2013-2014 Tentative Budget**

**Superintendent's Message**

June 25, 2013

Board of Trustees  
Long Beach, California 90808

Mr. President, Members of the Board, and Members of the Community:

The 2013-2014 Tentative Budget is attached for your review and approval. We approach the 2013-14 fiscal year with cautious optimism. After years of reduced budgets and buying power loss of 18.3% due to years of unfunded COLAs (cost of living adjustments), we are seeing signs of improvement. Taxpayers approved Proposition 30, which allowed community colleges to avoid additional mid-year trigger cuts. The Governor's May Revise Budget provided revenue increases in the form of apportionment restoration, COLA and some categorical restoration. These provisions are being reviewed and revised by the legislature. The specifics of the final State Budget will not be known until after our Tentative Budget is printed. Therefore, the Tentative Budget has been prepared based on the Governor's January Budget. Highlights from the State Budget include:

- \$196.9 million (3.6%) State-wide apportionment increase, which is estimated at \$3.4 million for LBCC assuming we generate an additional 647 FTES. Details of the allocation methodology will be included in the final state budget and our Adopted Budget.
- No cost of living adjustments (COLA). This will likely change in the final budget as noted above.
- Student fees remain at \$46 per unit.
- Apportionment deferrals decrease \$179.1 million to \$622.0 million (approximately \$11.5 million deferral for LBCC). This decrease and the change in the state-wide allocation of deferrals will significantly reduce, but not eliminate, our need for short-term borrowing.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Superintendent's Message**

- Redevelopment Agency Elimination – The Legislature has agreed to hold community colleges harmless from shortages in property taxes related to the dissolution of redevelopment agencies in both the current (2012-13) and budget (2013-14) years. However, timing of these cash flows remains unpredictable.

As noted, the Tentative Budget is based on the Governor's January Budget, which allowed for increased apportionment, but did not specify details (COLA, restoration, etc.). Those details will be specified in the final State Budget, which will be presented to the Board in September. The Tentative Budget includes ten funds totaling \$416,600,350 and is based on the attached budget assumptions developed by the Budget Advisory Committee.

Unrestricted General Fund

For the first time in six years, there is a projected surplus for the State Budget. This is due primarily to ongoing spending cuts and the passage of Proposition 30. The \$196.9 million (3.6%) apportionment increase from the Governor's January Budget was not allocated to COLA, growth, restoration, etc. at that time. Consequently, the Tentative Budget has no provision for COLA. All of our share of this increase, \$3.4 million is allocated as restoration. Our funded FTES projection to earn that increase is 20,200 (20,400 total FTES). As noted, that figure will be adjusted on our Adopted Budget based on the final State Budget.

The passage of Proposition 30 allowed us to avert the largest portion of projected cuts, but the huge mid-year deficit and our ongoing structural deficit forced us to make additional cuts, which take effect July 1, 2013. Eleven instructional programs will be discontinued as of the start of the 2013-14 fiscal year. This difficult decision was made after months of collaborative discussions. The savings from these programs and reorganization savings result in a \$3.1 million budget reduction, broken down as follows:

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Superintendent's Message**

- Program discontinuance \$2,244,000
- Reorganization savings \$856,000

This will help:

- Shift resources to areas of greatest student demand
- Align resources with the need for increased completion
- Strengthen Career Technical Education (CTE) offerings

Continuing cost-cutting efforts allow us to close the 2012-13 fiscal year with an estimated unrestricted fund balance of \$12,946,063, after incurring a \$1,894,853 deficit.

I am recommending a proposed Tentative Budget with an operating surplus of \$3,154,292 resulting in a \$16,100,355 ending fund balance. Our increased reserves and ongoing savings will help us prepare for future commitments including hiring full-time faculty to replace retirees and additional full-time faculty hires in fall 2014 in order to meet our full-time obligation number (FON) requirement. It is important to note at this time that it is very likely that we won't meet our FON requirement in fall 2013. If that occurs, then we will have a penalty imposed on us in the 2014-15 fiscal year.

