2008. ADMINISTRATIVE REGULATIONS ON STUDENT
EDUCATIONAL EQUITY

2008.1 Goal

It is a goal of the Long Beach Community College District to provide high
quality educational programs and related student services culminating in the
successful access, course completion, degree and certificate completion,
ESL and basic skills completion, and transfer rate of all students.

The District recognizes the importance of increasing the rate of success of
all student population groups to the extent that the number of students who
make progress, transfer, graduate, or achieve their occupational goals
reflects the diversity of the college's student body. Moreover, in the spirit of
educational excellence, the District is dedicated to pursuing even higher
levels of success by undertaking measures which will produce the highest
possible achievement rates for all students.

2008.2 Responsibility

The Vice Presidents shall have responsibility for the implementation of
student educational equity plans. In addition, the respective Vice Presidents,
the Director of Staff Diversity/Staff Development, and the Academic Senate
of Long Beach City College shall be responsible for monitoring the student
educational equity effort.

In keeping with the Board's Policy on Shared Governance, the Long Beach
Community College District believes that student equity is a shared
responsibility. Therefore, in order to effectively address and comply with
state guidelines on student equity, the Board of Trustees, the administration,
the Academic Senate, the Community College Association, the California
School Employees Association, Certificated Hourly Instructors, Associated
Student Body Cabinet, and other constituent groups on campus must all be
responsible for supporting and observing student educational equity plans
within their respective areas.

2008.3 Definitions

A. Adult Population of the District: the population, age 18 and above,
who reside in the Long Beach Community College District.

B. Student Population Group: "Student population group" means
