BOND CONSTRUCTION PROGRAM

CONSTRUCTION ALERT
Liberal Arts Campus – Building D Renovation

Areas Impacted: Buildings C & D Walkway

From 7 AM to 5 PM on Friday, July 10, 2015, geotechnical drilling will be conducted at Building D. There will be large, heavy duty construction equipment located in the walkway between Buildings C & D and periods of increased noise. The walkway will be closed and an alternate route will be provided.

Please carefully observe all construction signage, stay clear of construction activity, and do not enter barricaded areas. Pedestrians are especially cautioned of the presence of open trenches and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience, and we thank you for your cooperation.
