

Port of Long Beach

Scholarships

The Port of Long Beach is helping prepare a new generation of leaders to meet future challenges in the field of international trade by sponsoring scholarships for Long Beach-area students. **Each year, the Port awards more than \$60,000 to students to assist with education expenses.**

International Business Students

The Port of Long Beach awards scholarships each year to **International Business students at Long Beach City College**. To qualify for scholarships, applicants must have:

- Cumulative grade point average of at least 3.0
- Evidence of financial need
- Documentation demonstrating a legal right to work in California.

Trade and Industrial Technologies Students

Scholarships are also awarded to students in **LBCC's Trades and Industrial Technologies Programs**, which prepare students for opportunities in port-related industries.

For more information, contact LBCC's School of Trades and Industrial Technologies at (562) 938-3057.

Students' service to the community or college work experience and other academic degrees are taken into consideration. **For more information, contact the Long Beach City College scholarship office at (562) 938-4083.**
