Sign up for any of the 50-minute workshops or directed study groups by making an appointment in person in D-103 or by calling (562) 938-4228. For more information visit our website:

<http://www.lbcc.edu/successcenters/>

Please arrive 5 to 10 minutes early for a workshop, so you have time to get logged in. Workshops start on time and do not permit late participants.

Remember DLAs DON'T require an appointment. Just drop in ANY time we are open and give yourself at least an hour to work on them.

You may complete BOTH a workshop and a DLA on the same topic and receive credit for both activities, unless your instructor states otherwise.
