Liberal Arts Campus – Building P Renovation

Areas Impacted: Walkway between Buildings N & P

From 7 AM to 5 PM on Thursday, July 2, 2015, geotechnical drilling will be conducted between Buildings N & P. There will be large, heavy duty construction equipment located between the buildings and periods of increased noise. During this time, pedestrian paths of travel between Buildings N & P may be re-routed intermittently.

Please carefully observe all construction signage, stay clear of construction activity, and do not enter barricaded areas. Pedestrians are especially cautioned of the presence of open trenches and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience, and we thank you for your cooperation.
