Subtotal Units: 3

IN ADDITION to the above major courses, students are also required to obtain general education certification and meet other degree requirements as specified below.

General Education Certification Requirements
Completion of EITHER the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern IS REQUIRED. For general education patterns, visit the following web site: [http://osca.lbcc.edu/generdplan.cfm](http://osca.lbcc.edu/generdplan.cfm), or the LBCC catalog. After completion of the General Education Pattern students must request GE certification. Consult with a counselor for more information about the GE Certification process.

Other Degree Requirements
1. Minimum Unit Requirements: Complete a minimum of 60 transferable units. Please note that additional units may be required to meet this minimum based upon courses selected to fulfill CSU-GE Breadth Pattern or the IGETC Pattern.

   If following CSU-GE Breadth Pattern | If following IGETC Pattern
   -------------------------------    -------------------------------
   Units                              Units
   Kinesiology                       22-26**                          Kinesiology                        22-26**
   CSU-GE Breadth                    39                                IGETC Pattern                     37
   Minimum Required                  60                                Minimum Required                  60

   **Double-Counting of Units: SB 1440 Regulations allow for double-counting of major requirements towards CSU-GE Breadth or IGETC patterns, and 9-14 units of the Kinesiology for Transfer coursework can be applied to the CSU-GE Breadth or IGETC patterns.

2. Minimum grade and GPA requirements: Maintain an overall grade point average (GPA) of 2.0 (“C” average) in all CSU-transferable coursework. For the major complete each course with a grade of “C” or better, or “P” if course is graded on a P/NP basis.

3. Residence for the Degree: Complete at least 12 units of the required 60 in residence at LBCC.

4. Degree Application: Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at [http://admissions.lbcc.edu/](http://admissions.lbcc.edu/). Refer to the Schedule of Classes ([http://schedule.lbcc.edu](http://schedule.lbcc.edu)) and click the “Important Dates” link to view the actual deadline for each semester.

5. The requirements for general education/efficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".
