for

computer software companies, or web-based companies, just to name a few.

CAOTO 264   **1.0 unit**

Call Centers
1.0 hour lecture
Recommended Preparation: CAOTT 200A or CAOTT 233 or type 25 WPM; CAOTO 260 (may be taken concurrently).
Grading: letter grade or credit/no credit
This course is designed for those who are already in a position or those seeking a position in a call center. Students will learn to develop the ability to multitask, reduce stress, be flexible, get along with people, display a positive attitude, and other interpersonal skills increasing the chances of being successful on the job.

CAOTO 265   **1.0 unit**

Customer Conflict Management
1.0 hour lecture
Grading: letter grade or credit/no credit
The student will explore several different aspects of conflict and learn important skills that can help manage conflicts effectively as a Customer Service employee.

CAOTO 272AD   **3.0 units**

Work Experience — Computer Applications & Office Technology
1.0 hour lecture , 6.6 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade

COMPUTER PROFICIENCY FOR ACADEMIC SUCCESS (CPAS)

CPAS 1   **1.0 unit**

Using the Mac as a Tool for Learning
0.5 hour lecture , 1.5 hours laboratory
Grading: credit/no credit
Provides the minimum ability to use a Macintosh computer and integrated software products to successfully perform classroom tasks. Included are word processing, spreadsheet, graphics and data base applications. Satisfies the computer proficiency graduation requirement.
Transfer Status: Transferable to CSU, see counselor for limitations.

CPAS 10   **1.0 unit**

Advanced Computer Skills for Learning
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: Basic computer experience in word processing, spreadsheets and graphics.
Grading: credit/no credit
An advanced course in which you will learn to use the computer effectively to prepare documents for any class using word processing, spreadsheets, graphics manipulation, web presentations, Internet uses and resources.
Transfer Status: Transferable to CSU, see counselor for limitations.

CPAS 805   **0.5 unit**

Preparation for Distance Learning
0.3 hour lecture , 0.8 hour laboratory
Grading: credit/no credit

This course introduces students to the skills necessary for success in any distance education course. Topics include skills for learning with technology which are necessary for success in distance education, characteristics of successful distance education students, and introduction to the Internet, creating and using an e-mail account and other methods of online communications, basic aspects of word processing, and hardware/software basics.

COMPUTER SCIENCE (CS)

CS 21   **3.5 units**

Introduction to Computer Science I
3.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: CBIS 7 and MATH 40
Grading: letter grade
This is the first of three introductory courses in computer science. This course introduces the basics of computer software design, programming, and related underlying concepts required with java programming.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CS 22   **3.5 units**

Introduction to Computer Science II
3.0 hours lecture , 2.0 hours laboratory
Prerequisite: CBIS 14A and MATH 50
Grading: letter grade
Formerly CBIS 14B. This is the second of three introductory courses in computer science. This course introduces the classic data structures (queues, stacks, tables, and trees) and looks at alternate implementation as abstract data types. This course also covers the topics of time and space efficiency, recursion, OOP and functional programming and models of computation.
Transfer Status: Transferable to CSU, see counselor for limitations.

COMPUTER/TYPING KEYBOARD (CAOTT)

CAOTT 200   **3.0 units**

Beginning Typing/Keyboarding
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
For the person who desires to develop a skill in typing for business or personal use. Covers simple business and personal letters, envelopes, tabulations, memorandums, report writing, manuscripts and outlines. Taught using PCs.

CAOTT 200A   **1.0 unit**

Beginning Typing/Keyboarding
1.0 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
For the person who desires to develop touch control of the computer keyboard. Emphasizes proper typing techniques and building basic speed and accuracy. Typically offered as self-paced, open-entry/open-exit course.

CAOTT 200B   **1.0 unit**

Beginning Typing/Keyboarding B
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT200A (may be taken concurrently)
Grading: letter grade or credit/no credit

Develop skills in typing and/or computer keyboarding for business or personal use. Emphasizes increased speed and accuracy and covers business and personal letters, tabulation, manuscripts and correct word division. Typically offered as self-paced, open-entry/exit instruction.

CAOTT 200C   1.0 unit
Beginning Typing/Keyboarding C
1.0 hour lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT200B (may be taken concurrently)
Grading: letter grade or credit/no credit
Develop skills in typing and/or computer keyboarding for business or personal use. Emphasizes increased speed and accuracy and covers memorandums, envelopes, reports with footnotes and endnotes, job application papers, business letters, business forms and tables. Typically offered as self-paced, open-entry/exit instruction.

CAOTT 201   2.0 units
Intermediate Typing/Keyboarding
2.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT200 or 200C; Type 35 wpm.
Grading: letter grade
To increase speed and accuracy in the preparation of business reports and letters. Taught using PCs.

CAOTT 202   2.0 units
Advanced Typing/Keyboarding
2.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: CAOTT201; type 40 wpm.
Grading: letter grade
Provides a realistic office-type experience to integrate skills, techniques and knowledge for the person who desires to become an executive typist. Taught using PCs.

CAOTT 209AB   1.0 unit
Speed/Accuracy Bldg for Typists
3.0 hours laboratory
Recommended Preparation: CAOTT200 or 200C or 233 or type 25 wpm minimum.
Grading: letter grade or credit/no credit
Directed supervision to assist those who wish to maintain and improve their typing skills.

CAOTT 233   1.0 unit
Computer Keyboarding
1.0 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Develop touch inputting skills on the alphanumeric keyboard and ten-key pad for business or personal use.

COUNSELING/GUIDANCE (COUNS)

COUNS 1   0.5 unit
Orientation for College Success
0.5 hour lecture
Grading: letter grade or credit/no credit
Recommended for all students and designed to orient them to the college environment and educational opportunities in the holistic manner. An intro to academic procedures and policies, goal setting, educational planning, college services and facilities and an exploration of the various opportunities of higher education in California. Develop an educational plan to achieve tentative goals.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

COUNS 2   3.0 units
Making A Difference With Mentoring
3.0 hours lecture
Grading: letter grade or credit/no credit
This course is designed for students who are interested in learning the techniques of mentoring first year students. Theories of the first year experience, and mentoring, will be explored. Students will learn how to promote the academic development and socialization of first year students, using a variety of techniques learned through lecture and activities. Campus and community resources will be discussed and explored.
Transfer Status: Transferable to CSU, see counselor for limitations.

COUNS 48   1.0 unit
Career Exploration
1.0 hour lecture , 0.5 hour laboratory
Grading: letter grade or credit/no credit
For those not sure of their educational and/or career goals. Intro to a career decision making model including personal assessment, self-understanding career and labor market research, integration of information and goal setting. Emphasizes one's self-description as it impacts career choices.
Transfer Status: Transferable to CSU, see counselor for limitations.

COUNS 49   2.0 units
College Study Techniques
2.0 hours lecture
Grading: letter grade or credit/no credit
Group guidance in the methods of effective study, including self-appraisal of the factors of motivation, interests and academic abilities.
Transfer Status: Transferable to CSU, see counselor for limitations.

COUNS 49A   1.0 unit
College Study Techniques
1.0 hour lecture
Grading: letter grade or credit/no credit
An intro to methods of effective study at the college level, including self-analysis of current skills, time management, learning theories, textbook study, note-taking skills and exam-taking strategies.
Transfer Status: Transferable to CSU, see counselor for limitations.

COUNS 50   3.0 units
Career Planning: A Life-Long Process
3.0 hours lecture
Grading: credit/no credit
Presents a reflexive model of decision making that integrates theory and practice which is applicable in a variety of situations over the life span. Through a study of career decision making, students explore the impact of psycho-social, physical and affective factors on one's own cognitive processes. This objectified self-discovery serves as a foundation for life-long learning skills with an immediate focus on achieving success on the student's education/career plan.
Transfer Status: Transferable to CSU, see counselor for limitations.

COUNS 600   0.0 unit
Disability and Self-Concept
2.0 hours lecture , 1.0 hour laboratory
Grading: LBCC Non-Graded Course
Aids college students with a disability in successfully integrating into the mainstream college program and provides a guidance and counseling function based upon the individual needs of the students. Meet with the instructor in a group and individually to discuss present, as well as future, academic, vocational and personal problems that might mitigate against successful college performance. Includes factors related to realistic self-appraisal, defenses related to adjustment, self-concept and inter-personal relationships.

CREATIVE ARTS (CART)

CART 41   3.0 units
The Arts and Modern Man
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the creative arts (art, film, music and the theatre arts) for the general student.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

CULINARY ARTS (CULAR)

CULAR 20   3.0 units
App. Food Serv Sanit in Hotel/Rstr Mgmt
3.0 hours lecture
Grading: letter grade
Describes the significance of sanitation in food service and provides the practical knowledge needed to implement a sanitation program in any kitchen. Stresses the importance of the food poisoning problem of today and shows how important sanitation is from an economic, legal and moral point of view.
Transfer Status: Transferable to CSU, see counselor for limitations.

CULAR 200AD   1.0 unit
Introduction to Chocolate
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
This course introduces the student to the principles involved in tempering chocolate, processing and storage of chocolate, molding of hollow forms, and pouring of flat surfaces.

CULAR 201A   8.0 units
Hotel, Restaurant: Institutional Cooking
5.0 hours lecture , 10.0 hour laboratory
Grading: letter grade
Develop the basic skills of commercial cooking, including: preparation of vegetables, salads, soups, sandwiches, entrees, pastries and speciality dishes. Develop knowledge of nutrition, menu, supplies, hygiene and sanitation, safety practices and employer-employee relations.

CULAR 201B   8.0 units
Hotel, Restaurant: Institutional Cooking
5.0 hours lecture , 10.0 hour laboratory
Grading: letter grade

Develop basic skills of commercial cooking, including: preparation of vegetables, salads, soups, sandwiches, entrees, pastries and speciality dishes. Develop knowledge of nutrition, menu, supplies, hygiene and sanitation, safety practices and employer-employee relations.

CULAR 204   5.0 units
Introduction to Baking
2.0 hours lecture , 9.0 hours laboratory
Grading: letter grade
Basic preparatory skills for a baker, including use of tools, equipment and materials, the basic characteristics of ingredients, the fundamentals of baking breads, rolls, doughnuts and related icings, toppings and fillings.

CULAR 205   5.0 units
Baking and Pastry I
2.0 hours lecture , 9.0 hours laboratory
Prerequisite: FDSRV 204
Grading: letter grade
Includes two major areas: Pies and cakes/specialties.

CULAR 206   5.0 units
Baking and Pastry II
2.0 hours lecture , 9.0 hours laboratory
Prerequisite: FDSRV 204
Grading: letter grade
Includes puff pastries and other exotic baked goods.

CULAR 207   5.0 units
Commercial Cake Decorating
2.0 hours lecture , 9.0 hours laboratory
Grading: letter grade
Design and arrangements, figure piping, tube writing and lettering, icing preparation and coloring, setting pre-cast decorator figures, cake borders and basic texture patterns are covered. Practice cake decorating.

CULAR 213A   11.5 units
Food Preparation 1
5.0 hours lecture , 20.0 hour laboratory
Grading: letter grade
Emphasizes food service careers, weights, measures, and safety. Also includes instruction in professionalism, equipment identification, salads & dressings, sandwiches, cold & hot appetizers, charcuterie, buffet, baking, yeast breads, quick breads, cakes, pastry dough, cookies, icing/dessert sauces, creams, and ice creams.

CULAR 213B   11.5 units
Food Preparation 2
5.0 hours lecture , 20.0 hour laboratory
Prerequisite: FDSRV 213A
Grading: letter grade
Emphasizes instruction in fruits, vegetables, herb preparation, dairy products, egg purchasing and cooking, dry goods, stocks, sauces, grilling, baking, broiling, roasting, saut,ing, pan frying, deep frying, steaming, simmering, submersion cooking, braising and stewing techniques.

CULAR 213C   11.5 units
Food Preparation 3
5.0 hours lecture , 20.0 hour laboratory
Prerequisite: FDSRV 213B
Grading: letter grade

Emphasizes instruction in menu development, nutrition and safety. Identification, fabrication and preparation of meats, poultry, fish and shellfish. Preparation and identification of vegetables, herbs, starches and spices.

CULAR   214   2.0 units
Professional Gourmet Cooking
6.0 hours laboratory
Grading: letter grade
Emphasizes a comprehensive study of the complex artistry of chefs in California's leading hotels and restaurants. Specialized equipment, tools, formulas and techniques are presented by Los Angeles' top chefs.

CULAR   215   2.0 units
Commercial Formal Buffet
6.0 hours laboratory
Grading: letter grade
Emphasizes a comprehensive study of the complex artistry of chefs in California's leading hotels and restaurants. Specialized equipment, tools, formulas and techniques are presented by Los Angeles' top chefs.

CULAR   271AD   2.0 units
Work Experience: Food Services
1.0 hour lecture , 4.2 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

CULAR   272AD   3.0 units
Work Experience: Food Services
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

CULAR   273AD   4.0 units
Work Experience: Food Services
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

DANCE (DANCE)

DANCE   1   3.0 units
Dance Forms Through the Ages
3.0 hours lecture
Grading: letter grade or credit/no credit
An historical survey of dance, including its role in culture, its development through history and the theatrical dance forms in contemporary America.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   2   1.0 unit
Introduction to Dance
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Introduces the basic dance techniques of ballet, modern, jazz and ethnic dance. Recommended for students with no dance experience.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   3AD   1.0 unit
Musical Theatre Dance
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Introduces musical theatre dance styles from the 1940's to present. Includes the study of ballet, jazz and tap techniques to prepare students for performance in musical theatre.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   5AB   1.0 unit
Beginning Tap
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
The study of basic tap dance techniques. Provides the opportunity to develop coordination, rhythm and performance skills. Some history of tap will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   6AB   1.0 unit
Intermediate Tap Dance
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: DANCE5AB
Grading: letter grade or credit/no credit
Continuing study of tap dance skills, emphasizing the intermediate level of dance. Includes the study of terminology, tap history and tap styles.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   8AD   1.0 unit
Stretch and Relaxation
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
The study and practice of stretching and breathing principles for increased flexibility, reduction of stress and improved mental and physical health.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   10AB   1.0 unit
Fundamentals of Ballet
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
The study and execution of fundamental ballet techniques. Appreciation of ballet as an art form through the study of its history, current trends and terminology.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   11AB   1.0 unit
Intermediate Ballet
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: DANCE 10AB
Grading: letter grade or credit/no credit
Continuing study of ballet techniques. Increased emphasis on body alignment, musicality, strength and flexibility.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   12AD   1.0 unit
Conditioning for Dance-Pilates Technique
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit

Physical and mental conditioning program for dancers involving exercises performed on a mat and on an apparatus called the universal reformer. Designed to enhance dance techniques and performance and prevent injuries. Lectures focus on correct execution of mat and apparatus exercises. Lab involves individual practice of lecture material.
Transfer Status: Transferable to CSU, see counselor for limitations.

DANCE   13AD   1.0 unit
Turns
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: DANCE 10AB, 20AB or 14AB
Grading: letter grade or credit/no credit
The practice and study of beginning to advanced turns for modern, ballet and jazz dance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   14AB   1.0 unit
Beginning Modern Dance
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Emphasizes techniques, composition and aesthetic judgment. Relationship of dance with music and sound explored.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   15AB   1.0 unit
Beg Contemporary Dance Technique
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques for the concert stage emphasizing body alignment, strength, flexibility and coordination. Includes study of improvisation, composition skills and contemporary choreographers' styles.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   16AB   1.0 unit
Int. Contemporary Dance Technique
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: DANCE15AB
Grading: letter grade or credit/no credit
Continuing study for the concert stage involving intermediate combinations. Increased emphasis on body alignment, strength, coordination, contemporary choreographers' styles, improvisation and composition.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   17AB   1.0 unit
Intermediate Modern Dance
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: DANCE14AB
Grading: letter grade or credit/no credit
Continuing study of techniques for the concert stage encompassing more complicated combinations taught at a quicker pace. Emphasizes movement expression and a comparison of modern styles and choreographers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   18AD   1.0 unit
Folk and Ethnic Dance
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit

Introduces dances from selected cultures using character barre exercises for strength, flexibility and coordination.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   20AB   1.0 unit
Beginning Jazz Dance
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Intro to the movement skills used in jazz dance, the use of dynamics in rhythm, sustained and percussive tension and dramatic focus unique to jazz.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   21AB   1.0 unit
Intermediate Jazz Dance
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: DANCE 20AB or Audition
Grading: letter grade or credit/no credit
A study of the movement skills that require an intermediate knowledge of jazz dance techniques. Emphasis is on executing movement with a sense of performance, use of long movement patterns with a focus on dynamics in rhythm, sustained and percussive tension and dramatic focus that are unique to jazz.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   31AB   1.0 unit
Solo Choreography
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: One semester of DANCE 20AB, 10AB, 14AB or Audition.
Grading: letter grade or credit/no credit
The study of creating movement for the solo dancer focusing on discovering inventive movement, a personal style of expression and aesthetic judgment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   32AB   1.0 unit
Group Choreography
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: One semester of DANCE31AB
Grading: letter grade or credit/no credit
The study of choreography for a group of dancers focusing on the use of design in space to create dances of significant form. Includes an intro of computer skills to design a dance and work in a collaborative environment teaching choreography to workshop participants.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   33AD   1.0 unit
Dance Choreography Workshop
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
A collaborative workshop environment in which class participants work with student choreographers in the creation of dances of significant form and content.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   41/1   0.5 unit
Dance Performance
2.0 hours laboratory
Corequisite: DANCE 10AB, 11AB, 12AD, 14AB, 17AB or 20AB.

Recommended Preparation: Audition
Grading: letter grade or credit/no credit
The application of choreographic concepts and skills through rehearsal and performance of dance projects for public performance. The appropriate class section in this sequence is assigned following skills assessment at initial class meeting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   41/2   1.0 unit
Dance Performance
4.0 hours laboratory
Corequisite: DANCE 10AB, 11AB, 12AD, 14AB, 17AB or 20AB.
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
The application of choreographic concepts and skills through rehearsal and performance of dance projects for public performance. The appropriate class section in this sequence is assigned following skills assessment at initial class meeting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   41/3   1.5 units
Dance Performance
6.0 hours laboratory
Corequisite: DANCE 10AB, 11AB, 12AD, 14AB, 17AB or 20AB.
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
The application of choreographic concepts and skills through rehearsal and performance of dance projects for public performance. The appropriate class section in this sequence is assigned following skills assessment at initial class meeting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   41AD   2.0 units
Dance Performance
8.0 hours laboratory
Corequisite: DANCE 10AB, 11AB, 12AD, 15AB, 17AB or 20AB.
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
The application of choreographic concepts and skills through rehearsal and performance of dance projects for public performance. The appropriate class section in this sequence is assigned following skills assessment at initial class meeting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DANCE   60AD   1.0 unit
Special Projects in Dance
3.0 hours laboratory
Grading: letter grade or credit/no credit
Permits lower division students with a generalized background in dance to explore in-depth a specific aspect of dance in both theory and execution.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

DIAGNOSTIC MEDICAL IMAGING (DMI)

DMI   10   3.0 units
Introduction of Radiologic Technology
3.0 hours lecture
Prerequisite: ANAT 41 and AH 60
Grading: letter grade
A study of the history and basic principles of medical radiography, the structure of film, mechanics of exposure, chemistry of processing the latent image and evaluation of the finished radiograph.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   11   1.0 unit
Radiographic Techniques
1.0 hour lecture
Prerequisite: RT 20
Grading: letter grade
A study of the criteria required to select x-ray machine settings to produce diagnostic quality radiographs.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   12   3.0 units
Contrast Fluoroscope/Radiographic Proced
3.0 hours lecture
Corequisite: RT 11
Grading: letter grade
A study of the preparation and administration of radiographic contrast media, including specific procedures, accessories and techniques. The management and organization of a radiologic services department are outlined and discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   14   3.0 units
Trends and Self-Assessment in Rad Tech
3.0 hours lecture
Prerequisite: RT 15 or current C.R.T. (Certified Radiologic Technologist).
Grading: letter grade
Current developments in radiologic technology equipment, quality control devices, computer applications, ultra sound and special procedures are discussed. Students are assisted with self-assessment of the knowledge and skills required of the successful radiologic technologist.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   15   3.0 units
Computer Applications in Radiology
3.0 hours lecture
Prerequisite: RT 24
Grading: letter grade
A study of computer systems hardware and software uses in radiology: CT, digital imaging, MRI, ultrasonography, nuclear medicine and automated radiology management systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   20   3.0 units
Introduction to Radiologic Physics
3.0 hours lecture
Prerequisite: RT 10

Grading: letter grade
A study of the basic principles of physics involved in the production, behavior, modification and control of radiation.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   21   2.0 units
Applied Radiological Physics
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: RT 20
Grading: letter grade
A study of the application of basic radiologic physics to the interaction of radiation with matter, radionuclide production, behavior and use and radiation therapy. Also includes practical applications for diagnostic radiology.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   24   3.0 units
Radiation: Biology and Protection
3.0 hours lecture
Prerequisite: RT 21
Grading: letter grade
A history of radiation damage to humankind: biologic effects of ionizing radiation, methods used to minimize occupational radiation exposure and legislative attempts at the federal and state level to regulate the use of radiation.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   30   3.0 units
Positioning for General Diagnostic Rad
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: RT 11
Grading: letter grade
A study of the knowledge and skills required to accurately position patients and align equipment and film to produce diagnostic quality radiographs of the trunk and extremities.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   31   3.0 units
Positioning for Cranial Radiography
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: RT 30
Grading: letter grade
A study of the positioning for general and specialized radiologic exams of the cranium and its contents. Develop skill in positioning the patient, film and x-ray tube and select appropriate techniques to produce quality radiographs.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   40A   2.5 units
Clinical Radiology
8.0 hours laboratory
Prerequisite: RT 10 and 20 and health evaluation.
Grading: letter grade
The clinical application of theoretical knowledge to the practice of radiologic technology, correlation of clinical experiences, training and career goals, interpersonal relations, job oriented problems and film quality control. Includes an assignment to a radiology department in an accredited hospital for clinical experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   40B   6.0 units
Clinical Radiology
1.0 hour lecture , 23.0 hours laboratory
Prerequisite: RT 40A
Grading: letter grade
The clinical application of theoretical knowledge to the practice of radiologic technology, correlation of clinical experiences, training and career goals, interpersonal relations, job oriented problems and film quality control. Includes an assignment to a radiology department in an accredited hospital for clinical experience. Designed for students who are full-time in the Diagnostic Medical Imaging program.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   40C   6.0 units
Clinical Radiology
1.0 hour lecture , 13.0 hours laboratory
Prerequisite: RT 40B
Grading: letter grade
The clinical application of theoretical knowledge to the practice of radiologic technology, correlation of clinical experiences, training and career goals, interpersonal relations, job-oriented problems and film quality control. Includes an assignment to a radiology department in an accredited hospital for clinical experience. Typically offered for twelve weeks during the summer. Designed for students who are full-time in the Diagnostic Medical Imaging program.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   40D   11.0 units
Clinical Radiology
1.0 hour lecture , 31.0 hour laboratory
Prerequisite: RT 40C
Grading: letter grade
The clinical application of theoretical knowledge to the practice of radiologic technology, correlation of clinical experiences, training and career goals, interpersonal relations, job-oriented problems and film quality control. Includes an assignment to a radiology department in an accredited hospital for clinical experience. Designed for students who are full-time in the Diagnostic Medical Imaging program.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   40E   11.0 units
Clinical Radiology
1.0 hour lecture , 31.0 hour laboratory
Prerequisite: RT 40D
Grading: letter grade
The clinical application of theoretical knowledge to the practice of radiologic technology, correlation of clinical experiences, training and career goals, interpersonal relations, job-oriented problems and film quality control. Includes an assignment to a radiology department in an accredited hospital for clinical experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI   60   3.0 units
Radiologic Pathology
3.0 hours lecture
Prerequisite: ANAT 41 and RT 11
Grading: letter grade

An intro to the study of disease as it relates to radiologic technology. Includes causes, signs, symptoms and radiographic demonstration of common human diseases. Acquaints the student with various pathologic conditions and their impact on the radiographic process.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI 61 2.0 units

Fluoroscopy
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: Current C.R.T. (Certified Radiologic Technologies) certification card. Corequsite: RT 14
Grading: letter grade
Principles of radiation protection, fluoroscopy and viewing equipment, recording systems, quality control, patient positioning and regulatory provisions associated with fluoroscopy. Prepares students to obtain a Department of Health Services Fluoroscopy permit.
Transfer Status: Transferable to CSU, see counselor for limitations.

DMI 62 3.5 units

Mammography
3.0 hours lecture , 1.5 hours laboratory
Prerequisite: Current C.R.T. (Certified Radiologic Technologies) certification card. RT40C.
Grading: letter grade
Prepares students to obtain the Department of Health Services Mammography license. Includes: principles of components of dedicated mammography equipment, radiation protection legislation, quality assurance regulations and mammographic positioning.
Transfer Status: Transferable to CSU, see counselor for limitations.

DIESEL MECHANICS (DIESL)

DIESL 281 10.0 units

Diesel Two-Cycle Engine
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Learn safety, engine testing, problem evaluation, tuning diesel engines, intro to two-cycle (Detroit) engine. Disassemble, inspect and reassemble two-cycle engines. Intro to alternative fuels and problem analysis are covered.

DIESL 282 10.0 units

Diesel Four-Cycle Engine
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Learn safety, engine testing, problem analysis, troubleshooting, repair procedures, tuning diesel engine, disassembly and reassembly of the four-cycle engine. Intro to spark ignited engines (Cummins), as well as special repair procedures and equipment.

DIESL 283 10.0 units

Powered Systems
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: DIESL 281 or 282
Grading: letter grade or credit/no credit
Safety, engine testing, problem analysis, intro to inframe overhaul of two- and four-cycle engines. Maintenance and adjustment of reconditioned engines.

DIESL 284 10.0 units

Highway Transport
5.0 hours lecture , 15.0 hours laboratory
Recommended Preparation: DIESL282
Grading: letter grade or credit/no credit
Safety, troubleshooting, repair of all components that are used on a diesel engine. Maintenance of the total engine and service operations will be highlighted. Intro to spark ignited engines.

DIESL 287 10.0 units

Diesel Fuel Injection Systems
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Learn safety, history of fuel injection, current types of fuel systems and function of a fuel injection system, as well as equipment testing procedures-disassemble and reassemble pump and injectors in Cummins fuel systems.

DIESL 288 10.0 units

Diesel Engine Chassis
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Learn safety, troubleshooting, removal, repair and replacement of all components that are used on a diesel truck. Maintenance of the total chassis and service operations will be highlighted.

DIESL 289 10.0 units

Caterpillar 3406 and 3116 Engine
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers safety, engine testing, problem conditions, troubleshooting, repair procedures, tuning, disassembling and reassembling the Caterpillar 3406 engine. The new designs in the 3116 caterpillar engine are reviewed.

DIESL 290 10.0 units

C.A.T. Transmissions and Final Drive
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers steering, clutches, brakes, transmissions and final drive units for Caterpillar heavy equipment intended for off-highway use.

DIESL 291 10.0 units

C.A.T. Hydraulics
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers hydraulics system.

DIESL 292 10.0 units

C.A.T. Chassis & Electrical
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers suspension, under carriage, tires, tracks and air conditioning.

DIESL 293AD 4.0 units

General Engines
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Tool and equipment; operation and maintenance of various types of diesel and spark ignited engines, including injection, fuel pump systems, governors and safety practice.

DIESL   492   3.0 units
Air and Hydraulic Brakes
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn brake theory and fundamentals, basic brake systems, components, piping systems, interrelationship of components, accessories, safety devices and troubleshooting techniques.

DRAFTING AND MECHANICAL DESIGN (DRAFT)

DRAFT   51A   3.0 units
Industrial Drafting I
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: DRAFT 201
Grading: letter grade
Covers orthographic projection, dimensioning, freehand sketching, auxiliary views, sections, shop methods and and drafting room practices. Use AutoCAD 2004 for 2D and 3D applications.
Transfer Status: Transferable to CSU, see counselor for limitations.

DRAFT   51B   3.0 units
Industrial Drafting II
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: DRAFT 51A
Grading: letter grade
Covers advanced dimensioning, surface quality, welding drawings, screw threads, fasteners, keys, keyways, springs, gears, cams and bearings. Uses AutoCAD 2004 for 2D and 3D applications.
Transfer Status: Transferable to CSU, see counselor for limitations.

DRAFT   52A   3.0 units
Advanced Industrial Drafting
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: DRAFT 51B
Grading: letter grade
Working piping, electrical, structural drawings, tools and dies, jig and fixture design, charts, graphs, diagrams, applied math, engineering materials, heat treatment, parts listings and products design fundamentals are addressed.
Transfer Status: Transferable to CSU, see counselor for limitations.

DRAFT   52B   3.0 units
Descriptive Geometry
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: DRAFT 52A
Grading: letter grade
Fundamentals of descriptive geometry, point, edge, normal views, point and straight line, straight line and planes relationships, curved lines and surfaces, surface intersections and developments, vector geometry and graphic solutions are addressed.
Transfer Status: Transferable to CSU, see counselor for limitations.

DRAFT   60   3.0 units
Geometric Dimensioning and Tolerancing
3.0 hours lecture
Prerequisite: DRAFT 201
Recommended Preparation: DRAFT 201 or DRAFT 51A

Grading: letter grade
Review of Industry Standard ANSI-Y14.5-1982. Three plane concept, true position dimensioning and tolerancing, total indicator readings, modifiers RFS and MMC, converting coordinate errors and tolerances of form are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

DRAFT   201   4.0 units
Introduction to Drafting
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An entry-level course offered as a preparation for architectural design, mechanical drafting and interior design students with no previous graphic training. Provides instruction in the fundamental principles and techniques of traditional drafting and computer aided drafting (CAD). Includes drafting equipment (manual and CAD), sketching, lettering, line type and line weight, orthographic projection, isometrics and dimensioning. CAD training will utilize AutoCAD software in the Windows environment. Introduces CAD fundamentals: user interface, basic draw and edit commands, template drawings, dimensioning, electronic drawing sheets, file management, printing and plotting and the Windows operating system for CAD users. Exercises cover drawings for both mechanical and architectural applications.

DRAFT   202   4.0 units
AutoCAD I, Fundamentals
3.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: DRAFT 201
Grading: letter grade or credit/no credit
An entry-level course primarily aimed at individuals with drafting background employed in engineering, architecture, interior design and other related fields who wish to upgrade their skills in the area of Computer Aided Drafting (CAD). Training will utilize AutoCAD Software. Topics cover the basics of CAD: user interface, draw and edit commands, template drawings, dimensioning, model space/paper space electronic drawing sheets, file management, printing and plotting and the Windows Operating System for CAD users. Projects include CAD 2D drawings for both mechanical and architectural applications incorporating fundamental drafting skills and techniques with an introduction to 3D and the elements of design. Course completers qualify for a Certificate of Completion- CAD Fundamentals. First in a series of three courses.

DRAFT   203   4.0 units
AutoCAD II, Advanced Concepts
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: DRAFT 202
Grading: letter grade or credit/no credit
An intermediate-level course primarily aimed at individuals with drafting background employed in engineering, architecture, interior design and other related fields who wish to upgrade their skills in the area of Computer Aided Drafting (CAD). Training will utilize AutoCAD Software. Topics cover advanced 2D topics and intermediate level 3D modeling: user interface, advanced draw, edit and query commands, template drawings, dimensioning styles, model space/paper space electronic drawing sheets, external reference styles, file management and the WEB, plotting styles, blocks and attributes and 3D modeling techniques. Projects include CAD 2D and 3D drawings

for both mechanical and architectural applications incorporating intermediate drafting skills and techniques with an emphasis on the elements of design. Course completers qualify for a Certificate of Completion- CAD Professional. Second in a series of three courses.

DRAFT   204   4.0 units

3D Visualization/Animation
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: DRAFT 203
Grading: letter grade or credit/no credit
An advanced-level course primarily aimed at individuals with drafting background employed in engineering, architecture, interior design and other related fields who wish to upgrade their skills in the area of Computer Aided Drafting (CAD), Visualization, Rendering and Animation. Training will utilize AutoCAD and one or more of the following- Architectural Desktop, Mechanical Desktop, and 3D Studio Viz Software. Digital non-linear editing is introduced. Advanced 3D modeling and rending concepts are explored: user interface, coordinate systems, surface and solids modeling commands, rendering and animation. Projects cover both mechanical and architectural applications. Course completers qualify for a Certificate of Completion- CAD Professional, Architectural or Mechanical Applications. Third in a series of three courses.

DRAFT   251   4.0 units

Modeling with 3D Studio Max
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Modeling with 3D Studio Max is one of 3 certificate courses emphasizing the modeling skills needed for a career in Technical Illustration, Architecture, Drafting, Product Design, Feature Films, and Games. Topics include importing AutoCAD models, surfacing with sub divisions, modeling with patches and splines, applying smoothing groups, assigning texture coordinates, animating objects, and basic rendering techniques.

DRAFT   252   4.0 units

Textures & Lighting with 3D Studio Max
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Textures and Lighting with 3D Studio Max is one of 3 certificate courses emphasizing the rendering skills needed for a career in Technical Illustration, Architecture, Drafting, Product Design, Feature Films, and Games. Topics include importing AutoCAD models, surfacing with sub divisions, modeling with patches and splines, applying smoothing groups, assigning texture coordinates, animating objects, and basic rendering techniques.

DRAFT   253   4.0 units

Animation with 3D Studio Max
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Animation with 3D Studio Max is one of 3 certificate courses emphasizing the animation skills needed for a career in Technical Illustration, Architecture, Drafting, Product Design, Feature Films, and Games. Topics include importing AutoCAD models, surfacing with sub divisions, modeling with patches and splines, applying smoothing groups, assigning texture coordinates, animating objects, and basic rendering techniques.

ECONOMICS (ECON)

ECON   1A   (CAN ECON 2)   3.0 units

Macro Economic Analysis
3.0 hours lecture
Grading: letter grade or credit/no credit
Emphasizes the functioning of a mixed enterprise system, business organization, the economic role of government, determination of national income, banking system, deposit creation and the Federal Reserve policy (primarily macro).
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ECON   1AH   3.0 units

Honors Macro Economic Analysis
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Emphasizes the functioning of a mixed enterprise system, business organization, the economic role of government, determination of national income, banking system, deposit creation and the Federal Reserve policy (primarily macro).
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ECON   1B   (CAN ECON 4)   3.0 units

Micro Economic Analysis
3.0 hours lecture
Grading: letter grade or credit/no credit
Concentrates on price theory, distribution, resource allocation, foreign trade and comparative economic systems (primarily micro).
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ECON   4   3.0 units

Contemporary Economic Issues
3.0 hours lecture
Grading: letter grade or credit/no credit
This course offers an economics analysis of contemporary questions including environmental, institutional, and multicultural issues. The class will determine the role of economies, as a social science, assisting in understanding cause, effects, and possible polices for current problems. The instructional emphasis is on the relationship of basic tools of economic analysis and their application to current economic problems.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ECON   5   3.0 units

Economic Geography
3.0 hours lecture
Grading: letter grade or credit/no credit
Studies the location and organization of the world's major economic activities, including the primary, secondary and tertiary sectors. Not open for credit to students registered in or with credit in GEOG 5.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ELECTRICITY (ELECT)

ELECT   200A   8.0 units

First Semester Industrial Electricity
6.0 hours lecture , 6.0 hours laboratory
Grading: letter grade

An intro to direct current theory, practices and applications. A study of nomenclature and components for students beginning electrical studies for occupational goals, continuing university education or for increasing skill level. Includes formulas used in electrical theory, offering a review and application of various functions; principles of magnetism and electromagnetism applicable to electrical components; information regarding proper use and selection of tools, materials and wiring as practiced in the electrical maintenance and construction industry are emphasized. Lab work includes the fundamentals of DC electricity, electromagnetism, wiring and hand tools.

ELECT 200B   8.0 units
Second Semester Industrial Electricity
6.0 hours lecture , 6.0 hours laboratory
Prerequisite: ELECT 200A
Grading: letter grade
An intro to AC theory, practices and applications. A study of nomenclature and components. An advanced course featuring lab work associated with the fundamentals of AC electricity, AC principles and practices, as well as fundamentals of DC motors and generators.

ELECT 200C   8.0 units
Third Semester Industrial Electricity
6.0 hours lecture , 6.0 hours laboratory
Prerequisite: ELECT 200B
Grading: letter grade
Operational theory and practices associated with motors and generators. Lab work associated with motor controls and circuit diagrams, including wiring practices in the electrical maintenance and construction industry.

ELECT 200D   8.0 units
Fourth Semester Industrial Electricity
6.0 hours lecture , 6.0 hours laboratory
Prerequisite: ELECT 200C
Grading: letter grade
An advanced course that requires knowledge of AC basic circuitry. Covers principle of alternating current, installation of devices in AC circuits and response of circuits to AC excitation. Lab work includes electrical measuring instruments, motors, transformers, basic industrial electronics and solid devices.

ELECT 202   3.0 units
Electrical Mathematics
3.0 hours lecture
Grading: letter grade
A study of formulas used in electrical elementary theory, offering a review and application of various functions.

ELECT 204   3.0 units
First Semester "Fundamentals of DC Electricity"
3.0 hours lecture
Grading: letter grade
An intro to direct current theory, practices and applications. A study of nomenclature and components for students beginning electrical studies for occupational goals, continuing university education or for increasing their skill level.

ELECT 209   3.0 units
Second Sem "Fund of Motors/Generators"
3.0 hours lecture
Prerequisite: ELECT 204
Grading: letter grade

Operational theory and practices as associated with direct current motors and generators.

ELECT 210A   1.0 unit
Laboratory Practices
3.0 hours laboratory
Corequisite: ELECT 204
Grading: letter grade
Lab work associated with the fundamentals of DC electricity, electromagnetism, wiring, practice and hand tools.

ELECT 210B   1.0 unit
Laboratory Practices
3.0 hours laboratory
Prerequisite: ELECT 210A
Corequisite: ELECT 209
Grading: letter grade
Lab work associated with the fundamentals of AC electricity, AC principles and practices, as well as fundamentals of DC motors and generators.

ELECT 210C   1.0 unit
Laboratory Practices
3.0 hours laboratory
Prerequisite: ELECT 210B
Corequisite: ELECT 212
Grading: letter grade
Lab work associated with motor controls and circuit diagrams.

ELECT 210D   1.0 unit
Laboratory Practices
3.0 hours laboratory
Prerequisite: ELECT 210C
Corequisite: ELECT 214
Grading: letter grade
Lab work associated with electrical measuring instruments, motors and transformers.

ELECT 212   3.0 units
Third Semester "Fund of AC Electricity"
3.0 hours lecture
Prerequisite: ELECT 209
Grading: letter grade
An intro to AC theory, practices and applications. A study of nomenclature and components in an advanced course that requires previous DC coursework plus math.

ELECT 214   3.0 units
Fourth Semester "AC Principles & Pract"
3.0 hours lecture
Recommended Preparation: ELECT 212
Grading: letter grade
An advanced course that requires knowledge of AC basic circuitry. Teaches principle of alternating current, installation of devices in AC circuits, response of circuits to AC excitation.

ELECT 224   3.0 units
Electrical Motors and Transformers
3.0 hours lecture
Grading: letter grade
Theory and applications of single and poly phase motors and transformers, testing and connection methods, troubleshooting and maintenance.

ELECT 226   3.0 units
Solid State Fundamentals for Electrician
3.0 hours lecture

Recommended Preparation: ELECT 212
Grading: letter grade
Comprehensive overview of solid state devices and systems, including fiber optics, integrated circuits and light activated components as utilized in the electrical industry.

ELECT 240   3.0 units
Electrical Code-Residential
3.0 hours lecture
Grading: letter grade
Familiarity with the use of electrical materials and codes used for residential wiring.

ELECT 242   1.5 units
Electrical Code-Grounding
1.5 hours lecture
Recommended Preparation: ELECT 240
Grading: letter grade
Intended for individuals involved with or working within the electrical industry and who have a knowledge of the NEC (National Electric Code).

ELECT 245   3.0 units
Electrical Code-Commercial
3.0 hours lecture
Recommended Preparation: ELECT 240
Grading: letter grade
Intended as an intro to the use of electrical code and for individuals interested in commercial, office and light industrial wiring.

ELECT 250   3.0 units
Electrical Code-Advanced
3.0 hours lecture
Recommended Preparation: ELECT 245
Grading: letter grade
Intended for individuals having a working knowledge of the code and those who are working or intending to work with heavy industrial applications, life, safety and hazardous systems.

ELECT 271   3.0 units
Electrical Cost Estimating 1
3.0 hours lecture
Grading: letter grade
Intro to electrical cost estimating, including take-off and listing procedures, for students preparing to enter electrical estimating occupations or associated fields of interest.

ELECT 275   0.5 unit
Electrical Pipe Bending (A)
0.3 hour lecture , 0.7 hour laboratory
Grading: letter grade
Learn to layout and bend electrical metallic tubing correctly.

ELECT 276   0.5 unit
Electrical Pipe Bending (B)
0.3 hour lecture , 0.6 hour laboratory
Grading: letter grade
Learn to layout and bend rigid conduit correctly.

ELECT 277   3.0 units
Blueprint Reading for Electricians
3.0 hours lecture
Grading: letter grade
Learn to read blueprints used in the electrical industry.

ELECT 280   3.0 units
Traffic Signal Systems 1
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: ELECT 204
Grading: letter grade
This is the first course in Traffic Signal Systems covering copper wiring, controller, pole and signal head installation, controller theory. CalTrans and NEC standards and requirements are covered. Hands-on course including the building and wiring of a working intersection.

ELECT 283   3.0 units
Traffic Systems Communications
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: ELECT 204
Grading: letter grade
This course is designed for the instruction in Traffic Signal Communications Systems. The course content will cover communications theory, microwave, VHF/UHF radios, vision monitoring and detection, antenna systems. This hands-on course will further include the testing and troubleshooting of communication systems.

ELECT 284   3.0 units
Traffic Signal Controllers & Digital Systems
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade
This is a course in Digital Logic and Microprocessor Controls as applied to Traffic Signal Systems. This hands-on course will include troubleshooting of digital traffic controllers. Course topics will include, but are not limited to interface logic, electronics and theory of system operation.

ELECT 435A   2.0 units
Electric Motor Control
2.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: ELECT 212
Grading: letter grade
Theoretical and practical principles involving the control of direct and alternating current electric motors. Mandatory safety awareness assessment will be conducted early in the course.

ELECT 435B   2.0 units
Electric Motor Control
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: ELECT 435A
Grading: letter grade
Theoretical and practical principles involving the control of direct and alternating current electric motors.

ELECTRONICS (ELTC)

ELTC 40   2.0 units
Technology & Mathematics Applications
2.0 hours lecture
Grading: letter grade
A study of technology applications and the influence on professional activities and society. Includes the solution of practical technology problems utilizing applied mathematics.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   41   **2.0 units**

Technical Applications of Minicomputers
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
Teaches fundamental applications and functions of a minicomputer in technical fields including architectural and mechanical design and drafting, electricity and electronics. Utilizes BASIC as the primary learning language.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   50   **3.0 units**

Intro to Electricity & Electronics
3.0 hours lecture
Grading: credit/no credit
A survey of the principles of operation of a wide range of electronics equipment designed for business, military, industrial, medical and citizen consumer applications. Includes an intro to the fundamental electronic and electric circuit theory.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52   **6.0 units**

Electronics Technology II
6.0 hours lecture
Prerequisite: ELTC 51 or 51B
Grading: letter grade
Covers theoretical and practical essentials of AC series circuits and mathematical circuit analysis. Not open to students registered in or with credit in ELTC 52B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52A   **3.0 units**

Electronics Technology II
3.0 hours lecture
Prerequisite: ELTC 51 or 51B
Grading: letter grade
Covers theoretical and practical essentials of AC series circuits and math circuit analysis. Not open to students registered in or with credit in ELTC 52.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52B   **3.0 units**

Electronics Technology II
3.0 hours lecture
Prerequisite: ELTC 52A
Grading: letter grade
Covers the theoretical and practical essentials of AC parallel and complex circuits, mathematical circuit analysis, power supplies and solid-state devices.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52L   **2.0 units**

Electronics Technology II Laboratory
6.0 hours laboratory
Corequisite: ELTC 52
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 52.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52LA   **1.0 unit**

Electronics Technology II Laboratory
3.0 hours laboratory

Corequisite: ELTC 52A
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 52A.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   52LB   **1.0 unit**

Electronics Technology II Laboratory
3.0 hours laboratory
Corequisite: ELTC 52B
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 52B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53   **6.0 units**

Solid-State Circuits
6.0 hours lecture
Prerequisite: ELTC 52 or 52B
Grading: letter grade
Covers theoretical and practical essentials of solid- state devices and circuits and an analysis of radio frequency (RF) circuits. Not open to students registered in or with credit in ELTC 53B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53A   **3.0 units**

Solid-State Circuits
3.0 hours lecture
Prerequisite: ELTC 52 or 52B
Grading: letter grade
Covers theoretical and practical essentials of solid- state devices and circuits and an analysis of radio frequency (RF) circuits. Not open to students registered in or with credit in ELTC 53.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53B   **3.0 units**

Solid-State Circuits
3.0 hours lecture
Prerequisite: ELTC 53A
Grading: letter grade
Covers the theoretical and practical essentials of integrated circuit amplifiers, AM transmission and reception and an intro to digital integrated circuits.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53L   **2.0 units**

Solid-State Circuits Laboratory
6.0 hours laboratory
Corequisite: ELTC 53
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 53.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53LA   **1.0 unit**

Solid-State Circuits Laboratory
3.0 hours laboratory
Prerequisite: ELTC 52 or 52B
Corequisite: ELTC 53A
Grading: letter grade
Experiments and demonstrations selected to clarify the principles developed in ELTC 53A.

Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   53LB   1.0 unit
Solid-State Circuits Laboratory
3.0 hours laboratory
Corequisite: ELTC 53B
Grading: letter grade
Experiments and demonstrations selected to clarify the principles developed in ELTC 53B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54   6.0 units
Digital/Telecommunications Circuits
6.0 hours lecture
Recommended Preparation: ELTC 53 or 53B
Grading: letter grade
Theoretical and practical essentials of digital electronic circuits and an analysis of telecommunication circuits. Not open to students registered in or with credit in ELTC 54B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54A   3.0 units
Digital/Telecommunications Circuits
3.0 hours lecture
Recommended Preparation: ELTC 53 or 53B
Grading: letter grade
Theoretical and practical essentials of digital electronic circuits and an analysis of telecommunication circuits. Not open to students registered in or with credit in ELTC 54.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54B   3.0 units
Digital/Telecommunications Circuits
3.0 hours lecture
Recommended Preparation: ELTC 54A
Grading: letter grade
Theoretical and practical essentials of digital electronic subsystems, FM transmission and reception and an intro to microprocessors.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54L   2.0 units
Digital/Telecommunications Laboratory
6.0 hours laboratory
Corequisite: ELTC 54
Grading: letter grade
Experiments and demonstrations selected to clarify the principles developed in ELTC 54.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54LA   1.0 unit
Digital/Telecommunications Laboratory
3.0 hours laboratory
Corequisite: ELTC 54A
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 54A.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   54LB   1.0 unit
Digital/Telecommunications Laboratory
3.0 hours laboratory
Corequisite: ELTC 54B
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 54B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55   6.0 units
Microcomputer/Introduction to Robotics
6.0 hours lecture
Recommended Preparation: ELTC 54 or 54B
Grading: letter grade
Covers the theoretical and practical essentials of microprocessors and digital communication circuits. Not open to students registered in or with credit in ELTC 55B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55A   3.0 units
Microcomputer/Introduction to Robotics
3.0 hours lecture
Recommended Preparation: ELTC 54 or 54B
Grading: letter grade
Covers the theoretical and practical essentials of microprocessors and digital communication circuits. Not open to students registered in or with credit in ELTC55.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55B   3.0 units
Microcomputer/Introduction to Robotics
3.0 hours lecture
Recommended Preparation: ELTC 55A
Grading: letter grade
Covers theoretical and practical essentials of microcomputers, interfacing devices and system troubleshooting.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55L   2.0 units
Microcomputer/Intro to Robotics Lab
6.0 hours laboratory
Corequisite: ELTC 55
Grading: letter grade
Through experiments and demonstrations, clarifies principles developed in ELTC 55.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55LA   1.0 unit
Microcomputer/Intro to Robotics Lab
3.0 hours laboratory
Corequisite: ELTC 55A
Grading: letter grade
Through experiments and demonstrations, clarifies principles developed in ELTC 55A.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC   55LB   1.0 unit
Microcomputer/Intro to Robotics Lab
3.0 hours laboratory
Corequisite: ELTC 55B
Grading: letter grade

Through experiments and demonstrations, clarifies principles developed in ELTC 55B.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56A   2.0 units
Robotics Technology
2.0 hours lecture
Grading: letter grade
Covers the theoretical and practical essentials of robotics technology, including AC/DC power and positioning, hydraulic and pneumatic systems, microprocessor fundamentals and programming, voice synthesis and robot interfacing circuitry.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56B   2.0 units
Robotics Technology
2.0 hours lecture
Grading: letter grade
Covers the theoretical and practical essentials of robotics technology, including AC/DC power and positioning, hydraulic and pneumatic systems, microprocessor fundamentals and programming, voice synthesis and robot interfacing circuitry.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56C   2.0 units
Robotics Technology
2.0 hours lecture
Grading: letter grade
Covers the theoretical and practical essentials of robotics technology, including AC/DC power and positioning, hydraulic and pneumatic systems, microprocessor fundamentals and programming, voice synthesis and robot interfacing circuitry.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56LA   1.0 unit
Robotics Technology Laboratory
3.0 hours laboratory
Corequisite: ELTC 56A
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 56.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56LB   1.0 unit
Robotics Technology Laboratory
3.0 hours laboratory
Corequisite: ELTC 56B
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 56.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 56LC   1.0 unit
Robotics Technology Laboratory
3.0 hours laboratory
Corequisite: ELTC 56C
Grading: letter grade
Covers experiments and demonstrations selected to clarify the principles developed in ELTC 56.
Transfer Status: Transferable to CSU, see counselor for limitations.

ELTC 201   2.0 units
Electronics I Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
Designed for beginning electronics technology majors who wish to gain additional insight into the operational analysis and testing of DC electronic circuits.

ELTC 202   2.0 units
Electronics II Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
For electronic technology students who wish to gain additional insight into the operational analysis and testing of AC electronic circuits.

ELTC 203   2.0 units
Electronics Circuits Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
For electronics technology students who wish to gain additional insight into the operation and testing of integrated circuits and the calibration, testing and troubleshooting of AM transceivers and antenna systems.

ELTC 204   2.0 units
Telecommunications I Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
For electronic technology students who wish to gain additional insight into the operation, calibration, testing and troubleshooting of AM, FM, CB and SSB transceivers, antenna systems and transmission lines.

ELTC 205A   2.0 units
Telecommunications II Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
For electronic technology majors who wish to gain additional insight into the operation, calibration, testing and troubleshooting of telecommunication systems including microcomputers, video image displays, digital printers, microwave and radar transmission and reception.

ELTC 205B   2.0 units
Telecommunications II Laboratory
1.0 hour lecture , 3.0 hours laboratory
Grading: credit/no credit
For electronic technology majors who wish to gain additional insight into the operation, calibration, testing and troubleshooting of telecommunication systems including microcomputers, video image displays, digital printers, microwave and radar transmission and reception.

ELTC 225   4.0 units
Algebra and Trigonometry for Technicians
4.0 hours lecture
Prerequisite: Qualification through the Math assessment process or MATH 805 or MATH 815 or ELTC 40 or ELECT 202
Grading: letter grade
Formerly MATH 225. Covers basic algebra and trigonometry and their application to the solution of practical problems in technical fields. Not open for credit to students registered in or with credit in MATH 225, 220, 230, 110 and 150.

ELTC 250   **1.0 unit**
Network Wiring Installation
0.5 hour lecture , 1.5 hours laboratory
Grading: credit/no credit
Learn the basic skills and knowledge to qualify for employment as a network wiring installer. Includes use of tools, copper based cable systems and the National Electrical Code as it applies to network wiring. Students qualify for entry positions in the networking industry.

ELTC 251   **3.0 units**
Cisco Networking I, Introduction
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade
First course in a sequence of four to prepare students to pass the certification test required to become a Cisco Certified Networking Associate (CCNA). Intro to networking, devices, IP Addressing, ARP/RAPP, media and design, topology, cabling, electricity, electronics and management. Instruction is based on Cisco curriculum.

