PACIFIC COAST CAMPUS
Presentation by Jeri Carter
Provost Merry: Before Jeri begins her presentation I want to draw your attention to two items that are in front of you, the violet piece of paper is a new publication that my office is putting out on a biweekly basis and faculty and staff on the campus have found it very useful and it's really kind of fun to produce, telling about all the various activities that go on on this campus. Secondly, the white sheet of paper shows you that tomorrow is the fourth reception for the artists series at 11:30 and we invite you all to come and hear the artists speak and we will have live music once again.

Now it is my pleasure to introduce Jeri Carter. While Jeri Carter doesn't report directly to me, her activities on this campus are broader than what you might say her job description is. She's been very useful in helping faculty and staff in the production of various events on campus and she's going to take this opportunity now to tell us more about what she does.

Jeri Carter then showed a slide presentation outlining the services offered by the Student Life office at the Pacific Coast Campus.

She then introduced Susan Trask and Billy Brown, two former students of LBCC who told of their positive experiences with the Student Life Program and how it prepared them for their careers.

STUDENT TRUSTEE
Student Trustee Washington: Good Afternoon! It’s very good to hear that the Pacific Coast Campus is doing so well as far as student life thanks to Dr. Merry and Jeri Carter. I would like to mention another influential catalyst at PCC, her name is Lydia Turner, she is one of the Financial Aid Counselors at LBCC. She has been very influential to the students as far as the activities and participation for Black History Month this year and future years to come. I would again like to encourage the members of the Board and everyone to participate and come out to the activities posted on the flyer passed out by Dr. Merry during the PCC presentation.

Also, I am glad I had the opportunity to represent the students of LBCC on both a national level and a local level as far as the budget cuts for the fiscal year. I feel I received the necessary information I needed to be influential to our Associated Student Body in developing a solid student advocacy plan. I was able to accompany the Board members at the conferences in Washington, D.C. and Sacramento, California. Thank you again for the opportunity. I think we were (the LBCC group who attended) very educated and eloquent in our delivery with expressing our concerns. The legislators seemed very appreciative, professional, and receiving of our comments and suggestions. It was a very beneficial as well as effective experience.
The Student Bridge Center and the Transfer Services Center have merged. The new office is called “Student Success/Transfer Services Center.” It is located at LAC in room A156. With the help of Ruben Page and Gary Williams, both program specialists will be able to assist students with the transition from LBCC to a university and also assist with questions on how to have a great start with registration at this college among other questions by present or future students.

LBCC’s Cultural Affairs Council is presenting an experience in cultural diversity for the ASB, with field trips to The Museum of Tolerance on Wed., April 2nd to experience and learn more about true tolerance and the honoring of persons and also a free tour of the New and Beautiful L.A.’s Our Lady of The Angels Cathedral on March 11th – which is welcoming students to participate to experience the art, history, knowledge, and view of this cultural sanctuary and garden.

LBCC’s Spring Sing student event is coming up on March 14th at LAC’s auditorium at 7 p.m. Spring Sing is an event that embraces the talents of our involved student clubs, and any individual student body member that wants to participate every Spring Semester. We anticipate a fun filled event this semester. The theme is “A Journey To….”

Wednesday, April 2nd Associated Women Students will be hosting a Memorial Blood Drive in the Nordic Lounge from 9 a.m. to 3 p.m. at LAC; this is also a chance for students to accumulate service hours that are recorded on their LBCC official transcripts.

ASB Cabinet is discussing a proposal that I wrote with the help of Cindy Hanks requesting assistance with purchasing the equipment for televising the Board of Trustees meetings. The proposal asked for $12,000 and I am still awaiting their reply.

ASB Cabinet is also in the process of choosing students to participate in a march on the capitol on March 17 or 18 to express opinions on the fiscal year budget cuts for LBCC students Programs and Services. We are still in the planning process so that the experience will be effective to the legislators and beneficial to the students who chose to participate.

