BOND CONSTRUCTION PROGRAM

CONSTRUCTION ALERT
Liberal Arts Campus – New Mathematics and Technology Building (Building V)

Areas Impacted: Building T

On Saturday, February 28, 2015, the power to Building T will be shut down from 6 AM to 8 AM. Scheduled classes will not be affected.

To reduce the potential for loss of data and/or damage to your equipment, be sure to shut off or disconnect all sensitive electronic equipment, such as computers and fax machines, before the outage begins. Please note that a system reboot may be required if your system must disconnect from a server, and turning off or disconnecting some equipment may cause cached data to be lost.

Please carefully observe all construction signage, stay clear of construction activity, and do not enter barricaded areas. Pedestrians are especially cautioned of the presence of open trenches and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience, and we thank you for your cooperation.
