BOND CONSTRUCTION PROGRAM

CONSTRUCTION ALERT
Pacific Coast Campus - Building GG

Areas Impacted: Buildings AA, BB, DD, EE, FF, and the MD Trailers

On Thursday and Friday, August 6 - 7, 2015, and August 13 - 14, 2015, a roof coating material will be installed on Building GG as part of normal scheduled construction activities. This material may present an odor during installation to those in close proximity to the building.

*Please carefully observe all construction signage, stay clear of construction activity, and do not enter barricaded areas. Pedestrians are especially cautioned of the presence of open trenches and the movement of large construction equipment in and out of the construction area.*

We apologize for any inconvenience, and we thank you for your cooperation.