In order to better explain the operating surplus of \$3,154,292, I have provided more detail below for both revenue and expenditure changes.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Superintendent's Message**

*Revenues:* Major increase / (decrease) are:

Changes from 2012-13 – Estimated Actuals		Comments
Apportionment	\$7,523,612	<p>The increase is the net of:</p> <ul style="list-style-type: none"> <li>• \$1.0 million increase in base apportionment.</li> <li>• \$5.0 million due to the reduction of the deficit factor from 6.3% to 1.0%.</li> <li>• \$1.9 million in increased restoration .</li> <li>• (\$0.4 million) decrease due to prior year apportionment recalculation revenue in 2012-13.</li> </ul>

*Expenditures:* Major increases / (decreases) are:

Changes from 2012-13 - Estimated Actuals		Comments
Total Academic Salaries	(\$1,645,359)	<p>The decrease is due to reductions in faculty due to program discontinuance and retirements and the management reorganization reductions resulting in a decrease of over 5 FTE management positions (both academic and classified).</p>

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Superintendent's Message**

*Expenditures (continued):*

Changes from 2012-13 - Estimated Actuals		Comments
Total Classified Salaries	\$874,173	The increase is from the net increase of classified budgets resulting from the reorganization and an increase of over 14 FTE classified positions.
Contract Services and Operating Expenses	\$2,020,356	The increase is primarily due to election costs, which only occur every other year. \$450,000 is estimated for regular Trustee elections and \$1,300,000 is estimated for a potential recall election.
Capital Outlay	\$1,031,115	The increase is due to a one-time technology allocation to upgrade our firewalls and our out of date computers for instructional labs and staff needs.

Reserves

The board has adopted a policy requiring a 5.5% reserve in the Unrestricted General Fund. Therefore, \$5,603,874 has been budgeted for this purpose. Additionally, \$84,986 has been reserved for the Technology Master Plan, \$2,784,656 has been reserved for vacation and load banking and \$7,626,839 has been reserved for economic uncertainties. If it becomes necessary to use any reserves it will be formally reported to the board in the Fiscal Services agenda items. The Quarterly Budget Performance Reports will also identify the use of any reserves.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Superintendent's Message**

Restricted General Fund

The total Restricted General Fund budget is \$18,548,961. Included in this fund are programs funded from external sources. The revenue from these sources must be used for the purposes specified by the external funding source. Included in this fund are: the Small Business Development Centers, Vocational Technology Education Act, State categorical funds for Basic Skills, Disabled Students Programs and Services (DSPS), Equal Opportunity Programs and Services (EOPS), Student Success and Support Program, the Student Financial Aid Administration Allowance, CalWORKs, Career Technical Education and other state supported programs. This fund also includes the locally funded Parking Program and the Student Health Centers.

In 2009-10, the state enacted devastating cuts to categorical programs, including DSPS, EOPS, Matriculation, and Economic & Workforce Development funds ranging from 32% to 50%. These cuts remain substantially intact for 2013-14.

General Obligation Bond Fund

A total of \$440 million in bonds were authorized under the 2008 Measure E bonds. The first \$48.4 million of these bonds were sold in July 2008. The District issued the second series of general obligation bonds totaling \$237 million in December 2012 to repay the BAN and to fund ongoing bond projects. Three major projects at the Pacific Coast Campus and three at the Liberal Arts Campus are planned for the 2013-14 fiscal year.

Other Funds

Other funds are balanced. Their reserves have been impacted by the recent economic crisis. In the Capital Projects Fund, the state budget has not provided scheduled maintenance funds for the past few years. Certain redevelopment revenues must be split between property tax revenue and restricted capital outlay revenue. This capital outlay portion is recorded in the Capital Projects Fund. Please see the following pages for more specific information about other funds.

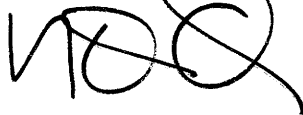

Long Beach Community College District  
2013-2014 Tentative Budget

**Superintendent's Message**

Next Steps

The Tentative Budget provides the college administration with spending authority to operate the college during the 2013-14 fiscal year. This represents the fourth consecutive year that we have implemented a reduction in force to reduce ongoing expenses in response to years of state apportionment cuts and this is the first time that it has affected full-time faculty. These decisions are painfully difficult for everyone involved especially those directly affected. However, they are necessary to eliminate our structural deficit, to help us focus on the needs of the greatest numbers of our students and to be prepared for the known and unknown financial demands of the future. I am hopeful that along with continuing signs of state-wide economic growth, this latest round of reductions will help to end our multiyear cycle of cuts and return all of our energy and focus to its rightful place – our students.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Eloy O. Oakley', written over the text 'Respectfully submitted,'.

