**TOTAL UNITS 30-31.5**

**IN ADDITION to the above major courses, students are also required to obtain general education certification and meet other degree requirements as specified below.**

### General Education Certification Requirements

Completion of EITHER the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern IS REQUIRED. For general education patterns, visit the following web site: [http://osca.lbcc.edu/genedplan.cfm](http://osca.lbcc.edu/genedplan.cfm), or the LBCC catalog. After completion of the General Education Pattern students must request GE certification. Consult with a counselor for more information about the GE Certification process.

### Other Degree Requirements

1. **Minimum Unit Requirements**: Complete a minimum of 60 transferable units. Please note that additional units may be required to meet this minimum based upon courses selected to fulfill CSU-GE Breadth Pattern or the IGETC Pattern.

   **If following CSU-GE Breadth Pattern**
   - Geology for Transfer Major
   - CSU-GE Breadth
   - Minimum Required
   - Units
   - Geology for Transfer Major
   - CSU-GE Breadth
   - Minimum Required
   - Units

   **Double-Counting of Units**: STAR Act Regulations allow for double-counting of major requirements towards CSU- GE Breadth or IGETC patterns, and **10.5 units** of the Geology for Transfer coursework can be applied to the CSU- GE Breadth or IGETC patterns.

2. **Minimum grade and GPA requirements**: Maintain an overall grade point average (GPA) of 2.0 (“C” average) in all CSU-transferable coursework. For the major complete each course with a grade of “C” or better, or “P” if course is graded on a P/NP basis.

3. **Residence for the Degree**: Complete at least 12 CSU-transferable units (courses numbered 1-99) in residence at LBCC.

4. **Degree Application**: Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at [http://admissions.lbcc.edu/](http://admissions.lbcc.edu/). Refer to the Schedule of Classes ([http://schedule.lbcc.edu](http://schedule.lbcc.edu)) and click the “Important Dates” link to view the actual deadline for each semester.
Program Mission and Outcomes

Program Outcomes
- Differentiate between unsupported opinion and verifiable scientific fact supported by observations, experiments, and scientific theory.
- Demonstrate a basic understanding of the field of geology by applying basic geologic concepts verbally and in writing.

Legend
† This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "P" grade. Refer to the General Catalog (http://www.lbcc.edu/cat/index.html), the Schedule of Classes (http://schedule.lbcc.edu/), or the online Credit Course Outline (http://wdb-asir.lbcc.edu/coursecurriculum/coursedetails/) for specific prerequisite information.