ELTC 252   **3.0 units**
Cisco Networking II, Routers
2.5 hours lecture , 1.5 hours laboratory
Prerequisite: ELTC 251
Grading: letter grade
Second course in a sequence of four to prepare students to pass the certification test required to become a Cisco Certified Networking Associate (CNA). OSI layers 1-7, WANs, routing, using routers, router components and configuration, IOS, TCP/IP, IP addressing and routing protocols. Instruction is based on Cisco curriculum.

ELTC 253   **3.0 units**
Cisco Networking III, LAN
2.5 hours lecture , 1.5 hours laboratory
Prerequisite: ELTC 252
Grading: letter grade
Third course in a sequence of four to prepare students to pass the certification test required to become a Cisco Certified Networking Associate (CCNA). LAN switching, VLAN, LAN design, IGRP, access lists, Novell IPX. Instruction is based on Cisco curriculum.

ELTC 254   **3.0 units**
Cisco Networking IV, WAN
2.5 hours lecture , 1.5 hours laboratory
Prerequisite: ELTC 253
Grading: letter grade
Fourth course in a sequence of four to prepare students to pass the certification test required to become a Cisco Certified Networking Associate (CCNA). Wan, WAN design, PPP, ISDN and Frame relay. Instruction is based on Cisco curriculum.

EMERGENCY MEDICAL TECHNOLOGY (EMT)

EMT 251   **3.0 units**
Emergency Medical Technician
3.0 hours lecture
Recommended Preparation: AH 60
Grading: letter grade
Develop basic skills in the assessment, rescue, immediate treatment and transport of the urgently ill or injured client. Emphasizes identifying and correcting life-threatening conditions, identifying rescue activities and developing a systematic approach to the care of the client and the performance of rescue activities. Relevant information on traumatic injuries, medical emergencies, environmental hazards, rescue techniques and equipment will be integrated.

EMT 251L   **1.5 units**
Emergency Medical Technician Laboratory
4.5 hours laboratory
Corequisite: EMT 251
Recommended Preparation: AH 60
Grading: credit/no credit
Lab application to develop basic skills in the assessment, rescue, immediate treatment and transport of the urgently ill or injured client. Emphasizes identifying and correcting life-threatening conditions, identifying rescue activities and developing a systematic approach to the care of the client and the performance of rescue activities. Technique practice for the care of traumatic injuries, medical emergencies, environmental hazards, rescue techniques and equipment will be integrated.

EMT 252AD   **1.0 unit**
Emergency Medical Tech I Refresher
1.0 hour lecture , 0.5 hour laboratory
Prerequisite: Current EMT — 1 Certification.
Grading: letter grade
Must have certification that is current or not expired more than six months. Review and update life support measures, CPR and use of emergency medical equipment and supplies for the certified EMT-I.

ENGINEERING (ENGR)

ENGR 3A   **3.0 units**
Engineering Graphics
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: MATH 120 or one year High School Geometry.
Recommended Preparation: One semester of DRAFT201 or high school mechanical drawing or drafting.
Grading: letter grade
Review the methods of graphic expression common to the various fields of engineering. Follow engineering drafting standards and procedures through working drawings. Learn to solve engineering space problems by orthographic methods.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 3B   **3.0 units**
Engineering Graphics
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ENGR 3A and MATH 40
Grading: letter grade
Review the principles of graphic expression through working drawings. Expand the principles of descriptive geometry as studied in ENGR 3A. Charts, diagrams and graphic solutions are discussed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 17 (CAN ENGR 12)   **3.0 units**
Electrical Engineering Circuits
3.0 hours lecture
Prerequisite: MATH 70 and PHYS 3B
Grading: letter grade

Intro to electrical circuit analysis including mesh and node equations, controlled sources, Thevenin and Norton equivalencies, step response of RLC circuits, phasor analysis and other topics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 17L (CAN ENGR 6) 1.0 unit

Electrical Engineering Circuits Lab
3.0 hours laboratory
Prerequisite: ENGR 17 (may be taken concurrently)
Grading: letter grade
Lab study of electrical circuits and instrumentation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 35 (CAN ENGR 8) 3.0 units

Statics
3.0 hours lecture
Prerequisite: PHYS 3A and MATH 70
Grading: letter grade
Equilibrium of two- and three-dimensional force systems employing free-body diagrams. Analytical and graphical solution of problems involving structures and machines. Friction, energy methods and moments of inertia are discussed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 50 1.0 unit

Introduction to Engineering
1.0 hour lecture
Grading: credit/no credit
Intro to engineering concepts, practicing engineers and the various branches of engineering.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGR 54 3.0 units

Computer Methods
3.0 hours lecture
Prerequisite: MATH 60 (may be taken concurrently)
Grading: letter grade or credit/no credit
Learn the nature of computers, algorithms and problem solving procedures and programming. Discuss the applications to problems from engineering, computer science, physical sciences and math areas. C++ is the primary programming language. Not open for credit to students registered in or with credit in MATH 64.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGLISH (ENGL)

ENGL 1 (CAN ENGL 2) 3.0 units

Reading and Composition
4.0 hours lecture
Prerequisite: Qualify through the English assessment process or ENGL 105 or ESL 34.
Grading: letter grade
Expository and persuasive writing based on college-level reading, research and critical thinking.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 1H 3.0 units

Honors Reading and Composition
4.0 hours lecture
Prerequisite: Qualification for the Honors Program. Qualify through the English assessment process, or ENGL 105 or ESL 34.
Grading: letter grade
Expository and persuasive writing based on college-level reading, research and critical thinking. Eligibility for the Honors program is required for enrollment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 2 (CAN ENGL 4) 3.0 units

Introduction to Literature/Composition
3.0 hours lecture
Prerequisite: ENGL 1 or 1H
Grading: letter grade or credit/no credit
An intro to literature and composition which places its emphasis on genre, such as short stories, poetry and drama. Writing assignments emphasize expository analysis of the reading material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 3 4.0 units

Argumentative and Critical Writing
4.0 hours lecture
Prerequisite: ENGL 1
Grading: letter grade or credit/no credit
An intro to the elements and uses of critical thinking and writing. Analytical, persuasive, evaluative and argumentative writing will be emphasized.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 3H 4.0 units

Honors Argumentative & Critical Writing
4.0 hours lecture
Prerequisite: Qualification for the Honors Program and ENGL 1.
Grading: letter grade or credit/no credit
An intro to the elements and uses of critical thinking and writing. Analytical, persuasive, argumentative and evaluative writing will be emphasized, as well as the evaluation and use of both electronic and conventional sources.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 6AD 3.0 units

Production of Literary Publications
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Study the principles and practice involved in editing and producing complete literary publications ranging in size and complexity from small pamphlets to books. Use computers in the production process.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 7 3.0 units

Editing a Literary Review
3.0 hours lecture
Grading: letter grade or credit/no credit
Students interested in editorial work will examine contemporary literary journals, reviews and creative publications and analyze the basic philosophy in editing a journal. Also, they will have hands-on experience

analyzing, considering and choosing manuscripts appropriate to the standards of a literary journal.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 18   3.0 units

Detective and Crime Fiction
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Examine the origins and development of detective and crime fiction. Read and discuss the works of major 19th and 20th century writers in the genre.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 24   3.0 units

College Grammar
3.0 hours lecture
Grading: letter grade or credit/no credit
Theory and practice in grammar, usage and the mechanics. Recommended for students who wish to strengthen their knowledge of grammar and to improve their skill in writing and speaking in English. Also recommended for people who need a strong knowledge of grammar, usage and mechanics for professional purposes.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 26   3.0 units

Creative Writing 1
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Practical, supervised experience in the fundamentals of writing fiction and poetry.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 27A   3.0 units

Creative Writing 2: Poetry
3.0 hours lecture
Prerequisite: ENGL 26
Grading: letter grade or credit/no credit
Offers advanced, practical experience in writing, appreciating and analyzing poetry.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 27B   3.0 units

Creative Writing 2: Fiction
3.0 hours lecture
Prerequisite: ENGL 26
Grading: letter grade or credit/no credit
Offers advanced, practical experience in writing, appreciating and analyzing fiction.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 27C   3.0 units

Creative Writing 2: Bio/Autobiography
3.0 hours lecture
Prerequisite: ENGL 26
Grading: letter grade or credit/no credit
An advanced course motivating students to investigate autobiographical and biographical material for use in narrative sketches, including family history and the journal.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 27D   3.0 units

Creative Writing 2: Stage/Screen Writing
3.0 hours lecture
Prerequisite: ENGL 26
Grading: letter grade or credit/no credit
An advanced course providing practical, supervised experience in the fundamentals of writing drama for stage, radio, television and/or film. Not open to students registered in or with credit in TART 32.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 27E   3.0 units

Creative Writing 2: The Novel
3.0 hours lecture
Prerequisite: ENGL 26
Grading: letter grade or credit/no credit
Gives an intensive workshop atmosphere in which to write an original work of book-length fiction. Focuses on theory, technique and practical discipline of writing fiction. Examine models from various genres (literary classics, historical fiction, detective fiction, romance, science fiction and others), discuss the techniques of storytelling and present manuscripts of ones own work for critical discussion.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 30   3.0 units

Horror and Terror Fiction
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade
This course examines some of the best works in horror and terror fiction in both novel and short story forms. Beginning with origins in England, in the mid 18th century, discussions will move historically through the romantic movement and the Victorian era and into the modern era, covering such authors as Radcliffe, Poe, Lovecraft, James, King, Rice, Koontz, and Straub.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 32   3.0 units

Masterpieces/Asian Literature (in English)
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Intro to Asian literature (in translation), with an emphasis on major literary works of India, China and Japan. For students with a general interest in diverse literatures and for those who seek to understand the workings of the eastern mind in its unique historical, cultural and philosophical context.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 33   3.0 units

Mythology
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A study of myths of various nations and archetypal mythic patterns. The reading and analysis of literature is based on these myths and patterns.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   35   **3.0 units**
Interpreting the Short Story
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Learn to interpret the short story and apply meanings found in short stories to real-life situations through class discussion and writing assignments.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   36   **3.0 units**
The Novel
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Read, discuss and analyze representative English, American and Continental novels.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   37   **3.0 units**
Science Fiction, Fantasy and Horror
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A survey of the major works of speculative fiction with an emphasis on major themes, as well as the relationships with psychology, religion, anthropology, sociology, literary traditions, art and ethics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   38   **3.0 units**
The Bible as Lit: The Old Testament
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
An examination and analysis of the narratives, poetry, essays and teachings of the Old Testament, emphasizing a literary point of view.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   39   **3.0 units**
The Bible as Lit: Apocrypha/New Testmnt
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
An examination and analysis of the narratives, poetry, essays and teachings of the New Testament and Apocrypha, emphasizing a literary point of view.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   41   **3.0 units**
American Literature I
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A survey of American literature from the colonial period to the Civil War.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   42   **3.0 units**
American Literature II
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit

A survey of American literature from the Civil War to the present.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   43A   **3.0 units**
Introduction to Shakespeare
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Reading, discussion and analysis of seven plays and selected poems. Presentation of Shakespeare as a major literary figure in the context of the Elizabethan period and the history of English literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   43B   **3.0 units**
Introduction to Shakespeare
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Reading, discussion and analysis of seven plays and selected poems. Presentation of Shakespeare as a major literary figure in the context of the Elizabethan period and the history of English literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   44   **3.0 units**
Literature of the Western World I
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A survey of the historical development of western literature from classical times to the Renaissance, reflecting philosophical, political and artistic changes in the western culture.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   44H   **3.0 units**
Honors Lit of the Western World I
3.0 hours lecture
Prerequisite: Qualification for the Honors Program and Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A survey of the historical development of European literature from Classical times to the Renaissance, emphasizing the application for the aesthetic, philosophical and cultural concepts.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   45   **3.0 units**
Literature of the Western World II
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Readings in literature of the Western World, emphasizing European literature in translation. Covers the works from the Renaissance to contemporary times and emphasizes the appreciation of aesthetic, philosophical and cultural concepts.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL   45H   **3.0 units**
Honors Lit of the Western World II
3.0 hours lecture

Prerequisite: Qualification for the Honors Program and Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
Readings in literature of the Western World, emphasizing European literature in translation. Covers the works from the Renaissance to contemporary times and the appreciation of aesthetic, philosophical and cultural concepts. Satisfactory honors writing sample required before or at entry into the class.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 46 (Part of CAN ENGL SEQUENCE B) 3.0 units

Survey of English Literature I
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A study of English literature from Anglo-Saxon times to 18th Century.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 47 (Part of CAN ENGL SEQUENCE B) 3.0 units

Survey of English Literature II
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
A study of English literature from the pre-romantic period to modern times.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 48 3.0 units

Modern & Contemporary Literature
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
The literature of the modern era and the writers and thinkers who have influenced contemporary attitudes and ideas. For students interested in literature generally and for those who seek a better understanding of today's world.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 48H 3.0 units

Honors Modern/Contemporary Literature
3.0 hours lecture
Prerequisite: Qualification for the Honors Program and Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
The study of imaginative literature written from the late 19th century until the 1990s. Writers chosen will represent world literature and generally will be those who have exerted a strong influence on contemporary attitudes, aesthetics and values. Explores the revolutionary ways of writing and seeing that are peculiar to major artists of our century. A satisfactory honors writing sample is required before or at entry into the class.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 79 3.0 units

Literature of Diversity
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade or credit/no credit
An intro study of literature—emphasizing but not confined to twentieth century fiction, poetry, drama and nonfiction prose—by writers representing such diverse and often non-canonical groups as Blacks, women, Asian-Americans, Chicanos/Latinos, Native-Americans and gays and lesbians. Explores the revolutionary ways in which writers from various backgrounds—as artists, activists and intellectuals—have changed the ways in which we create, read and analyze literature. Writers chosen will have exerted a strong influence on contemporary attitudes, ideas and values. May be repeated for credit as topics vary.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ENGL 97AD 3.0 units

Writers Workshop
3.0 hours lecture
Prerequisite: ENGL 27A, 27B, 27C, 27D or 27E
Grading: letter grade or credit/no credit
A creative writing workshop for students who wish to learn additional skills in writing fiction, poetry, drama, biography or family history.
Transfer Status: Transferable to CSU, see counselor for limitations.

ENGL 105 4.0 units

Fundamentals of Writing
4.0 hours lecture
Prerequisite: Qualify through the English assessment process, or ENGL 801B.
Grading: letter grade or credit/no credit
The study and performance of writing to enable the student to express ideas clearly in essay form, using standard written English. Meets composition requirements for the AA and AS Degrees and may prepare students for entrance into ENGL 1.

ENGL 600 0.0 unit

Great Works of Literature
3.0 hours lecture
Grading: LBCC Non-Graded Course
An intro to literature emphasizing both the reading of major works of literature and training in written expression. Designed for senior citizens.

ENGL 627 0.0 unit

Writing for Publication or Pleasure
3.0 hours lecture
Grading: LBCC Non-Graded Course
Experience the creative and critical processes in creative writing. Primarily designed for senior citizens.

ENGL 801A 4.0 units

College English Skills I
4.0 hours lecture
Prerequisite: Qualification through the English assessment process.
Grading: credit/no credit
An intro to the basic forms of composition—the paragraph and the essay—with a focus on the development of standard written English skills. Prepares students for either ENGL 801B or 105.

ENGL 801B 4.0 units

College English Skills II
4.0 hours lecture
Prerequisite: ENGL 801A
Grading: credit/no credit

Practice in the basic forms of composition—the paragraph and the essay—with a focus on further developing standard written English skills. Prepares students for ENGL 105.

ENGLISH, READING (READ)

READ   82   3.0 units
Proficient Reading
3.0 hours lecture
Prerequisite: Qualification through Reading assessment process or ENGL 882B or READ 883.
Grading: letter grade or credit/no credit
Instruction in strategies necessary for college reading with an emphasis on the application of comprehension, vocabulary and critical reading skills to academic and technical reading assignments. Helps students gain efficiency with the challenges of college reading.
Transfer Status: Transferable to CSU, see counselor for limitations.

READ   83   3.0 units
Power Reading
3.0 hours lecture
Prerequisite: Qualification through Reading assessment process or READ 883.
Grading: letter grade or credit/no credit
Power reading strategies, analysis of written discourse and application of flexible reading techniques to personal, professional and academic reading. For those with strong comprehension skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

READ   84   3.0 units
Analytical Reading of Contemporary Prose
3.0 hours lecture
Grading: letter grade or credit/no credit
A close examination of contemporary reading materials with the purpose of increasing comprehension through the improvement of analytical and critical reading skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

READ   85   3.0 units
Vocabulary Building
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of methods to expand general word knowledge and build academic vocabulary emphasizing conceptual development and effective communication. Specifically designed to increase personal vocabulary skills and stimulate appreciation of the English language.
Transfer Status: Transferable to CSU, see counselor for limitations.

READ   880   3.0 units
Reading Basics
3.0 hours lecture
Grading: credit/no credit
An initiation to the world of reading for emergent readers. Focuses on creating pathways to literacy through an intro to decoding, word recognition skills, building of vocabulary skills and the development of a foundation for comprehension strategies.

READ   881   3.0 units
Reading Essentials
3.0 hours lecture
Prerequisite: Qualification through Reading assessment process or READ 880.
Grading: credit/no credit
Familiarization with essential reading skills through exposure to various types of expository and narrative passages. Encouragement of reading fluency and continued expansion of vocabulary skills.

READ   882   3.0 units
Reading Development
3.0 hours lecture
Prerequisite: Qualification through Reading assessment process or READ 881.
Grading: credit/no credit
Development of essential reading concepts. Focus on literal and inferential comprehension strategies with continued building of vocabulary skills. Exposure to longer text selections which will provide opportunities for applying academic reading skills.

READ   883   3.0 units
Reading Improvement
3.0 hours lecture
Prerequisite: Qualification through Reading assessment process or ENGL 882A or READ 882.
Grading: credit/no credit
Reinforces instruction in reading improvement strategies and vocabulary enrichment, emphasizing the development of critical comprehension. For students who have previously acquired essential reading skills and need developmental instruction. Focus continues to be on comprehension strategies, mainly the activation of prior knowledge, setting of purposes, making predictions and creating new learning from text. Exposure to longer selections that will provide additional opportunities for note taking, summarizing and outlining, the use of critical thinking skills and the recognition of patterns and organizations in selected literature.

ENGLISH, WRITING READING CENTER (EWRC)

EWRC   886AD   0.5 unit
Reading Adjunct
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
An individualized study with a reading specialist to supplement instruction in the regular reading and vocabulary classes in which the student is enrolled.

EWRC   887AD   0.5 unit
Academic Reading
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
Individualized study with a reading specialist which emphasizes reading skills required in college courses. Learn comprehension, vocabulary, study skills, critical reading and/or the rate of reading. Intended to help students effectively read materials assigned in transfer level courses.

EWRC   890   0.5 unit
Sentence Structure
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
An intro to a variety of sentence-structure skills. Activities include using complete sentences, correct sentences and varying the structure in a text. For students

who want individualized instruction to help them become more fluent writers.

EWRC 891AD   0.5 unit

Spelling Principles
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
Includes the use of the dictionary, syllabication and application of spelling principles and rules based on common patterns of letter combinations in the English language.

EWRC 892AB   0.5 unit

Phonics/Reading Fundamentals
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
Intro course designed to teach the fundamental reading skills of phonics, word analysis and comprehension through individualized assignments.

EWRC 893AC   0.5 unit

Punctuation
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
A self-paced individualized course covering all aspects of the punctuation of English sentences.

EWRC 895AB   0.5 unit

Functional Writing
0.3 hour lecture , 0.7 hour laboratory
Grading: credit/no credit
Individualized instruction in basic writing skills. Activities include writing complete sentences, punctuating sentences, spelling correctly and composing short pieces of writing.

EWRC 896AD   0.5 unit

Writing Adjunct
0.2 hour lecture , 0.9 hour laboratory
Corequisite: ENGL 1, 105, 801A or 801B.
Grading: credit/no credit
A study of writing strategies that supplements ENGL 1, 105 and 801A-B, offering individualized instruction in all phases of the writing process (planning, writing, revision, editing) and helps improve skills in the conventions of writing English: grammar, usage, punctuation, spelling and mechanics.

EWRC 897AD   1.0 unit

Developmental Writing
0.4 hour lecture , 1.9 hours laboratory
Prerequisite: ENGL 105, 801A or 801B.
Grading: credit/no credit
For students who need help beyond ENGL 105 or 801A-B to qualify for the next higher course. Provides individualized instruction in the composing process and helps improve skills in the conventions of written English: grammar, sentence structure, punctuation and spelling. Prepares students to repeat the College Assessment test.

EWRC 899AD   0.5 unit

English Adjunct
0.2 hour lecture , 0.9 hour laboratory
Grading: credit/no credit
A study of writing strategies, offering individualized instruction in all phases of the writing process (planning, drafting, revising and editing) and helping students improve their skills in the conventions of written English: grammar, usage, punctuation, spelling and mechanics.

ENGLISH AS A SECOND LANGUAGE (ESL)

ESL 33   5.0 units

College English for ESL Students
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 56 or ESL 56X.
Grading: letter grade
An intensive course in reading and writing English focusing on academic language skills needed for the AA and AS degrees; skills to include expository essay writing, summarizing, paraphrasing, reading comprehension and critical analysis. Prepares students for ESL 34.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ESL 33X   5.0 units

College English with Computers for ESL
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 56 or ESL 56X.
Grading: letter grade
An intensive course in reading and writing English focusing on academic language skills needed for the AA and AS degrees; skills to include expository essay writing, summarizing, paraphrasing, reading comprehension and critical analysis. Use personal computers to complete the writing assignments. Preparation for entrance into ESL 34 or 34X.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ESL 34   5.0 units

College English for ESL Students
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 33 or ESL 33X.
Grading: letter grade
An intensive course in reading and writing focusing on academic language skills needed for the AA and AS degrees and for entrance into ENGL 1; skills to include expository and argumentative essay writing, summarization of academic readings and current events, critical analysis of readings in literature, research and documentation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ESL 34X   5.0 units

College Engl/Computers for ESL Students
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 33 or ESL 33X.
Grading: letter grade
An intensive course in reading and writing focusing on academic language skills needed for the AA and AS degrees and for entrance into English 1; skills to include expository and argumentative essay writing, summarization of academic readings and current events, critical analysis of readings in literature, research and documentation. Personal computers are used to complete assignments.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ESL 54   **4.0 units**

Effective Writing for ESL
6.0 hours lecture
Prerequisite: Placement by the college assessment process or one semester of ESL 147AB.
Grading: letter grade or credit/no credit
Intensive sentence structure practice with an emphasis on coordination and subordination leading to composition of coherent paragraphs, incorporating the use of transitional devices.
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 54X   **4.0 units**

Effective Writing with Computers for ESL
6.0 hours lecture
Prerequisite: Placement by the college assessment process or one semester of ESL 147AB.
Grading: letter grade or credit/no credit
Intensive sentence structure practice with emphasis on coordination and subordination, leading to composition of coherent paragraphs incorporating the use of transitional devices. Writing assignments will be prepared using personal computers.
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 56   **4.0 units**

College Writing for ESL
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 147AB or ESL 54.
Grading: letter grade or credit/no credit
Intensive summarizing, paraphrasing and development of conceptual paragraphs incorporating elements of cohesion, unity and audience. Rhetorical modes to include narration, description, explanation and persuasion. Part of a sequence.
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 56X   **4.0 units**

College Writing with Computers for ESL
6.0 hours lecture
Prerequisite: Placement by the college assessment process or ESL 147AB or ESL 54.
Grading: letter grade or credit/no credit
Intensive summarizing, paraphrasing and development of conceptual paragraphs incorporating elements of cohesion, unity and audience. Rhetorical modes to include narration, description, explanation and persuasion. Complete writing assignments using a personal computer.
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 63   **4.0 units**

Effective Reading for ESL Students
6.0 hours lecture
Prerequisite: One semester of ESL 147AB and qualification through the ESL Department reading assessment process.
Grading: letter grade or credit/no credit
College-level ESL reading designed to improve student ability to comprehend written English. Focuses on using lexical and grammatical clues to derive sentence meaning, develop vocabulary, extract the main ideas, extrapolate information, draw conclusions, recognize basic written discourse conventions, interpret charts, timelines and tables and interact with text through

writing. Application primarily to academic prose and fiction (short stories). (Part of a sequence; not required for entry into ESL 65 except for individual cases.)
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 65   **4.0 units**

College Read/Listen for ESL Students
6.0 hours lecture
Prerequisite: ESL 63, 54 or placement by the college assessment process.
Grading: letter grade or credit/no credit
College-level ESL power reading and listening. Emphasizes strategies for reading and lecture comprehension, enhancement of critical reading, listening and note taking, the use of context, stems, affixes and dictionary to determine word meanings and interacting with text through writing. Intensive and extensive application primarily to academic oral and written text and to fiction (a novel). (Part of a sequence.)
Transfer Status: Transferable to CSU, see counselor for limitations.

ESL 146AB   **2.0 units**

Comprehensive Grammar I
6.0 hours lecture
Prerequisite: ESL 645 or one semester of 845AB or placement by the College English or ESL assessment process.
Recommended Preparation: One semester of ESL 812AB
Grading: letter grade or credit/no credit
The first of two courses which together constitute a comprehensive review of the basic grammar of English in its entirety, together with the presentation of more complex grammatical features and troublesome exceptions, for students who have mastered or nearly mastered the fundamentals of English. Provides an in-depth study of the grammatical features and basic sentence patterns of English which students must command in order to succeed in academic, college-level courses. Also includes the writing of multi-clause sentences and working with a variety of English idioms.

ESL 147AB   **2.0 units**

Comprehensive Grammar II
6.0 hours lecture
Prerequisite: One semester ESL 146AB.
Recommended Preparation: One semester of ESL 814AB
Grading: letter grade or credit/no credit
Second in a series of two courses which together constitute a comprehensive review of the basic grammar of English in its entirety, together with the presentation of more complex grammatical features and troublesome exceptions, for students who have mastered or nearly mastered the fundamentals of English. Provides an in-depth study of the grammatical features and basic sentence patterns of English which students must command in order to succeed in academic, college-level courses. Also includes the writing of short, coherent, organized paragraphs and the writing of multi-clause sentences. Work with a variety of English idioms.

ESL 640   **0.0 unit**

English for Everyday 0
6.0 hours lecture
Grading: LBCC Non-Graded Course

First of a six-course series in the basics of English structure, with an emphasis on mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 641   0.0 unit

English for Everyday 1
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL assessment process or ESL 640.
Grading: LBCC Non-Graded Course
Second of a six-course series in the basics of English structure, with an emphasis on the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 642   0.0 unit

English for Everyday 2
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL assessment process or ESL 641.
Grading: LBCC Non-Graded Course
Third in a six-course series in the basics of English structure, with an emphasis on the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 643   0.0 unit

English for Everyday 3
6.0 hours lecture
Prerequisite: One semester of ESL 642/842AB.
Grading: LBCC Non-Graded Course
Fourth of a six-course series in the basics of English structure, with an emphasis on the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 644   0.0 unit

English for Everyday 4
6.0 hours lecture
Prerequisite: ESL 643 or one semester of ESL 843AB or equivalent skills as determined by ESL assessment process.
Grading: LBCC Non-Graded Course
Fifth of a six-course series in the basics of English structure, with an emphasis on the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 645   0.0 unit

English for Everyday 5
6.0 hours lecture
Prerequisite: ESL 644 or equivalent skills as determined by ESL placement process.
Grading: LBCC Non-Graded Course

Sixth of a six-course series in the basics of English structure, with an emphasis on the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college.

ESL 800AB   0.5 unit

Basic ESL Reading
1.5 hours lecture
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of the passage.

ESL 801AB   0.5 unit

Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 800AB.
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of the passage.

ESL 802AB   0.5 unit

Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 801AB.
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of the passage.

ESL 803AB   0.5 unit

Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 802AB
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of a passage.

ESL 804AB   0.5 unit

Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 803AB
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop

the necessary skills to find facts, details and the main idea of a passage.

ESL 805AB — 0.5 unit
Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 804AB
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of a passage.

ESL 806AB — 0.5 unit
Reading Skills for ESL Students
1.5 hours lecture
Prerequisite: One semester of ESL 805AB
Grading: credit/no credit
Learn to read and comprehend words, sentences, paragraphs and passages or texts without the dependency on a dictionary. Learn the rules for morphology, spelling and reading to assist in vocabulary building, pronunciation and comprehension. Develop the necessary skills to find facts, details and the main idea of a passage.

ESL 810AB — 1.0 unit
Fundamentals of English Grammar
3.0 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
ESL 810 (Grammar) introduces grammatical terminology and helps intermediate-level ESL students to master specific grammatical patterns. Emphasis is on the use of verb tenses and on agreement between subject and verb, article and noun, and verb and adverbial.

ESL 812AB — 0.5 unit
Reading for Information and Pleasure
1.5 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
Extracting essential information from passages of expository prose and/or learning to understand and appreciate prose works of English literature.

ESL 813AB — 0.5 unit
Conversation 2
1.5 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
Conversational practice through group discussions of current topics, practice in expressing feelings, opinions and ideas.

ESL 814AB — 0.5 unit
Composition for ESL Students
1.5 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
ESL 814 (Composition) offers intermediate-level ESL students systematic instruction and practice in the construction of short connected series of sentences which state an opinion, describe a process, give information or instructions, or report an experience. Students learn to identify and write topic and supporting sentences and to organize their ideas.

ESL 815AB — 1.0 unit
Improvement of Pronunciation 1
3.0 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
This first, semester-long pronunciation course is designed to improve the intermediate student's mastery of individual sounds, words and phrases in American English.

ESL 816AB — 0.5 unit
Preparation for College Classes
1.5 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
Includes college study techniques, college orientation and opportunities for further study.

ESL 817AB — 1.0 unit
Improvement of Pronunciation 2
3.0 hours lecture
Prerequisite: ESL 815AB
Grading: credit/no credit
This second semester-long pronunciation class is designed to improve the intonation, rhythm and melody of spoken English for the high-intermediate/advanced ESL student.

ESL 818AB — 0.5 unit
Vocabulary Development
1.5 hours lecture
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: credit/no credit
Increases the English vocabulary range of students who do not speak English as their mother tongue.

ESL 819A — 0.5 unit
Conversation at Crossroads Cafe
1.5 hours lecture
Prerequisite: Qualify through the ESL placement process or ESL 641 or one semester of ESL 841AB.
Recommended Preparation: Eligibility for ESL 842 or equivalent skills as determined by placement exam
Grading: credit/no credit
A six-part, multi-level conversation course using the "Crossroads Cafe" video series as the focus for conversation practice, vocabulary building, basic grammar and idiomatic expressions. Covers getting and giving personal information, finding jobs, making introductions, family traditions, comparing US immigration over time, expressing wants, apologizing and career changes.

Introduction to College English 0
6.0 hours lecture
Grading: credit/no credit

First of a six-course program in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirement.

ESL 841AB   **0.5 unit**

Introduction to College English I
6.0 hours lecture
Prerequisite: Qualify through the ESL placement process or ESL 640 or one semester of ESL 840AB.
Grading: credit/no credit
Second of a six-course program in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirements.

ESL 842AB   **1.0 unit**

Introduction to College English 2
6.0 hours lecture
Prerequisite: Qualify through the ESL placement process or ESL 641 or one semester of ESL 841AB.
Grading: credit/no credit
Third in a six-course series in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirement.

ESL 843AB   **1.0 unit**

Introduction to College English 3
6.0 hours lecture
Prerequisite: One semester of ESL 642/842AB.
Grading: credit/no credit
Fourth of a six-course series in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirement.

ESL 844AB   **1.0 unit**

Introduction to College English 4
6.0 hours lecture
Prerequisite: ESL 643 or one semester of ESL 843AB or equivalent skills as determined by ESL assessment process.
Grading: credit/no credit
Fifth of a six-course series in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirements.

ESL 845AB   **1.0 unit**

Introduction to College English 5
6.0 hours lecture
Prerequisite: One semester of ESL 644/844AB
Grading: credit/no credit
Sixth of a six-course series in the basics of English structure, emphasizing the mastery of productive grammatical features, accurate pronunciation and comprehension of spoken English and correct written expression. Brings beginners up to basic college-level in the language and prepares them for success in academic and vocational programs offered by the college. Meets the citizenship requirements.

ENGLISH AS A SECOND LANGUAGE, LEARNING CENTER

ESLLC 699   **0.0 unit**

Basic Skills for ESL Students
3.0 hours laboratory
Grading: LBCC Non-Graded Course
Individualized programmed instruction or tutoring for non-native speakers of English who: are enrolled in courses and need to improve their mastery of English as a Second Language; who are enrolled in ESL courses but need additional assistance in building or improving literary or communicative skills.

ENGLISH AS A SECOND LANGUAGE, POWERPACK (ESLP)

ESLP 1   **2.0 units**

ESL Powerpack 1
Prerequisite: ESL 645 or one semester of ESL 845AB
Grading: letter grade or credit/no credit
Intensive practice in conversation, pronunciation, reading and vocabulary with an emphasis on strengthening the oral communication skills necessary for success in college courses. This course gives credit for ESL 812AB, 814AB, 815AB and 818AB.

ENGLISH AS A SECOND LANGUAGE, VOCATIONAL (ESLV)

ESLV 270   **2.0 units**

Intercultural Communication
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
Gives intermediate students the life skills needed to communicate effectively. An intro to everyday American culture and role-playing situations which demonstrates the culture. Intercultural differences will also be emphasized.

ESLV 271   **2.0 units**

Social Interaction Skills
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit

A life-skills course to help the intermediate student who encounters language difficulties in everyday life situations. The functions of language and idiomatic expressions will be emphasized.

ESLV 272   **2.0 units**

Occupational Communication Skills
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
An intermediate level communication course to aid ESL students who encounter job-related language difficulties. Cultural information, language for interviewing, understanding work-related policies and procedures will be taught.

ESLV 273   **2.0 units**

Grammar Skills
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
A life-skills course for intermediate ESL students who have studied the basic grammatical concepts of the English language. Grammar is taught in communicative context with an emphasis on idiomatic language and useful expressions.

ESLV 274   **2.0 units**

Reading Skills
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
Acquaints intermediate students with various cultural aspects of life in the United States. Read and discuss narratives, general information articles from journals, excerpts from popular magazines and American short stories.

ESLV 275   **2.0 units**

Occupational Writing Skills
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
An intermediate level life-skills course to help students who encounter writing difficulties on the job. Memos, cover letters, general business letters, resumes and job applications will be emphasized.

ESLV 275X   **2.0 units**

Occupational Writing Skills with Computers
6.0 hours lecture
Prerequisite: Equivalent skills as determined by ESL placement process or ESL 645 or one semester of ESL 845AB.
Grading: letter grade or credit/no credit
An intermediate level life-skills course designed to help students who encounter writing difficulties on the job. Memos, cover letters, general business letters, resumes and job applications will be emphasized. Use personal computers to complete writing assignments.

ENGLISH AS A SECOND LANGUAGE, VOCATIONAL SURVIVAL

ESLVS   620   **0.0 unit**

Voc English for Beginning ESL Students 1
10.0 hour lecture
Grading: LBCC Non-Graded Course
For students who lack basic reading and writing and/or general academic skills. Reading and writing will be developed within a generalized vocational context.

ESLVS   621   **0.0 unit**

Voc English for Beginning ESL Students 2
10.0 hour lecture
Prerequisite: ESLVS 620
Grading: LBCC Non-Graded Course
For those who lack basic reading and writing and/or general academic skills. Reading and writing will be developed within a generalized vocational context.

ESLVS   622   **0.0 unit**

Voc English for Beginning ESL Students 3
10.0 hour lecture
Prerequisite: ESLVS 621
Grading: LBCC Non-Graded Course
For those who lack basic reading and writing and/or general academic skills and are unable to make the transition from ESL 621 to ESL 623 without further development of their oral and written language skills. Language development will take place within a generalized vocational context.

ESLVS   623   **0.0 unit**

Voc English for ESL Students 1
10.0 hour lecture
Prerequisite: ESLVS 622
Grading: LBCC Non-Graded Course
For those whose basic reading and writing and/or general academic skills are limited. Reading and writing will be developed within a generalized vocational context in order to prepare the student for vocational instruction and/or employment.

ESLVS   624   **0.0 unit**

Voc English for ESL Students 2
10.0 hour lecture
Prerequisite: ESLVS 623
Grading: LBCC Non-Graded Course
A more advanced course to prepare for enrollment in specific pre-vocational English or vocational training courses. Reading and writing will be developed within a generalized vocational context in order to prepare for eventual employment.

ESLVS   625   **0.0 unit**

On-the-Job English For ESL Students
10.0 hour lecture
Prerequisite: ESLVS 624
Grading: LBCC Non-Graded Course
An advanced course to aid the working student who encounters language difficulties on the job site. Reading, writing and speaking will be developed within a generalized vocational context and then applied to specific problems that students experience.

ENVIRONMENTAL SCIENCE (ENVRS)

ENVRS   1   **3.0 units**

Energy for the Future
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro course which will familiarize the student with the fundamental principles of environmental systems and discuss current environmental issues. Interpretation of data in drawing a conclusion is stressed, along with the ability to criticize methods of data collection and experimentation. Topics include energy production and consumption, scarcity of resources, conservation, pollution and governmental regulation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FAMILY AND CONSUMER STUDIES (FACS)

FACS   50   **3.0 units**

Consumer Awareness
3.0 hours lecture
Grading: letter grade or credit/no credit
Designed to help the student function effectively as a consumer in today's marketplace. Included are wise use of credit, money management, advertising, automotive buying and repair, landlord-tenant, warranties and consumer recourse.
Transfer Status: Transferable to CSU, see counselor for limitations.

FACS   64   **3.0 units**

Life Management
3.0 hours lecture
Grading: letter grade or credit/no credit
Develop the abilities, skills and attitudes needed in planning and managing for today's living. Topics include decision-making, time management, energy conservation and dealing with change.
Transfer Status: Transferable to CSU, see counselor for limitations.

FACS   211A   **3.0 units**

College & Career Opportunities for Women
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of women's roles examining personal development and the educational and career opportunities available will be discussed.

FACS   211B   **3.0 units**

College & Career Opportunities for Women
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of women's roles examining personal development and the educational and career opportunities available will be discussed.

FACS   607   **0.0 unit**

Living Skills for/Mentally Challenged
4.0 hours laboratory
Grading: LBCC Non-Graded Course
Develop skills and attitudes necessary to function as an active member of the community. Stresses development of social skills, leisure time activities and personal hygiene.

FACS 650 **0.0 unit**

Special Topics in Consumer Education
3.0 hours lecture
Grading: LBCC Non-Graded Course
Helps senior citizens function effectively as a consumer in today's marketplace. Topics include wise use of credit, money management, advertising, automotive buying and repair, landlord-tenant, warranties and consumer recourse.

FACS 664 **0.0 unit**

Life Management
3.0 hours lecture
Grading: LBCC Non-Graded Course
Helps senior citizens develop the abilities, skills and attitudes needed in planning and managing for today's living. Topics include decision-making, time management, energy conservation and dealing with change.

FACS 691 **0.0 unit**

Basic Home Living Skills
6.0 hours laboratory
Grading: LBCC Non-Graded Course
Provides fundamentals of food preparation and service, nutrition, safety, sewing and related activities, personal hygiene and leisure-time activities.

FACS 864 **3.0 units**

Introduction to Life Management
3.0 hours lecture
Grading: credit/no credit
An intro to life management skills including values clarification, goal setting, decision-making and time management. Offered as part of a learning community focusing on improving the student's level of basic skills.

FASHION DESIGN (FD)

FD 3 **2.0 units**

Intro to Careers in Design/Merchandising
2.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the fashion industry and related occupations. Emphasizes employment opportunities, personal qualifications and skills required for employment.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 5 **2.0 units**

Intro/Manufacturing for Design/Merchan
2.0 hours lecture
Grading: letter grade or credit/no credit
An intro to garment manufacturing in the apparel industry. From the design concept through sourcing and pricing to the production of a clothing line. Required for fashion design and fashion merchandising majors.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 9 **3.0 units**

Clothing Selection
3.0 hours lecture
Grading: letter grade or credit/no credit
Apparel selection for the individual and family based on aesthetic guidelines, cultural influences and consumer needs.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 10 **3.0 units**

Textile Fibers and Fabrics
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of textile fibers and fabrics, their selection, use and care of wearing apparel and home furnishings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FD 20 (CAN HEC 22) **3.0 units**

Introduction to Fashion Merchandising
3.0 hours lecture
Grading: letter grade or credit/no credit
Explains and illustrates the scope of the fashion industry, its value, development and its job potential. An overview of curriculum content and the inter- relationship of the courses involved.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 22A **1.5 units**

Merchandising for Profit I
1.5 hours lecture
Recommended Preparation: FD 20
Grading: letter grade or credit/no credit
Covers the calculation, interpretation and analysis of the profit and loss statement. Discusses basic pricing and repricing of merchandise and explains the importance of markup to profitable merchandising. Typically offered for 9 weeks.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 22B **1.5 units**

Merchandising for Profit II
1.5 hours lecture
Recommended Preparation: FD 20
Grading: letter grade or credit/no credit
Emphasizes quantitative merchandising techniques as applied to inventory and dollar control, discounts, dating procedures and shipping terms. Typically offered for 9 weeks.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 23 **3.0 units**

Fashion/Merchandise Buying
3.0 hours lecture
Grading: letter grade or credit/no credit
Designed to provide the knowledge of the functions of buying merchandise for retail or wholesale businesses.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 24AB **1.5 units**

Beginning Sewing
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Covers the construction of simple woven and knit garments, correct pattern size, selection of appropriate patterns and fabrics. Student projects are selected in accordance with skill level and interest.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 25AB **1.5 units**

Intermediate Sewing
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit

Intermediate clothing construction techniques as they apply to both woven and knit fabrics. Typical projects include a tailored shirt or blouse, fitted slacks with a waistband and knit shirts with neckline variations.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 26AB — 2.0 units
Advanced Sewing
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Advanced construction techniques using complex patterns and difficult fabrics. Consumer considerations for selection of design, fabric and equipment for professional clothing construction.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 27AB — 1.5 units
Production Sewing
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Principles and methods of stitching and garment construction on power machines as applied to the production methods of the garment manufacturing industry. Occupational certificate is awarded upon completion of eight units.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 29AB — 2.0 units
Tailoring
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Principles of tailoring techniques and finishes as applied to men's or women's clothing.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 32 — 3.0 units
History of Fashion
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the evolution of clothing styles from the ancient Egyptian to the present time period. The importance of the costume as a social record and its influence on present styles is emphasized.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 36A — 1.5 units
Pattern Drafting I: Basic Block
1.0 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
A beginning course in pattern drafting. Develop a basic block pattern for the commercial dress form or individual figure.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 36B — 1.5 units
Pattern Drafting II:Pattern Manipulation
1.0 hour lecture , 1.5 hours laboratory
Recommended Preparation: FD 36A
Grading: letter grade or credit/no credit
An intermediate course in the manipulation of the basic blocks drafted for commercial dress forms or individual figure.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 37A — 1.5 units
Pattern Draping I: Basic Sloper
1.0 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
An intermediate course which includes freehand methods of pattern making and creating the basic sloper in muslin on dress forms or live models. Each muslin is turned into a paper pattern, cut and constructed to produce the finished garment.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 37B — 1.5 units
Pattern Draping II: Sloper Manipulations
1.0 hour lecture , 1.5 hours laboratory
Recommended Preparation: FD 37A
Grading: letter grade or credit/no credit
An intermediate course in the freehand methods of manipulating a basic sloper to create finished designs.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 38A — 3.0 units
Fashion Design I
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: FD 36B and one semester of 214AB or 215AB (may be taken concurrently)
Grading: letter grade or credit/no credit
An advanced course that provides the opportunity to design, illustrate, draft and construct sample full-scale designs for a portfolio or fashion showing.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 38B — 3.0 units
Fashion Design II
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: FD 37B or one semester of 214AB or 215AB (may be taken concurrently)
Grading: letter grade or credit/no credit
An advanced course that provides an opportunity to design, illustrate, draft and construct sample scale designs for a portfolio or fashion showing.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 38C — 3.0 units
Fashion Design III
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: FD 38B
Grading: letter grade or credit/no credit
An advanced course that provides an opportunity to design, illustrate, draft, drape and construct sample full-scale designs for a portfolio or fashion showing.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD 38D — 3.0 units
Fashion Design IV
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An advanced course that provides an opportunity to design a complete line for a given season and classification (i.e., sportswear, junior market). Produce a line presentation price range, production patterns, cost sheets and three toiles with the first garment from the line.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   39A   **1.0 unit**

Pattern Grading
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
An intermediate course in sizing commercial and individual patterns for the adult run of sizes. Covers grading ruler, grading machine and computer grading. Typically offered for nine weeks.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   40AB   **1.0 unit**

Advanced and Production Pattern Drafting
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: FD 36B
Grading: letter grade or credit/no credit
A survey of the problems of the advanced pattern manipulation and production pattern as related to developing a commercial fit for original designs. Also covered are techniques of industrial procedures found in the garment industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   41AD   **2.5 units**

Fashion Show Production
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Learn to plan and implement a professional fashion production. Information on the details of planning, budgeting and producing fashion oriented events, plus the opportunity for "hands-on" experience in producing an actual event will be provided.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   70AD   **1.0 unit**

Work Experience Issues-Fashion Design
1.0 hour lecture
Corequisite: Enrollment in at least seven units including FD 71AD, 72AD or 73AD and 70AD.
Grading: letter grade or credit/no credit
Seminar related to work experience. Discussion of work experience objectives, career goals, employment search, communication skills and problem solving.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   71AD   **1.0 unit**

Work Experience-Fashion Design
4.1 hours laboratory
Corequisite: Enrollment in at least seven units including FD 71AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   72AD   **2.0 units**

Work Experience-Fashion Design
8.3 hours laboratory
Corequisite: Enrollment in at least seven units including FD 72AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   73AD   **3.0 units**

Work Experience-Fashion Design
12.5 hours laboratory
Corequisite: Enrollment in at least seven units including FD 73AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

FD   200   **1.0 unit**

Fashion Prediction/Promotion:Crit View
1.0 hour lecture
Grading: letter grade or credit/no credit
Critical viewing of fashion prediction and promotion services including Video Fashion Monthly, Video Fashion News, National Association of Men's Sporstwear Buyers, California Apparel News, Fashion News Report and RTW Report.

FD   211AB   **1.0 unit**

Textile Design: Beading
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Various specialty techniques in hand beading.

FD   212AB   **1.0 unit**

Textile Design: Airbrush
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Various specialty airbrush techniques in textile design.

FD   213AB   **1.0 unit**

Textile Design: Hand Painting
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Various specialty techniques in hand painting on textiles.

FD   214AB   **2.0 units**

Quick Sketch Croquis Drawing
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Beginning sketch course focusing on skills necessary for the fashion industry. Learn to draw all aspects of garments on the figure and in flat technical drawings using a croquis (template). Render fabrics in color using marker techniques. Develop updated fashion figure proportion. Focus on layout of line presentation boards.

FD   215AB   **2.0 units**

Fashion Sketching I
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
A beginning class for both design and merchandising students stressing the basic proportions of the female and male fashion figure. Proportion, body movement, action poses, head, hand and leg studies, drawing styles and media for expressing the fashion figure will be covered.

FD   216AB   **2.0 units**

Fash Sketch Board/Portfolio Presentation
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: One semester of FD 214AB or FD 215AB
Grading: letter grade or credit/no credit

An advanced course emphasizing drawing the fashion figure in detailed proportion using different media. Also covers fabric rendering, advertising illustration and preparing the student for portfolio presentation.

FD 230AD   0.5 unit
Fashion Design Laboratory
1.5 hours laboratory
Corequisite: Concurrent enrollment in a fashion design course.
Grading: letter grade or credit/no credit
Provides the student enrolled in a fashion design course an opportunity for additional hours. Lab time is assigned on a space available basis. Students completing 27 hours of lab work during the semester will receive .5 unit of credit.

FD 231AB   0.5 unit
Fabric Crafts
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Techniques for fabric crafts with the possibility of employment opportunities.

FD 232AB   0.5 unit
Specialized Sewing Tech: Christmas Craft
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Techniques for fabric crafts with the possibility of employment opportunities.

FD 233AB   0.5 unit
Specialized Sewing Tech: Lingerie Const
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Sewing and fitting of garments using appropriate techniques for specific fabrics and functions. Provides the necessary skills for employment in the apparel trades.

FD 234AB   0.5 unit
Specialized Sewing Tech: Winter Sports
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Sewing and fitting of garments using appropriate techniques for specific fabrics and functions. Provides the necessary skills for employment in the apparel trades.

FD 235AB   0.5 unit
Specialized Sewing Tech: Quick Sew
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Sewing and fitting of garments using appropriate techniques for specific fabrics and functions. Provides the necessary skills for employment in the apparel trades.

FD 236AB   0.5 unit
Specialized Sewing Tech: Couture Finish
0.5 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Sewing and fitting of garments using appropriate techniques for specific fabrics and functions. Provides the necessary skills for employment in the apparel trades.

FD 242AD   2.0 units
Introduction to Fashion Modeling
1.0 hour lecture , 3.0 hours laboratory

Grading: letter grade or credit/no credit
An intro to modeling as a career option in the fashion industry and includes types of modeling, body analysis, make-up application, wardrobe analysis, physical fitness, photography, fashion show techniques, speech development, hairstyling, poise and posture. Development of the model portfolio and agency selection are included.

FD 245AD   1.0 unit
Computer Applications in Fashion
1.0 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
An overview of fashion-related computer programs: Micromark/Acumark/PDS2000 Pattern Design, Grading and Marking System and Modability's Snap Fashion design and illustration.

FD 246AB   1.0 unit
Computer Pattern Design/Manipulation
0.5 hour lecture , 1.5 hours laboratory
Recommended Preparation: One semester of FD 245AB
Grading: letter grade or credit/no credit
An intermediate to advanced class in computer pattern design. Allows students to develop a more intensive knowledge and ability to produce accurate patterns and perform manipulations. Typically offered for six weeks.

FD 258AD   1.0 unit
Swimwear
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Instruction in the sewing techniques for the construction of swim suits. Special emphasis on patterns, stretch fabrics and bra construction.

