### Program Mission and Outcomes

Certificate of Competency, Adult Learning Skills:

This program provides courses necessary to enhance employability skills of students with suspected learning disabilities. It offers an opportunity for undiagnosed students to identify areas of learning deficits and develop a plan for success in their college and career pathway.

Outcomes:

- Appraise learning strengths and weaknesses through assessment and analysis of results.  
Analyze different learning styles and identify strategies to improve one's academic performance.

### Certificate of Completion, Social Competency Skills:

This program provides courses necessary to enhance employability and independent living skills of students with intellectual, developmental and learning disabilities. Students will develop social competencies that contribute to the foundation of basic skills needed for positive academic, work and life outcomes.

#### Outcomes:

- Demonstrate understanding of social competencies by selecting appropriate responses and strategies in real-life situations.
- Analyze components of effective communication and demonstrate strategies that create good first impressions.
- Demonstrate basic job interview skills.

### Certificate of Completion, Transitioning to Higher Learning:

The Certificate of Completion in Transition to Higher Learning is designed to give students with intellectual, developmental, and learning disabilities the necessary knowledge and skills to be successful in their college career and future employment. Students will become familiar with college rules and guidelines as well as demonstrate an ability to address and meet their needs. Students will be able to identify the difference between high school and college roles, responsibilities, and academic rigor. These courses will furthermore enhance students' ability to self-advocate for themselves to improve academic, work, and life outcomes. These courses will equip adults with disabilities with the support needed to complete a certificate or degree program and enter the workforce.

#### Outcomes:

- Identify and analyze the roles, responsibilities, and academic expectations needed to transition to college life and expectations.
- Utilize effective communication skills to self-advocate and make decision towards personal and vocational goals.
