

Overarching Goals from the Education Master Plan, 2005-2010

LEARNING

Goal: The College will be guided by a common set of core learning outcomes (which we identify in the “Institutional Core Competencies”).

EQUITY

Goal: Effective access to and equity in educational outcomes for our diverse community will be assured by sufficient and cohesive pathways for access, retention, excellence and institutional receptivity.

TEAMWORK/ ORGANIZATION

Goal: Through effective teamwork and organizational development the college will establish and sustain an optimal learning environment for our students, addressing local, state and national perspectives.

INFRASTRUCTURE

Goal: The College will develop integrated facilities and technology that maximizes student centered and instructionally-driven learning environments
