LBCC Institutional Goals 2010-2011

**Ranked Top Five**

1. **Fiscal responsibility** - Maintain the college’s fiscal stability to afford opportunities for addressing both the current and changing economic conditions of the internal and external environments and ensure compliance with Federal, State, and local rules and regulations.

2. **Student Success** – Increase the number of certificates, AA and AS degrees, and students who transfer.

3. **Basic Skills** – Develop and enhance learning environments and instructional approaches that support academic success in basic skills to promote student attainment of educational and career goals.

4. **PCC** – Develop and expand curriculum and support services at PCC to meet the unique needs of the campus and local community.

5. **CTE** – Improve the college's career technical education programs in terms of their relevance and viability in the economy and flexibility to adapt to changes and needs of local workforce and industry.

**Remaining non-ranked goals that were among the top nine goals**

**Distance Learning** – Expand distance learning curricular offerings in response to student need in achieving general education course requirements and that result in the achievement of student learning and success.

**Staff diversity** – Increase staff diversity across all employee groups

**Technology and facilities infrastructure** – Provide and maintain state-of-the-art facilities to enhance a first-rate curriculum, effective and efficient student support services, and organizational efficiency.

**Workforce development** – Expand workforce development partnerships with academic programs in order to meet the needs of the business community and to enhance student competitiveness and success.
