Refer to the Schedule of Classes (<http://schedule.lbcc.edu>) and click the "Important Dates" link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".

Unless otherwise noted, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement.

Career Opportunities

Students are provided with an introductory education in the fine arts. It also partially fulfills some of the lower-division core for the Liberal Studies Bachelor's Degree and preparation for the Multiple Subjects Teaching Credential. It allows the student to gain proficiency in three areas of the arts, which can provide a deeper understanding of the fine arts in general.

This **Associate Degree** prepares student for transfer to a four-year college.

Program Mission and Outcomes
