1. COURSES AT OTHER COLLEGES:
The courses below can be taken at other local colleges and then transferred back to LBCC to complete your certificate or degree. All you have to do earn your LBCC certificate/degree is to:

- **Meet the LBCC residency requirement**—you must have taken at least 50% of your degree requirements at LBCC;
- **Complete the certificate or degree requirements** you have left by taking the comparable class(es) at a local college (listed below);
- **Remain continuously enrolled in the Fall and Spring semesters in any accredited college or university** until you have completed the certificate or degree requirements;
- **Transfer these course units** back to LBCC;
- **Complete the LBCC Application for Graduation** for a degree or the Application for Certificate of Achievement for a certificate