Eloy O. Oakley  
Superintendent-President

**Long Beach City College  
2013-2014 Tentative Budget  
Budget Assumptions and Implications**

The following Budget Assumptions and Implications were recommended by the Budget Advisory Committee (BAC) on April 24, 2013.

**I. ORGANIZATION**

There will be budget redirections and potential reductions in response to both the State's budget impact and the priority as identified by the College Planning Committee (CPC) for 2013-14 Institutional Priorities. The organization of the budget will be the same as 2012-13.

**II. UNRESTRICTED GENERAL FUND BUDGET GUIDELINES**

The Tentative Budget is based on the Governor's budget.

- A. Deficit spending will be minimized.
- B. Our FTES targets will be 20,400.00 (20,169.56 credit, 88.12 non-credit and 142.32 enhanced non-credit). We will attempt to align enrollment commensurate with funding levels provided by the State. This target level assumes that all the proposed new funding will be allocated as restoration and not split between restoration and COLA. If COLA is provided, we will adjust our FTES target down accordingly.
- C. Carryover will only exist for the Technology Master Plan. All other unexpended funds will become part of the ending balance and will be budgeted in the subsequent budget year.
- D. Expenditure of one-time monies will be based on the College Priorities, as derived from the planning process.
- E. Essential operational and maintenance functions of the college will be funded.
- F. Total Cost of Ownership principles shall be employed in departmental planning and budgeting processes.

**Long Beach City College  
2013-2014 Tentative Budget  
Budget Assumptions and Implications**

**II. UNRESTRICTED GENERAL FUND BUDGET GUIDELINES (continued)**

- G. The impact of state funding reductions will be addressed by pursuing higher levels of efficiency and productivity, re-configuring organization structures, and making prudent reductions and/or re-allocations in college operations and programs based on the Planning Process and the Institutional Priorities.
- H. Any expense eligible to be funded using categorical or grant dollars will be budgeted in the eligible categorical or grant program.

**III. RESERVE ASSUMPTIONS**

- A. The District will maintain an unrestricted reserve for contingencies of 5.5% of unrestricted expenditures and other outgo in accordance with Board policy. The fiscal stability trigger established by the Chancellor's Office is a minimum prudent unrestricted general fund balance reserve of 5% (calculated as a percentage of expenditures and other outgo).
- B. The liability reserve for load banking is the amount required to fund a reasonable portion of the cash value of accumulated academic workload teaching units. The full value of the reserve is calculated by multiplying the total units banked, times the average hourly teaching rate, times 17.5 weeks. This liability is estimated at \$2,259,769 as of June 30, 2013.
- C. A restricted liability reserve is included for year-end vacation liability. This reserve is equivalent to three months' accrued vacation pay based on the hours of vacation on the District books as of June 30 for each employee. This liability is estimated at \$524,887.

**IV. FEDERAL REVENUE CHANGES**

- A. Any increases or decreases in federal income for a project or program will be accompanied by corresponding increases or decreases in expenditures.

**Long Beach City College  
2013-2014 Tentative Budget  
Budget Assumptions and Implications**

**V. STATE REVENUE ASSUMPTIONS AND IMPLICATIONS**

- A. A 1% deficit factor will be included to offset a possible short fall from apportionment revenues.
- B. We are budgeting a zero (0%) COLA.
- C. It is expected that we will be funded at a 20,200 FTES level. This would provide \$3.4 million in additional revenues. Any excess revenue will go toward deficit reduction and/or facilities and technology reserves. Dependent upon the final State budget, some revenue may be allocated for COLA in which case our funded FTES amount will be adjusted down accordingly.
- D. EOPS, DSPS, Basic Skills and other categorically funded program income estimates will reflect figures in the State budget.
- E. Estimates for lottery income are those provided by the California Community Colleges Chancellor's Office. Approximately 16% of the lottery allocation is restricted to instructional materials only. The unrestricted portion of the lottery allocation will be used for utilities expenses.
- F. Any block grants which may include but are not limited to instructional equipment, scheduled maintenance, instructional supplies, student services and library materials will be for one-time purposes and will not incur on-going costs into the future.

