For graduation with an **Associate in Arts (A.A.) Degree with a major in Radio/Television Performance:**
Minimum Unit Requirements: §Any course that appears on a curriculum guide and the General Education Pattern (Plan A) may fulfill both major and general education requirements (Approved by College Curriculum Committee Spring 2012). For this degree, complete a minimum of 60 units in courses numbered 1-599. Please note that additional elective units may be required to meet this minimum based upon courses selected to fulfill General Education for the Associate Degree.

Radio/Television Performance Major:	20-21 units
General Education/A.A. §	25 units

- Scholarship:** Maintain an **overall grade point average (GPA) of 2.0** ("C" average) based on all accredited college work applied to the degree, no matter where completed. For this **field of concentration, complete each course above with a grade of "C" or better**, or "P" if course is graded on a P/NP basis.
- Residence for the Degree:** Complete at least 12 semester units of the required 60 semester units in residence at Long Beach City College in order for the college to grant an Associate of Arts and/or an Associate of Science Degree.
- Residence for the Field of Concentration:** Complete fifty percent (50%) or more of the unit requirements for this field of

concentration in residence; this means at **least 10-10.5 units** of the required 20-21 must be **completed at Long Beach City College**. Credit earned by exam, where applicable, may be included.

4. **General Education and Proficiency Requirements:** Complete the required A.A./A.S. General Education and Proficiency requirements*, otherwise known as "Plan A". For Plan A requirements, refer to the general catalog or view it online at <http://osca.lbcc.edu> .
5. Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <http://admissions.lbcc.edu/> . Refer to the Schedule of Classes (<http://schedule.lbcc.edu>) and click the "Important Dates" link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".

Students prepare for performing in radio and television programs either independently or as part of a cast.

This **Certificate of Achievement** will prepare students for an entry-level position and/or skills for advancement in a variety of performance opportunities including live, broadcast, and recorded venues.

The **Associate Degree** will prepare students for career advancement in this field. Appropriate course selection will also facilitate transfer to a four-year college or university in a broadcast, film, or performance program.

Program Mission and Outcomes

The Radio/Television Performance Associate in Arts Degree is designed to teach the fundamentals of knowledge and skills needed for today's "On- Air" performer in Broadcast, Cable, Web, and other forms of digital media. Students prepare for performing in these productions either independently or as part of a cast. The Associate Degree will prepare students for career advancement in this field. Appropriate course selection will also facilitate transfer to a four-year college or university in film/television, communications, broadcasting, journalism, or digital media arts. Possible transfers to four-year universities include CSU, UC, and private universities such as Chapman University and USC. Employment opportunities include announcers, reporters, correspondents, radio hosts and contributors, and podcast talent.

Program Student Learning Outcomes:

- Demonstrate the ability to attain the Institutional Student Learning Outcomes (ISLOs).
- Critically assess the responsibilities of various creative and technical staff positions and evaluate the importance of each to the production.
