Students planning to **transfer** to a four-year college or university should refer to the ASSIST web site at www.assist.org and **consult a counselor** before beginning a program of study. Please call 562-938-4561 for the LAC, or 562-938-3920 for PCC to schedule a meeting with a counselor. Students may also wish to visit the Transfer Center on either campus.

Program Admission Requirements

General Information Items:

1. All applicants must have a clear background as unclear backgrounds may prevent the student from completing clinical requirements and jeopardize licensure.
2. All applicants should be physically and emotionally fit. If selected, applicant will need to show proof of meeting this requirement.
3. A strong command of the English language, both written and verbal is essential for successful completion of the program.
4. All applicants must show proof of a Social Security Number as a Social Security Number is required by some clinical agencies. In addition, the California Board of Registered Nurses requires a Social Security or individual taxpayer identification number in order to take the NCLEX-RN exam.
5. All applicants must have a LBCC student ID number.
6. All applicants must show proof of high school graduation or equivalency in the form of a diploma, transcripts or GED.
7. This program is not for the Licensed Vocational Nurses (LVN's). LVN's should apply to the LVN to RN Career Ladder Program.

Sequential Procedure for Application to the Program:

1. Attend a mandatory information session. Information sessions are held on a regular basis throughout the fall and spring semester. Dates and times are listed on the nursing website: <http://nursing.lbcc.edu>.
2. All applicants must meet with a counselor to develop an educational plan and for evaluation of previous courses and proficiencies.
3. Complete the Reading Proficiency requirement for graduation through the LBCC assessment testing or completion of READ 82 or 83 with a grade of "C" or higher. Proper documentation must be submitted with application.
4. Complete the Mathematics Proficiency requirement for graduation through the LBCC assessment testing or completion of MATH 120, 130 or 130A with a grade of "C" or higher. Proper documentation must be submitted with application.
5. Complete the information portion of the Information Competency requirement with a grade of "C" or higher. This requirement is recommended for application and required for graduation from the nursing program.

Career Opportunities

The program is designed to be completed in two years (after completion of pre-requisites) and qualifies the student to take the NCLEX-RN licensing examination given by the State of California Board of Registered Nursing. The program satisfies the requirements for an Associate degree and/or a Career Certificate. The graduate is qualified for immediate employment in acute care hospitals and many other health care facilities.

This **Associate Degree** prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization.

Graduates of the Associate Degree Nursing Program are also eligible to transfer into the upper-division nursing courses in ADN to bachelor's degree nursing programs and ADN to master's degree nursing programs.

Additional Program Information

RESTRICTIONS ON LICENSURE

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For more information request BRN Policy Denial of Licensure. For additional information call (562) 938-4166.

ACCREDITATION

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the Accreditation Commission for Education in Nursing, 3343 Peachtree RD. NE Suite 500, Atlanta, GA 30326 and the State of California Board of Registered Nursing.

Students must complete the courses outlined on the curriculum guide for the year in which they take their first nursing course. Students who withdraw from the program will be obligated by the guide and the nursing student handbook of the year of their re-entry into the program.

Every nursing course in the program has a challenge option provided for students enrolled in the course. Students are directed to the individual course syllabus for detailed instructions on how to apply for advanced placement via the challenge option.
