READ 681	Reading Essentials	54
Total Hours		90

READING IN THE HEALTH SCIENCES - CERTIFICATE OF COMPLETION

Plan Code: 4615

The Certificate of Completion in Reading in the Health Sciences will provide students with an opportunity to prepare for success in health science programs. Students will be supported by a reading instructor and develop critical reading skills to understand and apply the concepts presented in health science textbooks. Students will also learn how to monitor and clarify their thinking while taking written and multiple-choice assessments. Upon successful completion students will be equipped to take health science courses, complete necessary assessments such as ATI TEAS, and apply study habits to their health science courses at LBCC and beyond. Students will be required to take BIO 602 Introduction to Health Career Sciences and READ 602 Reading for Health Career Sciences simultaneously.

Program Student Learning Outcomes

- Apply varied reading strategies to comprehend and retain fundamentals of health sciences related to anatomy and physiology.
