ASSOCIATE DEGREE NURSING (ADN) PROGRAM

Application Requirements

PROFICIENCIES….A.A/A.S. Graduation Proficiency Requirements:

We do not accept assessment test results from other schools. Applicants with a Bachelor’s degree or higher should see a Counselor regarding General Education requirements as mandated by SB 1393. For more information refer to the graduation proficiency requirements section under Plan A of the General Education Plan or see a Counselor.

READING: Satisfying this proficiency may be achieved by any one of the following: A qualifying score achieved through multiple LBCC assessment measures, OR completion of READ 82 or 83 (“C” or better) at LBCC (courses taken at other colleges may be individually reviewed for equivalency by the English Department Reading Coordinator) OR a Bachelor's Degree from an accredited college or university. For more information see a Counselor.

MATH: A qualifying score on the LBCC Assessment Test which places a student in Mathematics 37, 37H, 40, 45, Statistics 1, 1H, or higher, OR successful completion with a grade of “C” or higher in a college math course at the level of Mathematics 120 or 130A or 130 or higher. Math 110 taken after Spring 2009 is not acceptable. For more information please see a Counselor.

To schedule assessment tests go to www.lbcc.edu and click on Students, Assessment/Orientation Center and Register On-line. You may also contact the LAC office, W120, 562-938-4049 or PCC office, FF101, 562-938-3920 to schedule the tests.

INFORMATION COMPETENCY (Information Competency replaced Computer Proficiency in the Fall 2006). To satisfy the proficiency you must take and pass (with a grade of “C” or better) a total of two (2) courses: one (1) Information course and one (1) Technology course. Course choices are listed below. For more information see a Counselor. Recommended for application and required for graduation.

PREREQUISITES

ENGLISH 1: Completed at LBCC with a passing grade or successful completion of a college English course at the level of English 1 from another college/university that has been equivalency approved by the English Department Chair. To determine which level of English is required, please see a Counselor.

SCIENCE: ANATOMY 1 (Human Anatomy), PHYSIOLOGY 1 (Human Physiology), and BIOLOGY 2 (General Microbiology). Life Science courses must have a combined GPA of 2.5 or higher and be completed within five (5) years prior to the application deadline. Courses taken at another college/university must be evaluated for equivalency by the Life Science Department Chair. You may use the Nursing and Allied Health “Life Science Department Equivalency Form” available in N102, for course equivalency evaluation for application purposes.

The following information must also be included with your application:

- HIGH SCHOOL/GED (mandatory): All applicants must provide a copy of a High School transcript/diploma or GED certificate. International transcripts must be evaluated by ACEI (Academic Credentials Evaluation Institute, Inc.). For additional information their website is www.acei1.com.

- OVERALL/CUMULATIVE GPA: must be 2.5 or higher; based on all grades from all colleges attended. Attach an unofficial transcript of LBCC courses and an official, sealed transcript from all other colleges. Classes taken at other colleges must be evaluated and approved for equivalency. Make an appointment with the LBCC Counseling Office at 562-938-4560 and give the Counselor an official transcript to submit for evaluation.

- INFORMATION MEETING: Information meetings are mandatory and attendance is taken. Meetings are held on the posted dates. Check the website for current dates. Meetings are held in Bldg. M, Room M206 from 4:30 p.m. to 5:30 p.m. No food, drinks, or children are allowed in the room. Reservations are not required, but the meetings are subject to change and/or cancellation.