FILM (FILM)

FILM 1   3.0 units
Introduction to Film
3.0 hours lecture
Grading: letter grade or credit/no credit
Evaluation of film as an art form through an analysis and appreciation of its aesthetics, history, literature, creative techniques and expression of its societies' cultures, together with its influence on twentieth century values.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 10A   3.0 units
Explorations in Film 1
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of the gangster genre and/or the western genre and/or film noir and/or neo- noir films within the American film industry. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 10B   3.0 units
Explorations in Film 2
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of the comedy and/or the melodrama and/or the musical films genre within the American film industry. Lecture, film viewing, possible guest lecturers and possible field trips will be included.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 10C 3.0 units
Explorations in Film 3
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of the adventure and/or action and/or war films genre within the American film industry. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 10D 3.0 units
Explorations in Film 4
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of the horror and/or science fiction film genre within the American film industry. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 11A 3.0 units
Film Art and Artists 1
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of the work of various film directors within the International Film Industry focusing on film content: plot, theme, characterization and tone. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 11B 3.0 units
Film Art and Artists 2
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of film focusing on cinematic form: visual design, screenplay, cinematography, color, sound, musical score, editing and special effects. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 11C 3.0 units
Film Art and Artists 3
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of cinematic genres. Focus is on adaptations, genres, social problem films and censorship. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 11D 3.0 units
Film Art and Artists 4
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey and critical analysis of content and form of films expressing cultures other than the United States. Lecture, film viewing, possible guest lecturers and possible field trips will be included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 20AB 3.0 units
Fundamentals of Film Production
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: FILM 1 (may be taken concurrently)
Grading: letter grade or credit/no credit
Basic principles of film production, including operation of equipment and details involved in making a film from idea development to final production. Lecture, lab workshop and individual projects are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 21AB 3.0 units
Intermediate Film Production
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: One semester of FILM 20AB
Grading: letter grade or credit/no credit
Provides intermediate film production experiences for the transfer film major. Includes editing, directing, scripting and producing, with special emphasis on pre- and post-production considerations.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 35AD 4.0 units
Film Production Workshop
3.0 hours lecture , 4.5 hours laboratory
Prerequisite: One semester of FILM 20AB
Grading: letter grade or credit/no credit
An intensive course in the complete experience of filmmaking. In a concentrated six-week format, students will create their own films putting to practical application the fundamental techniques in all phases of Super 8 and video production, including the creation of a story idea and script, camera operation, the use of sound, the editorial process, techniques of picture and sound production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FILM 60AD 1.0 unit
Special Projects in Film
3.0 hours laboratory
Prerequisite: One semester of FILM 20AB
Grading: letter grade or credit/no credit
Permits lower division students with generalized background in cinema to explore in depth a specific aspect of cinema in theory and execution.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE SCIENCE (FIRE)

FIRE 1 3.0 units
Fire Protection Organization
3.0 hours lecture
Grading: letter grade
Included are: an intro to fire protection, career opportunities in fire protection and related fields, philosophy and history of fire protection, fire loss analysis, organization and functions of public and private fire protection services, fire departments as part of local government, laws and regulations affecting the fire service, fire service nomenclature, specific fire protection functions, basic fire chemistry and physics, an intro to fire protection systems and an intro to fire strategy and tactics.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 2   **3.0 units**

Fire Prevention Technology
3.0 hours lecture
Grading: letter grade
Learn about the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards and the relationship of fire prevention with fire safety education and detection and suppression systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 3   **3.0 units**

Fire Protection Equipment and Systems
3.0 hours lecture
Grading: letter grade
Provides info relating to the features and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection and portable fire extinguishers.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 4   **3.0 units**

Building Construction
3.0 hours lecture
Grading: letter grade
The study of the components of building construction that relate to fire safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations and operating at fires. The development and evolution of building and fire codes will be studied in relation to past fires in residential, commercial and industrial occupancies.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 5   **3.0 units**

Fire Behavior and Combustion
3.0 hours lecture
Grading: letter grade
The theory and fundamentals of how and why fires start, spread and are controlled, an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents and fire control techniques are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 6A   **2.0 units**

Fire Command 1A
2.2 hours lecture
Grading: letter grade
A seminar for certified fire officer candidates. The first in a series of State Board Fire Services accredited courses in fire command. Provides fire company officers with information and experience in command and control techniques. Emphasizes decision making, command authority, preplanning and training requirements for effective performance as an officer. One of eight courses required for certification as a fire officer.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 6B   **2.0 units**

Fire Command 1B
2.2 hours lecture
Grading: letter grade
The second in a series of State Board of Fire Services accredited courses in fire command. Provides fire company officers with information and experience in command and control techniques used at the scene of a hazardous material emergency. Emphasizes decision making, command authority and the preplanning and training requirements for effective performance as an officer. One of eight courses required for certification as a fire officer. Must attend each day and pass a test for course credit.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 7A   **2.0 units**

Fire Prevention Officer 1A
2.2 hours lecture
Grading: letter grade
A seminar for certified fire fighters. Provides information on fire prevention organization, laws, regulations and standards, inspection procedures and fire hazards. Meets the Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 7B   **2.0 units**

Fire Prevention Officer 1B
2.2 hours lecture
Grading: letter grade
Covers the Uniform Fire Code, fire prevention aspects associated with hazardous chemicals, compressed gases and combustible solids, explosives and blasting agents, flammable and combustible liquids, utility of fire protection systems and appliances. Meets the Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 7C   **2.0 units**

Fire Prevention Officer 1C
2.2 hours lecture
Grading: letter grade
An exam of the physical properties of flammable liquids and gases; the outside storage and handling of bulk flammables and gases; regulations and procedures for the installation of storage tanks and containers. Regulations relative to the transportation of flammable liquids and gases; and procedures for controlling compressed and liquefied gas leaks. (Applies to Fire Prevention Officer 1 Certification.)
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 10A   **2.0 units**

Fire Instructor 1A
2.2 hours lecture
Grading: letter grade
An intro to fire service training methods emphasizing the use of occupational analysis, identifying training needs and training others to perform manipulative skills. Meets Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   10B   **2.0 units**

Fire Instructor 1B
2.2 hours lecture
Grading: letter grade
A seminar on fire service training techniques, emphasizing how to teach technical skills and evaluate teaching. Meets Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   16A   **2.0 units**

Fire Investigator 1A
2.2 hours lecture
Grading: letter grade
A seminar for certified fire fighters. Provides information on fire origin and cause, evidence preservation, prosecution of arson cases, maintaining records and dealing with special arson and investigation problems. Meets Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   16B   **2.0 units**

Fire Investigator 1B
2.2 hours lecture
Grading: letter grade
A seminar for certified fire fighters. Provides a summary of state laws, legal principles, terms, codes and methods relative to fire investigations. Provides information necessary to conduct an investigation and present a case in court. Meets Fire Officer 1 requirements established by the State Board of Fire Services.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   26A   **2.0 units**

Fire Command 2A
2.2 hours lecture
Grading: letter grade
Prepares the officer to use management techniques and the Incident Command System when commanding multiple alarms or large suppression forces.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   26B   **2.0 units**

Fire Command 2B
2.2 hours lecture
Grading: letter grade
Prepares officers to manage a serious hazardous materials incident. Includes areas of discussion on information and data bases; organizations, agencies and institutions involved in hazardous materials response and research; planning for a community's hazardous materials problems; legislation, litigation and liabilities of hazardous materials responses.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   26C   **2.0 units**

Fire Command 2C
2.2 hours lecture
Grading: letter grade
Approached from a system basis and applied to both small and large high-rise buildings. Includes prefire planning, building inventory, problem identification, ventilation methods, water supply, life safety, strategy and tactics, application of the ICS and specific

responsibilities. Case studies and simulations are used. Applicable to both large and small departments.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   26D   **2.0 units**

Fire Command 2D
2.2 hours lecture
Grading: letter grade
Key topics include: principles of disaster planning and management, fire service emergency plans, emergency operations centers, case studies of various natural and man-made disasters, roles of local, state and federal OES and emergency management agencies, discussion of multihazard and ICS planning techniques and principles of exercising emergency management staffs.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   26E   **2.0 units**

Fire Command 2E
2.2 hours lecture
Grading: letter grade
Includes: California wild land fire problems, wild land fire safety, weather effects, wild land fuels, wild land fire behavior, initial attack methods using support equipment, using topographic maps, strategy and tactics and air attack operations. Involves participation and simulation.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   40   **2.0 units**

Fire Management 1
2.2 hours lecture
Grading: letter grade
Covers the role of the fire manager, proper application of management skills, organizational behavior and management concepts. Meets Fire Officer 1 requirements established by the State Board of Fire Service.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   42A   **2.0 units**

Fire Management 2A
2.2 hours lecture
Grading: letter grade
Provides information on how to make the transition from supervisor to manager. It offers sound management principles in preparation for more intensified training in specific discipline. Topics of discussion include internal and external influences, personality traits of fire fighters, managing human relations, group dynamics, conflict solution and more.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE   42B   **2.0 units**

Fire Management 2B
2.2 hours lecture
Grading: letter grade
Designed to provide insight into the cyclical nature of budgeting and financial management. Become familiar with essential elements of financial planning, budget preparation, budget justification and budget controls.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 42D   **2.0 units**

Fire Management 2D
2.2 hours lecture
Grading: letter grade
Provides information and discussion centering around program planning, master planning, forecasting, system analysis, system design, policy analysis and others.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 42E   **2.0 units**

Fire Management 2E
2.2 hours lecture
Grading: letter grade
Provides an overview of contemporary management issues and concepts. Key topics include: governmental relations, changing settings/policy formation, program management, personnel, labor relations and legal environment.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 53   **3.0 units**

Fire Hydraulics
3.0 hours lecture
Grading: letter grade
A review of applied math, hydraulics laws as applied to the fire service, application of formulas and mental calculation to hydraulics and water supply problems.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 54   **3.0 units**

Hazardous Materials 1
3.0 hours lecture
Grading: letter grade
An intro to basic fire chemistry and physics, problems of flammability encountered by firefighters when dealing with fuels and oxidizers and elementary fire-fighting practices pertaining to hazardous materials in storage and transit.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 57   **3.0 units**

Introduction to Fire Tactics & Strategy
3.0 hours lecture
Grading: letter grade
Outlines the principles of fire control through the utilization of manpower, equipment and extinguishing agents on the fire grounds.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 58   **3.0 units**

Intro to Fire Company Administration
3.0 hours lecture
Grading: letter grade
A review of fire department organization. Learn planning, organizing and supervising to meet the needs of the fire department, with an emphasis on the company officer's role.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 60   **3.0 units**

Fire Investigation 1
3.0 hours lecture
Grading: letter grade
Learn to determine causes of fires (accidental, suspicious and incendiary), types of fires, related laws, intro to arson and incendiaries, recognize and preserve evidence, interview witnesses and suspects, arrest and detention procedures, court procedures and to give court testimony.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 61   **3.0 units**

Rescue Practices
3.0 hours lecture
Grading: letter grade
Learn about rescue problems and techniques, use of emergency rescue equipment, toxic gases, chemicals and disease, radiation hazards, care of victims, emergency childbirth, respiration and resuscitation, extrication and other emergency conditions.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 62   **3.0 units**

Fire Apparatus and Equipment
3.0 hours lecture
Grading: letter grade
A study of mobile and fixed fire apparatus design, a review of construction specifications and performance capabilities and the effective deployment, utilization and performance of equipment under emergency conditions.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 64   **3.0 units**

Hazardous Materials 2
3.0 hours lecture
Grading: letter grade
A second semester course in hazardous materials covering the identification, handling and fire-fighting practices with explosives, toxic substances and radioactive materials in storage or transit.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 65   **3.0 units**

Fundamentals of Fire Safety
3.0 hours lecture
Grading: letter grade
Provides paid or volunteer firefighters with information on current techniques in the prevention of injuries and the promotion of safety while conducting routine and emergency fire operations.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 66   **3.0 units**

Intro to Related Codes & Ordinances
3.0 hours lecture
Grading: letter grade
Familiarization and interpretation of national, state and local codes and ordinances which influence the field of fire prevention.
Transfer Status: Transferable to CSU, see counselor for limitations.

FIRE 240AD   **0.5 unit**

Firefighter I Physical Agility
0.2 hour lecture , 0.9 hour laboratory
Grading: letter grade or credit/no credit

Designed to assess physical agility requirements for the fire service. A review of nutritional facts and physical training principles. Meets statewide standards of the Calchiefs organization.

FIRE 242C — 2.0 units
Fire Management 2C
2.2 hours lecture
Grading: letter grade
Designed to provide insight into personnel and labor relations. Meets state fire marshal certification requirements. Designed as service training for fire professionals.

FIRE 245 — 2.0 units
Marine Safety Academy
2.0 hours lecture , 3.5 hours laboratory
Grading: letter grade
This is a basic training program for non-career lifeguards that is approved by the United States Lifesaving Association (USLA). Candidates must qualify for entrance by competing in a rigorous testing process which includes swimming, run-swim-run, and an oral interview. The academy prepares candidates to become Non-career Ocean Lifeguards and includes topics and training in lifeguard tactics, operations, first aid, First Responder, Hazardous Materials, cardiopulmonary resuscitation, mechanical resuscitators, resuscitators, rescue buoys, rescue boards, physical training in timed swims, runs and paddling.

FIRE 250 — 9.0 units
Basic Fire Service Training
15.5 hours lecture , 7.7 hours laboratory
Grading: credit/no credit
Orientation in fire service organization, practices, procedures, tactics and duties, basic training in the use of fire suppression equipment, first aid and fire prevention procedures. Typically offered for seven weeks.

FIRE 271AD — 2.0 units
Work Experience — Fire Science
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment related to the fire service career of interest. One unit of credit shall be granted for every 75 hours per semester the student is employed.

FIRE 272AD — 3.0 units
Work Experience — Fire Science
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment related to the fire service career of interest. One unit of credit shall be granted for every 75 hours per semester the student is employed.

FIRE 273AD — 4.0 units
Work Experience — Fire Science
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit

An extension of vocational learning through employment related to the fire service career of interest. One unit of credit shall be granted for every 75 hours per semester the student is employed.

FIRE 400A — 1.0 unit
Special Topics in Fire Science
1.0 hour lecture , 1.0 hour laboratory
Grading: credit/no credit
A series of seminars designed to provide maintenance of basic skills learned or to update knowledge of new technology in the fire service expected of all fire service personnel. Topics will be offered to meet the interest and needs of fire protection specialists. Modules are designed to meet the criteria specified in NFPA standards. Repeated enrollment authorized.

FIRE 400B — 2.0 units
Special Topics in Fire Science
2.0 hours lecture , 2.0 hours laboratory
Grading: credit/no credit
A series of seminars designed to provide maintenance of skills learned or to update knowledge of new technology in the fire service expected of selected fire service personnel, based on rank and station assignment. Topics will be offered to meet the interests and needs of fire personnel. Modules are designed to meet criteria specified in NFPA standards. Repeated enrollment authorized.

FIRE 400C — 3.0 units
Special Topics in Fire Science
3.0 hours lecture , 3.0 hours laboratory
Grading: credit/no credit
A series of seminars designed to provide maintenance of skills learned or to update knowledge of new technology in the fire service expected of selected fire service personnel, based on rank and station assignment. Topics will be offered to meet the interests and needs of fire personnel. Representative topics include: specialty areas of fire service, analyzing and evaluating fire operations and addressing personnel management issues. Modules are designed to meet criteria specified in NFPA standards. Repeated enrollment authorized.

FIRE 400D — 3.0 units
Topics in Fire Service
2.0 hours lecture , 3.0 hours laboratory
Grading: credit/no credit
This is a series of seminars designed to provide a maintenance of skills learned or to update knowledge of new technology in the Fire Service expected of selected fire service personnel based on rank and station assignment. Topics will be offered to meet the interests and needs of fire, safety and marine personnel. Representative topics include: specialty areas of fire service, analyzing and evaluating fire, safety or marine operations and addressing personnel management issues. Modules are designed to meet criteria specified in the National Fire Protection Association (NFPA) and the Marine Safety Association.

FIRE 400E — 3.5 units
Topics in Fire Service
2.0 hours lecture , 4.8 hours laboratory
Grading: credit/no credit
This is a series of seminars designed to provide a maintenance of skills learned or to update knowledge of new technology in the Fire Service expected of selected fire service personnel based on rank and station

assignment. Topics will be offered to meet the interests and needs of fire, safety and marine personnel. Representative topics include: specialty areas of fire service, analyzing and evaluating fire, safety or marine operations and addressing personnel management issues. Modules are designed to meet criteria specified in the National Fire Protection Association (NFPA) and the Marine Safety Association.

FIRE 400F   5.0 units

Topics in Fire Science
3.0 hours lecture , 6.4 hours laboratory
Grading: credit/no credit
This is a series of seminars designed to provide a maintenance of skills learned or to update knowledge of new technology in the Fire Service expected of selected fire service personnel based on rank and station assignment. Topics will be offered to meet the interests and needs of fire, safety and marine personnel. Representative topics include: specialty areas of fire service, analyzing and evaluating fire, safety or marine operations and addressing personnel management issues. Modules are designed to meet criteria specified in the National Fire Protection Association (NFPA) and the Marine Safety Association.

FOOD AND NUTRITION (F_N)

F_N 20 (CAN HEC 2)   3.0 units

Nutrition and Life
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the basic physiological, psychological, social and biochemical principles related to human nutrition.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

F_N 21 (CAN HEC 8)   4.0 units

Food Selection and Meal Preparation
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
The knowledge and skills related to food selection and preparation, food product standards and the factors contributing to the quality of prepared food.
Transfer Status: Transferable to CSU, see counselor for limitations.

F_N 26   1.0 unit

Nutrition for the Active Person
1.0 hour lecture
Grading: letter grade or credit/no credit
Designed to assist the athlete and the prospective athlete in examining his or her special nutritional needs based upon current research. Emphasizes the nutritional needs of the athlete versus the non-athlete, improving athletic performance through nutrition and how to evaluate athletic diets, such as high protein diets, carbohydrate loading and pre-game meal. Not open for credit to students registered in or with credit in PEPP 79A. Typically offered for nine weeks.
Transfer Status: Transferable to CSU, see counselor for limitations.

F_N 224   3.0 units

Sanitation, Safety and Equipment
3.0 hours lecture
Grading: letter grade or credit/no credit

The application of basic safety and sanitation principles for a food service operation, the criteria used to evaluate equipment design and how to write equipment specifications.

F_N 225   3.0 units

Intro to Food Service/Work Organizations
3.0 hours lecture
Grading: letter grade or credit/no credit
The scope and organization of a food service system operating within a health care, community care or school feeding program is presented. The education and experience necessary for employment are also discussed. Additional emphasis will be placed on motion economy, task analysis and method improvement.

F_N 227   3.0 units

Supervision and Training Techniques
3.0 hours lecture
Grading: letter grade or credit/no credit
Trains students for supervisory positions in food service operations related to health care facilities. Emphasis will include staff selection, training, presentation techniques, communication and staff development.

F_N 228   3.0 units

Food Production Management
3.0 hours lecture
Grading: letter grade or credit/no credit
Become familiar with management techniques related to food service operations. Production scheduling, equipment utilization, staffing and service systems are also covered.

F_N 230AC   2.0 units

Clinical Field Experience I
1.0 hour lecture , 5.0 hours laboratory
Grading: credit/no credit
Provides supervised clinical field experience in health care facilities for dietetic service supervisor and dietetic technician program students. Learn and practice the skills necessary to coordinate a health care food service facility.

F_N 231   3.0 units

Menu Planning and Food Purchasing
3.0 hours lecture
Grading: letter grade or credit/no credit
Covers the planning and design of health care institutional menus. Topics include: nutritional adequacy, psychological needs, types of operation, equipment and skill of personnel. Purchasing and costing of food, analysis of food quality, writing specifications, ordering, receiving and storing of food and supplies are also covered.

F_N 232   3.0 units

Medical Nutrition Therapy
3.0 hours lecture
Recommended Preparation: F_N 20 (may be taken concurrently)
Grading: letter grade or credit/no credit
Principles of and indication for diet therapy in the treatment of diseases and/or disorders. Geared for hospital, convalescent and extended care facility dietetic professionals.

F_N 233A   1.0 unit

Special Topics — Medical Charting
1.0 hour lecture

Grading: letter grade or credit/no credit
Covers techniques of nutritional medical charting for dietary professionals in health care facilities. Problem-oriented records and the S.O.A.P. methods are discussed.

F_N 233B   1.0 unit
Special Topics — Diabetes Mellitus Trng
1.0 hour lecture
Grading: letter grade or credit/no credit
Covers diabetes training for dietary professionals in health care facilities or lay persons. The latest in diabetes management, diet adjustments, new resources and products are presented.

F_N 233C   1.0 unit
Special Topics — Modified Diets
1.0 hour lecture
Grading: letter grade or credit/no credit
Modified diet update. Emphasizes diet therapy for sodium, cholesterol, calories, protein, fat, soft, liquids and bland diet modifications.

F_N 233D   1.0 unit
Special Topics — Work Organizations
1.0 hour lecture
Grading: letter grade or credit/no credit
Covers work organization and efficiency techniques for health care and school food service personnel.

F_N 234   3.0 units
Advanced Nutrition Care
3.0 hours lecture
Prerequisite: F_N 232
Grading: letter grade or credit/no credit
A study of nutrition education principles and techniques for the individual, family and small groups in normal, modified and preventive nutrition care throughout the lifecycle. Computer applications and cultural implications are also covered.

F_N 235   3.0 units
Advanced Medical Nutrition Therapy
3.0 hours lecture
Recommended Preparation: F_N 232
Grading: letter grade or credit/no credit
Advanced study of therapeutic nutritional care with applications in diet counseling, menu modification, communication, documentation, education and appropriate food service delivery.

F_N 236   1.0 unit
Dietetic Seminar
1.0 hour lecture
Grading: letter grade or credit/no credit
An intro to the development of professionalism and a team concept in the dietetic health care system. Examines financing, planning and regulating health care services related to dietetics, as well as the standards of professional responsibility and standards of practice for the profession of dietetics.

F_N 240AC   2.0 units
Clinical Field Experience II
10.0 hour laboratory
Recommended Preparation: Two semesters of F_N 230AC
Grading: credit/no credit

Provides supervised clinical experience in health care facilities for Dietetic Technician Program students. Learn and practice skills necessary to provide nutritional care services to clients in health care settings.

F_N 250   2.0 units
Nutrition for Culinary Arts
2.0 hours lecture
Grading: letter grade or credit/no credit
A practical approach to the application of sound nutritional practices in the food service setting. Culinary arts students and professionals will be able to incorporate healthful nutritional knowledge in their personal and professional lives. Includes nutrition as it relates to health throughout the life cycle, menu/recipe design and modification, food product selection and current trends in consumer preference.

F_N 251   3.0 units
Applied Nutrition for Culinary Arts
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Techniques and applications of designing and producing healthy recipes and menus for the culinary industry with hands on lab experiences. Meets requirements for American Culinary Federation accreditation.

F_N 252AD   1.5 units
Cake Decorating and Sugar Cookery
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
This course teaches the student to create professional quality cake decorations. Materials and techniques covered include: Buttercream, regal, whipped cream and fondant icings, ceramic-like flowers, cake sculptures, gum paste, marzipan, gel run-sugar, and airbrush.

F_N 253   1.0 unit
Food Handler Certification
1.0 hour lecture
Grading: letter grade or credit/no credit
Covers the required standards of sanitation and safety in the handling, preparation and serving of food to protect the public's health. Will receive a Food Handler Certificate after passing the food handler exam given at the conclusion of the course. Certificate required for those working in a food service establishment to meet the California State Health Code.

F_N 255A   1.0 unit
Nutrition Facts and Fallacies
1.0 hour lecture
Grading: letter grade or credit/no credit
Provides the most recent information in the specific areas of nutrition. Emphasizes nutritional facts and fallacies, life cycle nutrition (pregnancy, childhood, adolescence, adulthood) and the vegetarian lifestyle.

F_N 255B   1.0 unit
Nutrition/Pregnancy, Infants, Children
1.0 hour lecture
Grading: letter grade or credit/no credit
Provides the most recent information in the specific areas of nutrition. Emphasizes nutritional facts and fallacies, life cycle nutrition, (pregnancy, childhood, adolescence, adulthood) and the vegetarian lifestyle.

F_N 255C   1.0 unit
Nutrition for Adults and Aging
1.0 hour lecture

Grading: letter grade or credit/no credit
Provides the most recent information in the specific areas of nutrition. Emphasizes nutritional facts and fallacies, life cycle nutrition (pregnancy, childhood, adolescence, adulthood) and the vegetarian lifestyle.

F_N   255D 1.0 unit

Vegetarian Lifestyle
1.0 hour lecture
Grading: letter grade or credit/no credit
Provides the knowledge to plan and practice a vegetarian lifestyle and maintain optimum nutrition. Topics will include the benefits and cautions of the vegetarian diet, variations of the diet and how to combine non-meat proteins. Typically offered for nine weeks.

F_N   256 2.0 units

Weight Control & Energy Balance
2.0 hours lecture
Grading: letter grade or credit/no credit
Designed to present techniques of weight control. Emphasizes the assessment of ideal body weight, techniques of diet behavior modification and reasons for emotional eating, principles of energy balance and long-term weight maintenance.

F_N   260AD 1.5 units

Cultural Foods
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Explores the origins of foods, customs, nutrition and preparation of foods common to a variety of cultures. Food patterns and relationship to social customs and rituals are covered in addition to the nutrition assessment and the effects of changes of food habits.

F_N   261AD 1.5 units

Modern Meals
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Provides the knowledge and skills required to plan, prepare and serve nutritious, varied, palatable, attractive meals within the limitations of time, energy, equipment and budget.

F_N   262AD 1.5 units

Meal Preparation for 1 and 2 Persons
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Meal planning and food selection for the single person or couple. Emphasis is on economy, speed and attractiveness.

FOREIGN STUDIES (FRSTU)

FRSTU   11A 3.0 units

Language & Cultures of Western Europe
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to the study of the major languages and cultures of Western Europe. A survey of the historic sites, the customs and the habits of the present day European man. Study foreign expressions and concepts which are part of the American vocabulary. Designed for students interested in study or travel abroad, international relations, travel services, journalism or foreign service.
Transfer Status: Transferable to CSU, see counselor for limitations.

FRSTU   11B 3.0 units

Language & Cultures of Western Europe
3.0 hours lecture
Grading: letter grade or credit/no credit
Continuation of the study of the major languages and cultures of Western Europe. A survey of the historic sites, the customs and the habits of the present day European man. Study foreign expressions and concepts which are part of the American vocabulary. For students interested in study or travel abroad, international relations, travel services, journalism or foreign service.
Transfer Status: Transferable to CSU, see counselor for limitations.

FORKLIFT (FORK)

FORK   801 1.0 unit

Forklift Safety and Operation
0.8 hour lecture , 0.6 hour laboratory
Grading: credit/no credit
Covers safety and operation of the forklift, including basic lifting principles, load rating, stability and operation techniques.

FRENCH (FREN)

FREN   1   (CAN FREN 2) 5.0 units

Elementary French
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intro to the French language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of French. Topics for conversation are every-day life situations and issues in the French world. Not recommended for native speakers of French or students who have completed one year of high school French with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN   1A   (CAN FREN 2) 3.0 units

Elementary French 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to the French language, emphasizing listening, comprehension, conversation, reading and writing to develop control of the basic sounds, forms and structure of French. Topics for conversation are everyday life situations and issues in the French world. Not recommended for native speakers of French or students who have completed one year of high school French with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN   1B   (CAN FREN 2) 2.0 units

Elementary French 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: FREN 1A
Grading: letter grade or credit/no credit
Intro to the French language, emphasizing listening, comprehension, conversation, reading and writing to develop control of the basic sounds, forms and structure of French. Topics for conversation are every day life situations and issues in the French world. Not recommended for native speakers of French or students

who have completed one year of high school French with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 2 (CAN FREN 4) 5.0 units
Elementary French
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: FREN 1 or FREN 1A and 1B or recent completion of one year of High School French.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 2A (CAN FREN 4) 3.0 units
Elementary French 2A
3.0 hours lecture
Prerequisite: FREN 1 or FREN 1A and 1B or recent completion of one year of High School French.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking. Reading and writing, based on modern topical materials are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 2B (CAN FREN 4) 2.0 units
Elementary French 2B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: FREN 2A
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking, as well as reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 3 (CAN FREN 8) 5.0 units
Intermediate French
5.0 hours lecture
Prerequisite: FREN 2 or FREN 2A and 2B or recent completion of two years of High School French.
Grading: letter grade or credit/no credit
A review of French grammar. Intensive study of idiomatic expressions and vocabulary based on the reading of short stories and a variety of articles and situational dialogues which reflect the French culture. Development of reading and writing, based on the reading of material and personal experiences, is covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 4 (CAN FREN 10) 5.0 units
Intermediate French
5.0 hours lecture
Prerequisite: FREN 3 or recent completion of three years High School French.
Grading: letter grade or credit/no credit
Continuation of the review of French grammar, emphasizing a more advanced structure. Reading of short stories and literary selections by famous contemporary French authors, as well as extensive practice in comprehension, speaking, writing and reading are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 8AD 2.0 units
Spoken French
3.0 hours lecture
Prerequisite: FREN 2 or 2A and 2B
Grading: letter grade or credit/no credit
An intensive study and practice in French conversation based on practical situations, the French culture and current events.
Transfer Status: Transferable to CSU, see counselor for limitations.

FREN 25A 3.0 units
Advanced French: Culture in Literature
3.0 hours lecture
Prerequisite: FREN 4
Grading: letter grade or credit/no credit
The study of the French culture in short stories, fables and biographies. Grammar review stressing oral and written composition. Practice for fluency. Emphasizes a career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the field of study are required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 25B 3.0 units
Advanced French: History
3.0 hours lecture
Prerequisite: FREN 25A
Grading: letter grade or credit/no credit
Study the history of the French speaking countries from early to present time through texts from history books. Grammar review stressing oral and written composition. Practice for fluency. Emphasis is on career-related language, with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the field of study are required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 25C 3.0 units
Advanced French: Politics, Current Event
3.0 hours lecture
Prerequisite: FREN 25B
Grading: letter grade or credit/no credit
The study of political and other current events through newspaper and magazine articles. Grammar review stressing oral and written composition. Practice for fluency. Emphasis is on a career-related language with choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the field of study are required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

FREN 25D 3.0 units
Advanced French: Literature
3.0 hours lecture
Prerequisite: FREN 25C
Grading: letter grade or credit/no credit
Study the different literary genres through short novels, fairy tales, poems, etc. Grammar review stressing oral and written composition. Practice for fluency.

Emphasizes a career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the field of study are required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOGRAPHY (GEOG)

GEOG   2   (CAN GEOG 4)   3.0 units
Elements of Cultural Geography
3.0 hours lecture
Grading: letter grade or credit/no credit
Study the basic cultural elements of the earth, the peoples of the world and their settlement characteristics and the origins, historical dispersals and contemporary distribution of representative cultural patterns.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOG   5   3.0 units
Economic Geography
3.0 hours lecture
Grading: letter grade or credit/no credit
Study the location and organization of the world's major types of production, including agriculture, mining, forest products, fisheries, manufacturing and associated service industries. Not open to students registered in or with credit in ECON 5.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOG   10   3.0 units
Intro to Geographic Information Systems
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: Familiar with Internet or computer literacy.
Grading: letter grade
Introduces the theory and application of geographic information system (GIS) technology. Includes maps and cartography, GIS concepts, GIS software, GIS database concepts. Work with GIS data: input, transformation, storage, analysis and output. Also includes business aspects of GIS and careers in GIS.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOG   40   3.0 units
World Regional Geography
3.0 hours lecture
Grading: letter grade or credit/no credit
The basic concepts and fundamentals of both physical and cultural geography are used for an interpretation of the geographic areas of North America, Africa, Europe, countries that comprised the former Soviet Union, Asia, the Middle East and the Pacific area.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOG   48   3.0 units
Geography of California
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the diversity of the state of California through study of its cultural and social geography, regions, landscapes and resources. An investigation of the origins of California's ethnic diversity, regional contrasts,

resources and problems. The future of California is examined using spatial analysis and field investigations.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOG   640   0.0 unit
World Regional Geography
2.0 hours lecture
Grading: LBCC Non-Graded Course
A study of the physical and cultural characteristics of various world regions, emphasizing topography, major cities, customs and traditions. (Enrollment is designed for older adults residing in convalescent homes.)

GEOGRAPHY, PHYSICAL (PGEOG)

PGEOG   1   3.0 units
Earth Surface Study
3.0 hours lecture
Grading: letter grade or credit/no credit
The study of the three interrelated parts of the hemisphere: air, water and land.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOLOGY (GEOL)

GEOL   1   4.0 units
General Physical Geology
3.5 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Survey the materials and structure forming the earth and the processes by which it has been and is being changed. A general cultural course for liberal arts students and a beginning course for geology majors. One Saturday field trip is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL   1H   4.0 units
Honors General Physical Geology
3.5 hours lecture , 3.0 hours laboratory
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Survey the materials and structure forming the earth and the processes by which it has been and is being changed. A general course for liberal arts students and a beginning course for geology majors. One Saturday field trip is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL   2   (CAN GEOL 2)   3.0 units
General Geology, Physical
3.0 hours lecture
Grading: letter grade or credit/no credit
Survey the materials and structure forming the earth and the processes by which it has been and is being changed. A general course for liberal arts students and a beginning course for geology majors. One Saturday field trip is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL   2F   1.0 unit
Geology Field Trips
1.3 hours lecture
Corequisite: GEOL 1 or 2
Grading: letter grade or credit/no credit

Three Saturday field trips, including the San Andreas Fault, Palos Verdes Hills and the Santa Ana Mountains-Dana Point, to acquaint students with local geology and associated environmental problems. Does not fulfill the requirement for a lab science.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 2L (CAN GEOL 2)   1.0 unit
General Geology, Physical Geology Lab
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: GEOL 2 (may be taken concurrently)
Grading: letter grade or credit/no credit
Provides lab exercises in identification of rocks and minerals, reading and interpretation of topographic maps and aerial photographs, study of rock structures and geomorphology, examination of specimens collected on field trips.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 3   3.0 units
Historical Geology
3.0 hours lecture , 0.5 hour laboratory
Grading: letter grade or credit/no credit
A study of earth history through an analysis of the fossil and rock record. Examine the evidence for ancient climatic fluctuations in order to evaluate the theory of recent global warming. A general course for liberal arts students and a beginning course for geology majors. One Saturday field trip is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 3H   4.0 units
Honors Historical Geology
4.0 hours lecture , 2.5 hours laboratory
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
A study of earth history through an analysis of the fossil and rock record. Examine the evidence for ancient climatic fluctuations in order to evaluate the theory of recent global warming. A general course for liberal arts students and a beginning course for geology majors. One Saturday field trip is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 4   2.0 units
Field Geology
1.5 hours lecture , 1.5 hours laboratory
Prerequisite: GEOL 1, 2, 2L, 3, 3H or 5 (may be taken concurrently)
Grading: letter grade or credit/no credit
A field course to selected locations in the Owens Valley and Death Valley. Offered fall semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 5   3.0 units
Environmental Geology
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn about natural hazards affecting the greater Los Angeles area, how to assess danger from these hazards and what you can do to minimize personal damage. Explore environmental issues of the Los Angeles basin that are directly related to the earth, such as water supply, pollution and land use.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 7AD   2.0 units
Field Studies: Western Environments
1.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: GEOL 1, 2, 3 or 18 or concurrent enrollment.
Grading: letter grade or credit/no credit
A field studies course to geologically interesting areas of the west. Emphasis will be to identify clues in the rock and fossil record which indicate past environmental conditions in the Western United States.
Transfer Status: Transferable to CSU, see counselor for limitations.

GEOL 16   3.0 units
Field Techniques/Geol: So Calif Deserts
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: GEOL 1, 1H, 2 or 5 (may be taken concurrently)
Grading: letter grade or credit/no credit
A study of rock and mineral deposits, faults and other features found in Southern California's deserts. Includes: map making, field and microscopic work. Two week-end field trips. Offered spring semester.
Transfer Status: Transferable to CSU, see counselor for limitations.

GEOL 17   2.0 units
Geology of Southern California Deserts
1.5 hours lecture , 1.5 hours laboratory
Prerequisite: GEOL 1, 2, or 5 (may be taken concurrently)
Grading: letter grade or credit/no credit
Deals with the petrology, stratigraphy, structure and paleontology of Southern California deserts. Two weekend field trips. Offered spring semester. Not open to students with credit in GEOL 16.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GEOL 18   3.0 units
Geology of California
3.0 hours lecture
Grading: letter grade or credit/no credit
Outlines the basic principles of geology and the features and history of California's landscape through the exam of the rocks, minerals, fossils and tectonic events common in California.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GERMAN (GER)

GER 1 (CAN GERM 2)   5.0 units
Elementary German
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intro to the German language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of German. Topics for conversation are everyday life situations and issues in the German world. Not recommended for native speakers of German or students who have completed one year of high school German with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 1A   3.0 units
Elementary German 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to the German language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of German. Topics for conversation are everyday life situations and issues in the German world. Not recommended for native speakers of German or students who have completed one year of high school German with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 1B   2.0 units
Elementary German 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: GER 1A
Grading: letter grade or credit/no credit
Intro to the German language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of German. Topics for conversation are everyday life situations and issues in the German world. Not recommended for native speakers of German or students who have completed one year of high school German with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 2   (CAN GERM 4)   5.0 units
Elementary German
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: GER 1 or GER 1A and 1B or recent completion of one year of High School German.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms. Major emphasis is on listening and speaking. Reading and writing based on modern topical material are required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 2A   3.0 units
Elementary German 2A
3.0 hours lecture
Prerequsite: GER 1 or GER 1A and 1B or recent completion of one year of High School German.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 2B   2.0 units
Elementary German 2B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: GER 2A
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms. Major emphasis is on listening and speaking. Reading and writing based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 3   (CAN GERM 8)   5.0 units
Intermediate German
5.0 hours lecture
Prerequisite: GER 2 or GER 2A and 2B or recent completion of two years of High School German.
Grading: letter grade or credit/no credit
A review of German grammar. An intensive study of idiomatic expressions and vocabulary based on the reading of short stories and a variety of articles and situational dialogues which reflect German culture. Development of reading and writing based on reading material and personal experiences.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 3H   (CAN GERM 8)   5.0 units
Honors Intermediate German
5.0 hours lecture
Prerequisite: GER 2 or 2A and 2B or recent completion of two years of High School German and Qualification for the Honors Program.
Grading: letter grade or credit/no credit
An intensive study of the German culture, art and language based on the reading of short stories, a variety of articles, literary selections by famous authors, film and the study of contemporary newspapers and magazines. Development of reading and writing, a study of German values in art and literature and a review of German grammar based on reading material and personal experiences.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 4   (CAN GERM 10)   5.0 units
Intermediate German
5.0 hours lecture
Prerequisite: GER 3 or recent completion of three years of High School German.
Grading: letter grade or credit/no credit
Continuation of the review of German grammar, emphasizing a more advanced structure. Reading of short stories and literary selections by famous contemporary German authors. Extensive practice in comprehension, speaking, writing and reading.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 4H   (CAN GERM 10)   5.0 units
Honors Intermediate German
5.0 hours lecture
Prerequisite: GER 3 or recent completion of three years of High School German and Qualification for the Honors program.
Grading: letter grade or credit/no credit
A continuation of an intensive study of the German culture, art and language based on the reading of short stories, a variety of articles, literary selections by famous authors, German films and a study of German values in history. Also, a continuation of the review of German grammar with an emphasis on how syntax and vocabulary facilitate the development of ideas. Readings of short stories and literary selections by famous contemporary German authors will expand the knowledge acquired in GER 3 dealing with German art and literature. Furthermore, a career focus to language and the various professional disciplines will be added to reinforce the student's understanding of modern German culture. Finally, relating language to culture is the central focus.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 8AD   **2.0 units**

Spoken German
3.0 hours lecture
Prerequisite: GER 2 or 2A and 2B
Grading: letter grade or credit/no credit
An intensive study and practice of spoken German conversation based on practical, everyday situations concerning travel, business, current events, culture and people in German-speaking countries. The emphasis is on enlarging vocabulary on current idiomatic usage and on language patterns fundamental to the active use of German.
Transfer Status: Transferable to CSU, see counselor for limitations.

GER 25A   **3.0 units**

Advanced German: Culture in Literature
3.0 hours lecture
Prerequisite: GER 4
Grading: letter grade or credit/no credit
The study of German culture in short stories, fables, biographies, etc. Review grammar, stressing oral and written composition and practice for fluency. Emphasizes a career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study are included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 25B   **3.0 units**

Advanced German: History
3.0 hours lecture
Prerequisite: GER 4
Grading: letter grade or credit/no credit
Study the history of German speaking countries from early to the present time through texts from history books. Review grammar, stressing oral and written composition, and practice for fluency. Emphasizes a career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study are included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 25C   **3.0 units**

Advanced German: Politics, Current Event
3.0 hours lecture
Prerequisite: GER 4
Grading: letter grade or credit/no credit
A study of political and other current events through newspapers and magazine articles. Review grammar, stressing oral and written composition, and practice for fluency. Emphasizes a career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study or in representative German literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

GER 25D   **3.0 units**

Advanced German: Literature
3.0 hours lecture
Prerequisite: GER 4
Grading: letter grade or credit/no credit
Review grammar, stressing oral and written composition, and practice for fluency. Emphasis is on career-related language with a choice of collateral readings relative to business, science or the humanities. Attention is given to developing vocabulary and on standard forms appropriate to individual career objectives. Study different literary genres through short novels, fairy tales, poems, etc. Outside readings and reporting in the respective field of study or in representative German literature are included.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HEALTH EDUCATION (HLED)

HLED 2   **2.0 units**

Introduction to Health Education
2.0 hours lecture
Grading: letter grade or credit/no credit
General study of health designed to promote desirable health attitudes and to provide up-to-date information in the areas of individual, family and community health. Not open for credit to students registered in or with credit in HLED 3. Fulfills AA/AS degree requirements in health education.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HLED 3   **3.0 units**

Contemporary Health Problems
3.0 hours lecture
Grading: letter grade or credit/no credit
Action-oriented course with up-to-date presentations of current health problems and the methods of coping. Speakers, videos, slides and student experiences will be employed to acquaint students with the facts and the choices they have as consumers of health service and products. Not open for credit to students registered in or with credit in HLED 2. Fulfills AA/AS degree requirements in Health Education.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HLED 4   **3.0 units**

Women's Health Issues
3.0 hours lecture
Grading: letter grade or credit/no credit
Proposes to help women attain an optimum state of health; includes becoming discerning consumers of the health care industry. Fundamentals of normal physiology and natural defense mechanisms will be covered to the extent necessary to promote understanding of the cause, prevention and treatment of various conditions or disorders, including reproductive organ dysfunction, menstrual disorders, sexually transmitted diseases, infertility, complications of pregnancy, osteoporosis, cancer and cardiovascular disease. The importance of lifestyle habits will be emphasized. Other topics include gender differences in health and mortality and the history and current status of research on women's health issues.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HLED   10   **3.0 units**

Human Sexuality
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to human sexual knowledge, attitudes and behaviors viewed from the biological, psychological, sociological, cultural, religious and historical perspectives. Provides three units of elective work in the health sciences or sociology. It does not take the place of HLED 2 or 3 which are required for the AA/AS degrees. Not open for credit to students registered in or with credit in PSYCH 10.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HISTORY (HIST)

HIST   1A   (CAN HIST 2)   **3.0 units**

History: Western (European) Civilization
3.0 hours lecture
Grading: letter grade
A broad survey of European civilization and its world significance from pre-history to the end of the Thirty Years War, including Greece, Rome, Middle Ages, Renaissance and Reformation through the Age of Discovery.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   1AH   **3.0 units**

Honors History of Western European Civ
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
A broad survey of European civilization and its world significance from pre-history to the end of the Thirty Years War, including Greece, Rome, Middle Ages, Renaissance and Reformation through the Age of Discovery.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   1B   (CAN HIST 4)   **3.0 units**

History: Western (European) Civilization
3.0 hours lecture
Grading: letter grade
Traces European civilization from the end of the Thirty Years War in 1648 to the present, including the French Revolution, Napoleonic era, Industrial Revolution, age of nationalism and imperialism, World Wars I and II, atomic age and rise and fall of the great powers and the post-war era.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   1BH   **3.0 units**

Honors History of Western European Civ
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
Traces European civilization from the end of the Thirty Years War in 1648 to the present, including the French Revolution, Napoleonic era, Industrial Revolution, age of nationalism and imperialism, World Wars I and II, atomic age, rise and fall of Soviet power and the post cold war era.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   2A   **3.0 units**

The Ancient World
3.0 hours lecture
Grading: letter grade
An intro to the earliest stages of human culture from paleolithic times through the establishment of the classical civilization of the Eurasian continent and Nilotic Africa.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   2B   **3.0 units**

World Civilizations
3.0 hours lecture
Grading: letter grade
An intro to the development of the world civilization from the ancient world to about 1700. The emphasis is comparative and the focus is on the interactions of major cultures. Includes migration and settlement patterns, the role of universal religions, major medieval civilizations, technology and the effects of explorations and colonization movements.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   2C   **3.0 units**

The Modern World
3.0 hours lecture
Grading: letter grade
A comprehensive survey of the major world civilizations at the start of the European expansion. The creation of European colonial empires around the world and their overall impact is a major focus, as is the role of industrialization, science, technological innovation and communication in the decades after 1700. Competing ideologies and their impact are linked to the emergence of the modern nation state. Major themes are brought together in a close examination of the problems and successes of the contemporary era.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   2CH   **3.0 units**

Honors The Modern World
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
A comprehensive survey of the major world civilizations at the start of European expansion. The creation of European colonial empires around the world and their overall impact is a major focus, as is the role of industrialization, science, technological innovation and communication in the decades after 1700. Competing ideologies and their impact are linked to the emergence of the modern nation state. Major themes are brought together in a close examination of the problems and successes of the contemporary era.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   5A   **3.0 units**

History of England and Great Britain
3.0 hours lecture
Grading: letter grade
A survey of English history from earliest times through the reign of Queen Anne (1714). Anglo-Saxon, Norman, Plantagenet (Angevin), Tudor and Stuart contributions to the evolution of English law, politics, economics, social class structure and culture will be examined

closely and evaluated. Recommended for pre-legal students and majors in English.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 5B   3.0 units
History of England and Great Britain
3.0 hours lecture
Grading: letter grade
A survey of English history from the Accession of George I of Hanover (1714) through the closing decades of the Second Hundred Years' War, expansion of the New British Empire, the age of Victoria, causes and effects of World Wars I and II and postwar adjustments by the United Kingdom to a new set of realities up to the present time. Recommended for pre-legal students and majors in English.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 6   3.0 units
History of Russia
3.0 hours lecture
Grading: letter grade
A survey of Russian history from the founding of the Russian state to the present. Emphasizes Imperial Russia in the 19th century, the road to revolution in 1917, development of Soviet society and the role of the former USSR in international affairs and the post Cold War Russia.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 8A   3.0 units
History of the Americas
3.0 hours lecture
Grading: letter grade
A comprehensive survey of the Western Hemisphere from its earliest contact with European civilization through the five centuries to the present. The fall semester (8A) gives particular attention to the structures of Pre-Columbian cultures, the conquest period and the subsequent development of European colonial empires in the new world. The spring semester (8B) focuses on the struggle for independence, the development of distinct national identities among new world republics and the problems of economic, political and social development these countries faced over the last century. Both courses are comparative and chronological in scope for Latin America, Canada and the United States. Recommended for Spanish majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 8AH   3.0 units
Honors History of the Americas
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
A comprehensive analysis of the principal cultural areas of the Western Hemisphere from their earliest contact with European civilization. Focuses on Amerindian cultures, colonial systems, the struggles for independence and the development of distinct national identities in the early decades after independence. Comparative in approach and scope for Latin America, Canada and the United States.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 8B   3.0 units
History of the Americas
3.0 hours lecture
Grading: letter grade
A comprehensive survey of the Western Hemisphere from its earliest contact with European civilization through the five centuries to the present. The fall semester (8A) gives particular attention to the structures of Pre-Columbian cultures, the conquest period and the subsequent development of European colonial empires in the new world. The spring semester (8B) focuses on the struggle for independence, the development of distinct national identities among new world republics and the problems of economic, political and social development these countries faced over the last century. Both courses are comparative and chronological in scope for Latin America, Canada and the United States. Recommended for Spanish majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 8BH   3.0 units
Honors History of the Americas
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
A comprehensive analysis of the principal nations of the Americas from the mid-nineteenth century era of newly won independence to the complex economic, political and social problems of the present. Comparative in approach and scope for Latin America, Canada and the United States.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 9A   3.0 units
History of China
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the history of China from antiquity to the present, emphasizing the modern era the last century. Particular attention is given to the evolution of the traditional Chinese civilization, the impact of modern imperialism on that culture, the building of a new society in the People's Republic of China and China's role in the contemporary world.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 9B   3.0 units
History of Japan and Korea
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the history of Japan and Korea from antiquity to the present. The relationship of each country to the Chinese civilization is explored, as well as the evolution of unique Japanese and Korean cultures. Emphasizes the modern era with the impact of the West, the movement to modernize and a growing involvement in world affairs.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST 9C   3.0 units
History of India and Southeast Asia
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the history of India and Southeast Asia from antiquity to the present. Emphasizes the political, economic, social and religious characteristics of

traditional India, the impact of the Moslem and British invasions of India and the development of independent, modern India. Southeast Asia is studied through the history of representative nations and cultures, such as Vietnam and Indonesia.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   10   (CAN HIST 8)   3.0 units
Hist/Early America (Colonial-Reconstr)
3.0 hours lecture
Grading: letter grade
A study of major political, economic, social, diplomatic and intellectual trends and events from Colonial times through Reconstruction (1877). Attention is given to the birth of American society, establishment of the nation, westward expansion, the issue of slavery, the development of a multi-ethnic culture, the Civil War and reconstruction of the South. HIST 10 and 11 need not be taken in sequence, if the student desires to take both courses. Not open for credit to students who have completed HIST 8A.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   11   (CAN HIST 10)   3.0 units
Hist/Modern America (Reconstr-Present)
3.0 hours lecture
Grading: letter grade
A study of major political, economic, social, diplomatic and intellectual trends and events from the end of Reconstruction (1877) to the present. Emphasizes the building of the modern industrial society, growing involvement in international relations, the evolution of a multi-ethnic community and social reform movements of the 20th century. HIST 10 and 11 need not be taken in sequence if the student desires to take both courses. Not open for credit to students who have completed HIST 8B.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   18   3.0 units
History of Mexico
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the historical and cultural development from the pre-Columbian era to the present. Emphasizes the major intellectual, social and political movements in the formation of modern Mexico.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   25   3.0 units
History of American Woman
3.0 hours lecture
Grading: letter grade
Survey of the history of women in America from the Colonial period to the present, emphasizing the relevant political, economic and social factors that shaped women's experiences in the United States.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   27A   3.0 units
History of the African-American to 1877
3.0 hours lecture
Grading: letter grade or credit/no credit

A comprehensive survey of the African-American experience in the United States from the colonial period to the Civil War. Includes the African civilization prior to European enslavement, the American institution of slavery and the role of African-Americans during colonial wars. Emphasizes the contributions of African-Americans to the social, economic and political development of the United States.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   27B   3.0 units
Hist/African-American (Reconstr-Present)
3.0 hours lecture
Grading: letter grade or credit/no credit
A comprehensive survey of African-American social, political and economic development in the United States from the Reconstruction Period to the present. Will examine Jim Crow and white supremacy, the modern civil rights movement and the new struggle for community economic development and educational and employment in the twenty-first century.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   48   3.0 units
History of California
3.0 hours lecture
Grading: letter grade or credit/no credit
A comprehensive survey of California from pre-Columbian times to the present. Focuses on Amerindian cultures, the exploration, colonization and development of Hispanic California, the coming of the American and the political, economic and cultural development of California since its acquisition by the United States. Recommended for those planning a teaching career in California.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HIST   49   3.0 units
History of the American West
3.0 hours lecture
Grading: letter grade
A broad survey of the history of the American West and its significance from pre-history to the present, including Native Americans, the frontier experience, the Gold Rush, women and the diverse cultures of the West, environmental issues, popular representations of the West, twentieth century problems, urban and suburban development.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HORTICULTURE (HORT)

HORT   10A   4.0 units
Greenhouse Management and Operation
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Learn greenhouse structure, heating and cooling systems, humidity and watering systems, propagation systems and controls, proper soil mix, fertilizer and injector systems, propagation methods, transplanting, shifting of nursery stock, quality and inventory control, shipping practices and credit management. Automation, mechanization and other labor saving equipment and procedures will be discussed.

Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 10B   4.0 units

Greenhouse Management and Operation
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Learn greenhouse structure, heating and cooling systems, humidity and watering systems, propagation systems and controls, proper soil mix, fertilizer and injector systems, propagation methods, transplanting, shifting of nursery stock, quality and inventory control, shipping practices and credit management. Automation, mechanization and other labor saving equipment and procedures will be discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 11A   3.0 units

Plant Identification—Trees
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Focuses on the study of trees, including identification, culture and landscape uses.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 11B   3.0 units

Plant Identification—Shrubs
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Focuses on the study of shrubs, including identification, culture and landscape uses.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 11C   3.0 units

Plant Identification—Herbaceous
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Focuses on the study of herbaceous plants, including identification, culture and landscape uses.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 11D   3.0 units

Plant Identification—Tropicals
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Focuses on the study of tropical plants, including identification, culture and landscape uses.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 15A   2.0 units

Basic Horticulture
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Learn the basic aspects and techniques of the horticulture industry: nomenclature, plant physiology, soils, fertilizers, irrigation, propagation, pruning and pest identification and control.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 15B   2.0 units

Basic Horticulture
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit

Learn the basic aspects and techniques of the horticulture industry: nomenclature, plant physiology, soils, fertilizers, irrigation, propagation, pruning and pest identification and control.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 19A   4.0 units

Turf Management (Fall)
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Learn turf identification, culture requirements, climatic conditions, pests and diseases, watering techniques, installation and repair of irrigation systems and maintenance of new turf. Participate in removal of sod and installation of new turf from seed, sod and stolons.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 19B   4.0 units

Turf Management (Spring)
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Learn turf identification, culture requirements, climatic conditions, pests and diseases, watering techniques, installation and repair of irrigation systems and maintenance of new turf. Participate in removal of sod and installation of new turf from seed, sod and stolons.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 21   3.0 units

Principles of Landscape Design
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn basic landscape design and drafting skills: landscape symbols and lettering for plant materials, hardscape, irrigation, lighting and electrical, local and state codes. Prepare finished drawing of a new landscape site and cost estimates for materials and labor.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 26A   3.0 units

Plant Propagation
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn sexual and asexual propagation of foliage, annual, perennial, tropical, flowering and ornamental plants, operation and maintenance of propagation chambers and greenhouse and shadehouse systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 26B   3.0 units

Plant Propagation
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn sexual and asexual propagation of foliage, annual, perennial, tropical, flowering, ornamental plants, operation and maintenance of propagation chambers, greenhouse and shadehouse systems.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT 28A   3.0 units

Horticulture Equipment Operation (Fall)
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit

Learn to safely operate, maintain and perform minor repairs of two-cycle and four-cycle horticulture equipment, including gas and diesel engines and electric and pneumatic motors.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT   28B   3.0 units
Horticulture Equipment Operation (Spr)
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn to safely operate, maintain and perform minor repairs of two-cycle and four-cycle horticulture equipment, including gas and diesel engines and electric and pneumatic motors.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT   30   3.0 units
Integrated Pest Management
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn to diagnose pests and disease on ornamental plants and turf, chemical and biological control and their regulation, local, state and federal laws pertaining to pesticide application. Prepare for the pesticide applicator's exam.
Transfer Status: Transferable to CSU, see counselor for limitations.

