

Opportunity for Parent/Family Participation Parent/Family Advisory Group

The LBCC Child Development Centers & Learning Labs are now recruiting CDC parents/family members for a new advisory group.

This group will meet every 4-6 weeks. The proposed mission of the group is to provide opportunities for parents to become involved in the life of the CDC, to contribute to a positive preschool experience by providing events to support the programs, and to support the staff of the preschool and learning lab. We encourage parents and family members to volunteer; Parent Hours will be granted for your participation.

Interested parents/family members can obtain more information at the Second Cup with the Site Supervisor meetings to be held at **8:00 AM on 8/23 at CDC-PCC** and **8/25 at CDC-LAC**. Please stop by to have some coffee or juice and get more information. **You can also contact me directly at (562) 938-3080 or s2smith@lbcc.edu.**
