What would your family do without your income?

Unum’s Term Life and Accidental Death & Dismemberment (AD&D) Insurance can help.

Better prepared for the future
Jarrod and Amy have two careers, two children, two day-care payments and a two-story house on the lake. If either one dies prematurely, one paycheck won’t keep the family afloat. They have basic life insurance at work, but they want enough coverage to meet their actual needs.

What happens after you’re gone?
If a primary wage earner died:

29% of Americans believe they would feel the financial impact within one month.
• 43% would feel the financial impact within six months.
• Only 27% would take a year or more to feel the impact.

Features with value
1. Adds more coverage at affordable group rates
   Your employer may offer basic term life, but it’s probably not enough for your needs. Buy more term life insurance at an affordable rate. If you leave your job, Unum will allow you to switch to an individual policy. Unum will bill you directly for the premium.
2. Requires no physical exam
   If you apply during your initial enrollment, you are guaranteed to receive a specific amount of coverage — your plan’s guaranteed issue amount — without taking a medical exam or answering any health-related questions.

How to apply)
Your benefit enrollment is coming soon. To learn more, watch for information from your employer.
Get the coverage you need.

Term life and AD&D insurance is offered to all eligible employees. Choose the benefit amount you need — up to your plan's maximum, for both.

**Three reasons to buy this coverage at work — now**
1. Once you buy coverage during the initial enrollment, you can add to it each year up to your plan's guaranteed issue amount, without a medical exam or health questions.
2. You get affordable rates for you and your family. Premiums are conveniently deducted from your paycheck.
3. You can keep insurance coverage if you leave the company or retire, provided you aren't seriously ill. You're billed at home for your premium amount.

**Benefits highlights you'll appreciate:**

**AD&D benefit** — This is paid, in addition to the life benefit, if you or a covered dependent die in a covered accident. It also pays if you suffer a covered dismemberment.

**Accelerated (early) benefit** — If you become terminally ill with less than 12 months to live, you have access to part or all of your life benefit early, up to your plan's maximum.

**Life Planning Financial & Legal Resources** — Financial planning and counseling are available to you or your family members at no extra cost if you are diagnosed with a terminal illness or die.

**Seat belt benefit** — Pays an additional benefit if you die in a covered private-passenger car accident while wearing a seat belt. An extra benefit is paid if the seat is protected by an airbag plus seat belt and your seat belt is properly fastened.

**Education benefit** — If you or your insured spouse dies within 365 days of a covered accident, this benefit can help pay for your unmarried children's ongoing college education.

**Repatriation (bring you home) benefit** — If you or your covered dependent(s) die in a covered accident more than 100 miles from home, this benefit helps pay to prepare the body and send it to a mortuary.

### Insurance Age
To calculate the per-paycheck cost for this coverage, complete the calculations below. Calculation is just an estimate of premium amount and may be subject to change.

Aging takes place on the anniversary date calculated as follows:
The Plan Year subtract the Birth Year = the age they will be on the plan anniversary.

**Example 1:** The policy anniversary date is 1/1/12. EE turns 30 on 2/14/12. On the 1/1/12 anniversary date, the EE will begin billing as age 30 even though the birthday has not happened yet.

**Example 2:** The policy anniversary date is 10/1/12. EE turns 30 on 2/14/12. The EE wouldn’t begin billing as age 30 until the anniversary date of 10/1/12.

Next Steps

How to Apply

To apply for coverage, complete your enrollment form within 31 days of your eligibility date. If you choose coverage over the guarantee issue amount, you will need to complete a medical questionnaire which you can get from your Plan.
Administrator. You may also be required to take certain medical tests at Unum’s expense. Should you miss your initial 31 day period to enroll, you may still apply at any time during the plan year or wait until the next open enrollment to apply. However, you will need to complete a medical questionnaire for any amount of Life coverage elected. This may result in a declination of coverage.

Effective Date of Coverage

Please see your Plan Administrator for your effective date.

Delayed Effective Date of Coverage

Employee: Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Dependent: Insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Exception: infants are insured from live birth.

“Totally disabled” means that, as a result of an injury, a sickness or a disorder, your dependent is confined in a hospital or similar institution; is unable to perform two or more activities of daily living (ADLs) because of a physical or mental incapacity resulting from an injury or a sickness; is cognitively impaired; is receiving or is entitled to receive any disability income from any source due to any sickness or injury; is receiving chemotherapy radiation therapy or dialysis treatment; or has a life threatening condition.

Changes to Coverage

Each year you and your spouse will be given the opportunity to change your Life coverage and AD&D coverage. You and your spouse may purchase additional Life coverage up to the Guarantee Issue amounts without evidence of insurability if you are already enrolled in the plan. Life coverage over the Guarantee Issue amounts will be medically underwritten and will require evidence of insurability and approval by Unum’s Medical Underwriters. The suicide exclusion will apply to any increase in coverage. AD&D coverage does not require evidence of insurability for increase amounts.
