LONG BEACH COMMUNITY COLLEGE
DISTRICT

MERIT SYSTEM DISTRICT

The Long Beach Community College District was established in 1927 for the citizens of Long Beach and surrounding communities. The college has grown to be a leader among community colleges in the nation, with more than 32,000 students enrolled last semester. The two major campuses of the college are the Liberal Arts Campus and the Pacific Coast Campus.

Long Beach Community College District is a community-oriented institution, committed to providing general and specialized educational opportunities for all students without regard to race, national origin, creed, sex or age.

The Personnel Commission plays a crucial role in the selection of Long Beach Community College District’s excellent classified staff. The focus of the Personnel Commission for the 2004-05 school year was to develop a process for periodic reclassification, competitively select a consultant for this project, continue to broaden the recruiting methods using the on-line application process, and to continue to enhance customer service to the classified employees of Long Beach City College.

In focusing on recruitment and selection, we extend our wholehearted thanks to those many individuals who so generously gave their time and expertise to serve on interview boards. Their commitment to excellence truly is visible in the workforce of the Long Beach Community College District.
