Areas Impacted: Buildings AA, BB, FF, and Parking Lot #1

Starting Monday, September 14, 2015, to Friday, September 18, 2015, portions of the sidewalk north and west of Building BB will be closed intermittently due to planned construction activities. Pedestrian and vehicular paths of travel will be maintained for the project duration.

Please carefully observe all construction signage, stay clear of construction activity, and do not enter barricaded areas. Pedestrians are especially cautioned of the presence of open trenches and the movement of large construction equipment in and out of the construction area.
