

**Pacific Coast Campus  
Sheet Metal Shop**

Construction Budget: **\$93,000**  
 Start of Construction: **2011**  
 Architect: **Hill Partnership, Inc.**  
 General Contractor: **Alley Cat Development**  
 Size: **26,450 sq. ft.**  
 Funding: **Measure E**

**DESCRIPTION:**

*The partial building renovation for the Sheet Metal Department is located within the Industrial Technology Building Complex. The project consists of providing new utility branch lines connected off of existing lines (gas, power, data, etc.), concrete pads, and other components to allow for the college's placement and installation of the existing and new sheet metal equipment.*

**Construction Phase  
95% Complete**