**VI. LOCAL REVENUE ASSUMPTIONS**

- A. Local revenue sources are interest, facilities rental, publications, and surplus items. Total interest income, with the interest rate provided by Los Angeles County Treasurer, will be budgeted conservatively.

**Long Beach City College  
2013-2014 Tentative Budget  
Budget Assumptions and Implications**

**VI. LOCAL REVENUE ASSUMPTIONS (continued)**

- B. Excess income generated over the costs of operations and established reserves from international students or District sponsored events that generate additional revenue, will be placed in the Unrestricted General Fund. Excess income from facilities rental operations over the costs of operations and established reserves may be placed in the Capital Projects Fund.
- C. Special Revenue Fund budgets, such as Community/Contract Education, and Veterans' Stadium Operations will generate sufficient income to cover expenses.

**VII. EXPENSE ASSUMPTIONS**

- A. All budgeted appropriations will be available for expenditure.
- B. Expenditures for federal and state categorically funded programs will not exceed the program income and mandated local contribution, except those identified within the line item budgets.
- C. Salary expenses will be budgeted to cover all board approved salary changes; step and column increases; and longevity increments for all employees. Only vacant positions deemed absolutely essential will be budgeted.
- D. Health and welfare benefit costs will be estimated using the best information available, including multi-year trends. Currently, the known rate increases/decreases are as follows:

Blue Cross PPO: +2.0%	Delta Dental PPO: +18.0%
Blue Cross HMO: +5.0%	Delta Dental HMO: +3.0%
Kaiser: +0.5%	VSP: 0%
Mental Health Network EAP: +9.0%	Basic Life: +9.5% /AD&D: 0%

These increases/decreases combined currently result in a 3.5% blended rate increase.

**Long Beach City College  
2013-2014 Tentative Budget  
Budget Assumptions and Implications**

**VII. EXPENSE ASSUMPTIONS (continued)**

- E. Other Payroll related benefits will be budgeted based upon the rates established by the regulatory agencies. Currently the known or estimated rates are as follows: PERS 11.417% (no change over prior year), STRS 8.25% (no change), Workers' Compensation 1.524% (no change), SUI 0.05% (1.05% decrease), and Retiree Benefits 5.34% (no change).
- F. Any purchases initiated during the year will be completed before the end of the year.
- G. The part-time hourly budget will contain sufficient dollars to meet the FTES target in accordance with the class schedules.
- H. Throughout the year, any savings incurred from vacant classified positions should not be transferred to cover the cost of a limited-term employee (LTE).
- I. Faculty substitutes will be provided as needed to meet minimum course requirements as funds are available.
- J. The Annual Required Contribution (ARC) for the Retiree Health Benefits as noted in the actuarial study dated September 1, 2011 is \$3,116,486. This represents approximately 5.34% (no change) of covered payroll.
- K. A one-time allocation of \$1 million will be budgeted to upgrade our firewalls and out of date computers for instructional labs and staff needs. The subsequent years' ongoing allocation need is \$400,000 annually for a complete technology refresh program.

**VIII. OTHER ASSUMPTIONS**

- A. All grants will be carefully evaluated as to the "District match(es)" and any financial obligation beyond the term of the grant so as not to place a burden on the budget in future years.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Unrestricted General Fund**

The Unrestricted General Fund is used for the operating expenses of the District. The primary revenue source for the Unrestricted General Fund budget is apportionment revenue generated from full-time equivalent students (FTES) and is a combination of student enrollment fees, local property taxes and state apportionment revenue. For 2013-14, the apportionment revenue is estimated to be \$97,517,488 which is based on 20,200 funded FTES.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Restricted General Fund**

The Restricted General Fund contains budgets for the state categorical programs, grants, student health, and parking programs. The use of revenues for these programs is restricted to specific purposes. For example, student health fee revenues can only be used to support programs to improve students' health. Similarly, restricted lottery revenue can only be used to purchase instructional materials.

**Other Financing Sources**

In some cases, the funding agency requires local matching funds. For example, the State requires a 4:1 local match for the Deaf/Hard-of-Hearing Grant. These matching funds are provided by the Unrestricted General Fund. In the past, they were shown in the Restricted General Fund as Other Financing Sources; however, beginning in 2012-13, they will be reported as expenditures in the Unrestricted General Fund to comply with state accounting guidelines.