HORT   202AB   4.0 units
Principles of Pruning
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Learn to properly prune trees, shrubs and vines, identify pruning periods for deciduous and evergreen plants, identify and safely operate tools and equipment to industry standards, perform maintenance and repair of tools and equipment.

HORT   223AD   4.0 units
Landscape Construction
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Develop a basic knowledge of the theory and application of soil preparation, equipment operation, planting, maintenance and hardscape techniques.

HORT   227A   2.0 units
Interior Plant Design/Installation Fall
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Learn interior landscape design, installation and maintenance techniques, cultural and climatic conditions, pests and diseases and their prevention and control, cool and warm season color and how to bid and sell a design.

HORT   227B   2.0 units
Interior Plant Design/Maintenance Spring
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Learn interior landscape design and maintenance techniques, cultural and climatic conditions, pests and diseases and their prevention and control, cool and warm season color and how to bid and sell a design.

HORT   271AD   2.0 units
Work Experience: Horticulture
1.0 hour lecture , 4.1 hours laboratory

Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to horticulture/landscape. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

HORT   272AD   3.0 units
Work Experience: Horticulture
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to horticulture/landscape. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

HORT   273AD   4.0 units
Work Experience: Horticulture
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to horticulture/landscape. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

HORT   430A   4.0 units
Landscape Maintenance
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Theory and applications of landscape management and installation, plant, weed and pest identification, turf grass, equipment operation and maintenance, manual and automatic irrigation, plant propagation and culture, landscape plans and construction and types of industrial and domestic applications are topics of discussion.

HORT   430B   4.0 units
Landscape Maintenance
3.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: HORT 430A
Grading: letter grade or credit/no credit
Theory and applications of landscape management and installation, plant, weed and pest identification, turf grass, equipment operation and maintenance, manual and automatic irrigation, plant propagation and culture, landscape plans and construction, types of industrial and domestic applications are topics of discussion.

HORT   611   0.0 unit
Hort/Animal Sci for Disabled Students
5.0 hours lecture , 10.0 hour laboratory
Grading: LBCC Non-Graded Course
Designed to cover: grounds maintenance, safe operation of hand and power tools, soils and soil amendments, fertilizers, turf maintenance, flower, vegetable and fruit identification and culture, annuals and perennials, pruning, disease and weed recognition and control, irrigation principles and repair. Landscape plans and construction (limited). Flower design: materials and methods and holiday display. Animal science: care, feeding, reproduction, health, housing and record keeping. Marketing: harvesting, packing, sales and

bookkeeping. Industrial applications. Also includes field trips, guest lecturers and special lab and field projects for students with disabilities.

HUMAN SERVICES/SOCIAL WORK (HS)

HS 1   3.0 units
Introduction to Social Work
3.0 hours lecture
Grading: letter grade or credit/no credit
Identify and analyze the origin and development of the primary helping services in urban and rural communities. Emphasizes social problems and issues which resulted in the development of these services, the value systems significant in their operation and the effect of shifting patterns in society on the delivery of helping services. Class work supplemented by observation of or participating in local primary helping service agencies.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 7   3.0 units
Introduction to Victimology
3.0 hours lecture
Grading: letter grade
Explore the cost of victimization to society. Emphasizes information on existing resources, participation in the creation and expansion of knowledge and resources and the career opportunities in the field. Class work supplemented by observation of local primary helping service agencies.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 15   3.0 units
Social Welfare: People with Disabilities
3.0 hours lecture
Grading: letter grade
An overview of various disabilities and their etiology. Study of methods and processes of adjustment of people with various disabilities and their families. A survey of the social psychological factors and societal attitudes that facilitate or inhibit normal functioning. An overview of the various social services available to people with disabilities that assist with education, employment, interaction situations, social skills training, advocacy, self help groups and other services that help people with various disabilities reach their full potential.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 26   3.0 units
Introduction to Gerontology
3.0 hours lecture
Grading: letter grade or credit/no credit
Provides an overview of the social, psychological and biological effects of aging, emphasizing individual differences among older adults, including ethnic differences. Explore the basic processes, adjustments and environments of the aging and aim at breaking down individual and societal stereotypes. Not open for credit to students registered in or with credit in HOMEC26 or PSYCH26.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 40A   3.0 units
Introduction to Addictive Behaviors
3.0 hours lecture
Grading: letter grade
For individuals who wish to expand their knowledge regarding addictive behaviors. Covers the basic causal theories of alcoholism and drug abuse and explores methods of identification, classification, treatment and intervention. Designed to help prepare students for careers in a rapidly growing field.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 40B   3.0 units
Introduction to Addictive Behaviors
3.0 hours lecture
Grading: letter grade
For individuals who wish to expand their knowledge regarding addictive behaviors. Covers basic theories of co-dependency and eating disorders and explores methods of identification, classification, treatment and intervention. Designed to help prepare students for careers in a rapidly growing field.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 41   3.0 units
Introduction to Chemical Dependency
3.0 hours lecture
Grading: letter grade
Takes the student through the history of alcohol abuse and the use of mood altering substances during this century. The ability to abuse and become addicted to other behaviors, such as food and sex, will also be explored. Psychological, social and physical contributions and outcomes of addictive behavior will be studied. Designed for those interested in the helping services.

HS 43   3.0 units
Case Management: Treatment & Aftercare
3.0 hours lecture
Grading: letter grade
Examine ways to conduct initial intake assessment, orientation to various treatment programs and terms for termination. Clients' rights and stages of recovery from alcohol and drug dependencies will also be studied. Designed for those interested in the helping fields, this course will provide strategies for prioritizing problems, organizing cases and applying the law to provide assistance.

HS 45   3.0 units
Stress Mgmt for the Helping Professional
3.0 hours lecture
Grading: letter grade
Examines various ways that professionals in the helping services experience stress. Students' personal limitations will be explored. Learn to prevent burnout and skills that will increase students' ability to help others. Emphasizes strategies to promote personal growth. Designed for persons interested in the human services/helping professions.

HS 46   3.0 units
Physiology & Pharmacology of Drugs
3.0 hours lecture
Grading: letter grade

Examines the effects of alcohol and other psychoactive drugs on the body and everyday behavior. Such issues as drug tolerance, synergistic effects and effects of drugs on sexual performance are used to develop a treatment program.

HS 47   3.0 units
Intervention, Treatment & Recovery
3.0 hours lecture
Grading: letter grade
Thoroughly explores the counseling process from the perspective of both client and counselor. Therapeutic orientations will be learned and applied, through class role playing, of individual, group and family counseling sessions. Designed for students interested in the helping professions.

HS 48   3.0 units
Group & Family Process
3.0 hours lecture
Prerequisite: HS 47
Grading: letter grade
Students will explore the counseling process from the perspective of both client and counselor. Therapeutic orientations of group/family counseling will be learned and applied through class role playing. Designed for students interested in helping professions.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 50   3.0 units
Law and Ethics
3.0 hours lecture
Grading: letter grade
Learn the applicable laws and liabilities relating to drug and alcohol use/abuse. Issues of confidentiality, patient rights, assessments and interventions will be explored. Designed for students interested in the helping professions.

HS 71AD   2.0 units
Work Experience — Human Services
1.0 hour lecture , 3.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career major for which the student college program is designed.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 72AD   3.0 units
Work Experience — Human Services
1.0 hour lecture , 6.6 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career major for which the student college program is designed.
Transfer Status: Transferable to CSU, see counselor for limitations.

HS 73AD   4.0 units
Work Experience — Human Services
1.0 hour lecture , 12.5 hours laboratory

Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade
This course prepares students to develop work experience objectives, career goals, job interviewing skills and address employment issues encountered in the workplace. Field placements provide vocational experiences through direct employment in the Alcohol/Drug Counseling and Human Services disciplines.

HS 207   3.0 units
Development of Helping/Listening Skills
3.0 hours lecture
Grading: letter grade or credit/no credit
For persons who are in helping roles in the area of social services. Includes techniques for volunteer, peer and para-professional assistance and counseling. The development of skills in initiating, attending, responding and personalizing aid to a client is the core of the course. Small groups guided through a learning sequence of listening and helping skills are included.

HS 209   3.0 units
Human Connections in a Changing Society
3.0 hours lecture
Grading: letter grade or credit/no credit
Designed to increase the level of integration between what we think we should be and what we are. Develop self-awareness and the ability to relate to others. A practical course through which the student may become a more authentic person and more effective as a helping person. Lecture and discussion will be supplemented by many opportunities for practical experiences in applying the concepts learned.

HS 226   3.0 units
Stress on Caregivers to Elderly
3.0 hours lecture
Grading: letter grade
For persons in helping roles for the elderly. Develop an awareness of the problems of both the elderly and their caregivers. Includes discussion regarding stressors, intervention techniques and the needs of caregivers. Lecture and discussion will be supplemented with development of a student resources list.

HS 228   3.0 units
Life Enhancement for Seniors
3.0 hours lecture
Grading: letter grade
Open to students of all ages, this course will help to explore one's own personal beliefs and ideas about aging. Learn the components of healthy aging, as well as ways to attain well being in the later years. Techniques such as life planning, education and use of resources will be utilized. Experiential learning is key to this course. Designed for those in the helping services.

HS 251   3.0 units
HIV: Cultural Competence in Treatment
3.0 hours lecture
Prerequisite: HS 41
Grading: letter grade
This course provides updated information, theory, and skills for counseling people with HIV, sexual minorities, people with disabilities and other culturally diverse populations. It is designed for social service and addiction counseling students to assist in recognizing and addressing drug use in these groups.

HS   252   3.0 units
Dual Diagnosis: Assessment & Treatment
3.0 hours lecture
Prerequisite: HS 41
Grading: letter grade
This course explores understanding mental illness and persons with more than one mental/psychiatric disorder. It introduces students to the various disorders in infancy, childhood, adolescence and adulthood. It will introduce students to co-existing disorders and various diagnosis and treatment techniques used to treat this unique population. Students will tour two different types of mental health facilities, to provide an additional understanding of mental health issues.

HS   253   3.0 units
Activity/Recreation Leadership Training
3.0 hours lecture
Grading: letter grade
This course is designed for individuals who are aspiring to work as a professional in activity/recreational programs with the elderly and for adults with physical and mental disabilities. The curriculum follows guidelines established by the State of California for those individuals training in Activity Leadership positions in healthcare and community settings. coursework includes group projects and requires two field trips to two different community settings. Lecturers from the community will present relevant material in specific areas.

HS   606   0.0 unit
Life Planning
1.0 hour lecture
Grading: LBCC Non-Graded Course
An overview of how to improve the later years of life with attention to health, consumer skills, self-management issues and entitlements. Designed for senior adults.

HUMANITIES (HUMAN)

HUMAN   1   3.0 units
Comparative World Cultures
3.0 hours lecture
Grading: letter grade or credit/no credit
Compares through analysis selected major civilizations and seeks to respond to the current need for intercultural understanding in an interdependent world. Interdisciplinary teams of faculty drawn from the humanities and the social sciences select major cultures from the ancient, medieval and modern periods of world history which are examined thematically. Such themes include how distinctive historical, regional and local cultures design, share, reproduce and meet basic biological, material and symbolic needs, and experienced both continuity and change through internal realignments of their social, economic, political and intellectual institutions or by external contact with other people.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HUMAN   1H   3.0 units
Honors Comparative World Cultures
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit

Describes how selected major cultures meet similar basic needs, such as establishing value systems, socialization of children, meeting material needs and perceiving persons in other cultures. An interdisciplinary approach, drawing from both the humanities and social sciences. Seeks to respond to the current need for intercultural understanding in an interdependent world. Not open to students registered in or with credit in SOCSC1 or 1H.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HUMAN   3   3.0 units
Intro to Issues/Phil, Psych & Religion
3.0 hours lecture
Grading: letter grade
Using a point/counterpoint debate format, a teaching team, composed of a philosopher and a psychologist, compare and integrate insights from three disciplines—philosophy, psychology and religion in a critical investigation of theoretical positions, such as Platonic idealism, Christian theology, Freudian analysis, Skinnerian behaviorism, existentialism and other major intellectual viewpoints. Not open for credit to students registered in or with credit in PHIL 3 or PSYCH3.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

HUMAN   7   3.0 units
American Pluralism and Identity
3.0 hours lecture
Grading: letter grade or credit/no credit
Explores the multicultural nature of American society, using more than one discipline. Using the Humanities to analyze the creativity of each ethnic group as they constructed artistic, literary, musical, philosophical and religious identities based on their traditions and experiences, will seek to understand the United States as a common culture. Using the Social Sciences to compare and contrast the origins, living conditions and experiences of America's constituent populations, will analyze the complexity of the processes effecting the interaction of the American people.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

INDUSTRIAL RELATIONS

INDRL   42   3.0 units
Basic Human Relations
3.0 hours lecture
Grading: letter grade or credit/no credit
Objectives of human relations, insights from behavioral studies, management and management functions, improving human relations and personal advancement.
Transfer Status: Transferable to CSU, see counselor for limitations.

INTERDISCIPLINARY STUDIES AND HONORS (INDIS)

INDIS   1AH   1.0 unit
Honors Interdisciplinary Seminar
1.0 hour lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit

Analyzes Charles Darwin's theory and the impact his writing had on science from the perspective of philosophy and biology. Emphasizes the cognitive skills of these disciplines relating the topic of this seminar to the course content listed below. Honors option credit will be granted for students completing the seminar. Intended for students who have completed or are now taking BIO 1A-B, 2, 5, 11, 20, 25 or 41 and PHIL 6, 7, 11 or 12.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

INDIS 1BH   1.0 unit
Honors Interdisciplinary Seminar
1.0 hour lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Analyzes contemporary American society from the standpoint of power and aggression using the perspective of history and psychology. Emphasizes the cognitive skills of these disciplines relating the topic of this seminar to the course content listed below. Honors option credit will be granted for students completing this seminar. Intended for students who have completed or are now taking HIST 8A-B, 10, 11 or 25 or PSYCH 1, 2 or 33.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

INDIS 1CH   2.0 units
Honors Interdisciplinary Seminar
2.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Analyzes the Columbian Revolution from its origins to its impact on the Americas, using the perspective of history and library science. Emphasizes the cognitive skills of these disciplines relating the topic of this seminar to the course content listed below. Honors option credit will be granted for students completing the seminar. Intended for students who have completed or are now taking HIST 1A-B, 2B-C, 8A-B, 10, 11 or LIB 1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

INDIS 1DH   1.0 unit
Honors Interdisciplinary Seminar
1.0 hour lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Analyzes the fundamental issues facing humanity as a result of the collapse of traditional beliefs after the scientific revolution (1543-1687), using the perspective of philosophy and history. Emphasizes the cognitive skills of these disciplines relating the topic of this seminar to the course content listed below. Honors option credit will be granted for students completing the seminar. Intended for students who have completed or are now taking HIST 1A-B, 2B-C, 8A-B, 10, 11 or PHIL 6, 7, 11 or 12.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

INTERIOR DESIGN (ID)

ID 1   3.0 units
Fundamentals of Interior Design
3.0 hours lecture
Grading: letter grade or credit/no credit

Application of design principles and elements in planning of total interior environments that meet individual, functional, legal and environmental needs. Emphasizes the background treatments (flooring, walls, windows) and the choices available.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 5   2.0 units
Interior Design Studio I
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: ID 1 (may be taken concurrently)
Grading: letter grade or credit/no credit
Designed to apply concepts and theories presented in the lecture course, Intro to Interior Design. Emphasizes the design process in developing solutions for design projects.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 10   3.0 units
Beginning Drafting: Interior Design
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Applications of methods and theory used for architectural drawings, including basic graphics and projections for design and working drawings.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 20   2.0 units
Interior Design Careers
2.0 hours lecture
Grading: letter grade or credit/no credit
A survey of the interior design profession, industry, related occupations and work sites. Emphasizes personal, educational and professional qualifications required for entry into the interior design profession.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 30   4.0 units
Applied Color Theory and Design
3.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Basic design theory and application. Utilization of tools, materials and equipment to develop technical skills applicable to interior, architectural and other related fields of design. Exploration of cultural heritage and psychological implications of design.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 50   4.0 units
Interior Materials and Products
4.0 hours lecture
Grading: letter grade or credit/no credit
Analysis, application and evaluation of products and materials used in interior design. Includes interior textiles, furnishings and finish materials and products.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 70   3.0 units
Space Planning
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: ID 10
Grading: letter grade or credit/no credit

The application of programming, theory and techniques in residential and commercial space planning. Skills in drafting and presentation techniques are emphasized in the studio.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 70AD   1.0 unit

Work Experience Issues-Interior Design
1.0 hour lecture
Corequisite: Enrollment in at least seven units including ID 71AD, 72AD or 73AD, and ID 70AD
Grading: letter grade or credit/no credit
Seminar related to work experience. Discussion of work experience objectives, career goals, employment search, communication skills and problem solving.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 71AD   1.0 unit

Work Experience: Interior Design
4.1 hours laboratory
Corequisite: Enrollment in at least seven units including ID 71AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 72AD   2.0 units

Work Experience: Interior Design
8.3 hours laboratory
Corequisite: Enrollment in at least seven units including ID 72AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 73AD   3.0 units

Work Experience: Interior Design
12.5 hours laboratory
Corequisite: Enrollment in at least seven units including ID 73AD and 70AD.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 76   2.0 units

History of American Material Culture
2.0 hours lecture
Grading: letter grade or credit/no credit
A stylistic overview and survey of the American material culture from the 17th to the mid 19th century, emphasizing the decorative arts and furnishings and the social context in which they were made and/or used. Types of artifacts to be studied include furniture, architecture, metal, ceramics, textiles, glass and prints.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 80   3.0 units

History of Interiors and Furnishings I
3.0 hours lecture
Grading: letter grade or credit/no credit

The historical relationship between the decorative arts, period furniture and interior architecture is illustrated in this overview of our design heritage from antiquity through the nineteenth century in France. Emphasizes style development as it relates to social, economic and political context.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 90   3.0 units

History of Interiors and Furnishings II
3.0 hours lecture
Grading: letter grade or credit/no credit
The historical relationship between the decorative arts, period furniture and interior architecture is illustrated in this overview of design heritage. Beginning with the sixteenth century England and America, analyze the influences and changes in design to the present. Emphasizes style development as it relates to social, economic and political forces.
Transfer Status: Transferable to CSU, see counselor for limitations.

ID 200   2.0 units

Interior Illustration
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: ID 10
Grading: letter grade or credit/no credit
Covers application methods, techniques and tools used for illustrating interior spaces and products. Includes one and two point perspective, highlighting, shading andshadowing of interior elements.

ID 210   3.0 units

Fundamentals of Lighting
3.0 hours lecture
Grading: letter grade or credit/no credit
The fundamentals of lighting, design, theory and application, including the history and vocabulary of lighting; how light affects color and vision, incandescent and fluorescent lamps, lighting techniques for interior designers, codes and energy efficient lighting practices.

ID 215   2.0 units

Interior Design Studio II
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: ID 5
Recommended Preparation: ID 30 and 70
Grading: letter grade or credit/no credit
Covers developing, analyzing and applying design concepts to interior environments. Universal design, "green" design, space planning, lighting systems, interior components, architectural elements and specification writing will be integrated into research rojects emphasizing a problem solving approach.

ID 230   3.0 units

Business and Professional Practice
3.0 hours lecture
Grading: letter grade or credit/no credit
The business and professional management of an interior design practice, including legal issues, project management and business practices.

ID 270A   2.0 units

Exploring Interior Design
2.0 hours lecture
Grading: letter grade or credit/no credit

An intro course designed for the person who is redecorating, remodeling or seeking new ideas or information about future purchases in home furnishings. Includes: choosing furniture, color, window and wall treatments, floor coverings, lighting and accessories.

ID 270B   2.0 units

Exploring Interior Design
2.0 hours lecture
Grading: letter grade or credit/no credit
An intro course designed for the person who is redecorating, remodeling or seeking new ideas and information about future purchases in home furnishings. Includes: choosing furniture, color, window and wall treatments, floor coverings, lighting and accessories.

ID 272   1.0 unit

Residential Furnishings
1.0 hour lecture
Grading: letter grade or credit/no credit
For the individual requiring information about home furnishings in a short term course. Includes tips on how to "master plan" a decorating idea and information on the latest trends and styles in interior design. A practical course for someone ready to buy a new home or remodel an existing one.

ID 286A   2.0 units

Introduction to Floral Design
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
A study of the elements and principles of design, color coordination, basic floral arranging and basic corsage construction. Nomenclature of flowers and foliage and their uses is included. 286A covers fall flowers; 286B covers spring flowers.

ID 286B   2.0 units

Introduction to Floral Design
1.5 hours lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
A study of the elements and principles of design, color coordination, basic floral arranging and basic corsage construction. Nomenclature of flowers and foliage and their uses is included. 286A covers fall flowers; 286B covers spring flowers.

ID 287A   2.0 units

Intermediate Floral Design-Wedding
1.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: One semester of ID 286A or ID 286B
Grading: letter grade or credit/no credit
This is one of three courses which constitute a comprehensive overview of techniques used at an intermediate level within the floral industry. Wedding is a hands on step by step course covering each phase of wedding flowers: design, mechanics and construction of floral products, marketing and selling flowers for church, hotel and home/garden weddign and reception setup.

ID 287B   2.0 units

Intermediate Floral Design-Sympathy
1.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: One semester of ID 286A or ID 286B
Grading: letter grade

This is one of three courses which constitute a comprehensive overview of techniques used at an intermediate level within the floral industry. Complete instructions on the art and science of designing sympathy flowers are included from the elaborate casket to simple home tributes. Course focuses on mechanics/construction for efficiency in design.

ID 287C   2.0 units

Intermediate Floral Design-Banquet Holiday
1.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: One semester of ID 286A or ID 286B.
Grading: letter grade or credit/no credit
This is one of three courses which constitute a comprehensive overview of techniques used at an intermediate level within the floral industry. This course covers skills needed to successfully produce indoor, outdoor and poolside events, banquets, parties, or related party work.

ID 288   2.0 units

Advanced Floral Design
1.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: ID 286A-B and ID 287AC
Grading: letter grade or credit/no credit
Techniques for the planning, design and execution of intricate floral arrangements. Includes applications and methods for creating designs in less time for profit. Required for students in the Floral Design Certificate Program.

ID 289   3.0 units

Applied Floral Shop Operation
3.0 hours lecture
Grading: letter grade or credit/no credit
Techniques in floral shop operation, including the handling of perishable floral materials. Required for students in the floral design certificate program.

ITALIAN (ITAL)

ITAL 1   5.0 units

Elementary Italian
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intro to the Italian language with emphasis on listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Italian. Topics for conversation are everyday life situations and issues in the Italian world. Not recommended for native speakers of Italian or students who have completed one year of high school Italian with a grade of B or better or equivalent.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 1A   3.0 units

Elementary Italian 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to the Italian language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Italian. Topics for conversation are everyday life situations and issues in the Italian world. Not recommended for native speakers of Italian or students who have completed one year of high school Italian with a grade of B or better.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 1B   2.0 units

Elementary Italian 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: ITAl 1A
Grading: letter grade or credit/no credit
Continuation of ITAL 1A, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Italian. Topics for conversation are everyday life situations and issues in the Italian world. Not recommended for native speakers of Italian or students who have completed one year of high school Italian with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 2   5.0 units

Elementary Italian
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: ITAL 1 or ITAL 1A and 1B or recent completion of one year of High School Italian.
Grading: letter grade or credit/no credit
Continuation of the Italian language with emphasis on listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Italian. Topics for conversation are everyday life situations and issues in the Italian world. Not recommended for native speakers of Italian, or students who have completed one year of high school Italian with a grade of B or better or equivalent.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 2A   3.0 units

Elementary Italian
3.0 hours lecture
Prerequisite: ITAL 1 or ITAL 1A and 1B or recent completion of one year of High School Italian.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing on listening and speaking, reading and writing based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 2B   2.0 units

Elementary Italian
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: ITAL 2A
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms emphasizing on listening and speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

ITAL 3   5.0 units

Intermediate Italian
5.0 hours lecture
Prerequisite: ITAL 2 or 2A and 2B
Grading: letter grade or credit/no credit
A review of grammar with emphasis on listening, comprehension, reading and writing skills to express and comprehend sentences using the subjunctive, relative clauses, passive voice and impersonal statements. Not recommended for native speakers of Italian.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JAPANESE (JAPAN)

JAPAN 1 (CAN JAPN 2)   5.0 units

Elementary Japanese
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Essentials of modern spoken and written Japanese for the beginner. Fundamentals of grammar, basic vocabulary, structural patterns, useful phrases and both Kana writing practices (Hiragana, Katakana). Not recommended for native speakers of Japanese or students who have completed two years of high school Japanese with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JAPAN 1A   3.0 units

Elementary Japanese 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
The first half of JAPAN1. Essentials of the modern spoken and written Japanese for the beginner. Fundamentals of grammar, basic vocabulary, structural patterns, useful phrases and Kana writing practices (Hiragana). Not recommended for native speakers of Japanese or students who have completed two years of high school Japanese with a grade of B or better. This course in combination with JAPAN1B is equivalent to JAPAN1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JAPAN 1B   2.0 units

Elementary Japanese 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: JAPAN 1A
Grading: letter grade or credit/no credit
The second half of JAPAN1. Essentials of the modern spoken and written Japanese for the beginner. Fundamentals of grammar, basic vocabulary, structural patterns, useful phrases and both Kana writing practices (Hiragana, Katakana). Not recommended for native speakers of Japanese or students who have completed two years of high school Japanese with a grade of B or better. This course in combination with JAPAN1A is equivalent to JAPAN1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JAPAN 2 (CAN JAPN 4)   5.0 units

Elementary Japanese
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: JAPAN 1 or JAPAN 1A and 1B or recent completion of two years of High School Japanese.
Grading: letter grade or credit/no credit
Continuation of JAPAN1. Emphasizes listening, speaking, reading and writing with the correct use of Japanese. Includes Kanji, as well as Hiragana and Katakana. Not recommended for native speakers of Japanese.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JOURNALISM (JOURN)

JOURN   1A   **3.0 units**

Introduction to Desktop Publication
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Study and practice in writing, editing, designing and producing desktop publications, such as fliers, brochures, newsletters, small magazines and newspapers, using electronic publishing techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   1B   **3.0 units**

Introduction to Desktop Publication
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Study and practice in writing, editing, designing and producing desktop publications, such as fliers, brochures, newsletters, small magazines and newspapers, using electronic publishing techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   5   **3.0 units**

Introduction to Public Relations
3.0 hours lecture
Grading: letter grade
Fundamentals of publicity and public relations for community groups and business organizations. Learn sources, techniques and outlets to gain publicity. Practice planning and preparing various types of publicity programs and press releases.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   6AD   **3.0 units**

Working on the Magazine
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn principles of periodical publication and methods of editing, manufacturing and distributing magazines of every type. Includes practical training and instruction in editorial works, such as editing, writing, proofreading and headline writing. Attention is also given to production problems of the modern magazine.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   10   (CAN JOUR 4)   **3.0 units**

Introduction to Mass Communication
3.0 hours lecture
Grading: letter grade
A study of the mass media and their influence on the individual and society. Designed for all majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JOURN   20   (CAN JOUR 2)   **3.0 units**

Beginning Newswriting and Reporting
3.0 hours lecture
Prerequisite: Eligibility for ENGL 1.
Grading: letter grade
Gain experience gathering, writing and editing of news stories using computers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

JOURN   25   **3.0 units**

Free-Lance Writing
3.0 hours lecture
Grading: letter grade or credit/no credit
Training in the writing and marketing of newspaper and magazine feature stories.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   35AD   **3.0 units**

Photojournalism
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Instruction in basic and advanced photojournalism techniques. Practical experience in newspaper photography. Not open to students registered in or with credit in PHOT 35AD.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   71AD   **2.0 units**

Work Experience, Journalism
1.0 hour lecture , 4.2 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Academic and vocational learning experiences through employment related to the journalism field.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   72AD   **3.0 units**

Work Experience, Journalism
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Academic and vocational learning experiences through employment related to the journalism field.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   73AD   **4.0 units**

Work Experience, Journalism
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Academic and vocational learning experiences through employment related to the journalism field.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   80AD   **3.0 units**

Working on the Newspaper
1.0 hour lecture , 6.0 hours laboratory
Grading: letter grade
Participate in the publication of the college newspaper.
Transfer Status: Transferable to CSU, see counselor for limitations.

JOURN   85AD   **3.0 units**

Editor Training
1.0 hour lecture , 6.0 hours laboratory
Grading: letter grade
Gain basic skills in editing a newspaper, including news judgment, directing reporters, copy editing, headline writing, page layout, selection and placement of photos and computerized type-setting for page make-up and paste-up. Designed for Viking student editors.

Transfer Status: Transferable to CSU, see counselor for limitations.

LEARNING AND ACADEMIC RESOURCES (LEARN)

LEARN 11   2.0 units
Learning and Academic Strategies
2.0 hours lecture
Grading: credit/no credit
A comprehensive study and learning skills course. Topics include goal setting, commitment and motivation, time-management, learning styles, memory and concentration, study-reading techniques, critical thinking, listening skills, note-taking and test-taking. Provides small group interaction and individualized instruction to develop a support system and a mentor experience with the instructor. Emphasizes individual approaches to learning through diagnosis of difficulties and the development of an effective system of study.
Transfer Status: Transferable to CSU, see counselor for limitations.

LEARN 11A   2.0 units
College Learn Skills Workshop
3.0 hours lecture
Grading: credit/no credit
A comprehensive study and learning skills course. Topics include goal setting, commitment and motivation, time-management, learning styles, memory and concentration, study-reading techniques, critical thinking, listening skills, note taking, and test taking. Provides small group interaction and individualized instruction to develop a support system and a mentor experience with the instructor. Emphasizes individual approaches to learning through diagnosis of difficulties and the development of an effective system of study.
Transfer Status: Transferable to CSU, see counselor for limitations.

LEARN 11M1   0.5 unit
College Test Taking
0.5 hour lecture
Grading: credit/no credit
This course is designed to assist the student in acquiring confidence and competency in understanding the principles of test development and application of test-taking strategies.
Transfer Status: Transferable to CSU, see counselor for limitations.

LEARN 20   3.0 units
Student-Athlete Success Training
3.0 hours lecture
Grading: letter grade
Designed to assist the student-athlete in synthesizing his or her strengths in athletics with academic strengths for increased academic success. Emphasizes introducing the student-athlete to the expectations of higher education and developing techniques and skills necessary for achieving academic success. Develop awareness of and management strategies for the special personal and social demands of collegiate athletics. An intro to the regulations and expectations of athletic governing bodies (e.g., NCAA, COA).
Transfer Status: Transferable to CSU, see counselor for limitations.

LEARN 610   0.0 unit
Basic Study Skills Laboratory
3.0 hours laboratory
Grading: LBCC Non-Graded Course
An individualized, open-entry lab course in the Learning Center. A variety of basic learning and study skills, such as test-taking, time management and note-taking, are covered.

LEARN 617   0.0 unit
Educational Technology Skills for College
1.0 hour laboratory
Grading: LBCC Non-Graded Course
Through computer-assisted and individualized instruction in a laboratory environment, this course is designed to increase student knowledge of educational technology resources on campus, improve student use of educational technology for the successful completion of technology based course assignments, and improve student confidence in utilizing educational technology.

LEARN 650   0.0 unit
Supervised Tutoring
1.0 hour laboratory
Corequisite: Concurrent enrollment in an LBCC course.
Grading: LBCC Non-Graded Course
A course designed to provide students with individual and group tutoring in specific subject areas to improve academic performance. Tutoring appointments will be scheduled on a weekly basis for the entire semester or for as long as the student desires assistance.

LEARN 810AD   0.5 unit
Learning Skills
0.3 hour lecture , 0.7 hour laboratory
Grading: credit/no credit
An open-entry Learning Center course providing individualized and small group instruction in basic learning and study skills, including time management, note-taking, memory techniques, textbook study and test-taking.

LEARN 815   0.5 unit
Introduction to Tutoring
0.5 hour lecture
Grading: credit/no credit
This course prepares students in learning theories and tutoring methods so that they may be successful student tutors. This course is designed for students who have been hired as LBCC peer tutors.

LIBRARY (LIB)

LIB 1   1.0 unit
Intro to Libraries/Information Resources
1.0 hour lecture
Grading: letter grade or credit/no credit
Teaches basic college-level research skills necessary for effective use of traditional and new information resources. Emphasizes research strategies and evaluation of information resources. Covers the different levels, types and formats of information, including the Internet.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

LIB 2   0.5 unit
Web Databases
0.5 hour lecture

Grading: credit/no credit
A hands-on introduction to Web databases and their structures, this course emphasizes evaluation of information, search strategies, and search techniques used to effectively access and retrieve information in the Web environment. Beneficial for students who wish to develop vital information technology skills for both academic and professional purposes.
Transfer Status: Transferable to CSU, see counselor for limitations.

LIB 3   3.0 units
Information Competency
3.0 hours lecture
Grading: letter grade or credit/no credit
The course is designed to help students become an information-literate world citizen in the new seamless and global Information World. The course encompasses library literacy, information technology literacy, and Internet literacy. It encourages thought transformation, intelligent reasoning, and a new understanding of the world, including an appreciation of cultural diversity. The course has a well-balanced structure in practices and theories, with lectures, forum discussion in-class and online, computer lab activities and written research assignments. In addition, there will be field trips to some of the most famous and richest libraries and museums in Southern California.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

LIB 210   1.0 unit
Web Health Resources
1.0 hour lecture
Grading: letter grade or credit/no credit
A hands-on introduction to web health resources, this course acquaints students with health resources on the internet and via subscription. Beneficial for the general community and for students in the healthcare field who wish to expand their specialty knowledge base in order to gain a competitive edge and upgrade their job skills.

LIB 211   1.0 unit
Web Business Resources
1.0 hour lecture
Grading: letter grade or credit/no credit
A hands-on introduction to web business resources, this course acquaints students with business resources on the Internet and via subscription. Beneficial for the general community and for students in the business and economics field who wish to expand their specialty knowledge base in order to gain a competitive edge and upgrade their job skills.

LIB 212   1.0 unit
Web Law Resources
1.0 hour lecture
Grading: letter grade or credit/no credit
A hands-on introduction to web law resources, this course acquaints students with law resources on the Internet and via subscription. Beneficial for the general community and for students in the law field who wish to expand their specialty knowledge base in order to gain a competitive edge and upgrade their job skills.

LIB 801   1.0 unit
Basic Information Research Skills
1.0 hour lecture
Grading: credit/no credit

A preliminary course in finding, retrieving and evaluating information. Emphasizes locating information quickly and easily in the modern information environment. Intended for beginning college students, students in vocational programs who are not planning to transfer to a degree program soon and for any other student needing to develop basic information seeking skills.

MACHINE TOOL (MACHT)

MACHT 50A   3.0 units
Machine Tool Operation and Practices
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Machine tool layout and job procedures, measuring instruments, cutting tools, materials, engine lathe, milling machine and drilling are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

MACHT 50B   3.0 units
Machine Tool Operation and Practices
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: MACHT 50A
Grading: letter grade or credit/no credit
Machine tool layout and job procedures, precision measuring, thread cutting, special cutting tools, engine lathe, horizontal and vertical mills, drills, grinders, basic metallurgy, an intro to numerical control are discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

MACHT 201   10.0 units
Machine Shop 1
5.0 hours lecture , 15.0 hours laboratory
Grading: letter grade or credit/no credit
Covers safety practices, measurement, tools and equipment, basic projects on the drill press, lathe and milling machine, related math and blueprint reading.

MACHT 202   10.0 units
Machine Shop 2
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: MACHT201
Grading: letter grade or credit/no credit
Covers safety practices, measuring tools, layout, intermediate projects on the lathe, milling machine, shaper, basic heat treating, related math and blueprint reading.

MACHT 203   10.0 units
Machine Shop 3
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: MACHT 202
Grading: letter grade or credit/no credit
Covers safety practices, advanced projects on the tracer lathe, milling machine and horizontal jig borer, surface and cylindrical grinding, related math and blueprint reading.

MACHT 204   10.0 units
Machine Shop 4
5.0 hours lecture , 15.0 hours laboratory
Prerequisite: MACHT 203
Grading: letter grade or credit/no credit
Covers safety practices, advanced machine work, including tool making, gear cutting, numerical control and heat treating, advanced math and theory.

MACHT   250   **5.0 units**
CNC Manual Programming
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Emphasizes the operation, setup and shop floor programming of Computer Numerical Control, machining and turning centers. Provides a thorough understanding of all steps involved in writing programs for CNC machine tool. Covers all the basics of a CNC system, including its components, functions and suitable applications.

MACHT   260   **5.0 units**
CNC Graphics Programming
4.0 hours lecture , 3.0 hours laboratory
Prerequisite: MACHT 250
Grading: letter grade or credit/no credit
Covers CNC controls and MDI programming on industrial simulators and micro computers. Control-based programming includes geometry description, tool path driving, looping and patterns.

MACHT   271AD   **2.0 units**
Work Experience-Machine Tool
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment in work experience directly related to the industry.

MACHT   272AD   **3.0 units**
Work Experience-Machine Tool
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment in work experience directly related to the industry.

MACHT   273AD   **4.0 units**
Work Experience-Machine Tool
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment in work experience directly related to the industry.

MACHT   421AD   **2.0 units**
Machine Shop
6.0 hours laboratory
Grading: letter grade or credit/no credit
Tools and equipment, practical projects on the lathe, milling machines, shapers, drill press, grinders, etc. Safety practices are included.

MACHT   450   **5.0 units**
Advanced Graphics Programming
4.0 hours lecture , 3.0 hours laboratory
Prerequisite: MACHT 250
Grading: letter grade
An advanced study of modern industrial practices in CNC two and three dimensional graphics-based machine tool programming utilizing several different graphics-based controls and computer programming software. Study, develop and write detailed CNC/CAM part programs.

MACHT   460   **5.0 units**
Advanced CNC Language Programming
4.0 hours lecture , 3.0 hours laboratory
Prerequisite: MACHT 250
Grading: letter grade or credit/no credit
An advanced study of CNC language programming for manufacturing operations. Primary emphasis is on the development of full three axis language-based programming skills utilizing APT, FAPT and DIE II languages. Utilizing the APT language, learn to describe complex part geometries and verify the accuracy of tool paths on computers and machine control systems. Further, program complex CNC part programs with contours and sculptured surfaces and develop different cutter paths.

MANAGEMENT (MGMT)

MGMT   49A   **3.0 units**
Introduction to Management
3.0 hours lecture
Grading: letter grade
An intro to management with an emphasis on first-line supervision and employer-employee relationships.
Transfer Status: Transferable to CSU, see counselor for limitations.

MGMT   49B   **3.0 units**
Human Resources Management
3.0 hours lecture
Grading: letter grade
This course will focus on the HRM theories and practices of planning, recruiting, selecting, training and evaluating. Discussions will include the important areas of ethics, diversity, compensation & benefits, motivation, communication, quality of work life, labor/management relations and corporate/legal considerations.
Transfer Status: Transferable to CSU, see counselor for limitations.

MGMT   58   **3.0 units**
Leadership and Supervision
3.0 hours lecture
Grading: letter grade
Presents practical case applications, concepts, techniques, skills and practice sessions. Focuses on problems that may arise for women supervising men, as well as other women, and problems faced by an employee moving from the labor force to a supervisory position carrying the new responsibilities of a member of the management team. Not open for credit to students registered in or with credit in INDRL58.
Transfer Status: Transferable to CSU, see counselor for limitations.

MGMT   60   **3.0 units**
Management & Organization Behavior
3.0 hours lecture
Grading: letter grade or credit/no credit
A comprehensive approach to establishing and maintaining a management by objectives program covering a body of tested management principles and techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

MGMT   80   **3.0 units**

Small Business Entrepreneurship
3.0 hours lecture
Grading: letter grade
Learn to organize and profitably operate a small business enterprise in today's economic climate, emphasizing the development of a coherent business plan.
Transfer Status: Transferable to CSU, see counselor for limitations.

MGMT   271AD   **2.0 units**

Work Experience — Business & Management
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

MGMT   272AD   **3.0 units**

Work Experience — Business & Management
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

MGMT   273AD   **4.0 units**

Work Experience — Business & Management
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

MARKETING (MKTG)

MKTG   40   **3.0 units**

Salesmanship
3.0 hours lecture
Grading: letter grade or credit/no credit
This course is designed for those looking at a career in professional sales or as a refresher for current sales professionals. The course will help you develop an understanding of the roles and functions of professional selling in the marketing of goods and services, with an emphasis on the development of strong business relationships.
Transfer Status: Transferable to CSU, see counselor for limitations.

MKTG   41   **3.0 units**

Advertising
3.0 hours lecture
Grading: letter grade or credit/no credit
This course is designed for those looking at a career in marketing/advertising or as a refresher for current frontline marketing professionals. The course will help you develop an understanding of the role of promotion in the marketing mix and will focus on the specific functions of Integrated Marketing Communication in the marketing of goods and services.
Transfer Status: Transferable to CSU, see counselor for limitations.

MKTG   42   **3.0 units**

Retailing Principles and Practices
3.0 hours lecture
Grading: letter grade
Study the principles, practices, policies and organization of businesses engaged in retail merchandising.
Transfer Status: Transferable to CSU, see counselor for limitations.

MKTG   47   **3.0 units**

Essentials of Marketing
3.0 hours lecture
Grading: letter grade
Deals with the importance, analysis, processes and institutions concerned with the distribution of products and services from origin to consumption, as well as trends in current marketing methods and policies.
Transfer Status: Transferable to CSU, see counselor for limitations.

MKTG   271AD   **2.0 units**

Work Experience — Marketing
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

MKTG   272AD   **3.0 units**

Work Experience — Marketing
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

MKTG   273AD   **4.0 units**

Work Experience — Marketing
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to the occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of 12 units.

MATHEMATICS (MATH)

MATH   28   **3.0 units**

Mathematics for Elementary Teaching I
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: MATH 130 or one year of high school intermediate algebra with a grade of B or better as reflected by the second semester grade and MATH 120 or one year high school geometry.
Recommended Preparation: Eligibility for ENGL 1
Grading: letter grade

One of several courses designed for prospective elementary teachers. Includes pattern recognition, problem solving, sets, functions, numeration systems, number theory, models and algorithms for operations with whole numbers, integers, rational numbers and decimals. Emphasizes the problem solving process. Incorporates group activities and exploration of topics with manipulatives. Writing is emphasized throughout the course.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   29   3.0 units
Math for Elementary Teaching II
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: MATH 28 and 120 or one year of high school geometry.
Grading: letter grade
Designed for prospective elementary teachers. Includes basic geometric vocabulary and notation, constructions, congruence, similarity, measurement, the Pythagorean Theorem, motion geometry and tessellations. Emphasizes the problem solving process. Incorporates group activities and exploration of topics through the use of manipulatives and a geometry drawing utility. Writing is emphasized throughout the course.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   36   (CAN MATH 2)   3.0 units
The Nature of Mathematics
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: MATH 130 or one year of high school intermediate algebra with a grade of B or better as reflected by the second semester grade and MATH 120 or one year high school geometry.
Grading: letter grade
A general education course for students not majoring in science and math and strongly recommended for prospective elementary teachers. This activity-based course covers such topics as set theory, combinations, permutations, logic, probability and statistics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   37   (CAN MATH 12)   3.0 units
Finite Mathematics
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or one year High School Intermediate Algebra with a grade of B or better as reflected by the second semester grade or MATH 130.
Grading: letter grade
Includes probability, expectation, linear programming, matrix methods for linear systems and other topics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   37H   3.0 units
Honors Finite Mathematics
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or one year High School Intermediate Algebra with a grade of B or better as reflected by the second semester grade or MATH 130 and qualification for the Honors Program.
Grading: letter grade
Selected topics from finite math, including probability, expectation, linear programming, matrix methods for linear systems and other topics.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   40   3.0 units
Trigonometry
3.0 hours lecture
Prerequisite: MATH 130 or one year of high school intermediate algebra with a grade of B or better as reflected by the second semester grade and MATH 120 or one year high school geometry.
Grading: letter grade
Plane trigonometry, including definitions of the curricular functions, properties of functions, inverse functions, identities and other inter-relationships, graphing, complex numbers and applications to right and oblique triangles.
Transfer Status: Transferable to CSU, see counselor for limitations.

MATH   45   3.0 units
College Algebra
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or one year High School Intermediate Algebra with a grade of B or better as reflected by the second semester grade or MATH 130.
Grading: letter grade
Advanced algebra topics, including functions, graphing, inverse functions and systems of equations. Students preparing for MATH 60 should take MATH 50 instead. Not open for credit to students registered in or with credit in MATH 50.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   47   (CAN MATH 34)   3.0 units
Calculus for Business
3.0 hours lecture
Prerequisite: MATH 45 or 50
Grading: letter grade or credit/no credit
Includes differentiation of functions of one and several variables; optimization methods; integration of functions of one variable; exponential and logarithmic functions; emphasizes applications to business and economics. Not open for credit to students registered in or with credit in MATH 60.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   50   (CAN MATH 16)   4.0 units
Precalculus Math
4.0 hours lecture
Prerequisite: MATH 40
Grading: letter grade
Preparation for calculus. Includes polynomial, rational, exponential, logarithmic and trigonometric functions and their graphs; applications of trigonometry; systems of equations and inequalities; sequences and series; and topics from analytic geometry.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   55A   4.0 units
Discrete Mathematics I
4.0 hours lecture
Prerequisite: MATH 50
Grading: letter grade

First of two semesters of discrete math for computer related disciplines: Topics include logic, truth tables, elementary set theory, proof techniques and combinations.
Transfer Status: Transferable to CSU, see counselor for limitations.

MATH   55B   3.0 units
Discrete Mathematics II
3.0 hours lecture
Prerequisite: MATH 55A
Grading: letter grade
Second of two semesters of discrete mathematics needed in computer related disciplines: Topics include graph theory, Boolean algebra, algebraic structures and linear algebra.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   60   (CAN MATH 18)   5.0 units
First Calculus Course
5.0 hours lecture
Prerequisite: MATH 50 or high school precalculus with a grade of B or better as reflected by the second semester grade.
Grading: letter grade
Topics include limits, derivative and integral, theory and applications, and differentiation and integration of sines and cosines.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   70   (CAN MATH 20)   5.0 units
Second Calculus Course
5.0 hours lecture
Prerequisite: MATH 60
Grading: letter grade
Topics include transcendental functions, methods of integration, plane analytic geometry, polar coordinates and infinite series.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   80   (CAN MATH 22)   5.0 units
Third Calculus Course
5.0 hours lecture
Prerequisite: MATH 70
Grading: letter grade
Topics include vector calculus, analytic geometry in three dimensions, partial differentiation and multiple integration.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   84   4.0 units
Intro Differential Eqns and Linear Alg
4.0 hours lecture , 1.0 hour laboratory
Prerequisite: MATH 80 (may be taken concurrently).
Grading: letter grade
An intro to the solutions of ordinary differential equations and their relationship to linear algebra. Includes systems of linear equations, matrix algebra, determinants, vector spaces, linear transformations, linear second order ordinary differential equations, power series, solutions, numerical methods, Laplace transforms, eigenvalues, eigenvectors, systems of linear differential equations and applications.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MATH   110   4.0 units
First Course in Algebra
5.0 hours lecture
Prerequisite: Qualification through the Math assessment process or MATH 815.
Recommended Preparation: Students who have not met the reading proficiency requirement for graduation are advised to take a reading course before taking this algebra course.
Grading: letter grade or credit/no credit
Includes operations with polynomials and rational expressions; solving linear equations and inequalities; solving quadratic equations by factoring, completing the square and the quadratic formula; graphing; properties of exponents and radical expressions; solving rational and radical equations; solving systems of linear equations; and applications. May receive credit for either MATH 110 or 110A and 110B.

MATH   110A   3.0 units
First Course in Algebra
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or MATH 815.
Recommended Preparation: Students who have not met the reading proficiency requirement for graduation are advised to take a reading course before taking this algebra course.
Grading: letter grade or credit/no credit
The first of a two semester sequence of the first course in algebra. Topics include review of integers, exponents, operations with polynomial expressions, solving linear equations, factoring and solving quadratic equations by factoring. The math requirement for an Associate degree is not satisfied by MATH 110A alone. May receive credit for either MATH 110 or 110A and 110B.

MATH   110B   3.0 units
First Course in Algebra
3.0 hours lecture
Prerequisite: MATH 110A
Recommended Preparation: Students who have not met the reading proficiency requirement for graduation are advised to take a reading course before taking this algebra course.
Grading: letter grade or credit/no credit
The second of a two semester sequence of the first course in algebra. Topics include rational expressions and equations, equations and inequalities in two variables, graphing, systems of linear equations and inequalities, roots and radicals, solving quadratic equations by methods other than factoring and applications. May receive credit for either MATH 110 or 110A and 110B.

MATH   120   3.0 units
Geometry
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or MATH 110 or MATH 110B or one year High School Elementary Algebra with a grade of B or better as reflected by the second semester grade.
Grading: letter grade or credit/no credit
A traditional Euclidean geometry course covering such topics as deductive reasoning, basic postulates and theorems, congruency, similarity, constructions, area, and volume.

MATH   130   4.0 units
Intermediate Algebra
5.0 hours lecture

Prerequisite: Qualification through the Math assessment process or MATH 110 or MATH 110B or MATH 880 or one year High School Elementary Algebra with a grade of B or better as reflected by the second semester grade. Recommended Preparation: Students who have not met the reading proficiency requirement for graduation are advised to take a reading course before taking this algebra course.
Grading: letter grade or credit/no credit
Continues the study of algebra in preparation for transfer level courses. Includes polynomial, algebraic, quadratic, exponential and logarithmic functions; graphing; systems of equations and inequalities; factoring; rational expressions and equations; and roots, radicals and complex numbers.

MATH 650   0.0 unit
Math Learning Center
1.0 hour laboratory
Grading: LBCC Non-Graded Course
Permits a student to proceed at an individual pace through basic math, algebra, systems of measurement, basic geometry, and math functions.

MATH 805   3.0 units
Modern Arithmetic
4.0 hours lecture
Grading: credit/no credit
Basic arithmetic covering operations with whole numbers, fractions and decimals; ratios, proportions and percents; and applications of arithmetic to common problems. Not applicable for degree credit.

MATH 815   3.0 units
Preparation for Algebra
4.0 hours lecture
Grading: credit/no credit
Topics include order of operations, operations with integers, solving linear equations, intro to graphing, operations with polynomials and an intro to the properties of exponential expressions. Not applicable for degree credit.

MATH 880   4.0 units
Review of Basic Algebra
5.0 hours lecture
Recommended Preparation: A previous course in algebra.
Grading: credit/no credit
A review of elementary algebra designed as preparation for intermediate algebra.

MEDICAL ASSISTING (MA)

MA 270   3.0 units
Introduction to Medical Assisting
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Presents clinical procedures utilized by medical assistants. Includes the beginning level skills of asepsis, vital signs, health history, office emergencies, patient education and basic pharmacology. Typically offered for nine weeks.

