

WELDING TECHNOLOGY (Prepatory Program)

Curriculum Guide for Academic Year 2011-2012

Table of Contents

Associate in Science Degree, p. 1
Certificate of Achievement, p. 2
Certificate of Accomplishment, p. 3
 Advanced ARC Welder, p. 3
 ARC Welding, p. 3
 ARC Welding and Fabrication, p. 3
 Gas Tungsten ARC Welding (GTAW), p. 3
 Oxygen Acetylene Welding/Cutting, p. 4
 Shielded Metal ARC Welding, p. 4
 Structural Certification, p. 4
Career Opportunities, p. 4
Program Mission and Outcomes, p. 4
Legend, p. 4

Students planning to **transfer** to a four-year college or university should refer to the ASSIST web site at <u>www.assist.org</u> and **consult a counselor** before beginning a program of study. To meet with a counselor call 562-938-4561 for the LAC, or (562) 938-3920 for PCC. Students may also wish to visit the Transfer Center on either campus.

	Program of study leading to: Associate in Science (A.S.) Degree					
Select Option ONE (1) or Option TWO (2):						
Option 1:			ln	Completed		
REQUIRED COURSES (C	Complete 40 units from the following courses):	UNITS	Progress	Grade		
WELD 211	Fundamentals of Welding & Tools of Trade	9				
WELD 212	Arc Welding & Fabrication	9				
WELD 213	Advanced Arc Welding	9				
WELD 214	Inert Gas Welding (Heliarc, MIG)	9				
WELD 221	Arc Welding Structural Certification	4				
WELD 400AD	Welding (General)	2				
WELD 410AD	Welding (Arc)	2				
WELD 460AD	Welding (Acetylene Gas)	2				
WELD 480AD	Welding (Inert Gas)	2				
SHMET 220A	Basic Sheet Metal Layout and Fabrication	4				
	TOTAL UNITS	40				
Option 2:						
REQUIRED COURSES (C	Complete 40 units from the following courses):	UNITS	In Progress	Completed Grade		
SHMET 220A	Basic Sheet Metal Layout and Fabrication	4				
IN ADDITION, Comp	lete 36 UNITS of WELD—18 units of which must be from the					
200 series courses listed above, and the balance of which may be any 200/400 WELD series courses (no credit allowed for repetition of courses).		36				
	TOTAL LIMITO	40				
Associate Degree require	TOTAL UNITS ements continued from the previous page:	40				

WELDING TECHNOLOGY (Preparatory Program) 2011-2012

AS = 2986; C-ACH = 3986

Departmental Phone: 562-938-3076 or 938-3054

Page 1 of 4 Published: June 2011

Associate Degree requirements continued from the previous page:

REQUIRED FOR THE COMMUNICATION & ANALYTICAL THINKING General Education component:

Math Requirement: Complete Math 120[#] or 130[#] or 130A[#] OR a more advanced level of Mathematics[#].

RECOMMENDED for the NATURAL SCIENCES General Education component:

ENVRS 1 (Energy for the Future) OR CHEM 2#

For graduation with an Associate in Science (A.S.) Degree with a major in Welding Technology

1. Units: Complete a minimum of 60 units, distributed as follows:

Welding Technology Major: 40 units
General Education/A.S. 19 units
Electives/Other courses: 01 units
TOTAL: 60 units

- 2. **Scholarship:** Maintain an **overall grade point average (GPA) of 2.0** ("C" average) based on all accredited college work applied to the degree, no matter where completed. For this **field of concentration, complete each course above** with a **grade of "C" or better**, or "P" if course is graded on a P/NP basis.
- 3. Residence for the Degree: Complete at least 30 units of the required 60 in residence at LBCC, or complete in residence at LBCC at least 20 units within the last 30 units of work applied to the degree.
- 4. **Residence for the Field of Concentration**: Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at **least 20 units** of the required 40 must be **completed at Long Beach City College**. Credit earned by exam, where applicable, may be included.
- 5. **General Education and Proficiency Requirements:** Complete the required A.A./A.S. General Education and Proficiency requirements*, otherwise known as "Plan A". For Plan A requirements, refer to the general catalog or view it online at http://osca.lbcc.edu.
- Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/. Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the "Important Dates" link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".

Unless otherwise noted, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement.

	Program of study leading to: Certificate of Achievement			
REQUIRED COURSES—Complete the 40 box on the first page.	units of required courses as listed in the As	sociate		uirements
REQUIRED COURSES			In Progress	Completed
	TOTAL UNITS	40		

For graduation with a Welding Technology Certificate of Achievement:

- 1. Complete each of the **REQUIRED COURSES** listed above with a **minimum grade of "C"** or better, or "P" if course is graded on a P/NP basis.
- Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at least 20 units of the required 40 must be completed at Long Beach City College. Credit earned by exam, where applicable, may be included.
- Complete and submit the certificate application form to the Admissions and Records office during your final semester of
 course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/.
 Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the "Important Dates" link to view the actual deadline
 for each semester.

Certificate of Accomplishment requirements continue on the following page.					
Certificate: Oxygen Acetylene Welding/Cutting 4990					
REQUIRED COURSES WELD 211 WELD 460AD	Fundamentals of Welding & Tools of the Trade Welding (Acetylene Gas) TOTAL UNITS	UNITS 9 2 11	In Progress	Completed Grade	
ADDITIONAL REQUIREMENT	S : All of the required courses must be completed within 1.5	years.			
Certificate: Shielded Met	al ARC Welding 4991			_	
REQUIRED COURSE		UNITS	In Progress	Completed Grade	
WELD 412AD	Shielded Metal Arc Welding (ARC) (take four times) TOTAL UNITS	3 12			
ADDITIONAL REQUIREMENT	S : All of the required courses must be completed within 2.5	years.			
Certificate: Structural Cer	rtification 4992				
REQUIRED COURSES		UNITS	In Progress	Completed Grade	
WELD 221 WELD 414AD	Arc Welding Structural Certification Shielded Metal Arc Welding (SMAW) Vert and OV/HD Welds with Backing	4 2			
	TOTAL UNITS	6			
ADDITIONAL REQUIREMENT	S : All of the required courses must be completed within 1.5	years.			
For graduation with a Certifica	te of Accomplishment:	0 ("0" 5 : : :			

- Complete the above required units with a minimum grade point average of 2.0 ("C" average).
- Fifty percent (50%) or more of the required units must be completed in residence at LBCC.
- Complete and submit the certificate application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/ .

4.

Career Opportunities

Students prepare for entry level welding positions in aerospace, piping industry, and construction.

Program Mission and Outcomes

To obtain the knowledge and skills necessary to acquire a degree or certificate for employment.

Outcomes:

- Perform common welds in the flat and vertical positions using oxygen and acetylene process.
- Perform common welds in the flat and vertical positions using gas tungsten arc welding (GTAW) process.
- Perform common welds in the flat and vertical positions using shielding metal arc welding (SMAW) process.

Legend

† This course has a prerequisite. Prerequisite courses must be complete with at least a "C" or "P" grade. Refer to the General Catalog (http://www.lbcc.edu/cat/index.html), the Schedule of Classes (http://schedule.lbcc.edu/), or the online Credit Course Outline (http://wdb-asir.lbcc.edu/coursecurriculum/coursedetails/) for specific prerequisite information.