**Indirect Costs**

Many of the grant/categorical programs allow the college to use some (typically 4%) of the restricted dollars to pay for indirect (overhead) costs incurred to operate the grant/categorical programs. In the past, these dollars were budgeted under "Other Outgo Interfund Transfers Out to the Unrestricted General Fund." Beginning in 2012-2013, they will be reported as expenditures in the Restricted General Fund.

**Parking and Student Health Programs**

For informational purposes, the Restricted Parking Program Budget and the Student Health Center Budget are presented on pages 29 and 31, respectively.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Capital Projects Fund**

**Revenue**

Primary revenue sources for the Capital Projects Fund are state capital project funds, interfund transfers, interest earnings, redevelopment fee revenue, international student capital outlay fees, nonresident capital outlay fees, and rental income. Redevelopment fee revenue received under AB1290 must be split between property tax revenue and capital revenue. 47.5% of AB1290 revenue is unrestricted, but must be reported as property taxes and applied against the District's apportionment revenue in the Unrestricted General Fund. The remaining 52.5% of AB1290 revenue is restricted, and must be used "for educational facilities," including furnishings, fixtures, and equipment normally associated with such facilities. Accordingly, it is recorded as revenue in the Capital Projects Fund. The Governor eliminated the state's Redevelopment Agencies (RDAs) as of February 1, 2012. Successor Agencies have been established to wind down the activities of the RDAs and future pass-through payments will come to school districts through the Auditor-Controller. However, the amounts and timing of future Redevelopment revenue remain unpredictable. Education Code Section 76141 allows districts to charge nonresident and international students a capital outlay fee. Revenue from the capital outlay fee can be expended only for purposes of capital outlay, maintenance, and equipment. Therefore, the capital outlay fees collected from nonresident and international student fees are recorded in the Capital Projects Fund.

**Projects**

There was one major state-funded project in 2012-2013. Phase I of the Multi-Disciplinary Academic Building (MDAB) at PCC (Buildings AA, BB, DD & EE) was substantially completed in 2012-13. Bond funds were used for part of Phase I and will be used to complete remaining phases. The total state portion of the project budget is \$12,038,000. A total of \$11,785,421 in state funding is projected to be received through June 30, 2013. \$71,579 in state advance interest income has been earned and applied to the project, leaving \$181,000 to be received in the future. Total remaining budget \$181,000 for the equipment phase of the project is expected to be spent as of June 30, 2013, leaving a state receivable of \$181,000.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Capital Projects Fund**

**Reserves**

A \$5.0 million reserve established by the Board in 1986 is included in the Capital Projects Fund. The source of the reserve is the sale of excess property at LAC in 1987-1988 and at PCC in 1988-1989. In 2004-05, \$1.7 million was loaned (interest free) to the Veterans' Stadium Operations Fund for stadium improvements. The Veterans' Stadium Fund repaid \$100,000 annually from fiscal year 2005-06 to 2008-09. \$150,000 was repaid in fiscal years 2009-10 through 2012-13. We have budgeted \$150,000 to be repaid in 2013-14. As of June 30, 2013, the remaining loan balance will be \$700,000.

**Child and Adult Development Fund**

The purpose of the Child and Adult Development Fund is to assist student parents to attend college through the provision of quality child care and to train workers for the child care industry. The fund is supported by State funds, parent fees, interest earnings, and interfund transfers from the Unrestricted General Fund. For 2013-14, the budgeted interfund transfer from the Unrestricted General Fund is \$150,000.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**General Obligation Bond Fund**

**2008 Measure E General Obligation Bonds**

A total of \$440 million was authorized under 2008 Measure E. The first \$48.4 million of the 2008 Measure E General Obligation Bonds were sold in July 2008. Bond Anticipation Notes (BAN) totaling \$150 million were issued in January 2010. The BAN was repaid as scheduled in January 2013. On December 12, 2012, \$237,003,695 in 2008 Election, 2012 Series B bonds were issued. \$150 million of the proceeds were used to pay the BAN principal. The remaining proceeds paid BAN interest and will be used to fund bond construction projects.

On August 15, 2012, \$40,960,000 in 2002 Election, 2012 Series A refunding bonds were issued. These bonds were used for an advance refunding of a portion of the outstanding 2002 Election, Series B (2005) bonds. This refunding will save District taxpayers approximately \$3.1 million in future property taxes.