MA 280   3.0 units
Health Care Clinical Procedures
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: MA 270 and health evaluation.
Grading: letter grade

Develop the knowledge and skills required to assist the physician with performing diagnostic tests and to assist with physical therapy. Typically offered for nine weeks.

MA 282   3.0 units
Advanced Health Care Clinical Procedures
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: MA 280
Grading: letter grade
An advanced level of skills including: psychosocial skills, medication administration, math for medication administration, electrocardiograph techniques, venipuncture and other health care office clinical skills.

MA 284AB   2.0 units
Medical Assisting Specialized Practicum
6.0 hours laboratory
Grading: credit/no credit
Work experience in selected health care offices and/or clinics. Typically offered for nine weeks.

MA 286   4.0 units
Medical Assisting Combined Practicum
12.0 hours laboratory
Grading: credit/no credit
Work experience in selected health care offices and/or clinics. Will have both administrative and clinical duties. Typically offered for nine weeks.

MA 288   1.0 unit
Medical Assisting Practicum Seminar
1.0 hour lecture
Corequisite: MA 284 or 286
Grading: letter grade
Learn an advanced level of skills and theory, including office emergencies, professional office conduct, health care office management, resume writing and techniques utilized in job seeking. Typically offered for nine weeks.

MA 290   3.0 units
Basic Medical Insurance Billing
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Develop knowledge of medical insurance billing requirements and skills necessary to successfully file claims and effect collection of payment for medical services given.

MULTIMEDIA TECHNICIAN

MMT 202   1.0 unit
Principles of Interactive Design
1.0 hour lecture
Grading: letter grade or credit/no credit
An overview of essential components required for successful multimedia applications in education, information and training.

MUSIC (MUSIC)

MUSIC 1   3.0 units
Music Theory 1
3.0 hours lecture , 1.0 hour laboratory
Corequisite: MUSIC 5AD
Recommended Preparation: MUSIC 31 or MUSIC 6
Grading: letter grade or credit/no credit
Music Theory 1 is designed for music majors, but is open to non-majors with musical performance experience. This course covers the following topics through analysis

and application of compositional practices of pieces from the common-practice period: diatonic harmony, primary and secondary triads, non-harmonic tones, dominant seventh chords, four-part writing and figured bass. MUSIC 5AD is a corequisite for MUSIC 1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   2   3.0 units
Music Theory 2
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: MUSIC 1
Corequisite: MUSIC 9AD
Grading: letter grade or credit/no credit
Music Theory 2 is designed for music majors, but is open to non-majors with musical performance experience. This course covers the following topics through analysis and application of compositional practices of pieces from the common-practice period: dominant sevenths, other sevenths, secondary functions, modulation, small forms, mixture, Neapolitans and augmented 6th chords.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   3   3.5 units
Music Theory
2.0 hours lecture , 5.0 hours laboratory
Prerequisite: MUSIC 2
Grading: letter grade or credit/no credit
Tonal counterpoint, analysis, techniques, dictation, sight singing and keyboard application are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   4   3.0 units
Music Theory 3
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: MUSIC 2
Grading: letter grade or credit/no credit
Music Theory 4 is designed for music majors, but is open to non-majors with musical performance experience. This course covers the following topics through analysis and application of compositional practices of pieces from the common-practice period: enharmonic spellings and modulations, extended chords, more altered chords, common-tone diminished sevenths, late-Romantic techniques, serial techniques, set-class theory and other 20th century techniques. MUSIC 10AD is a corequisite for MUSIC 4.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   5AD   2.0 units
Musicianship
2.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: Experience performing music and/or MUSIC 31 or 6
Grading: letter grade or credit/no credit
Covers the techniques of musical dictation and sight-singing with basic, tonal materials. Topics covered are scales, intervals, basic chord structures, and harmonic-melodic-rhythmic dictation. This course coordinates with the topics of Music 1, and is a corequiste to Music 1; however, Music 5AB itself does not have a corequisite.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   6   3.0 units
Introduction to Music Theory
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A study of musical notation and principles of melody, harmony and form, as well as an intro to sight singing and ear training.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   7AB   2.0 units
Elementary Voice
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Problems of tone production, breathing, diction, repertoire and song interpretation are studied. Designed to meet the voice requirements of music majors. Development of self-confidence through class performance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   8AD   2.0 units
Advanced Voice
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: MUSIC7AB
Grading: letter grade or credit/no credit
Advanced study of vocal production, song interpretation and performance techniques. Repertoire includes English and Italian songs.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   9AD   2.0 units
Musicianship 2
2.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
This course covers the techniques of musical dictation and sight-singing with intermediate, tonal materials. Topics covered are intermediate scales, intervals, chord structures, and harmonic-melodic-rhythmic dictation.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   10AD   2.0 units
Musicianship 3
2.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
This course covers the techniques of musical dictation and sight-singing with advanced, tonal materials. Topics covered are advanced scales, intervals, chord structures, and harmonic-melodic-rhythmic dictation.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   11AD   1.0 unit
Long Beach City College Viking Chorale
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior vocal experience
Grading: letter grade or credit/no credit
Study and performance of standard choral literature. A considerable number of public performances are given each semester and attendance is required for a grade.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   12AD   1.0 unit
Long Beach City College Viking Singers
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit

Select ensemble with performances throughout the year. All periods and styles of choral music, especially classical chamber literature, are performed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 13AD   1.0 unit
College Symphony Orchestra
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience
Grading: letter grade or credit/no credit
Study of orchestral techniques through reading, rehearsal and performance of standard literature. Participation in performances is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 14AD   1.0 unit
Orchestra
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience
Grading: letter grade or credit/no credit
Study of orchestral techniques through reading, rehearsal and performance of orchestral repertoire.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 15AD   1.0 unit
Chamber Orchestra
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
Consists of reading, study and performance of standard repertoire for the small orchestra.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 17AD   1.0 unit
Applied Music
6.0 hours laboratory
Recommended Preparation: Prior vocal or instrumental experience.
Grading: letter grade or credit/no credit
For the music major privately studying a keyboard instrument, voice, guitar or any standard band or orchestra instrument. Includes listening to and performing representative literature from various periods and composers. The level of proficiency is determined by faculty adjudication.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 19AD   1.0 unit
Beginning Instruments
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Instruction in elementary and intermediate principles of playing string, woodwind, brass and percussion instruments. Not designed for the study of the student's major instrument.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 20AD   1.0 unit
LBCC Southland Chorale
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior vocal experience.

Grading: letter grade or credit/no credit
The study and performance styles of choral, orchestra choral works, light opera and musical theatre. Involves participation in all concerts and performances.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 21AD   1.0 unit
LBCC Viking Women's Choir
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: Prior vocal experience.
Grading: letter grade or credit/no credit
The study and performance of choral works from all musical periods and styles for treble voices. Participation involves concerts, festivals and tour.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 22AD   1.0 unit
LBCC Viking Men's Choir
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: Prior vocal experience.
Grading: letter grade or credit/no credit
The study and performance of choral literature from all musical periods and styles for male voices. Participation involves concerts, festivals and tour.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 25AD   1.0 unit
Chamber Music Ensemble
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior vocal or instrumental experience.
Grading: letter grade or credit/no credit
The study and performance of music for chamber ensembles.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 26AD   1.0 unit
String Ensemble
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
Reading, study and the performance of literature associated with the string orchestra. Music from the Baroque, Classical and Romantic periods will be highlighted.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 27AD   1.0 unit
Brass Ensemble
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
The brass ensemble rehearses and performs music of various periods for this particular medium. The group can range from a quintet to large double brass choirs.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 30A   3.0 units
Music History/Antiquity to 1800
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit

A survey of music history and literature from antiquity to 1800, including cultural, intellectual and social influences.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   30B   3.0 units
Music History and Literature
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A survey of music history and literature from 1750 to the present, including cultural, intellectual and social influences. Offered Fall semester only.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   31   3.0 units
Music Fundamentals
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro experience in the elements of music, stressing an understanding of pitch and rhythm and their application to the creative process of personal expression. Recommended for elementary credential candidates.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   33A   3.0 units
Intercultural Music
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of vernacular and popular music of the American Indian culture as it impacts upon American jazz and European music. Primarily emphasizes those forms passed on by means of oral tradition, hearing, ritual and anthropological recordings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   33B   3.0 units
Intercultural Music
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of vernacular and popular music of the Mexican and South American cultures as they impact American jazz and European music. Primarily emphasizes those forms passed on by means of oral tradition, hearing, ritual and anthropological recordings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   33C   3.0 units
Intercultural Music
3.0 hours lecture
Grading: letter grade or credit/no credit
A survey of vernacular and popular music of the African culture as it impacts American jazz and European music. Emphasizes those forms passed on by means of oral tradition, hearing, ritual and anthropological recordings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   33D   3.0 units
Intercultural Music
3.0 hours lecture
Grading: letter grade or credit/no credit

A survey of vernacular and popular music of the Asian culture as it impacts American jazz and European music. Emphasizes those forms passed on by means of oral tradition, hearing, ritual and anthropological recordings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   34AD   2.0 units
Music Video Production
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
An in-depth exam of the components necessary to produce a music video, including completion of a camera-ready production proposal, script, storyboard and budget consideration. Production of selected projects.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   35   3.0 units
Music of Multicultural America
3.0 hours lecture
Grading: letter grade or credit/no credit
A comparative and integrative study of the multicultural musical styles of the United States, based on the fundamental principles of music appreciation. Includes the music of native Americans, European Americans, African Americans, Chicano/Latino Americans, Asian Americans and Mid-Eastern Americans from their historical roots to the present. Analysis of musical traditions from a technical and cultural perspective; and sequential development of listening and descriptive skills through a variety of media including films, recordings and computer-assisted instruction.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   38AD   1.0 unit
Wind Ensemble
2.0 hours lecture , 5.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
Involves the study and performance of music composed for small wind groups, as well as unusual combinations of wind and percussion instruments, usually with one player per part. The musical literature represented includes the baroque, classical, romantic and twentieth century.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   40   3.0 units
Appreciation of Music
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A broad approach to musical literature and its place in the cultural development of Western civilization. Designed for the non-major.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   40H   3.0 units
Honors Appreciation of Music
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
A broad approach to musical literature and its place in the cultural development of Western civilization. Designed for non-majors.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 41AD   1.0 unit
College Chorus
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior vocal experience
Grading: letter grade or credit/no credit
Study of vocal techniques and music reading through performance of choral music. Participation in a very limited number of performances each semester is required.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 42AD   1.0 unit
Professional Advanced Vocal Ensembles
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: MUSIC 78AD and/or 44AD
Grading: letter grade or credit/no credit
For advanced ensemble and solo singers combining the technology of computers, synthesizers and modern recording facilities.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 44AD   1.0 unit
The Evening Jazz Choir
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior vocal experience
Grading: letter grade or credit/no credit
Jazz standards and pop classics performed and studied by this choir. Comprised of people within the community who usually work full-time in a non-related occupation and can rehearse and perform during the evening.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 45AD   1.0 unit
Gospel Music
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Music 45AD covers the study and performance of Gospel Music including traditional, historic, contemporary, Praise and Worship. Emphasis will be directed to vocal techniques, genre, and the origin of Gospel Music. Key figures in the field will be studied.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 46AD   1.0 unit
College Symphonic Band
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
A performance organization dedicated to the production of a wide variety of musical literature and an association with professional soloists.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 47AD   1.0 unit
Wind Symphony
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit

A performance organization which seeks out, prepares and performs wind band literature from all periods and musical styles. While all repertoire is considered, the majority of music performed is somewhat more traditional in nature and tends to be focused more on mainstream 20th Century literature composed and transcribed for wind instruments.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 48AD   1.0 unit
Recording Band
4.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
An opportunity to experience a professional recording situation, such as click-tracks, overdubbing and the study of microphone capabilities for live recording sessions. Learn recording techniques. Both the traditional and commercial music student will benefit.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 49AD   1.0 unit
Viking Show Band
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior instrumental experience.
Grading: letter grade or credit/no credit
Perform for all home football and basketball games, as well as pep rallies, performances on campus and at a variety of special activities in and around the community.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 50AD   1.0 unit
Performance Showcase/Ensemble Workshop
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
An ensemble that performs arrangements in various styles and develops sight-reading skills. In addition, the ensemble interacts as small groups to perform in concert at the conclusion of the semester.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 51A   2.0 units
Beginning Piano 1
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Basic keyboard technique, major and minor scales, sight reading and technical skills are encountered in beginning piano music.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 51B   2.0 units
Beginning Piano 2
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: MUSIC 51A
Grading: letter grade or credit/no credit
Basic keyboard technique, major and minor scales, sight reading and technical skills are encountered in beginning piano music.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   52AD   **2.0 units**

Advanced Piano
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: MUSIC 51B
Grading: letter grade or credit/no credit
A continuation of technical skills, technical studies, sight reading and piano literature from intermediate to advanced levels.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   55AD   **1.0 unit**

Guitar
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Beginning study of the guitar, using a classical approach to basic technique, musicianship and repertory.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   58AD   **1.0 unit**

College Philharmonia
2.0 hours lecture , 3.0 hours laboratory
Recommended Preparation: Prior successful orchestral experience.
Grading: letter grade
Study and performance of the orchestral repertory and works by contemporary composers. Emphasizes ensemble techniques including articulation, balance, phrasing, expression and accompanying. Two concerts minimum per semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   59AD   **2.0 units**

Digital Recording and Sampling Technique
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Deals with the study of the digital recording and sampling techniques used in contemporary music and film scoring (i.e., re-mixes, rap music, pop, contemporary jazz, rhythum & blues, sound effects, etc.).
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   60AD   **2.0 units**

Pro Tools (Digital Audio Recording/Edit)
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade
Provides instruction on the functions and operations of Pro Tools software and a general overview of Pro Tools related hardware. Provides hands-on experience through 'real-world' related assignments for students to record, edit and mix digital audio in a Macintosh computer environment. Although the Pro Tools systems vary in specification, features and price, the user interface for all systems is consistent and enables the student to translate learned skills to any high-end professional Digital Audio Workstation.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   61AD   **1.0 unit**

Music Mastering
1.0 hour lecture , 2.0 hours laboratory
Recommended Preparation: MUSIC 95
Grading: letter grade or credit/no credit
A hands-on class focusing on the processing of master mixdowns in preparation for the manufacturing of CD's, cassettes and LP's.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   62AD   **1.0 unit**

Commercial Guitar/Bass Stu (Beginning)
1.0 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A study and practice of the beginning techniques of guitar and bass as they are used and performed in studio and live performance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   63AD   **1.0 unit**

Commercial Guitar/Bass Studies (Interm)
1.0 hour lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A study and practice of the intermediate techniques of the guitar and bass as they are used and performed in the studio and live performances.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   65AD   **2.0 units**

Advanced-Pro Recording Techniques
1.0 hour lecture , 4.0 hours laboratory
Prerequisite: MUSIC 96AD
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
A hands-on approach into the operation and maintenance of a 24-track recording studio.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   66AD   **2.0 units**

Studio Mixdown Techniques
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: MUSIC 94
Recommended Preparation: Prior vocal or instrumental experience.
Grading: letter grade or credit/no credit
A hands-on approach into the complex techniques of the multi-track studio mixdown process, including the use of outboard gear, the placement of recorded components within the stereo spectrum, the aesthetic considerations in the final mix and automated mixing.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   67AD   **2.0 units**

Studio Design
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
The study of recording studio design based on the evaluation of acoustical specifications, equipment needs and industry standards, space availability, budget requirements and manufacturer equipment specifications.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   68   **2.0 units**

Basic Audio Theory
2.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the theoretical and practical aspects of recording studio technology.

Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   69A   2.0 units
Analysis of Music Video
2.0 hours lecture
Grading: letter grade or credit/no credit
An in-depth exam into the development of different styles of music videos and their relationship to current music videos in today's music industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   69B   2.0 units
Analysis of Music Video
2.0 hours lecture
Grading: letter grade or credit/no credit
An in-depth exam into the development of different styles of music videos and their relationship to current music videos in today's music industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   69C   2.0 units
Analysis of Music Video
2.0 hours lecture
Grading: letter grade or credit/no credit
An in-depth exam into the development of different styles of music videos and their relationship to current music videos in today's music industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   69D   2.0 units
Analysis of Music Video
2.0 hours lecture
Grading: letter grade or credit/no credit
An in-depth exam into the development of different styles of music videos and their relationship to current music videos in today's music industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   70AD   2.0 units
Studio Maintenance
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
A hands-on approach to the techniques necessary for successful performance in the maintenance of the recording studio and sound reinforcement equipment, including troubleshooting, cable connections, tape deck calibration and equipment design and construction.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   71AD   2.0 units
Introduction to Music Technology
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Designed to acquaint students to the elements needed to create music within today's industry: traditional music notation, music processing with computers and computer controlled music.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   72AD   2.0 units
Com Improvisation/Arranging/Scoring
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior vocal experience.

Grading: letter grade or credit/no credit
Designed to prepare students for careers as professional arrangers and improvisationalists. Study writing and performance principles as they apply to the recording industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   74AD   2.0 units
Commercial Solo Voice
1.0 hour lecture , 4.0 hours laboratory
Recommended Preparation: MUSIC7AB
Grading: letter grade or credit/no credit
Designed to help pop, rock, gospel and jazz singers learn and improve their craft. Work with a PA system, accompanist, audio and video tapes. Weekly critiques by instructor.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   75A   1.0 unit
The Music Business
3.0 hours lecture
Grading: letter grade or credit/no credit
How the music business works, job opportunities, responsibilities and jobs related to the music business. Students have the opportunity to research areas of interest and discuss the music industry with guest speakers.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   75B   1.0 unit
The Music Business
3.0 hours lecture
Grading: letter grade or credit/no credit
How the music business works, job opportunities, responsibilities and jobs related to the music business. Students have the opportunity to research areas of interest and discuss the music industry with guest speakers.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   76AD   1.0 unit
Recording Techniques Lab
3.0 hours laboratory
Grading: letter grade or credit/no credit
Advanced individualized study and group projects in multi-tracking studio techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   77AD   1.0 unit
Studio Performance Techniques
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
A lab in recording performances to introduce studio situations. An opportunity to prepare for and participate in live recordings.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   78AD   1.0 unit
Studio Singers
2.0 hours lecture , 4.0 hours laboratory
Recommended Preparation: Prior vocal experience
Grading: letter grade or credit/no credit

Study and performance of jazz and pop literature, emphasizing the stylistics characteristic of music from this style. Public performance and studio recording required.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 79AD 1.0 unit
Commercial Guitar/Bass Studies (Adv)
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
A study of the techniques used in the playing of the guitar and electric bass. Designed to acquaint students with the skills necessary in the commercial music environment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 80AD 1.0 unit
"City" Jazz Big Band
1.0 hour lecture , 5.0 hours laboratory
Grading: letter grade or credit/no credit
Simulation of commercial, professional performing situations. Designed to augment a program of private study on one's major instrument or voice.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 81AD 2.0 units
Commercial Keyboard
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
A study of the piano for non-piano majors who plan to use the piano as a song writing and music theory study tool.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 82AD 2.0 units
Sound Reinforcement
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: MUSIC 94
Grading: letter grade or credit/no credit
Hands-on instruction in the use of sound reinforcement equipment, including micing techniques for live sound, selection and assembly of live sound systems and the development of mixing expertise in a live sound venue.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 83AD 1.0 unit
Film/Video Music/Scoring
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
A study of the various aspects of writing for video, motion pictures and television, including appropriate compositional techniques, stylistic considerations and an in-depth study of the use and application of computer technology in writing music for video and film media.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 84AD 2.0 units
Commercial Songwriting
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
To help develop and improve the student's effectiveness at analyzing songs written by professional song writers and an intro to contemporary music technology and its applications for the song writer. Gain insight into the operation and usage of the drum machine, synthesizer, computers and how they relate to contemporary song writing.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 85AD 1.0 unit
Commercial Small Jazz Group
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior instrumental experience
Grading: letter grade or credit/no credit
The study and performance of music for small commercial groups with an emphasis on improvisation.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 86AD 2.0 units
Record Production (Fundamentals)
1.0 hour lecture , 6.0 hours laboratory
Prerequisite: MUSIC 94
Grading: letter grade or credit/no credit
Provides the knowledge needed to function as a producer in today's state-of-the-art recording studios.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 87AD 1.0 unit
Vocal Jazz Trios, Quintets, Octettes
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior vocal experience.
Grading: letter grade or credit/no credit
Study and performance of jazz standards and pop classics of unusually difficult arrangements for varying vocal harmony. Many concerts per semester.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 88AD 1.0 unit
Small Studio Lab
3.0 hours laboratory
Recommended Preparation: One semester of MUSIC 94, 95, 96AD or 98AD
Grading: letter grade or credit/no credit
Independent study in recording studio projects that may involve the use of synthesizers, drum machines, digital effects units and computers in the small studio environment. An opportunity for producers/songwriters/ recording engineers to develop studio techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC 89B 3.0 units
The History of Rock Music
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
A chronological study of the elements of rock music tracing the development and evolution of the styles and structures of this genre from 1968 to the present. Significance will also be given to the sociological and political impact of this music.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC 90AD 2.0 units
Commercial Music Theory
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit

A study of diatonic and nondiatonic harmony, including the circle of fifths, common chords and progressions with direct application to commercial instrumental techniques, song forms and lead sheet usage.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   91AD   2.0 units
Special Studies
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Prior vocal or instrumental experience.
Grading: letter grade or credit/no credit
Directed study of special problems in music theory, composition, musicology, performance practice or organization and administration of instrumental or vocal ensembles.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   92AD   1.0 unit
Applied Vocal & Instrumental Music
10.0 hour laboratory
Grading: letter grade or credit/no credit
Designed for music majors to complete. Strongly recommended instruction on either a keyboard instrument, voice, guitar or any standard instrument of the band or orchestra. Includes performance of representative music literature from various periods and composers. Level of proficiency is determined by faculty adjudication.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

MUSIC   93AD   2.0 units
Record Production (Using MIDI)
1.0 hour lecture , 5.0 hours laboratory
Grading: letter grade or credit/no credit
A hands-on approach into the production of records, utilizing computer technology and MIDI based musical equipment.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   94   2.0 units
Beginning Recording Techniques
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Hands-on instruction for beginners in the use of multi-track recording systems, emphasizing the development of critical listening skills and a recording project.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   95   2.0 units
Intermediate Recording Techniques
2.0 hours lecture , 2.0 hours laboratory
Prerequisite: MUSIC 94
Grading: letter grade or credit/no credit
Intermediate recording theory and hands-on instruction in the use of a multitrack studio, emphasizing microphone techniques.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   96AD   2.0 units
Advanced Recording Techniques
1.0 hour lecture , 4.0 hours laboratory
Prerequisite: MUSIC 95
Grading: letter grade or credit/no credit

Advanced recording techniques, with hands-on instruction in the use of a 16-track studio. Individualized study and research into studio procedures, advanced micing techniques and the development of mixing expertise.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   97AD   2.0 units
Tools of the Music Trade
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
The study of the tools, skills, principles, methods and terminology used in the music trades including MIDI (Musical Instrument Digital Interface) systems and an in-depth survey of available technology.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   98AD   2.0 units
Synthe./Drum Mach/Sequencer Programming
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
A hands-on approach to the programming of synthesizers, drum machines and sequencers in a Macintosh based studio setting.
Transfer Status: Transferable to CSU, see counselor for limitations.

MUSIC   271AD   2.0 units
Work Experience-Music
1.0 hour lecture , 4.2 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

MUSIC   272AD   3.0 units
Work Experience-Music
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

MUSIC   273AD   4.0 units
Work Experience-Music
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.

NURSING ASSISTANT (NA)

NA   210A   6.0 units
Nursing Assistant
3.5 hours lecture , 7.5 hours laboratory
Prerequisite: VN 810A
Recommended Preparation: Current CPR card for health care providers, health evaluation, live scan fingerprints.
Grading: letter grade
A beginning nursing course designed to develop an understanding of basic nursing skills. Upon successful completion the student qualifies for testing to be certified as a nursing assistant by the State of California.

The course also meets federal guidelines for nursing assistant certification. Fingerprinting with a criminal record report is required the first week of the course. Compliance with all clinical agency health and safety policies is required the second week of the course.

NA 210B   2.0 units
Home Health Aide
1.5 hours lecture , 1.5 hours laboratory
Prerequisite: VN 210A or certification as a nursing assistant from an approved nursing assistant course. Current CPR card for health care providers.
Grading: letter grade
For the Certified Nurse Assistant who has completed an approved nurse aide program and wishes to become a Certified Home Health Aide. Provides the theory and practice required by the California State Department of health Services for certification as a Home Health Aide. Compliance with all clinical agency health and safety policies is required the second week of the course.

NA 810A   1.5 units
Orientation for Nursing Assistant Program
1.5 hours lecture
Grading: credit/no credit
For the student who is planning to enter the nurse assistant and/or home health aide course. Designed to orient the student to a nursing career and provide skills and information necessary for successful completion of the nursing assistant program.

NURSING, ASSOCIATE DEGREE NURSING- RN (ADN)

ADN 11A   2.5 units
Introduction to Nursing
2.5 hours lecture
Prerequisite: ENGL 1, 105 or ESL 34 and BIO 60, 60L, and CDECE47.
Corequisite: PSYCH 1 or SOCIO 1 (may be taken as prerequisite). BIO 62.
Grading: letter grade or credit/no credit
An intro to the basic concepts of Orem's Self-Care Requisites Nursing theory. Included are the basic knowledge, skills and attitudes necessary to meet or to assist in meeting the universal self care requisites of the hospitalized adult. Includes the fundamental concepts upon which subsequent courses in the nursing program build.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 11AL   1.5 units
Introduction to Nursing Lab
4.5 hours laboratory
Prerequisite: ENGL 1, 105 or ESL 34 and BIO 60, 60L, and CDECE 47. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: BIO 62 and ADN 11A.
Grading: letter grade or credit/no credit
On-campus lab practice and application of the course content in live nursing situations.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 11B   2.5 units
Health Deviations 1
2.5 hours lecture

Prerequisite: ADN 11A and ADN 11AL.
Corequisite: BIO 62.
Grading: letter grade or credit/no credit
Intro to the demands for increased care which are necessitated by deviations in health in the adult. Emphasizes the self-care requisites of intake of air, intake of water, balance of activity and rest and normalcy, as well as the nursing process and medications, oral and injected.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 11BL   1.5 units
Health Deviations 1 Lab
4.5 hours laboratory
Prerequisite: ADN 11A and 11AL. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: BIO 62 and ADN 11B.
Grading: letter grade or credit/no credit
On-campus lab practice and application of the course content in live nursing situations. Skill activities include oral and injected drug administration, respiratory assessment and related skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 12A   2.5 units
Health Deviations 2
2.5 hours lecture
Prerequisite: ADN 11B and 11BL, BIO 62.
Corequisite: BIO 61 .
Grading: letter grade or credit/no credit
Continues to explore the demand for increased care, necessitated by deviations in the health of the adult. Emphasizes the requisites of sufficient intake of water and food, elimination and excretion. In addition, the effects and results of specific pathological conditions and treatment modalities upon the surgical patient will be studied.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 12AL   1.5 units
Health Deviations 2: Lab
4.5 hours laboratory
Prerequisite: ADN 11B, 11BL and BIO 62. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: BIO 61 and ADN 12A.
Grading: letter grade or credit/no credit
On-campus lab practice and application of course content in the live nursing situation. Skill activities include intravenous therapy, selected physical assessments, medical and surgical aseptic practices and related skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN 12B   2.5 units
Health Deviations 3
2.5 hours lecture
Prerequisite: ADN 12A, 12AL and BIO 62.
Corequisite: BIO 61.
Grading: letter grade or credit/no credit
Continues to explore the demands for increased care necessitated by deviations in the health of the adult. Emphasizes the requisites of sufficient intake of water and food, elimination and excretion. In addition, the effects and results of specific pathological conditions

and treatment modalities upon the medical patient will be studied.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   12BL   1.5 units
Health Deviations 3: Lab
4.5 hours laboratory
Prerequisite: ADN 12A, 12AL, and BIO 62. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: BIO 61 and ADN 12B.
Grading: letter grade or credit/no credit
On-campus lab practice and application of course content in the live nursing situation. Skill activities include intravenous therapy, selected physical assessments, medical and surgical aseptic practices and related skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   12CL   0.5 unit
Intermediate Nursing Skills Laboratory
1.5 hours laboratory
Prerequisite: ADN 11BL
Corequisite: ADN 12AL and 12BL
Grading: letter grade
The course content includes oral presentation of written nursing case studies and both instruction and practice of intermediate level nursing skills in a campus laboratory setting. Skill activities include intravenous therapy, cardiovascular nursing skills and bedside collection and testing of laboratory specimens.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   20A   1.0 unit
Transition to Second Level Nursing
1.0 hour lecture
Prerequisite: BIO 62 and CDECE 47, PSYCH 1, ENGL 105 or 1 or ESL 34 and Licensed Vocational Nurse.
Corequisite: ADN 202AD.
Grading: letter grade or credit/no credit
Designed to prepare advanced placement nursing students for second level nursing. The major foci are Orem's Self Care Theory of Nursing and the application of the nursing process as a second level practitioner.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   21A   2.5 units
Women's Health
2.5 hours lecture
Prerequisite: ADN 12B, 12BL or 20A and BIO 62.
Grading: letter grade or credit/no credit
Emphasizes the developmental self-care requisites, health deviations and universal self-care requisites of women and newborns. Involves study of gynecological problems and deviations from the normal pregnancy, as well as care during the prenatal, intrapartal and postpartal periods of the normal and high risk pregnancy. Care and assessment of the normal newborn are included.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   21AL   3.0 units
Women's Health Lab
9.0 hours laboratory
Prerequisite: ADN 12B, 12BL or 20A and BIO 62. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 21A
Grading: letter grade or credit/no credit
On-campus lab practice and application of course content in the live nursing situation. Includes implementation of skills in perinatal units, newborn nursery, women's medical-surgical settings and community settings.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   21B   2.5 units
Mental Health
2.5 hours lecture
Prerequisite: ADN 12B, 12BL or 20A and BIO 62.
Grading: letter grade or credit/no credit
A study of Orem's Theory of nursing as it relates to mental health and/or mental illness in the client with chronic dehabilitating diseases. Communication skills are a focus of the course.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   21BL   3.0 units
Mental Health Lab
9.0 hours laboratory
Prerequisite: ADN 12B and 12BL or 20A. BIO 62. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 21B
Grading: letter grade or credit/no credit
On-campus lab practice and application of theory content in live nursing situations. Includes application of theory and skills in both the psychiatric and medical-surgical settings.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   22A   2.5 units
Adv Nursing I Critical Care Life Span
2.5 hours lecture
Prerequisite: ADN 21A and 21AL or 321A and 21B, 21BL.
Grading: letter grade or credit/no credit
A study of Orem's Theory of nursing care in acute hospital and clinic settings. The major foci are: (1) caring for the adult patient in critical care areas and (2) caring for the ill child in the hospital setting and in the pediatric clinic. Emphasizes the educative/ supportive role of the nurse.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   22AL   3.0 units
Adv Nurs I-Critical Care Life Span Lab
9.0 hours laboratory
Prerequisite: ADN 21 and 21AL or 321A and 21B, 21BL. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 22A
Grading: letter grade or credit/no credit
Activities include on-campus practice and application of course content in intensive care, pediatrics and related settings. Emphasizes the educative/supportive role of the nurse.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   22B   **2.5 units**

Advanced Nursing II Role Transition
2.5 hours lecture
Prerequisite: ADN 22A and 22AL or 322A.
Grading: letter grade or credit/no credit
Provides the opportunity to integrate all previously learned theories and skills, advanced geriatric content and leadership theory in a primary or team nursing setting on various hospital shifts and in the home health setting. Emphasis is placed on the role transition from student to graduate nurse.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   22BL   **3.0 units**

Adv Nursing II-Role Transition Lab
9.0 hours laboratory
Prerequisite: ADN 22A and 22AL or 322A. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 22B
Grading: letter grade or credit/no credit
Provides the opportunity to integrate all previously learned theories and skills, advanced geriatric content and leadership theory in a primary or team nursing setting on various hospital shifts and in the home health setting. Emphasizes the role transition from student to graduate nurse.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   31A   **1.0 unit**

Trends in Nursing A
1.0 hour lecture
Corequisite: ADN 21A, 21AL, 21B and 21BL
Grading: letter grade or credit/no credit
Designed to study the trends and issues which affect current nursing practice. Major foci include the history of nursing, current social settings for the practice of nursing, the legal and ethical relationships in nursing, the economics of health care, the interpersonal relationships among health care professionals and current issues.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   31B   **1.0 unit**

Trends in Nursing B
1.0 hour lecture
Prerequisite: ADN 31A
Corequisite: ADN 22A, 22AL, 22B and 22BL
Grading: credit/no credit
Designed to continue the study of the trends and issues in nursing. Major foci include preparation for and exploration of employment opportunities, continuing education opportunities, preparation for licensing exam, development of a personal philosophy of nursing, the current role of the nurse and the transition into the RN role. Opportunities for professional involvement and current issues in nursing.
Transfer Status: Transferable to CSU, see counselor for limitations.

ADN   200AD   **0.5 unit**

Nursing Skills Adjunct Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in basic bedside nursing skills and advanced nursing skills, with supervised practice to improve performance. Designed for students in the RN program, students approved for re-entry, individuals who are currently licensed as LVNs and/or foreign graduate nurses.

ADN   201AD   **0.5 unit**

Nursing Skills Adjunct Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in first semester basic bedside nursing skills with supervised practice to improve performance. Builds on skills practiced in ADN 200AD. Designed for students in the RN program, students approved for re-entry, individuals who are currently licensed as LVNs and/or foreign graduate nurses.

ADN   202AD   **0.5 unit**

Nursing Skills Adjunct Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in second semester medical and surgical nursing skills with supervised practice to improve performance. Builds on skills practiced in ADN 201AD. Designed for students in the RN program, students approved for reentry, individuals who are currently licensed as LVNs and/or foreign graduate nurses.

ADN   203AD   **0.5 unit**

Nursing Skills Adjunct Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in maternal-child and mental health nursing skills with supervised practice to improve performance. Builds on skills practiced in ADN 202AD. Designed for students in the RN program, students approved for re-entry, individuals who are currently licensed as LVNs and/or foreign graduate nurses.

ADN   204AD   **0.5 unit**

Nursing Skills Adjunct Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in advanced medical-surgical, critical care and pediatric nursing skills with supervised practice to improve performance. Builds on skills practiced in ADN 203AD. Designed for students in the RN program, students approved for re-entry, individuals who are currently licenses as LVNs and/or foreign graduate nurses.

ADN   212AD   **2.0 units**

Clinical Practicum I
6.0 hours laboratory
Prerequisite: ADN 11A and 11B. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 12A or 12B
Grading: credit/no credit
Student nurse experiences in approved health care agencies through a Board of Registered Nursing approved program to apply theory and principles taught in the classroom to the clinical setting.

ADN   221AD   **2.0 units**

Clinical Practicum II
6.0 hours laboratory
Prerequisite: ADN 12A and 12B. Compliance with all clinical agency health and safety policies is required the first day of the course.

Corequisite: ADN 21A or 21B
Grading: credit/no credit
Student nurse experiences in approved health care agencies through a Board of Registered Nursing approved program to apply theory and principles taught in the classroom to the clinical setting.

ADN 222AD 2.0 units

Clinical Practicum III
6.0 hours laboratory
Prerequisite: ADN 21A and 21B. Compliance with all clinical agency health and safety policies is required the first day of the course.
Corequisite: ADN 22A or 22B
Grading: credit/no credit
Student nurse worker experiences in approved health care agencies through a Board of Registered Nursing approved program to apply theory and principles taught in the classroom to the clinical setting.

ADN 286 3.0 units

Nursing Applications of Pharmacology
3.0 hours lecture
Grading: letter grade
An intro to the study of drugs and drug administration as a part of nursing care. Prototype drugs are classified into large sets so that relationships can be perceived and remembered. General principles of drug actions and interactions, both therapeutic and undesirable, are the basis for the study of individual drugs. Calculation of drug dosages is emphasized. Not open for credit to students registered in or with credit in VN 286.

ADN 410 3.5 units

Nurse Refresher
3.0 hours lecture , 1.5 hours laboratory
Prerequisite: Licensed as a RN
Grading: credit/no credit
This course is designed to update the knowledge and skills of Registered Nurses who have not practiced within the past 5-10 years and would like to return to active nursing. A clinical preceptorship may be arranged with local hospitals at the conclusion of this course.

ADN 411 6.0 units

Critical Care Nursing
6.0 hours lecture
Prerequisite: Licensed as a RN
Grading: credit/no credit
This course is designed to develop knowledge of advanced clinical concepts and skills required to give nursing care to the critically ill patient. Emphasis is placed on the nursing care needs of patients who are hospitalized in the various special intensive care areas. A clinical preceptorship may be arranged with local hospitals at the conclusion of this course.

ADN 412 5.0 units

Operating Room Nursing
5.0 hours lecture
Prerequisite: Licensed as a RN
Grading: credit/no credit
This course is designed to develop knowledge of perioperative nursing concepts and skills to give nursing care to the patient undergoing surgery. A clinical preceptorship may be arranged with local hospitals at the conclusion of this course.

ADN 413AD 4.0 units

Clinical Preceptorship
12.0 hours laboratory
Prerequisite: ADN 410, 411 or 412. Licensed as a RN.
Grading: credit/no credit
This course is designed as a clinical practicum to integrate advanced theoretical concepts into the clinical setting. Students will demonstrate advanced assessment techniques, use of the nursing process, advanced critical thinking and psychomotor skills.

ADN 486 2.0 units

Nursing Applications of Pharmacology
2.0 hours lecture
Grading: credit/no credit
A review of the study of drugs and drug administration as a part of nursing care. Prototype drugs are classified so relationships can be perceived and remembered. General principles of drug actions and interactions, both therapeutic and undesirable, are the basis for the study of individual drugs. Calculation of drug dosages is emphasized. Not open for credit to students registered in or with credit in VN 486.

ADN 610 0.0 unit

Nursing Skills Refresher Laboratory
0.7 hour laboratory
Grading: LBCC Non-Graded Course
This course allows self-paced individualized instruction in basic bedside nursing skills and advanced bedside nursing skills and supervised practice to improve performance levels.

ADN 810 0.5 unit

Preparation for Nursing
0.5 hour lecture
Grading: credit/no credit
Designed to assist the nursing or pre-nursing student with no previous experience in health care. Included are: the development of effective study habits and test-taking skills, the study of common nursing terms, abbreviations and symbols and preparation for calculation of drug dosages.

NURSING, CERTIFIED NURSING ASSISTANT (VN)

VN 205AD 0.5 unit

Nursing Skills Practice Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced individualized instruction in vocational nursing skills with supervised practice to improve performance of skills taught in the Vocational Nursing program. Offered summer session only.

NURSING, VOCATIONAL NURSING (VOCN)

VOCN 205AD 0.5 unit

Nursing Skills Practice Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced individualized instruction in vocational nursing skills with supervised practice to improve performance of skills taught in the Vocational Nursing program.

VOCN 206AD 0.5 unit

Nursing Skills Practice Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in vocational nursing skills with supervised practice to improve performance of skills taught in the first semester of the Vocational Nursing program.

VOCN 207AD 0.5 unit

Nursing Skills Practice Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in vocational nursing skills with supervised practice to improve performance of skills taught in the second semester of the Vocational Nursing program. Builds on the skills practiced in VOCN 206AD.

VOCN 208AD 0.5 unit

Nursing Skills Practice Laboratory
1.5 hours laboratory
Grading: credit/no credit
Allows self-paced, individualized instruction in vocational nursing skills with supervised practice to improve performance of skills taught in the third semester of the Vocational Nursing program. Builds on the skills practiced in VN 206AD and 207AD.

VOCN 285 1.0 unit

Transition to Vocational Nursing
0.5 hour lecture , 1.5 hours laboratory
Prerequisite: VOCN 290A
Grading: letter grade
Designed to prepare the Certified Nurse Assistant to enter the Vocational Nursing Program in the second course (287B Common Health Deviations 1). Orem's Theory of Self-Care and nursing process is introduced. Advanced nursing skills, such as administration of medications, skills requiring sterile techniques and feeding/ nasogastric tubes, are taught. Normally offered once each semester. Offered as a combination of theory and campus lab hours.

VOCN 286 3.0 units

Nursing Applications of Pharmacology
3.0 hours lecture
Grading: letter grade
An intro to the study of medications and administration as a part of nursing care. Prototype drugs are classified into large sets so that relationships can be perceived and remembered. General principles of medication actions and interactions, both therapeutic and undesirable, are the basis for the study of individual medications. Calculation of medication dosages is emphasized. Not open for credit to students who have completed ADN 286. May take AH 60, BIO 60, AH 210A-B and courses to strengthen reading and math.

VOCN 287 3.0 units

Common Health Deviations 1
3.0 hours lecture
Prerequisite: VOCN 290A, 285A, 286, 288C, BIO 60 and BIO 61 or 261.
Grading: letter grade
Medical-surgical course designed to develop nursing care, pharmacology and diet therapy related to deviations in fluid and electrolyte imbalance, respiratory and cardiac conditions, hypertension and diabetes. Study of Orem's Self-Care Theory and the nursing process is continued. Normally offered for nine weeks with six hours of lecture each week.

VOCN 287L 3.0 units

Common Health Deviations 1 Lab
9.0 hours laboratory
Prerequisite: VOCN 290A, 285A, 286, 288C, BIO 60 and BIO 61 or 261. CPR certification for health care providers, health evaluation and current malpractice insurance.
Corequisite: VOCN 287B
Grading: credit/no credit
Medical-surgical course designed to apply nursing care, pharmacology and diet therapy related to deviations in fluid and electrolyte imbalance, respiratory and cardiac conditions, hypertension and diabetes. Study of Orem's Self-Care Theory and the nursing process is continued. The role of peer assistant and leadership is introduced. Normally offered for nine weeks with eighteen hours lab each week.

VOCN 288A 3.0 units

Common Health Deviations 2
3.0 hours lecture
Prerequisite: VOCN 287B and 287BL.
Grading: letter grade
A medical-surgical nursing course designed to develop an understanding of nursing care, diet therapy and pharmacology related to the perioperative period, peripheral vascular, hemotologic, gastrointestinal, urinary, musculoskeletal, eye and ear conditions and diseases and cancer. Utilization of Orem's Self-Care Theory and the nursing process is continued. Principles of young adult development are studied.

VOCN 288AL 3.0 units

Common Health Deviations 2 Lab
9.0 hours laboratory
Prerequisite: VOCN 287B and 287BL, and health evaluation, current malpractice insurance and current CPR card.
Corequisite: VOCN 288A
Grading: letter grade or credit/no credit
A medical-surgical nursing course designed to develop an understanding of nursing care, diet therapy and pharmacology related to the perioperative period, peripheral vascular, hemotologic, gastrointestinal, urinary, musculosketal, eye and ear conditions and diseases and cancer. Implementation of Orem's Self-Care Theory and the nursing process is continued. Principles of young adult development are studied. The role of the peer assistant is expanded.

VOCN 288B 3.0 units

Common Health Deviations 3
3.0 hours lecture
Prerequisite: VOCN 288A and 288AL
Grading: letter grade
A medical-surgical nursing course designed to develop an understanding of nursing care, diet therapy and pharmacology related to substance abuse, sexually transmitted diseases and endocrine, reproductive, neurologic, immunologic and dermatologic conditions and diseases. Utilization of Orem's Self-Care Theory and the nursing process is continued. Principles of middle adult development are studied.

VOCN 288BL 3.0 units

Common Health Deviations 3 Lab
9.0 hours laboratory

Prerequisite: VOCN 288A and 288AL, health evaluation, current malpractice insurance, and current CPR card for health care providers.
Corequisite: VOCN 288B
Grading: credit/no credit
A medical-surgical nursing course designed to develop an understanding of nursing care, diet therapy and pharmacology related to substance abuse, sexually transmitted diseases and endocrine, reproductive, neurologic, immunologic and dermatologic conditions and diseases. Implementation of Orem's Self-Care Theory and the nursing process is continued. Principles of middle adult development are studied. The role of peer assistant is continued. Normally offered for nine weeks with eighteen hours of lab each week.

VOCN 288C   3.0 units
Common Mental Health Deviations
3.0 hours lecture
Grading: letter grade
Intro to the theory and process of structured and therapeutic communications, the helping relationships, and self-development. Students use group process and learn to assess responses to stress, reach nursing diagnosis, plan and evaluate nursing care to help the client compensate for or overcome mental health deviation self-care deficits. Nursing care is related to common mental health problems and the major psychiatric ilnesses and integrates principles of personality development and psychopharmacology. May take AH 60 and BIO 60 with Common Mental Health Deviations. Offered in 18 week increments with 3 hours lecture each week or 6 week increments with 9 hours lecture each week.

VOCN 289A   1.0 unit
Developmental Levels: Maternal/Infant
1.0 hour lecture
Prerequisite: VOCN 288B, 288BL and 290B (may be taken concurrently).
Grading: letter grade
An intro obstetrical course designed to develop an understanding of nursing care, pharmacology and diet therapy related to new mother and infant. Prenatal, perinatal and postpartum nursing care are studied. Implementation of Orem's Self-Care Theory and nursing process is continued. Principles of fetal and newborn development are integrated. Normally offered for five weeks with three and one-half hours lecture each week.

VOCN 289AL   2.0 units
Development Levels-Maternal (Infant) Lab
6.0 hours laboratory
Prerequisite: VOCN 288B, 288BL and 290B (may be taken concurrently). A health evaluation, current CPR card for health care providers and current malpractice insurance.
Corequisite: VOCN 289A
Grading: credit/no credit
Clinical experience is provided in both hospital and prenatal ambulatory care facilities dealing with mothers and infants. Normally offered for five weeks with 108 hours lab.

VOCN 289B   1.0 unit
Developmental Levels: Child
1.0 hour lecture
Prerequisite: VOCN 289A and 289AL
Grading: letter grade

An intro pediatric course designed to develop an understanding of nursing care, pharmacology and diet therapy for the pediatric client. The well baby, child and adolescents with short-term illnesses, developmental problems and chronic illnesses are studied. Implementation of Orem's Self-Care Theory and the nursing process is continued. Normally offered for four weeks with four and one-half hours lecture each week.

VOCN 289BP   1.0 unit
Developmental Levels-Child (Practicum)
3.0 hours laboratory
Prerequisite: VOCN 289A and 289AL, health evaluation, current CPR card for health care providers, current malpractice insurance.
Corequisite: VOCN 289B. You must enroll in the corequisite course before you attempt to enroll in this course.
Grading: credit/no credit
Clinical experience is provided in both hospital and prenatal ambulatory care facilities dealing with mothers and infants.

VOCN 289C   2.0 units
Developmental Levels: Older Adult
2.0 hours lecture
Prerequisite: VOCN 288B and VOCN 288BL
Grading: letter grade
An advanced medical-surgical course designed to provide the vocational nursing student with theoretical knowledge of nursing care for older adults. Study of Orem's self-care theory and nursing process is continued. The developmental challenges and rewards of the older adult are studied. Normally offered for nine weeks.

VOCN 289CL   2.0 units
Developmental Levels: Older Adults Lab
6.0 hours laboratory
Prerequisite: VOCN 288B and VOCN 288BL, health evaluation, a current CPR card for health care providers, current malpractice insurance..
Grading: credit/no credit
An advanced medical-surgical course designed to provide the vocational nursing student with application of the knowledge of nursing care for the older adult in a skilled nursing setting. Utilization of Orem's self-care theory and nursing process is continued. The developmental challenges and rewards of the older adult are studied. Normally offered for four and one-half weeks.

VOCN 289CP   2.0 units
Development Levels: Older Adult (Practi)
6.0 hours laboratory
Prerequisite: VOCN 288B, VOCN 288BL, health evaluation, a current CPR card for health care providers, current malpractice insurance.
Corequisite: VOCN 289C and 289CL
Grading: credit/no credit
An advanced medical-surgical course designed to provide the vocational nursing student with application of the knowledge of nursing care for an older adult in an ambulatory setting. Utilization of Orem's self-care theory and nursing process is continued. The developmental challenges and rewards of the older adult are studied. Normally offered for four and one-half weeks.

VOCN 290 3.0 units

Roles and Responsibilities
3.0 hours lecture
Grading: letter grade
An advanced course designed to assist in changing from the role of vocational nursing student to the role of vocational nursing graduate. Beginning library research skills, nursing in the community and the world, legal and ethical standards of vocational nursing practice and job application/job satisfaction skills in the health care system are covered.

VOCN 290A 1.5 units

Roles and Responsibilities 1
1.5 hours lecture
Prerequisite: Certified Nursing Assistant (CNA) Certificate or VOCN 287A and VOCN 287AL and BIO 60 (may be taken concurrently).
Grading: letter grade
An intro to vocational nursing, legal and ethical standards of vocational nursing practice, communication, cultural aspects of nursing and beginning nursing process. Must be taken at the beginning of the Vocational Nursing Program.

VOCN 290B 1.5 units

Roles and Responsibilities II
1.5 hours lecture
Prerequisite: BIO 61 or 261. VOCN 289C, 289CL and 289CP (may be taken concurrently).
Corequisite: VOCN 289A, 289AL, 289B and 289BP
Grading: letter grade
A preparation course for graduation, job application, interviews, information about higher education programs and preparation for taking the NCLEX (State Boards) for licensure as a vocational nurse. Must be taken as the last course of the Vocational Nursing Program.

VOCN 486 2.0 units

Nursing Applications of Pharmacology
2.0 hours lecture
Grading: credit/no credit
Provides a review of drugs and drug administration as a part of nursing care. Prototype drugs are classified into large sets so that relationships can be perceived and remembered. General principles of drug actions and interactions, both therapeutic and undesirable, are the basis for the study of individual drugs. Not open for credit to students registered in or with credit in ADN 286.

