

COLLEGE HONORS PROGRAM

If you plan to transfer to any competitive university, your first step should be to apply to the LBCC Honors Program.

For over a quarter of a century, high-achieving LBCC students have flocked to the college's Honors Program for the intellectual challenge it offers. Students who complete the program earn priority consideration for admission to select public and private universities. Generous financial aid packages are available to those students who qualify based on outstanding scholastic performance and financial need. Participating private schools have set up special scholarships available only to Honors transfer students who meet the selection criteria.

HONORS CLASSES

Honors courses are specifically designed to build critical and creative thinking skills through an intimate, interactive classroom experience. Students receive training in reading, writing, analysis and synthesis, boosting their readiness for success in upper division courses.

APPLICATION PROCESS

In order to enroll in Honors classes, the student is required to complete the application process. For the Fall semester, applications must be received by June 15, 2010 (before May 15, 2010, for admission decision before beginning of registration). To qualify, all students must place in English 1 (through the LBCC Assessment test), and need to meet one of the following criteria:

1) For new students, a sliding scale of grades (overall GPA) and test scores (SAT or ACT or equivalency):

GPA	SAT (New)	ACT	SAT (Old)
4.0	1440	20	800
3.9	1500	21	850
3.8	1560	22	900
3.7	1620	23	950
3.6	1680	24	1000
3.5	1740	25	1050
3.4	1800	26	1100
3.3	1860	27	1150
3.25	1920	27	1175

Students who believe they are eligible for the Program based on other criteria, may make an appointment to see the Honors Coordinator after filling out the application. However, students must be close to the minimum requirements based on the SAT/ACT and GPA, have excellent letters of recommendation, and offer academic evidence showing why they believe they should be allowed to enroll in the Honors Program.

2) For continuing students, 3.00 overall GPA in 12 or more Long Beach City College units (courses numbered 1-99) or by petition through the Honors Program Office (L161).

3) Classes are also open to honor students who are members of the Lakewood, Millikan, and Wilson High Schools' Distinguished Scholars Program, and/or are high school seniors, and have met the qualifications for the Honors Program.