**PUBLIC COMMENTS ON AGENDA ITEMS**

At their request, members of the public may address the Board of Trustees on any item prior to or during the Board's consideration of that item. A five (5) minute time limit will be allotted to each speaker, with a maximum of twenty minutes for each subject, unless extended by the Board President. (There were no comments.)

The following items were part of the Consent Agenda

Member McNinch stated that she had to pull Item 5.1 and abstain from the vote on that item as one of the members of the part-time faculty to be approved was a tenant of hers and she did not feel she could vote on that item.

**Donation**

Accept the donation from James Hall, 408 Strasburg Drive, #B-10, Fort Collins, Colorado, 80525, of one complete 15 meter glider wing assembly and one set of hydroforming rib dies (tooling for ailerons and flaps) for use in the Aviation Maintenance Program, and request that a letter of appreciation be sent.

**Institutional Memberships**
It was moved by Member Clark, seconded by Member Polsky, that the items on the Consent Agenda, with the exception of 5.1 be approved and authorized.

The motion carried, all voting aye.

It was moved by Member Clark, seconded by Member Kellogg, that Item 5.1, Academic Personnel be approved and authorized.

The motion carried, with Members Clark, Kellogg, Polsky and Uranga voting aye, and Member McNinch abstaining.

**HUMAN RESOURCES**

**Resolution, Reduction of Classified Services, 2002-2003**

It was moved by Member Clark, seconded by Member Kellogg, that the Board of Trustees adopt Resolution No. 021803C to enact the layoff of classified employees due to a lack of funds. The effective date(s) vary according to the details of said Resolution.

The motion carried, all voting aye.

**Ratification of District/AFT-LBCCE Tentative Agreement**

It was moved by Member McNinch, seconded by Member Polsky, that the Board of Trustees ratify the Tentative Agreement reached during negotiations between the District and LBCCE/AFT-LBCCE. The Association membership through its operational procedures, has ratified this Agreement on February 12, 2003.

Member **Clark**: I just want to say how pleased I am to approve this. This is certainly a pleasure.

Member **Kellogg**: I also want to say that if negotiations always go this smoothly, and I'm sure they won’t – they historically don’t – but from someone who has observed different aspects of negotiations and noted that this one has gone very well. My compliments to the group and also to that individual who I don’t see here. It was very professionally done and I hope it is to the satisfaction of all parties. I think it was all just a vicious rumor before I showed up saying how cantankerous labor negotiations could be. So far, and knock on wood, I hope it continues, they were good for everyone at the college and all the parties involved and my compliments to everyone involved in these negotiations.

President **Uranga**: I want to echo those sentiments. We have some great people here on this campus and it hurts when we are contentious and we celebrate when we have our victories and I would like to recognize the representatives who are here and the management staff who worked together and developed a good rapport. Excellent.
The motion carried, all voting aye.

**Receipt of CCA Initial Proposal**

It was moved by Member Clark, seconded by Member Kellogg, that the Board of Trustees receive for the fiscal year 2002-2003, the Initial Proposal for a salary increase from the Community College Association--Long Beach City College (CCA/CTA) and the District in accordance with applicable state laws and regulations. This proposal, pertaining to Article XII (Salary), is in addition to the CCA proposals on Article XX (Faculty Evaluation), Article XI (Hours of Employment) and Article VII (Fringe Benefits) previously "sunshined" and currently being negotiated between the District and CCA for fiscal year 2002-2003.

Public comment on the Initial Proposal will be received at the February 18, 2003 Board meeting. (There were no Public Comments.)

The CCA salary schedule proposal is as follows:

A) The modification of Appendix C Salary Schedule step-and-column scale to be condensed from thirty steps to twenty with the current step thirty salary becoming the step twenty salary. No current faculty member's salary shall be decreased by this adjustment; and

B) A 6.175% salary increase, inclusive of COLA, for the above-stated fiscal year.