PHILOSOPHY (PHIL)

PHIL 3 3.0 units

Intro to Issues/Phil, Psych & Religion
3.0 hours lecture
Grading: letter grade or credit/no credit
Using a point/counterpoint debate format, a teaching team composed of a philosopher and a psychologist compare and integrate insights from three disciplines— philosophy, psychology and religion. A critical investigation and debate of theoretical positions, such as Platonic idealism, Christian theology, Freudian analysis, Skinnerian behaviorism, existentialism and other major intellectual viewpoints. Not open for credit to students registered in or with credit in PSYCH3 or HUMAN3.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 6 (CAN PHIL 2) 3.0 units

Introduction to Philosophy
3.0 hours lecture
Grading: letter grade or credit/no credit
This broad intro to philosophy surveys knowledge, science, religion, logic, value, history and metaphysics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 6H 3.0 units

Honors Introduction to Philosophy
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
This broad intro to philosophy surveys knowledge, science, religion, value, logic, history and metaphysics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 7 (CAN PHIL 4) 3.0 units

Introduction to Ethics
3.0 hours lecture
Grading: letter grade or credit/no credit
A study of the nature of morality and the application of moral principles. Examines some of the most influential moral theories formulated by philosophers of the past and present, and analyzes their applications with respect to controversial moral issues, such as abortion, euthanasia and capital punishment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 7H 3.0 units

Honors Introduction to Ethics
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
An examination of the nature of morality and the application of moral principles. The course will cover major moral theories and consider their application with respect to controversial moral issues such as abortion, euthanasia, and capital punishment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 8 3.0 units

Introduction to Non-Western Philosophy
3.0 hours lecture
Grading: letter grade or credit/no credit
A broad intro to some of the main philosophical traditions from around the world, such as Eastern Philosophy, African Philosophy and American Indian Philosophy. Themes include the meaning of life, spirituality, the role of the individual and society, the nature of reality and the affects of history and culture on belief systems.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 9 3.0 units

Introduction to Existentialism
3.0 hours lecture
Grading: letter grade or credit/no credit
This course will examine the philosophical thought of existentialist writers such as Kierkegaard, Heidegger, Dostoyevsky, and Sartre. Emphasis will be placed on the analysis of recurring themes such as freedom, individuality, meaning and value, and the existence of God.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 10   3.0 units
Introduction to Feminist Philosophy
3.0 hours lecture
Grading: letter grade or credit/no credit
This course will examine feminist thinking and writing on philosophical issues with an emphasis on metaphysics, epistemology, social philosophy and ethics. Topics will include an exploration of rights, justice and responsibility.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 11   3.0 units
Critical Thinking
3.0 hours lecture
Grading: letter grade or credit/no credit
Understand, practice and improve practical reasoning skills. Focuses on the nature of reasoning and the detection and avoidance of common fallacies. Will develop the knowledge and habits needed to make decisions between conflicting ideas and beliefs. Applications are made to both contemporary and perrennial issues, such as current political events and capital punishment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 12 (CAN PHIL 6)   3.0 units
Introduction to Logic
3.0 hours lecture
Grading: letter grade or credit/no credit
An analysis of the elements of clear and orderly thought, emphasizing deductive reasoning.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 14   3.0 units
Historical-Philosophical Study: Religion
3.0 hours lecture
Grading: letter grade or credit/no credit
An exam of the major religions of the world (such as Hinduism, Buddhism, Confucianism, Taoism, Judaism, Christianity, Islam, Pantheism and Paganism); evaluation of the main ideas and values embodied in those religions; and assistance in the formulation of an intelligent philosophy of religion.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 15   3.0 units
Introduction to Political Philosophy
3.0 hours lecture
Grading: letter grade or credit/no credit
This course will examine some of the primary issues within political philosophy such as justifying political authority, distributive justice, and the rights and liberties of citizens.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHIL 16   3.0 units
Introduction to Business Ethics
3.0 hours lecture
Grading: letter grade or credit/no credit
This course will examine ethical issues in business. Topics will include environmental concerns, the distribution of wealth, informational ethics, privacy and autonomy, and affirmative action. These will be discussed in the context of moral theories such as utilitarianism, deontology and ethical egoism.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOTOGRAPHY (PHOT)

PHOT 1   2.0 units
The Photographic Vision
2.0 hours lecture
Grading: letter grade or credit/no credit
This intro course teaches a means of human communication, as well as a technical skill. Intro to the basic technical principles of the camera and how photography has, through history, influenced human perception and communication. Provides techniques for responding to the content and structure of photographs. Renowned photographers representing various perspectives appear as guests on television programs, discussing and demonstrating their unique approaches to their work. The historical and aesthetic dimensions are provided by guest museum curators, historians and critics. Throughout, students are given specific photographic projects designed to expand their photographic vision.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 31AB   3.0 units
Basic Photography-Black and White
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
A comprehensive course in photographic techniques for the beginning student. Emphasizes the practical applications in the use of the camera, lenses, shutters, natural lighting, roll film processing, enlarging and mounting of finished prints.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 32AD   3.0 units
Basic Photography-Color
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
A comprehensive course in color photography introducing practical problems involved in color printing and processing of transparencies and negatives. Explore color theory, film, paper, analysis of negatives, filtration and exposure and includes a professional critique of the work.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 33AD   4.0 units
Photography Studio Lighting
2.0 hours lecture , 6.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Grading: letter grade or credit/no credit
This is a comprehensive course in commercial photography with major emphasis on view camera and studio lighting techniques. It is part of the vocational program in photography.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 34AD   4.0 units
Advanced Photography-Applications
2.0 hours lecture , 6.0 hours laboratory

Prerequisite: One Semester of PHOT 32AD and PHOT 33AD
Grading: letter grade or credit/no credit
A comprehensive occupational course for the advanced student of photography. The major emphasis is centered around methods of complex problem-solving in professional photography.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 35AD 3.0 units
Photojournalism
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Grading: letter grade or credit/no credit
Instruction in basic and advanced photojournalism techniques. Practical experience in newspaper photography and magazine publication. Not open to students registered in or with credit in JOURN35AD.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 37AD 4.0 units
Portrait Photography
2.0 hours lecture , 6.0 hours laboratory
Prerequisite: One semester of PHOT 31AB or PHOT 32AD
Grading: letter grade or credit/no credit
A comprehensive course for the beginning and advanced student of portraiture with a special emphasis on posing and lighting and the business aspects of portrait photography as an occupation.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 38 3.0 units
Marketing Professional Photo Skills
3.0 hours lecture
Grading: letter grade or credit/no credit
Covers the application of current practices utilized in marketing professional photographic skills. Includes: freelance marketing, design and use of portfolio and professional photographic business practices.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 39AD 3.0 units
Documentary Photography
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Grading: letter grade or credit/no credit
A comprehensive occupational course in documentary photography for annual reports, stock photos and public relations. Includes: releases, copyrights, legends and billing procedures.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 40AD 4.0 units
View Camera/"Zone System Photo"
2.0 hours lecture , 6.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Grading: letter grade or credit/no credit
A comprehensive occupational course for the advanced student of photography. Emphasizes view camera use, including perspective control, distortion control and metering methods.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 41AD 4.0 units
Professional Photographic Portfolio
2.0 hours lecture , 6.0 hours laboratory
Prerequisite: One semester of PHOT 31AB
Grading: letter grade or credit/no credit
A comprehensive occupational course for the advanced student of photography. The emphasis is on developing a professional photographic portfolio.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 42AD 4.0 units
Experimental Photography Laboratory
2.0 hours lecture , 6.0 hours laboratory
Prerequisite: One semester of PHOT 31AB or PHOT 32AD
Grading: letter grade or credit/no credit
A comprehensive advanced lab course for students enrolled in the photography program or persons who have a background in photography and wish to improve their skills. Emphasizes practical experimental solutions to conceptual visual design problems in commercial photography.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 43AD 3.0 units
Digital Photography
2.0 hours lecture , 4.0 hours laboratory
Prerequisite: ART 41 or CPAS 1
Recommended Preparation: PHOT 31AB or PHOT 32AB or ART 41
Grading: letter grade or credit/no credit
A comprehensive course to train students in the application of electronic media and its use in manipulating and creating photographic images. Includes: initial computer file creation using direct digital input, scanners and photo CD, computerized image editing, image export to page layout and illustration programs, file output to viewable media and film recorders and copyright topics. The digital darkroom is a major component of this course.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 71AD 2.0 units
Work Experience — Photography
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to photography. One unit of credit shall be granted for every 75 hours per semester, maximum of twelve units.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 72AD 3.0 units
Work Experience — Photography
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to photography. One unit of credit shall be granted for every 75 hours per semester, maximum of twelve units.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 73AD   **4.0 units**

Work Experience — Photography
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to photography. One unit of credit shall be granted for every 75 hours per semester, maximum of twelve units.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHOT 281AD   **1.0 unit**

Photography Laboratory
3.0 hours laboratory
Grading: letter grade or credit/no credit
For students enrolled in the photography program or persons who have a background in photography and wish to improve their skills. Emphasizes practical applications in roll and sheet film processing, enlarging and mounting of finished prints.

PHOT 291AD   **1.0 unit**

Advanced Photography Laboratory
3.0 hours laboratory
Grading: letter grade or credit/no credit
For students enrolled in the photography program or persons who have a background in photo and wish to improve their skills. Emphasizes practical applications in roll and sheet film processing, enlarging and mounting of finished prints.

PHOT 681   **0.0 unit**

Fundamentals of Photography Laboratory
6.0 hours laboratory
Grading: LBCC Non-Graded Course
A lab for the beginning photo student or persons who have a background in photography and wish to improve their skills. Emphasizes practical applications of roll film processing, enlarging and mounting of finished prints. Intended for senior citizens.

PHYSICAL EDUCATION, ADAPTED (PEA)

PEA 1AD   **1.0 unit**

PE for the Physically Limited
3.0 hours laboratory
Grading: letter grade
A program of individual and group exercises and activities to develop motor patterns and perceptual-motor skills, endurance, strength and self-awareness. All activities will be adapted to the interests, capabilities and limitations of each student.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEA 608   **0.0 unit**

Physical Educ for Physically Limited
4.0 hours laboratory
Grading: LBCC Non-Graded Course
A program of developmental activities, games, sports and rhythms suited to the interests, capabilities and limitations of students with disabilities who may not safely or successfully engage in unrestricted activities of the general physical education program. The program

will be predicated upon medical findings and working with medical supervision, guidance and advice.

PHYSICAL EDUCATION, GENERAL (PEG)

PEG 9AD   **0.5 unit**

Badminton
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of badminton.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 10AD   **1.0 unit**

Badminton
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of badminton.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 11AD   **0.5 unit**

Baseball
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of baseball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 12AD   **1.0 unit**

Baseball
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of baseball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 13AD   **0.5 unit**

Basketball
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of basketball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 14AD   **1.0 unit**

Basketball
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of basketball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG 19AD   **0.5 unit**

Bowling
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of bowling.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   20AD   **1.0 unit**

Bowling
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of bowling.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   31AD   **0.5 unit**

Golf
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of golf.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   32AD   **1.0 unit**

Golf
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of golf.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   55AD   **4.0 units**

Lifeguard/Water Safety Training
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: Advanced swimming ability.
Recommended Preparation: Advanced swimming ability
Grading: letter grade
Certification course for American Red Cross water safety instructors and lifeguards. Enables students to instruct swimming courses and to serve as a lifeguard at aquatic facilities.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   58AD   **1.0 unit**

Intramural Activities
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Designed to allow all students the opportunity to engage in a variety of competitive sports and activities in an intramural environment.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   59AD   **0.5 unit**

Racquetball
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of racquetball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   60AD   **1.0 unit**

Racquetball
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of racquetball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   65AD   **0.5 unit**

Self-Defense
2.0 hours laboratory
Grading: letter grade
Techniques and practical applications of self-defense skills, psychological defenses and assertiveness training.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   66AD   **1.0 unit**

Self-Defense
3.0 hours laboratory
Grading: letter grade
Techniques and practical applications of self-defense skills, psychological defenses and assertiveness training.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   69AD   **0.5 unit**

Soccer
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of soccer.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   70AD   **1.0 unit**

Soccer
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of soccer.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   73AD   **0.5 unit**

Softball
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of softball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   74AD   **1.0 unit**

Softball
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of softball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   75AD   **0.5 unit**

Swimming
2.0 hours laboratory
Grading: letter grade
Instruction in the techniques of the basic aquatic strokes.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   76AD   **1.0 unit**

Swimming
3.0 hours laboratory
Grading: letter grade
Instruction in the techniques of the basic aquatic strokes.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   83AD   **0.5 unit**

Tennis
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of tennis.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   84AD   **1.0 unit**

Tennis
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of tennis.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   85AD   **0.5 unit**

Touch Football
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of touch football.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   86AD   **1.0 unit**

Touch Football
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of touch football.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   87AD   **0.5 unit**

Track & Field
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of track and field.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   88AD   **1.0 unit**

Track & Field
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of track and field.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   89AD   **0.5 unit**

Volleyball
2.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of volleyball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEG   90AD   **1.0 unit**

Volleyball
3.0 hours laboratory
Grading: letter grade
Instruction in the rules, techniques and strategies of volleyball.

Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHYSICAL EDUCATION, OUTDOOR STUDIES (PEOS)

PEOS   5AD   **1.0 unit**

Backpacking
4.0 hours laboratory
Grading: letter grade
A course in backpacking and trip planning with three to five days of field experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEOS   55AD   **0.5 unit**

Cross Country (Nordic) Skiing
2.0 hours laboratory
Grading: letter grade
Instruction and practice in cross-country ski techniques, including an exercise program, dry land drills, proper ski equipment, clothing and accessories for ski tour, ski waxing, conditioning, nutrition, tour planning, wilderness hazards, safety and wilderness conservation.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEOS   56AD   **1.0 unit**

Cross Country (Nordic) Skiing
3.0 hours laboratory
Grading: letter grade
Instruction and practice in cross-country ski techniques, including an exercise program, dry land drills, proper ski equipment, clothing and accessories for ski tour, ski waxing, conditioning, nutrition, tour planning, wilderness hazards, safety and wilderness conservation.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEOS   58AD   **1.0 unit**

Basic Rock Climbing
3.0 hours laboratory
Grading: letter grade
An intro to basic rock climbing techniques with instruction and practice in rope handling, use of knots, protection, anchoring belays and rappels, emphasizing climbing safety. The elements of sound climbing judgment will be analyzed and stressed. Typically a nine-week course offered the first nine-weeks of the fall semester and the second nine weeks of the spring semester. Part of the instruction will be presented on a required weekend field trip which will provide the student with real climbing experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHYSICAL EDUCATION, PHYSICAL FITNESS (PEPF)

PEPF   2AD   **1.0 unit**

Monitoring and Developing Sports Skills
4.0 hours laboratory
Grading: letter grade
Selected field tests of physical fitness, joint flexibility, and muscular dexterity are administered before, during and after an assortment of prescribed physical drills and exercises. Programs to improve cardiovascular endurance, muscular strength and joint mobility are

included. Focuses on individualized and group goals, including but not limited to demonstration of skill levels and measurement of increase in strength. Safe and sane approaches to exercise and diet and the effects of alcohol and drugs will be stressed.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   3AD   **0.5 unit**
Water Aerobics and Training
2.0 hours laboratory
Grading: letter grade
An aerobic physical fitness program employing water resisting exercises without the need of swimming skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   4AD   **1.0 unit**
Water Aerobics and Training
3.0 hours laboratory
Grading: letter grade
An aerobic physical fitness program employing water resisting exercises without the need of swimming skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   5AD   **0.5 unit**
Dance Aerobics
2.0 hours laboratory
Grading: letter grade
Perform exercise and dance routines to music to enhance flexibility while emphasizing development of strength and endurance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   6AD   **1.0 unit**
Dance Aerobics
3.0 hours laboratory
Grading: letter grade
Perform exercise and dance routines to music to enhance flexibility while emphasizing the developing of strength and endurance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   7AD   **2.0 units**
Techniques of Aerobic Instruction
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
For aerobic instructors or other interested persons exploring fundamental methods and techniques for successfully conducting aerobic or anaerobic exercise classes. Includes lectures, as well as lab requirements in practice application sessions.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   8AD   **2.5 units**
Aerobic Circuit Training
1.0 hour lecture , 5.0 hours laboratory
Grading: letter grade
Cardiovascular and strength fitness training in a circuit setting. Ideal for normal, healthy people. Complete body conditioning.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   10   **1.0 unit**
Stretch & Relaxation
3.0 hours laboratory
Grading: letter grade
This course emphasizes the development of flexibility in muscles and joints to prevent injury and to improve body alignment and posture. Relaxation and stretching techniques will be used to improve general fitness.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   21AD   **0.5 unit**
Physical Fitness
2.0 hours laboratory
Grading: letter grade
A physical fitness program of jogging, running, conditioning and circuit training exercises.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   22AD   **1.5 units**
Physical Fitness
5.0 hours laboratory
Grading: letter grade
A physical fitness program of jogging, running, conditioning and circuit training exercises.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   41AD   **0.5 unit**
Swimming Fitness
2.0 hours laboratory
Grading: letter grade
A physical fitness program and swimming related circuit training exercises.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   42AD   **1.0 unit**
Swimming Fitness
3.0 hours laboratory
Grading: letter grade
A physical fitness program and swimming related circuit training exercises.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   47AD   **0.5 unit**
Swim Fitness/Polo
2.0 hours laboratory
Grading: letter grade
An advanced fitness program combining the development of water polo and swimming skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   48AD   **1.0 unit**
Swim Fitness/Polo
3.0 hours laboratory
Grading: letter grade
An advanced fitness program combining the development of water polo and swimming skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   53AD   **0.5 unit**
Weight Training
2.0 hours laboratory
Grading: letter grade

Exercises for body development, competitive lifting techniques and understanding of gross anatomy are covered.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   54AD   1.0 unit
Weight Training
3.0 hours laboratory
Grading: letter grade
Learn exercises for body development, competitive lifting techniques and understanding of gross anatomy.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPF   70A   1.0 unit
Physical Fitness for Aviators
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Covers physical fitness and fit lifestyles for aviators and students preparing for FAA and airline medical exams. Emphasizes lecture and exercise to develop and maintain cardiovascular endurance, muscular strength and joint mobility. May be taken out of sequence.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   70B   1.0 unit
Physical Fitness for Aviators
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade or credit/no credit
Covers physical fitness and fit lifestyles for aviators and students preparing for FAA and airline medical exams. Emphasizes fitness testing and exercise. May be taken out of sequence.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   81AD   1.0 unit
Fitness and Wellness Center
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Selected field and lab tests of physical fitness are administered before, during and after an assortment of exercise programs to improve cardiovascular endurance, local muscular endurance, muscular strength and joint mobility. Lectures focus on individualized goals and continuous self-evaluation, safe and sane approaches to diet and exercise, scientific information versus fallacy and weight control.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   83AD   2.0 units
Fitness & Wellness I
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Physical fitness tests are administered before, during and after exercise programs to improve reserve capacity in endurance, local muscular endurance, muscular strength and joint mobility. Lectures and assignments focus on individual goals and continuous self- evaluation, safe and sane exercise and scientific information versus fallacy.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   84AD   2.0 units
Fitness and Wellness Center II
1.0 hour lecture , 3.0 hours laboratory

Grading: letter grade or credit/no credit
Physical fitness tests are administered before, during and after exercise programs to improve reserve capacity in endurance, muscular strength and joint mobility. Lectures and assignments focus on modifications of lifestyle to enhance the qualify of life and reduce health risks.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPF   629   0.0 unit
Physical Fitness
2.0 hours laboratory
Grading: LBCC Non-Graded Course
Emphasis is on individual programs, with the practical application in physical, emotional and social well-being. Endurance and flexibility exercises are included. Designed for senior citizens.

PEPF   681   0.0 unit
Human Performance Laboratory
0.5 hour lecture , 1.5 hours laboratory
Grading: LBCC Non-Graded Course
Selected field and lab tests of physical fitness taken before, during and after an assortment of exercise programs to check cardiovascular endurance, local muscular endurance, muscular strength and joint mobility. Lectures focus on individualized goals and continuous self-evaluation, safe and sane approaches to diet and exercise and scientific information versus fallacy and weight control.

PHYSICAL EDUCATION, PROFESSIONAL PREPARATION(PEPP)

PEPP   1   2.0 units
Introduction to Physical Education
2.0 hours lecture
Grading: letter grade
A survey of physical education and its significance in the school program, an analysis of established standards of professional ethics, a discussion of personal qualities and interests necessary to successful leadership in this field. Required of physical education majors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   5   3.0 units
Sports Appreciation
3.0 hours lecture
Grading: letter grade
A survey of sports and its role in society with a special emphasis on spectator appreciation of football, basketball, baseball, ice hockey and soccer.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP   6AD   2.0 units
Introduction to Principles of Adapted PE
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
An intro to the basic concepts and attendant skills used to assist disabled students in the performance of physical activities in the adapted physical education setting. Includes the use of exercise equipment for the disabled, assisting people in/out of wheelchairs, assisting with various health related sport activities for the disabled,

use of basic physiological, kinesiological and biomechanical principles applied in the adapted physical education setting. For students who have an interest in pursuing careers in allied health, counseling, education, social work, medicine and nursing.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP 7   **3.0 units**
Intro to Community Recreation
3.0 hours lecture
Grading: letter grade
For recreation majors and non-majors, a general orientation to the field of recreation and parks services, including a history of the development of the recreation profession, a survey of recreation and leisure services, a description and interpretation of recreation as a form of community service and the nature, scope and significance of leisure and recreation as a social force in contemporary society. Emphasizes the role of the professional leader in a variety of settings.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP 10   **3.0 units**
Prevention & Care of Athletic Injuries
2.5 hours lecture , 2.0 hours laboratory
Grading: letter grade
Principles and techniques of the prevention and care of common athletic injuries.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 13   **1.0 unit**
Dance Aerobics-Professional Preparation
0.5 hour lecture , 2.0 hours laboratory
Grading: letter grade
Instruction and practice in basic skills to prepare for advanced work in teaching dance aerobics through practical experience.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP 15   **3.0 units**
Sports Officiating (Fall)
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Theory and practice of officiating basketball, football, soccer and baseball. Actual game officiating in intramural competition. Open to all students.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 17   **3.0 units**
Sports Officiating (Spring)
2.0 hours lecture , 3.0 hours laboratory
Grading: letter grade
Theory and practice of officiating softball, swimming, track and field and volleyball. Actual game officiating in intramural competition. Open to all students. Fulfills physical education requirement and undergraduate elective credit.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 19AD   **2.0 units**
Theory of Football
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade

Elementary and intermediate instruction and practice in scouting, film analysis, use of equipment and safety procedures. Intro to the organization and administration of a youth football program.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 23   **3.0 units**
First Aid and Safety Education
3.0 hours lecture
Grading: letter grade
Study of safety techniques and the principles involved in rendering prompt and intelligent first aid when necessary. Includes practical demonstration and practice in those procedures essential to meet the requirements of the Standard First Aid and Personal Safety and Cardiopulmonary Resuscitation (CPR) Certificates granted by the American Red Cross.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 25   **1.0 unit**
Baseball (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of baseball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 27   **1.0 unit**
Basketball (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of basketball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 29   **1.0 unit**
Cross Country/Track and Field (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Fundamental skills in track and field events, including sprinting, middle distance and distance running, relay racing, hurdles, long jump, high jump, discus, javelin and shot put.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 31   **1.0 unit**
Football (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of football.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP 35   **1.0 unit**
Soccer (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of soccer.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   37   **1.0 unit**

Volleyball (Men)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of volleyball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   41   **2.0 units**

Aquatics (Coed)
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
Instruction and practice in the fundamental skills of all swimming strokes, diving, team and individual aquatic competitive events and pool maintenance and operation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   51   **1.0 unit**

Golf (Coed)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Provides instruction in the fundamental skills, rules and etiquette of golf.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   53   **1.0 unit**

Tennis (Coed)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Fundamental skills and knowledge of tennis for physical education majors and minors. Students need not enroll concurrently in PEPP 1.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   55   **1.0 unit**

Basketball (Women)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of basketball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   61   **1.0 unit**

Soccer (Women)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of soccer.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   63   **1.0 unit**

Softball (Women)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of softball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   65   **1.0 unit**

Track and Field (Women)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Fundamental skills in track and field events, including sprinting, middle distance and distance running, relay racing, hurdles, long jump, high jump, discus, javelin and shot put.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   67   **1.0 unit**

Volleyball (Women)
0.5 hour lecture , 1.5 hours laboratory
Grading: letter grade
Instruction and practice in the basic skills and team play of volleyball.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEPP   71AD   **2.0 units**

Work Experience: PE-Professional Prep.
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of learning experience through employment directly related to the recreation/physical education career of interest to the student.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP   72AD   **3.0 units**

Work Experience: PE-Professional Prep
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of learning experience through employment directly related to the recreation/physical education career of interest to the student.
Transfer Status: Transferable to CSU, see counselor for limitations.

PEPP   73AD   **4.0 units**

Work Experience: PE-Professional Prep
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of learning experience through employment directly related to the recreation/physical education career of interest to the student.
Transfer Status: Transferable to CSU, see counselor for limitations.

PHYSICAL EDUCATION, INTERCOLLEGIATE ATHLETICS (PEIA)

PEIA   1AD   **3.0 units**

Baseball (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 3AD   **3.0 units**

Basketball (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 5AD   **3.0 units**

Cross Country (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 7AD   **3.0 units**

Football (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 9AD   **3.0 units**

Golf (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
Instruction in the rules, techniques and strategies of golf. Designed for men of exceptional ability who wish to participate in intercollegiate athletics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 13AD   **3.0 units**

Soccer (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men of exceptional ability.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 15AD   **3.0 units**

Swimming (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 17AD   **3.0 units**

Tennis (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade

A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 19AD   **3.0 units**

Track & Field (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal obligation for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 21AD   **3.0 units**

Volleyball (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men of exceptional ability.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 23AD   **3.0 units**

Water Polo (Men)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 27AD   **3.0 units**

Basketball (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 29AD   **3.0 units**

Cross Country (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men and women of exceptional ability which fulfills the legal requirement for a physical education activity.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA 31AD   **3.0 units**

Golf (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
Instruction in the rules, techniques and strategies of golf. Designed for women of exceptional ability who wish to participate in intercollegiate athletics.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PEIA   35AD   **3.0 units**

Soccer (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men
and women of exceptional ability which fulfills the legal
requirement of a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   37AD   **3.0 units**

Softball (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men
and women of exceptional ability which fulfills the legal
requirement for a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   39AD   **3.0 units**

Swimming (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men
and women of exceptional ability which fulfills the legal
requirement for a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   41AD   **3.0 units**

Tennis (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for women
of exceptional ability which fulfills the legal
requirement for a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   43AD   **3.0 units**

Track & Field (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men
and women of exceptional ability which fulfills the legal
requirement for a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   45AD   **3.0 units**

Volleyball (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout
Grading: letter grade
A diverse program of intercollegiate athletics for men
and women of exceptional ability which fulfills the legal
requirement for a physical education activity.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PEIA   47AD   **3.0 units**

Water Polo (Women)
10.0 hour laboratory
Recommended Preparation: Admission limited to tryout

Grading: letter grade
Instruction in the rules, techniques and strategies of
water polo. Designed for women of exceptional ability
who wish to participate in intercollegiate athletics.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PHYSICS (PHYS)

PHYS   2A   (Part of CAN PHYS SEQUENCE A)   4.0 units

General Physics
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 130 and MATH 40
Grading: letter grade or credit/no credit
Non-calculus course in classical physics, for students
not majoring in engineering, covering the basic
principles of mass and energy. Emphasizes motion
dynamics, conservation laws, heat and wave motion.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PHYS   2B   (Part of CAN PHYS SEQUENCE A)   4.0 units

General Physics
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: PHYS 2A
Grading: letter grade or credit/no credit
A non-calculus course in classical and modern physics,
for students not majoring in engineering, covering the
basic principles of mass and energy. Emphasizes
electricity, magnetism, optics and modern physics.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PHYS   3A   **5.0 units**

Physics for Sci. & Eng. — Mechanics
5.0 hours lecture , 2.0 hours laboratory
Prerequisite: MATH 60
Recommended Preparation: PHYS 2A
Grading: letter grade
First in a calculus-based sequence for majors in physics,
chemistry, math, engineering, astronomy and certain
other fields. Includes kinematics, vectors, dynamics,
energy, translational and rotational motion, fluids,
oscillations and waves.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PHYS   3B   **4.0 units**

Physics for Sci. & Eng. — E & M
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: PHYS 3A
Grading: letter grade
Part of a calculus-based sequence for majors in physics,
chemistry, math, engineering, astronomy and certain
other fields. Includes electrostatics electric field,
Gauss's law, electric potential. DC circuits, magnetic
fields, electromagnetism and AC circuits.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

PHYS   3C   **4.0 units**

Physics for Sci. & Eng. — Modern Physics
4.0 hours lecture , 2.0 hours laboratory
Prerequisite: PHYS 3A
Grading: letter grade
Part of a calculus-based sequence for majors in physics,
chemistry, math, engineering, astronomy and certain
other fields. Includes: thermodynamics, optics
interference, diffraction, polarization, special relativity,

spectra, basic quantum physics, properties of atoms, nuclear structure and nuclear reactions.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHYS 10   4.0 units
Conceptual Physics
4.0 hours lecture , 2.0 hours laboratory
Grading: letter grade or credit/no credit
Covers classical physics (mechanics, electricity, magnetism and light) and modern physics (relativity and quantum mechanics). Emphasizes understanding basic concepts and their application to explain natural phenomena. Both science and non-science students may take course. Extensive use of demonstrations will be made to teach the physics concept.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PHYSIOLOGY (PHYSI)

PHYSI 1 (CAN BIOL 12)   5.0 units
Human Physiology
4.0 hours lecture , 3.0 hours laboratory
Prerequisite: ANAT 1, 41 or BIO 60
Recommended Preparation: CHEM 2 or one year of high school chemistry.
Grading: letter grade or credit/no credit
Develop a general understanding of the functioning of the human body and gain experience in the use of standard physiology equipment. Designed for pre-nursing, physical education, physical therapy, occupational therapy and life science majors as a background for advanced courses.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLITICAL SCIENCE (POLSC)

POLSC 1 (CAN GOVT 2)   3.0 units
Introduction to Government
3.0 hours lecture
Grading: letter grade
An intro to the principles and problems of government and the political process in a diverse society emphasizing the U.S. government and California state and local government. Satisfies the requirement for a course in the U.S. Constitution and the principles of state and local government, required by Title 5 of the California Administrative Code.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 1H   3.0 units
Honors Introduction to Government
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade
An intro to the principles and problems of government and the political process, emphasizing U. S. government and California state and local government. Satisfies the requirement for a course in the Constitution of the United States and the principles of state and local government, as required by Title 5 of the California Administrative Code.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 2   3.0 units
Comparative Government
3.0 hours lecture
Grading: letter grade or credit/no credit
A comparative study of constitutional principles, governmental institutions and political processes and problems of selected governments of the world. Satisfies one social science requirement for majors in political science, history, sociology, humanities and life sciences at CSULB and UCLA.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 3   3.0 units
Issues of American Government
3.0 hours lecture
Grading: letter grade or credit/no credit
Intensive study of current issues involving the basic concepts of American democracy, state-federal relationships, government finance, politics and pressure groups, legislative, executive and judicial powers, civil rights and liberties and international ideological conflict. Highly recommended for political science majors at California State University, Long Beach.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 4   3.0 units
World Politics
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to recent and contemporary international relations, foreign policy-making institutions and the politics of selected foreign states. Satisfies one lower division social science requirement for majors in political science, history, sociology, humanities, physical sciences and life sciences at UCLA.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 9   3.0 units
The Constitution, Law and Society
3.0 hours lecture
Grading: letter grade or credit/no credit
A general survey of U.S. Constitutional law and its origins, emphasizing the legal system. The role of law in controversial political and social issues, in particular civil rights and liberties, is examined. Law is analyzed as an integral part of the political process, along with questions of morality.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 10   3.0 units
Introduction to Political Science
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the basic concepts and approaches to the discipline of political science. Theories of political institutions, systems and subsystems are examined. Methods and approaches of political analysis are developed in the study of classical and modern political problems.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

POLSC 48   3.0 units
California Government and Politics
3.0 hours lecture
Grading: letter grade or credit/no credit

A comprehensive survey of the forces shaping the governmental institutions and processes of the State of California and its cities, counties and special districts. Satisfies the requirement for a course in the principles of state and local government as required by Title 5 of the California Administrative Code. A one-unit version of the course is available as POLSC48M1

Transfer Status: Transferable to CSU, see counselor for limitations.

PSYCHOLOGY (PSYCH)

PSYCH   1   (CAN PSY 2)   3.0 units
Introduction to Psychology
3.0 hours lecture
Grading: letter grade or credit/no credit
Introduction to human psychology and behavior. A survey of the historical, physiological, and social influences on behavior, emphasizing development, learning, motivation, perception, cognition, mental health, individual and cultural differences, as well as the cause, treatment, and prevention of mental disorders.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   1H   3.0 units
Honors Introduction to Psychology
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Intro to the fields of psychology through consideration of such topics as developmental processes, motivations, emotions, intelligence, learning, thinking, perception, individual differences and the healthy personality. An honors course for superior students which includes extra term paper(s), field trip(s) and additional readings.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   2   4.0 units
Research Methods for Psychology
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: PSYCH 1
Recommended Preparation: STAT 1
Grading: letter grade or credit/no credit
Provides a basic understanding of research designs and statistical techniques used in psychological investigation. During lab sessions, students collect and analyze data and write a research report.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   4   3.0 units
Personal and Social Development
3.0 hours lecture
Grading: letter grade or credit/no credit
An application of psychology to one's everyday life, emphasizing the adjusting to life's challenges and growth toward one's potential. Stresses self-awareness, self-management, interpersonal communication and the quality of interpersonal relationships.
Transfer Status: Transferable to CSU, see counselor for limitations.

PSYCH   10   3.0 units
Human Sexuality
3.0 hours lecture
Grading: letter grade or credit/no credit

Intro to human sexuality from a psychophysiological perspective. Included are its historic development, cultural, religious and sociological influences, trends, variations, deviations and dysfunctions. Not open to students registered in or with credit in HLED 10.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   11   3.0 units
Social Psychology
3.0 hours lecture
Grading: letter grade or credit/no credit
Learn how an individual's behavior, thoughts and feelings are affected or influenced by the presence, characteristics and actions of others. Explains social interaction, provides description and understanding of interpersonal behavior.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   14   3.0 units
Abnormal Psychology
3.0 hours lecture
Recommended Preparation: PSYCH 1
Grading: letter grade or credit/no credit
A survey of maladaptive behaviors, including neurosis, psychosis, substance abuse, sexual deviation, retardation, sociopathology, mood, personality, anxiety and developmental disorders, cross cultural views of maladaptive behaviors, causes, treatment and prevention.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PSYCH   33   3.0 units
Psychology of Personality
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to theories of personality, development, motivation, adjustment, effective and ineffective coping patterns, the healthy personality, inter and intra personal relationships, emphasizing practical everyday situations.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

PUBLIC ADMINISTRATION (PUBAD)

PUBAD   1   3.0 units
Introduction to Public Administration
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the principles and practices of public administration in national, state and local government agencies; basic organizational patterns, internal management, administrative functions and responsibilities, the bureaucracy and public policy, career opportunities in government service.
Transfer Status: Transferable to CSU, see counselor for limitations.

PUBAD   4   3.0 units
Fundamentals of Supervision
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the principles of leadership and supervision in local, state and federal government agencies, the role of the supervisor in relation to management,

subordinates and the public, basic procedures for planning, organizing and coordinating agency operations, techniques for analyzing and managing personnel and performance. Not open for credit to students registered in or with credit in INDRL41.
Transfer Status: Transferable to CSU, see counselor for limitations.

PUBAD 401   6.0 units
Problem Solving in Middle Management
6.0 hours lecture
Grading: credit/no credit
An intro to the principles and practices of problem solving in public service at the middle-management level, the role of middle-management supervisors, basic procedures for perceiving, identifying and defining problems; techniques for formulating, legitimizing and applying solutions to problems and skills for analyzing and evaluating results of problem solving.

PUBAD 404   2.0 units
Fundamentals of Supervision-Sgt Supervis
2.2 hours lecture
Grading: letter grade or credit/no credit
An intro to the principles of leadership and supervision in local law enforcement agencies. The role of the supervisor in relation to management, subordinates and the public, basic procedures for planning, organizing and coordinating agency operations and personnel are discussed. Designed for sergeants.

PUBAD 405   2.0 units
Supervisor Update
2.2 hours lecture
Grading: credit/no credit
Designed to update supervisory personnel on issues relevant to their agency-specific positions. This course is of particular significance and benefit to persons in supervisory positions in criminal justice agencies.

PUBAD 406   0.5 unit
Advanced Supervisory Course
0.6 hour lecture
Grading: credit/no credit
Discusses the principles of leadership and supervision in local agencies: the role of the supervisor in relation to management, subordinates and the public; basic procedures for planning, organizing and coordinating agency operations; techniques for analyzing and managing personnel and performance. Meets POST standards and is designed for police department supervisors and command staff.

PUBLIC AFFAIRS (PUBAF)

PUBAF 601   0.0 unit
Analysis of World Affairs
2.0 hours lecture
Grading: LBCC Non-Graded Course
A study of current affairs, contemporary moral issues and social communications to assist the older student in adjusting to a changing world and international relationships.

RADIO AND TELEVISION (R_TV)

R_TV 1   3.0 units
Introduction to Broadcasting
3.0 hours lecture
Grading: letter grade
Evaluation of broadcasting as a medium of mass communication through exploration of its history, literature, creative techniques, relationship and impact on society.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 2   2.0 units
Intro to Careers in Radio & Television
2.0 hours lecture
Grading: letter grade
A survey of the various occupations in the radio and television field, including broadcast, cable, industrial and educational areas. Explore employment opportunities, as well as the required skills and personal qualifications necessary for employment.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 3   2.0 units
Using MacIntosh Comp Entertainment Indus
2.0 hours lecture , 2.0 hours laboratory
Grading: letter grade
Learn the Macintosh computer in the radio/television industry. No previous computer knowledge is necessary. Explore the basic operation of the Mac and the manipulation of words, numbers, sounds and graphics (or pictures) in industry applications. The use of spreadsheets, databases and some specialized R/TV applications will be explored.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 4   3.0 units
Writing and Production Planning
3.0 hours lecture
Grading: letter grade
Study of pre-production principles and procedures common to all producers, emphasizing scripting and other writing skills unique to the radio/television/film industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 6   3.0 units
Critical Television Viewing
3.0 hours lecture
Grading: letter grade or credit/no credit
Analyzes the power of television as a modern tool of mass communication. Among the issues studied will be: the process and effects of mass media on society, the persuasion theories that are used to create programming, the social and psychological implications of televised images on millions of people, the aesthetic dimensions of television and the relationship of this medium to its message. A variety of televised programs will be viewed to develop the ability to critically analyze the programming content that exists today, and this analysis will reveal the limitations of the medium, its production values, its depth and its aesthetic features.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 8   **3.0 units**
Introduction to Media Production
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade
Basic principles of production, including operation of equipment and the process of developing a program from the original idea to final editing.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 9   **1.0 unit**
Basic Camcorder Production Techniques
1.0 hour lecture
Grading: letter grade or credit/no credit
An intro survey of the basic operation of "camcorder" type video tape recorders; also covers production considerations unique to camcorders.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 12   **2.0 units**
Television Lighting
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
The practical application of the theories of television lighting. Includes: using lighting materials and equipment, the aesthetics of light, experimenting with light and color, lighting for effects and lighting for studio and field production.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 13AD   **2.0 units**
Television Production
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Creation and production of television program material. Produce, direct and crew a variety of projects, such as news, interviews, commercials, dramas, comedies and instructional programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 14AD   **2.0 units**
Electronic Field Production
2.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
The study and application of the technical aspects of video, film and multimedia production in the field. Special attention will be dedicated to successful production strategies necessary for the unique problems associated with shooting in the field, such as equipment selection, lighting, audio and the environment. Issues related to acquisition format, such as film versus tape and analog versus digital, will be explored. Students will shoot projects in the field as "stand-alone" productions and as elements for edited productions. Editing will be covered as it relates to field production.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 15AC   **2.0 units**
Advanced Television Production
1.0 hour lecture , 3.0 hours laboratory
Recommended Preparation: Audition
Grading: letter grade
Creation and production of television program material, emphasizing the quality of the finished product. Projects which students produce, direct and crew will be largely of their own choosing.

Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 17AD   **1.0 unit**
Special Projects in Television
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade
Plan and execute one's own project under the instructor's guidance. May have an opportunity to work as part of a production team in a professional environment. Projects may involve scripting, research, program production or other areas of exploration.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 21   **3.0 units**
Radio Production
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade
Creation and production of radio program material. Projects include: disc jockey shows, news programs, interviews, commercials, editing, microphone set-up and audio board operation. Other aspects of radio station operation will be covered, such as management, sales, audience analysis and ratings.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 25AD   **2.0 units**
Radio Activity
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
An opportunity and responsibility to work in a variety of jobs involved in the operation of the campus radio station (KLBC). Work "on air" and behind the scenes on the radio station. Outside hours are arranged in consultation with the instructor.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 30AD   **1.5 units**
Broadcast Newswriting
1.0 hour lecture , 2.0 hours laboratory
Grading: letter grade
Gain experience in gathering and writing news for broadcast. Learn to write, re-write and edit stories using computers, incorporate sound tracks and visuals into their stories and work the "local angle" or "human interest element." Some stories may be incorporated into the weekly student TV news show.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 34AD   **2.0 units**
Music Video Production
2.0 hours lecture , 2.0 hours laboratory
Recommended Preparation: R_TV 14AD
Grading: letter grade or credit/no credit
An in-depth exam of the components necessary to produce a music video, including completion of a camera ready production proposal and a script of selected projects. Selected projects may be produced.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 35AD   **2.0 units**
Television Activity
1.0 hour lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit

An opportunity and responsibility to work in a variety of jobs involved in the video taping of various college events and/or projects. Projects may be broadcast on college cable channel. Hours are arranged in consultation with the instructor.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 36AD   **3.0 units**
Broadcast News Production
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Study of basic broadcast news and information functions. Covers such material as gathering information, writing, editing and producing for news, sports, editorial, documentary, education, religion and public service programs.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 37   **3.0 units**
Radio/Television Management and Sales
3.0 hours lecture
Grading: letter grade
An overview of the basic elements of broadcast and cablecast management and time sales. Included are: advertising and sales techniques, rating, station promotion, budgets, FCC policies, franchise agreements and negotiations, scheduling, contest considerations, liability elements and people skills.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 40AD   **2.0 units**
On-Camera Performance
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade
Involves the practical application of performance techniques as applied to working in front of a camera. Performances are video-taped and analyzed which will help the student understand what is necessary in the preparation of audition material. Gain knowledge about each area responsible for a TV production.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 71AD   **2.0 units**
Work Experience: Radio and Television
1.0 hour lecture , 4.2 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 72AD   **3.0 units**
Work Experience: Radio and Television
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

R_TV 73AD   **4.0 units**
Work Experience: Radio and Television
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Vocational learning experiences through employment directly related to the industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL ESTATE (REAL)

REAL 78   **3.0 units**
Real Estate Economics
3.0 hours lecture
Grading: letter grade
Deals with trends and factors affecting the value of real estate, the nature and classification of land economics, the development of property, construction and subdivision, economic values and real estate evaluation, real estate cycles and business fluctuations, residential market trends, real property and special-purpose property trends.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 80   **3.0 units**
Real Estate Principles
3.0 hours lecture
Grading: letter grade
Covers basic laws and principles of California real estate; gives understanding, background and terminology for advanced study in specialized courses. Assists those preparing for real estate license exams.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 81A   **3.0 units**
Real Estate Practices
3.0 hours lecture
Grading: letter grade
Operational practices in real estate roles and brokerage, including listing, prospecting, advertising, financing, sales techniques, escrow and ethics. Applies toward State's educational requirements for the broker's exam.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 83A   **3.0 units**
Legal Aspects of Real Estate
3.0 hours lecture
Grading: letter grade
A study of California real estate law and related legislation governing real estate transactions in California. Applied toward educational requirements for the broker's exam.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 84   **3.0 units**
Mortgage Brokering/Lending in California
3.0 hours lecture
Recommended Preparation: REAL 80
Grading: letter grade
An intro to the mortgage brokering operation from office setup, loan processing by computer, lending regulations, types of loans, from A to D paper, loan submission,

quality control, FICO credit scoring, loan packaging and shipping.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 85   3.0 units

Real Estate Appraisal
3.0 hours lecture
Grading: letter grade
Covers the purposes of appraisals, the appraisal process and the different approaches, methods and techniques to determine the value of various types of property. Emphasizes residential and single-unit property.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 87   3.0 units

Real Estate Finance
3.0 hours lecture
Grading: letter grade
An analysis of real estate financing, lending policies and problems in financing transactions in residential, apartment, commercial and special purpose properties. The methods of financing properties are emphasized.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 89   3.0 units

Real Estate Exchange
3.0 hours lecture
Grading: letter grade
A comprehensive study of the practices and procedures in handling the exchange of properties.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 90   3.0 units

Tax Aspects of Real Estate Transactions
3.0 hours lecture
Grading: letter grade
A comprehensive study of the influence of taxation on real estate transactions.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 91   3.0 units

Real Estate Update
3.0 hours lecture
Prerequisite: REAL 80 and any two other REAL estate courses from REAL 81A through REAL 254.
Grading: letter grade
An update in real estate which provides 45 hours of continuing education. Topics include finance, land acquisition and development, foreclosure procedures, trust deeds, market research techniques, escrow procedures, office management, syndication, advertising and sales techniques, mortgage update, leasing, contracts and closing procedures, title insurance, appraisal, ethics and investment analysis.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 92A   3.0 units

Escrows and Land Titles
3.0 hours lecture
Grading: letter grade
Learn to take, handle and close simple escrows, purpose and services of escrow, property and property rights, acquisition, descriptions, encumbrances, liens, charges against property, forms, deeds, transfer, recording system and title company practices.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 92B   3.0 units

Escrows and Land Titles
3.0 hours lecture
Prerequisite: REAL 92A
Grading: letter grade
Learn to take, handle and close simple escrows. Purpose and services of escrow, property and property rights, acquisition, descriptions, encumbrances, liens, charges against property, forms, deeds, transfer, recording system and title company practices will be discussed.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 93   3.0 units

Real Estate Investments
3.0 hours lecture
Grading: letter grade
Nature and scope of investments, brokerage, income property operations, taxation, cash flow analysis, measuring returns, financing and investment strategies. Qualifies for 45 hours of continuing education credit.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 94   3.0 units

Office Management
3.0 hours lecture
Grading: letter grade
Designed to improve proficiency in serving consumers through real estate office management and organization.
Transfer Status: Transferable to CSU, see counselor for limitations.

REAL 253   3.0 units

Property Management
3.0 hours lecture
Grading: letter grade
Basic principles and practices of successful apartment house management.

REAL 254   3.0 units

Industrial/Commercial Real Estate
3.0 hours lecture
Recommended Preparation: REAL 80
Grading: letter grade
Provides the knowledge and mechanics for a systematic approach to entering the field of industrial/commercial real estate. Augments knowledge for advancement and uncovers greater opportunities.

REAL 271AD   2.0 units

Work Experience-Real Estate
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

REAL 272AD   3.0 units

Work Experience-Real Estate
1.0 hour lecture , 8.3 hours laboratory

Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

REAL 273AD 4.0 units
Work Experience-Real Estate
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to one's occupational goal. One unit of credit shall be granted for every 75 hours per semester. Maximum to twelve units.

SHEET METAL (SHMET)

SHMET 201 10.0 units
Sheet Metal 1
6.0 hours lecture , 12.0 hours laboratory
Grading: letter grade or credit/no credit
Includes material identification, measurement, basic shop math, intro to parallel line surface development and basic sheet metal projects. Intro to safety operations, hand and power machinery, oxy-acetylene and spot welding and soft soldering are also discussed.

SHMET 202 10.0 units
Sheet Metal 2
6.0 hours lecture , 12.0 hours laboratory
Grading: letter grade or credit/no credit
Includes safety practices, radial line surface development and related metal project fabrication, advanced oxy-acetylene welding, intro to hard soldering and production shop machine set-up.

SHMET 203 10.0 units
Sheet Metal 3
6.0 hours lecture , 12.0 hours laboratory
Grading: letter grade or credit/no credit
Safety practices, intro to inert gas arc welding, intro to triangulation surface development, exotic metals fabrication and stainless steel are covered.

SHMET 204 10.0 units
Sheet Metal 4
6.0 hours lecture , 12.0 hours laboratory
Grading: letter grade or credit/no credit
Teaches safety practices and advanced live projects incorporating surface development, fabrication and inert gas welding.

SHMET 220A 5.0 units
Surface Development & Fabrication 1
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for people working in or wishing to enter the fields of air conditioning, refrigeration, heating, ventilating and aircraft or industrial fabrication. A comprehensive study of sheet metal layout, including radial line and triangulation. Individualized hands-on experience in tool set-up and job shop performance equal to industrial standards.

SHMET 220B 5.0 units
Surface Development & Fabrication 2
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for people working in or wishing to enter the fields of air conditioning, refrigeration, heating, ventilating and aircraft or industrial fabrication. A comprehensive course in sheet metal layout, including radial line and triangulation. Individualized hands-on experience in tool set-up and job shop performance equal to industrial standards.

SHMET 220C 5.0 units
Surface Development & Fabrication 3
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for people working in or wishing to enter the fields of air conditioning, refrigeration, heating, ventilating and aircraft or industrial fabrication. A comprehensive course in sheet metal layout, including radial line and triangulation. Individualized hands-on experience in tool set-up and job shop performance equal to industrial standards.

SHMET 220D 5.0 units
Surface Development & Fabrication 4
4.0 hours lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Designed for people working in or wishing to enter the fields of air conditioning, refrigeration, heating, ventilating and aircraft or industrial fabrication. A comprehensive course in sheet metal layout, including radial line and triangulation. Individualized hands-on experience in tool set-up and job shop performance equal to industrial standards.

SHMET 420AD 3.0 units
Sheet Metal Fabrication
1.0 hour lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Use hand and machine tools and equipment; perform layout and pattern development; use various types of sheet metal; demonstrate project forming, riveting, welding and soldering.

