Committee Reports

A. Banquet Committee: Kristen Payne- No report
B. Constitution Committee: **Vacant**

C. CSC Card Committee: **Josh Lorenzini** - due to complications weren’t able to meet last week, so going to try to meet later this week will keep everyone posted.

D. Finance Committee: **Kristen Payne** - 24 grants were turned in and are available for review in the ASB office. Please review & analyze them prior to the next ASB meeting.

E. Viking Booth Committee: **Josh Lorenzini** - due to complications weren’t able to meet last week will try again this week.

F. Student Forum Committee: **Melvin Morgan** - ASB/ PCC Student council meet & greet. Flyers are made and ready to be voted on. I have e-mailed the ASB & PCC Student Council my shortened and extended “Student Leader” Bio for their convenience to use as an example when creating their own bios. Note: the bios will serve more than just the purpose of assisting you with questions which will be asked of you by students, staff, and faculty during the Meet & Greet, but can also serve to assist you with things such as filling out your 5,000 word bio required for scholarship applications. I estimate that my extended bio is approximately 1,500 words that can simply be copied and pasted onto my application.

**Officer Reports**

**ASB President:** *No report*

**ASB Vice President:**

**Josh Lorenzini reported** that he learned a lot in the SSCCC, it was a fantastic experience. You learn a whole lot real fast when you are thrown in to a situation so many other knowledgeable people and so many other delegates from different schools. One of the biggest things I got is that we are not alone in our situation all the other school when speaking about their issues sound a lot like us.

**ASB Secretary:** *No report*

**ASB Treasurer:**

**Kristen Payne reported** that she also went SSCCC. It was a great experience, a good place for the treasurer to be because they do talk about money things and it is good to keep that in mind when we are making decisions on our own as a campus as to what state wide mandates may become financially. Also, again to see other schools and what the state is considering. There is also resources there for questions and information.

**PCC Student Council President:** *No report.*

**LAC Club Senate President:**

**Marco Valencia Mendoza reported** the 5th Annual Beverly O’Neill Student Leadership Conference will be held Friday, March 1, 2013, but registration for it will begin the first week of December. I encourage you all to sign up for this great event. Viking volunteer hours will also be awarded to those who attend. Also, on Nov. 7th CAC along with ‘The men of Aztlan’, and CLA will be sponsoring the LBCC ‘Dia De Los Muertos’ event from 12 noon-2pm here at LAC. Feel free to stop by and enjoy the festivities. And finally we chartered a few more clubs during our last LAC Club Senate Meeting. As of now we have 51 chartered clubs here at LAC. Being Club Senate President this something that brings me joy. I am very proud of all of my Senate representatives
and the work our clubs and organizations are doing. Once again, for anyone that is interested LAC Club Senate meetings are Tuesdays at 12 noon in the Fishbowl. Thank you and have a great day."

**LAC Cultural Affairs:**

**Leonardo Ortiz reported** that ‘Dia de Los Muertos’ is Nov. 7. We had ‘Octoberfest’ last week and president Rosny won the root beer chugging contest, Marco and I participated in the eating contest, and Josh participated in root beer chugging contest. It was a fun event.

**PCC Cultural Affairs: (phoned in)**

**Andrea Donado reported** that she would like to thank ASB Secretary for helping the Halloween event at PCC for students, it was a success. Want to encourage everyone to attend the multi-cultural event Nov. 14th, it’s going to be a big event and would like to have ASB representation. Non-violence against women event will be the 28th at 11am, there will be leaders from other colleges at this event. Had an amazing experience in the SSCCC, has a lot of ideas for next meeting. ASB should consider having business cards.

**Rep. of Academic Affairs:**

**Steve garland reported** an update that he will meet tomorrow in the afternoon with Vice President Lowenstein.

**Rep. of Arts:**

**Sarah Twilley reported** that the Spring Sing Committee will have our first meeting on Thursday, Nov. 8th at 2pm in the Fishbowl. This will be a jump start meeting to discuss the theme of the Spring Sing event.

**Rep. of Athletics:**

**Kevin Miranda reported** that he is working on Spirit Award/Trophy. Working on "rules" for how to win Spirit Award. All in all trying to iron out the kinks. Mostly focusing on questions to talk with Telia Robertson like is there a way to do verifications? Email and updating system etc. Hopefully Randy joined the Finance Committee meeting today. This Thursday at 4pm is the MGP meeting. Need to ask Derek for more information.

**Rep. of Communications:**

**Ronald Qualls reported** the meeting with the Ladies of Isis went well. Going to be meeting with the PTKY for Orgsync help. The alumni Luncheon was incredible and I took pictures with the newest alumni, will post on facebook.

**Rep. of Legislative Affairs: Vacant.**

**Rep. of Student Environment:**
Amanda Barajas reported that the reason she has been out the past meetings is because she lost three relatives this past month and it’s been really hard to even attend school. But she is back now and this Friday will have a Smoking Rules & Regulations meeting in the Vahalla from 9-10am and an Environment Committee meeting right after in the Northern Sun from 11-12pm. Another thing she wanted to mention was is that she will be going to the East Coast next week Wednesday the 14th for a week to aid those who were affected by Sandy, just thought it was good to let us know. That is all, thank you.

Rep. of Volunteer Services:

Tatiana Lopez reported that she is looking into possibly doing an ASB sponsored event for hurricane sandy, maybe just to see if we can get people to bring in blankets and thing that are necessary for the people over there. Still trying investigating how it would all workout maybe working with Red Cross. She will speak to Maya about that and she will send us an email.

Unfinished Business:

A. **Student Parking Fees:** Currently still haven’t gotten an answer. Tabled.

New Business: None
