## ON THE COVER:

Fall means Football! LBCC's first home game starts at 6 p.m. on Sat., Sept. 14 at Vets Stadium. All students, staff and faculty (and a guest) get in for free! Visit [www.LBCCVikings.com](http://www.LBCCVikings.com) for more information and this season's football schedule. Go Vikings!

## MESSAGE FROM THE SUPERINTENDENT-PRESIDENT

Dear Colleagues,

Welcome to the new academic year!

I was so excited to have College Day 2019 at our beautiful Pacific Coast Campus. This year, we added an activity that allowed our faculty and staff to explore PCC. I hope you were able to see the amazing work that's taking place there. There were so many presentations from our PCC faculty and staff ranging from virtual welding machines to growing an heirloom tomato. Once again, a big thank you to the Pacific Coast Campus, the Career Technology Education team, and to the College Day Planning Committee for making this College Day such a success.

And now, here we are - Fall 2019! Time for new beginnings for our first-year college students or maybe the last academic year on the road to our students' next venture. I thank each of you in advance to make every effort to help our students feel welcomed, valued, informed and encouraged while here at Long Beach City College.

As well as new students, you might have noticed that we have new campus leadership. Please thank Academic Senate President Jeri Florence, Classified Senate President C.C. Sadler, FA President Diana Ogimachi, AFT President Robert Remeta and Management Association President Erin Murphy for stepping up and for all they do to make LBCC a great place to work and to learn.

Here's to a wonderful 2019-2020 academic year!

## FACULTY EXAMINE EQUITY AND SUCCESS FOR THEIR COURSES

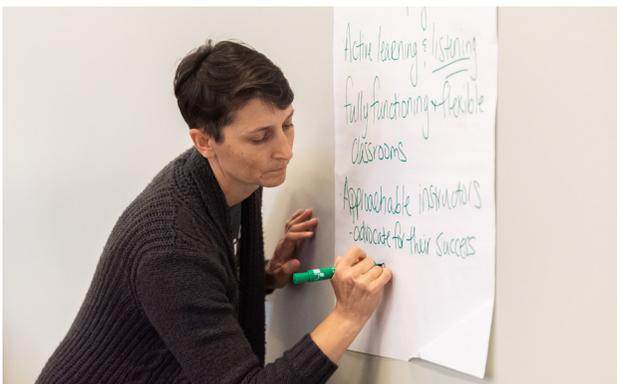

More than 30 faculty members participated in LBCC's first ever "Summer Curriculum Audit: Redesigning Our Courses for Equity and Success" on Aug. 13 at the Pacific Coast Campus.

Participants from all across campus worked individually or in teams to redesign their curriculum and pedagogy for a specific course with a focus on enhancing the equitable success of their students. These departments included Anthropology, Art History, Biology, Communications, Counseling, History, Library, Math, Nutrition, Political Science, Psychology, Reading, and Sociology.

Goals were set and current practices in the following areas were analyzed:

- Course Content
- The Classroom Experience
- Assignments and Assessments
- Grading and Feedback

"We especially looked for ways to be more culturally representative and responsive in these areas, as well as finding ways to make the course content relevant to student lives, more engaging, and more empowering and transformational for students," said Dr. Matthew Lawrence, Student Equity Coordinator.

# MALAUULU, NTUK TO LEAD LONG BEACH COMMUNITY COLLEGE DISTRICT BOARD OF TRUSTEES

Trustee Vivian Malauulu was elected President of the Long Beach Community College District Board of Trustees and Trustee Uduak-Joe Ntuk was elected Vice President at the Board's July 24 meeting. In this role, Malauulu will preside over the meetings of the Board and act as chief spokesperson for the Board, among other duties. The positions are elected annually among the five Board members, to a one-year term.

In 2016, Malauulu was the first Latina elected to the LBCCD Board of Trustees to represent Area 2. She has a bachelor's degree in Journalism from California State University, Northridge, a master's degree in Educational Administration from California State University, Dominguez Hills, and four K-14 bilingual teaching credentials. Malauulu is a full-time registered longshore worker with Local 13 of the International Longshore and Warehouse Union (ILWU) at the Long Beach/Los Angeles twin-ports complex. She is currently one of only six titled officers for Local 13 and oversees the welfare and pension benefits of more than 10,000 members, retirees, and their dependents. In 2018, she became the first woman in the ILWU's 81-year history to be elected to that office as the local's Health Benefits Representative.