SOCIAL SCIENCE (SOCSC)

SOCSC 1 3.0 units
Comparative World Cultures
3.0 hours lecture
Grading: letter grade or credit/no credit
Compares through analysis selected major civilizations and seeks to respond to the current need for intercultural understanding in an interdependent world. Interdisciplinary team of faculty, drawn from the humanities and the social sciences, select major cultures from the ancient, medieval and modern periods of world history which are examined thematically. Such themes include: how distinctive historical, regional and local cultures design, share, reproduce and meet basic biological, material and symbolic needs and experience both continuity and change through internal realignments of their social, economic, political and intellectual institutions or by external contact with other peoples.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCSC 1H   **3.0 units**

Honors Comparative World Cultures
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Describes how selected major cultures meet similar basic needs, such as establishing value systems, socialization of children, meeting material needs and perceiving persons in other cultures. An interdisciplinary approach drawing from both the humanities and social sciences. Seeks to respond to the current need for intercultural understanding in an interdependent world. Not open for credit to students registered in or with credit in HUMAN1 or 1H.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCSC 7   **3.0 units**

American Pluralism and Identity
3.0 hours lecture
Grading: letter grade or credit/no credit
Explores the multicultural nature of American society, using more than one discipline. Using the humanities to analyze the creativity of each ethnic group as they constructed artistic, literary, musical, philosophical and religious identities based on their traditions and experiences, will seek to understand the United States as a mosaic of ethnicities, as well as a common culture. Using the social sciences to compare and contrast the origins, living conditions and experiences of America's constituent populations, will analyze the complexity of the processes effecting the interaction of the American people.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

OCIOLOGY (SOCIO)

SOCIO 1 (CAN SOC 2)   **3.0 units**

Introduction to Sociology
3.0 hours lecture
Grading: letter grade or credit/no credit
Study human behavior through an understanding of social organization: the role of culture, the development of personality, the function of group life and social institutions, the social processes and social interaction, factors in social change and collective behavior.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 1H   **3.0 units**

Honors Introduction to Sociology
3.0 hours lecture
Prerequisite: Qualification for the Honors Program
Grading: letter grade or credit/no credit
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 2 (CAN SOC 4)   **3.0 units**

Modern Social Problems
3.0 hours lecture
Grading: letter grade or credit/no credit
All identification and analysis of contemporary social problems in the U.S., using the perspective and methodology of the social sciences. Among the topics considered are violence, crime, poverty, sexism, racism, rapid social change, addiction, abuse and alienation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 11   **3.0 units**

Race & Ethnic Relations in the U.S.
3.0 hours lecture
Grading: letter grade
The sociological study of diverse racial and ethnic groups in the U.S., including Latino, Asian American, African American and Native American sub-groups. Analysis of migration patterns, stratification, gender, social movements and inter- and intra-group relations. Also an exam of how social, political, economic and historical forces affect contemporary race and ethnic relations.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 12   **3.0 units**

Crime and Delinquency
3.0 hours lecture
Recommended Preparation: SOCIO 1
Grading: letter grade
An intro to major types of criminal behavior, characteristics of offenders, factors which contribute to crime and delinquency, the criminal justice process, the human process of law enforcement, the courts, probation, parole and institutions. Includes changes in crime control and treatment processes and the role of society. Not open for credit to students registered in or with credit in ADJUS12.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 13   **3.0 units**

Sociology of Latinos
3.0 hours lecture
Grading: letter grade
A survey of the sociology of Latinos in the United States, with particular focus on the Mexican culture and experience. This course will include a review of the immigration experience of various Latino groups. Study will include the types and consequences of discrimination and prejudice as well as Chicano responses to racism.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SOCIO 40 (CAN HEC 12)   **3.0 units**

Marriage and the Family
3.0 hours lecture
Grading: letter grade or credit/no credit
Study of all major aspects of preparation for and participation in marriage and family life in the modern world; courtship problems, mate selection, marital adjustment, problems of parenthood, family crises and ways of meeting them.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPANISH (SPAN)

SPAN 1 (CAN SPAN 2)   **5.0 units**

Elementary Spanish
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intro to the Spanish language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Spanish. Topics for conversation are everyday life situations and issues in the Hispanic world. Not recommended for native speakers of Spanish or

students who have completed one year of high school Spanish with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 1A (CAN SPAN 2) 3.0 units
Elementary Spanish 1A
3.0 hours lecture
Grading: letter grade or credit/no credit
Intro to the Spanish language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure. Topics for conversation are everyday life situations and issues in the Hispanic world. Not recommended for native speakers of Spanish or students who have completed one year of high school Spanish with a grade of B or better or equivalent.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 1B (CAN SPAN 2) 2.0 units
Elementary Spanish 1B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: SPAN 1A
Grading: letter grade or credit/no credit
Intro to the Spanish language, emphasizing listening, comprehension, conversation, reading and writing skills to develop control of the basic sounds, forms and structure of Spanish. Topics for conversation are everyday life situations and issues in the Hispanic world. Not recommended for native speakers of Spanish or students who have completed one year of high school Spanish with a grade of B or better.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 2 (CAN SPAN 4) 5.0 units
Elementary Spanish
5.0 hours lecture , 1.0 hour laboratory
Prerequisite: SPAN 1 or SPAN 1A and 1B or recent completion of one year of High School Spanish.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 2A (CAN SPAN 4) 3.0 units
Elementary Spanish 2A
3.0 hours lecture
Prerequisite: SPAN 1 or SPAN 1A and 1B or recent completion of one year of High School Spanish.
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening and speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 2B (CAN SPAN 4) 2.0 units
Elementary Spanish 2B
2.0 hours lecture , 1.0 hour laboratory
Prerequisite SPAN 2A
Grading: letter grade or credit/no credit
Continuation of the study of basic grammar forms, emphasizing listening, speaking, reading and writing, based on modern topical material.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 3 (CAN SPAN 8) 5.0 units
Intermediate Spanish
5.0 hours lecture
Prerequisite: SPAN 2 or SPAN 2A and 2B or recent completion of two years High School Spanish.
Grading: letter grade or credit/no credit
A review of grammar, an intensive study of idiomatic expressions and vocabulary, based on the reading of short stories, articles and situational dialogues which reflect Spanish culture and the development of reading and writing.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 3H 3.0 units
Honors Intemediate Spanish
5.0 hours lecture
Prerequisite: SPAN 2 or 2A and 2B or recent completion of two years of High School Spanish and Qualification for the Honors Program.
Grading: letter grade or credit/no credit
Past verb tenses and present and past subjunctive moods; idiomatic expressions and vocabulary, based on the reading of short articles, stories and situational dialogues which reflect Spanish culture; and the development of reading and listening comprenhension as well as speaking and writing skills.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 4 (CAN SPAN 10) 5.0 units
Intermediate Spanish
5.0 hours lecture
Prerequisite: SPAN 3 or recent completion of three years of High School Spanish.
Grading: letter grade or credit/no credit
Continuation of the review of Spanish grammar, emphasizing a more advanced structure. Reading of short stories and literary selections by famous contemporary Spanish authors. Extensive practice in comprehension, speaking, writing and reading.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 8AD 2.0 units
Spoken Spanish
3.0 hours lecture
Prerequisite: SPAN 2 or 2A and 2B
Grading: letter grade or credit/no credit
Designed to improve comprehension, structure, oral expression and fluency in Spanish as used in travel, in the home, in school and in business. Emphasizes vocabulary, idioms and language patterns fundamental to an active use of Spanish.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN 9 5.0 units
Spanish for Spanish Speakers
5.0 hours lecture
Recommended Preparation: Fluency in spoken Spanish.
Grading: letter grade or credit/no credit
Covers Hispanic culture, values, art and language, using a variety of literary selections, film, music, newspaper and magazines by famous Spanish, Latin American and Latino authors in the U.S. Intensive reading, analysis, comparison and contrast of the cultural values, found in short stories, essays, articles, video, film and documentaries, will serve as a window into the Hispanic imagination. This exploration will reveal the intellectual

and cultural connections and variations of the Hispanic culture in Spain, Latin America and the U.S. and will serve as a springboard to perfect the literary and oral skills of native Spanish speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   10   5.0 units
Spanish for Spanish Speakers
5.0 hours lecture
Recommended Preparation: SPAN 9 or fluency in spoken Spanish.
Grading: letter grade or credit/no credit
Continuation of SPAN 9; intensive study of Hispanic culture, values, art and language using a variety of literary selections, film, music, newspaper and magazines by famous Spanish, Latin American and Latino authors in the U.S. Continuation of the reading, writing process and grammar review. Emphasizes syntax and literary styles and techniques. Study not only the intellectual and cultural connections and variations of the Hispanic culture in Spain, Latin America and the U.S. but also the stylistic and ideological differences between contemporary writers. The cultural and reading material will serve to focus on the development and understanding of writing styles and techniques that will enable the Spanish speaker to apply these techniques to creative writing and use argument and debate skills in a novel situation.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   25A   3.0 units
Advanced Spanish: Culture in Literature
3.0 hours lecture
Prerequisite: SPAN 4
Grading: letter grade or credit/no credit
The study of the Spanish culture in short stories, fables, biographies, etc. Grammar review stressing oral and written composition. Practice for fluency. Emphasizes a career related language with a choice of collateral readings relative to business, science or humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   25B   3.0 units
Advanced Spanish: History
3.0 hours lecture
Prerequisite: SPAN 4
Grading: letter grade or credit/no credit
Study the history of Spanish speaking countries from early to present time through texts from history books and grammar review stressing oral and written composition. Practice for fluency. Emphasizes a career related language with a choice of collateral readings relative to business, science or humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   25C   3.0 units
Advanced Spanish: Politics,Current Event
3.0 hours lecture
Prerequisite: SPAN 4

Grading: letter grade or credit/no credit
A study of political and other current events through newspaper and magazine articles. Grammar review stressing oral and written composition. Practice for fluency. Emphasizes a career related language with a choice of collateral readings relative to business, science or humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study or in representative Spanish literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   25D   3.0 units
Advanced Spanish: Literature
3.0 hours lecture
Prerequisite: SPAN 4
Grading: letter grade or credit/no credit
A study of different literary genres through short novels, fairy tales, poems, etc. Grammar review stressing oral and written composition. Practice for fluency. Emphasizes a career related language with a choice of collateral readings relative to business, science or humanities. Attention is given to developing vocabulary and standard forms appropriate to individual career objectives. Outside reading and reporting in the respective field of study or in representative Spanish literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SPAN   404   3.0 units
Spanish for Health Personnel
3.0 hours lecture
Grading: credit/no credit
Designed for those who need basic Spanish conversational skills and vocabulary in a health field. Provides awareness of Hispanic customs and culture.

SPEECH COMMUNICATION (SP)

SP   10   (CAN SPCH 4)   3.0 units
Elements of Public Speaking
3.0 hours lecture
Grading: letter grade or credit/no credit
Theory and practice in the construction and delivery of the extemporaneous speech. Required of all public speaking majors and minors.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SP   19AD   1.0 unit
Speech Activity: Individual Events
10.0 hour laboratory
Grading: letter grade or credit/no credit
Through intercollegiate speech competition, perfect speaking skills, develop critical thinking and gain increased confidence.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP   20   3.0 units
Elements of Interpersonal Communication
3.0 hours lecture
Grading: letter grade or credit/no credit
An experiential approach to the study of the process of communication at both the intrapersonal and interpersonal levels. Time will be devoted to both the

study of recent theories and experiments within the field of speech communication and their practical applications as related to perception, listening, non-verbal, conflict resolution and one's self-concept.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP 25 3.0 units

Elements of Intercultural Communication
3.0 hours lecture
Grading: letter grade or credit/no credit
Study of the relationship between culture and communication, emphasizing social, linguistic, psychological and non-verbal variables. Includes problems in the practice of intercultural communication.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SP 30 (CAN SPCH 10) 3.0 units

Elements of Group Communication
3.0 hours lecture
Grading: letter grade or credit/no credit
The theory and practice of basic principles and techniques of both small group and public group communication. Problem solving, critical thinking, creative thinking, conflict resolution, roles and skills for group interaction and leadership are employed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SP 31 3.0 units

Elements of Leadership Communication
3.0 hours lecture
Grading: letter grade or credit/no credit
Explore definitions and theories of leadership, purposes and functions of leaders in various settings and provide opportunities for the practical application of the techniques of leadership toward understanding the role of leaders in organizational success.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP 39AD 1.0 unit

Leadership Laboratory
3.0 hours laboratory
Grading: letter grade or credit/no credit
A practical application of leadership and parliamentary skills. Includes: discussions with leaders, weekly journals summarizing leadership experiences and problems.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP 50 3.0 units

Elements of Oral Interpretation
3.0 hours lecture
Grading: letter grade or credit/no credit
The basic principles of oral communication are explored through oral reading of prose, poetry and dramatic literature.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SP 60 (CAN SPCH 6) 3.0 units

Elements of Argumentation and Debate
3.0 hours lecture
Grading: letter grade or credit/no credit

Gain knowledge and understanding in the use of research skills and reasoning and learn to apply these skills in the debate of timely issues. Gain added appreciation for the role that advocacy and reasoning play in a free society.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

SP 69AD 1.0 unit

Speech Activity: Team Events & Debate
10.0 hour laboratory
Grading: letter grade or credit/no credit
Through intercollegiate debate and team event competition, perfect argumentation and debate skills, the ability to perform in groups and gain increased confidence as communicators.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP 70 3.0 units

Voice and Articulation
3.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit
Intensive training in articulation, enunciation, projection and related oral skills, based on the physiology, anatomy and assessment of voice production.
Transfer Status: Transferable to CSU, see counselor for limitations.

SP 99AD 1.0 unit

Special Projects in Speech
3.0 hours laboratory
Grading: letter grade or credit/no credit
Allows students to investigate an area of speech communication that is of special interest to them. The overall philosophy is to challenge each student to accomplish goals that could not be reached in other courses. Working on an individual basis, assignments will be tailor-made, thus providing personal attention and directly observable and measurable outcomes to the instructor.
Transfer Status: Transferable to CSU, see counselor for limitations.

SPEECH LANGUAGE PATHOLOGY ASSTISTANT (SLPA)

SLPA 10 2.0 units

Intro to Speech Language Pathology Asst
2.0 hours lecture
Grading: letter grade
Intro to Speech Language Pathology Assistant career. Professional standards and scope of responsibilities. Legal and ethical issues along with the requirements for management of individuals with speech-language and hearing disorders. Considerations for cultural, ethic and linguistic diversity. Includes interdisciplinary and supervisory relationships, public interaction, individual responsibilities and compliance with both governmental and industry regulations.
Transfer Status: Transferable to CSU, see counselor for limitations.

STATISTICS (STAT)

STAT 1 (CAN STAT 2)   3.0 units
Elementary Statistics
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or one year High School Intermediate Algebra with a grade of B or better as reflected by the second semester grade or MATH 130.
Grading: letter grade
A survey of descriptive methods of statistics, including measures of central tendency, dispersion and correlation and basic probability applications, in addition to the binomial and normal probability distributions. Emphasizes inferential techniques, including estimation, hypothesis testing and linear regression.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

STAT 1H   3.0 units
Honors Elementary Statistics
3.0 hours lecture
Prerequisite: Qualification through the Math assessment process or one year High School Intermediate Algebra with a grade of B or better as reflected by the second semester grade or MATH 130 and qualification for the Honors Program.
Grading: letter grade
Includes graphic presentation of data; probability; probability distributions such as the binomial and normal distributions; Central Limit Theorem; one and two sample hypothesis tests and confidence intervals; and simple regression and correlation. Emphasizes the use of technology in statistical analysis as it applies to real world data, as well as the written communication of results.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TECHNOLOGY (TEC)

TEC 60   4.0 units
Computer Aided Design and Drafting (CADD)
3.0 hours lecture , 3.0 hours laboratory
Prerequisite: ARCHT 60 or DRAFT 51A
Recommended Preparation: ARCHT 60 or 61 or DRAFT 51A
Grading: letter grade
An intro and an opportunity to become familiar with the process of computer aided design. Enhance employment opportunities as a CADD operator. Not open for credit to students registered in or with credit in DRAFT 55.
Transfer Status: Transferable to CSU, see counselor for limitations.

THEATRE ARTS (TART)

TART 1 (CAN DRAM 8)   3.0 units
Acting 1 — Introduction to Acting
3.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Intro to acting through the process of personalization. The actor discovers and explores in him/herself qualities and experiences which are legitimate dimensions of the role he/she is creating. Explores the concept of personalization through relaxations, concentration, sensory awareness, imagination and acting exercises as the student acquires basic insights into acting for the theatre.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 1B   2.0 units
Acting 1 — Movement
2.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
An intro to the use of the human body as an instrument of expression. The study and application of the basic theories and principles of stage movement through the use of lecture and class exercise.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 1C (CAN DRAM 6)   2.0 units
Acting 1 — Voice
2.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Recommended Preparation: TART 1B
Grading: letter grade or credit/no credit
Provides a lucid view of the voice as an instrument of human communication and through a series of exercises to free, develop and strengthen that voice so that the actor's unique sensibilities may be expressed through it.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 1D   2.0 units
Acting 1 — Improvisation
2.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Explore the various applications of theatrical improvisation. Drawing from both playwrights and imaginations, the actor will create fully realized characters, develop and analyze scenes. Mental agility, spontaneity, thinking on your feet and stage confidence will be emphasized.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 2   3.0 units
Acting 2 — Technique & Characterization
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 1
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Recommended Preparation: TART 1B, 1C, or 1D, and TART 25 or 30
Grading: letter grade or credit/no credit
An investigation and development of a character that further strengthens techniques of personalization, role analysis and character motivation while including such disciplines as sense memory and improvisation. Additionally, investigation of the physical life of a character is emphasized, together with the technical and imaginative development of voice and body skills as a means of achieving fully realized characterizations (continued scene study, utilizing the works of major playwrights within the last hundred years).
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 2A 2.0 units

Acting 2 — The Spoken Text
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 1C
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Preparation and presentation of a varied range of spoken texts to free, develop and strengthen the student actor's voice so that the actor's unique sensibilities may be fully expressed through it.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 2B 2.0 units

Acting 2 — The Spoken Text
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 1C
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Preparation and presentation of a varied range of spoken texts to free, develop and strengthen the student actor's voice so that the actor's unique sensibilities may be fully expressed through it.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 2C 2.0 units

Acting 2 — Movement, Mime and Mask
2.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Advanced application of the theory and principles of stage movement within specialized areas, such as mime, mask characterization, period movement styles and stage combat. Class exercises and lectures.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 2D 2.0 units

Acting 2 — Movement, Mime and Mask
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 1B
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Advanced application of the theory and principles of stage movement within specialized areas, such as mime, mask characterization, period movement styles and stage combat. Class exercises and lectures.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 3A 3.0 units

Acting 3 — Scene Study
3.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Recommended Preparation: TART 2 and TART 25
Grading: letter grade or credit/no credit
While utilizing contemporary and classical scene selections, emphasizing international playwrights of the 19th and 20th century, develop specific performance skills and acting techniques to heighten the intensity of the acting experience for the serious theatre student.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 3B 3.0 units

Acting 3 — Scene Study
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 3A
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
While utilizing contemporary and classical scene selections, emphasizing international playwrights of the 19th and 20th century, develop specific performance skills and acting techniques to heighten the intensity of the acting experience for the serious theatre student.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 4 3.0 units

Acting Workshop-Style
2.0 hours lecture , 3.0 hours laboratory
Prerequisite: TART 3A or 3B
Grading: letter grade or credit/no credit
Individual studies and exercises to develop freedom and imagination in the preparation and performance of classical and contemporary dramatic material. Scenes, cuttings and short plays.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 12 3.0 units

Intermediate Acting
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 1
Grading: letter grade or credit/no credit
For the student for whom acting is an avocation: an investigation and development of character that further strengthens techniques of personalization, role analysis and character motivation while including such disciplines as sense memory and improvisation. Additionally, investigation of the physical life of a character is emphasized towards achieving fully realized characterizations. Scene study is continued, utilizing the works of major playwrights within the last hundred years.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 13A 3.0 units

Advanced Acting
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 12
Grading: letter grade or credit/no credit
For the student for whom acting is an avocation: developing specific performance skills and acting techniques to heighten the intensity of the acting experience. Exercises to develop freedom and imagination are also emphasized while utilizing contemporary and classical scene selections and international playwrights.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 13B 3.0 units

Advanced Acting
3.0 hours lecture , 1.0 hour laboratory
Prerequisite: TART 13A
Grading: letter grade or credit/no credit
For the student for whom acting is an avocation: developing specific performance skills and acting techniques to heighten the intensity of the acting experience. Exercises to develop freedom and imagination are also emphasized while utilizing

contemporary and classical scene selections and international playwrights.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   25   3.0 units
Introduction to Theatre
3.0 hours lecture
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
A critical analysis of theatre from an audience perspective. Elements of play production from the dramatic structure, style and historical perspective of the script to the final presentation before an audience will be explored. Included are reading, lectures and discussions on the theory and practice of play writing, producing, acting, directing, criticism, theatre architecture, set design, costume design, lighting design and the use of props.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   30   3.0 units
Introduction to Dramatic Literature
3.0 hours lecture
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
An intro to the dramatic literature of the Western world, including American drama from early beginnings to present day. Dramatic structures, concepts, styles and themes of sixteen plays will be examined. The influence of the theatre and dramatic literature as a social and cultural force will be discussed.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   32AD   3.0 units
Stage and Screen Writing
3.0 hours lecture
Recommended Preparation: TART 25, FILM 1 or ENGL 26
Grading: letter grade or credit/no credit
Fundamentals of play and screenwriting and characterization for students interested in dramatic writing.
Transfer Status: Transferable to CSU, see counselor for limitations.

TART   39AD   1.0 unit
Theatre Practicum
3.0 hours laboratory
Grading: letter grade or credit/no credit
A hands-on, practical intro to the function of stage technicians, costume/wardrobe and make-up technicians and their contribution to dramatic productions. Organization of the stage, lighting and properties departments, costume and make-up departments in the running of a theatre production, including equipment use and maintenance. The function of technical stage personnel in production work are introduced to develop the students' skills and discipline in technical stage production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   40AD   2.0 units
Stage Scenery
2.0 hours lecture , 3.0 hours laboratory

Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
The theory and application of scenic design. Includes: painting, construction and manipulation of stage scenery.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   42AD   2.0 units
Stage Lighting
2.0 hours lecture , 3.0 hours laboratory
Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
The practical application of the theories of stage lighting. Includes: using lighting materials and equipment, experimenting with light and color and lighting a stage for production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   43AD   2.0 units
Costume Crafts
1.0 hour lecture , 3.0 hours laboratory
Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
Techniques of construction of costumes and accessories for the stage, including use of fabrics, materials and equipment. Practical experience in construction of costumes and accessories for Theatre Arts Department productions.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   44AB   2.0 units
Costume Design
1.0 hour lecture , 3.0 hours laboratory
Prerequisite: TART 43AD
Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
Techniques and theories of designing costumes for the stage, including design elements, execution of costume plates and costume plots, research and organization, clothing and theatrical costume history, patterns, budgets and development of costume portfolio.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART   47   3.0 units
Theatre Management
3.0 hours lecture
Grading: letter grade or credit/no credit
An intro to the phases of the administration, management and promotion of a producing theatre organization, focusing on the practical application of the principles learned in class, a "how to" course.
Transfer Status: Transferable to CSU, see counselor for limitations.

TART   49AD   1.0 unit
Rehearsal and Performance
8.0 hours laboratory
Prerequisite: TART 1 (may be taken concurrently)
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.

Grading: letter grade or credit/no credit
The application of acting and technical theatre theories through the preparation of plays for public performance.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 50/1   0.5 unit
Major Production Performance
2.0 hours laboratory
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
Provides study and lab exploration in all aspects of play production involving the performer to develop acting capabilities, skills and disciplines. The audition, preparation and presentational phases of the acting process will be explored under the supervision and guidance of a faculty director. Productions will be presented for public performance. Enrollment is for the duration of the audition, preparation and presentation phases of production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 50/2   1.0 unit
Major Production Performance
4.0 hours laboratory
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
Provides study and lab exploration in all aspects of play production involving the performer to develop acting capabilities, skills and disciplines. The audition, preparation and presentational phases of the acting process will be explored under the supervision and guidance of a faculty director. Productions will be presented for public performance. Enrollment is for the duration of the audition, preparation and presentation phases of production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 50/3   1.5 units
Major Production Performance
6.0 hours laboratory
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
Provides study and lab exploration in all aspects of play production involving the performer to develop acting capabilities, skills and disciplines. The audition, preparation and presentational phases of the acting process will be explored under the supervision and guidance of a faculty director. Production will be presented for public performance. Enrollment is for the duration of the audition, preparation and presentation phases of production.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 50AD   2.0 units
Major Production Performance
8.0 hours laboratory
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
Provides study and lab exploration in all aspects of play production involving the actor in order to develop his acting capabilities, skills and disciplines. The audition, preparation and presentational phases of the acting process will be explored under the supervision and guidance of a faculty director. Productions will be presented for public performance. Enrollment is for the duration of the audition, preparation and presentation

phases of production. The appropriate class section in this sequence is assigned following skills assessment at initial class meeting.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 51AD   0.5 unit
Theatre Forum
0.5 hour lecture , 0.5 hour laboratory
Grading: letter grade or credit/no credit
Participation as an audience member in weekly programs dealing with the art of theatre, including scene work, one-act plays, special presentations and full productions. Provides a supplement for the student to the theatre arts course(s) being taken concurrently that semester.
Transfer Status: Transferable to CSU, see counselor for limitations.

TART 52AD   2.0 units
Children's Theatre Performance
8.0 hours laboratory
Prerequisite: TART 1
Corequisite: TART 51AD. You must enroll in the corequisite course before enrolling in this course.
Grading: letter grade or credit/no credit
Covers script readings, auditions, rehearsals, preparation and the performance of a children's theatre play. Bring live participatory theatre to children (ages 5-12) at schools, recreational sites, YMCA's, hospitals, etc., in the local area.
Transfer Status: Transferable to CSU, see counselor for limitations.

TART 55   2.0 units
Stage Makeup
2.0 hours lecture , 1.0 hour laboratory
Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
The theory and application of stage makeup. Includes: designing and applying stage makeup to actors for various theatre productions.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 56AD   1.5 units
Advanced Stage Makeup
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 55
Corequisite: TART 39AD and 51AD. You must enroll in the corequisite courses before enrolling in this course.
Grading: letter grade or credit/no credit
Exploration of prosthetics, bald caps and wigmaking. Experimentation with new products. Designing and rendering processes.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

TART 60AD   1.0 unit
Special Projects in Theatre Arts
3.0 hours laboratory
Grading: letter grade or credit/no credit
Permits lower-division students with a generalized background in drama to explore in-depth a specific aspect of theatre arts in both theory and execution.
Transfer Status: Transferable to CSU, see counselor for limitations.

TART   75AD   **1.0 unit**

Summer Repertory Theatre: Performance
7.0 hours laboratory
Corequisite: TART 76AD
Recommended Preparation: Audition
Grading: letter grade or credit/no credit
Participation in an organized summer theatre program
based on the procedures of the professional repertory
theatre. Extensive experience in training, rehearsal and
performance. Typically offered in summer only.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

TART   76AD   **1.0 unit**

Summer Repertory Theatre: Production
7.0 hours laboratory
Grading: letter grade or credit/no credit
An intro to the function of stage technicians and their
contribution to the total effect of a dramatic production.
Design research and principles, scene shop organization,
painting and construction techniques, equipment use and
maintenance and the function of technical stage
personnel in production work are introduced to develop
design capabilities, skills and discipline in technical
stage production.
*Transfer Status: Transferable to UC/CSU, see counselor
for limitations.*

TART   201   **1.5 units**

Show Business Careers-How to Start
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 1
Grading: letter grade or credit/no credit
This course will examine primary and secondary show
business career options available in the greater Los
Angeles area, as well as other geographic regions. The
course specifics will include, but not be limited to: On &
off camera behavior, agenting, producing, unions,
broadcasting and production trades.

TART   204   **1.5 units**

Marketing Yourself for Show Business
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 1
Grading: letter grade or credit/no credit
This course examines aspects of show business career
self marketing. This course content will explain all
avenues of options in a hands-on style. This course will
include, but not be limited to: Photographs, websites,
professional publications, union programs and guest
lecturers.

TART   205   **3.0 units**

Auditions for: Theatre & Film
3.0 hours lecture , 1.0 hour laboratory
Recommended Preparation: TART 30 or TART 1B or
TART 1C
Grading: letter grade or credit/no credit
Prepares performers for the practical application of the
professional audition process. Exercises in developing
an actor's professional manner, concentration and
awareness. Covers presentation of self for maximum
effect, selection of material, analyzing the text,
presenting the material, how to prepare a resume and
pictures. Guest lecturers will be part of the class and a
simulated audition will aid in the process.

TART   206A   **1.5 units**

Audition and Interview Skills-Beginning
1.0 hour lecture , 2.0 hours laboratory

Prerequisite: TART 1
Grading: letter grade or credit/no credit
This course will examine the beginning techniques for
show business professional auditioning and
interviewing. Course specifics will include but not be
limited to: Live theatre, television, commercials and
elements of broadcasting.

TART   206B   **1.5 units**

Audition and Interview Skills — Advanced
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 206A
Grading: letter grade or credit/no credit
This course is an advanced and in-depth examination of
techniques for show business professional auditioning
and interviewing. The course specifics will include but
not be limited to: Live theatre, television, and
commercials.

TART   208A   **1.5 units**

Breaking into Commercials — Beginning
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 1
Grading: letter grade or credit/no credit
This course examines fundamental aspects of television
commercials in the greater Los Angeles area, as well as
other geographic regions. The course specifics will
include, but not be limited to: national, regional, local
and wild spots as well as auditioning, product copy,
sponsors, pay tables, residuals, and headshots.

TART   208B   **1.5 units**

Breaking Into Commercials — Advanced
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 208A
Grading: letter grade or credit/no credit
This course explores further aspects of television
commercials in the greater Los Angeles area, as well as
other geographic regions. The course specifics will
include, but not be limited to: Advanced audition
techniques, product copy, sponsors, pay tables, residuals
and headshots.

TART   210A   **1.5 units**

Voice-Over Techniques — Beginning
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 1
TART 1C
Grading: letter grade or credit/no credit
This course is an examination of preliminary techniques
for commercial and theatrical voice-overs. Course topics
will include but not be limited to feature film additional
dialogue recording, animation, looping techniques and
network promotionals.

TART   210B   **1.5 units**

Voice-Over Techniques-Advanced
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 210A
TART 1C
Grading: letter grade or credit/no credit
This course will examine the advanced techniques of
theatrical and commercial voice-overs. Course topics
will include but not be limited to, feature film additional
dialogue recording, animation, looping, character and
network promotionals.

TART   212A   **1.5 units**

Acting in Film — Beginning
1.0 hour lecture , 2.0 hours laboratory

Prerequisite: TART 1
Grading: letter grade or credit/no credit
This course is an examination of beginning techniques for acting in film. Course topics will include but not be limited to, studio format, on location, tracking, steady-cam, multiple camera and digital aspects.

TART 212B — 1.5 units
Acting in Film — Advanced
1.0 hour lecture , 2.0 hours laboratory
Prerequisite: TART 212A
Grading: letter grade or credit/no credit
This course is an examination of multiple aspects and advanced techniques for acting in film. topics will include but not be limited to, studio, on location, multi-camera, steady-cam and digital aspects.

TOURISM, HOTEL MANAGEMENT (THRH)

THRH 16 — 3.0 units
Introduction to Hospitality Management
3.0 hours lecture
Grading: letter grade
Traces the growth and development of the lodging industry from early inns to modern high-rise commercial hotels and highway motels. Discusses the organization of operations, opportunities and future trends, the "Hospitality Attitude," competitive business in the free enterprise system and types of lodging establishments. Study the growth and improvement of the industry as related to management demands, the organization of hotel operations, including all departments and the social, personal and financial growth of a hotel career.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 22 — 3.0 units
Front Office Procedures
3.0 hours lecture
Grading: letter grade
Presents a systematic approach to front office procedures by detailing the flow of business through a hotel beginning with the reservation process and ending with check-out and settlement. Examines the various elements of effective front office management, paying particular attention to planning and evaluating front office operations and personnel management. Front office procedures and management are placed within the context of the overall operation of a hotel.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 24 — 3.0 units
Hospitality Accounting
3.0 hours lecture
Grading: letter grade
Provides basic knowledge of hotel and motel record keeping concepts and techniques. Examines front office procedures and the functions of the night auditor. Text material will be provided for record keeping procedures for revenues, expenses, payrolls and financial statements.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 25 — 3.0 units
Hospitality Law
3.0 hours lecture

Grading: letter grade
Creates an awareness of the responsibilities and rights that the law imposes upon and grants to the innkeeper-restaurateur and illustrates the consequences caused by failure in these responsibilities. The attitudes of the courts toward the innkeeper-restaurateur involved in litigation are also discussed. Not only provides the essential information needed to comply with the law that is applicable to its operation, but also a grounding in preventive tactics to avoid a lawsuit and identify areas of potential trouble.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 26 — 3.0 units
Hospitality Supervision
3.0 hours lecture
Grading: letter grade
Designed to teach procedures in the areas of supervising concepts and practices, the mutual expectations of workers and management, hiring, training, coaching, counseling and other qualities important in providing the necessary leadership and guidance of workers.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 28 — 3.0 units
Convention Management & Meeting Planning
3.0 hours lecture
Grading: letter grade
Defines the scope and various segments of the convention and group business market, describes marketing and sales strategies to attract markets with specific needs and explains methods and techniques to meet those needs as part of meeting and convention service.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 29 — 3.0 units
Facilities Management
3.0 hours lecture
Grading: letter grade
Offers a complete approach to the operation and management of the physical plant of a hotel or restaurant. Details are presented in property management and related costs, leasing and contracts, equipment planning and working effectively with the engineering and maintenance department.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 30 — 3.0 units
Hospitality Sales and Marketing
3.0 hours lecture
Grading: letter grade
Provides a solid background in hospitality sales, advertising and marketing. Discusses effective marketing plans, targeting and selling to the most appropriate markets, networking and producing marketing and sales materials that deliver benefits to the hospitality operation.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 31 — 3.0 units
Resort Operations
3.0 hours lecture
Grading: letter grade

Complete approach to the operation of resort properties. Beginning with historical development, details are presented in planning, development, financial investment management and marketing that deal with the unique nature of resort business. Also examines the future and the impact of the condominium concept, time-sharing, technological change and the increased cost of energy and transportation.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 33   3.0 units
Housekeeping & Security Management
3.0 hours lecture
Grading: letter grade
An overview of the fundamentals of housekeeping management and the functions, tools and practices required in today's lodging and institutional housekeeping departments. Course offered less than once a year.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 39   3.0 units
Hospitality Industry Computer Systems
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade
Provides an overview of the information needs of lodging properties and food service establishments; addresses essential aspects of computer systems, such as hardware, software and generic applications; focuses on computer-based property management systems of both front office and back office functions; examines features of computerized restaurant management systems; describes hotel sales computer application, revenue management strategies and accounting applications; addresses the selection and implementation of computer systems; focuses on managing information systems; and examines the impact of the Internet and private intranets on the hospitality industry.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 40   3.0 units
Hospitality Computer Systems
2.5 hours lecture , 1.5 hours laboratory
Grading: letter grade
Provides a working knowledge of the computer terminal, including front desk, night audit, management, housekeeping, marketing, city ledger, general accounting and complete payroll systems. Course offered less than once a year.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRH 271AD   2.0 units
Work Experience — Hotel/Restaurant Mgmt
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to the career for which the student college program is designed.

THRH 272AD   3.0 units
Work Experience — Hotel/Restaurant Mgmt
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.

Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to the occupational career for which the student college program is designed.

THRH 273AD   4.0 units
Work Experience — Hotel/Restaurant Mgmt
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning through employment directly related to the career for which the student college program is designed.

TOURISM, RESTAURANT/CATERING (THRFB)

THRFB 17   3.0 units
Introduction to Food and Beverage
3.0 hours lecture
Grading: letter grade
Includes orientation to food services operations, history of the industry, menu planning, food and beverage service, bar operations, budgeting, pre-control, operational analysis, equipment layout, selection and maintenance and industry safety.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRFB 18   3.0 units
Introduction to Culinary Preparation
3.0 hours lecture
Grading: letter grade
Provides the basic knowledge needed to understand and become skillful in basic food preparation and production while studying the science of why ingredients and procedures are used. Includes hot food preparation, cold food preparation (garde manager), baking, sanitation, proper storage and handling of foods and creative presentation of foods.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRFB 19   3.0 units
Food/Beverage Purchasing/Plan/Control
3.0 hours lecture
Grading: letter grade
Learn to develop and implement an effective purchasing program, focusing on issues pertaining to supplier relations and selection, negotiation and evaluation. Covers the principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume-profit analysis, income and cost control, menu pricing, labor cost control and computer applications.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

THRFB 27   3.0 units
Bar and Beverage Management
3.0 hours lecture
Corequisite: THRH 273AD and 270AD
Grading: letter grade
Provides students with the practical knowledge needed to manage a bar or beverage operation for the small sole proprietor or bar and beverage service in a restaurant

and/or hotel. Also presents principles and theories to support and reinforce the practical aspects.
Transfer Status: Transferable to CSU, see counselor for limitations.

THRFB   32   **3.0 units**
Introduction to Catering Management
3.0 hours lecture
Grading: letter grade
Provides practical skills and knowledge for effective management of food and beverage catering in locations ranging from homes to restaurants, clubs, gardens, hotels, water craft and other sites. Discusses designing menus, food and beverage purchasing, storage, transport and sanitation, site inspections, equipment rentals, and hiring, training and managing a staff, while emphasizing the special needs of guests.
Transfer Status: Transferable to CSU, see counselor for limitations.

TOURISM, TRAVEL AND TOURISM (THRT)

THRT   210   **3.0 units**
Introduction to the Travel Industry
3.0 hours lecture
Grading: letter grade
Provides a basic understanding of travel and tourism and insights into the development and operation of various components of the travel industry. Emphasizes the concepts regarding travel as an industry and different industry practices.

THRT   212   **3.0 units**
Travel Career Employment
3.0 hours lecture
Grading: letter grade
A critical exam of employment possibilities in the travel/tourism industry, emphasizing employment standards and hiring practices leading towards employment.

THRT   214   **3.0 units**
Travel Marketing and Sales Techniques
3.0 hours lecture
Grading: letter grade
Provides techniques and skills of selling and a working knowledge of the methods of merchandising and advertising travel used by airlines, tour operators, retail travel agents and other tourism industries.

THRT   215   **3.0 units**
Travel Operations & Risk Management
3.0 hours lecture
Grading: letter grade
An intro to the realistic travel industry procedures and activities which provides meaningful application materials for students interested in the travel industry. Introduces the concept of risk management in the travel industry and provides some basic concepts for the management of risk.

THRT   216B   **3.0 units**
Travel Destinations-North/Centr/South Am
3.0 hours lecture
Grading: letter grade

Study the location and physical description, history, form of government, documentation, languages, culture, currency, internal transportation, cities and major points of interest in North, Central and South America.

THRT   216C   **3.0 units**
Travel Destinations-Europe and Africa
3.0 hours lecture
Grading: letter grade
Learn location and physical description, history, form of government, documentation, languages, culture, currency, internal transportation, cities and major points of interest in Europe and Africa.

THRT   216D   **3.0 units**
Travel Dest.-Pacific, Asia & Middle East
3.0 hours lecture
Grading: letter grade
Study the location and physical description, history, form of government, documentation, languages, culture, currency, internal transportation, cities and major points of interest in Asia, the South Pacific and the Middle East.

THRT   218   **3.0 units**
Transportation and Tours
3.0 hours lecture
Grading: letter grade
Explore all forms of ground transportation, including rail, motorcoach and car rentals. Learn the methods of costing a complete itinerary and the comparisons per diem for the various forms of transportation, hotel and sightseeing for individuals and groups. Research materials such as hotel, rail guides, car rental information and tour packages are reviewed, as well as customer service.

THRT   219   **3.0 units**
Cruise Specialization
3.0 hours lecture
Grading: letter grade
Introduces ship and cruise line terminology, applications and selling techniques. Identify cruise lines' ships and their selling destinations. Includes individual and group booking procedures.

THRT   220   **3.0 units**
Travel and Tourism Workshop
3.0 hours lecture
Grading: letter grade
Provides a working knowledge of the travel industry. Use all related travel courses in applying knowledge to mock situations.

THRT   222A   **3.0 units**
Travel Agency Computer Operations-SABRE
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: THRT 230 or equivalent Travel/Tourism industry knowledge and/or experience.
Grading: letter grade
Provides a working knowledge of the computer terminal, including flight availability, schedules, passenger data and itineraries and fare information.

THRT   222B   **3.0 units**
Travel Agency Computer Operations-APOLLO
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: THRT 230 or equivalent Travel/Tourism industry knowledge and/or experience.
Grading: letter grade

Provides a working knowledge of the computer terminal, including flight availability, schedules, passenger data and itineraries and fare information.

THRT   222C   3.0 units

Travel Agency Computer Operat-WORLDSPAN
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: THRT 230 or equivalent Travel/Tourism industry knowledge and/or experience.
Grading: letter grade
Provides a working knowledge of the computer terminal, including flight availability, schedules, passenger data and itineraries and fare information.

THRT   222D   3.0 units

Travel Agency Computer Opr-Conversion
2.5 hours lecture , 1.5 hours laboratory
Recommended Preparation: THRT 222A, 222B or 222C or equivalent travel industry knowledge and/or experience.
Grading: letter grade
Provides a working knowledge of the computer terminal for those trained in APOLLO who wish to convert to SABRE and for those trained in SABRE who wish to convert to APOLLO. Flight availability, schedules, passenger data, itineraries, fare information, car and hotel bookings are covered in each conversion.

THRT   224   3.0 units

Meeting and Special Event Planning
3.0 hours lecture
Grading: letter grade
Provides the skills necessary to successfully plan meetings and special events by supplying a comprehensive overview of meeting design and objectives, site selection, negotiation tactics, program planning, food and beverage, room setup, using support services, budgeting and financial planning, exhibit management, booth design, promotion, risk factors and evaluations.

THRT   226   3.0 units

Travel Industry Accounting & Reporting
3.0 hours lecture
Grading: letter grade
A basic intro to travel industry accounting, focusing on the steps in the accounting cycle. Emphasizes understanding the preparation of financial statements. Consideration is also given to accounting for expenses, fixed assets, inventory, equities, sales and payroll.

THRT   228   3.0 units

Corporate Travel Management
3.0 hours lecture
Grading: letter grade
An intro to the activities and responsibilities of the corporate travel arranger and manager. Operational techniques and financial plans and management are identified, proposals and contracts are discussed and the complete corporate travel process is presented.

THRT   230   3.0 units

Travel Industry Fares & Ticketing
3.0 hours lecture
Grading: letter grade
Provides a basic understanding of airline fares, ticketing, the issuance of air tickets and other accountable documents. Actual case studies will be used.

THRT   234   3.0 units

Tour Management & Escorting
3.0 hours lecture
Grading: letter grade
Introduces the roles and expectations of a tour manager and escort. Learn to research, plan and incorporate itineraries, promote the "package," attract clients and manage the operational aspects of a group. The responsibilities and characteristics of a tour escort will be discussed.

THRT   240   3.0 units

Travel Industry Proficiency Preparation
3.0 hours lecture
Recommended Preparation: THRT 210, 218 and 230 or equivalent travel industry knowledge and/or experience.
Grading: letter grade
Preparation for the Travel Agency Proficiency Test (TAP) certified by ASTA (the American Society of Travel Agents) and ICTA (the Institute of Certified Travel Agents). This advanced course reviews the skills essential to a productive travel industry career.

THRT   271AD   2.0 units

Work Experience-Travel Industry
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

THRT   272AD   3.0 units

Work Experience-Travel Industry
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

THRT   273AD   4.0 units

Work Experience-Travel Industry
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
An extension of vocational learning experiences through employment in work experience directly related to the occupational goal or career for which the student college program is designed. One unit of credit shall be granted for every 75 hours per semester. Maximum of twelve units.

VIETNAMESE (VIET)

VIET   1   5.0 units

Elementary Vietnamese
5.0 hours lecture , 1.0 hour laboratory
Grading: letter grade or credit/no credit

Intro to the Vietnamese language, including listening comprehension, conversation, reading, writing, speaking and mastering the basic tones and grammar. Includes conversation in everyday life situations, emphasizing the traditions and customs of Vietnam. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

VIET 1A — 3.0 units
Elementary Vietnamese
3.0 hours lecture
Grading: letter grade or credit/no credit
The first half of VIET 1. Intro to the Vietnamese language, including listening comprehension, conversation, reading, writing, speaking and mastering the basic tones and grammar. Topics for conversation are everyday life situations, emphasizing the traditions and customs of Vietnam. This course, in combination with VIET 1B, is equivalent to VIET 1. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

VIET 1B — 2.0 units
Elementary Vietnamese
2.0 hours lecture , 1.0 hour laboratory
Prerequisite: VIET 1A
Grading: letter grade or credit/no credit
The second half of VIET 1. Intro to the Vietnamese language, including listening comprehension, conversation, reading, writing, speaking and mastering the basic tones and grammar. Topics for conversation are everyday life situations, emphasizing the traditions and customs of Vietnam. This course, in combination with VIET 1A, is equivalent to VIET 1. Not recommended for native speakers.
Transfer Status: Transferable to UC/CSU, see counselor for limitations.

WELDING (WELD)

WELD 50 — 3.0 units
Welding for Technicians
2.0 hours lecture , 4.0 hours laboratory
Grading: letter grade or credit/no credit
Essentials of gas, arc and inert gas welding and their application to industrial processes.
Transfer Status: Transferable to CSU, see counselor for limitations.

WELD 211 — 9.0 units
Fundamentals of Welding & Tools of Trade
5.0 hours lecture , 13.3 hours laboratory
Grading: letter grade or credit/no credit
An intro to welding, emphasizing oxy-acetylene welding, oxy-acetylene cuttings, braze welding and pipefitting. Suitable for students majoring in other occupational areas, such as auto body repair, auto mechanics, machine tool or aircraft maintenance. Good health, manual dexterity and corrected or uncorrected 20/20 vision are necessary to be employable in the welding industry.

WELD 212 — 9.0 units
ARC Welding & Fabrication
5.0 hours lecture , 13.3 hours laboratory
Grading: letter grade or credit/no credit

An intro to arc welding fundamentals: safety practices, welding machines, basic welding symbols, metal identification (ferrous, non-ferrous, corrosion resistant and cast iron), inspection and testing procedures and welding codes. Skills learned will include flat, horizontal, vertical, overhead fillet welds and flat V-groove butt welds.

WELD 213 — 9.0 units
Advanced ARC Welding
5.0 hours lecture , 13.3 hours laboratory
Grading: letter grade or credit/no credit
Prepares students to take the Los Angeles City certification test in structural steel and/or sheet metal welding and to advance knowledge and skills in arc welding. Includes: safety, code specifications, blueprint reading, inspection procedures and basic welding metallurgy.

WELD 214 — 9.0 units
Inert Gas Welding (Heliarc, MIG)
5.0 hours lecture , 13.3 hours laboratory
Grading: letter grade or credit/no credit
Teaches inert gas welding skills, including GTAW (TIG- heliarc) welding of carbon steel, stainless steel, aluminum, magnesium and GMAW (MIG) of steel and aluminum and inshield welding. Learn skills necessary for a career as an aerospace industry welder.

WELD 220 — 6.0 units
Structural Arc Welding
3.0 hours lecture , 9.0 hours laboratory
Grading: letter grade or credit/no credit
Preparation in structural steel and/or sheet metal welding. For students who wish to advance their knowledge and skills in arc welding. Includes safety code requirements, blueprint reading, inspection procedures, welding symbols and an intro to welding metallurgy.

WELD 221 — 4.0 units
Arc Welding Structural Certification
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
Prepares students to take the Los Angeles City certification test in structural steel and/or sheet metal welding and to advance knowledge and skills in arc welding. Includes: safety, electrode identification, welding code applications, basic welding metallurgy and basic welding techniques.

WELD 230 — 4.0 units
Fundamentals of Inert Gas Weld (Heliarc)
2.0 hours lecture , 6.0 hours laboratory
Grading: letter grade or credit/no credit
For students seeking skills in the inert gas welding process (G.T.A.W., G.M.A.W.) on aluminum. Learn the basic skills necessary for a career as an aerospace industry welder.

WELD 271AD — 2.0 units
Work Experience-Welding
1.0 hour lecture , 4.1 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Satisfactory completion of at least seven units per semester including work experience and work experience issues. Vocational learning experiences

through employment in work experience directly related to the industry.

WELD   272AD   3.0 units
Work Experience-Welding
1.0 hour lecture , 8.3 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Satisfactory completion of at least seven units per semester including work experience and work experience issues. Vocational learning experiences through employment in work experience directly related to the industry.

WELD   273AD   4.0 units
Work Experience-Welding
1.0 hour lecture , 12.5 hours laboratory
Corequisite: Enrollment in at least seven units including this course.
Grading: letter grade or credit/no credit
Satisfactory completion of at least seven units per semester including work experience and work experience issues. Vocational learning experiences through employment in work experience directly related to the industry.

WELD   400AD   2.0 units
Welding (General)
1.0 hour lecture , 3.0 hours laboratory
Grading: letter grade or credit/no credit
Safety practices, arc, gas and inert gas welding on all types of metal, metallurgy of welding, blueprint reading, layout, related math, certification requirements and welding codes are covered.

WELD   410AD   2.0 units
Welding (ARC)
6.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques of arc welding of steels, cast iron, aluminum, hard facing, cutting, safety practices and related information. May take a maximum of four semesters of WELD 410AD and 411AD.

WELD   411AD   1.0 unit
Welding (ARC)
3.0 hours laboratory
Grading: letter grade or credit/no credit
Practice arc welding procedures on various types of metal and learn safety practices.

WELD   412AD   3.0 units
Shielded Metal Arc Welding (ARC)
9.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of arc welding of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/open exit program, and it requires the completion of 162 lab hours.

WELD   413AD   2.0 units
SMAW Flat/Horz Groove Welds with Backing
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of arc welding of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices.

This class is an open entry/open exit program, and it requires the completion of 108 lab hours.

WELD   414AD   2.0 units
SMAW Vert & OV/HD Grv Welds w/ Backing
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of arc welding of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/open exit program, and it requires the completion of 108 lab hours.

WELD   415AD   2.0 units
SMAW Flat/Horz Open Root Groove Welds
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of arc welding of steels, cast iron, aluminum, hard facing and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/open exit program, and it requires the completion of 108 lab hours.

WELD   416AD   2.0 units
SMAW Vert & O/H Open Root Groove Welds
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of arc welding of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/open exit program, and it requires the completion of 108 hours.

WELD   450AD   2.0 units
Welding (ARC)
6.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques of arc welding of steels, cast iron, aluminum, hard facing, cutting, safety practices and related information. May take a maximum of four semesters of WELD 450AD and 451AD.

WELD   451AD   1.0 unit
Welding (ARC)
3.0 hours laboratory
Grading: letter grade or credit/no credit
Practice arc welding procedures on various types of metal and learn safety practices.

WELD   453AD   1.0 unit
Welding (Acetylene Gas)
3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn techniques of oxy-acetylene gas welding of steels and aluminum, hard facing, flame cutting brazing, oxy-hydrogen welding and safety practices.

WELD   455AB   1.0 unit
Welding (Inert Gas)
3.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques of metallic and tungsten inert gas welding, welding of steels, aluminum, magnesium, cast iron and safety practices are covered.

WELD   460AD   2.0 units
Welding (Acetylene Gas)
6.0 hours laboratory

Grading: letter grade or credit/no credit
Techniques of oxy-acetylene gas welding of steels and aluminum, hard facing, flame cutting, brazing and oxy-hydrogen welding. Safety practices and general related information. May take a maximum of four semesters of WELD 452AD and 453AD.

WELD 461AD   **1.0 unit**

Oxygen Acetylene Welding
3.0 hours laboratory
Grading: letter grade or credit/no credit
Learn techniques of oxy-acetylene gas welding of steels and aluminum, hard facing, flame cutting brazing, oxy-hydrogen welding and safety practices.

WELD 480AD   **2.0 units**

Welding (Inert Gas)
6.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques of metallic and tungsten inert gas welding. Welding of steels, aluminum, magnesium, cast iron and safety practices are covered.

WELD 481AD   **1.0 unit**

Welding (Inert Gas)
3.0 hours laboratory
Grading: letter grade or credit/no credit
Techniques of metallic and tungsten inert gas welding, welding of steels, aluminum, magnesium, cast iron and safety practices are covered.

WELD 482AD   **2.0 units**

Gas Tungsten Arc Welding Basic Joints
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of Tungsten Inert Gas arc welding (TIG) of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/open exit program and it requires the completion of 108 lab hours.

WELD 483AD   **2.0 units**

Gas Metal Arc/Flux Core Arc Welding
6.0 hours laboratory
Grading: letter grade or credit/no credit
This course will address the techniques of Gas Metal Arch Welding (GMAW) and Flux Core Arc Welding (FCAW) of steels, cast iron, aluminum, hard facing, and cutting. It also covers correct equipment setup and safety practices. This class is an open entry/exit program, and it requires the completion of 108 lab hours.

WELD 601   **0.0 unit**

Basic Vocational Education
15.0 hours laboratory
Grading: LBCC Non-Graded Course
Offers additional assistance in a vocational field or helps improve mastery of specific vocational fundamentals. Students who plan to enroll in regular courses, or who are presently enrolled in classes and need to improve their basic vocational education knowledge can benefit from this program.

ABBOTT, SUSAN M.
Associate Professor, Reading Program
B.A., M.A., California State University, Long Beach

AKHAVAN, MEHRZAD
Associate Professor, Biology
B.S., M.A., California State University, Fresno

ALEMAN, MARY G.
Counselor
A.A., Long Beach City College
B.A., M.S., California State University, Los Angeles

ALEXANDER, PATRICIA L.
Professor, Psychology
B.S., M.A., California State University, Long Beach
Ph.D., University of Southern California

ALGER, RHONDA L.
Instructor, Registered Nursing
BSN, M.S., California State University Dominguez
Hills

ALLEN, MARIANNE
Counselor, Financial Aid
B.S., National University, La Jolla
M.A., Loyola Marymount University

ALLEN, NANCY R.
Instructor, Recording Engineer
B.S., Temple University, Philadelphia

AMELOTTE, DIANE M.
Instructor, Reading
B.A., M.Ed., Loyola Marymount University

ANDERSON, GARY V.
Instructor, Physical Education
B.S., California State Polytechnic University
M.A., Azusa Pacific University

ANDERSON, KIMBERLY B.
Professor, Center for Learning Assistance Services
A.S., Long Beach City College
B.A., California State University, Long Beach
M.Ed., Azusa Pacific University

ANDUJO, ALICIA
Assistant Professor, Counseling
B.A., Mount St. Mary's College
M.S., California State University, Long Beach

ARAEIPOUR, MOHAMMAD
Instructor, Mathematics
B.S., M.S., California State University, Long Beach
M.S., California State University, Long Beach

ARIAS, PHYLLIS J.
Instructor, Center for Learning Assistance Services
B.A., University of California, Santa Barbara
M.A.Ed., Claremont Graduate School

ARNAUD, MARICELA
Associate Professor, Registered Nursing
B.S.N., California State University, Long Beach
M.S.N., California State University, Dominguez Hills

ARSLAN, RUSSELL C.
Assistant Professor, Social Science
B.A., San Jose State University
M.A., California State University, Los Angeles

AVILA, MICHAEL A.
Professor, Manufacturing Technologies
A.S., Los Angeles Valley College
Credential Vocational Education, Life
B.V.E., California State University, Long Beach

BARCLAY, KIM T.
Librarian, Bibliographic Instruction
B.A., University of Paris IV, Sorbonne
M.L.S., California State University, San Jose

BARNES, HELEN M.
Assistant Program Director
Professor, Vocational Nursing
R.N., Queen of Angels Hospital, Los Angeles
A.S., Cypress College
B.S., California State University, Fullerton
M.S., California State University, Los Angeles

BAXTER, VIRGINIA L.
Scholarship Coordinator/Director, LBCC Foundation
Professor, History
B.A., M.A., Occidental College
Ed.D., University of LaVerne

BEAS, SOFIA F.
Professor, Academic Counselor
B.S., University of Southern California
M.A., Point Loma Nazarene College, San Diego

BEEBE, FRED J.
Associate professor, Economics
B.A., M.A., California State University, Los Angeles

BEELER, ANYA K.
Instructor, Art
B.A., Berea College
M.F.A., University of Arizona

BEITLER, DEBRA A.
Instructor, Registered Nursing
B.A., MSN, California State University, Dominguez
Hills

BELL, LINDA B.
Instructor, Mathematics
A.A., Cypress College
B.A., University of California, Irvine
B.A., M.A., California State University, Fullerton

BERTEIN, ROMAIN
Hospitality Department Head
Culinary Arts Coordinator
Professor, Culinary Arts
A.S., Long Beach City College
B.S., California State University, Long Beach

BLOUIN, LORRAINE L.
Matriculation Counselor
A.A., Cerritos College
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills

BORTIS, TERENTIE
Instructor, Mathematics
B.S., University of Timisoara, Romania
M.B.A., University of Arizona
M.S., California State Polytechnic University, Pomona

BOUWENS, DEBRA A.
Instructor, Child and Adult Development
A.A., Long Beach City College
B.A., California State University, Fullerton
M.A., California State University, Long Beach

BOYER, GRANT G.
Instructor, Administration of Justice
A.A., Long Beach City College
B.S., M.S., California State University, Long Beach

BRASHEAR, WAYNE L.
Instructor, Commercial Music, Instrumental
Performance & Technology
B.A., University of California, Los Angeles
M.A., California State University, Long Beach

BRÀZDA, WILLIAM E.
Associate Professor, English as a Second Language
B.A., Dartmouth College
M.A., University of Utah
M.A., California State University, Long Beach
D.A., Centre for Communications Studies, London
Certified T.E.S.L., University of California, Los
Angeles

BREECE, LAUREL H.
Instructor, Anthropology
B.A., California State Polytechnic University, Pomona
M.A., Ph.D., University of California, Los Angeles

BRINKMAN, CAROLYN R.
Professor, English
B.A., Wheaton College
M.A., California State University, Long Beach
Ph.D., University of Southern California

BRINTON, STANLEY W.
Professor, Mathematics
A.A., Sacramento City College
B.A., M.A., California State University, Sacramento

BRITTON, DOUGLAS
Instructor, Physical Science
B.S., M.S., Loma Linda University
Ph.D., University of Wyoming

BROOK, DAFNA
Counselor
B.A., University of California, Los Angeles
M.A., Ph.D., California School of Professional
Psychology

BRUECKNER, SCOTT H.
Instructor, Learning/Study Skills
B.A., California State University, Long Beach

BUCHO, PATRICIA A.
Instructor, Health Office Occupational/Medical
Assisting
A.S., Long Beach City College

BUELNA, ADOLFO
Instructor, English as a Second Language
B.A., California State University, Long Beach
M.A., University of Southern California

BUENAVENTURA, NENITA
Access Services Librarian
B.A., M.A., National Teachers College, Manila
M.A., University of the Philippines, Quezon City
M.A., San Jose State University

BURTON, E. RAY
Coordinator, Radio/Television
Professor, Speech Comm/Telecommunications
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach

BUTLER, THERESE J.
Computer Applications & Office Technology
Department Head
Professor, Computer Applications & Office Tech
B.S., California State University, Long Beach
M.Ed., Azusa Pacific University

BYNUM, LOU ANNE
Vice President, Economic & Resource Development
B.A., California State University, Long Beach
M.A., University of California, Los Angeles

BYRD, ARTHUR R.
Vice President, Student Support, Planning & Research
B.A., M.A., Ph.D., University of Washington, Seattle

CABALLERO, STEPHEN S.
Instructor, Culinary Arts/Pastry Chef
A.S., East Los Angeles College

CAHILL, FRANCES E.
Professor, English as a Second Language
B.A., Immaculate Heart College, Los Angeles
M.A., California State University, Long Beach
Certified T.E.S.L.

