Any absence for school activities or other reasons must be accompanied by a written explanation signed by the associated person responsible (coach, instructor, etc.), to be considered as an excusable absence. Each instructor will require attendance at a performance(s) or exhibition of art, theater and music. Papers will be written covering the performance(s) and exhibition you've attended. Each instructor will describe the particular requirements of the papers and the venues that are acceptable for attendance. Attendance will be taken at the beginning of class and at the end of class by sign-in sheet (or at the instructors discretion). Absence, arriving late or leaving early will lower grade.