Ntuk was elected in 2018 and he is the first African-American male elected to serve since LBCC's founding. He earned his Associate of Arts degree in Liberal Arts at LBCC, a Bachelor of Science in Chemical Engineering at California State University, Long Beach, and his Master of Science in Engineering at the University of Southern California. He currently serves as the Director of Petroleum Administration for the City of Los Angeles.

# SENATOR HOLDS PRESIDENTIAL CAMPAIGN RALLY AT LAC

(Left to right): Office of the President Chief of Staff Jeff Wood; Vice President of Business Services Marlene Drinkwine; LBCCD Board of Trustees President Vivian Malauulu; Senator Bernie Sanders; LBCCD Superintendent-President Dr. Reagan Ferragamo Romali; LBCCD Board of Trustees Member Sunny Zia; Grounds & Maintenance Susan Trask; and Public Affairs & Marketing Executive Director Joshua Castellanos.

A 2020 presidential candidate rented a portion of the Liberal Arts Campus on Aug. 6 to hold a campaign rally. It was reported that more than 5,300 people attended the rally in the E Quad to hear Senator Bernie Sanders from Vermont speak. Long Beach Community College District Board of Trustees President Vivian Malauulu was asked by the campaign to introduce him and student supporters were invited to watch the speech from the stage behind him.

*Long Beach City College entered into a facilities use agreement with the Bernie 2020 campaign. The campaign paid the appropriate fees for the usage of the facilities and any equipment provided. The display of the LBCC logo and graphics does not in any way indicate endorsement of any event held by an outside party at LBCC through a facilities use agreement.*

# COLLEGE DAY 2019:

## A DAY TO EXPLORE PCC

Dr. Kathy Scott, Gene Durand, Marlene Drinkwine, Dr. Mike Muñoz, Superintendent-President Reagan F. Romali, LBCCD Board President Vivian Malauulu, and Ole the Viking

More than 625 faculty, staff and administrators gathered together to enjoy the Annual LBCC College Day at the Pacific Coast Campus on Aug. 23. This year's theme was "Explore PCC."

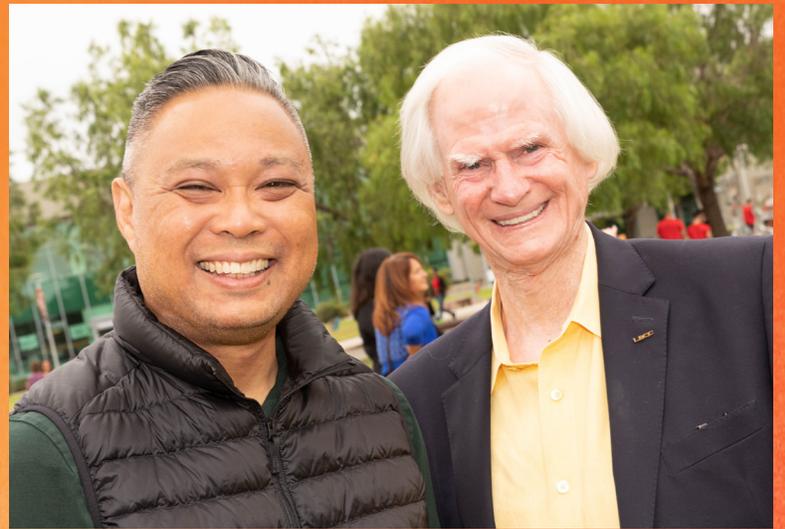

After campus leadership provided updates to the audience, attendees set out with their "passports" to see all that is new with the return of the trades and other areas of PCC such as Child Development

Center, Horticulture, and the Multidisciplinary Success Center.

Thanks to Suzanne Engelhardt from Electrical Technology for serving as the emcee. Thank you also to CTE, Athletics, COS and Public Affairs & Marketing for providing prizes, and to the College Day Planning Committee for organizing the day's events.
