

REOPENING TASKFORCE STEERING COMMITTEE
Summary Notes - DRAFT
 May 27, 2021
 Meeting

ATTENDANCE (A = absent):

	Marlene Drinkwine	Diana Ogimachi	Josh Castellanos
	CC Sadler	Brent Gilmore	Sundee Dominguez
	Erin Murphy	Moises Gutierrez	Richard Blackmon
	Gene Durand	Elisabeth Orr	Stacey Toda
	Jeri Florence	Jennifer Ramos	Maria Ek Ewell
	Kathy Scott	Kristin Olson	LaTonyua Harden
	Jeff Wood	Javier Villasenor	Tara Hardee Teodoro
	Nohel Corral	Robert Remeta	Alisia Kirkwood
	Robert Carman	Yvonne Gutierrez-Sandoval	Justin Mendez
	Paul Creason	Jessica LeGault	Kim Casuga
	Randy Totorp	Dr. Ann Manunag	Officer Harris
	Sylvia Lynch	Melissa Infusino	Mary Aja
	Bob Rapoza	Ben Chase	Donna Coats
	Cheryl Williams	Sonia De La Torre	Ruben Page
	Anthony Pagan	Lupe Pasill	Lorrain Blouin
	Dana Van Sinden	Edward Henderson	Lauren Zale
	Esteban	Linda Olmos	

NOTE TAKER: Shonda Jones

***Meeting held via ConferZoom**

1. Welcome (Dr. Nohel Corral)

- Dr. Corral welcomed the group and reminded them that documents/resources can be found in the shared drive (see link on bottom of agenda.)
- May 19th Summary Notes were accepted as reviewed

2. Plan Presentations for Approval

The following areas requested plan approval:

- | | |
|---|---|
| <ul style="list-style-type: none"> • CDES (CDLL 52) • EOPS/CalWORKS/TRiO Go/FYSS • Justice Scholars • Entry Services • Transfer Center/Career Center • General Counseling | <ul style="list-style-type: none"> Julie Ed Linda Esteban/Lupe Ruben/Ann Marie Erainia/Lorraine |
|---|---|

Questions/Comments regarding the plans:

- The CDES/CDLL 52 class is completely dependent on interaction and cannot be done virtually
- 6/8 CDLL 52 students will interact with 2-3 groups of students outside on the playgrounds while being supervised by faculty and supported by staff.
- CDLL 52 will adhere to its required pre and post COVID-19 licensing protocols as well as any additional protocols/guidelines required by the Health Dept.
- The CDCs already had a reopening plan to accommodate the children. However, now that LBCC students are becoming involved, the plan needs to be reviewed again.
- Student badges are in addition to a student ID and the same student screening process needs to happen at both PCC and LAC.
- This request is for the Fall semester.
- Julie will send the doc to Erin for the shared drive
- EOPS reopening plan is only for PCC (June 14th-Aug.26th)
- An LTE Office Assistant is needed to assist with safety/sanitization protocols
- Basic Needs, JSP and Foster youth services have all agreed to the same entry and exit points along with the same queuing area.
- Edward Henderson will research the elevator situation next week to see if they will be functional during the summer. He will also touch base with Moises Gutierrez to discuss plans for stair wells and restrooms. It was suggested to possibly have one stair well used for entry/exit for half of group and other set of stairs as entry/exit for the other half.
- VP Drinkwine noted that stairs should be treated the same as hallways and bottle necks should be anticipated.
- If there are a number of services in a building that could use a shared LTE to help monitor pedestrian flow, this can be added to the plan.
- Welcome Center and Technology distribution Q-less to be utilized for drop-in services. HS matriculation and FYE will utilize SARS for appointments and workshops.
- Elevator issue in front of A-1001 to be evaluated
- Transfer and Career Center plan is for LAC only (open June 17th – Aug. 26th)
- May request canopies outside of A-1096 for increased visibility and if there are larger crowds during summer
- Will have one entrance and exit which will be monitored by student worker or staff
- Plexiglass barriers will be requested though unsure of availability as these items are currently in high-demand
- **CDES/CDLL 52, EOPS et al, Justice Scholars, and Transfer plans were approved**

3. Preparing for June 15

Discussions surrounded:

- Masks
- Distancing

Marlene/Nohel

RTSC Minutes

May 27, 2021

Page 3

- Health Screening Survey and Stations
- Other health order protocols

Questions/Comments:

- There are potential opportunities to partner with the Whitehouse COVID-19 Response team and the City of Long Beach (COLB) for on-site vaccination clinics. If the partnerships come to fruition, it may alter the use of space (egress locations.) While these clinics might require the use of both Dyer Hall at PCC and T-1200 at LAC, the extent of use would be for summer only and end on Aug. 26th. An update will be given if partnerships move forward.
- Communications will create campaign to encourage vaccinations
- RTSC members may be invited to sit on committee working to bring the vaccination clinics on-campus
- A brief survey will be sent to students who remained with LBCC during the pandemic as well as those we lost to see their stance on people being vaccinated and returning to campus or returning to take classes on campus.
- Diana O. suggested also using regular mail (USPS) or finding other ways to contact students about the survey.

4. Q & A

N/A

5. Future Agenda items

Questions/Comments regarding the plans:

- Postponed General Counseling plan presentation until June 3rd meeting
- Science labs, Tutoring would like to present at the June 3rd meeting and the Summer Play the week after.

The meeting adjourned at 11:32AM

Next Meeting: June 3, 2021
