GRADUATION REQUIREMENTS

For CERTIFICATE OF ACHIEVEMENT:

Complete the required units with a minimum grade of "C" in each course. CDECE 68 must be taken at Long Beach City College. Fifty per cent (50%) or more of the child development unit requirements must be taken at Long Beach City College. To qualify for the certificate of achievement students are required to fulfill the same reading and writing proficiencies as required of the associate degree. See current general education guide for specific criteria.

For ASSOCIATE IN ARTS DEGREE:

In addition to the requirements for this Certificate of Achievement, complete the A. A. degree requirements specified in the catalog. The requirements for general education/proficiency and the field of concentration need to be from the same catalog year. Fifty per cent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included).

In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement
