Your 2014-2015 Free Application for Federal Student Aid (FAFSA) or California Dream Act application was selected for review in a process called verification.

The law says that before awarding federal and/or state financial aid, we must confirm the information you and your spouse (if married) reported on your FAFSA or Dream Act application. To verify that you provided correct information, Long Beach City College Financial Aid will compare your application with the information on this worksheet and with any other required documents. We will make corrections based on the information you provide.

You and your spouse (if married) must complete and sign this worksheet, attach any required documents and submit to the LBCC Financial Aid office.
