CONSTRUCTION ALERT

Pacific Coast Campus – PCC Infrastructure Repair

Areas Impacted: PCC Campus from May Ave to Parking Lot #1

Contractor mobilization for the PCC Infrastructure Repair Project commences February 17, 2012. Planned construction activities will require temporary changes to the entrance and egress locations of Parking Lots 1, 2 and 3. Pedestrian paths of travel and delivery truck access will be maintained for the project duration.

See attached map for details of affected areas.

Please carefully observe all construction signage and stay clear of construction activity and do not enter barricaded areas. Passersby are especially cautioned of the presence of open, deep trenches throughout the construction period and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience and we thank you for your cooperation.
