

CSU Application Tips...

Priority Filing Period for Fall: October 1st - November 30th
Application Website: www.csumentor.edu

- Do not forget your login and password you create. Write it down.
- Create an email specifically for your university applications. For Example: JohnSmithApplications@yahoo.com
- Check your email regularly for notices from the universities
- Turn off your email pop-up blockers and check your “junk” email files.
- Obtain copies of all your college transcripts and AP or IB Exam results.
- You will need to report the courses you are currently taking and the ones you plan to take before transferring.
You will need to enter the department, course number, title of the course, and the number of units for these courses. All of this information is on your college transcripts.
For example, if you are currently enrolled in LBCC English 1:
 Department = English
 Course number = 1 (Do not confuse this with the 5 digit course number found on your class schedule)
 Title = Reading and Composition
 Units = 4
- Calculate your: CSU transferable GPA, the number of CSU transferable units you have completed to date, and the total number of transferable units you will have completed prior to enrolling at the CSU campus. Use www.assist.org to identify CSU transferable courses at LBCC and other community colleges. Divide your total CSU grade points by your total CSU units to determine your CSU GPA.
- Identify the courses you are using to fulfill the following CSU GE requirements and the term you took each course.
 - A1 – Oral Communication; (SPCH 10,20,30,60)
 - A2 – Written Composition; (ENG 1, 1H)
 - A3 – Critical Thinking; (SPCH 60; ENG 3, 3H, 4; PHIL 11, 12; Read 84)
 - B4 – Math/Quantitative Reasoning (Math 27, 28, 37, 37H, 40, 45, 50, 60, 70, 80, 84; Stats 1, 1H)

International Student Applications

- If you are an International student, there is a separate International Student Application at www.csumentor.edu. AB 540 students should complete the domestic CSU admissions application and not the International Student Application.

If you're applying to Cal Poly San Luis Obispo (CPSLO)

- CPSLO has Transfer Supplemental application pages located in their application. It is critical that you complete this section correctly. A mistake on the application could cause you to be denied, even if you meet all admissions requirements.

Applying to more than 1 CSU Campus – The Easy Way

- Complete your 1st application before starting additional applications.
- When you start your next application, all of the information you provided in your first application will be transferred to your next application (with the exception of page 1 where you are asked about your major. You will have to redo that page).

Don't Forget to Send Your Transcripts

- After you submit your application(s), look for emails requesting official transcripts.

Made a Mistake on Your Application?

- Notify each campus by email immediately to correct the information.

Admissions Notifications

- You should start to receive admissions decisions in February/ March through June (for Fall transfer).

LOGOFF YOUR COMPUTER

- Not logging off when done with your application may expose your data to the next applicant!

Remember to check your email regularly and meet all deadlines for submission of documents. Failure to meet established deadlines will result in being denied admission or having your admission offer cancelled.

Good Luck! Long Beach City College...Transfer Begins Today!