**Executive Vice President Collins:** Board President Uranga, I need to take a minute to clarify what this is. We had received a previous proposal from the CCA organization. The district and CCA have been engaged in negotiations on two articles of the current contract, that is the evaluation and the work load issue. The district has also been given a proposal that is being discussed at this time in terms of the health and welfare benefits. At the time of the sunshining of the other provisions, the salary proposal from the Association had not been prepared nor had it been sunshined. Legally there is an obligation to sunshine a new proposal. So, therefore, while the negotiations have continued on the other processes, this proposal is sunshined and the Board’s acceptance of it just allows us to move into that negotiations arena; so in addition to the other three topics we have in negotiations, we will now be commencing negotiations officially on this proposal.

The motion carried, all voting aye.

**ACADEMIC SENATE (Title 5, Section 53203)**

Revisions to Administrative Regulations on Textbook Adoptions, No. 4013
Vice President Callahan: The Administrative Regulations on Textbook Adoptions, No. 4013, have been revised and expanded to provide clarity of language and reflect current practice and legal requirements. This policy was developed by the Curriculum Committee and the Office of the Vice President of Academic Affairs. These regulations have been reviewed by the President’s Advisory Council. These Administrative Regulations are presented to the Board for information only.

Superintendent-President's Report
Superintendent-President Kehoe: I’ll make my report short because I’m sure I’ll have comments under the Budget Workshop.

The trips to Sacramento and Washington to which the Board members went and I accompanied them along with our Student Trustee, I think were very beneficial in terms of raising the awareness of our elected officials. I don’t have a great deal of optimism about any increase in the budget that we might have elicited, but it did raise awareness and I do want to share with you that I was honored to be asked to represent the American Association of Community Colleges to Senator Boxer who was, at the time, casting a vote in the Senate. I got a little sense of the security issues and the great attention in Washington right now in traveling with her staff underground to the Senate. I know that our elected officials are under a great deal of stress but I would encourage everyone on the Board and in the audience to communicate with all of our elected officials, both at the national and state level, our concerns. I will say that as we made our visits in Washington we emphasized primarily the reauthorization of the Workforce Investment Act, as well as opposing redistribution of VATEA funds and asking that they remain strong for the community colleges given the dependence of our students on those funds. That, among other things, were emphasized, but we wanted to make that point very very clear given our large emphasis on workforce development at this institution. I see Lynne Miller in the audience and I wanted to say that on her behalf because she works very hard to keep us informed of the status of the national funding. Thank you, Lynne.
That’s my report.

Member McNinch: I would just like to say that it was a pleasure, as always, to be in Washington, DC with this Board: Former Mayor Trustee Tom Clark, Student Trustee Daya Washington, Dr. Kehoe, Karen Kane, Roberto Uranga and myself. Everyone of our delegation was well spoken. We each limited ourselves to comments on a specific issue so we didn’t bore our elected officials to death and Dr. Kehoe was particularly eloquent in mentioning that we are trainers of our first responders and that certainly got the ears of our elected officials and their staff, because if our training funds are cut and indeed we do have the unfortunate circumstance of them training for a war, who the heck is going to train them, and that was an excellent point that was well received.

President Uranga: I would also like to commend Dr. Kehoe on her participation with the visit to Senator Boxer. There were a number of other just as qualified CEOs at the conference and they chose Dr. Kehoe to be there and that was certainly a reflection of your abilities.

Superintendent-President Kehoe: Thank you.

**ADMINISTRATIVE SERVICES**

The Vice President, Administrative Services, presented the following recommendations approved and recommended by the Superintendent:

**Partnership for Excellence Survey of Local Investments**

It was moved by Member Clark, seconded by Member Polsky, that the Board of Trustees approve the Partnership for Excellence Survey of Local Investments Report for FY 2002-2003.

The motion carried, all voting aye.

**Budget Update**

At the request of the Board, Mr. Eloy Oakley, Vice President, Administrative Services presented a mid-year budget report (see report attached to these minutes).

**2002-2003 Second Quarterly Report**

It was moved by Member McNinch, seconded by Member Clark, that the Board of Trustees approve the 2002-2003 Second Quarterly Financial Report, CCFS-311Q of the Long Beach Community College District and authorize transmittal of the report to the Chancellor’s Office, California Community Colleges.
The motion carried, all voting aye.