The projects funded by the 2008 Measure E General Obligation Bonds will continue to further the modernization of Long Beach City College in accordance with the 2020 Unified Master Plan on two campuses, the Pacific Coast Campus and the Liberal Arts Campus. The description below outlines some of the larger projects planned for the fiscal year 2013-14.

**Pacific Coast Campus**

Multidisciplinary Academic Building (MDAB) – Buildings AA, BB, DD and EE

The Multidisciplinary Academic Building project is the renovation of 71,000 square feet consisting of Buildings AA, BB, DD, and EE. This project is used primarily for academic support, and is partially funded with State Capital Outlay funds. Phase I construction is complete and occupied by staff who previously resided in the portable buildings. Current occupants of AA and BB moved into the portable buildings and Phase II commenced. Phase II will continue through the fall of 2014.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**General Obligation Bond Fund**

Pacific Coast Campus Fitness Center – Building CC

The Pacific Coast Campus Fitness Center (Building CC) modernization includes complete improvements to the interior and exterior of the structure as well as improvements to adjacent site areas and the frontage along Pacific Coast Highway in front of Buildings DD and EE. Construction is anticipated to be completed in summer 2013.

Student Services Center – Building GG

Building GG will be demolished and replaced with a new structure and landscaping immediately surrounding the new building and in the center quadrangle of the campus. The 31,698 square foot facility will be constructed using the design-build delivery method. Construction is anticipated to begin in the winter of 2014. The new facility will function as the Pacific Coast Campus Student Services Center and will house Admissions & Records, Counseling, DSPS, EOPS, Financial Aid, Cashier, Health Services, Transfer Center, Food Services and Career & Job Services. Until demolished, Building GG will continue to serve as swing space for the MDAB and Building CC projects.

PCC Infrastructure Improvements

A number of infrastructure improvement projects took place at the Pacific Coast Campus. The installation of a new drainage system that alleviates flooding, carries storm water to the southeast corner of the campus and drains into the City's storm drain system was completed. Work to replace leaking pipes and valves from the Central Plant, which serve several buildings, was completed late summer 2012. Currently work is planned to improve the southeast area of the campus, where the Muffler Shop was demolished, with a new parking lot and complimentary landscape to address the corner of Pacific Coast Highway and Walnut Avenue. Along with the expansion and optimization of the LAC Central Plant, a new energy management optimization system will also be implemented to reduce energy consumption for the Pacific Coast Campus.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**General Obligation Bond Fund**

**Liberal Arts Campus**

LAC Infrastructure Improvements

In conjunction with the completed major upgrades to main utilities including telecommunication, reclaimed water, chilled water, gas, potable water, and electricity north of Carson Street, systems will continue to be replaced and/or upgraded within individual buildings to meet the established energy savings milestones. To meet the cooling demand of upcoming new projects, a new chiller and cooling tower will be installed in the Central Plant. This expansion was originally planned as a future phase in the initial Central Plant construction. Along with the expansion, a new energy management optimization system will be implemented to reduce energy consumption. The replacement of site lighting for the Veteran's Stadium ball field and parking lots with new energy efficient lights is complete.

Master Landscape Implementation

Design on the Master Landscape Implementation Plan for both campuses continues. The project addresses the challenges faced by California to reduce water consumption for irrigation and reduce the flow of storm water runoff and drainage into the City's storm drain system. The majority of areas will be designed to 25% using current District standards including drought tolerant plants, reduction of turf areas, and conversion to 100% utilization of reclaimed water installed under the North Loop Infrastructure project. A number of priority projects within the overall Landscape Implementation Plan will be carried forward to construction and implemented in coordination with current and near future projects. The front quadrangle of LAC, which is one of the two storm water runoff compliance priority projects, will be completed in the summer of 2013. Another priority project, which will address storm water runoff compliance in the central quadrangle of the LAC campus, will begin in June 2013 and is anticipated to be completed in the summer of 2014. The two part storm water runoff compliance project includes mitigation of storm water runoff using a new system of underground seepage pits and storm water retention tanks. The project also features 100% reclaimed water irrigation, decomposed granite areas, drought tolerant landscaping, as well as the redefinition of the look of

**Long Beach Community College District  
2013-2014 Tentative Budget**

**General Obligation Bond Fund**

each quadrangle area with enriched new walkways, plazas, trees, plantings, site lighting, site furnishings, signage and improved pedestrian flow.

