

4012.                    POLICY STATEMENT OF ACADEMIC FREEDOM

Reference:     California Administrative Code, Section 51023

In the spirit of academic inquiry and in keeping with the code of ethics adopted by the Academic Senate of Long Beach City College, it is the policy of the Board of Trustees that the professional staff shall be free to define and discuss relevant information and concepts in the classroom or any other appropriate forum and shall be free to select materials and methods of presentation.

Adopted:     April 17, 1978
