

LONG BEACH CITY COLLEGE 2010-2011 CERTIFICATE AND DEGREE PROGRAMS

Long Beach City College provides students with an instructional program in higher education that may culminate in a Certificate of Achievement, a Certificate of Accomplishment, an Associate in Arts or an Associate in Science Degree or appropriate preparation for transfer to a four-year college or university.

Certificate (Achievement or Accomplishment) and/or Associate Degrees are offered in the fields of concentration on the following list(s). The requirements for each field of concentration are listed on the curriculum guides available in the Counseling Center at the Liberal Arts and Pacific Coast campuses as well as the LBCC Catalog.

In addition, a Curriculum Guide may be developed to meet the educational need of individual students that would include two or more appropriately related subject areas. Such an alternate plan requires the approval of the appropriate instructional dean and the Office of School and College Relations.

The notations used in the following table are:

T = **Transfer Preparation** – College courses in general education and the major taken during the freshman and sophomore years to prepare for transfer to a university (i.e., CSU-Long Beach, Chapman, UC-Irvine, USC, etc.).

A = **Associate Degree** – Two-year college degree awarded by Long Beach City College which includes general education courses and a major.

ACH = **Certificate of Achievement** – One to two year programs in occupational/technical areas at Long Beach City College which provide training in job skills and employment opportunities.

Long Beach City College also offers Certificates of Accomplishment. A Certificate of Accomplishment certifies a competency in a given area and requires less than 18 units. A list of Certificates of Accomplishment is on the reverse side.

Microsoft Excel	Administrative Assistant, Computer Application Specialist, Customer Service Representative, Office Assistant, Word Processing	Windows 2000 Network Administrator	Computer Business Information Systems/Computer Science
Microsoft Office	Administrative Assistant, Computer Applications Special list, Customer Service Representative, Office Assistant		

CERTIFICATE OF COMPLETION

NONCREDIT CERTIFICATE OF COMPLETION

The NONCREDIT CERTIFICATE OF COMPLETION is based on hours of instruction rather than on credit. The Noncredit Certificate of Completion was created in response to Senate Bill 361 (SB 361), which encourages California Community Colleges to offer certificates leading to improved employability or job opportunities.

Courses leading to a Noncredit Certificate of Completion are in the area of Career Development or College Preparation and must be part of one of the following: (1) a short-term vocational program with high employment potential; (2) a sequence of courses in (A) elementary or secondary basic skills including sequences of courses leading to a high school diploma; (B) workforce preparation in the basic skills of speaking, listening, reading, writing, mathematics, decision-making, and problem-solving skills that are necessary to participate in job-specific technical training; or (C) English as a Second Language (ESL) or Vocational English as a Second Language (VESL).
