

LONG BEACH CITY COLLEGE

GENERAL EDUCATION PLANS

EFFECTIVE FALL 2003 THRU SUMMER 2004

PLAN A The General Education Requirements for the Associate Degree: Designed for students planning to obtain an Associate Degree. The general education requirement is only a component to the Associate Degree. Refer to “Degrees and Programs - Plan A ” in the LBCC catalog for complete information.

PLAN B The CSU-GE Breadth Requirements: Designed for students transferring to the California State University (CSU). Courses on this pattern are lower division general education breadth requirements specific to the California State University and used to obtain a full or partial certification.

PLAN C The Intersegmental General Education Transfer Curriculum (IGETC) Requirements: Designed for students transferring to the University of California (UC) or the California State University (CSU). Courses on this pattern are lower division general education requirements unique to IGETC and were established by the UC and CSU.

All students must consult a counselor when following Plans A, B or C (✓)
ALL INFORMATION CONTAINED HEREIN IS SUBJECT TO CHANGE WITHOUT NOTICE (✓)

- ALTERNATIVE GENERAL EDUCATION PLANS:** Consult a counselor to determine the best general education pattern for you.
- CHANGES TO THE GENERAL EDUCATION PLANS (ABC Guide):** The ABC Guide is an evolving document that is reviewed and updated annually to accommodate curriculum changes and pertinent information. The guide is available in the LBCC Catalog, Schedule of Classes, the LAC and PCC Student Success/Transfer Services Centers, and at the LBCC website <http://students.lbcc.edu>. Students are responsible for securing an updated copy of the ABC Guide at the beginning of the fall semester.
- CURRICULUM GUIDES:** There are two types of curriculum guides: the LBCC Curriculum Guide and the Transfer Curriculum Guide. The LBCC Curriculum Guide contains information on specific fields of concentration and lists courses required for the Associate Degree or Certificate for that field. The Transfer Curriculum Guide contains lower division major preparation courses required at specific CSUs or UCs. Courses listed on the Transfer Curriculum Guide are articulated courses that are offered at LBCC. The information on the Transfer Curriculum Guide derives from various college catalogs and articulation agreements. To view the LBCC Curriculum Guides and/or Transfer Curriculum Guides log on to the LBCC website <http://students.lbcc.edu>. To view the most current articulation agreements, log on to www.assist.org. The ASSIST database is the official repository of articulation and transfer for the State of California.
- CERTIFICATION:** The process whereby Long Beach City College approves lower division general education coursework for CSU/UC transfer. Units earned and credited to the CSU and/or IGETC certification will only be certified by LBCC for courses taken from approved certification lists. The 50% Rule requires that 50% of the courses used for Plan B must be completed at LBCC; Plan C requires that 50% of the courses must be completed at a California Community College. (For additional information on residency requirements for Plans B and C or Plan A see RESIDENCY section on next page).

AA/AS DEGREE

- Recommended Prior to Enrollment:**
Take LBCC Assessment Test, SAT and/or ACT scores, if available, should be on file in Admissions/Records Office, along with high school/college transcripts.
- REQUEST FOR GRADUATION:** Must be submitted to the Records Office no later than the seventh week of the last semester of the program. Look for posted deadline for graduation.
- ADDITIONAL ASSOCIATE DEGREES:**
Each additional Associate Degree requires:
 - Twenty additional units at LBCC AFTER receiving the last degree AND
 - Completion of all degree requirements in effect for the year after work is started on the 2nd degree.

It is **HIGHLY RECOMMENDED** that students consult the catalog of the college/university to which they plan to transfer, a counselor, and the Student Success/Transfer Services Center to help them develop a plan that will meet their needs. Students are advised to plan early so that they will be well-prepared at the time of transfer.

- PLAN B -

CALIFORNIA STATE UNIVERSITY (CSU-GE Breadth)

CONTINUOUS ENROLLMENT AND CONTINUES ATTENDANCE is enrollment at an accredited college for at least one semester or two quarters in any one **CALENDAR** year (January to December) to insure catalog rights.

Note: Please check with a counselor regarding major admissions requirement.

STUDENTS WHO HAVE NOT ATTENDED COLLEGE FOR A SEMESTER (NOT INCLUDING SUMMER) MAY STILL MEET THE REQUIREMENTS OF CONTINUOUS ENROLLMENT & CONTINUOUS ATTENDANCE. REFER TO DEGREES AND PROGRAMS SECTION OF THE CATALOG.

AT LEAST 50% OF THE COURSES on the general education guide for CSU must be completed at LBCC in order to qualify for **CERTIFICATION**. You must see a counselor to use non-LBCC courses on this plan. When a transcript is certified by LBCC, it is marked to indicate that the lower division general education requirements for CSU have been met. Completion of the full 39 unit pattern is recommended. With permission of the CSU, students may transfer to a CSU and return to LBCC to complete classes for certification.

FOR ADMISSION: Generally, 2.0 overall G.P.A. in CSU transferable units. (LBCC courses numbered 1-99 are CSU transferable). Some majors may require a higher G.P.A. (See application and major requirements for more information).

A grade of "C" or better is required for each class in Areas A & B4. The "C" grade must be equivalent to a 2.0 G.P.A. to qualify. No more than 2 D's allowed in remaining general education classes.

FOR ADMISSION: The CSU recommends completion of 60 units for junior standing; however, students may generally transfer with a minimum of 56 transferable units. LBCC courses numbered 1-99 will transfer to all CSU's. (See CSU application for information on transfer with fewer than 56 transferable units).

A maximum of 70 transferable semester units earned at a California community college will be accepted by a CSU toward a Bachelor's Degree.

There are NO proficiencies required by the California State Universities.

- PLAN C -

INTERSEGMENTAL GENERAL EDUCATION CURRICULUM (IGETC)

CONTINUOUS ENROLLMENT AND CONTINUOUS ATTENDANCE required to insure catalog rights.

Note: Please check with a counselor regarding major admissions requirement.

To use the IGETC, all courses must be completed at an accredited community college or university prior to transfer. This means that courses may be transferred from one community college or university to another and used for transfer, provided 50% or more of the work is from a California community college (Pass Along allowed). Students who begin their college work at any UC may NOT use the IGETC for transfer back to the same UC. All course work must be completed and certified prior to transfer.

FOR ADMISSION: A minimum of 2.4 G.P.A. in transferable units (UC transferable courses noted in LBCC catalog and schedule of classes). Some majors require a higher G.P.A. (See application and major requirements for more information). For CSU, see Plan B.

Requires a "C" or better in each class.

FOR ADMISSION: The CSU system recommends completion of 60 units for junior standing. Generally, a minimum of 56 transferable units is required for those students not eligible for admission to CSU from high school. The UC requires 60+ transferable units for admission.

A maximum of 70 transferable semester units earned at a California community college will be accepted by the UC or CSU toward a degree awarded by either system.

FOREIGN LANGUAGE PROFICIENCY: Those students using the IGETC for transfer to one of the nine campuses of the University of California must show proficiency in a foreign language.

This requirement may be met by:

- Completion of two years of foreign language in high school with a grade of "C" or better, *OR*
- Performance on foreign language proficiency tests administered at a campus of the UC, *OR*
- Earning a score of 550 on an appropriate College Board Achievement Test, *OR*
- Completion of a second or more advanced level of foreign language course offered at LBCC:

Chinese 2
 French 2 OR 2A and B†
 German 2 OR 2 A and B†
 Japanese 2
 Spanish 2 OR 2A and B†

†Both courses must be completed to receive IGETC credit.