**Report from the Two-College District Committee**

Dr. Merry: Originally this report was to have been given this past fall and it was moved to today and I just want to remind everyone that the original study began in 2000-2001 and during 2001-2002 we went into a hiatus during the accreditation report and so the study was resumed this year. We have had several meetings and this is a result of the meetings. (See report attached to these minutes.)

Dr. Pauline Merry, Provost, Pacific Coast Campus; and Ms. Janice Tomson, President of Academic Senate, then gave the following PowerPoint presentation to the Board:

**Exploring a Two-College District (A Board of Trustees’ Goal)**

**Task Force Report to the Board of Trustees**

18 February 2003

**List of Members:**

- Ruth Abair
- Eileen Brown
- Anita Gibbins
- Phyllis Arias
- Jeri Carter
- Farley Herzek
- Sofia Beas
- Cathy Crane-McCoy
- Bonnie Brinkman
- Baruch Elimelech

**Steps in the Study**

**Step One**
Assess eligibility for accreditation as a new college

**Step Two**
Conduct a cost/benefit analysis of implementing a District/College structure in various alternative forms

**Step Three**
Assess other conditions of becoming two colleges

**Step Four**
Decide whether it is desirable to proceed

- In order to be eligible, each campus has to meet all twenty Accreditation criteria.
- Currently LAC and PCC meet some, but not all Accreditation criteria.
- If in the future the Board decides to proceed with a two-college district, criteria not met would have to be reviewed.
- For examples, look on page 3, criteria #12 and on page 4, criteria #15.

- The task force also reviewed the Mission Statement of the College.
Minutes, Meeting of the Board of Trustees  
February 18, 2003

- Having brought you up-to-date, what is the Board’s pleasure? To continue or not to continue?

President Uranga: Well while the district meets that criteria, the individual campuses might not necessarily meet that criteria. So, therefore, we have to look at it in terms of the feasibility of a two-college district. We would have to put programs in place at both campuses in order for them to function independently in and of themselves to meet this criteria. But as a district we are. Just not individually. I need to make that clear, because I think there is some discussion that is taking place that the theory is that LAC meets it, but PCC doesn’t; but that’s not necessarily true, because as a district we meet it, but not one campus has all of the criteria more so than another. They complement each other.

Janice Tomson: That’s correct.

Student Trustee Washington: I just have a question. If we went into a two-college district would we need more faculty?

Janice Tomson: Currently that’s what we’re doing. In Step 2 we’re looking at feasibility and so the committee is looking at models and what would be needed at the district level, what’s needed at an LAC college and what would be needed at a PCC college. So, unfortunately, we can’t answer your question yet, because we’re working on it.

Student Trustee Washington: So you’re talking in relation to the budget?

Dr. Merry: Well, not necessarily. That is sort of like the fourth step. What we will do is have the numbers laid out so people can look at them.

President Uranga: In looking at that, there are two sides to this discussion in terms of a budget. We’re not only looking at that it’s going to cost more, but we also have to look at with respect to what are we going to gain as far as revenue from FTES, for example; from state allocation. So I mean it’s not necessarily just an expenditure, but it’s also a benefit and if we are successful in equalization, that will be even more beneficial to having a two-college district. So our efforts in equalization have to continue, but at the same time, when we discuss faculty, administration, librarians, staff, all across the board, we’re also looking at the fact that each campus will be able to offset those costs with allocations from the state as well as other revenue that would be received from the natural enrollment from both colleges. And that’s where we are.

Janice Tomson: That’s where we are, exactly.

President Uranga: From my perspective, I think we should obviously continue the study and get the facts and figures about what an impact this would make on the district and the benefits, and there are going to be some downsides, of course and I think in order to get a balanced picture as to what is occurring here, we need to continue the study.

Member Clark: Yes, I think we will have to have more information to really make a decision as to whether we’re interested or not. I would say maybe after step 2, the economic impact.
Dr. Merry: What we say in the planning process is that we plan anyway, so this is irregardless of the fiscal situation and that would be a comparable statement to apply to this. So we still need to go ahead and investigate this further.