Math-Tech Center – Building V

The new facility will house the Math Department including a Student Success Center and the Culinary Arts Department, which will feature demonstration kitchens, a restaurant, a baking and a pastry kitchen, chocolate labs and a Culinary Resource Center. The Center will be constructed using the design-build delivery method. The project is undergoing plan check review by the Division of the State Architect (DSA) and is anticipated to begin construction in the summer of 2013.

Nursing/Health Technologies - Building C Modernization

The Nursing/Health Technologies Building will be fully modernized and will include upgrades to interior and exterior finishes and major systems, and will address code compliance. Construction is anticipated to begin in late 2013.

2013-2014 Tentative Budget**

**Retiree Health Fund**

Retiree benefits current costs and liabilities for future costs are budgeted and recorded in the Retiree Health Fund. As of our most recent actuarial study dated September 1, 2011, the total actuarially determined liability for current and future retirees is \$30,703,602. The study determined that the Annual Required Contribution (ARC) is \$3,116,486 or 5.34% of covered payroll.

On January 24, 2006, the Board of Trustees authorized participation in the Futuris Program, which provides professional investment management services for the irrevocable trust portion of the Retiree Health Fund. As of May 31, 2013, the value of the investment in the irrevocable trust was \$1,616,792 (\$1,446,018 cost).

Per the Chancellor's Office accounting advisory dated June 14, 2010, categorical programs can only be charged OPEB (Other Post-Employment Benefits) costs for current eligible employees. Therefore, only 2.2252% of the 5.34% is applicable to all eligible employees. The Unrestricted General Fund will transfer any additional funds needed to reach our ARC amount of \$3,116,486 into the Retiree Health Fund. Our contribution for the ARC normal costs related to 2011-12 federally funded salaries was \$73,420, which was deposited into the irrevocable trust in September 2012.

**Self Insurance Fund**

Education Code Section 72511 authorizes community college districts to establish a separate self insurance fund for the purpose of covering the property and liability claims of the District, its officers, agents, and employees. The District belongs to the Statewide Association of Community Colleges (SWACC) Joint Powers Authority for comprehensive liability insurance and property insurance coverage up to \$1,000,000. The District belongs to the School's Association for Excess Risk (SAFER) Joint Powers Authority for excess insurance coverage for liability losses from \$1,000,000 to \$25,000,000, and \$5,000,000 to \$250,000,000 for excess property coverage. These pools have stabilized the cost of insurance coverage in recent years. To maintain an adequate balance in this fund, it is necessary to transfer \$1,200,000 from the Unrestricted General Fund.

**Student Financial Aid Fund**

Effective July 1, 1984, the District was required to maintain a separate fund for the deposit and direct payment of government-funded Student Financial Aid. Included in the Student Financial Aid Fund are: Extended Opportunity Programs and Services (EOPS); Perkins Loans (formerly NDSL); Federal Supplemental Education Opportunity Grants (FSEOG); CAL Grants; Federal Pell Grants; Cooperative Agencies Resources Education (CARE) program; and the W. D. Ford Direct Stafford Loans.

**Long Beach Community College District  
2013-2014 Tentative Budget**

**Veterans' Stadium Operations Fund**

This Special Revenue Fund is 100% self-supporting. Revenues are derived from the rental of Veterans' Stadium to high schools, community groups, antique and auto markets, vehicle sales, commercial filming, and miscellaneous events.

A major \$1.7 million stadium renovation project was completed in 2004-05. This project was funded through an interest-free loan from the Capital Projects Fund. The original loan agreement required five annual payments of \$340,000 beginning in 2004-05. The project experienced unavoidable delays which impacted the facilities use revenues anticipated at the time the loan agreement was developed. As a result, the Veterans' Stadium Fund did not meet the 2004-05 budget estimate for revenues. This revenue short-fall made it impossible for the Veterans' Stadium Fund to make the first annual loan repayment. The terms of the loan were renegotiated to extend the loan repayment period for one year. The Veterans' Stadium Fund repaid \$100,000 annually from fiscal year 2005-06 to 2008-09. \$150,000 was repaid in fiscal years 2009-10 through 2012-13. We have budgeted \$150,000 to be repaid in 2013-14. As of June 30, 2013, the remaining loan balance will be \$700,000.
