WHY WE NEED YOUR HELP

Imagine a library with no new books to support the curriculum, no new books to reflect the growing diversity of the student body and programs, no new books to support the transfer programs, the career and occupational programs, basic skills, continuing education.

Could you let this happen?

WHAT CAN YOU DO?

Support the Adopt-a-Book appeal, and you will help us provide essential resources to our students. Through your contribution, you will play a vital role in supporting the College's mission.

WHAT WE WILL DO

LBCC librarians, professionally trained to review, evaluate, and select educational resources, will use your contribution to acquire valuable library materials.

Your donation will support the Library's collection, its mission, and help guarantee its future collection.

WHAT YOU WILL RECEIVE

In return for your support, we will recognize your gift. For a minimum donation of \$25, we will place a permanent bookplate in a new book, recording your name as the donor.

If you prefer, you could make your donation in honor of an occasion, such as a holiday or wedding, or in honor of a particular person, such as a teacher, a parent, a friend, or a spouse. You will also receive a letter of thanks from the Foundation and acknowledgement of the occasion or person in whose honor it was made.
