LONG BEACH CITY COLLEGE GENERAL EDUCATION PLANS
Academic Year 2009-2010

All students must consult a counselor when following Plans A, B or C

PRIOR TO ENROLLMENT at LBCC, students are encouraged to take the LBCC Assessment Test. Submit high school and college transcripts and any Advanced Placement (AP) test scores to Admissions and Records.

CHANGES TO THE GENERAL EDUCATION PLANS (The ABC Guide): The ABC Guide (this handout) is reviewed and updated annually by the Associate Degree/General Education Subcommittee (AD/GE) to incorporate curriculum changes and pertinent information. The ABC Guide is available in the LBCC Catalog, the Schedule of Classes, the LAC and PCC Student Success/Transfer Services Centers, and on the web at http://osca.lbcc.edu/genedplan.cfm. Students are responsible for securing an updated copy of the ABC Guide at the beginning of the fall semester. Due to printing deadlines, changes to the ABC Guide may be required after publication of the catalog. If the ABC Guide requires changes after catalog publication, the revised version will be posted on the web at http://osca.lbcc.edu/genedplan.cfm.

CERTIFICATION: the process whereby Long Beach City College approves lower-division general education coursework for CSU/UC transfer. Only courses taken from approved lists are eligible for certification of CSU GE-Breadth and/or IGETC. Long Beach City College requires that students must complete a minimum of 12 general education units in residence for certification of CSUGE-B (Plan B). For additional information on certification and residency for Plans A, B, or C, see the CERTIFICATION and RESIDENCY sections on the following pages.

ALTERNATIVE GENERAL EDUCATION PLANS: Consult a counselor to determine the best general education pattern for you.

CURRICULUM GUIDES: There are two types of curriculum guides: the LBCC Curriculum Guide and the Transfer Curriculum Guide. The LBCC Curriculum Guides contain information on specific fields of concentration and list courses required for the Associate Degree or certificate for that field. The Transfer Curriculum Guides contain lower-division major preparation courses required at specific CSUs, UCs, or privates. The information on the Transfer Curriculum Guide derives from various college catalogs and articulation agreements posted on the www.assist.org web site. To view the LBCC Curriculum Guides and/or the Transfer Curriculum Guides, visit the LBCC web site at http://osca.lbcc.edu. To view the most current articulation agreements, visit www.assist.org. The ASSIST database is the official repository of articulation and transfer for the State of California.

PRIVATE UNIVERSITY TRANSFER: Most private universities have specific lower-division and general education requirements. It is HIGHLY RECOMMENDED that students consult the catalog of the college/university to which they plan to transfer and meet with a counselor. Students may also find information for private universities through The Association of Independent California Colleges and Universities (AICCU) web site at www.aiccu.org. A counselor may assist students with developing a plan consistent with their educational goals. Students are advised to plan early so that they will be well-prepared at the time of transfer.

- PLAN A - ASSOCIATE DEGREES (AA/AS)
These general education (GE) requirements are designed for students planning to obtain an Associate Degree. The GE requirement is only a component of the Associate Degree. Refer to “Degrees and Programs-Plan A” in the LBCC catalog for complete degree requirements.
