**Career Opportunities**

This field of concentration provides the student with a general education in the principles, concepts, and methodologies of various disciplines (Anthropology, Economics, Geography, Philosophy, Psychology and Sociology). In addition, courses in these areas may partially satisfy general education and major requirements for a baccalaureate degree.

This Associate Degree will prepare students for career advancement and will also facilitate transfer in a related major.

**Program Mission and Outcomes**

Students completing our program should be fully prepared to move on to a more advanced level in post-secondary institution or in the workforce.

Outcomes:

1. A basic knowledge and experience of live performance synthesizing lower division level principles and theories of acting, production techniques, and creativity.
2. A respect for theatre as a means of personal, cultural, or social expression.
