Career Opportunities

Students learn an appreciation of film as a medium of mass communication and with experiences in film production. It provides partial lower division preparation for transfer to a baccalaureate degree in this field.

Program Mission and Outcomes

Students completing our program should be fully prepared to move on to a more advanced level in a post-secondary institution or in the workforce.

Program Student Learning Outcomes (FILM A.A.):

- Demonstrate the ability to attain the Institutional Student Learning Outcomes (ISLOs).
- Ability to synthesize lower-division level of principles and theories related to visual story telling using cinematic structure.
- A respect for film as a means of personal, cultural, or social expression synthesizing production technique and creative vision.

Program Student Learning Outcomes (Digital Filmmaking)

- Demonstrate an understanding of concept, design and creation of film projects.
- Demonstrate an ability to work collaboratively to produce film projects.
- Engage creativity and original thinking in the production of a film project.
- Develop a career path in the film and television industry.