President Uranga, when did you want the next report?

President Uranga: I know that right now our budget situation is the priority. I don’t want to unnecessarily burden staff.

Vice President Oakley: And certainly from my end, once the committee has put together all the information to be costed out, I would say once we receive that information, we probably need three to four weeks.

President Uranga: Let’s say October. Would that be o.k.?

Superintendent-President Kehoe: I just want to step in here to protect the staff. We are understaffed in the fiscal area and it’s going to take a great deal of information from them. Would it be all right with the Board if we just said some time during the fall and let us look at what we have to deal with and then set a date when we know that it’s possible to bring you that information?

President Uranga: Tentatively October.

Superintendent-President Kehoe: We’ll put a big “T” for tentatively.

President Uranga: That’s fine.

**ECONOMIC AND RESOURCE DEVELOPMENT**

**Update on Economic Development**

Vice President Bynum: Thank you, President Uranga. This is not an update. It’s just a notification to the Board to bring to your attention that last week was Career Education Week and I just wanted to acknowledge and commend the faculty and staff who attended the programs that we had here at Long Beach City College. We have some wonderful programs and I think the college has one of the most comprehensive programs in that area.

Thank you.

**ACADEMIC SENATE**

Janice Tomson: I would like to take moment and tell you about Julie Zeller Simpson. She’s a faculty member who passed away suddenly on January 23, this past month. Julie was in the English Department and taught reading. For Julie it was not a job, but a calling. She was a Senator, a member of Faculty Professional Development, and chaired the Faculty Resource Center Advisory Committee.

Most of all, Julie loved to teach and was loved by her students. The day she passed away, I walked by her classroom on my way to a meeting. I looked in and there was
Minutes, Meeting of the Board of Trustees
February 18, 2003

Julie instructing the students. I remember thinking, “There is Julie, boy she has a lot of students in that class, and they look like they are really listening to her.” I did not know at the time, but this was the last time I would ever see her. What a great memory to have stored away.

Julie was a faculty member committed to active participation at Long Beach City College and to teaching students to read. When asked, I know Julie would always give an honest, concise, and insightful answer to college-wide issues.

Julie’s students loved her. They stuck with her to overcome the obstacles of learning to read. She supported her students, was compassionate, and at the same time challenged them to learn. After all she was giving them the greatest gift possible, the gift of reading.

As an educator, one of the saddest aspects of Julie’s passing is that students in years to come, will not have the opportunity to learn from her…on the other hand what is most wonderful for us at LBCC is knowing all the students that did attend Julie’s classes, were touched by her, inspired by her and have learned to read with her.

I’d like to request that you adjourn the Board meeting tonight in honor of Julie Zeller Simpson.

President Uranga: I agree.

TRUSTEES COMMUNICATIONS
Superintendent-President Kehoe: Could I communicate to the trustees at this point. You mentioned that you felt we needed a write-in campaign on the budget issues. We are putting together a packet that will be available to all faculty, staff and students, as far as sample letters, who to write to, what the addresses. We’ll also post that in places like EOPS, DSPS, the Library, so that we get the word to people so that they can write and e-mail.

President Uranga: I just want to mention that in concurrence with Dr. Kehoe’s observations about our visits to Sacramento and Washington that it was receptive, although it wasn’t very positive, but we were well received and I want to thank Janice Tomson and Cathy Crane-McCoy for joining us in Sacramento. We were the only college that had faculty, staff and a student represented and I want to commend Janice and Cathy for joining us up there. I think that it speaks well of our college that we are together in this and we need to work together to get out of this and, hopefully, we can continue that effort and I hope that you’ll be able to join us again at one of our next conferences.

After receiving testimony, the Board may recommend placing such item or item(s) on the agenda of a future meeting or referring the item(s) to staff for a report. (There were no comments.)

**ADJOURNMENT**

President Uranga adjourned the meeting in memory of Julie Zeller-Simpson at 7:05 p.m. and a moment of silence was observed. The next regular meeting of the Board of Trustees will be held on March 4, 2003. The first order of business will be adjournment to a closed session, as needed.
