Career Opportunities

Students learn the skills and knowledge necessary to transfer to upper-division programs in social work or human services and be eligible to become employed at the paraprofessional entry level in serving alcohol and drug clients.

This **Certificate of Achievement** will prepare students for an entry-level position in the alcohol/drug treatment field. This certificate fulfills the California Association of Alcohol & Drug Studies (CAADE) and the California Association of Alcohol & Drug Studies Abuse Counselors (CAADAC) academic and work experience requirements. Additional work experience plus passing their test will lead students to becoming Certified Addiction Treatment Counselor (CATC).

This **Associate Degree** will prepare students for an entry-level position in the human services/alcohol and drug treatment field and for career advancement for those already employed in these occupations.

This **Certificate of Accomplishment (Co Occurring Disorder)** will prepare students for work with specialized population of AOD clients.

Program Mission and Outcomes

Fulfillment of state approved certification requirements of California for job placement and workforce development.

Outcomes:

- Develop a psychosocial treatment plan for a client.
- Synthesize the theories and principles of drug and alcohol clinical evaluation, treatment planning, referral, service coordination, counseling, documentation, and professional/ethical responsibilities.
