19. Most of you will be at "60-89 semester units (Junior Transfer)"
20. Click Next
21. You have created your UC Application Account! Start Your Application...

Tips:

- You may request to have the fee for your university application waived. Online fee waiver applications are available at the end of your online application.
- Please print out all your college and university transcripts before attempting to complete the application. You will need to enter ALL university/college courses taken, when they were taken, and what grade you received.
- Begin your UC Personal Statement and save it on Microsoft Word. You can cut and paste it into your application when ready.
