NURSING: LVN to RN

Career Ladder Program

LONG BEACH CITY COLLEGE Curriculum Guide for Academic Year of 2010-2011 Certificate of Achievement and/or Associate in Arts or Science

ALL INFORMATION CONTAINED HEREIN IS SUBJECT TO CHANGE WITHOUT NOTICE. For possible updates to this guide please refer to the following website: http://osca.lbcc.edu

PROGRAM INFORMATION

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd, NE Suite 500, Atlanta GA, 30326, (404) 975-5000 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate program (30 unit option). This <u>Associate Degree</u> and <u>Certificate</u> prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate of achievement program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.

DEPARTMENTAL ADMISSION REQUIREMENTS

SEQUENTIAL PROCEDURE FOR APPLICATION TO BOTH PROGRAMS

- 1. See a counselor to develop an educational plan and for evaluation of previous courses and proficiencies.
- 2. Complete mathematics proficiency to meet current graduation requirements. Proper documentation must be submitted with application to the School of Health and Science.
- 3. Complete reading proficiency to meet current graduation requirements through LBCC assessment testing or completion of READ 82 or 83 with a grade of "C" or higher. Proper documentation must be submitted with application to the School of Health and Science.
- 4. Complete information competency or computer proficiency to meet current graduation requirements. To see a list of appropriate courses check the most current LBCC General Education Plan. Proper documentation must be submitted with application to the School of Health and Science.
- 5. Maintain an overall grade point average of 2.0 or higher for all courses. A grade point average of 2.5 or higher is required in all science courses for application. Proper documentation must be submitted with application to the School of Health and Science.
- 6. Proof of U.S. high school graduation or equivalency must be submitted with application to the School of Health and Science.
- 7. An official copy of transcripts from other colleges attended must be included with the application to the School of Health and Science.
- 8. Complete the application form for the APLVN-RN Program during the open application period. Forms are available in the "C" Building at the School of Health and Science. Provide proof of having completed steps 1-7.Bring completed application form with a self-addressed, stamped, legal size envelope (4 1/8" X 9 1/2", available in the Bookstore) to the School of Health and Science Building "C". DO NOT SEAL! If you wish, you may mail your application to the School of Health and Science, including a self-addressed, stamped, legal size envelope. IF ANY PART OF THE APPLICATION IS INCOMPLETE ALL MATERIALS WILL BE RETURNED TO YOU.
- Qualified applicants will be selected for provisional admission based on the date of successful completion of ADN 20A, the challenge exam, and a minimum score of 67 on the TEAS examination (effective Spring, 2009). It is your responsibility to notify STAFF if you need special accommodations <u>prior</u> to testing.

IT IS YOUR RESPONSIBILITY TO PROVIDE YOUR CURRENT ADDRESS AND TELEPHONE NUMBER

ASSOCIATE DEGREE OF NURSING PROGRAM

LVN to RN Career Ladder Degree Program

CAREER OPPORTUNITIES

Graduates of the LVN to RN Career Ladder Degree Program are eligible to transfer into the upper division nursing courses in ADN to bachelor's degree nursing programs and ADN to master's degree nursing programs.

A suggested fulltime sample sequence of courses for the program is listed below. All ADN courses are sequential.

PREREQUISITES COURSES FOR THE PROGRAM							
1.	Complete the follow	ing courses with a "C" or better:		In Drogrooo	Completed Grade		
*	ANAT 1	Human Anatomy	4	Progress	Grade		
*	PHYSI 1	Human Physiology	4 5				
*	BIO 2	General Microbiology	5				
*	PSYCH 1	Intro to Psychology	3				
† #		Fund of Writing OR Reading and Composition	3-4				
•	btotal Units	I that of Whiting OK Reading and Composition	20-21				
Sui	ototal Units		20-21				
RE	RECOMMENDED but not required:						
	ADN 286	Nursing Applications of Pharmacology	3				
2 .	Pass NURSING DEPARTMENT EXAMINATION with a score of 75% or better immediately after completion of ADN 20A. This multiple choice test covers theoretical aspects of first level nursing practice and is given on an individual basis. The test may only be taken twice. If test is not passed on the second attempt see the program director.						
Sul	ototal (advanced place	ement) units	16				
 Hold a current license to practice as a Vocational Nurse in California. Entrance is not guaranteed. Entrance is determined by space availability.

General frequency of course offering • SP = Spring, S = Summer, F = Fall, INF = Infrequently † This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "P" grade (see catalog or schedule of classes). * In general "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of

* In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement. This course is an exception to the "double counting" rule; it <u>may</u> be double-counted. # ESL 34 class can be substituted to fulfill this requirement

Students must complete the courses outlined on the curriculum guide for the year in which they take their first nursing course. Students who withdraw from the program will be obligated by the guide of the year of their re-entry into the program.

NOTE: All REQUIRED general education courses must be completed before entry to program since all of them will be required before earning the associate degree.

For **ASSOCIATE DEGREE**:

GRADUATION REQUIREMENTS

NOTE: Effective Fall 2009, Title 5, section 55063 (a) (2) requires that students must complete each course counted toward the major or area of emphasis with a grade of "C" or better or "P" if the course is taken on a "Pass/No Pass" basis.

In addition to the requirements for this Program, complete the A.A. or A.S. degree requirements specified in the catalog. <u>The requirements for general education/proficiency and the field of concentration need to be from the same catalog year</u>. Nursing students must graduate under the catalog and nursing curriculum guide in effect for the entire class in which they are graduating. Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included). Submit a completed application for the degree to the Office of Admissions and Records during the final semester of course work.

CERTIFICATE PROGRAM (30 unit option) PREREQUISITES LVN to RN Certificate Program (30 Unit Option)

CAREER OPPORTUNITIES

This Certificate of Achievement prepares students for an entry-level position in a variety of health care settings following successful completion of the **NCLEX-RN**.

Persons who complete only the certificate program are not graduates of an accredited ADN Program and may not qualify for licensure in other states and/or for admission to graduate programs of nursing.

A suggested fulltime sample sequence of course for the program is listed on the following page of this guide.

					Completed
1. (1. Complete the following course with a grade of "C" or better. UNITS				
*	PHYSI 1	Human Physiology	5		
*	BIO 2	General Microbiology	5		
Subtotal Units 10					

2. Take the NURSING DEPARTMENT EXAMINATION

This multiple-choice test covers the theoretical aspects of first level nursing practice. Results will be used for counseling in the program.

GRADUATION REQUIREMENTS

For CERTIFICATE OF ACHIEVEMENT:

Complete the required units with a minimum grade of "C" or better in each course. Submit a completed application for the certificate to the Office of Admissions and Records during the final semester of course work.

This is not an educational plan, as course offerings and student schedules and circumstances vary. Students interested in transferring to a university to continue their study in this field of concentration or other majors are strongly advised to consult an LBCC academic counselor and refer to the ASSIST website (<u>www.assist.org</u>) for major preparation information. Counselors can clarify the different major and admissions requirements at a university. Students may visit the Student Success/Transfer Services Center to access further educational resources. If you need to set up an appointment to see a counselor or schedule the SOAR Test, please call LAC (562)938-4561 or PCC (562)938-3920.
