ADVANCED MANUFACTURING TECHNOLOGY

Curriculum Guide for Academic Year 2021-2022

Table of Contents

Associate in Science Degree, p. 1 Certificate of Achievement, p. 2 Certificate of Achievement—Advanced Manufacturing Technology Core Skills p. 2 Career Opportunities, p. 3 Program Mission and Outcomes, p. 3 Legend, p. 3

Students planning to **transfer** to a four-year college or university should refer to the ASSIST web site at <u>www.assist.org</u> and **consult a counselor** before beginning a program of study. Please call (562) 938-4561 (LAC) or (562) 938-3920 (PCC) to schedule a counseling appointment. Students may also wish to visit the Transfer Center on either campus.

Departmental Phone: 562-938-3500, Web Site: Information on this sheet is subject to change without notice. Any updates to this guide are posted at <u>http://osca.lbcc.edu</u>. Associate Degree requirements continued from previous page.

- General Education and Proficiency Requirements: Complete the required A.A./A.S. General Education and Proficiency requirements*, otherwise known as "Plan A". For Plan A requirements, refer to the general catalog or view it online at <u>http://osca.lbcc.edu</u>.
- Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <u>http://admissions.lbcc.edu/</u>. Refer to the Schedule of Classes (<u>http://schedule.lbcc.edu</u>) and click the "Important Dates" link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".

Program of study leading to: Certificate of Achievement

<u>REQUIRED COURSES</u>—Complete the 31 units of required courses as listed in the Associate Degree requirements box.

TOTAL UNITS

31

For graduation with an Advanced Manufacturing Technology Certificate of Achievement:

- 1. Complete each of the REQUIRED COURSES listed above with a minimum grade of "C".
- Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at least 15.5 units of the required 31 units must be completed at Long Beach City College. Credit earned by exam, where applicable, may be included.
- 3. Complete and submit the certificate application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <u>http://admissions.lbcc.edu/</u>. Refer to the Schedule of Classes (<u>http://schedule.lbcc.edu</u>) and click the "Important Dates" link to view the actual deadline for each semester.

Program of study leading to: Certificate of Achievement – Advanced Manufacturing Technology Core Skills 3922

	OURSES:		UNITS	In Progress	Completed Grade
OSHA 254	OHSA Standards for General Industry		2		
ADMT 50	Advanced Manufacturing, Introduction		3		
ADMT 200	Advanced Manufacturing Math		3		
CAD 50	Mechanical Drafting, Introduction		2		
ETEC 60	Material Science for Engineering Tech		3		
WELD 50	Introduction to Welding		4		
		Total Units	17		

For graduation with a Advanced Manufacturing – Core Skills Certificate of Achievement:

- 1. Complete each of the **REQUIRED COURSES** with a **minimum grade of** "C" and a cumulative grade point average of 2.5.
- Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at least 8.5 units of the required 17 must be completed at Long Beach City College. Credit earned by exam, where applicable, may be included.
- 3. Complete and submit the certificate application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/. Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the "Important Dates" link to view the actual deadline for each semester.

Program of study leading to: Certificate of Achievement – Advanced Manufacturing and Design Technology 3923

REQUIRED CORE	COURSES:		UNITS	In Progress	Completed Grade
CAD 50	Mechanical Drafting, Introduction		2		
CAD 51	Mechanical Drafting, Intermediate		2		
CAD 52	CAD/CAM		2		
CAD 60	Geometric Dimensioning and Tolerancing		3		
ETEC 60	Material Science for Engineering Tech		3		
CAD 202	AutoCAD Fundamentals		2		
CAD 220	Introduction to CATIA		2		
		Total Units	16		

- For graduation with an Advanced Manufacturing and Design Technology Certificate of Achievement:
 - 1. Complete each of the **REQUIRED COURSES** with a **minimum grade of** "C" and a cumulative grade point average of 2.5.
 - 2. Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at **least 8 units** of the required 16 must be **completed at Long Beach City College**. Credit earned by exam, where applicable, may be included.
 - 3. Complete and submit the certificate application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at http://admissions.lbcc.edu/. Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the "Important Dates" link to view the actual deadline for each semester.

Career Opportunities

This **Associate Degree or Certificate of Achievement** is a two-year program leading to the Associate in Science (A.S.) degree. This degree will help students succeed after transferring to a CSU or UC School Computer Science major program. Students wishing a bachelor's degree (transfer program) should meet with a counselor to discuss transferability of courses.

Program Mission and Outcomes

Program Student Learning Outcome:

- Demonstrate the ability to attain the Institutional Student Learning Outcomes. (ISLOs).
- Demonstrate the ability to create and interpret mechanical engineering drawing and specifications.
- Create Computer Numerical Control (CNC) machine tool programs utilizing CNC programming. Technologies.

<u>Legend</u>

† This course has a prerequisite. Prerequisite courses must be complete with at least a "C" or "P" grade. Refer to the General Catalog (http://www.lbcc.edu/cat/index.html), the Schedule of Classes (http://schedule.lbcc.edu/), or the online Credit Course Outline (http://wdb-asir.lbcc.edu/coursecurriculum/coursedetails/) for specific prerequisite information.
