General Education Certification Requirements

Completion of EITHER the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern IS REQUIRED. For general education patterns, visit the following web site: <u>http://osca.lbcc.edu/genedplan.cfm</u>, or the LBCC catalog. After completion of the General Education Pattern students must request GE certification. Consult with a counselor for more information about the GE Certification process.

Other Degree Requirements

1. **Minimum Unit Requirements:** Complete a minimum of 60 transferable units. Please note that additional units may be required to meet this minimum based upon courses selected to fulfill CSU-GE Breadth Pattern or the IGETC Pattern.

If following CSU-GE Bread	th Pattern	If following IGETC Pattern			
	Units		Units		
Kinesiology	21-25.5**	Kinesiology	21-25.5**		
CSU-GE Breadth	39	IGETC Pattern	37		
Minimum Required	60	Minimum Required	60		

**Double-Counting of Units: SB 1440 Regulations allow for double-counting of major requirements towards CSU- GE Breadth or IGETC patterns, and 9-14.5 units of the Kinesiology for Transfer coursework can be applied to the CSU- GE Breadth or IGETC patterns.

- 2. Minimum grade and GPA requirements: Maintain an overall grade point average (GPA) of 2.0 ("C" average) in all CSU-transferable coursework. For the major complete each course with a grade of "C" or better, or "P" if course is graded on a P/NP basis.
- 3. Residence for the Degree: Complete at least 12 CSU-transferable units (courses numbered 1-99) in residence at LBCC.
- 4. Degree Application: Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/. Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the "Important Dates" link to view the actual deadline for each semester.

Career Opportunities

Applications of Kinesiology in human health include physical education teacher, the rehabilitation professions such as physical and occupational therapy as well as applications in sport and exercise industries. A bachelor's degree in Kinesiology can provide strong preparations for graduate study in biological research as well as in professional programs such as allied health and medicine

Program Mission and Outcomes

In support of the college mission statement, the Kinesiology Department's Associate in Arts for Transfer (AA-T) curriculum offers lower division courses that prepare scholarly and highly skilled practitioners with current knowledge and resources to meet present and future program needs. The Kinesiology Department prepares scholars-practitioners committed to theory and practice in diverse settings with populations from a variety of social and cultural contexts.

Program Outcomes:

- 1. Students will examine and evaluate physical activities and their relationship to wellness and fitness.
- 2. Students will demonstrate proficiency in skills needed in activities commonly included in a human movement program.
- 3. Students will appraise various career opportunities in the field of Kinesiology.
- 4. Students will meet all transfer requirements to a California State University in the field of Kinesiology

Legend

[†] This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "P" grade. Refer to the General Catalog (<u>http://www.lbcc.edu/cat/index.html</u>), the Schedule of Classes (<u>http://schedule.lbcc.edu/</u>), or the online Credit Course Outline (<u>http://wdb-asir.lbcc.edu/coursecurriculum/coursedetails/</u>) for specific prerequisite information.

Departmental Phone: 562-938-4378, Departmental Webpage: http://www.lbcc.edu/kinesiology/ Information on this sheet is subject to change without notice. Any updates to this guide are posted at http://osca.lbcc.edu.