CAHILL, WILLIAM F.
Professor, English as a Second Language
B.A., M.A., San Jose State University
Ph.D., University of California, Los Angeles
Certified T.E.S.L.

CALLAHAN, MARY
Vice-President, Academic Affairs
Professor, Health Technologies
R.N., St. Elizabeth School of Nursing, Brighton, Mass.
B.A., M.A., California State University, Long Beach
Ed.D., University of Southern California

CANO, ANITA C.
Professor, Spanish
B.A., Occidental College
M.A., University of California, Los Angeles

CANZANO, KIRK G.
Instructor, Accounting
B.S., California State Polytechnic University, Pomona

CARBONARO, EUGENE
Professor, Computer Applications & Office Tech
A.A., Long Beach City College
B.S., M.A., California State University, Los Angeles

CARLSON, DALE W.
Instructor, Diesel Technology
A.S., Long Beach City College

CARREIRO, ANTHONY D.
Instructor, Acting/Theater Director
B.A., Cornell University
M.F.A., University of Washington, Seattle

CARROLL, RICHARD D.
Speech Communication Department Head
Assistant Professor, Speech
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach

CARTER, CHRISTOPHER
Instructor, Cultural Geography
B.A., University of California, Berkeley
M.A., San Diego State University
Ph.D., University of California, Santa Barbara

CAVALIER, MARY L.
Professor, Nursing
R.N., Berea College School of Nursing, KY
B.S.N., California State University, Long Beach
M.S.N., University of California, Los Angeles

CHAFFEE, BRUCE W.
Instructor, Mathematics
B.S., Stanford University
M.A., University of California, San Diego

CHANG, SHENG-TAI
Professor, English
B.A., East China Normal University, Shanghai
M.A., University of Calgary, Canada
M.A., Ph.D., University of Southern California

CHOWEN, ALLAN D.
Instructor, Physical Education
A.A., Long Beach City College
B.S., California State University, Long Beach

COLLINS, VICTOR R.
Dean, Human Resources
A.A., Riverside Community College
B.A., M.P.A., California State University, Fullerton

CORTZ-GLICK, NICOLE
Instructor, English Composition
B.A., University of California, Riverside
M.A., California Polytechnic University, San Luis
Obispo

CROOK, CASEY E.
Instructor, Physical Education
B.S., Briar Cliff College, Sioux City, Iowa
M.A., California State University, Long Beach

CULLY, SUSAN
Instructor, Computer Applications & Office Tech
B.S., California State University, Dominguez Hills
M.A., California State University, Long Beach

CURTIS, JANET M.
Professor, Life Science
B.S., California Polytechnic State University, San Luis
Obispo
M.A., Stanford University

DANIEL, MICHIEL
Associate Professor, Fine Arts
B.A., M.A., California State University, Long Beach
M.F.A., Claremont Graduate School of Fine Art

DANIELS, KARYN D.
Assistant Professor, Sociology
B.A., University of California, Los Angeles
M.A., Yale University

DANIELS, MERIDEL
Associate Professor, Life Science
B.A., M.A., California State University, Long Beach

DANNER, JOSEPH C.
Physical Science Department Head
Professor, Chemistry/Physics
B.S., Lehigh University
M.A., Ph.D., Brandeis University

DAVIS, MAXINE M.
Interim Dean, School of Physical Education & Athletics
B.S., Winthrop College, Rock Hill, S.C.
M.A., Whittier College

DE LA OSSA, RALPH K.
Public Services Department Head
Instructor, Fire Science
A.S., Crafton Hills College, Yucaipa
B.S., M.S., California State University, Long Beach

DELGAUDIO, JULIAN J.
Professor, History
B.A., M.A., California State University, Northridge
Ph.D., University of California, Irvine

DI GIOVANNI, DENNIS
Air Conditioning/Mechanical Department Head
Instructor, Air Conditioning & Refrigeration
A.S., Long Beach City College

DI COSTANZO, RONALD C.
Professor, English
B.A., Florida Atlantic University, Boca Raton
M.A., University of New Hampshire, Durham
Ph.D., State University of New York at Binghamton

DOUGLAS, DONALD K.
Instructor, Political Science
B.A., California State University, Fresno
M.A., Ph.D., University of California, Santa Barbara

DOUGLAS, O. LEE, JR.
Center for Learning Assistant Svcs Department Head
Instructor, Learning/Study Skills
B.A., Pepperdine University
M.A., California State University, Dominguez Hills

DOWNEY, JOHN C.
Instructor, Biology
B.S., California State Polytechnic University, San Luis
Obispo
M.A., California State University, Fullerton

DU BOIS, TONI M.
Director, Financial Aid
B.A., M.S., California State University, Long Beach

DUROSS, DELIA A.
Assistant Professor, Reading
B.A., M.A., Loyola Marymount University

DUSTMAN, THOMAS E.
Professor, Music
B.A., M.A., Bowling Green State University

EDLUND, JULIANA
Instructor, Interior Design
B.A., California State University, Sacramento

ELDRED, GERRY L.
Professor, English as a Second Language
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach

ELIMELECH, BARUCH
English as a Second Language Department Head
Professor, English as a Second Language
B.A., M.A., Ph.D., University of California, Los Angeles

ELMORE, KIMBLE P.
Instructor, Aviation Maintenance
A.S., Quinebaug Valley Community College

ELSHIHABI, AZZAM
Instructor, Mathematics & Engineering
M.A., Ph.D., Claremont Graduate University

ENEYEW, TILAHUN
Professor, Physics
B.S., Haile Selasie University, Addis Ababa
M.A., Western Michigan University, Kalamazoo
Ph.D., Purdue University

ENSTINE, CHRISTINE L.
Instructor, Registered Nursing
B.S.N., California State University, Dominguez Hills
M.S.N., University of Pennsylvania, Philadelphia

EPLEY, JEFFREY A.
Instructor, English, Reading
B.A., M.F.A., California State University, Long Beach

ERB, ADRIAN E.
Architecture/Drafting Department Head
Instructor, Architecture
A.A., Golden West College
B.S., Rhode Island College, Providence

FABISH, JORDAN I.
Instructor, Reading
A.A., Long Beach City College
B.A., California State University, Long Beach
M.S., California State University, Fullerton

FAULKNER WALIA, KAREN P.
Assistant Professor, International Business/Marketing
B.A., Trinity University, San Antonio, Texas
MBA, Arizona State University, Tempe
M.A., American Graduate School of International Management, Glendale, Arizona

FELLMAN, LEONARD
Professor, Electronics
B.S., California State University, Long Beach
Registered Professional Engineer, State of California

FISHER, PAULA V.
Instructor, Child and Adult Development
B.S., Southern Illinois University, Carbondale
M.S., Northern Illinois University, DeKalb

FLORENCE, GREGG S.
Professor, Speech Communication
A.A., Bakersfield College
B.A., M.A., California State University, Long Beach

FLORENCE, JERI L.
Professor, Counseling
A.A., Long Beach City College
B.A., California State University, Long Beach
M.S., University of LaVerne

FRASER, J. SCOTT
Electronics/Electricity Department Head
Instructor, Electronics/Electricity
A.S., Long Beach City College
B.S., California State University, Los Angeles

FRATTALONE, DAVID G.
Professor, Horticulture
B.S., California State University, Long Beach

FREEMAN, ERAINIA L.
Counselor
B.A., California State University, Long Beach
M.A., Pepperdine University

FREITAS, CLAUDIA A.
Assistant Professor, Life Science
B.S., M.S., California Polytechnic State University, San Luis Obispo

FURMULY, ROYA
Instructor, Mathematics
B.S., M.A., University of California, Los Angeles

FYLPAA, JOHN R.
Dean, Student Affairs
Professor, Speech
A.A., Long Beach City College
B.S., M.S., California State University, Long Beach
Ed.D., University of LaVerne

GAILEY, W. NEIL
Instructor, Computer Applications & Office Tech
B.S., University of Utah, Salt Lake City
M.S., Utah State University, Logan

GALICIA, BLANCA L.
Counselor
A.A., Los Angeles Harbor College
B.A., MA, California State University, Dominguez Hills

GARGANO, ANTHONY C.
Associate Professor, English Composition
A.A., Hudson Valley Community College
B.A., M.A., California State University, Long Beach

GASPAR, FRANK X.
Associate Professor, English
A.A., Long Beach City College
B.A., California State University, Long Beach
M.F.A., University of California, Irvine

GAUDIOT, TERESA D.
Assistant Professor, English as a Second Language
B.A., M.A., California State University, Long Beach

GICUHI, DARLENE
Counselor
B.S., Southern Illinois University
M.S., California State University, Fullerton

GOODSON, VICKIE D.
Professor, Diagnostic Medical Imaging Sciences
A.S., Long Beach City College
B.V.E., California State University, Long Beach
M.A., Pepperdine University
Ph.D., California Coast University

GORDON, LYNDA L.
Professor, Biology
B.S., M.A., California State University, Long Beach
D.A., Idaho State University, Pocatello

GOSS, EUGENE R.
Professor, Political Science
B.A., Linfield College
M.A., University of Southern California

GREENSTEIN, WENDY R.
Assistant Professor, English
B.A., Hunter College
M.A., Purdue University

GRUBER, DONALD E.
Associate Professor, Theatre Arts
B.A., California State University, San Bernardino
M.F.A., California State University, Long Beach

GUILLEN, CHRISTINA M.
Instructor, English
B.A., Pennsylvania State University
M.A., University of Southern California

GUNTHER, DIANE
Instructor, English
B.A., M.A., California State University, Long Beach

GUSTAFSON, LARRY L.
Instructor, Welding
A.A., Cerritos College
A.S., Rio Hondo College

GUTIERREZ, CHARLES G.
Instructor, Music & Radio/Television
A.A., Long Beach City College

HABASH, SAMIRA H.
Instructor, Speech Communication
A.A., El Camino College
B.A., M.A., California State University, Long Beach

HAGEMAN, SHAUNA
Counselor
B.S., M.S., California State University, Fullerton

HALL, PHYLLIS C.
Counselor, Extended Opportunity Program & Service
Professor, Counseling
B.A., Whittier College
M.S., M.S., California State University, Fullerton
Ph.D., United States International University

HAMILTON, BRIAN E.
Director of Bands
B.A., M.M., University of California, Los Angeles

HANCOCK, NIGEL J.
Instructor, Environmental Scientist/Physical Geography
B.A., Ph.D., University of Oxford, England

HANSCH, DANIEL
Disabled Student Programs & Services Counselor
B.A., University of California, Santa Cruz
M.A., California State University, Northridge

HARRELL, BRENDA D.
Registered Nursing Department Head
Professor, Nursing
B.S.N., Tuskegee Institute
M.S.N., Catholic University of America
Ed.D., Nova University

HARRIS-FARACE, DONA J
Professor, Travel & Tourism
A.A., Coastline Community College
B.A., California State University, Long Beach

HART, JOHN D.
Instructor, ESL Composition Specialist
B.A., California State University, Bakersfield
M.A., University of Utah, Salt Lake City

HARTFORD, KRISTIN M.
Instructor, Mathematics
B.S., Pennsylvania State University, University Park
M.S., Long Island University at CW Post, Brookville,
New York

HATCH, KIM
Instructor, Physical Science
B.A., M.A., California State University, Long Beach

HAUCK, JOHN F.
Instructor, Electrical/Electronics
California Community College Instructor Credential
for Life

HAUG, JOAN R.
Associate Professor, Computer Applications & Office
Technology
B.A., University of Wisconsin, Eau Claire
M.B.A., Pepperdine University

HAYES, ANTHONY R.
Counselor, Extended Opportunity Program & Service
B.A., University of California, Los Angeles
M.S. California State University, Long Beach

HEEB, PATRICK W.
Instructor, Air Conditioning/Heating/Refrigeration
A.A., East Los Angeles College
B.A., California State University, Los Angeles

HENDRICKS, H. CRAIG
Professor, History & Political Science
B.A., California State University, Long Beach
M.A., Ph.D., State University of New York at Stony
Brook

HERMAN, DAVID
Theatre, Dance & Film Department Head
Instructor, Acting, Theater Arts
London Academy of Music & Dramatic Art,
London, U.K.
Homerton College, Cambridge, England

HERSH, ROBERT
Instructor, Music & Radio/Television
B.A., Vanderbilt University

HERZEK, FARLEY E.
Dean, School of Trades & Industrial Technologies
B.S., City College of New York, New York
M.A., California State University, Long Beach

HILLMAN, KENNA
Counselor
A.A., Long Beach City College
B.F.A., California State University, Long Beach
M.S., University of La Verne

HINES, DAISY B.
Professor, Registered Nursing
A.A., Los Angeles City College
B.S., M.S., California State University, Los Angeles

HINTON, MARION F.
Librarian
B.A., M.Ed., M.L.S., Wayne State University, Michigan

HOBBICK, CHARLES
Associate Professor, Aviation Maintenance
A.A., Long Beach City College

HOLLENBERG, RACHEL A.
Assistant Professor, Philosophy
B.A., Rutgers University
M.A., Claremont Graduate University

HORNSBY, WENDY N.
Assistant Professor, History
B.A., M.A., California State University, Long Beach

HOTRA, TIARE L.
Instructor, Reading Program
B.A., M.Ed., Loyola Marymount University

HOUGH, W. ROGER
Life Science Department Head
Professor, Life Science
B.S., California State University
M.A., West Virginia University

HUGUNIN, JOHN L.
Instructor, Computer & Business Information Systems
B.S., University of California, Santa Barbara
M.B.A., Loyola Marymount University

HUND, JANET S.
Instructor, Sociology
B.A., Wichita State University
M.A., Arizona State University

IAZZETTA, FRANK D.
Professor, Business Administration
B.S., M.S., California State University, San Francisco
Ed.D., Nova University
C.P.A.

IBARRA, RIGOBERTO G.
Professor, Foreign Languages
B.A., M.A., University of California, Los Angeles

IKEI, E. COLIN
Instructor, Computer & Business Information Systems
B.A., Mt. Carmel College (St. Bonaventure University)
B.A., California State University, Los Angeles

INGRASSIA, MAURICIO A.
Coordinator/Instructor, Soccer
A.A., Long Beach City College
B.A., California State University, Fullerton
M.A., Azusa Pacific University

JACKSON, BARBARA A.
Women's Basketball Coach
Instructor, Physical Education, Law
B.S., California State University, Long Beach
M.A., California State University, Dominguez Hills
J.D., Glendale University College of Law
Admitted to California State Bar 1988

JACKSON, CHARLOTTE A.
Instructor, Spanish/French
M.A., University of California, Santa Barbara
M.A., California State University, Sacramento

JACOBS, CHRISTINE S.
Professor, Child and Adult Development
A.A., Long Beach City College
B.A., California State University, Long Beach
M.A., United States International University

JACOBS, MICHAEL C.
Professor, Photography
A.S., Long Beach City College
B.A., M.A., California State University, Long Beach

JACOBSEN, V. GARY
Professor, Physical Education
B.A., M.Ed., Whittier College

JASO, JERRY R.
Instructor, Physical Education/Assistant Football Coach
B.A., University of California, Los Angeles
M.A., U.S. International University, San Diego

JENKINS, GERRY W.
Computer & Business Information Systems Dept Head
Instructor, Computer & Business Information Systems
B.S., Arizona State University, Tempe

JENNINGS, KATHRYN P.
Instructor, Reading
B.A., M.A., California State University, Long Beach

JENNINGS, RICHARD J.
Professor, English
B.A., University of Miami
M.A., Arizona State University
Ph.D., Ball State University

JOESTING, LINDA A.
Professor, Speech Communications
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach
M.S., University of LaVerne

JOHNSON, ROGER R.
Professor, Music
B.A., M.A., California State University, Long Beach

JOSEPH, CHARLOTTE W.
Professor, Political Science
B.A., University of Southern California
M.A., Georgetown University

JOSEPH, GREGORY A.
Professor, History
B.A., B.S., M.A., California State University, Fullerton
Ph.D., Claremont Graduate School

JUES, PIERRE B.
Instructor, Culinary Arts
A.S., Long Beach City College

KANE, KAREN A.
Executive Director, Community Relations & Marketing
Instructor, Physical Education
B.A., San Diego State University
M.Ed., Boston College, Chestnut Hill, Massachusetts

KASKA, PATRICE A.
Professor, Basic Adult Education
B.A., University of Northern Colorado
B.A., California State University, Long Beach
M.A., California State University, Los Angeles

KAY, WILLA
Associate Professor, English as a Second Language
B.A., MA., California State University, Long Beach
T.E.S.L. Certificate, University of California, Los
Angeles

KEAST, BETTY J.
Professor, Computer & Office Technologies
B.S., California State University, Long Beach
M.A., California State University, Los Angeles

KEHOE, E. JAN
Superintendent-President
B.A., Southwestern University
M.S., Wichita State University
Ph.D., University of Texas, Austin

KEILBACH, HERTA M.
Professor, German/English as a Second Language
B.S., Mount St. Mary's College
M.A., California State University, Long Beach
M.A., Ph.D., University of Southern California

KILLIAN, THOMAS J.
Instructor, Mathematics & Engineering
B.S., M.S., University of Illinois
J.D., Western State University

KIM, JONG H.
Instructor, Mathematics & Engineering
B.S., M.A., University of Southern California
M.A., University of California, Los Angeles

KING, LINDA
Professor, Art
M.A., California State University, Humboldt
M.F.A., University of Iowa, Iowa City, Iowa

KING, SHEREE L.
Associate Professor, Dance
B.A., California State University, Fullerton
M.A., University of California, Los Angeles

KING, STEVEN R.
Professor, Aero-Pilot Training
B.A., California State University, Fresno
Diploma, Moody Bible Institute
Two years' occupational experience

KNAPP, PETER J.
Assistant Professor, Music Theory/Music History
A.A., College of Dupage
B.M., Elmhurst College, Elmhurst, Illinois
M.M., M.A., Ph.D., Ohio State University, Columbus

KNIGHTS, PAMELA D.
Instructor, Fashion
B.S., University of Cincinnati

KOLASA, MARY JEAN
Professor, English as a Second Language
B.S., State University College at Buffalo
M.S., State University of New York at Buffalo
M.A., California State University, Long Beach

LAMM, FREDERICK R.
Instructor, Auto Mechanics-Diesel
A.S., Los Angeles Trade Technical College
B.A., M.A., California State University, Long Beach
Ed.D., Nova University

LANG, CHARLINE G.
Coordinator, Child Development Center
A.A., Long Beach City College
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills

LAWRENCE, MATTHEW C.
Associate Professor, Philosophy
B.A., University of California, Santa Cruz
M.A., Ph.D., University of California, Irvine

LEDUFF, DONNA E.
Assistant Professor, Counseling
A.A., Los Angeles Harbor College
B.A., California State University, Dominguez Hills
M.S., California State University, Long Beach

LEHMAN, J. DAVID
History & Political Science Department Head
Associate Professor, History
B.A., Eastern Mennonite College, Harrisonberg, VA
M.A., Ph.D., University of California, Los Angeles

LENHERT, JOHN K.
Professor, Mathematics
B.S., Kansas State Teachers' College
M.S., Notre Dame

LIPTON, DAVID A.
Associate Professor, English
B.A., M.A., California State University, Northridge

LOUIE, JOHN
Instructor, Auto Collision & Repair
A.S., Delta College
License, ASE & I-CAR

LOVE, MAURICE L.
Instructor, Music
B.M., Central State University, Edmond, Oklahoma
M.M.U.S., University of Oklahoma, Norman

LUKSTEIN, EDUARD
Professor, Computer Numerical Control
B.S., California State University, Long Beach
M.B.A., California State University, Dominguez Hills

LYNCH, MIRIAM V.
Instructor, Computer Applications & Office Tech
B.A., M.A., California State University, Los Angeles

MAC CALLUM, MICHAEL J.
EOP&S Counselor
Professor, Psychology
B.A., M.A., California State University, Long Beach

MACKAY, JANNIE L.
Matriculation Coordinator
Professor, Counseling
A.A., Long Beach City College
B.A., University of California, Berkeley
M.S., Ph.D., University of Southern California

MACY, CALVIN W.
Instructor, Automotive Technology
B.A., California State University, Long Beach

MADRIGAL, FRANCISCO
Assistant Professor, Culinary Arts
A.S., El Camino College

MANSFIELD-JUAREZ, APRIL M.
Professor, Child and Adult Development
B.A., M.A., Pacific Oaks College, Pasadena
Ph.D., Capella University

MARTIN, BETTY J.
Instructor, Speech Communication
M.A., California State University, Long Beach

MARTINEZ, BARBARA A.
Director, EOP&S and CARE
B.A., M.A., California State University, Northridge
Ph.D., Arizona State University, Tempe

MARTOIS, JAMES E.
Director, Workforce Development
B.A., University of California, Los Angeles
M.A., California State University, Long Beach
Ph.D., University of Southern California

MASTROS, MARVIN
Learning Disabilities Teacher/Advisor, Disabled
Students Programs & Services
A.A., East Los Angeles College
B.A., M.A., California State University, Los Angeles

MATSUI, MARK M.
Coordinator, Disabled Students Programs/Services
B.S., San Jose State University,
M.S., California State University, Los Angeles

MAXELL, ROBERT C.
Instructor, Mathematics
B.S., California State University, Dominguez Hills
M.S., California State University, Long Beach

McCALL, SHELLIE L.
Womens Softball Coach
Instructor, Physical Education
B.S., California Polytechnic University, Pomona
M.A., Azusa Pacific University

McKEAN, PATRICK J.
Newspaper Adviser
Professor, Journalism
A.A., Ventura Community College
B.A., University of Southern California
M.P.A., California State University, Long Beach

McKIBBON, THOMAS D.
Professor, Sheet Metal
B.A., California State University, Long Beach
B.S., Arlington College
Graduate Journeyman Credential, University of
California, Los Angeles

McMULLEN, MYKE
Instructor, Marketing/Management
B.S., Woodbury University, Los Angeles
M.B.A., Pepperdine University

MELUCCI, NANCY J.
Associate Professor, Social Science
A.B., Bryn Mawr College
Ph.D., University of Pennsylvania

MERRY, PAULINE E.
Provost, Pacific Coast Campus
B.S.N., University of Missouri-Columbia
Credential, Health Education, University of California,
Los Angeles
M.S., Ph.D., University of Southern California

MIERAS, ELVIA F.
Professor, Food & Nutrition
B.S., M.S., M.S.R.D., California State University, LB

MILLER, DENNIS O.
Instructor, ESL Composition Specialist
B.A., University of Texas, Arlington
M.A., University of California, Los Angeles

MILLER, LYNNE M.
Director, Career & Technical Education
Professor, Family & Consumer Studies
B.A., M.A., California State University, Long Beach
J.D., Loyola Law School

MILLER, MARVIN H.
Instructor, Physical Education

NAGY, GARY C.
Associate Professor, English
A.A., El Camino College
B.A., University of California, Los Angeles
M.A., California State University, Dominguez Hills

NASAB, MICHAEL A.
Professor, Mathematics & Engineering
B.S., California State University, Northridge
B.A., California State University, Dominguez Hills
M.S., Northrop University
M.S., California State University, Los Angeles

NAVLAN, PAUL E. JR.
Professor, Ornamental Horticulture
A.A., Fullerton College
B.V.E., California State University, Long Beach

NELSON, BARBARA A.
Instructor, Nursing Education
A.A., R.N., Long Beach City College
B.S., M.S., California State University, Los Angeles

NGO, RATANAMUNY
Instructor, Mathematics
B.S., Harvey Mudd College, Claremont
M.S., Claremont Graduate School

NGUYEN, SIMONE
Instructor, Mathematics
Diploma, Eberhard-Karls-University, Germany
M.A., California State University, Long Beach

NIELSON, PAULA I.
Librarian
B.A., Brigham Young University
M.L. University of Washington
Ph.D., University of Utah

NOGGLE, JAMES L.
Instructor, Accounting
B.S., California State University, Los Angeles
M.B.A., Azusa Pacific University
CPA, State of California

NOORIGIAN, JULIE A.
Instructor, Child and Adult Development
B.A., California State University, Long Beach
M.S., University of La Verne

NOVOTNY ADRIAN S.
Professor, Anthropology/Sociology
B.A., B.S., Youngstown State University
M.A., California State University, Long Beach
Ph.D., University of Oregon

NUNAG, ANN MARIE N.
Counselor
A.A., Golden West College
B.S., California State University, Fullerton
M.A., California State University, Dominguez Hills

NUÑEZ, JOSE R.
Foreign Language Department Head
Professor, Spanish
M.A., Universidad Autonoma, Madrid, Spain
Ph.D., University of California, Los Angeles
Licenciatura, Universidad Autónoma Madrid, Spain

OAKLEY, ELOY O.
Vice President, Administrative Services
B.A., M.B.A., University of California, Irvine

OEDING, CHRISTOPHER M.
Instructor, Physical Education
B.A., University of California, Berkeley
M.A., Azusa Pacific University

OGIMACHI, DIANA G.
Professor, Counseling
B.A., M.S., California State University, Los Angeles

OH, JUDY J.
Counselor, International Student Program
B.A., University of California, Berkeley
M.S., California State University, Los Angeles

O'LEARY, ROARKE P.
Counselor/Academic Advisor for Athletes
B.A., University of California, Irvine
M.A., California State University, Fresno

ONG, WOOI CHIN J-SON
Instructor, English
M.A., California State University, Northridge

ORLOVSKI, STANISLAV
Instructor, Drawing and Painting
B.Ed., University of Toronto, Canada
BFA, York University, Toronto, Canada
MFA, University of Southern California

OSTACH, JAMES S.
Professor, Speech
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach

O'TOOLE, SANDRA N.
Instructor, Business Law
B.A., University of Michigan, Ann Arbor
J.D., University of Notre Dame

OUTHWAITE, FRANCES M.
Instructor, Registered Nursing
A.A., Long Beach City College
B.S., California State University, Fullerton
MSN, University of San Diego

PADILLA, YOLANDA C.
Instructor, Counseling
A.A., Pasadena City College
B.A., University of Southern California
M.A., Point Loma Nazarene College

PAGE, RUBEN D.
Counselor
B.A., University of California, Irvine
M.S., California State University, Long Beach

PANCHO, ZENAIDA C.
Associate Professor, Vocational Nursing
B.S.N., Philippine Women's University, Manila
M.A., New York University

PAUNOVIC, MILA V.
Instructor, Vocational Nursing
A.A., Riverside Community College
BSN, Loma Linda University

PEARSON, VELVET D.
Instructor, English Composition
B.A., University of California, Santa Barbara
M.A., San Diego State University
Ph.D., University of Southern California

PELLEGRINI, LAURA A.
Instructor, Political Science
B.S., California State University, Long Beach
M.A., MPA, University of Southern California

PENA, MAXIMINO
Instructor, Cabinet Making/Carpentry
A.A., El Camino Community College
B.S., California State University, Long Beach

PERKINS, DANIEL D.
Aviation Department Department Head
Instructor, Aviation Maintenance
A.S., West Los Angeles College, Culver City
B.S., Embry-Riddle Aeronautical University, Prescott, Arizona

PERROT, MARY E.
Instructor, Chemistry
B.S., Massachusetts Institute of Technology
Ph.D., University of Wisconsin, Madison

PETERS, DARLEEN A.
Professor, Nursing
B.S.N., M.S.N., California State University, Los Angeles

PETERSON, DEBRA E.
Assistant Professor, Counseling
A.A., Los Angeles Harbor College
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills

PIERCE, KRISTIN
Instructor, Child and Adult Development
B.A., M.A., California State University, Long Beach

POKORNY, GRACE K.
Instructor, Health
B.S., University of California, Los Angeles
M.S.W., M.P.H., San Diego State University

POTO, CAROL C.
Womens Tennis Coach
Associate Professor, Physical Education
B.A., M.A., California State University, Long Beach
Ph.D., Louisiana State University

POTTER, LAURIE E.
Instructor, English as a Second Language
B.A., Marymount Manhattan College
M.A., California State University, Long Beach

POWELL, RENAE L.
Professor, Computer & Business Information Systems
B.S., California State University, Los Angeles
M.A., California State University, Long Beach

PRINDLE, DONNA L.
Associate Professor, Physical Education
B.A., M.A., California State University, Long Beach

PROCTOR-CASTILLO, CATHY
Child Development Center Laboratory Director
Associate Professor, Child and Adult Development
A.A., Rio Hondo College
B.A., M.A., California State University, Los Angeles

REYNOLDS, KATHERINE R.
Professor, Nursing
B.S.N., Boston College
M.S.N., California State University, Los Angeles
M.A., Ph.D., United States International University

RICHARDS, GISELLE T.
Instructor, English as a Second Language
B.A., University of Southern California
M.A., California State University, Los Angeles

RIDENOUR, ANALISA
Instructor, Speech Communication
A.A., Cypress College
B.A., M.A., California State University, Long Beach

RIPLEY, DAN A.
Athletic Coach
Instructor, Health Education
A.A., Cypress College
B.S., California State University, San Jose
M.S., California State University, Fullerton

RISCHER, CARL E.
Professor, Life Science
B.S., Utah State University
M.A., Ph.D., University of California, Los Angeles

RITTMAN, SANDRA K.
Professor, Computer Applications & Office Tech
A.A., Cerritos College
B.A., California State University, San Francisco
M.A., California State University, Los Angeles
Ed.D., Nova University

RIVERA, JAVIER
Construction & Related Trades Department Head
Instructor, Carpentry
A.A., Santa Ana College

ROA, BRADLEY D.
Professor, Cabinetmaking
B.A., Humboldt State University

ROCK, ELLIOTT H.
Professor, Political Science
B.A., M.P.A., San Diego State University
Ph.D., University of Southern California

RODRIGUEZ, TREVOR
Coordinator, School and College Relations
B.A., MPA, California State University, Long Beach

ROEMER, CAROL K.
Professor, Art
A.A., Lake Erie College for Women
B.A., M.A., California State University, Long Beach
Ph.D., Claremont Graduate School

ROSE, KAREN L.
Assistant Professor, English
B.A., M.A., Ph.D., University of California, LA

ROSENBERG, LADERA.
Instructor, Mathematics
B.S., San Diego State University
M.S., California State University, Long Beach

ROSS, MELVIN L.
Instructor, History
B.S., M.A., Purdue University

RUDOLPH, JOAN E.
Professor, Computer & Business Information Systems
B.A., Nazareth College
M.A., California State University, Long Beach

RUNNINGBEAR, SHANNON Q.
Instructor, English Composition
B.A., University of California, San Diego
M.A., California State University, Dominguez Hills

RYAN, JOHN K.
Instructor, Mathematics
B.S., M.S., California State University, Long Beach

SALMAS, OLYMPIA S.
Professor Computer Applications & Office Tech
A.A., El Camino College
B.S., California State University, Long Beach
M.B.A., Chapman College
M.A., California State University, Los Angeles

SAMMUT, NOREEN A.
Instructor, Registered Nursing
R.N., St. Vincent Hospital School of Nursing
B.S.N., Hunter College, New York
M.S.N., Pace University, Pleasantville, New York

SANCHEZ, RODOLFO R.
Auto Mechanics/Diesel Department Head
Instructor, Auto Body
A.A., Cerritos College

SAPIEN, JANICE M.
Professor, English as a Second Language
B.S., Oklahoma Baptist University, Shawnee
M.A., TESL Certificate, California State University,
Long Beach

SARTIN, WINFORD E.
Manufacturing Technologies Department Head
Instructor, Welding
A.S., Long Beach City College

Assistant Professor, Political Science
B.A., California State University, Northridge
M.A., University of California, Riverside

SCHAEFER, DEBRA A.
Family & Consumer Studies Department Head
Instructor, Fashion Design/Merchandising
A.A., The Fashion Institute of Design & Merchandising
Thirteen years experience in Fashion/Textile industry

SCOTT, GARY T.
Dean, Creative Arts & Applied Sciences
Professor, Music
B.A., M.A., California State University, Los Angeles
Ed.D., University of California, Los Angeles

SEARS, BRENT A.
Instructor, Architecture
A.A., Long Beach City College
B.A., Southern California Institute of Architecture, Santa Monica

SEARS, CONSTANCE M.
Human Performance Laboratory Director
Summer Recreation Program Director
Associate Professor, Physical Education
B.A., M.A., California State University, Long Beach

SELIGMAN, COURTNEY E.
Professor, Astronomy
B.A., M.A., University of California, Los Angeles

SETHURAMAN, RAMCHANDRAN
Librarian
M.A., University of New Brunswick
M.S., University of Illinois, Urbana
Ph.D., University of Florida, Gainesville

SEXTON, SIGRID K.
Instructor, Registered Nursing
B.S.N., M.S.N., California State University, Long Beach

SHANNON, MARGARET F.
Professor, Writing & Reading
B.A., Pomona College
M.A., Ph.D., University of Chicago

SHAW, GEORGE W. JR.
Coordinator, Commercial Music
Professor, Music
B.S., Alabama State University
M.A., Wayne State University
Ph.D., University of Oklahoma

SHAW, LYNN J.
Interim Dean, School of Health and Science
Instructor, Electronics/Electricity
B.S., University of Minnesota, Minneapolis
M.A., California State University, Long Beach
Ph.D., Claremont Graduate University and San Diego State University

SHAW, WILBERT
Physical Education Department Head
Professor, Physical Education/Psychology
B.A., Kansas State University
M.A., Pepperdine University

SHEAFFER, DE WAYNE T.
Coordinator, Transfer Programs
B.S., California State University, Stanislaus
M.S., California State University, Los Angeles

SHOLLE, DAVID F.
Professor, Physics
B.S., Case Western Reserve University
M.S., California Institute of Technology

SINGHAL, MEENA
Assistant Professor, English as a Second Language
B.A., B.Ed., University of Calgary, Canada
M.Ed., McGill University, Montreal, Canada
Ph.D., University of Arizona, Tucson

SLAUGHTER, GREGORY W.
Instructor, Public Services
B.A., MA, California State University, Dominguez Hills

SMITH, JOHN G.
Professor, Physical Education
A.A., Los Angeles Valley College
B.A., California State University, Northridge
M.S., University of Illinois, Champaign-Urbana
Ph.D., University of Southern California

SNYDER, MARK R.
Instructor, Electronics/Electricity
B.S., Northrop University, Inglewood

SOLANO, JESUS
Coordinator, Upward Bound
B.A., M.S., University of Pennsylvania, Philadelphia

SPARKS, PETER
Associate Professor, Alternative Fuels
A.S., Long Beach City College
B.V.E., California State University, Long Beach

STAHL, CHERYL P.
Professor, Business
A.A., Pasadena City College
B.S., California State University, Long Beach
M.A., California State University, Los Angeles

STARROS, ANTHONY P.
Instructor, Reading
B.A., M.F.A., California State University, Long Beach

STEELE, JAMES F.
Allied Health Department Head
Instructor, Diagnostic Medical Imaging Sciences
A.S., Long Beach City College
B.V.E, M.A., California State University, Long Beach

STEPAN, ELIZABETH J.
Financial Aid Counselor
B.A., M.Ed., Gonzaga University

STERRITT, COLEEN P.
Associate Professor, Art/Sculpture
B.F.A., University of Illinois, Champaign-Urbana
M.F.A., Otis Art Institute, Los Angeles

STONE, LYLE D.
Professor, Music
B.A., California State University, San Diego
M.A., San Diego State University
D.M.A., University of Missouri, Kansas City

STUPLER, HARVEY
Associate Professor, Art History
B.S., M.A., Columbia University, New York
M.A., Princeton University

SUAREZ, LETICIA T.
Dean, Learning Resources, Teaching & Technologies
B.A., M.A., Ph.D., New York University

SULLIVAN, DONALD B.
Instructor, Diesel Mechanics
Seventeen years' experience as a diesel mechanic

SUMNER, RAY
Social Science Department Head
Professor, Geography
B.A. (Hons), M.A., James Cook University, Australia
Ph.D., University of Queensland, Australia
Dip.Tch, Kelvin Grove College, QUT, Australia

TALASTAS, EVACELIA M.
Professor, Nursing
R.N., St. Luke's Hospital School of Nursing,
Philippines
BSN, MAN, Philippine Women's University, Manila

TAN, DANNY S.
Instructor, Automotive Technology
B.S., Columbia State University, Metairies, LA

THOMAS, MICHELLE L.
Instructor, Computer & Business Information Systems
B.A., California State University, Fullerton
M.A., National University

THORSEN, JONATHAN A.
Instructor, Allied Health/Health Education
B.S., California State University, Long Beach

THRIFT, DAVID E.
Assistant Professor, English as a Second Language
B.A., San Francisco State University
M.A., California State University, Fullerton

TO, THANG Q.
Student Counseling Department Head (PCC)
B.A., M.S., California State University, Long Beach

TOLIVER, PATRICIA A.
Professor, Child and Adult Development
B.A., California State University, Los Angeles
M.A., University of Southern California
Ed.D., Pepperdine University

TOMSON, JANICE H.
Assistant Professor, Geology
B.S., University of Illinois, Urbana
M.S., San Jose State University

TRAPP, FREDERICK P.
Dean, Institutional Research/Academic Services
B.A., California Western University, San Diego
M.A., The American University, Washington, D.C.
M.R.C.P., University of Oklahoma
M.P.A., Ph.D., University of Southern California

TSUKASHIMA, RODNEY B.
Associate Professor, Ceramics
A.A., Los Angeles City College
B.A., M.A., California State University, Long Beach

TUITASI, MICHAEL V.
Interim Dean, Student Support Services
B.A., M.A., California State University, Long Beach

TURNER, LYDIA
Counselor, Financial Aid
B.A., California State University, Long Beach
M.S., National University, Irvine

TYLER, JOANNE E.
Coordinator, Health & Psychological Services
B.A., University of the State of New York
M.A., California State University, Dominguez Hills

UEJIO, CLIFFORD K.
Coordinator, ESL Learning Center
Professor, English; English as a Second Language
B.A., University of Hawaii
M.A., California State University, Los Angeles
M.A., University of California, Los Angeles
Ph.D., State University of New York, Buffalo

UKWU, DELE C.
Library Department Head
B.A., University of Cincinnati, Cincinnati, Ohio
M.S., Miami University, Oxford, Ohio
M.L.S., University of California, Los Angeles

UMBDENSTOCK, LINDA
Administrative Dean, Planning
B.A., Alverno College, Milwaukee, Wisconsin
Ph.D., Portland State University

VALENTE, MARIO M.
Exec Director, Academic Computing & Info Tech
B.A., University of California, Los Angeles
M.S., California State University, Fullerton

VAN HOOK, ROGER E.
Professor, Speech
A.A., Long Beach City College
B.A., M.A., California State University, Long Beach

VAN SINDEN, DANA E.
Instructor, Child and Adult Development
B.A., M.A., California State University, Long Beach

VASS, GABOR I.
Instructor, Automotive Technology
M.A., Ministry of Advanced Education, Victoria,
M.S., Pacific Western University, Los Angeles

VERMA, SURENDRA M.
Professor, Accounting
M.S., California State University, Long Beach
M.B.A., Golden Gate University
M.S., Carleton University, Ottawa, Canada
C.P.A., C.F.P., College of Financial Planning, Denver

VILLASENOR, FRANCISCO J.
Student Counseling & Guidance Department Head
B.S., University of Southern California, Los Angeles
M.A., Point Loma Nazarene University, Pasadena

VURDIEN, RAMALINGUM R.
Dean, Language Arts & Physical Education
B.A., M.A., University of Upper Brittany, France
M.B.A., Long Island University, Southampton, NY
M.Ed., Ph.D., Temple University, Philadelphia
Post Graduate Certificate of Education, Mauritius
Institute of Education

WAECHTER, PAUL E.
Professor, Basic Adult Education
B.S., M.A., Ball State University

WALLECH, JANET N.
Professor, Biological Science
B.S., California State Polytechnic College, Pomona
M.A., California State University, Fullerton

WALLECH, STEVEN
Professor, History
B.A., California State University, Northridge
M.A., California State University, San Jose
Ph.D., Claremont Graduate University

WAN, JAMES X.
Professor, Mathematics
B.S., Nanjing, China
M.A., Ph.D., University of California, Santa Barbara

WAN, LAURA L.
Instructor, Computer & Business Information Systems
B.A., East China Normal University, Shanghai
M.A., Michigan State University, East Lansing
M.S., California State University, Fullerton

WASSON, DONALD J.
Instructor, Human Services
B.S., California Polytechnic, San Luis Obispo
M.A., California State University, Los Angeles

WEBER, RICHARD T.
Instructor, Mathematics
B.A., California State University, Long Beach
M.S., University of California, Irvine

WELLS, PEGGYANN E.
Instructor, Vocational Nursing
B.S.N., New York Regents College, Albany
M.N., University of Phoenix, Arizona

WELSH, CAROL S.
Professor, Biological Science
A.A., East Los Angeles College
B.A., M.A., California State University, Long Beach
Ed.D., Pepperdine University

WHEELER, JEFFREY M.
Instructor, English, Reading
B.A., Occidental College
M.A., Ph.D., University of Southern California

WHEELER, LAURA S.
Instructor, English
B.A., University of Virginia, Charlottesville
M.A., Ph.D., University of Southern California

WHITE, LAWRENCE A.
Assistant Professor, Computer Art/Graphic Design
B.F.A., California College of Arts and Crafts, Oakland
M.A., California State University, Fullerton

WHITE, MONICA C.
Librarian
B.S., Georgetown University
M.L.S., University of Southern California
M.A., California State University, Long Beach

WIDERA, RONALD P.
Associate Professor, Chemistry
B.S., Youngstown State University
Ph.D., University of Southern California

WILLIAMS, FELTON C.
Dean, School of Business & Social Science
A.A., Harbor College
B.A., M.B.A., California State University, Long Beach
Ph.D., Claremont Graduate School

WILLIAMSON, CAROLYN H.
Basic Adult Education Department Head
Assistant Professor, Basic Adult Education
B.A., Purdue University
M.S., California State University, Fullerton

WILSON, MICHAEL H.
Professor, Photography
A.A., A.S., Long Beach City College
B.V.E., California State University, Long Beach
Seventeen years' occupational experience, Brooks
Institute

WILSON-CASCARANO, MARGARET A.
Professor, Anatomy/Physiology
B.S., Iowa State University
Ph.D., University of California, Los Angeles

WISENBAKER, JUDITH L.
Instructor, Vocational Nursing
B.S.N., D'Youville College, Buffalo, NY
M.A., Brooklyn College, NY
M.S.N., California State University, Dominguez Hills

WISWELL, SUE ANN W.
Professor, Computer Applications & Office Tech
B.S., M.A., California State University, Long Beach
M.A., California State University, Los Angeles

WOLLANK, INGRID A.
Professor, Spanish/German
B.A., University of Heidelberg, West Germany
M.A., University of California, Irvine

WOOD, RONDA M.
  Professor, Registered Nursing
  B.S.N., California State University, Long Beach
  M.N., University of California, Los Angeles
  Ed.D., University of Southern California

WURTZ, PAUL L.
  Business Administration Department Head
  Instructor, Business Administration
  B.S., M.A., Brigham Young University

ZEPEDA, MILDRED
  Instructor, Electronics
  A.A., Santa Ana College
  B.A., B.A., M.A., M.A., California State University,
  Los Angeles

ZUCKERMAN, JOAN E.
  Professor, Life Science
  B.S., Ph.D., University of California, Davis

ESL Orientation Assistant

NORBERG, BEVERLY J.
Administrative Secretary

NORMAN, DENISE L.
Division Secretary

NYSTROM, ARNE F.
Network Systems Analyst

NYSTROM, MARCIA L.
Instructional Aide

OCHOA, JOHNNY
Custodian

OLSEN, MARY L.
Accounting Technician III

OLSON, JACQUE L.
Division Secretary

OPSTEEGH, MICHAEL R.
Admissions/Records Tech II

ORIEE, DEREK
Student Activities Advisor

OSEWE, SAMWEL O.
Custodian

OWENS, MICHAEL D.
Sports Therapist

PACE, TYREE E.
Curriculum Technician

PAR, ANNEMARIE
Case Coordinator-Rite

PARLE, GLORIA M.
Senior Clerk

PARSCH, TIMOTHY J.
Recording Specialist

PEARCE, SHARON L.
Senior Clerk

PEARSON, ANTHONY C.
Stage Technician

PENG, HONG
Office Assistant

PEREZ-FLORES, MARIA
Planning Assistant

PETERSON, JOHN W.
Warehouse/Logistics Supervisor

PETTIT, MARCIA R.
Associate Registrar

PHAM, NHA-ANH
Library Technician II

PHAN, VANG V.
Custodian

PHILLIPS, MALCOLM J., JR.
Truck Driver

PHUORNG, MARA
Instructional Toolroom/
Maintenance Mechanic

POLLY, IRENE L.
Financial Aid Technician

POPE, MICHELE M.
Financial Aid Technician

POPE, PAULA J.
Intermediate Clerk

POUNCIL, MATAIS D.
Upward Bound Program
Specialist

QUACH, LAVENIA H.
Clerk

QUINN, TARCARA R.
Intermediate Clerk

QUINTERO, PAUL-ANTHONY
Program Specialist

QUIRK, PAUL J.
Director of Support Services

RALEY, LINDA M.
Athletic Equipment Assistant

RAVEN, SHARON C.
Secretary

RAY, KARREN J.
Executive Secretary

RECHARTE, CHRISTINE
Intermediate Clerk

REEDER, DANIEL
Theater Production
Technician

REMETA, ROBERT W.
Instructional Equipment
Technician

RICO, ARMANDO
Instructional Toolroom
Maintenance Mechanic

RIOS, REFUGIO M.
Custodian

RIVERS, STANLEY J.
Skilled Maintenance Worker

ROBINSON, PATRICIA L.
Communications Assistant I

RODRIGUEZ, MARIA N.
Intermediate Clerk

ROSETH, LINDA P.
Division Secretary

ROSS, PATRICK A.
Instructional Multi-Media Web
Programmer

ROSSMANNEK, FRED H.
Lead Media Producer

RUALO, DANILO C.
Lead Custodian

RUALO, EMMANUEL G.
Custodian

Senior Clerk

SABO, RUDY C.
Skilled Maintenance Worker

SADLER, CECILIA M.
Educational Technologist

SANCHEZ, SANDRA
Project Manager

SANTOS, RODOLFO S.
Custodian

SANTOSCOY, OSCAR
Computer Laboratory Technician

SATELE, TAUASOSI M.
Senior Clerk

SAU, CHANDHA
Intermediate Clerk

SAUMURE, NORMAND F.
Plumber

SCHITAI, AMIT
Director, Distance Learning and
Instructional Technology

SCHLICK, DAVID
User Support Network Coordinator

SCHMALZRIED, M. YVONNE
Senior Clerk

SCHNEIDER, LOIS M.
Secretary

SCHWANDNER, GAIL B.
Administrative Operations
Manager

SCRUGGS, TINA
Division Secretary

SEGOVIANO, HELEN M.
Receptionist, HR

SHANDOR, DAVID B.
Lead Grounds Maintenance
Worker

SHAYEGH, MEHRDAD
Computer Laboratory Technician

SHEFFIELD, N. SHAYNE
Library Technician II

SHERNELL-BANKS, DEATRICE
EOP&S Program Coordinator

SHIN, CINDIE
Intermediate Clerk

SIMECEK, LINDA G.
Supplies Clerk

SKILLE, STEVEN D.
Senior Clerk

SLATER, WENDY I.
Senior Clerk

SLOAN, SHENEUI
Director of Technology Education

SMITH, CYNTHIA M.
Risk Services Specialist

SNOW, SCOTT H.
Custodian

SORENSON, BARBARA J.
College Center Coordinator

SORG, DARON L.
Costume Technician

SPARKS, ROBERT W.
Office Assistant

SPARKS, SHIRLEY J.
Accounting Technician III

SPENCER-WATKINS, DENISE
Director, Contracting & Procurement

STEVENS, JASON A.
Instructional Assistant

STEVENS, MARLIN O.
Instructional Toolroom
Maintenance Mechanic

STEVENSON, JILL G.
Senior Clerk

STEWART, JOHN N.
Custodian

STEWART, LISA A.
Senior Clerk

STRICKLAND-RUIZ, JOHNNIE
Senior Clerk

SWEET-KELLY, DEBORAH L.
Intermediate Clerk

SYBESMA, KAREN K.
Senior Clerk

TAIT, SANDRA
Office Assistant

TAMIALIS, BARBARA J.
Child Development Site
Supervisor

THEISEN, DAN J.
Instructional Associate I

THOEURB, TEP
DSPS Technical Aide

THOITS, MARY
Manager, Senior Studies

THOMPSON, DANA P.
HVAC Mechanic

THORPE, MARY L.
Accountant

TILL, DAVID W.
Painter

TILLMAN, STEVEN
Buyer

TIM, RAOTANA C.
Senior Clerk

TIM, SOPHORN
Data Software Technician

TO, DANIEL C.
Lead Custodian

TORRES, SANDRA Q.
Payroll Technician

TORTAROLO, JOHN S.
Director, Human Resources

TOUCH, MICH T.
Instructional Aide

TOUCH, SUNLENG
User Support Network
Coordinator

TRAN, CHRISTINE
Admissions/Records Tech II

TRASK, SUSAN E.
Grounds Maintenance Worker

TREJO, OSCAR A.
Maintenance Supervisor
