04/24/15 California Community Colleges Chancellor’s Office Updated Legal Advisory 05-01: Questions and Answers Regarding Concurrent or Dual Enrollment

03/11/16 California Community Colleges Chancellor’s Office Legal Opinion 16-02: Dual Enrollment and Assembly Bill 288 (CCAP)

It shall be the policy of the Long Beach Community College District to consider for admission as a special student, any high school student who has completed the tenth grade and whose admission is recommended by the high school principal, or designated agent.

It shall also be the policy of the Long Beach Community College District to consider for special admission any students in elementary schools or high schools. Such admission shall be on an individual basis as recommended by the K-12 District Superintendent or his or her designee and approved by the college District.

Adopted: December 5, 1977
Revised: January 28, 1992; May 30, 2017
