

Liberal Arts Campus
Building A - Student Services Retrofit

Construction Budget:	\$9,175,000
Start of Construction:	2011
Architect:	Martinez Architects
General Contractor:	SMC Construction Co.
Size:	28,100 ASF
Funding:	Measure E

The retrofit of Building A into a "one-stop" Student Services Facility will include a renovation of the main entrance as well as reconfiguration of all interior spaces. The bookstore will be relocated into the retrofitted Building I. The new Student Services Facility will house Financial Aid, Disabled Students Programs and Services (DSPS), Student Outreach and Recruitment, Health Services, Extended Opportunities Programs and Services (EOPS), Counseling, Admissions and Records, Cashier, ASB Bank and Transfer and Career Center.
